* "Registered Design Professional includes any architect holding a certificate issued under section 4703.10 of the Revised Code, any landscape architect holding a certificate issued under section 4703.36 of the Revised Code, or any engineer holding a certificate issued under section 4733.14 of the Revised Code." (Ohio Building Code section 4101:1-2-01 Definitions)

Submit the *Statements of Qualifications* (Form F110-330) via email to [FY26 Estimate - Wright Center Convert Existing Phi.01 Selection6@docs.e-builder.net](mailto:FY26_Estimate_-_Wright_Center_Convert_Existing_Phi.01_Selection6@docs.e-builder.net). In the subject line, include the project number and name for RFQ you are responding to. See Section J of this RFQ for additional submittal instructions.

Submit all questions regarding this RFQ in writing to Catie Cashman at cashman.52@osu.edu with the project number included in the subject line (no phone calls please). Questions will be answered and posted to the Opportunities page on the OFCC website at <https://ofcc.ohio.gov> on a regular basis until one week before the response deadline. The name of the party submitting a question will not be included on the Q&A document.

Project Overview

A. Project Description

The Ohio State University Wexner Medical Center is requesting qualifications from interested Architect/Engineer ("A/E") teams for a renovation in The Morehouse Medical Plaza – Concourse – Wright Center at 2050 Kenny Road in Columbus, Ohio. This project will replace an existing MRI in room 1253 which will include modifications to the adjacent control (1251) and equipment (1251A) rooms, a total of approximately 1,000sf. It is anticipated that this MRI scan room will function as a Class 1 Imaging room per FGI Guidelines.

Coordination with owner-provided equipment is required for this project, including but not limited to both the new MRI scanner and dedicated chiller that will need installed on the roof. The existing Philips MRI is nearing end-of-life. The basis of design for the new MRI is a Siemens Cima X (3T). This MRI will be utilized for both patient care for OSU Medical Center and research functions for OSU College of Medicine. The A/E will aid in validating the space and construction budget to support any structural, MEP, or other infrastructure upgrades required to support the new MRI.

The existing RF shielding has been determined to be insufficient for the new 3T MRI and will need replaced as part of this project, as well as an existing Liebert unit in the equipment room that is at end-of-life.

It is currently under consideration to also replace the existing PET CT across the hall in room 1252. Though not included in the scope or estimated budget at the time of the posting, if later approved to move forward within a reasonable timeframe, the contract could be amended to add the PET CT and its adjacent control and equipment rooms to this project.

Full scope and description of work are subject to change.

This project includes asset tagging. The Primary firm submitting for the project is required to have the expertise capable of meeting this prerequisite and is responsible to support their consultants to meet this requirement. The Asset Tagging Process Diagram, Asset Worksheet Template, and LOD Matrix can be accessed via the OSU FOD website (<https://fod.osu.edu/resources>) under Design Guidelines, Specifications, Standards; Specifications and Standards; Building Information Modeling (BIM).

B. Scope of Services

The project and construction budget as listed in this RFQ is estimated.

Request for Qualifications (Registered Design Professional) continued

Upon award of the Agreement, commence with Design.

The project shall follow the applicable University Sustainability Standards: https://fod.osu.edu/sites/default/files/div_18.pdf.

The selected A/E, as a portion of its required Scope of Services and prior to submitting its proposals, will discuss and clarify with the Owner and/or the Contracting Authority, the cost breakdown of the Architect/Engineer Agreement detailed cost components to address the Owner's project requirements. Participate in the Encouraging Growth, Diversity & Equity (EDGE) Program as required by statute and the Agreement. Required Professional Liability Insurance will be per Exhibit A – A/E Terms and Conditions Article 7.2.6.

As required by the Agreement, and as properly authorized, provide the following categories of services: Program Verification, Schematic Design, Design Development, Construction Document Preparation, Bid and Award Support, Conformed Documents, Construction Administration, Post-Construction, and Additional Services of all types.

Refer to the *Ohio Facilities Construction Manual* for additional information about the type and extent of services required for each. A copy of the standard Agreement can be obtained at the OFCC website at <https://ofcc.ohio.gov>.

The selected A/E will be required to sign the standard agreement. No modifications to the requirements in the agreement will be accepted.

During the construction period, provide not less than 3 hours (excluding travel time) on-site construction administration services each week, including (1) attendance at progress meetings, (2) a written field report of each site visit, (3) on-site representation comprised of the A/E and its consultant staff involved in the primary design of the project, all having relevant and appropriate types of construction administration experience.

The project team (Owner / A/E / Contractor) will be required to utilize the University's Project Management System, for all compatible services required by the University.

The Ohio State University is dedicated to providing a safe and healthy environment for students, patients, staff, visitors, and contractors. While not exclusive, guidelines governing safety expectations for construction/ renovation projects within Ohio State buildings are set forth in the Building Design Standards Appendix V and are summarized here: <https://fod.osu.edu/resources>, under the section titled "Construction Site Safety Requirements."

Closeout Services: The closeout for this project is required to be delivered in an electronic cloud-based format using the e-Builder Project Management System and adhere to The Ohio State University Project Closeout Standards. The Ohio State University Project Closeout Standards can be accessed via the OSU FOD vender resource website (<https://fod.osu.edu/resources>) under Post Construction / Close Out.

The A/E will comply with applicable OSU Wexner Medical Center policies, including the Identification Badge Policy, which incorporates the Non-discretionary Vaccination Policy/Employee Health Infection Control and Background Check Policies, as identified at <https://wexnermedical.osu.edu/utility/footer/vendor-interaction>. The A/E is responsible for all costs incurred related to compliance with these policies.

For purposes of completing the Relevant Project Experience Matrix in Section F of the *Statement of Qualifications* (Form F110-330), below is a list of relevant scope of work requirements for this RFQ:

1. Experience with MRI and PET CT Projects
2. Experience with Renovations in Active Hospital or Ambulatory Settings
3. Experience with CMr Delivery Method
4. State of Ohio and/or Ohio State Administered Projects

For the purpose of the selection of 10 Relevant Projects in Section F of the Statement of Qualification (Form F110-330), projects must be designed by the Lead Firm.

C. Estimated Budget / Funding

| | |
|---------------------|-----------------------|
| State Funding: | <u>\$0.00</u> |
| Other Funding: | <u>\$1,292,950.00</u> |
| Construction Cost: | <u>\$925,000.00</u> |
| Total Project Cost: | <u>\$1,292,950.00</u> |

D. Anticipated Schedule

| | |
|-------------------------------------|--------------|
| Professional Services Start: | <u>08/26</u> |
| Construction Notice to Proceed: | <u>12/26</u> |
| Substantial Completion of all Work: | <u>05/27</u> |
| Professional Services Completed: | <u>08/27</u> |

Request for Qualifications (Registered Design Professional) continued

E. Estimated Basic Fee Range (see note below)

9.00% to 9.50%

F. EDGE Participation Goal

Percent of initial Total A/E Fee: 5%

NOTE: **Basic Services** include: (1) Program Verification, (2) Schematic Design, (3) Design Development, (4) Construction Documents, (5) Bidding and Award OR GMP Proposal and Amendment (as applicable), (6) Construction Administration, and (7) Closeout services. The **Basic Fee** includes all professional design services and consultant services necessary for proper completion of the Basic Services, including validation of existing conditions (but not subsurface or hidden conditions) and preparation of cost estimates and design schedules for the project. The **Estimated Basic Fee Range** is calculated as a percentage of the **Estimated Budget for Construction Cost** above. **The Basic Fee excludes any Additional Services required for the project.**

G. Basic Service Providers Required (see note below)

Lead A/E Discipline: Architecture

Secondary _____

Disciplines: Mechanical-Electrical-Plumbing Eng.

Structural Engineering

H. Additional Service Providers Required

Hazardous Materials Testing

Testing and Balancing

NOTE: The lead A/E shall be (1) any architect holding a certificate issued under section 4703.10 of the Revised Code, (2) any landscape architect holding a certificate issued under section 4703.36 of the Revised Code, or (3) any engineer holding a certificate issued under section 4733.14 of the Revised Code.

I. Evaluation Criteria for Selection

- Demonstrated ability to meet Owner's programmed project vision, scope, budget, and schedule on previous projects.
- Demonstrated ability to meet Owner's Sustainability Standards: https://fod.osu.edu/sites/default/files/div_18.pdf.
- Previous experience compatible with the proposed project (e.g., type, size).
- Relevant past work of prospective firm's proposed consultants.
- Past performance of prospective firm and its proposed consultants.
- Qualifications and experience of individuals directly involved with the project.
- Proposer's previous experience (numbers of projects, sizes of projects) when working with its proposed consultants.
- Design quality and demonstrated ability of prospective firm and its proposed consultants to provide design services which represent the University's *Design Guidelines for Buildings and Landscape* [buildings-landscape.pdf](#)
- Specification writing credentials and experience.
- Experience and capabilities of creating or using Critical Path Method (CPM) schedules and of using CPM schedules as a project management resource.
- Approach to and success of using partnering and Alternative Dispute Resolution.
- Proximity of prospective firms to the project site.
- Proposer's apparent resources and capacity to meet the needs of this project.
- The selected A/E and all its consultants must have the capability to use the Internet within their normal business location(s) during normal business hours.

Interested A/E firms are required to submit the *Commitment to Participate in the EDGE Business Assistance Program* form in its *Statement of Qualifications* (Form F110-330) submitted in response to the RFQ, to indicate its intent to contract with and use EDGE-certified Business Enterprise(s), as a part of the A/E's team. The *Intent to Contract and to Perform* and / or waiver request letter and *Demonstration of Good Faith Effort* form(s) with complete documentation must be attached to the A/E's Technical Proposal. Both forms can be accessed via the OFCC website at <https://ofcc.ohio.gov>. The *Intent to Contract and to Perform* form is again required at the Fee Proposal stage.

If the A/E firm intends to receive points for exceeding the EDGE Participation Goal, it must provide BOTH a completed *Commitment to Participate* form AND a completed *Statement of Intent to Contract and to Perform* forms signed by both parties with its *Statement of Qualifications*.

For all *Statements of Qualifications*, please identify the EDGE-certified Business Enterprises, by name, which will participate in the delivery of the proposed professional services solicited in the RFQ.

Interested A/E firms must indicate on their *Statement of Qualifications*, the locations where their services will be performed in the spaces provided or by attachment in accordance with the requirements of Executive Order 2019-12D related to providing services only within the United States and the requirements of Executive Order 2022-02D prohibiting purchases from or investment in any Russian institution or company. Failure to do so may cause their *Statement of Qualifications* to be rejected.

Request for Qualifications (Registered Design Professional) continued

J. Submittal Instructions

Firms are required to submit the current version of *Statement of Qualifications* (Form F110-330) available via the OFCC website at <https://ofcc.ohio.gov>.

Electronic submittals should be combined into one PDF file saved with the form name, project number listed on the RFQ and your firm's name (ex. F110-330_OSU-nnnnnn_Firm Name). Use the "print" feature of Adobe Acrobat or similar software for creating a PDF rather than using a scanner. If possible, please reduce the file size of the PDF. In Acrobat, go to Advanced, then PDF Optimizer.

Statements of Qualifications must be submitted electronically by email. Submittals are limited to one email with a maximum file size of 25 MB.

Firms are requested to identify professional registrations, memberships, and credentials including: LEED GA, LEED AP, LEED AP+, CCCA, CCM, CCS, CDT, CPE, DBIA, and any other appropriate design and construction industry credentials. Identify that information on the resume page for individual in Block 22, Section E of the F110-330 form.

Architect / Engineer Selection Rating Form

State of Ohio Standard Forms and Documents

Project Name Wright Center - Convert Existing Philips MRI to Siemens MRI (Room 1253) Proposer Firm _____
 Project Number OSU-255420 City, State, Zip _____

| Selection Criteria | | Value | Score |
|---|--|-----------------|----------|
| 1. Primary Firm Location, Workload and Size (Maximum 10 points) | | | |
| a. Proximity of firm to project site | Less than 75 miles | 5 | |
| | 75 miles to 150 miles | 2 | |
| | More than 150 miles | 0 | |
| b. Amount of fees awarded by Contracting Authority in previous 24 months | Less than \$200,000 | 2 | |
| | \$200,000 to \$1,000,000 | 2 | |
| | More than \$1,000,000 | 2 | |
| c. Number of licensed professionals | Less than 2 professionals | 1 | Max = 3 |
| | 2 to 10 professionals | 3 | |
| | More than 10 professionals | 3 | |
| 2. Primary Firm Qualifications (Maximum 30 points) | | | |
| a. Project management lead | Experience / ability of project manager to manage scope / budget / schedule / quality | 0 - 10 | Max = 20 |
| b. Project design lead | Experience / creativity of project designer to achieve owner's vision and requirements | 0 - 5 | |
| c. Technical staff | Experience / ability of technical staff to create fully coordinated construction documents | 0 - 7 | |
| d. Construction administration staff | Experience / ability of field representative to identify and solve issues during construction | 0 - 8 | |
| 3. Key Consultant Qualifications (Maximum 20 points) | | | |
| a. Key discipline leads | Experience / ability of key consultants to perform effectively and collaboratively | 0 - 15 | |
| b. Proposed EDGE-certified Consultant participation* | One point for every 2 percent increase in professional services over the EDGE participation goal | 0 - 5 | |
| 4. Overall Team Qualifications (Maximum 10 points) | | | |
| a. Previous team collaboration | Less than 2 sample projects | 1 | Max = 3 |
| | 2 to 4 sample projects | 2 | |
| | More than 4 sample projects | 3 | |
| b. OSU Sustainability Standards or LEED** project experience | LEED v4.0 or v4.1 projects | 1 | Max = 2 |
| | OSU Sustainability Standards projects | 2 | |
| c. BIM project experience | Training and knowledge | 1 | Max = 3 |
| | Direct project experience | 3 | |
| d. Team organization | Clarity of responsibility / communication demonstrated by table of organization | 0 - 2 | |
| 5. Overall Team Experience (Maximum 30 points) | | | |
| a. Previous team performance | Past performance as indicated by evaluations and letters of reference | 0 - 10 | |
| b. Experience with similar projects / delivery methods | Less than 3 projects | 0 - 3 | |
| | 3 to 6 projects | 4 - 6 | |
| | More than 6 projects | 7 - 10 | |
| c. Budget and schedule management | Performance in completing projects within original construction budget and schedule | 0 - 5 | |
| d. Knowledge of Ohio Capital Improvements process | Less than 3 projects | 0 - 1 | |
| | 3 to 6 projects | 2 - 3 | |
| | More than 6 projects | 4 - 5 | |
| * Must be comprised of professional design services consulting firm(s) and NOT the lead firm – For more information on scoring this and other criteria refer to Document F199-01 – PS Selection Rating Rubric . ** Leadership in Energy & Environmental Design administered by Green Building Certification Inc. | | Subtotal | |
