

## Controlled Hunting Rules Ohio Department of Natural Resources Division of Wildlife

### Product name:

- 2613 - MAUMEE BAY SP SEPT GOOSE AND TEAL

### Contact information:

- For more information about this permit contact Eric Schabel; 1400 State Park Rd, Oregon, 43616; 419-836-7758

### The following rules and information apply:

- Each permittee or transferee may select two (2) hunting partners.
- Permit valid for the permittee or transferee listed on the permit and partners only.
- Permit valid for the date listed on the permit only.
- Permittee and partner are responsible for obtaining necessary permits, license, endorsements, and stamps. Refer to the Ohio Hunting and Trapping Regulations.
- Permit must be carried by the permittee or transferee while in use. Digital copies are sufficient.
- If the permittee cannot participate, the permit may be transferred to another hunter. If the permittee cannot transfer the permit, please contact ODNR using the contact listed above so that an alternate may be assigned.
- Shooting hours are **sunrise to 10am** for the date and location being hunted.
- Only Canada Geese and teal may be harvested. **Permits for September 12, 14, 16 are for teal only, no Canada geese may be taken on these dates.**
- Non-toxic shot is required. Each hunter is allowed up to 25 shells.
- Permittee and hunting partners must stay within the unit listed on the permit, or within 75 yards of the blind (if provided) while hunting, except to retrieve waterfowl. Hunters may leave and reenter during the hunt.
- All trash, shell hulls, animal parts and carcasses must be removed at the end of the hunt.
- All other Division rules and regulations apply.

### Additional rules and information:

- A post hunt survey will be emailed to the permittee the day following your hunt. Please complete the survey to help us learn how to improve future controlled hunting opportunities.
- Hunters must be aware of their surroundings and set up accordingly to ensure safe shot directions. Units 3 and 4 have a roadway and private housing to the south so shot direction should be to the north. Units 5, 6, and 7 have cabins to the northeast so shot directions should be to the south.
