NOTES: Data are taken from the Ohio Incident-Based Reporting System (OIBRS). The number of agencies that report complete (12 month) data into OIBRS varies each year. Information in this report may change over time based on updated or new data. Ohio population numbers are from the United States Census Bureau. See full "Sexual Assault in Ohio" report for more details. *The 'Other' race category includes: 'American Indian or Alaskan Native', 'Asian', and 'Native Hawaiian or Other Pacific Islander'.
