

# RFQ Question and Answer List

## State of Ohio Standard Forms and Documents

---

Project Name HVAC Building System Improvements Project Number DNR-270003  
Project Location ODNR Fountain Square, Columbus Ohio

---

Date posted: 6/22/2026

Date revised:

Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. Question; Inquiring if there is any architectural program requiring architectural design services for this project or if ODNR would entertain an architect-led team.
  - A. ODNR desires a strong architectural-led team. There might be a case where architectural design would occur, but most of the work will be HVAC and Fire Alarm upgrades.
