Any design, specification, selection, or purchase fees incurred by the Concessionaire in connection with the improvement or replacement of furniture, furnishings, and equipment shall be considered as a cost of operation to the Concessionaire and shall be the sole responsibility of the Concessionaire, and shall not be paid out of the MR&R Fund, unless prior written approval is obtained from the Director on a per project basis.
 2. The Concessionaire shall provide detailed invoices to substantiate the quality and value of all replacements. Where the cost of items is to be paid from the MR&R Fund, the Concessionaire shall use its best efforts to obtain any available industry discounts, and in no event shall payment from the MR&R Fund be made to the Concessionaire or be made for more than an item's cost to the Concessionaire.
 3. All original and replacement items belonging to the Department shall be identified according to inventory methods established by the Department. Replacements of items owned by the Department become the property of the Department. The Concessionaire shall remove any Department identification numbers from the items becoming its property, and shall tag such items as being its property. The Concessionaire shall promptly remove the replaced items from the Property.
 4. Any state-owned furnishings or equipment which the Concessionaire deems in excess of his/her needs shall be turned over in satisfactory condition to the Department. The Concessionaire shall not remove any such furnishings or equipment except with the

approval of the Director. The Concessionaire must receive and keep a receipt for any Department-owned furnishings or equipment temporarily removed from the Properties for repairs or service.

- K. The Concessionaire may, at its own option and expense, or funded from the MR&R Fund, whose conditions are hereinafter described, make structural alterations, additions and improvements provided the same are approved in advance in writing by the Director. Plans and specifications for structural improvements, alterations or modifications must be submitted to the Department with the Concessionaire's request for approval and shall be subject to the approval of the Department.
- L. The Department shall be responsible for all rebuilding, restoration and replacement of Department property necessitated by fire, windstorm, or other natural casualty not resulting from the negligence or intentional act of the Concessionaire, its agents or employees, or its business customers in accordance with Section 22 of this Lease. The Concessionaire shall be responsible for all rebuilding, restoration and replacement of Department property necessitated by casualty resulting from the negligence or intentional act of the Concessionaire, its agents or its employees.

15. INSPECTIONS

- A. The Department shall conduct on-site reviews of all the Properties to identify needed maintenance, repairs and replacements. The Concessionaire shall participate in the property reviews. The needed maintenance, repairs and replacements shall then be addressed as directed by the Department and carried out by the Concessionaire at its expense and/or funded from the Fund, if appropriate. The property review process and the maintenance, repair and replacement priorities identified during these reviews shall not in any way relieve the Concessionaire of its obligations under this Lease with respect to keeping the Properties in good condition at all times and to make repairs and replacements as needed, as elsewhere provided in this Lease.
- B. The Department may, at all reasonable times and without unreasonably interfering with the operations being conducted upon the Properties, enter into and upon such Properties to examine the condition thereof, and to determine whether the Concessionaire is conducting its operations thereon in compliance with the terms and provisions of this Lease.
- C. The Department may, at its discretion, require the Concessionaire to contract with a Department-approved third party industry standard professional to perform annual quality assurance inspections to ensure compliance with industry service, maintenance, and facility cleanliness and condition standards.

16. IMPROVEMENTS AND ALTERATIONS:

- A. The Concessionaire shall not make or cause to be made any alterations, additions, or improvements, or install or cause to be installed any trade fixtures, exterior signs, floor

covering, interior or exterior lighting, plumbing fixtures, shades or awnings, or make any changes or additions to the concession premises without first obtaining the Department's written approval and consent. The Concessionaire shall present to the Department plans and specifications for such work at the time approval is sought.

- B. All alterations, decorations, additions, and improvements made by the Concessionaire, shall remain the property of the Concessionaire during the term of this Lease. Such alterations, decorations, additions, and improvements shall not be removed from the Properties prior to the end of the term of this Lease without prior consent in writing from the Director. Upon expiration of this Lease, the Concessionaire shall remove its trade fixtures and all such alterations, decorations, additions, and improvements as the Director shall direct, and shall restore the Properties to the same condition as they were at the commencement thereof, ordinary wear and tear and damage by unavoidable casualty excluded. All alterations, decorations, additions, and improvements not directed to be removed shall, upon expiration of the Lease term, be and become the property of the Department. Notwithstanding the above, at any time during the term of this Lease or at termination, the Concessionaire shall be allowed to remove any identifying characteristics, trade fixtures, equipment, signs, trademark and/or copyright items.

17. CONDITION AND SURRENDER OF PROPERTY:

- A. The buildings, rooms, locations, equipment, and all parts thereof, which are the property of the Department shall remain the property of the Department. Upon termination of this Lease, whether by lapse of time or otherwise, or upon the exercise of the Director of the power to reenter and repossess the leased premises without terminating this Lease, as herein provided, the Concessionaire shall at once surrender the possession of the same to the Department in good order. If the Concessionaire does not at once surrender possession of the same, the Department may forthwith reenter and repossess the premises without being guilty of or liable for trespassing or of forcible entry or detainer and without incurring liability to the Concessionaire for loss or damage to the Concessionaire's property. In the event that the Department does so reenter and repossess the premises as provided for hereunder, the Concessionaire shall nevertheless remain liable for any and all damages and expenses incurred by the Department as a result of termination of this Lease and/or reentering and repossessing the premises.
- B. Property of the Concessionaire must be removed from the premises within ten days after any termination, provided all payments due from the Concessionaire to the Department have been paid in full, unless otherwise authorized by the Director. If any property of the Concessionaire is not removed within 10 days of termination, or payment is not made within 10 days, such property shall become and remain the property of the Department, or, at the election of the Department, such property shall be removed by and disposed of by the Department and the Concessionaire shall reimburse the Department for any and all removal costs associated therewith. The Department is not required to offset the Concessionaire's debts to the Department, if any, by the estimated value of such property.

- C. Alterations, decorations, additions and improvements, however, can only be removed in accordance with Section 16(B).

18. STANDARDS OF PERFORMANCE:

Concessionaire will also be responsible for all licenses, permits, employees' wages and salaries, insurance of every type and description, and all business and personal taxes, including income and Social Security taxes and contributions for Workers' Compensation and Unemployment Compensation coverage, if any.
- B. While Concessionaire shall be required to render services described hereunder for the Department during the term of this Lease, nothing herein shall be construed to imply, by reason of Concessionaire's engagement hereunder as an independent contractor, that the Department shall have or exercise any right of control over Concessionaire with regard to the manner or method of Concessionaire's performance of services hereunder.
- C. Ohio Retirement System Retirant. If the Concessionaire is a PERS Retirant, as defined by R.C. § 145.38, Concessionaire shall notify the ODNR of such status in writing prior to the commencement of Work. Notices pursuant to this Paragraph c shall be sent to the ODNR, Director of Human Resources by mail at 2045 Morse Rd., Building D-2, Columbus, Ohio 43229, by fax at 614-265-7995, or by email at hr@dnr.state.oh.us. The ODNR shall not be responsible for any changes to Concessionaires' retirement benefits that may result from entering into this Lease. Concessionaire acknowledges and agrees any of its individual employees providing personal services under this Lease are not public employees for purposes of R. C. Chapter 145. The ODNR will not make contributions to the public employees' retirement system on behalf of any individuals employed by the Concessionaire, or its sub-contractors or other agents. The Concessionaire certifies that it is a business entity with five or more employees as defined at R.C. § 145.037 (A) for the purposes of the application of R.C. Chapter 145, or that it has completed the necessary forms and returned them to the ODNR if the Concessionaire is a business entity with no more than four (4) employees.
- D. Except as expressly provided herein, neither party shall have the right to bind or obligate the other party in any manner without the other party's prior written consent.

- E. It is fully understood and agreed that Concessionaire is an independent contractor and neither Concessionaire nor its personnel shall at any time, or for any purpose, be considered as agents, servants, or employees of the Department or the State of Ohio.
- F. For any employees or subcontractors working onsite at any Department location, Concessionaire understands that these employees or subcontractors may be subject to a background check conducted by the Department. Such a background check may include criminal records, tax records, driving records, verification of academic credentials or degrees. The Department reserves the right to refuse access to the job site at any time if the Department determines in its discretion that Concessionaire's employee or subcontractor presents a potential security threat or if there is a change in the results of the background check at any time during the term of the Lease.
- G. The Concessionaire shall employ only competent and qualified employees who will keep themselves neat and clean and will accord courteous and competent treatment and service to all guests and patrons. The Concessionaire's employees shall be properly trained in their duties and must be adequate in number and quality to provide prompt and efficient service to the public and to properly carry out all housekeeping and maintenance and all other responsibilities associated with the operation of the Properties. Whenever the Director notifies the Concessionaire that its manager of the Properties or any employee is deemed by it to be incompetent, disorderly or unsatisfactory, the Concessionaire shall discharge such person within twenty-four (24) hours provided, however, that such discharge does not violate any outstanding union contract or Ohio or Federal employment regulation, in which event such discharge shall take place in accordance with said contracts and regulations. In the case of any managerial or supervisory personnel deemed unsatisfactory by the Director, the Director shall give written notification to the Concessionaire stating the reason(s) for discharge. The Concessionaire shall have thirty (30) days to replace supervisory personnel and sixty (60) days to replace the manager. Any person so discharged shall not be reemployed upon the Properties except with the written consent of the Director.
- H. In the event the Director specifies uniforms to be worn by persons working on the Properties, the Concessionaire shall furnish the necessary uniforms or require the employees to furnish them and shall require their use in accordance with the requirements of the Department. Any uniforms so required shall be of the type ordinarily worn by employees doing like work in similar places of business.

20. ASSIGNMENTS AND SUBLEASES:

- A. The Concessionaire shall not assign this Lease in whole or in part, nor sublet all or any part of the Properties, such as vending and game machines, without first obtaining the written consent of the Director. In the event the Director consents to any such assignment or sublease, the Concessionaire shall remain primarily liable for the payments herein provided, unless expressly provided otherwise by the written consent of the Director. This prohibition against assigning or subletting shall be construed to include a prohibition against any assignment or subletting created by operation of law. If this Lease is assigned,

or if the Properties or any part thereof is underlet or occupied by anybody other than the Concessionaire without the consent of the Director as hereinabove provided, the Department may collect rent from the assignee, undertenant, or occupant, and apply the net amount collected to the rent herein reserved, but no such assignment, underletting, occupancy or collection shall be deemed a waiver of this covenant, or the acceptance of the assignee, undertenant or occupant as the Concessionaire, or a release of the Concessionaire from further performance by the Concessionaire of the terms contained in this Lease.

- B. Notwithstanding any assignment or sublease, the Concessionaire shall remain fully liable on this Lease and shall not be released from performing any of the terms, covenants, and conditions of this Lease, including payment terms as specified herein based on total dollar revenues, including the total sale amount of consigned items.

21. DEFAULT:

- A. The Concessionaire shall be in default if it:

1. Shall fail to pay any installment of rent within ten (10) days after it becomes payable and if such default shall continue for five (5) days after receiving written notice from the Department demanding payment;
2. Shall fail to maintain in full force and effect any insurance or bond required by the terms of this Lease or Ohio law;
3. Shall fail to maintain adequate standards in providing service required by this Lease, or in any manner shall fail to provide adequate service to the public;

5. Shall abandon or vacate the Properties or any part thereof during the term of this Lease;
6. Shall voluntarily or involuntarily be subject to bankruptcy proceedings;
7. Shall make an assignment for the benefit of creditors or shall enter into a composition agreement with its creditors, or if the interest of the Concessionaire in the Properties is attached, levied upon, or seized by legal process;

9. Shall under-report revenue on monthly income statements, or any other financial reports, or shall misrepresent the source of revenue in such reports furnished to the Department;

 - a. Declare this Lease to be terminated, in which event this Lease, all rights of the Concessionaire, and all duties of the Department shall immediately cease and terminate and the Department may possess and enjoy the Properties as though this Lease had never been made, without prejudice, however, to any and all rights of action against the Concessionaire the Department may have for rent, damages, or breach of covenant, in respect to which the Concessionaire shall remain and continue to be liable notwithstanding such termination; or
 - b. Relet the Properties, or any part thereof, for such term or terms and on such conditions as the Department determines for and on behalf of the Concessionaire, for the highest rental reasonably obtainable in the judgement of the Director, which reletting shall not be considered as a surrender or acceptance back of the Properties or a termination of this Lease, and recover from the Concessionaire any deficiency between the amount of rent, additional rent and all other charges payable under this Lease, plus any expenses incurred by the Department in connection with repairs, or alterations the Director deems necessary or appropriate to make in connection with such reletting, all costs incurred in actually reletting the Properties and sums expended for reasonable attorney's fees; but the Director shall be under no duty to relet the Properties.
22. **RIGHT OF ENTRY, INSPECTION, PROTECTION OF PROPERTY, AND EASEMENT BY PUBLIC:**
 - A. The Department reserves the right to enlarge, close or reduce the size of any area for the purpose of improvement, repair, construction, or any other legitimate purpose.
 - B. The Department and its employees together with appropriate public agencies with proper jurisdiction to enforce laws passed for the protection of public health, safety, and welfare shall have full right and power to enter buildings for the purpose of construction, repairs or replacement of buildings and equipment furnished by the Department, inspection, enforcing laws, rules and regulations, and for any other lawful purpose.

23. PROPERTY AT CONCESSIONAIRE'S RISK:

- A. The Concessionaire's supplies and all merchandise, effects, and other property of every kind, nature, and description belonging to the Concessionaire, which may be on, in or about the Properties during the continuance of this Lease, or thereafter, shall be at the sole risk and hazard of the Concessionaire. If the whole or any part thereof shall be destroyed or damaged by fire, water, flooding or otherwise, or by the leakage or bursting of water pipes, steam pipes, or other pipes, by theft, or any other cause, no part of said loss or damage is to be charged to or be borne by the Department, unless proximately caused by the Department, its agents or employees, and the Concessionaire hereby agrees to forever hold the Department harmless from and to indemnify the Department against any and all loss, cost, debt, claim, damage, judgment, and/or expense suffered and incurred by the Department in connection with the Properties. Although the park employs law enforcement officers as part of its park staff, the Concessionaire, at its sole cost and expense, shall be responsible for any and all security measures it deems necessary in addition to such park staff, including but not limited to charges for security personnel, security alarm systems or security system monitoring. The Department shall be under no obligation whatsoever to provide security for the Concessionaire's property.

24. DESTRUCTION OF PROPERTIES UNDER LEASE:

- A. Except as provided herein, if the Properties are damaged by fire, the elements, unavoidable accident or other casualty not due to the fault or neglect of the Concessionaire, its agents or employees, the Department may, at its own expense, cause the damage to be repaired, although it is under no obligation to do so.
- B. If, by reason of any of the above occurrences not due to the fault or neglect of the Concessionaire, its agents or employees, the Properties are rendered wholly unfit for use by the Concessionaire, or if fifty percent (50%) or greater of the rentable area of the building in which the Properties are a part are damaged or destroyed, as determined by the Department, the Department at its option may either:
1. cause the damage to be repaired at the expense of the Department, or
 2. terminate this Lease and the concession hereby created by giving to the Concessionaire, within sixty (60) days of the occurrence, written notice of the Director's election to terminate.
- C. By reason of any of the above occurrences not due to the fault or neglect of the Concessionaire, its agents or employees, the Concessionaire shall, at its expense, clean the facilities and cause any resultant damage to its equipment to be repaired to the extent

necessary to resume and continue its normal operation of the Properties, except in the above case where this Lease is terminated. The Department, as noted in Section 14, has no responsibility for repair or replacement of any property of the Concessionaire.

25. **LIABILITY AND INDEMNIFICATION OF DEPARTMENT:**

The Concessionaire shall assume, pay and at all times indemnify, protect and save harmless the Department, their agents and employees, from and against any and all claims, actions, damages, liability and expense in connection with loss of life, personal injury or damage to property arising from or out of any occurrence in, upon, or at the Properties under this Lease, occasioned wholly or in part by any act or omission of the Concessionaire, its agents, contractors, employees, servants or lessees. In case the Department shall, without fault on its part, be made a party to any litigation commenced by or against the Concessionaire, then the Concessionaire shall protect and hold the Department harmless and shall pay all costs and expenses incurred or paid by the Department in connection with such litigation. The Concessionaire shall also pay all costs and expenses that may be incurred or paid by the Department in enforcing the covenants and provisions of this Lease.
- B. The Concessionaire shall at all times during the term of this Contract maintain or cause to be maintained in full force and effect general liability insurance with an insurer with a rating of not less than A- VII from AM Best or a comparable rating agency, covering the respective premises and/or operations thereon with the State of Ohio, Department of Natural Resources an additional insured as its interests may appear. Such insurance shall have a limit of One Million (1,000,000.00) per claim or occurrence and Two Million (2,000,000.00) aggregate. The institution furnishing such insurance shall be licensed to do business in the State of Ohio and must be approved by the Director prior to execution. For any claims related to this Lease, Concessionaire's insurance shall be primary. Any insurance or self-insurance maintained by the State, its officers, officials or employees, shall be excess of the Concessionaire's insurance and shall not contribute with it. Concessionaire hereby grants to the State of Ohio a waiver of any right of subrogation which any insurer of said Concessionaire may acquire against the State by virtue of the payment of any loss under such insurance. Concessionaire agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the State has received a waiver of subrogation endorsement from the insurer.
- C. Such insurance may be carried under a blanket policy or policies covering other liabilities and locations of the Concessionaire, or a subsidiary, successor, affiliate or controlling corporation of the Concessionaire. If carried under a blanket policy, each insured should

have an individual aggregate limit. The Concessionaire shall not display, distribute or advertise anything that has been disapproved by the Director.
- C. To the extent Concessionaire elects to include information about the State Park and/or ODNR on its website and in other public communications, including information about Park hours of operation, events, and rules and policies, Concessionaire shall ensure that the information is accurate and up to date. 40. NONWAIVER:

- A. Neither a failure by the Department to exercise any of its options hereunder, nor failure to enforce its right to seek the remedies herein provided for in the event of default, nor the acceptance by the Department of any rent accruing before or after any default from the Concessionaire or otherwise, shall effect or constitute a waiver of the Department's right to exercise such option, to enforce such right, or to seek such remedy with respect to that default or to any prior or subsequent default.
