

Ohio Native Summer WILDFLOWER CHECKLIST

Ohio is home to over 1,800 species of native plants, including hundreds of summer wildflowers that bloom from June to August each year. This checklist highlights many of our common prairie and grassland wildflowers and some rare species too. We hope you enjoy using the checklist while out exploring Ohio's natural areas this summer!

To learn more about Ohio's wildflowers, visit ohiodnr.gov.

Bloom period: June to August

Key: **W** Wetland **R** Rare
F Forest **R*** State-listed Rare
O Open (Grassland)

RED-PINK WILDFLOWERS
