Date revised: [If needed]

Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. The RFQ states Architecture as lead discipline – we would like to know if we can pursue this as a prime Engineering lead?
  - A. The intent of the Architecture listed as the Lead Discipline include such responsibilities, but not limited to, addressing Division 1 Specifications, submitting/securing Plan Approval with Division of Industrial Compliance, leading/developing the Program of Requirements and other Phases. It is preferred for you to submit as identified in the RFQ as the A/E Selection Rating Form assigns appropriate scores for Selection Criteria 2 and 3.
