Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. 1. Can ODNR confirm whether the Program of Requirements (POR) development effort may be performed under an initial, limited A/E agreement to establish scope, prior to execution of a subsequent A/E agreement covering full design and construction services?
 - A. The POR, design, and construction services will be performed under a single agreement.
2. 2. Can ODNR provide additional clarification on the expected level and duration of dedicated full-time A/E staffing during the initial site assessment and POR development phase?
 - A. The staffing level expectation is the AE must show adequate availability to perform the work in all phases of the project.
3. 3. The RFQ includes the requirement for prompt response to task order requests. Can ODNR clarify how task orders will be structured, issued and authorized under this contract?
 - A. If a task order is needed the AE will provide the scope, fee, schedule as a proposal for ODNR to review. There are no task orders identified at this time.
4. 4. Will there be multiple awards for this project? Or will it be an "all-in-one" consultant selection?
 - A. One consultant will be selected for this project.
5. 5. Any specific details or past project reports for the 6 listed projects? Any additional information would be beneficial.
 - A. No additional reports are available for the listed project currently.
6. 6. Is there a preferred timeline or order of importance for these projects?
 - A. There is no preferred timeline or order of importance for this project.
