Project Overview

A. Project Description

The State intends to select an Architect/Engineering (A/E) team to provide design and construction administration services for renovations at the Ross Correctional Institution (RCI).

The scope will include but not be limited to:

- Roof replacement at various buildings throughout the institution.** Includes investigation, assessment, design, replacement of roof on various buildings throughout the institution. May include numerous different roofing systems and styles. Scope may include demolition, carpentry, waterproofing, insulation, ancillary work required by further investigation and site work
- Fence Repairs/Upgrades/Replacements.** Upgrade secure perimeter fence. Current condition indicates fence ties and posts exhibiting excessive wear. Scope may include demolition, earthwork, site restoration, utility work, fencing, security work, technology, ancillary work deemed important due to perimeter security.

In addition to these areas and disciplines, other work should be anticipated as investigation, assessment and the POR is completed. Work could include security perimeter fence, demolition, excavation, concrete, masonry, finishes, doors and hardware, windows, security, plumbing, HVAC, fire protection sprinkler, electrical, detention equipment and systems as needed and as may be encountered in design and construction of the scope categories listed above.

The development of the POR will include a comprehensive survey/field investigation of the existing site and surrounding areas to evaluate the existing conditions in relation to the project scope described above, and in relation to the project budget. The project scope will then be evaluated, prioritized, and defined/redefined to align with available project funds.

B. Scope of Services

Upon award of the Agreement, commence by developing the Program of Requirements.

The selected A/E, as a portion of its required Scope of Services and prior to submitting its proposals, will discuss and clarify with the Owner and/or the Contracting Authority, the cost breakdown of the A/E Agreement detailed cost components to address the Owner's project requirements. Participate in the Encouraging Diversity, Growth & Equity (EDGE) Program as required by statute and the Agreement.

Request for Qualifications (Registered Design Professional) continued

- Proposer's previous experience (numbers of projects, sizes of projects) when working with its proposed consultants.
- Specification writing credentials and experience.
- Experience and capabilities of creating or using Critical Path Method (CPM) schedules and of using CPM schedules as a project management resource.
- Approach to and success of using partnering and Alternative Dispute Resolution.
- Proximity of prospective firms to the project site.
- Proposer's apparent resources and capacity to meet the needs of this project.
- The selected A/E and all its consultants must have the capability to use the Internet within their normal business location(s) during normal business hours.

Interested A/E firms are required to submit the *Commitment to Participate in the EDGE Business Assistance Program* form in its Statement of Qualifications (Form F110-330) submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the A/E's team. The *Intent to Contract and to Perform* and / or waiver request letter and *Demonstration of Good Faith Effort* form(s) with complete documentation must be attached to the A/E's Technical Proposal. Both forms can be accessed via the OFCC website at <https://ofcc.ohio.gov>. The *Intent to Contract and to Perform* form is again required at the Fee Proposal stage.

If the A/E firm intends to receive points for exceeding the EDGE Participation Goal, it must provide BOTH a completed *Commitment to Participate* form AND a completed *Statement of Intent to Contract and to Perform* forms signed by both parties with its *Statement of Qualifications*.

For all *Statements of Qualifications*, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

Interested A/E firms must indicate on their *Statement of Qualifications*, the locations where their services will be performed in the spaces provided or by attachment in accordance with the requirements of Executive Order 2019-12D related to providing services only within the United States and the requirements of Executive Order 2022-02D prohibiting purchases from or investment in any Russian institution or company. Failure to do so may cause their *Statement of Qualifications* to be rejected.

J. Submittal Instructions

Firms are required to submit the current version of *Statement of Qualifications* (Form F110-330) available via the OFCC website at <https://ofcc.ohio.gov>.

Electronic submittals should be combined into one PDF file named with the project number listed on the RFQ and your firm's name. Use the "print" feature of Adobe Acrobat or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Acrobat, go to Advanced, then PDF Optimizer. Also, please insert the project number and firm name followed by "SOQ" in the email subject line.

Statements of Qualifications must be submitted electronically by email. Submittals are limited to one email with a maximum file size of 25 MB.

Firms are requested to identify professional registrations, memberships and credentials including: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, CPE, DBIA, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.
