Below are the questions that have been received to date for the RFQ of the above-referenced project:

1. The EDGE goal for this project is 0%, yet the scoring breakdown still lists 0–5 potential points for each D-B team’s EDGE plan. Can you confirm whether this scoring criterion will be removed, or if all teams will receive the same number of points since there is no goal for this project?

Answer: Section F of the RFQ states a zero percent EDGE Participation Goal. Does this mean EDGE participation will be zeroed out on item 3.b. of the Rating Form, or will 1 point be awarded for every 2 percent increase above zero percent?

A. Yes – Edge is not a project requirement and as such, scores will be a default zero on the scoresheet
