

APPROVED DIALYSIS TECHNICIAN TRAINING PROGRAMS
 as of November 22, 2022

The Board of Nursing regulates dialysis technician training programs in Ohio that prepare students for certification as a dialysis technician. The Board accomplishes this regulation by assuring that new and existing programs meet and maintain the requirements set forth in Chapter 4723-23, Ohio Administrative Code, as evidenced by the Board's granting of its approval. This is a list of dialysis technician training programs approved by the Board.
