September 28, 2017

10am – 11:30am EST

# \$6,000,000,000.00

Each Fiscal Year, State agencies spend approximately **\$6 billion** on purchases for a wide variety of supplies and services required for the daily operation of their facilities.

# Agenda

- What does the State buy?
- Purchasing Requirements for State agencies
- How does the State buy?
- Navigating the State Procurement website
- Responding to ITBs and RFPs

# What does the State buy?

Computers

Vehicles

Clothing

Pharmaceuticals

Food

Professional Services

# How the State Makes Purchases

# Ohio Revised Code 123.035 – Requisite Procurement Program

State Agencies are ***required***, by law, to purchase from one of the following State Resources first, if the product or service is available:

- Ohio Penal Industries (OPI)
- Community Rehabilitation Program (CRP)
- Opportunities for Ohioans with Disabilities (formerly RSC)
- Office of Information Technology (OIT)
- DAS State Printing and Mail Services
- Department of Mental Health (DMH)
- Ohio Facilities Construction Commission OFCC)

# Existing Department of Administrative Services (DAS) Contracts

- State Agencies are required to look at DAS contracts for supplies and services
- Some contracts are mandatory use and some are set up as optional use

# Establish a New DAS Contract

## Competitive Selection Process

- Invitation to Bid – lowest responsive and responsible
- Request for Proposal – “best value”
- Reverse Auction – lowest responsive and responsible

# Negotiated Contracts

- State Term Schedule (STS) – agencies are now required to obtain at least 3 quotes
- Master Maintenance Agreements (MMA)
- Price schedules are negotiated and may be based upon:
  - Federal Schedule Pricing
  - Similarly situated, most favored customer pricing
  - Other competitively bid contracts from state or local consortium, etc.

# Using the State Procurement Website

# State of Ohio Procurement Website

- Registration
- State and Local Opportunities
- Agency Contacts

The **United Nations Standard Products and Services Code® (UNSPSC®)**, managed by GS1 US™ for the UN Development Programme (UNDP), is an open, global, multi-sector standard for efficient, accurate classification of products and services. UNSPSC is an efficient, accurate and flexible classification system for achieving company-wide visibility of spend analysis, as well as, enabling procurement to deliver on cost-effectiveness demands and allowing full exploitation of electronic commerce capabilities. Encompassing a five level hierarchical classification codeset, UNSPSC enables expenditure analysis at grouping levels relevant to your needs. You can drill down or up to the codeset to see more or less detail as is necessary for business analysis.

The UNSPSC offers a single global classification system that can be used for:

- Company-wide visibility of spend analysis
- Cost-effective procurement optimization
- Full exploitation of electronic commerce capabilities

You may browse and download the current version of the code at no cost. Search the code on this website to locate commodity codes that can be used by your company.

UNSPSC is a member funded and supported initiative. To gain additional benefits, including access to past versions of the code and the opportunity to shape the code's future to best meet your business needs, join the UNSPSC today. Take the first step toward increasing productivity, reducing organizational costs, and improving supply chain efficiency by learning about [UNSPSC membership](#) now.

A free on-demand webinar is available which provides an overview of the UNSPSC codeset and information describing how and why it is used. Click [here to access the webinar](#).

# Direct Purchase Authority (DPA)

Any purchase that exceeds \$25,000 must be submitted to DAS Office of Procurement Services (OPS) through the Request to Purchase (RTP) Requisite Program. If the item is not available through one of the previously mentioned sources and the purchase total does not exceed \$50,000 per fiscal year, per supplier, the entity may use their Direct Purchasing Authority as granted by the Ohio Revised Code.

Items not available through one of the previously mentioned sources and the purchase **exceeds** \$50,000, DAS OPS will determine whether they will create the contract, or issue a Release and Permit to the agency to seek Controlling Board approval.
