

# OhioBMV Online CDL Renewal

Ohioans may now be eligible to renew their CDL online. The renewal process is easy and efficient and can be performed on a mobile device! Once application is approved, CDL will be mailed to the individual. For additional information on the online renewal process, and to renew your CDL online, please use the QR code above or visit [bmvonline.dps.ohio.gov](https://bmvonline.dps.ohio.gov)

## Helpful Tips

- All online license renewals are for 4 years only.
- Category 1 Medical Certification (Mecert) requires that your medical certificate is up to date before pursuing an online renewal. (You can email an updated copy of your Mecert to [cdl@dps.ohio.gov](mailto:cdl@dps.ohio.gov))
- The Ohio BMV does allow you to self-certify your Mecert online if you are certifying Categories 2, 3, and 4 by visiting the BMV website: [bm.ohio.gov](https://bm.ohio.gov)
- To be eligible for online renewal for your commercial driver license (CDL) with the Hazmat endorsement, you must have passed a hazmat knowledge test within the last 60 days, and have an unexpired TSA threat assessment on file. TSA threat assessment must be valid for length of the new CDL license.
- The online renewal process does not allow you to change information on your CDL, such as removing or adding any endorsements, changing Mecert categories, or going from Standard to a REAL-ID Compliant license.
