

Mental Health Training for Coaches Training Review Application

In accordance with Ohio HB33, the Ohio Department of Mental Health and Addiction Services manages the approval process for all mental health trainings associated with the Ohio Department of Education's Coaches Permit.

Please select and assure the trainings meets the following requirements:

Learners who complete a training under this requirement must be able to:

- define mental health and share information on underlying causes of mental illness (biological, psychological, and behavioral)
- explain risk factors (e.g., stress, traumatic life-experiences, etc.)
- describe protective factors that support mental health
- dispel misconceptions related to mental illness
- share signs and symptoms to recognize in youth with common mental illnesses (depression, anxiety)
- offer health promotion strategies and other techniques to respond to and support a youth impacted by mental health concerns
- provide resources and referrals for a youth who may need help

Must be a competency-based training (measured through demonstration, knowledge check, completion quiz, or other method).

Must provide learners with a training certificate or proof of completion.

Must have point of contact support to help learners with any technical training assistance.

For a training to be considered for approval, please send the training agenda, competency measurement tool, and this PDF form to: MHCoachesTraining@mha.ohio.gov.
