## **ORDER BY THE CHIEF**

**November 6, 2018**

**ORDER NO. 2018-305**

**TO: XTO Energy Inc.  
810 Houston St.  
Fort Worth, TX 76102**

**RE: Application for Unitization  
Wright Unit B  
Belmont County, Ohio**

**SUBJECT: Order for Unit Operations of the Utica/Point Pleasant Formations**

Pursuant to Ohio Revised Code (“R.C.”) § 1509.28, the Chief of the Division of Oil and Gas Resources Management (“Chief” or “Division”) makes the following Findings and issues the following Order with respect to XTO Energy Inc.’s (“XTO”) Application for Unit Operations for the Wright Unit B:

### **DEFINITIONS:**

As used in this order:

- 1) “Person” has the same meaning as in R.C. § 1509.01.
- 2) “Application” means the application of XTO Energy Inc. for Unit Operation of the Wright Unit B filed February 21, 2018, and includes all updates, amendments, and supplements to it.
- 3) “Royalty interest owner” means a person or the estate of a person, other than a working interest owner, who owns the right to or interest in any portion of the oil and/or gas, or proceeds from the sale thereof, from a tract.

- 4) "Working interest" means an interest in oil and/or gas in the unit area by virtue of a lease, operating agreement, fee title, or otherwise, including a carried interest, the owner of which is obligated to pay, either in cash or out of production or otherwise a portion of the unit expense.
- 5) "Working interest owner" means a person or the estate of a person who owns an interest in oil and/or gas in the unit area by virtue of a lease, operating agreement, fee title, or otherwise, including a carried interest, the owner of which is obligated to pay, either in cash or out of production or otherwise a portion of the unit expense. "Working interest owner" does not include an unleased mineral owner.
- 6) "Unleased mineral owner" means a royalty interest owner who owns oil and/or gas rights free of a lease or other instrument conveying all or any portion of the working interest in such rights to another. At the time of this order, the unleased mineral owners as identified by XTO include the persons listed on Exhibit A for the corresponding tracts in the exhibit.
- 7) "Consenting working interest owner" means any working interest owner who enters into an agreement with XTO pertaining to the operation of the Wright Unit B.
- 8) "Non-consenting working interest owner" means a working interest owner who does not enter into an agreement with XTO pertaining to the operation of the Wright Unit B. At the time of this order, there are no non-consenting working interest owners identified by XTO.
- 9) "Gas" has the same meaning as in R.C. § 1509.01.
- 10) "Oil" has the same meaning as in R.C. § 1509.01.
- 11) "Unit Area" means all of the lands, oil and gas leases and/or oil and gas interests of the tracts as shown in Exhibit B totaling 640.000 acres located in Richland and Pultney Townships, in Belmont County, Ohio as shown in Exhibit C.
- 12) "Unit Participation" means the ratio of the surface acreage of a specific tract in the unit area to the total surface acreage of the unit area as that total surface acreage is specified in paragraph one of the Plan for Unit Operations of this order.
- 13) "Gross Proceeds" means a share of the gross production of oil, gas, condensate, and natural gas liquids free of any and all cost of producing, gathering, storing, separating, treating, dehydrating, compressing, processing, transporting, marketing, or pipeline construction and maintenance. "Gross proceeds" does not include costs that result in enhancing the value of marketable oil, gas, condensate, natural gas liquids, or other products to receive a better price so long as the costs are the actual costs of such enhancement and an unleased mineral rights owner's pro rata part of such cost is less than the amount of the enhanced value of the product.

- 14) "Net Proceeds" means the share of gross production of oil, gas, condensate, or natural gas liquids after payment of all costs of producing, gathering, storing, separating, treating, dehydrating, compressing, processing, transporting, and marketing and taxes.

**BACKGROUND:**

- 1) XTO filed the application pursuant to R.C. § 1509.28 to operate as a unit the Utica/Point Pleasant Formations at an approximate true vertical depth located from fifty (50) feet above the top of the Utica Shale to fifty (50) feet below the base of the Point Pleasant Formation. The application includes a Unit Agreement, Model Form Operating Agreement, and relevant exhibits. The Application also includes the pre-filed testimony of the following XTO employees: Tom Metarko, geologist; William Lucas, reservoir engineer; and Lucas Herren, landman.
- 2) At the time the application for the Wright Unit B was submitted, XTO had previously completed the Wright B 3H Well, API# 34-013-20965-00-00, in the proposed unit area as depicted in the application. The Wright B 3H Well is a "horizontal well" as defined by R.C. 1509.01(GG). The Wright B 3H Well was drilled into the Utica/Point Pleasant formations and production from the well began in July of 2016.
- 3) Pursuant to R.C. § 1509.28, the Division held a hearing on May 24, 2018, in Columbus, Ohio at the Ohio Department of Natural Resources ("ODNR"), to consider the need for the operation as a unit of an entire pool or part thereof. XTO employees Metarko, Lucas, and Herren provided testimony on the application and answered questions from Division staff.

**FINDINGS:**

- 1) Based on the application and testimony by XTO's employees, the Chief finds that XTO has established that it is the "owner," as that term is defined in R.C. § 1509.01(K), of greater than sixty-five percent (65%) of the land area overlying the pool in the Wright Unit B as required by R.C. § 1509.28(A).
- 2) Based on the application and testimony by XTO's employees, the Chief finds that the operation of the Wright Unit B is reasonably necessary to increase substantially the ultimate recovery of oil and gas.
- 3) Based on the application and testimony by XTO's employees, the Chief finds the value of the estimated additional recovery of oil or gas from the Wright Unit B exceeds the estimated additional cost incident to conducting the operation of the Wright Unit B.

**ORDER:**

**IT IS HEREBY ORDERED:**

Pursuant to R.C. § 1509.28, XTO is authorized to conduct operations within the Wright Unit B in accordance with all of the following:

**Plan for Unit Operations**

- 1) The unit area is comprised of the tracts totaling 640.000 acres in Richland and Pultney Townships, in Belmont County, Ohio, as shown on Exhibit C.
- 2) XTO proposes to drill one (1) well, identified in the application as the proposed Wright B 1H Well, in the Wright Unit B from one (1) pad site for the purpose of recovering oil and gas. Drilling operations of the Wright B 1H Well shall commence in the unit area within twelve (12) months from the date of approval of this Order as prescribed in Paragraph 10 of this order. In order to achieve the stated goal of substantially increasing the ultimate recovery of oil and gas from the Utica/Point Pleasant Formations within the unit area, XTO shall produce from the Wright B 1H Well no later than two (2) years after the date of approval of this order. If XTO fails to drill, complete, and produce at least two (2) wells in the unit area, the Chief may amend or terminate this order. Any additional wells permitted by the Chief for the Utica/Point Pleasant Formations in the unit area are subject to this order.
- 3) Evidence introduced by XTO at the Wright Unit B hearing establishes that the Utica/Point Pleasant Formation uniformly underlies the unit area. Therefore, the allocated share of production to each tract shall be equal to that tract's unit participation.
- 4) Except as provided in Paragraph 9(d) of this order, all charges and credits made for investments in wells, tanks, pumps, machinery, materials, and equipment shall be allocated among the working interest owners of each tract based on the unit participation. The proportionate share of the expenses attributable to tracts of the unleased mineral owners shall be allocated to XTO and the working interest owners.
- 5) All unit operation expenses shall be charged to, and paid by, XTO and working interest owners in amounts based on the unit participation plus their proportionate share of the expenses attributable to the tracts of unleased mineral owners. All unit operation expenses concerning wells and operating equipment shall be just and reasonable.
- 6) If necessary, XTO and the consenting working interest owners shall carry, or otherwise finance, any non-consenting working interest owners who are unable to meet their financial obligations in connection with the unit operations. XTO and all other consenting working interest owners' reasonable interest charge for carrying or financing the non-consenting working interest owners shall be determined by the terms of XTO's Unit Agreement and Model Form Operating Agreement for the Wright Unit B. Once a specific cost is charged to the initial well, that same cost cannot be charged to subsequent wells in the unit area.
- 7) XTO shall supervise and conduct all unit operations. Each working interest owner shall have a voting interest equal to its Unit Participation. Approval of unit operations shall be

subject to the terms of XTO's Unit Agreement and Model Form Operating Agreement for the Wright Unit B.

- 8) Unit operations may commence as of 7:00 a.m. on the day following the date of approval of this order as prescribed in Paragraph 10 of this order. Operations within the Wright Unit B may continue as long as hydrocarbons are produced from any well in the unit area without a cessation of more than ninety (90) days, unless otherwise approved by the Chief in writing. The Wright Unit B may be terminated if working interest owners owning at least fifty-one percent (51%) of the working interest in the unit area determine that the unit operations are no longer warranted. If the unit operations are so terminated, XTO shall provide written notice of the termination to the Division and to all unleased mineral owners. In the event that termination of unit operations occurs prior to drilling and completing for production of the Wright B 1H Well in the Wright Unit B, the Chief may amend this order.
- 9) The following additional provisions are found to be appropriate:
  - a) No activity associated with the drilling, completion, or operation of the Wright Unit B shall be conducted on the surface of any unleased property without the prior written consent of the owner of the surface rights of the unleased property.
  - b) Unleased mineral owners shall not incur liability for any personal or property damage associated with any drilling, testing, completing, producing, operating, or plugging activities within the Wright Unit B.
  - c) Beginning on the date this order is approved, each unleased mineral owner shall receive a monthly cash payment equal to a one-eighth (1/8) landowner royalty interest calculated on gross proceeds from all wells within the Wright Unit B. Allocation of the one-eighth (1/8) landowner royalty shall be based on the unit participation of each unleased mineral owner's tract. XTO shall make royalty payments to all royalty interest owners at the same time.
  - d) In addition to the royalty payment required under Paragraph 9(c), each unleased mineral owner shall receive a monthly cash payment equal to a seven-eighths (7/8) share of the net proceeds from production. Allocation of the seven-eighths (7/8) share shall be based on the unit participation of each unleased mineral owner's tract. After the working interest owners recover a reasonable interest charge equal to 200% of the cost of drilling, testing, completing, and producing the Wright B 1H Well, the working interest owners shall begin making the monthly payments to the unleased mineral owners for that well. For each additional well drilled in the unit area, the working interest owners shall begin making monthly payments equal to seven-eighths (7/8) share of net proceeds from production to each unleased mineral owner once the working interest owners have recovered a reasonable interest charge equal to 150% of the cost of drilling, testing, completing, and producing each additional well. Once a specific cost is charged to the initial well, that same cost cannot be charged to subsequent wells in the unit area.

- e) Nothing in this order prohibits an unleased mineral owner from entering into a lease agreement with XTO pursuant to terms agreeable to both parties. An unleased mineral owner who enters into a lease with XTO after the issuance of this order is no longer an unleased mineral owner under this order as of the effective date of the lease. XTO shall notify the Division upon the execution of a lease agreement with any unleased mineral owner who is subject to this order.
- f) Except as provided in Paragraph 9(d) of this order, no expenses shall be paid by an unleased mineral owner for drilling, testing, completing, producing, or operating any well in the unit area. Moreover, unleased mineral owners are not responsible for any costs related to plugging any well in the unit area.
- g) If requested in writing by any unleased mineral owner or by any non-consenting working interest owner, or in any manner by the Division, XTO shall provide, not later than thirty (30) days after the request, any of the following:
  - i. A monthly statement of all costs incurred, together with the quantity of oil and gas produced, and the amount of proceeds realized from the sale of production during the preceding month; and
  - ii. Any authorization for expenditure (AFE) prepared by XTO; and
  - iii. A statement of all costs and expenses for purposes of Paragraphs 6 and 9(d) of this order.
- h) XTO shall notify the Division of the assignment or transfer of any of its working interest in the Wright Unit B. If XTO assigns or transfers any of its working interest, the assignee or transferee shall comply with this order.
- i) XTO shall notify the Division if a tract that is leased by XTO, or any other consenting working interest owner, for purposes of operating the Wright Unit B becomes an unleased tract. If XTO or the consenting working interest owner is unable to enter into a lease agreement for the unleased tract, XTO must submit a request to the Division for an amendment of this order, which will include a new hearing before the Chief.
- j) XTO shall notify the Division if any consenting working interest owner revokes, rescinds, or otherwise terminates the agreement with XTO pertaining to the operation of the Wright Unit B. XTO shall also notify the Division if any consenting working interest owner assigns or transfers all or part of its working interest in the Wright Unit B.
- k) XTO shall notify the Division if any non-consenting working interest owner enters into an agreement with XTO pertaining to the operation of the Wright Unit B.

- 10) This order becomes effective on the date that XTO provides the Chief with final written approval of the unit operations as prescribed in this order by XTO and consenting working interest owners, and also by the royalty interest owners or, with respect to unleased acreage, unleased mineral owners of sixty-five percent (65%) of the acreage to be included in the unit. Unit operations may commence as set forth in Paragraph 8 of this Order. In the event that XTO fails to provide all required approvals within six (6) months after the issuance date of this order, the order will be deemed revoked, and the Chief shall provide notice of the revocation to XTO and to all persons listed in Exhibit B to this order.
- 11) In the event that this Chief's Order is appealed, the time periods as specified in this order are tolled pending final determination of the appeal.
- 12) Within twenty-one (21) days of this order becoming effective, XTO shall file a copy of this order with the Belmont County (Ohio) Recorder's Offices, in the records of each of the tracts that are subject to this order and referenced in Exhibit C of this order. XTO shall submit a certification of the filing to the Division within fourteen (14) days of filing. The certification shall include a reference to the volume and page number corresponding to each record where the Chief's Order is recorded.
- 13) The Chief of the Division retains continuing jurisdiction over the Wright Unit B as is consistent with the Chief's powers and duties as established by R.C. Chapter 1509 and Ohio Admin. Code 1501:9. The Chief reserves the right to amend this Order subsequent to the commencement of unit operations within the unit area.
- 14) Except as specifically set forth in the terms of this order, nothing herein shall be construed as a release or waiver of any private right, obligation, duty, claim, or cause of action.
- 15) In the event of a conflict between this Chief's Order and XTO's Unit Agreement and Model Form Operating Agreement attached to the application, this Chief's Order shall take precedence.

November 6, 2018

Date

/s/ *Richard J. Simmers*

Richard J. Simmers, Chief

Division of Oil and Gas Resources Management

Addressee is hereby notified that this action is final and effective and may be appealed pursuant to Section 1509.36 of the Ohio Revised Code. If the Order is appealed to the Ohio Oil and Gas Commission, the appeal must be in writing and must set forth the Orders complained of and the grounds upon which the appeal is based. Such appeal must be filed with the Oil and Gas Commission, 2045 Morse Road, Building A-2, Columbus, Ohio 43229-6693, within thirty (30) days after receipt of this Order.

In addition, within three (3) days after the appeal is filed with the Oil and Gas Commission, notice of the filing must be submitted to Richard J. Simmers, Chief, Division of Oil and Gas Resources Management, Ohio Department of Natural Resources, 2045 Morse Road, Building F-2, Columbus, Ohio 43229-6693.
