## Ohio Driver License

For Drivers Under 18, Additional Rules Apply. Information Can Be Found at

<https://www.bmv.ohio.gov/dl-gdl.aspx>

Driving in Ohio is a multiple step process. The second step after getting a Temporary Instruction Permit is to getting your actual license. What do you need to do to get a license?

### Driving License

- ▶ Requires Documentation \* See Page 2
- ▶ Temporary Permit
- ▶ Skills Test
  - ▶ Only Given in English
    - ▶ Must Be Able to Understand Directions in English
    - ▶ Translators Not Allowed
  - ▶ Has Two Parts
    - ▶ Driving
    - ▶ Maneuverability \* See Page 4 for a Description of the Process
- ▶ If you fail either part of the test, you are required to take an Abbreviated Adult Ohio Driver Training Course which includes:
  - ▶ 4 Hours of Coursework In-Person or Online
  - ▶ 4 Hours of Behind-the-Wheel Practice with a Licensed Ohio Driver Training Instructor Or 24 Hours of Additional Practice with a licensed Driver/Required a Notarized Affidavit.
- ▶ **If you pass the Driver License Knowledge Test, you must purchase the Temporary Permit from the Bureau of Motor Vehicles (BMV) at a Deputy Registrar Agency.**
  - ▶ Deputy Registrar Agency Locations:
    - <https://publicsafety.ohio.gov/local-office>
      - On the Left, Scroll to Your County
      - Check the BMV Deputy Registration License Agency Box
- ▶ License Must Be Renewed Every 4 - 8 Years

## Maneuverability Skills Test Process

### The Maneuverability Course

- ▶ Consists of 5 cones.
- ▶ The first four cones form a 9' x 20' rectangle.
  - This means that the first row of two cones are 9 feet apart.
  - The second row of cones, also 9 feet apart, are 20 feet beyond the first row.
- ▶ The fifth cone should be 20 feet beyond the second row of cones and placed in the middle, 4 1/2 feet from both of the 9 feet apart edges of the rectangle. This is the point marker cone.

### Step One for Drivers

1. Should be completed in one continuous motion.
2. Slowly drive forward in between the four cones.
3. Pro tip - Don't use the gas, just use the brake to control speed.
4. The instructor/evaluator will direct you to travel to the right or left of the point cone.
5. Following the instruction, pull to the right or the left of the point marker cone.
6. Straighten out the car parallel to the course.
7. Stop when the rear bumper of the car is even with the point marker cone.

### Step Two for Drivers

1. Should be also completed in one continuous motion.
2. From the stopped position at the end of Step One, back past the point marker cone turning the wheels to position the car to be able to back through the original four cones.
3. Continuing to back, straighten the car parallel to the course.
4. Back through the original four cones.
5. Stop when your front bumper is even with the first two cones.

### Points are deducted for the following:

- ▶ 2 points each time you stop to check progress
- ▶ 2 points if you ask to start over
- ▶ 10 points each time you bump a cone
- ▶ 5 points each time you misjudge the stopping distance
- ▶ 5 points each time you do not stop parallel to the test course
- ▶ Running over or knocking down a cone results in an immediate failure

If you accumulate 26 or more points, you will not pass this portion of the driver examination.

### Additional Requirements for Driving If You Own a Car

If you purchase or own a car, there are additional steps in addition to getting a license for you to be able to drive in Ohio:

- ▶ You Must Purchase a Car License Plate from a BMV Deputy Registrar Agency – One Time
- ▶ You Must Purchase Registration for the Plate from a BMV Deputy Registrar Agency – Renewed Yearly

- ▶ You Must Also Purchase Car Insurance from an Insurance Company
  - ▶ Proof of Insurance Must Be Shown at Traffic Stops, Accident Scenes, and Vehicle Inspections.
  - ▶ Minimum Required for Liability and Property Damage Insurance Coverage:
    - \$25,000 for Injury/Death of One Person
    - \$50,000 for Injury/Death of Two or More People
    - \$25,000 for Property Damage in an Accident
