Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. Can you please define what is intended under the “Additional Service Providers Required-Cultural Services” on Page 3 of the DNR-260053 RFQ? What does “cultural services” mean in the context of this project?
  - A. Expectations of ‘Cultural Resources’ as an ‘Additional Service’ would entail coordination with the State Historical Preservation Office (SHPO) to ensure that preservation standards are factored into the project before work is authorized to begin.
