Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. Has a Hazardous Material Assessment already been documented or is this a discipline that the AE should include?
  - A. Hazardous Materials Assessment will be provided by the consultant – no previous assessment has been completed.
2. Can you please describe Cultural Services that are listed in the Additional Service Providers Required?
  - A. Cultural services include identifying archaeological and historical sites, evaluating project impacts, and developing mitigation measures. These services also follow regulatory and consultation requirements defined in Section 106 applicable to the Ohio State Historic Preservation Office (SHPO) guidelines.
