Introduction

Ohio law¹ requires the State Board of Education to adopt rules establishing standards and requirements for obtaining a pupil-activity permit. The pupil-activity permit is necessary for all individuals who wish to direct, supervise or coach a program in Ohio schools involving athletics, routine or regular physical activity, or health and safety considerations, whether it is done on a paid or volunteer basis.

Additionally, Ohio law² prescribes standards to assure the competence of individuals to direct, supervise or coach a pupil-activity program, as well as the requirements for obtaining a pupil-activity permit. Included in this rule is the requirement to complete an approved first aid/first response program. This packet contains information and the application for pupil-activity program first aid providers.

Pupil-Activity First Aid Program Providers

Purpose

Completion of a State Board of Education approved pupil-activity first aid training program is a means of documenting that an individual has met requirements in accordance with Ohio law¹. The curriculum of an approved two-hour pupil-activity first aid program is designed to be first aid/first response. The curriculum focuses on knowledge of first aid for a wide variety of coaches, directors or supervisors of pupil-activity programs. Providers report to the Office of Educator Licensure and Effectiveness those persons who completed the program requirements. In turn, the Office of Educator Licensure and Effectiveness maintains records of those individuals.

Pupil-Activity First Aid Training Program Criteria

Programs offered to meet the State Board of Education's requirements for the pupil-activity permit will:

1. Meet the curriculum as specified for the pupil-activity first aid training program;
2. Meet the education's needs of the intended audience;
3. Have clear goals and learning outcomes;
4. Employ appropriate content, methods and delivery systems; and
5. Have effective learning assessment procedures.

Eligible Providers

Provider status is contingent upon compliance with the provisions set forth in these guidelines. The Office of Educator Licensure and Effectiveness shall approve a provider of pupil-activity first aid programs on an annual basis (July 1 – June 30).

Providers of the pupil-activity first aid programs may include, but are not limited to:

- Professional associations and organizations
- Colleges and universities
- School districts
- For-profit sports medicine centers
- Private ATC/LAT
- Hospitals and other health service organizations
- State agencies

Pupil-Activity First Aid Training Seminar Procedural Requirements

Step 1 – Submit Pupil-Activity First Aid Training Provider Application and Documents (Appendixes 1-5)

Providers must submit applications annually on a fiscal year basis (July 1 – June 30). Information provided on the application helps the Office of Educator Licensure and Effectiveness determine if providers are meeting the criteria set forth in Ohio Revised Code and Ohio Administrative Code. When completing the application, agencies must establish evidence that they are experienced providers of first aid programs.

Providers approved to offer first aid programs will receive an approval email that will include their assigned provider number for that fiscal year. Upon receipt of this provider notification, the provider will have the authority to submit program approval request forms to the Office of Educator Licensure and Effectiveness.

An annual fee of \$25 must accompany the application. A check or money order must be made payable to Treasurer, State of Ohio.

An OHID account is required to become a pupil-activity provider. Please visit the Online CORE License System FAQs webpage to access the CORE User Manual for instructions to sign up for an OHID account: <https://sboe.ohio.gov/educator-licensure/information-and-resources/online-core-license-system-faqs>.

- **Pupil-Activity First Aid Training Program Curriculum Requirements Form**, which includes:
 - Topic information
 - Number of minutes allotted
 - Teaching strategies
- **Pupil-Activity First Aid Training Program Presenter Information Form**, including credentials (MD, DO, ATC, LAT, RN, EMT)
- **Pupil-Activity First Aid Training Program Presenter Eligibility Information Form**
- **Pupil-Activity First Aid Training Program Provider Compliance Assurances Form**:
 - Program presenters will be from those on file with the Office of Educator Licensure and Effectiveness.
 - One hour of the two-hour program will be conducted by an MD, DO, ATC, LAT, or EMT.
 - Teaching strategies will be as identified.
 - The curriculum will be based on sources indicated.
 - The program will be publicized as specified on the program request application.

Once approved, providers will receive a verification email and directions on the process to begin adding programs and reporting the names and identifying information of each person who has fulfilled program requirements.

Step 2 – Submit Pupil-Activity First Aid Training Program Approval Request Form

Providers are approved to offer programs for one fiscal year and must submit an approval request form for each date or series of dates a seminar is scheduled. Program dates may be added any time throughout the year. Providers must complete and submit the forms listed below four weeks before the date of the first program.

In addition, providers must give participants documentation of attendance that serves until such time that the pupil-activity permit is issued.

Reporting Requirements

Providers must report participant information to the Office of Educator Licensure and Effectiveness within ten business days of program completion, using reporting procedures specified by the Office of Educator Licensure and Effectiveness.

Please note that those who do not attend the entire program or who in any way fail to comply with seminar standards are ineligible to receive credit for the program.

Evaluation of Programs

The State Board of Education may conduct random on-site evaluations of programs as a means to assess individual programs, as well as for evaluation of the function of the provider's education agency as a whole.

Important Reminders

- Contact time – is based on a 60-minute hour. Registration, breaks, lunch and business meetings are not included in the tabulation of contact hours.
- **Provider IRN – should be referenced in all communications (written and telephone) and is assigned each fiscal year (July 1 – June 30).**

Provider Responsibilities

- Submit seminars for approval according to the Office of Educator Licensure and Effectiveness' guidelines.
- Conduct seminars in accordance with guidelines, meeting minimum time frames and incorporating topics as specified.
- Assure that a physician or athletic trainer (ATC, LAT or EMT) is present for the minimum time specified (one hour of the two-hour program).
- Publicize program and register participants.
- Report attendance within ten business days of completion of the program.
- Maintain program participant information for a period of three years.

Accessing CORE

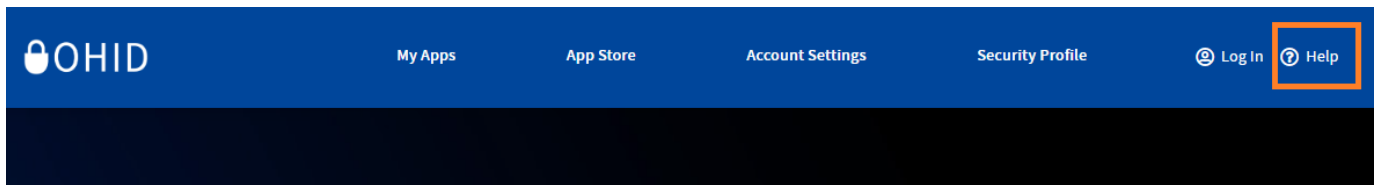

Create an OHID Account

Access to the Connected Ohio Records for Educators (CORE) system is available through the OHID portal. The OHID portal is an identity solution from the InnovateOhio Platform. The goal of OHID is to create one simple and secure location for all Ohio citizens to access information and conduct business with the State of Ohio. Through OHID, school district personnel and applicants can access all statewide applications in a more secure, streamlined way.

New users must create an OHID account and a user profile and request an Educator State ID number to access the CORE system. Begin by navigating to <https://ohid.ohio.gov/>. Please review all instructions in the **CORE User Manual** housed on the [Online CORE License System FAQs webpage](#).

OHID Account Help

Should you need any assistance with your OHID account, including editing your profile, changing your password or setting up your security options, simply click the **Help** icon at the top of your OHID account screen.

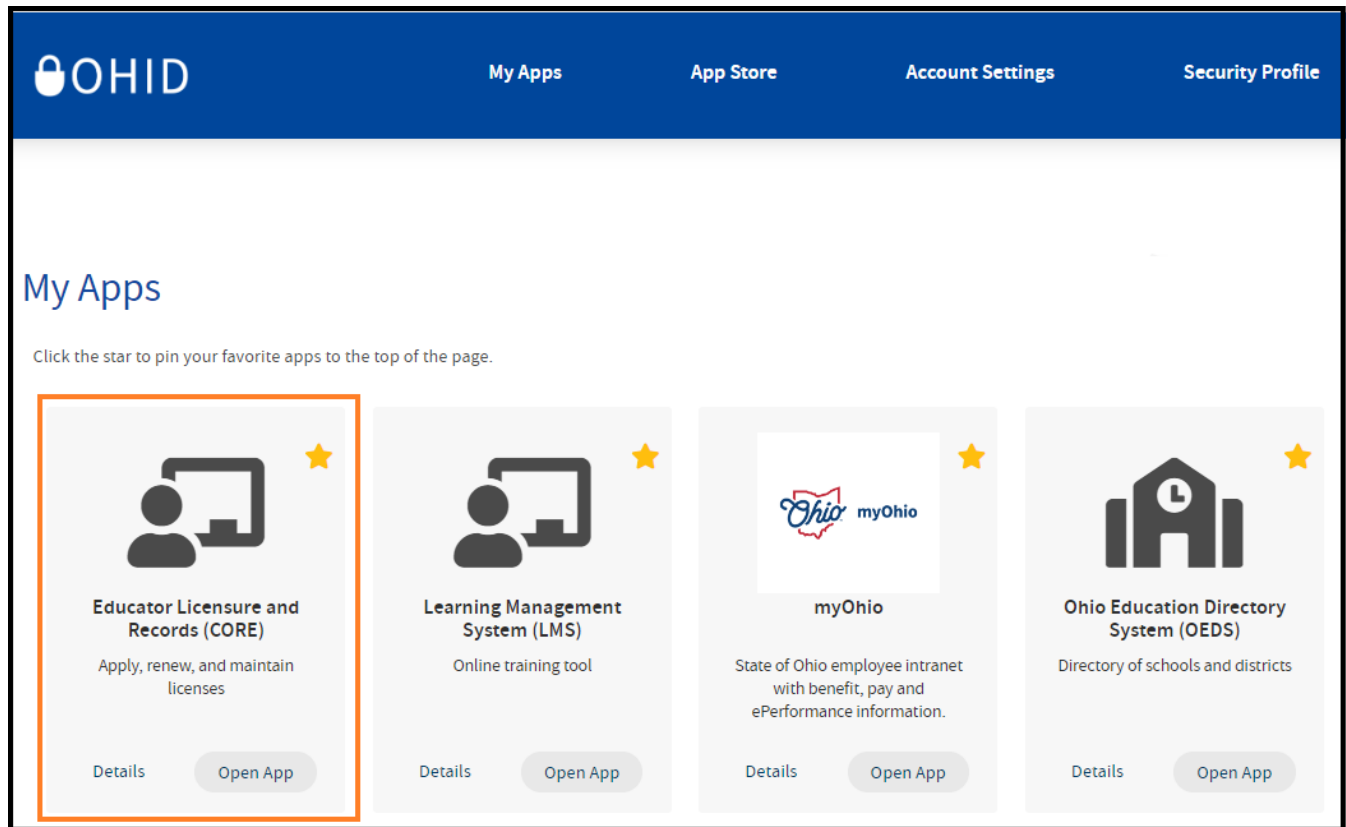

(Figure 1 OHID Help Icon)

From the OHID Help page, you can look up how to edit your profile, change your password or make changes to your personal information.

Access the CORE System

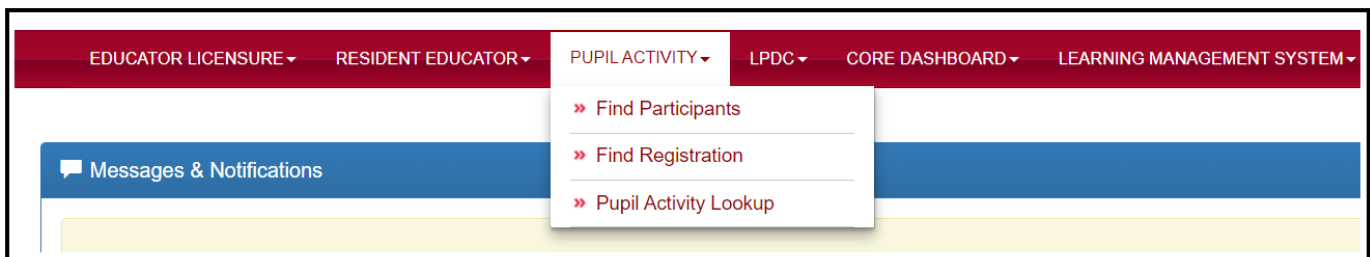

Once you have set up your OHID account and created your user profile, you may log in and access the CORE system. Navigate to <https://ohid.ohio.gov/> and log in to your OHID account. Then click **Open App** in the Educator Licensure and Records (CORE) app to access your CORE Dashboard.

(Figure 2 Educator Licensure and Records (CORE) App)

Pupil-Activity Training Information

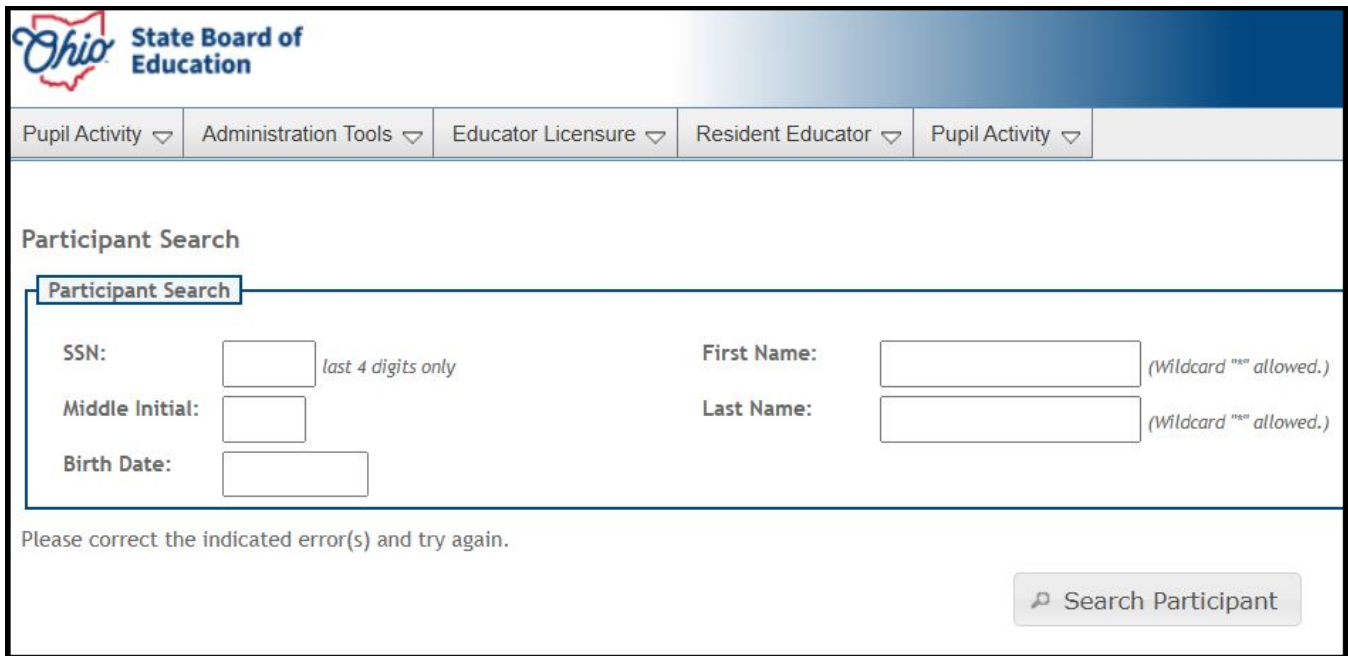

School districts, pupil-activity permit holders, and pupil-activity providers may access State Board of Education-approved pupil-activity first aid training program information from their CORE Dashboards. Log in to your OHID account and select the Educator Licensure and Records (CORE) app. Then click **Pupil Activity** in the red ribbon at the top of your CORE Dashboard.

(Figure 3 Pupil Activity Drop Down Menu)

School Districts

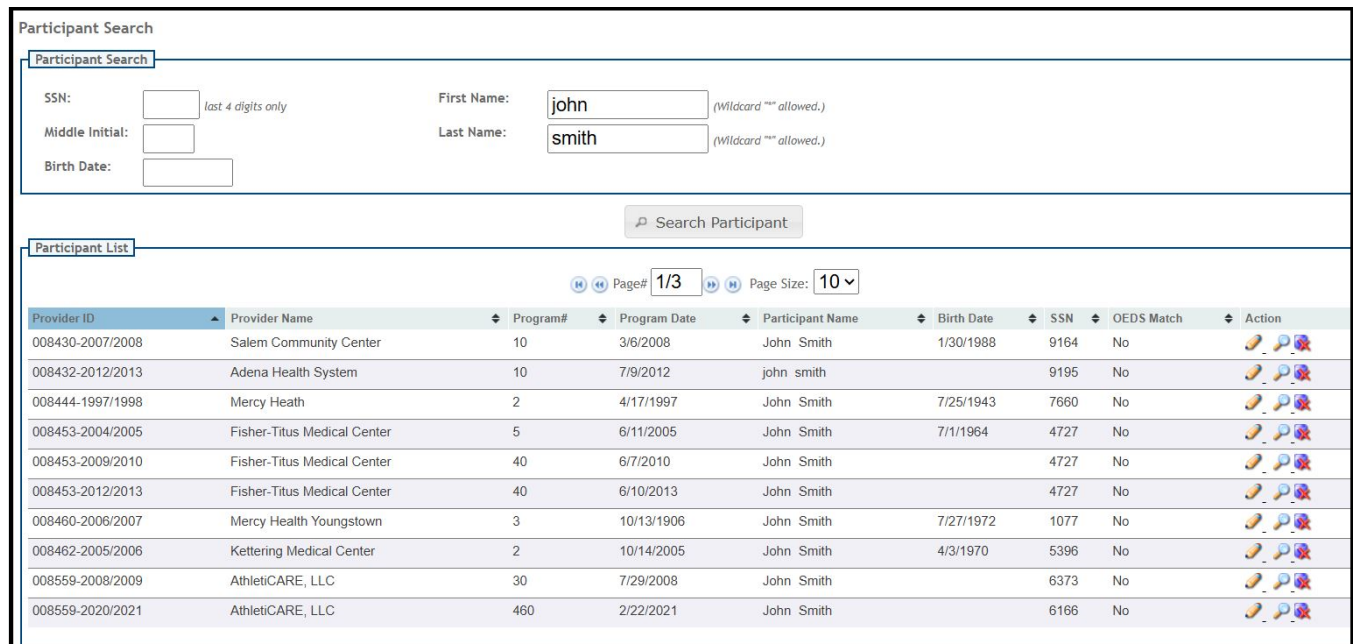

School districts may verify an individual's completed State Board of Education-approved pupil-activity first aid training program by clicking **Find Participants** from the **Pupil Activity** drop down list. Enter the candidate's information in the **Participant Search** screen that appears. Then click **Search Participant**.

The screenshot shows the 'Participant Search' screen of the Ohio State Board of Education portal. At the top, there is a navigation bar with the Ohio State Board of Education logo and several menu items: 'Pupil Activity', 'Administration Tools', 'Educator Licensure', 'Resident Educator', and 'Pupil Activity'. Below the navigation bar, the 'Participant Search' section is highlighted. It contains a form with the following fields: 'SSN' (with a note 'last 4 digits only'), 'First Name', 'Middle Initial', 'Last Name' (both with a note '(Wildcard *** allowed.)'), and 'Birth Date'. Below the form, there is a message: 'Please correct the indicated error(s) and try again.' and a 'Search Participant' button.

(Figure 4 Participant Search Screen)

If the candidate has completed the State Board of Education-approved pupil-activity first aid training program, the screen will populate with the provider's ID and name, training date, and the participant's information.

The screenshot shows the 'Participant Search Results' screen. It features a 'Participant Search' section at the top with the same form as Figure 4, but with the 'First Name' field populated with 'john' and the 'Last Name' field populated with 'smith'. Below this is a 'Search Participant' button. The main section is titled 'Participant List' and displays a table of results. The table has columns for 'Provider ID', 'Provider Name', 'Program#', 'Program Date', 'Participant Name', 'Birth Date', 'SSN', 'OEDS Match', and 'Action'. There are 10 rows of data, each representing a different provider and their participation in the first aid training program. The table is paginated, showing 'Page# 1/3' and 'Page Size: 10'.

Pupil-Activity Permit Candidates

Coaches and other pupil-activity candidates may search for the next available State Board of Education-approved pupil-activity first aid training sessions. Click **Pupil Activity** in the red ribbon at the top of your CORE Dashboard. Then select **Pupil Activity Lookup** (see figure 3 on page 10). On the next screen click **Provider List**.

The screenshot shows a web application interface with a top navigation bar containing five tabs: 'Pupil Activity', 'Administration Tools', 'Educator Licensure', 'Resident Educator', and 'Pupil Activity'. Below the navigation bar is a search form titled 'Participant Search'. The form has a dropdown menu with three options: 'Participant Search', 'Provider List', and 'Pupil Activity Provider Manual'. The 'Provider List' option is selected. Below the dropdown are four input fields: 'First Name:', 'Last Name:', 'Middle Initial:', and 'Birth Date:'. Each field has a text input box and a hint '(Wildcard "*" allowed)'. At the bottom right of the form is a button labeled 'Search Participant'.

(Figure 6 Provider List Drop Down)

Then enter the search terms (Begin Date, End Date and County) and click **Search** to find an upcoming training session nearest you. The search results will include the provider name, training dates, location, and contact information.

Pupil-Activity First Aid Training Providers

Note that pupil-activity first aid training providers must have the OEDS role “Coordinator – Pupil Activity” to register participants and edit training program information. To access program information click **Find Registration** from the **Pupil Activity** drop down list, click (see figure 3 on page 10). When the **Provider Search** screen appears, enter your provider IRN or name and the school year. Then click **Search**.

(Figure 8 Provider Search Screen)

Once your provider information populates, click the magnifying glass to the far right (under **Action**) to access the training information for the requested school year.
