ORDER NO. 2023-91

TO: EAP Ohio, LLC
5847 San Felipe, Suite 400
Houston, TX 77057

RE: Application for Unitization
Edie North Unit
Carroll County, Ohio

SUBJECT: Amendment of Chief's Order No. 2016-42 for Unit Operations of the
Utica/Point Pleasant Formations

Pursuant to Ohio Revised Code ("R.C.") § 1509.28, the Chief of the Division of Oil and Gas Resources Management ("Chief" or "Division") makes the following Findings and issues the following Order with respect to EAP Ohio, LLC's ("EAP") Request for Amendment of Unit Operations for the Edie North Unit:

BACKGROUND:

- 1) On April 9, 2015, Chesapeake Exploration, LLC filed its Edie North application with the Division for unit operation of the Utica/Point Pleasant Formations in Carroll County, Ohio.
- 2) Pursuant to R.C. 1509.28, a hearing was held on August 20, 2015, to consider the need for operation as a unit of an entire pool or part thereof.
- 3) On February 29, 2016, Chief's Order No. 2016-42 was issued pursuant to R.C. 1509.28 approving unit operations for the Edie North Unit.
- 4) On May 14, 2019, Chesapeake transferred all its working interest in the Edie North Unit to EAP.

- 5) On January 4, 2023, EAP submitted to the Division a Request for Amendment of Chief's Order No. 2016-42 to drill three (3) wells within the unit instead of five (5) wells as is required by Order ("Request for Amendment").
- 6) Pursuant to R.C. 1509.28, the Division held a hearing on March 1, 2023, to consider the request to drill three (3) wells instead of five (5) wells as required by the Order.

FINDINGS:

- 1) Based on the Request for Amendment and the testimony at the March 1, 2023 hearing, the Chief finds that the Request for Amendment is reasonably necessary to increase substantially the ultimate recovery of oil and gas.
- 2) Based on the Request for Amendment and the testimony at the March 1, 2023 hearing, the Chief finds the value of the estimated additional recovery of oil or gas from the Edie North Unit exceeds the estimated additional cost incident to conducting the operation of the Edie North Unit.
- 3) Based on the application and testimony at the March 1, 2023 hearing, the Chief finds that the Request for Amendment of Chief's Order No. 2016-42 should be amended.

ORDERS:

Paragraphs 2 and 8 of the Plan for Unit Operations in Chief's Order No. 2016-42 are amended to read as follows:

- (2) EAP proposes to drill three (3) wells from a single pad site in the Edie North Unit for the purpose of recovering oil and gas. Drilling operations shall commence in the unit area within twelve (12) months from the date of approval of this Order. In order to achieve the stated goal of substantially increasing the ultimate recovery of oil and gas from the Utica/Point Pleasant Formations within the unit area, EAP shall produce from three (3) wells no later than five (5) years after the date of approval of this order. If EAP fails to drill, complete, and produce at least three (3) wells in the unit area, the Chief may amend or terminate this order. Any additional wells permitted by the Chief for the Utica/Point Pleasant Formations in the unit area are subject to this order.
- (8) Unit operations may commence as of 7:00 a.m. on the day following the date of approval of this order. Once the initial well is placed into production, operations within the Edie North Unit may continue as long as hydrocarbons are produced from any well in the Unit Area without a cessation of more than ninety (90) days, unless otherwise approved by the Chief in writing. The Edie North Unit may be terminated if working interest owners owning at least fifty-one percent (51%) of the working interest in the Unit Area determine that the unit operations are no

longer warranted. If the unit operations are so terminated, EAP shall provide written notice of the termination to the Division and to all unleased mineral owners. In the event that termination of unit operations occurs prior to drilling and completing for production of three (3) wells in the Edie North Unit, the Chief may amend this order.

Carroll County, Ohio

SUBJECT: Order for Unit Operations of the Utica/Point Pleasant Formations

Pursuant to Ohio Revised Code § 1509.28, the Chief of the Division of Oil and Gas Resources Management (“Chief” or “Division”) makes the following Findings and issues the following Order with respect to Chesapeake Exploration, L.L.C.’s (“Chesapeake”) Application for Unitization of the Edie North Unit:

DEFINITIONS:

As used in this order:

- 1) “Person” has the same meaning as in §1509.01 of the Ohio Revised Code.
- 2) “Application” means the Application of Edie North Unit for Unit Operation filed with the Division on April 9, 2015, and includes all updates, amendments, and supplements to it.
- 3) “Royalty interest owner” means a person, or the estate of a person, who owns the right to, or interest in, any portion of the oil and/or gas, or proceeds from the sale thereof, from a tract, other than a working interest owner.

- 4) "Working interest" means an interest in oil and/or gas in the Unit Area by virtue of a lease, operating agreement, fee title, or otherwise, including a carried interest, the owner of which is obligated to pay, either in cash or out of production or otherwise a portion of the unit expense.
- 5) "Working interest owner" means a person, or the estate of a person, who owns an interest in oil and/or gas in the Unit Area by virtue of a lease, operating agreement, fee title, or otherwise, including a carried interest, the owner of which is obligated to pay, either in cash or out of production or otherwise a portion of the unit expense. "Working interest owner" does not include an unleased mineral owner.
- 6) "Unleased mineral owner" means a royalty interest owner who owns oil and gas rights free of a lease or other instrument conveying all or any portion of the working interest in such rights to another. Each person, who at the time of this Order is an "unleased mineral owner" subject to this Order, is listed in Exhibit C.
- 7) "Consenting working interest owner" means any working interest owner who enters, into an agreement with Chesapeake pertaining to the operation of the Edie North Unit. Those persons, who at the time of this Order are "consenting working interest owners", are Enervest Operating, L.L.C.
- 8) "Non-consenting working interest owner" means a working interest owner who does not enter into an agreement with Chesapeake pertaining to the operation of the Edie North Unit.
- 9) "Gas" has the same meaning as in §1509.01 of the Ohio Revised Code.
- 10) "Oil" has the same meaning as in § 1509.01 of the Ohio Revised Code.
- 11) "Unit Participation" means the ratio of the surface acreage of a specific tract in the Unit Area to the total surface acreage of the Unit Area as that total surface acreage is specified in paragraph one of the Plan for Unit Operations of this Order.

BACKGROUND:

- 1) On April 9, 2015, Chesapeake filed an Application pursuant to Revised Code 1509.28 to operate as a unit the Utica/Point Pleasant Formations at an approximate true vertical depth located from fifty (50) feet above the top of the Utica Shale to fifty (50) feet below the base of the Point Pleasant Formation. Revised Applications were received on June 30, 2015, August 7, 2015, and September 14, 2015. The proposed "Unit Area" is 773.837417 acres in Perry and Orange Townships, Carroll County, Ohio as shown in "Exhibit A" attached hereto. The proposed Unit Area is comprised of a total of two hundred five (205) tracts, and is known as the "Edie North Unit." The Application includes a Plan for Unit Operations, Model Form Operating Agreement and relevant exhibits. The Application also includes the pre-

filed testimony of the following Chesapeake employees: Larry Carter, Geologist; Andrew W. Hopson, Reservoir Engineer; and Hannah McKenzie, Landman I.

- 2) Pursuant to R.C. 1509.28, the Division held a hearing on August 20, 2015, in Columbus, Ohio at the Ohio Department of Natural Resources ("ODNR"), to consider the need for the operation as a unit of an entire pool or part thereof. At the hearing, Chesapeake employees Mr. Carter, and Ms. McKenzie confirmed their pre-filed testimony and answered questions posed by Division staff members. Mr. Hopson was not able to attend the hearing, so Mr. David Yard, a reservoir engineer, appeared at the hearing, confirmed Mr. Hopson's pre-filed testimony, and answered questions posed by Division staff members.
- 3) Chesapeake's Application, proposes to include three tracts owned by unleased mineral owners.
- 4) The Division provided notice of the August 20, 2015 hearing, return receipt requested, to the unleased mineral owners. Address and title work were provided by Chesapeake.

FINDINGS:

- 1) Based on the Application and testimony by Chesapeake's employees, the Chief finds that Chesapeake has established that they are the "owner," as that term is defined in R.C. 1509.01(K), of greater than sixty-five percent (65%) of the land area overlying the pool in the Edie North Unit as required by R.C. 1509.28(A).
- 2) Based on the Application and testimony by Chesapeake's employees, the Chief finds that the operation of the Edie North Unit is reasonably necessary to increase substantially the ultimate recovery of oil and gas.
- 3) Based on the Application and testimony by Chesapeake's employees, the Chief finds the value of the estimated additional recovery of oil or gas from the Edie North Unit exceeds the estimated additional cost incident to conducting the operation of the Edie North Unit.

ORDER:

IT IS HEREBY ORDERED:

Pursuant to R.C. 1509.28, Chesapeake is authorized to conduct operations within the Edie North Unit in accordance with all of the following:

Plan for Unit Operations

- 1) The Unit Area is comprised of two hundred five (205) tracts totaling 773.837417 acres in Perry and Orange Townships, Carroll County, Ohio, as shown on Exhibit A.
- 2) Chesapeake proposes to drill five (5) wells from a single pad site in the Edie North Unit for the purpose of recovering oil and gas. Drilling operations shall commence in the Unit Area within twelve (12) months from the date of approval of this Order. In order to achieve the stated goal of substantially increasing the ultimate recovery of oil and gas from the Utica/Point Pleasant Formations within the Unit Area, Chesapeake shall produce from five (5) wells no later than five (5) years after the date of approval of this order. If Chesapeake fails to drill, complete, and produce at least five (5) wells in the Unit Area, the Chief may amend or terminate this Order. Any additional wells permitted by the Chief for the Utica/Point Pleasant Formations in the Unit Area are subject to this Order.
- 3) Evidence introduced by Chesapeake at the Edie North Unit hearing established that the Utica/Point Pleasant Formation uniformly underlies the Unit Area. Therefore, the value of each separately owned tract in the Unit Area shall be determined by calculating the ratio of the surface acreage of a specific tract to the total surface acreage of the Unit Area. This ratio shall be known as the "Unit Participation." The allocated share of production to each tract shall be equal to that tract's Unit Participation.
- 4) Except as provided in Paragraph 9(d) of this Order, all charges and credits made for investments in wells, tanks, pumps, machinery, materials, and equipment shall be allocated among the working interest owners of each tract based on the Unit Participation. The proportionate share of the expenses attributable to tracts of the unleased mineral owners shall be allocated to Chesapeake and the working interest owners.
- 5) All unit operation expenses shall be charged to, and paid by, Chesapeake and working interest owners in amounts based on the Unit Participation plus their proportionate share of the expenses attributable to the tracts of unleased mineral owners. All unit operation expenses concerning wells and operating equipment shall be just and reasonable.
- 6) If necessary, Chesapeake and the consenting working interest owners shall carry, or otherwise finance, any non-consenting working interest owners who are unable to meet their financial obligations in connection with the unit operations. Chesapeake and all other consenting working interest owners' reasonable interest charge for carrying or financing the non-consenting working interest owners shall be determined by the terms of Chesapeake's Plan for Unit Operations and Model Form Operating Agreement for the Edie North Unit. Once a specific cost is

charged to the initial well, that same cost cannot be charged to subsequent wells in the Unit Area.

- 7) Chesapeake shall supervise and conduct all unit operations. Each working interest owner shall have a voting interest equal to its Unit Participation. Approval of unit operations shall be subject to the terms of Chesapeake's Plan for Unit Operations and Model Form Operating Agreement for the Edie North Unit.
- 8) Unit operations may commence as of 7:00 a.m. on the day following the effective date of this Order. Once the initial well is placed into production, operations within the Edie North Unit may continue as long as hydrocarbons are produced from any well in the Unit Area without a cessation of more than ninety (90) days, unless otherwise approved by the Chief in writing. The Edie North Unit may be terminated if working interest owners owning at least fifty-one percent (51%) of the working interest in the Unit Area determine that the unit operations are no longer warranted. If the unit operations are so terminated, Chesapeake shall provide written notice of the termination to the Division and to all unleased mineral owners. In the event that termination of unit operation occurs prior to drilling and completing for production of two (2) wells in the Edie North Unit, the Chief may amend this Order.
- 9) The following additional provisions are found to be appropriate:
 - a) No activity associated with the drilling, completion, or operation of the Edie North Unit shall be conducted on the surface of any unleased property without the prior written consent of the owner of the surface rights of the unleased property.
 - b) Unleased mineral owners shall not incur liability for any personal or property damage associated with any drilling, testing, completing, producing, operating, or plugging activities within the Edie North Unit.
 - c) Each unleased mineral owner shall receive a monthly cash payment equal to a one-eighth (1/8) landowner royalty interest calculated on gross proceeds. Allocation of the one-eighth (1/8) landowner royalty shall be based on the Unit Participation of each unleased mineral owner's tract. Chesapeake shall make royalty payments to all royalty interest owners at the same time.
 - d) In addition to the royalty payment, each unleased mineral owner shall receive a monthly cash payment equal to a seven-eighths (7/8) share of the net proceeds from production. Allocation of the seven-eighths (7/8) share shall be based on the Unit Participation of each unleased mineral owner's tract. After the working interest owners recover a reasonable interest charge equal to 200% of the cost of drilling, testing, completing, and producing the initial well, the working interest owners shall begin making

such monthly payments for that well. For each additional well drilled in the Unit Area, the working interest owners shall begin making monthly payments equal to seven-eighths (7/8) share of net proceeds from production to each unleased mineral owner once the working interest owners have recovered a reasonable interest charge equal to 150% of the cost of drilling, testing, completing, and producing. Once a specific cost is charged to the initial well, that same cost cannot be charged to subsequent wells in the Unit Area.

- e) Nothing in this Order prohibits an unleased mineral owner from entering into a lease agreement with Chesapeake pursuant to terms agreeable to both parties. An unleased mineral owner who enters into a lease with Chesapeake after the issuance of this Order is no longer an unleased mineral owner under this Order as of the effective date of the lease. Chesapeake shall notify the Division upon the execution of a lease agreement with any unleased mineral owner who is subject to this Order.
- f) Except as provided in Paragraph 9(d) of this Order, no expenses shall be paid by an unleased mineral owner for drilling, testing, completing, producing, or operating any well in the Unit Area. However, the unleased mineral owner is not responsible for any costs related to plugging any well in the Unit Area.
- g) If requested in writing by any unleased mineral owner or by any non-consenting working interest owner, or in any manner by the Division, Chesapeake shall provide, not later than thirty (30) days after the request, any of the following:
 - i. A monthly statement of all costs incurred, together with the quantity of oil and gas produced, and the amount of proceeds realized from the sale of production during the preceding month; and
 - ii. Any authorization for expenditure (AFE) prepared by Chesapeake; and
 - iii. A statement of all costs and expenses for purposes of Paragraphs 6 and 9(d) of this Order.
- h) Chesapeake shall notify the Division of the assignment or transfer of any of its working interest in the Edie North Unit. If Chesapeake assigns or transfers any of its working interest, the assignee or transferee shall comply with this Order.
- i) Chesapeake shall notify the Division if a tract that is leased by Chesapeake, or any other consenting working interest owner, for purposes of operating the Edie North Unit becomes an unleased tract. If Chesapeake or the consenting working interest owner is unable to enter into lease agreement for the unleased tract, Chesapeake must submit a request to the

Division for an amendment of this Order, which will include a new hearing before the Chief.

- j) Chesapeake shall notify the Division if any consenting working interest owner revokes, rescinds or otherwise terminates the agreement with Chesapeake pertaining to the operation of the Edie North Unit. Chesapeake shall notify the Division if any consenting working interest owner assigns or transfers all or part of its working interest in the Edie North Unit.
 - k) Chesapeake shall notify the Division if any non-consenting working interest owner enters into an agreement with Chesapeake pertaining to the operation of the Edie North Unit.
- 10) This Order is not effective unless and until Chesapeake provides the Chief with final written approval of the unit operations as prescribed in this Order by Chesapeake and consenting working interest owners, and also by the royalty or, with respect to unleased acreage, fee owners of sixty-five percent (65%) of the acreage to be included in the unit. Upon receipt of this approval, this Order shall become effective, and unit operations may commence as set forth above. In the event that Chesapeake fails to provide all required approvals within six (6) months after the issuance date of this Order, the Order will be deemed revoked, and the Chief shall provide notice of the revocation to Chesapeake, to the unleased mineral owners, and to the non-consenting working interest owners.
 - 11) In the event that this Chief's Order is appealed, the time periods as specified in this Order are tolled pending final determination of the appeal.
 - 12) Within twenty-one (21) days of this Order becoming effective, Chesapeake shall file a copy of this Order with the Carroll County (Ohio) Recorder's Office, in the records of each of tracts that are subject to this Order and referenced in Exhibit A of this Order. Chesapeake shall submit a certification of the filing to the Division within fourteen (14) days of filing. The certification shall include a reference to the volume and page number corresponding to each record where the Chief's Order is recorded.
 - 13) The Chief of the Division retains continuing jurisdiction over the Edie North Unit as is consistent with the Chief's powers and duties as established by R.C. Chapter 1509 and Ohio Admin. Code 1501:9. The Chief reserves the right to amend this Order subsequent to the commencement of unit operations within the Unit Area.
 - 14) Except as specifically set forth in the terms of this Order, nothing herein shall be construed as a release or waiver of any private right, obligation, duty, claim or cause of action.

- 15) In the event of a conflict between this Chief's Order and Chesapeake's Plan for Unit Operations and Model Form Operating Agreement attached to the Application, this Chief's Order shall take precedence.
