

# HOCKING HILLS

## STATE PARK & REGION

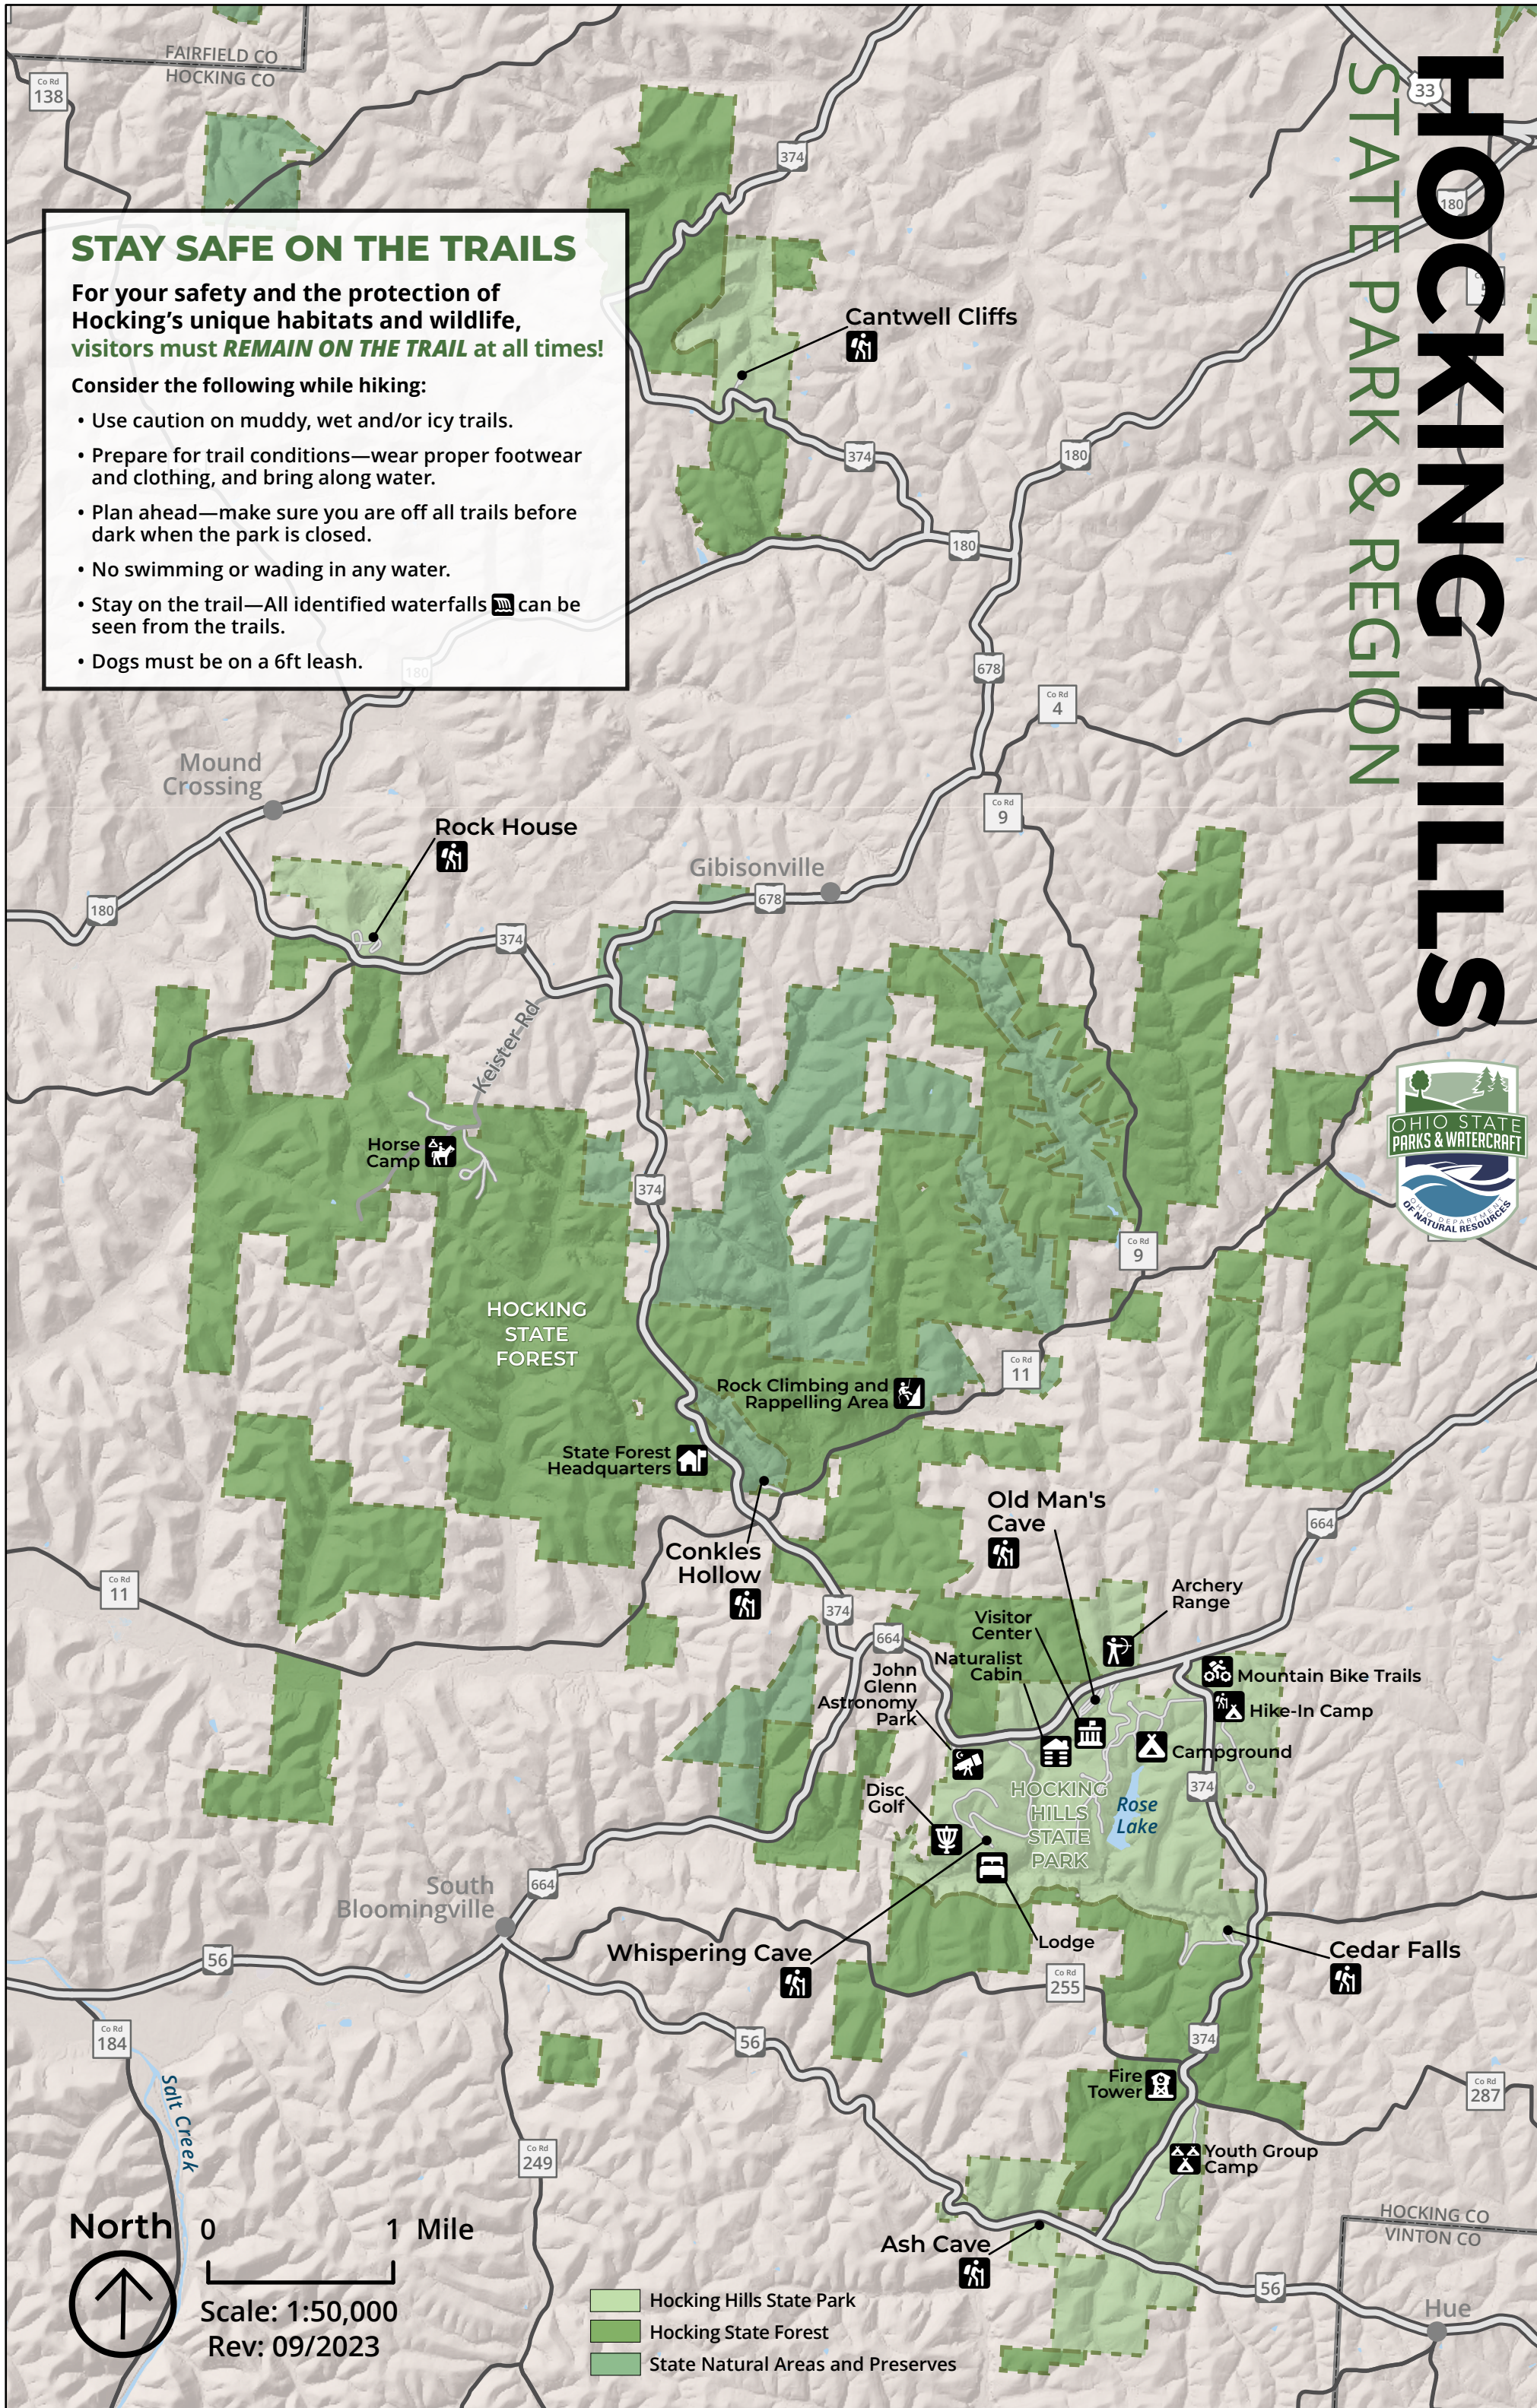

### STAY SAFE ON THE TRAILS

For your safety and the protection of Hocking's unique habitats and wildlife, visitors must **REMAIN ON THE TRAIL** at all times!

Consider the following while hiking:

- Use caution on muddy, wet and/or icy trails.
- Prepare for trail conditions—wear proper footwear and clothing, and bring along water.
- Plan ahead—make sure you are off all trails before dark when the park is closed.
- No swimming or wading in any water.
- Stay on the trail—All identified waterfalls  can be seen from the trails.
- Dogs must be on a 6ft leash.
