NOTICE TO BIDDERS

ADDENDUM #1

OXD Runway End Identifier Lights MUN-100114

Please note the following items which become part and parcel to the Contract Documents and shall be considered when bidding.

Answers to RFQ Questions:

I'm reviewing the RFQ for the above referenced project and see in the Project Description that it's a "design-only" phase including detailed design plans and documentation. Then later in the RFQ under the scope of services section, it states the project includes bidding services, construction administration, post construction, and "Additional Services of all types."

Would you please clarify what the project will include?

Answer: Please refer to section "B. Scope of Services".

We see in the scoring table on page 19 of the RFQ that there are scoring criteria for "LEED** Registered / Certified project experience" and "BIM project experience", both of which we believe are not applicable to this project. Would you please confirm if they will or will not be scored items in your review?

Answer: These items will be scored.

Laura Baessler

Interim Director, Facilities Contracting Office
