Adams County Court
110 W. Main Street , Adams County Courthouse, Room 25
West Union, OH 45693

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$627.79 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is The ADAMHS Board of Adams Lawrence and Scioto Counties, 919 7th Street, Portsmouth, OH 45662, (740) 354-5648.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$1,062.79 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Belmont-Harrison-Monroe Mental Health and Recovery Services Board, 99 North Sugar Street, St. Clairsville, OH 43950, (740) 695-9998.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$1,995.84 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Butler County Mental Health & Addiction Recovery Services Board, 6 South 2nd St Suite 420, Hamilton, OH 45011, (513) 867-0777.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$2,712.70 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Butler County Mental Health & Addiction Recovery Services Board, 6 South 2nd St Suite 420, Hamilton, OH 45011, (513) 867-0777.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$1,419.33 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Muskingum Area Board of Mental Health & Recovery Services, 1205 Newark Road, Zanesville, OH 43701, (740) 454-8557.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Sincerely,

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$4,773.28 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is ADAMHS Board of Cuyahoga County, 2012 West 25th St 6th FL, Cleveland, OH 44113, (216) 241-3400.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Sincerely,

Tracy J. Plouck
Director, Ohio Department of Mental Health and Addiction Services

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$18,110.92 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is ADAMHS Board of Cuyahoga County, 2012 West 25th St 6th FL, Cleveland, OH 44113, (216) 241-3400.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Sincerely,

Tracy J. Plouck
Director, Ohio Department of Mental Health and Addiction Services

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$1,187.50 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is ADAMHS Board of Cuyahoga County, 2012 West 25th St 6th FL, Cleveland, OH 44113, (216) 241-3400.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Sincerely,

Tracy J. Plouck
Director, Ohio Department of Mental Health and Addiction Services

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$2,410.47 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is ADAMHS Board of Cuyahoga County, 2012 West 25th St 6th FL, Cleveland, OH 44113, (216) 241-3400.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Sincerely,

Tracy J. Plouck
Director, Ohio Department of Mental Health and Addiction Services

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$5,899.52 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is ADAMHS Board of Cuyahoga County, 2012 West 25th St 6th FL, Cleveland, OH 44113, (216) 241-3400.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Sincerely,

Tracy J. Plouck
Director, Ohio Department of Mental Health and Addiction Services

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$2,169.08 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is ADAMHS Board of Cuyahoga County, 2012 West 25th St 6th FL, Cleveland, OH 44113, (216) 241-3400.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Sincerely,

Tracy J. Plouck
Director, Ohio Department of Mental Health and Addiction Services

Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is ADAMHS Board of Cuyahoga County, 2012 West 25th St 6th FL, Cleveland, OH 44113, (216) 241-3400.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Sincerely,

Tracy J. Plouck
Director, Ohio Department of Mental Health and Addiction Services

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$6,156.45 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is ADAMHS Board of Cuyahoga County, 2012 West 25th St 6th FL, Cleveland, OH 44113, (216) 241-3400.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Sincerely,

Tracy J. Plouck
Director, Ohio Department of Mental Health and Addiction Services

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$2,746.31 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is ADAMHS Board of Cuyahoga County, 2012 West 25th St 6th FL, Cleveland, OH 44113, (216) 241-3400.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Sincerely,

Tracy J. Plouck
Director, Ohio Department of Mental Health and Addiction Services

Presiding Judge
Darke County Municipal Court
Court House 3Rd Floor
Greenville, OH 45331

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$2,175.43 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Tri County Board of Recovery & Mental Health Services (Miami, Darke and Shelby Co.), 1100 Wayne Street Suite 4000, Troy, OH 45373, (937) 335-7727.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Sincerely,

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$112.50 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Delaware-Morrow Mental Health & Recovery Services Board, 40 North Sandusky Street Suite 301, Delaware, OH 43015, (740) 368-1740.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$37.50 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is The Fairfield County Board of ADAMHS, 108 West Main Street Suite A, Lancaster, OH 43130, (740) 654-0829.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$69,630.76 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is The ADAMH Board of Franklin County, 447 East Broad Street, Columbus, OH 43215, (614) 224-1057.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Sincerely,

Tracy J. Plouck
Director, Ohio Department of Mental Health and Addiction Services

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Mental Health & Recovery Services Board of Clark, Greene, & Madison Counties, 1055 East High Street, Springfield, OH 45505, (937) 322-0648.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$31,054.18 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Hamilton County Mental Health and Recovery Services Board, 2350 Auburn Avenue, Cincinnati, OH 45219, (513) 946-8600.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$37.50 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Hancock County Board of ADAMHS, 438 Carnahan Avenue, Findlay, OH 45840, (419) 424-1985.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$1,459.98 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is The Four County Board of ADAMHS (Def.-Fulton-Henry-Will.), 761 Ohio 66, Archbold, OH 43502, (419) 267-3355.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Jefferson County Prevention & Recovery Board, 524 Madison Avenue, Steubenville, OH 43952, (740) 282-1300.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$5,123.65 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Lake County ADAMHS Board, 1 Victoria Square Suite 205, Painesville, OH 44077, (440) 352-3117.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$263.78 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is The ADAMHS Board of Adams Lawrence and Scioto Counties, 919 7th Street, Portsmouth, OH 45662, (740) 354-5648.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Sincerely,

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$109.30 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Alcohol and Drug Addiction Services Board of Lorain County, 4950 Oberlin Avenue, Lorain, OH 44053, (440) 282-9920.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Lorain, OH 44052

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$5,026.28 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Alcohol and Drug Addiction Services Board of Lorain County, 4950 Oberlin Avenue, Lorain, OH 44053, (440) 282-9920.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$3,539.04 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Mental Health & Recovery Services Board of Lucas County, 701 Adams Street Suite 800, Toledo, OH 43604, (419) 213-4600.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$21.32 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Mental Health & Recovery Services Board of Clark, Greene, & Madison Counties, 1055 East High Street, Springfield, OH 45505, (937) 322-0648.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Sincerely,

These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$2,524.72 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Mahoning County Alcohol and Drug Addiction Services Board, 107 South Champion Street, Youngstown, OH 44503, (330) 743-9509.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$2,643.46 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Mahoning County Alcohol and Drug Addiction Services Board, 107 South Champion Street, Youngstown, OH 44503, (330) 743-9509.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Sincerely,

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$908.86 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is ADAMHS Board for Montgomery County, 409 East Monument Avenue Suite 102, Dayton, OH 45402, (937) 443-0416.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Sincerely,

These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is ADAMHS Board for Montgomery County, 409 East Monument Avenue Suite 102, Dayton, OH 45402, (937) 443-0416.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$639.11 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Muskingum Area Board of Mental Health & Recovery Services, 1205 Newark Road, Zanesville, OH 43701, (740) 454-8557.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$3.95 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Mental Health & Recovery Board of Erie & Ottawa Counties, 416 Columbus Avenue, Sandusky, OH 44870, (419) 627-1908.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$2,850.47 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is The Paint Valley ADAMHS Board, 394 Chestnut Street, Chillicothe, OH 45601, (740) 773-2283.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$463.83 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is MHRS Board of Seneca, Sandusky & Wyandot Counties, 1200 North State Route 53, Tiffin, OH 44883, (419) 448-0640.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$268.25 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is MHRS Board of Seneca, Sandusky & Wyandot Counties, 1200 North State Route 53, Tiffin, OH 44883, (419) 448-0640.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$10,104.91 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Stark County Mental Health & Addiction Recovery, 121 Cleveland Avenue SW, Canton, OH 44702, (330) 453-8811.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Sincerely,

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$6,110.74 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is The County of Summit ADAMHS Board, 1867 West Market Street Suite B-2, Akron, OH 44313, (330) 762-3500.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$1,631.04 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Trumbull County Mental Health and Recovery Board, 4076 Youngstown Warren Road #201, Warren, OH 44484, (330) 675-2765.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$84.87 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Mental Health and Recovery Board of Union County, 131 North Main Street, Marysville, OH 43040, (937) 642-1212.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is Mental Health Recovery Services of Warren & Clinton Counties, 212 Cook Road, Lebanon, OH 45036, (513) 695-1695.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.

Dear Sir or Madame:

The Ohio Department of Mental Health and Addiction Services (OhioMHAS) is pleased to forward a payment of \$1,894.08 from the Indigent Drivers Alcohol Treatment Fund (IDAT). These fees were collected by the Bureau of Motor Vehicles from January through June of 2018 and forwarded to this department for distribution to your Court under Section 4511.191(F)(2)(c) of the Ohio Revised Code.

As a result of the implementation of the new state accounting systems (OAKS), we no longer mail EFT statements. Please forward the enclosed contents to your Court's Chief Financial Officer. We do not send them a separate notice and they need to have this information to properly credit your fund.

Division (H) of Section 4511.191 creates the Juvenile, County and Municipal Courts' Indigent Drivers Alcohol Treatment Funds. Recent legislative changes to Section 4511.191(H)(3) provides that payments are to be made only upon order of Juvenile, County or Municipal Court judges for alcohol and drug assessments and treatment costs for indigent drivers. Statutory changes also specify that these funds may not be used for Driver Intervention Programs. Funds can be used to pay for continuous electronic monitoring devices for indigent offenders in conjunction with the treatment program upon exhaustion of county funds in the Indigent Drivers Interlock and Alcohol Monitoring Fund, if determined clinically necessary.

Local Alcohol, Drug Addiction and Mental Health Services Boards or Alcohol and Drug Addiction Services Boards are to administer the indigent drivers treatment programs for the Courts, according to statute. Each Board is to determine which alcohol and drug program suits the needs of the offender, and the offender is to attend the program designated by the Board. You are urged to establish a working relationship with your local Board for these purposes if this has not already been accomplished. The Board responsible for your area is The Four County Board of ADAMHS (Def.-Fulton-Henry-Will.), 761 Ohio 66, Archbold, OH 43502, (419) 267-3355.

These funds should be used to purchase services for indigent offenders at certified alcohol and other drug treatment providers in your area. A list of your Board Area OhioMHAS-certified treatment agencies is attached.

Fiscal questions concerning these funds should be directed to Audra Terrell at (614)466-9980. If you have programmatic questions as to the use of IDAT funds, please contact Joani Moore at (614)752-7385 or Joani.Moore@mha.ohio.gov.
