AMENDMENTS TO CONTRACT TERMS AND CONDITIONS: The following Amendments to the Contract Terms and Conditions do hereby become a part hereof. In the event that an amendment conflicts with the Contract Terms and Conditions, the Amendment will prevail.

DELIVERY AND ACCEPTANCE: Services will be performed as set forth in the Contract and in accordance with paragraphs S-8, S-9, and S-10 of the Supplemental Contract Terms and Conditions. The location of performance will be noted on the purchase order issued by the participating agency. Payment for services rendered will occur upon the inspection and written confirmation by the ordering agency that the services provided conform to the requirements set forth in the Contract. Unless otherwise provided in the Contract, payment shall be conclusive except as regards to latent defects, fraud, or such gross mistakes as amount to fraud.

EVALUATION: Bids will be evaluated in accordance with Article I-17 of the "Instruction to Bidders". In addition, the State will evaluate the Bids in accordance with WIC Program Regulations. The Bidder will submit its Commercial Wholesale Price Per Ounce which shall be the lowest Commercial Wholesale Price Per Ounce of each type of all infant food being offered, as documented by the Manufacturer's nationally published Commercial Wholesale Price List, as of the Bid opening date.

Infant Foods Rebate Program

There are two (2) types of infant foods for this Bid: the first type is Fruits and Vegetables (4 oz. containers or packaged in multiples thereof) and the second type is Meats & Poultry (2.5 oz. containers). On the Bid Price Page, the Bidder shall provide the lowest Commercial wholesale price per ounce for each type of infant food.

Also on the Bid Price Page, the Bidder shall submit a rebate amount per ounce for each of the two (2) types of infant foods: (1. fruit & vegetables; 2. meat & poultry) of WIC eligible infant food products.

The State will subtract the Rebate Amount Per Ounce from the lowest Commercial Wholesale Price Per Ounce to determine the Net Price Per Ounce for each type of infant food.

The Net Price Per Ounce for each type of infant food will be multiplied by the Average Total Monthly Ounces redeemed to arrive at the Monthly Net Price for each type of infant food.

The State will use the sum of the Monthly Net Prices for both types of infant food to determine the lowest Bid Price.

CONTRACT AWARD: The contract will be awarded to the lowest responsive and responsible bidder meeting all Bid specifications and requirements listed herein offering the lowest Monthly Net Price for all items by low lot.

CONTRACT RENEWAL: Additional extensions may be achieved by mutual agreement between the State and the Contractor for any number of months, the cumulative total of all extensions shall not exceed thirty- six (36) months.

AUTHORIZED CONTRACT BRAND INFANT FOODS: For purposes of this Contract, any authorized brand of infant foods for which the Bidder submits a rebate Bid will be considered a contract brand infant food. The State WIC Agency provides no guarantee of the quantity of infant foods that will be used under a Contract awarded pursuant to this Bid.

SPECIAL CONTRACT TERMS AND CONDITIONS cont'd

ESCALATOR CLAUSE: Any increase or decrease in the nationally published Commercial Wholesale Price List of a particular category awarded on Contract pursuant to this Bid after the published Bid opening date, or during the term of any pursuant Contract, shall result in a cent-for-cent adjustment in Commercial Wholesale Price Per Ounce of that category to ensure the Net Price Per Ounce of that category is equivalent to the Net Price Per Ounce obtained in this Bid. The adjustment to the Commercial Wholesale Price Per Ounce shall be effective for WIC Nutrition Card Benefits with the first day of use during the month following the month for which the price change was effective. The Office of Procurement Services shall be notified by the Contractor, in writing, at least forty-five (45) calendar days in advance of any change in the Commercial Wholesale Price Per Ounce of the infant food. Notification shall consist of a letter to the Office of Procurement Services announcing the price(s) to be changed and shall be accompanied by a copy of the new wholesale price list. In the event that the Contractor fails to provide at least forty-five (45) calendar days' notice of a price increase, the State will determine the effective date of the price adjustment, not to exceed sixty (60) calendar days.

Additionally the Contractor is responsible for reporting any decreases in the Commercial Wholesale Price Per Ounce and request a decrease in the same manner as described above. If the Contractor fails to notify the State of any decrease it may result in being deemed as in default of the awarded Contract.

TERMINATION: Any Contract awarded pursuant to this Bid may be terminated by either party upon at least one hundred and eighty (180) days advance written notice to the other party, subject to the following limitations. The Contractor shall not terminate any Contract awarded pursuant to this Bid prior to March 31, 2019. Failure to provide services in accordance with the requirements of any Contract awarded pursuant to this Bid may be cause for immediate termination by the State WIC Agency. In this case, the State WIC Agency agrees to provide at least thirty (30) days written notice to the Contractor to resolve the problem. Satisfactory resolution of the problem shall be determined by the State WIC Agency. In its notice, the State WIC Agency will specify what "satisfactory resolution of the problem" means.

Failure of the State WIC Agency to insist on strict performance on any Contract awarded pursuant to this Bid or to terminate any Contract awarded pursuant to this Bid after giving the Contractor the opportunity to resolve problems does not waive the State WIC Agency's right to insist on subsequent strict performance. In addition, any Contract awarded pursuant to this Bid shall automatically terminate under the circumstances specified in the following paragraph (Liquidated Damages). Notice of written termination must be sent to the State WIC Agency or the Contractor by certified mail, return receipt requested or delivered in person, with proof of delivery.

LIQUIDATED DAMAGES: In the event the Contractor fails or refuses to provide services as agreed in any Contract awarded pursuant to this Bid or terminates any Contract awarded pursuant to this Bid at any time during the term of the Contract or any extension of the Contract, the Contractor shall pay to the State WIC Agency monthly payments equal to the rebate amount the State WIC Agency would receive to maintain the net price per ounce of contract brand infant food established pursuant to this Bid, as if the Contract were still in effect. The Contractor shall continue to make such payments each month until the date the Contract or extension to the Contract has been scheduled by the State WIC Agency to expire as provided herein, or until the State WIC Agency has executed a Contract with another Contractor to provide substantially the same services as named in any Contract awarded pursuant to this Bid and the term of such Contract has commenced, whichever is sooner. Payments by the Contractor pursuant to this term shall be made in accordance with Section III, Item D.

Payments by the Contractor shall be liquidated damages and not a penalty, and shall enable the State WIC Agency to continue to provide contract brand infant food to its then-current caseload of WIC participants within the funding amount appropriated to the State WIC Agency for that purpose.

The State WIC Agency shall make its best efforts to mitigate the liquidated damages obligation of the Contractor by securing another Contractor to provide substantially the same services as named in any Contract awarded to this Bid. It is estimated to require three (3) to five (5) months from the date the Contractor ceases provision of services to the date another Contractor commences provision of services. This section does not apply to disputed invoices.

6. The State WIC Agency shall submit an invoice based on paragraphs 4 and 5 above and a copy of the reports to the Contractor within forty-five (45) calendar days after the end of the month for which the State WIC Agency is invoicing the Contractor for payment. The invoice shall contain the methodology and all data used to calculate the monthly rebate payment owed by the Contractor.
7. For each Contract brand infant food that is redeemed during the month for which a rebate is invoiced, the State WIC Agency shall provide, at the Contractor's request, the following data that will enable the Contractor to verify the invoiced amount:
 - a. The WIC Nutrition Card Primary Account Number (PAN)

9. In the event that the invoice submitted to the Contractor for payment is determined by the State WIC Agency to be inaccurate, a revised invoice will be submitted and the Contractor shall pay the State WIC Agency in accordance with Section III, Item C, paragraphs 8 and 10. If the Contractor identifies a discrepancy on the invoice, the State WIC Agency will respond to the Contractor with an answer or an update as to the status of their investigation into the discrepancy within twenty (20) State working days, although final resolution may take longer. All disputes of any invoice during a federal fiscal year must be resolved by the first day of February in the following fiscal year. The Contractor shall not withhold any rebate payments to the State WIC Agency.
10. The Contractor shall pay the State WIC Agency the amount indicated on the invoice specified above within thirty (30) calendar days after receipt of the invoice. Invoice accuracy shall solely be determined by the State WIC Agency, based on appropriate documentation provided by the State WIC Agency.

Because WIC retail vendors have 48 hours to submit WIC Nutrition Card purchases for claims processing after the valid period, the total exchanges for any given month may include claims from previous months. In addition, USDA or State Agency occasionally approves payment of WIC Nutrition Card claims that may be outside the normal submission period. The Contractor agrees that infant foods identified on WIC Nutrition Cards issued with a first day of use during the term of this Agreement, but not redeemed until after the date of expiration or termination of this Agreement, shall be rebate eligible.
11. The Contractor shall pay rebates on infant foods issued with a first day of use while any Contract issued pursuant to this Bid is in effect and redeemed, even though the Contract may have been terminated or may have expired when the rebate amount is paid.
12. *In the event the Contractor has not issued payment to the State within thirty (30) calendar days of receipt of invoice, for any outstanding balance for any month during the Contract term, the Contractor shall be assessed and shall pay, in addition to the outstanding balance due, a prorated penalty.
