

# Lake Milton State Park

## Navigation Rules, Tips, and Courtesy Reminders:

- No wake between the I-76 and Mahoning Ave Bridge, south of Pointview Boat Ramp, or 300 feet from any shoreline.
- Be mindful of the noise levels that your motor, passengers, and/or music produce. Excessive noise may result in a citation.
- Buoys are navigation aids. Please adhere to their warnings and do not move them.
- Navigation lights are required from legal sunset to sunrise. Idle speed only after sunset.
- Operators towing riders are required to keep a proper look out at all times. Towing of occupied tubes under bridges is prohibited.
- Boat Pump Out Station is located at the Courtesy Docks at the North End of the beach. Fuel available for purchase at Marina.
