### Speeding Catches Up With You

- Crashing into an object at 40 mph can exert the same force on your body as falling from a 5-story building.
- Unsafe speed is a factor in 26% of fatal crashes where a teen driver is at fault.
- The higher the speed, the more distance you need to come to a stop.
- A first offense for speeding is considered a minor misdemeanor with a maximum fine of \$150 and 2 points on your driver's license.

### Fall is Peak Time for Deer-Related Crashes

- In 2024, there were 19,948 deer-related crashes in Ohio – most happening at dawn and dusk.
- Scan the road ahead so you have more time to react if an animal is spotted.
- If a crash is unavoidable, apply the brakes firmly and remain in your lane.
- Swerving to avoid an animal can often cause a more serious crash or cause you to lose control of your vehicle.

### Ohio's New App to Practice Safe Driving Skills

- RoadReady Ohio is a free app for new drivers that helps them log their required 50 hours of driving practice.
- The app includes video lessons and provides driving scores and recommendations in key areas like braking, acceleration, cornering and speed.

## Teen Driver Cited for Crash on County Road 35

On April 21 2025, a 16 -year-old driver in a silver car was traveling westbound and stopped at the stop sign at State Route 602. She proceeded into the intersection, directly into the path of an oncoming SUV, which was traveling south on State Route 602 at 45 mph and was not required to stop. The impact forced the SUV off the side of the road and into the grass. All occupants were wearing seat belts, and the driver of the SUV was taken to the hospital with minor injuries. The teen driver was cited for Failure to Yield from a stop sign.
