Richardson, Tannis, R.N. NCLEX, P.N. 114958 (CASE #22-2155, #22-1278; #22-1822)

Action: It was moved by Member Jenny Heiser, seconded by Member Joseph Quackenbush, that the Board accept all of the Findings of Fact and Conclusions of Law, and modify the Recommendation in the Hearing Examiner's Report and Recommendation, and that **MS. RICHARDSON's** license to practice as a licensed practical nurse in the State of Ohio be suspended for an indefinite period of time but not less than one (1) year, retroactive to September 15, 2022, with the conditions for reinstatement set forth below, and following reinstatement, **MS. RICHARDSON's** license to practice nursing as a licensed practical nurse shall be subject to a stayed suspension under the probationary terms and restrictions set forth below for a minimum period of two (2) years including the **Temporary Practice Restrictions, unless otherwise approved in advance**, set forth below. **MS. Corbin, Kwankila, P.N. APPLICANT (CASE #22-1847)

Action: It was moved by Member Matthew Carle, seconded by Member Barbara Wadsworth, that the Board accept all of the Findings of Fact and Conclusions of Law, and modify the Recommendation in the Hearing Examiner's Report and Recommendation, and that, upon meeting the requirements for licensure, **MS. CORBIN's** license to practice nursing as a licensed practical nurse in the State of Ohio be suspended for an indefinite period of time with the conditions for reinstatement set forth below.

The rationale for the modification is the following: The Board in its expertise has determined that the need for a period of probation is uncertain, and that a substance use disorder professional can appropriately determine whether continued monitoring of **MS. CORBIN** is necessary to adequately protect the public.

SUSPENSION OF LICENSE

MS. CORBIN's license is suspended for an indefinite period of time.

The Board may reinstate **MS. CORBIN's** license if **MS. CORBIN** submits a written request

for reinstatement and is determined by the Board or its designee to have complied with the Conditions for Reinstatement.

MS. CORBIN shall:

1. Be determined, by the Board or its designee, to be able to practice as a nurse according to acceptable and prevailing standards of safe nursing care based upon an interview and review of the documentation specified in this Order.
2. Obey all federal, state, and local laws, and all laws and rules governing the practice of nursing in Ohio.

4. **Within sixty (60) days immediately prior to requesting reinstatement**, submit a request to the Bureau of Criminal Identification and Investigation (BCII) to conduct a criminal records check of **MS. CORBIN**, including a check of Federal Bureau of Investigation (FBI) records, and shall request that BCII submit **MS. CORBIN's** criminal records check to the Board. The Board will not consider a request for reinstatement until **MS. CORBIN's** completed criminal records check, including the FBI check, is received by the Board.

Evaluations

5. **Within sixty (60) days immediately prior to requesting reinstatement**, at **MS. CORBIN's** expense, obtain a substance use disorder evaluation by a substance use disorder professional approved by the Board or its designee and, prior to the evaluation, provide the substance use disorder professional with a copy of this Order. **MS. CORBIN** shall execute releases to permit the substance use disorder professional to obtain any information deemed appropriate and necessary for the evaluation. The substance use disorder professional shall submit a written opinion to the Board that includes diagnoses, recommendations for treatment and monitoring, including whether **MS. CORBIN** should be required to abstain from the use of alcohol or any products containing alcohol, whether **MS. Upon and after **MS. CORBIN's** initiation of drug screening, refusal to submit such specimen, or failure to submit such specimen on the day she is selected, or in such a manner as the Board may request, shall constitute a violation of a restriction placed on a license for purposes of Section 4723.28(B), ORC. This screening shall require a daily call-in process. The specimens submitted by **MS. CORBIN** shall be negative, except for substances prescribed, administered, or dispensed to her by another so authorized by law who has received a complete copy of this Order prior to prescribing for **MS.
