Clean Ohio Trail Fund Awards

County	City/Village	Applicant	Project	Total Project Costs	COTF Award	Proposal
Columbiana	City of	East Liverpool	East Liverpool Riverfront Trail-Phase 1.2	\$1,500,000.00	\$375,000.00	This project will construct 0.85 miles of multi-use trail in the City of East Liverpool. This is phase 1.2 and will connect downtown East Liverpool to the Ohio Greenway Trail.
Cuyahoga		Cleveland Metroparks	Euclid Creek Greenway-Phase III	\$1,525,000.00	\$385,000.00	Phase III of the Euclid Creek Greenway will add 3,150 feet of new 10' wide all-purpose trail to extend the trail from Chardon Road to St. Clair Avenue.
Franklin	City of	Gahanna	Link to Library Trail	\$2,057,365.00	\$500,000.00	The Link to Literacy project is for the construction of a 10' wide multi-use trail to provide access and educational opportunities while creating a physical link to a newly constructed Columbus Metropolitan Library (CML). This project replaces a deficient timber structure that crosses Sycamore Run creek.
Franklin	City of	Bexley	Alum Creek Greenways & Schneider Pave Trail	\$1,143,820.00	\$500,000.00	This project would develop a new bridge over Alum Creek, at Schneider Park, mid-distance between Main & Livingston Avenue. The bridge would provide greater connectivity to the Alum Creek Greenways Trail and would connect the Greenways Trail to the Schneider Park natural trail.

County	City/Village	Applicant	Project	Total Project Costs	COTF Award	Proposal
Franklin	City of	Columbus Recreation and Parks Department	Olentangy Trail	\$8,646,777.00	\$435,000.00	The project will construct the final remaining section of the Olentangy Trail, from Northmoor Park to Clinton Como Park. This project includes 0.6 miles of trail, 2 pedestrian bridges, linkage for the disconnected residents, major employers, and trail users on the west bank of the Olentangy River, replace an existing 1.1 mile on-street greenway, the heaviest used trail in Central Ohio.
Hamilton	City of	Cincinnati	Red Bank Road Trail	\$1,500,000.00	\$500,000.00	This project will construct a new 10'-12' wide shared use path along the west side of Red Bank Road Expressway. Beginning at the intersection of Old Red Bank and Duck Creek Road and end at intersection of Hetzell Street and Red Bank Road Expressway.
Hamilton		Great Parks of Hamilton County	Glenwood Gardens to Winton Woods Shared Use Trail	\$8,533,370.00	\$500,000.00	Great Parks will construct a 3.6 -mile shared use trail between Glenwood Gardens and Winton Woods. The Glenwood to Winton Woods Shared Use Trail (GG2WW Trail) will link neighborhoods, parks, shopping centers, schools, other trails, and community resources in Springfield Township, Greenhills, Woodlawn and Wyoming. Once the trail is complete, the trail network in this area will offer more than nine miles of contiguous shared use paths built for exercise, recreation, and vehicle-free travel away from busy local roadways.

County	City/Village	Applicant	Project	Total Project Costs	COTF Award	Proposal
Medina		Medina County Park District	Wolf Creek Greenway Phase I	\$767,275.00	\$219,206.00	The Wolf Creek Greenway Phase I project is +/- 0.9-mile-long paved all-purpose trail project that will link the township's Sharon Community Park to a newly developed greenway trail along the Wolf Creek. The project will also provide a linkage to the newly opened nature trails at Sharon Nature Preserve.
Portage		Portage Park District	Headwaters Trail Phase VIII	\$853,031.00	\$500,000.00	The Headwaters Trail Phase VIII project consists of the engineering and construction of approximately 1.37 miles of limestone-paved multipurpose trail on the former Erie Lackawanna Railroad corridor in Mantua Township, Ohio.
Portage	City of	Aurora	Aurora Trail-Phase I	\$2,000,191.00	\$500,000.00	Aurora Trail Phase I will provide a vital off-road, non-motorized connection between existing and proposed trails, historic districts, and recreation assets within the City of Aurora and region. Aurora Trail Phase I will result in a 2.84-mile long, 10-foot-wide, asphalt-paved, ADA accessible multi-use path constructed on an abandoned railroad alignment from State Route 82 in Aurora to Chamberlain Road in Mantua Township.
Summit		Summit Metro Parks	Freedom Trail Phase IV	\$3,491,471.00	\$500,000.00	This project is the final phase of the project traveling from Mill Street at the University of Akron to the Towpath Trail. This project will link two major, multi-purpose trails in downtown Akron.

County	City/Village	Applicant	Project	Total Project Costs	COTF Award	Proposal
Summit	City of	Fairlawn	Cleveland-Massillon Trail Missing Link	\$702,130.00	\$350,000.00	This project will construct the missing link of off-road trail from the existing Glacier's Edge Trail, the existing Cleveland-Massillon Road Trail, which stops just south of I-77, and the fully funded Ridgewood Road Trail at the Copley-Fairlawn High School. This new 3,300 linear feet of trail will connect over 3.5 miles of regional trails.
Warren	City of	Lebanon	Bowman Trail	\$1,831,533.00	\$500,000.00	This project will construct 1.66 miles of separated 10' wide multi-use trail. The project will extend the existing Lebanon-Countryside YMCA Trail, which connects with the Little Miami Scenic Trail, north and east from Mound Street just south of Main Street up to Monroe road following the old Cincinnati, Lebanon, and Northern Railway railbed.
Wood		Wood County Port Authority	Chessie Circle Trail;East River Road to W.W. Knight Preserve	\$860,000.00	\$500,000.00	This project includes construction of a 16-foot-wide multi-use path, 0.5 miles in length including a 150-foot segment of boardwalk, from River Road to the Wood County Park District's W.W. Knight Nature Preserve.
				\$35,411,963.00	\$6,264,206.00
