ARTICLE 1 PREAMBLE

1.1: Agreement: This is an Agreement by and between YOUNGSTOWN STATE UNIVERSITY (hereinafter referred to as the "Administration") and the YOUNGSTOWN STATE UNIVERSITY CHAPTER OF THE OHIO EDUCATION ASSOCIATION (hereinafter referred to as the "Association"). The purpose of this Agreement is to set forth the understanding between the parties as to the terms and conditions of employment of the members of the bargaining unit specified herein. This Agreement shall constitute the sole and entire agreement between the parties with respect to matters set forth herein. All policies or practices in conflict with the provisions hereof are discontinued. The provisions of this Agreement shall take precedence over any practices, policies, or procedures which are inconsistent with its terms. Such inconsistent policies shall be null and void.

1.2: Participatory Governance: The parties reaffirm their mutual belief in and acceptance of participatory governance as a means of pursuing their mutual goals of excellence in education and in academic standards. The parties further reaffirm their belief in participatory governance as a process which gives legitimate expression to faculty concerns.

The parties believe that all faculty and administrators want to be involved in decisions that affect them, care about the academic profession and enhancing the quality of academic instruction and scholarship, take pride in themselves and in their contributions to the academic community, and want to share in the success of their efforts and that of the university. Consequently, the parties believe that it is essential to create an academic environment that utilizes a participatory governance system that provides an atmosphere of mutual trust and respect, recognizes and uses individual expertise and knowledge in innovative ways, and employs cooperative problem solving at all levels of the academic community.

ARTICLE 2 RECOGNITION AND SCOPE OF UNIT

2.1: Exclusivity: The Administration recognizes the Association as the exclusive bargaining agent for the members of the bargaining unit described below. Exclusive recognition means that the Administration will not deal with any other organization, or any individual, in a manner or for a purpose inconsistent with the terms of this Agreement. Individual contracts of employment with members of the bargaining unit shall in all respects be consistent with this Agreement, which shall be deemed incorporated by reference in such individual contracts. The parties agree to cooperate with each other in the Administration and the enforcement of this Agreement.

2.2: Scope of the Unit: The bargaining unit shall include the following:

- (a) Individuals with earned faculty rank on contract and attached to academic departments, whose primary duty is teaching and/or scholarship. (This includes faculty on temporary appointments and faculty on prorated contracts because the effective date of appointment falls within the academic year.)
 - (b) Individuals with earned faculty rank on contract and attached to academic departments, whose primary duties include both teaching and directing or coordinating academic activities and/or programs.
 - (c) Individuals with earned faculty rank on contract and attached to academic departments, whose primary duties include both teaching and performing non-supervisory administrative assignments.
- 2.3: Exclusions:** The bargaining unit shall not include the following:
- (a) part-time faculty members;
 - (b) heads/directors of non-academic departments or programs;
 - (c) chairpersons of academic departments;
 - (d) administrators at the level of department chairpersons and above, including the Director of Dana School of Music, assistants to the deans, assistant and associate deans, deans, assistant and associate vice presidents, vice presidents, assistants to the president, and the president.
 - (e) full-time athletic coaches;
 - (f) faculty serving on Extended Teaching Services (ETS) under the provisions of Article 16.
 - (g) the Director of Faculty Relations.

2.4: Definition: The terms "faculty", "faculty member", "full-time department faculty member", and "member of the bargaining unit" wherever used in this Agreement are defined to include only those faculty members who are included in the bargaining unit pursuant to this Article 2.

2.5: Administrative Participation in Department Matters: Administrators (other than department chairpersons) who hold earned rank and tenure in an academic department shall be eligible to participate in recommendations on

personnel matters (e.g., promotion, tenure, selection of department chairperson) unless, by virtue of their administrative responsibilities, they can shape, affect, or alter the outcome of such recommendations beyond the department.

**ARTICLE 3
TERM OF AGREEMENT**

3.1: Term: This Agreement is effective at midnight on August 22, 2002, and shall expire at 11:59 p.m. on August 21, 2005.

3.2: Successor Agreement: On or before January 15, 2005, either party may notify the other that it wishes to renew or modify this Agreement. In this event, the parties shall meet no later than March 1, 2005, to negotiate with respect to a successor Agreement.

**ARTICLE 4
SALARIES, SALARY INCREMENTS, AND RATES OF PAY**

4.1: Salary Ranges for Ranks: There shall be four (4) ranks among the full-time teaching faculty. For the life of the 2002-2005 Agreement, each rank shall have a salary minimum for 9-month contracts as follows:

2002-2003:	
Professor	Minimum 56,890
Associate Professor	47,989
Assistant Professor	39,088
Instructor	29,049
2003-2004:	
Professor	Minimum 59,881
Associate Professor	50,669
Assistant Professor	41,456
Instructor	31,065

	Minimum
Professor	62,977
Associate Professor	53,442
Assistant Professor	43,907
Instructor	33,152

4.2a: Salary Increases: Each continuing member of the bargaining unit shall receive a salary increase for each academic year within the term of this Agreement. The salary increases for each faculty member shall be calculated as follows:

- 2002-2003: 3.5% of the member's 2001-2002 9-month salary, plus a II-A equity adjustment of \$1000.
- 2003-2004: 3.5% of the member's 2002-2003 9-month salary, plus a II-A equity adjustment of \$1000.
- 2004-2005: 3.5% of the member's 2003-2004 9-month salary, plus a II-A equity adjustment of \$1000.

Salary increases are subject to the salary minima provided by Article 4.1.

4.2b: STRS "Salary Reduction Pick-Up": The University will continue the STRS "Salary Reduction Pick-Up" implemented on September 15, 1984. This means that the University will continue to reduce each faculty member's salary by the amount of the STRS employee contribution, and with the amount of salary reduced pay the employee's contribution as an employer's contribution to STRS. The "Salary Reduction Pick-Up" will be uniformly applied to all members of the bargaining unit as a condition of employment and will be uniformly applied to all payments made by the University to all members of the bargaining unit. If subsequent changes in STRS regulations, state or federal law, or governing state or federal tax regulations nullify the "Salary Reduction Pick-Up," the "Salary Reduction Pick-Up" will cease in accordance with the revised regulations or law, and the University will have no residual obligation to members of the bargaining unit related to the "Salary Reduction Pick-Up." The Salary Ranges specified in Article 4.1 above shall apply to faculty salaries before the application of the STRS "Salary Reduction Pick-Up." The "Salary Reduction Pick-Up" shall be applied to any other payments made by the University during the term of this Agreement, excluding Distinguished Professorship Awards.

4.2c: Alternative Retirement Program (ARP): For faculty selecting the ARP implemented January 1, 1999, the University shall reduce their salary to 90.7% of stated contract salary and shall contribute 9.3% of their salary to the ARP on their

behalf. The University shall also contribute a designated amount to the ARP as well as the mandatory contribution to STRS.

4.3: Promotion: During the term of this Agreement, each person who is promoted in academic rank from Instructor to Assistant Professor or from Assistant Professor to Associate Professor shall receive a salary increase of \$3000. Those promoted from Associate Professor to Professor shall receive a salary increase of \$4200.

4.4: Degree Completion: Each member of the bargaining unit who, during the term of this Agreement, completes an earned doctorate or master's degree from an accredited institution of higher education in a relevant academic field shall receive a salary increase of no less than \$3680 for completion of a doctoral degree or \$2650 for completion of a master's degree. These increases shall be effective at the beginning of the academic term following completion of all degree requirements.

Bargaining unit members at the rank of Instructor who have earned the doctoral degree shall be issued a new contract at the rank of Assistant Professor. The previous contract salary shall be increased by no less than \$3680, or adjusted to the minimum specified in Article 4.1. However, such individuals shall not be eligible to receive the promotion increment specified in Article 4.3.

The salary increases provided for in Article 4.3 and 4.4 shall be in addition to the salary increases provided for in Article 4.2 above and shall be subject to the salary maxima specified in Article 4.1 above.

4.5: Distinguished Professorship Awards: Each year, up to twenty-four (24) persons shall be selected as Distinguished Professors. These shall be allocated as follows: six on the basis of excellence in teaching, six on the basis of excellence in scholarship, six on the basis of excellence in public service, and six on the basis of excellence in University service. Any unfilled slots in these categories may be used in another category, at the discretion of the selection committee, described below. Overall contributions to the University in teaching, scholarship, and service will be considered as defined in Appendix G. However, for the purposes of this Article only, public service means discipline-related public service or community-associated professional activities consistent with the University's mission and goals statement. The recipients shall be selected by a seven (7) member committee appointed by and chaired by the provost. Four members of the committee shall be co-selected by the provost and the president of the Association, one on the basis of excellence in teaching, one on the basis of excellence in scholarship, one on the basis of excellence in public service, and one on the basis of excellence in University service. These four selectees shall be faculty members in the bargaining unit and, by virtue of their selection as committee members, shall be award recipients. Eligibility for Distinguished Professorship awards shall be restricted to faculty members in the bargaining unit and department chairpersons. Candidates for the award shall be nominated by a student, faculty member, department chairperson or dean. Such nominations shall be made on a form available in the

office of the provost. Written justification for the nomination must be attached to the form. The chairperson shall be notified by the provost of those faculty in his/her department who have been nominated, and shall be given the opportunity to make recommendations upon those individual nominations. Recipients shall receive a cash award of \$2,000 prior to June 1 of the academic year in which he or she was selected. At the option of the recipient, one-half of the cash amount may be applied to the recipient's base salary at the start of the following academic year, with the remaining half being given as a cash award. Recipients shall notify the Payroll office of their choice no later than May 1 of the academic year in which they were selected. If a recipient makes no notification by that date, the default award shall be the \$2,000 cash award. There shall be no restriction on the number of times an individual may receive the award.

4.6: Summer Assignments:

- (a) General: Summer teaching assignments within a department shall generally be offered on a rotating basis so that all full-time members of the department may have summer teaching opportunities equally without preference as to rank, tenure status, and years of service, subject to the need of the department for teaching. Excluded from and outside of the rotational assignment of summer teaching opportunities shall be the assignment of one (1) course in each department each summer, which shall be assigned to the chairperson. Additional summer teaching opportunities shall be available to the chairperson on the basis of the rotational system described in this Article, with the chairperson receiving an equal opportunity within the rotational system. The chairperson's total teaching assignment in the summer shall not exceed the highest number of teaching hours (TH) assigned to a full-time faculty member in the department during the summer without the concurrence of a majority of the full-time faculty in the department. If an individual's assigned course does not meet the required minimum enrollment, and the course is not taught as a result, the individual will be considered as having received a summer teaching opportunity. An individual may not teach in the summer as a substitute for teaching in one or more of the regular academic year semesters.

- (b) Summer teaching assignments shall be offered to full-time faculty over part-time faculty.

- (c) Written notice of assignment to summer teaching will be sent to the faculty on or about March 1 of each year; if the faculty member plans to accept the assignment, he/she shall notify the Administration within two weeks after receipt of the notice of assignment. Formal contracts will be provided to faculty by the end of the second week classes are in session.

- (d) Summer teaching contracts shall be contingent upon a minimum starting enrollment of 15 students per class. Classes with fewer students may be taught at the discretion of the Administration.

- (e) A faculty member shall receive .0375 of his/her 9-month salary of the previous academic year for each TH taught during the summer. No faculty member shall teach more than six (6) TH during a single six-week summer term, or more than nine (9) TH during an entire summer.

4.7: Initial Appointment: An individual may be appointed at a salary and academic rank appropriate to his/her experience and qualifications as determined by the Administration, with due consideration of the rank, salary, and qualifications of other faculty members in the department. If a member of the bargaining unit who is serving on a temporary appointment receives an appointment to a regular faculty position, he/she may be granted a new 9-month salary appropriate to the regular faculty position to which he/she is appointed.

4.8: Overload Pay: A faculty member who is assigned and completes an overload assignment as defined in Article 13 (WORKLOAD ACTIVITIES) shall be paid \$1250 for each WH of overload performed. If a faculty member receives or is included in a grant from a source outside the University as a result of a grant proposal request approved in advance by the Administration, and if the approved grant provides for an overload payment rate greater than \$1250 for each WH of overload performed, the higher rate of pay shall govern, providing the higher rate conforms to the guidelines and/or regulations of the granting authority and/or applicable state or federal regulations. Payment will be made on the last payday of the academic year in which the overload was completed.

4.9: Salaries for Faculty on Grants: If a faculty member receives a grant from a source outside the University as a result of a grant proposal/request approved in advance by the Administration, and if the approved grant provides for a 9-month salary or any fractional part of the 9-month salary to be higher than the faculty member's regular salary or for summer pay higher than the rate of summer pay established by Article 4.6e, the higher salary or rate of pay shall govern, providing the higher salary or rate of pay conforms to the guidelines and/or regulations of the granting authority and/or applicable state or federal regulations. The higher salary or rate of summer pay shall last only for the duration of the grant; at the termination of the grant-supported activity, the faculty member's salary shall revert to the level it would have been if the individual had not been awarded the grant. The higher salary or rate of pay shall be contingent upon actual receipt by the University of grant funds approved by the granting authority to support the salary or pay differential and fringe benefit costs related thereto.

4.10: Certification Deficiency: If an individual appointed to the faculty during the term of this Agreement lacks the certification, training, education, or experience

required for the conferral of tenure, the University's expectations shall be specified in writing in the transmittal letter of initial appointment. Such formal requirements will not be modified during the faculty member's probationary service, unless a change is agreed to mutually and reduced to writing.

4.11: Externally Funded Chairs: For faculty who are appointed to an externally funded chair, the provisions of Article 4.1 shall not apply, and the salary increases specified in Article 4.2 shall be minimum increases.

4.12: Intra-University Transfer: A member of the bargaining unit is entitled to apply for a position in any academic department, except his/her own, without being required to resign. An individual who applies for a position in an academic department, who is offered the position, and who agrees to accept the offer, shall be considered as having voluntarily transferred; and he/she shall retain his/her tenure and all years of service, including the year of application. The individual shall receive the salary of the new position; there shall be no decrease in salary or rank.

4.13: Faculty Supplement for International Field Classes: Full-time faculty engaged in teaching regular for-credit YSU courses at international sites shall be subject to all applicable Agreement provisions (syllabus, office hours, returning graded work to students, etc.). Faculty shall be subject to University regulations regarding flexibly scheduled classes (if applicable). Faculty shall be free to accept or reject such teaching assignments without prejudice. Should the international field course trigger an administratively approved overload assignment, the faculty member shall receive overload compensation in accordance with Article 4.8. In addition to overload pay (if applicable), participating faculty members shall receive supplemental pay of up to a maximum of \$1000 per course. The exact amount shall be determined jointly by the faculty member and the Administration. Factors that may be considered in determining the amount include duration of foreign travel, credit hours of the course and number of students enrolled.

ARTICLE 5 INSURANCE BENEFITS

5.1 Summary of Coverage: From the effective date of this Agreement through December 31, 2002, all group insurance benefits provided in the predecessor Agreement and described in the health, dental, and life insurance booklets, shall be continued for members of the bargaining unit and their dependents; dependents are spouses and unmarried, financially dependent children to age 25. Effective January 1, 2003, and for the duration of this Agreement, members of the bargaining unit will have not fewer than three group health insurance plans from which to choose, with benefits under each plan equivalent to or better than those provided in the certificates that were in place as of January 1, 2002, except that the enhanced benefit levels specified in the matrix attached hereto as Appendix J shall be provided. Members of the bargaining unit will annually have the right to enroll in one of the plans during the open enrollment period

established by the University. During the term of this Agreement, there will be no cost sharing (i.e. contributions to premiums). Effective January 1, 2003, and for the duration of this Agreement, the University will reimburse bargaining unit members enrolled in the SuperMed Classic plan (or subsequent comparable plans) for out-of-network charges incurred by the bargaining unit member or his/her covered dependents as a result of use of a non-network hospital.

New employees shall receive at no charge booklets listing and explaining all insurance benefits and conditions. Continuing employees shall receive such booklets at no charge upon request or as necessitated by changes in the insurance program.

5.2 Dental Coverage: The Dental Assistance Plan provided in the predecessor Agreement shall be continued for the duration of this Agreement.

5.3 Life Insurance – Retirees: Bargaining unit members who retire with ten (10) or more years of University service may maintain group term life insurance equal to the amount of insurance in effect as of the date of their retirement (rounded to the nearest multiple of \$1,000) to a maximum of \$50,000 by paying the University the cost of the insurance established by the carrier for persons in the retiree's age bracket. Such policy for a retiree will not include accidental death and dismemberment insurance.

5.4 Annual Physical: Members of the bargaining unit and their covered dependents shall receive coverage of up to \$300 for a physical examination once each calendar year.

5.5 Prescription Coverage: For the duration of this Agreement, the University will maintain a prescription drug program, subject to the following:

- (a) The employee co-payment for generic drugs shall be the full cost or \$2.00, whichever is less; and

- (b) The employee co-payment for brand-named drugs shall be the full cost or \$12, whichever is less.

- (c) Single filling of prescriptions when purchased at local retail stores shall be limited to the time period specified in Appendix J for each plan. Under the SuperMed Classic, SuperMed Select, and Anthem HMP plans, a 90-day supply for maintenance medications may be purchased by mail through the University's provider.

5.6 Pre-Admission Certification/Concurrent Review: In order to assist faculty in the avoidance of medically unnecessary hospitalization, the University shall maintain a program of Pre-Admission Certification/Concurrent Review, to be administered by the Insurance Company. (This provision shall not apply to

maternalities or to emergency admissions). Room and board costs for periods of hospitalization which do not conform to the Insurance Company standards of Pre-Admission Certification/Concurrent Review shall be covered at fifty percent (50%) of the regular coverage.

5.7 Life Insurance - Active: The University will provide at no cost to the active bargaining unit employee, term life insurance in an amount equal to two and one-half (2-1/2) times the bargaining unit employee's annual contract salary; provided those bargaining unit employees whose group term life insurance, effective as of September 25, 1991, is less than \$150,000 shall be subject to a cap of \$150,000 and provided further that those bargaining unit employees whose group term life insurance, effective as of September 25, 1991, exceeds \$150,000 shall not have that amount increased during the term of this Agreement.

5.8 Second and/or Third Medical Opinions: For the duration of this Agreement, a second opinion may be obtained, at the discretion of the bargaining unit member or covered dependent, prior to surgery for hemorrhoidectomy, herniorrhaphy, cholecystectomy, cataract extraction, meniscectomy, tonsillectomy/adenoidectomy, submucous resection, transurethral resection/prostate, lamunectomy, hysterectomy, total knee replacement, or total hip replacement. If the Second Opinion differs from the First Opinion, the bargaining unit member or covered dependent may choose to obtain a Third Opinion. The cost of the optional Second Opinion and/or Third Opinion shall be covered by the University.

5.9 Right to Alter Carriers: The University has the right to self insure or change carriers as it deems appropriate, providing that the affected benefits remain comparable, but no less than present levels.

5.10 Vision Care: For the duration of this Agreement, the University will continue to provide a vision care plan for members of the bargaining unit with benefits comparable to those in effect as of August 21, 2002. Effective January 1, 2003, the University will extend the foregoing vision care plan to the bargaining unit members' dependents, as defined in Article 5.1 hereof.

5.11 Health Care Advisory Task Force: The University and the Association support the continuance of the University Health Care Advisory Task Force, consisting of two (2) representatives from the University and two (2) representatives from the Union. The charge of the committee is to review and assess existing medical, dental, prescription drug, and life insurance benefits currently provided by the University and to explore viable options for maintaining benefit levels. During the term of this Agreement, the HCATF shall determine the impact of the Health Insurance Portability and Accountability Act of 1996 and review other health-related issues presented to the task force. The HCATF shall make annual reports to the University and the Union.

5.12 Long-Term Disability Benefit Policy: Effective January 1, 2003, the University will provide a group long-term disability benefit plan to members of the bargaining unit who have not yet qualified for such coverage under Ohio State Teachers Retirement System or a comparable state retirement fund, with coverage for such bargaining unit member to continue only until he/she becomes eligible for disability benefits under such state fund.

5.13 Section 125 Benefits: The University shall contract with a carrier to serve as Third Party Administrator (TPA) for Section 125 benefits for University employees. Eligibility for, and use of, this program shall be governed by IRC Section 125. There shall be no initiation or sign up fees for employees. Monthly administrative charges for the TPA shall be paid by payroll deduction by those employees selecting this benefit and shall not increase for the duration of this Agreement. Employee contributions under Section 125 shall also be made by payroll reduction. An individual selecting this plan shall participate in the plan from January 1 to December 31.

ARTICLE 6 SABBATICALS AND FACULTY IMPROVEMENT LEAVES

6.1: Introduction: In accordance with the provisions of Ohio Revised Code (O.R.C.) 3345.28, members of the bargaining unit may be granted leave to undertake further education, to carry on scholarship, to secure appropriate professional experience, or to perform discipline-related community service. The purpose of this leave is to enhance the faculty member's performance in teaching, scholarship, and service to the University. The administration of this program is intended to be in full compliance with the provisions and revisions of the O.R.C., with applicable court decisions, and with all rules promulgated under the statutory authority of state agencies, including the State Teachers Retirement System. For faculty members who remain in the greater Youngstown area during the period of Sabbatical or Faculty Improvement Leave, leave-related income will be forwarded to the University within thirty (30) days after completion of leave. For those faculty who are required to establish and maintain a residence outside the greater Youngstown area for three (3) months or longer during the leave period, leave-related income in excess of 150% of budgeted salary will be reported and forwarded to the Administration. Subsidy for travel related to leave activities shall not be included in this determination. The faculty member's fringe benefits, STRS status, and all other rights and privileges shall remain in effect during the leave as though the individual were not on leave. The restrictions on leave-related income shall not apply to income used by the faculty member to offset leave-related expenses; faculty members who have such income offsets shall file a report with the Administration, providing auditable documentation of leave-related income and offsets, within thirty (30) days following return from a Sabbatical or Faculty Improvement Leave. Provisions of Article 25.4 apply to non-leave related income for faculty on Sabbatical/FIL.

5.7 Life Insurance - Active: The University will provide at no cost to the active bargaining unit employee, term life insurance in an amount equal to two and one-half (2-1/2) times the bargaining unit employee's annual contract salary; provided those bargaining unit employees whose group term life insurance, effective as of September 25, 1991, is less than \$150,000 shall be subject to a cap of \$150,000 and provided further that those bargaining unit employees whose group term life insurance, effective as of September 25, 1991, exceeds \$150,000 shall not have that amount increased during the term of this Agreement.

If the Second Opinion differs from the First Opinion, the bargaining unit member or covered dependent may choose to obtain a Third Opinion. The cost of the optional Second Opinion and/or Third Opinion shall be covered by the University.

5.9 Right to Alter Carriers: The University has the right to self insure or change carriers as it deems appropriate, providing that the affected benefits remain comparable, but no less than present levels.

5.10 Vision Care: For the duration of this Agreement, the University will continue to provide a vision care plan for members of the bargaining unit with benefits comparable to those in effect as of August 21, 2002. The faculty member's fringe benefits, STRS status, and all other rights and privileges shall remain in effect during the leave as though the individual were not on leave. The restrictions on leave-related income shall not apply to income used by the faculty member to offset leave-related expenses; faculty members who have such income offsets shall file a report with the Administration, providing auditable documentation of leave-related income and offsets, within thirty (30) days following return from a Sabbatical or Faculty Improvement Leave. Provisions of Article 25.4 apply to non-leave related income for faculty on Sabbatical/FIL.

6.2: Duration, Pay, and Number: An individual may be granted a Sabbatical for a given academic year, or a Faculty Improvement Leave for a single term during the regular academic year. Individuals granted leaves during the term of this Agreement shall receive 100% of regular salary during the leave period. The Administration shall budget funds for ten (10) Sabbaticals and sixteen (16) Faculty Improvement Leaves for each of the years during which leaves granted under this Agreement will be taken. At its discretion, the Sabbatical/FIL committee may recommend reallocation of the 10 Sabbaticals and 16 FILs, based on the nature of the applications reviewed.

6.3: General Provisions: Sabbatical and Faculty Improvement Leaves are to be regarded as two different types of leave.

To be eligible for a Sabbatical leave, a member of the bargaining unit must meet the following two conditions:

- (a) seven complete academic years of service performed at YSU since joining the full-time faculty, or since the completion of any previous Sabbatical, and
- (b) three complete academic years of service performed at YSU since the completion of any previous Faculty Improvement Leave.

To be eligible for a Faculty Improvement Leave, a member of the bargaining unit must have completed three academic years of service at YSU since joining the full-time faculty or since the completion of any previous Faculty Improvement Leave or Sabbatical.

When applying for such leaves, a year during which an earlier Faculty Improvement Leave or a Sabbatical was taken is not to be counted as service for Sabbatical/FIL purposes.

Normally, in academic departments with eight (8) or fewer members of the bargaining unit, no more than one (1) person may simultaneously be on Sabbatical or Faculty Improvement Leave during any single semester; in departments with nine (9) to sixteen (16) members of the bargaining unit, no more than two (2) persons may simultaneously be on Sabbatical or Faculty Improvement Leave during any single semester; and in departments with seventeen (17) or more members of the bargaining unit, no more than three (3) persons may simultaneously be on Sabbatical or Faculty Improvement Leave during any given semester. The Provost may approve additional Sabbatical and Faculty Improvement Leaves beyond these departmental limits when he/she determines that the needs of the department can still be met. For this calculation, the number of persons in any given department shall be the number of bargaining unit members under contract in that department as of the 15th day of the Fall Term of the year prior to the year of proposed leave. The Administration shall make every reasonable effort to secure qualified temporary

staff to cover a faculty member's responsibilities during a year for which he/she is applying for leave, and only if this effort fails shall the Administration deny a leave on the grounds that the faculty member's services are essential. A recipient of a Sabbatical or Faculty Improvement Leave shall return to the University for a minimum of two (2) complete academic years following completion of a Sabbatical, and a minimum of one (1) complete academic year following completion of a Faculty Improvement Leave. If a faculty member resigns or retires from the University prior to the completion of the return period, he/she shall reimburse YSU the salary paid by YSU during the leave period. Leave recipients who fail to return to YSU for the specified period following completion of the leave shall be permitted to arrange a schedule of payments over a period not to exceed two (2) years.

6.4: Definitions: For the purpose of this Article, a faculty member is a member of the bargaining unit; academic years of teaching service are those fiscal years during which an individual was under contract and provided full-time service to the University during the Fall and Spring semesters.

6.5: Procedures: An applicant for leave under the provisions of this Article shall complete an APPLICATION FOR SABBATICAL OR FACULTY IMPROVEMENT LEAVE (see Appendix F) and submit the form to his/her chairperson no later than September 15 of the year preceding the academic year of proposed leave. If an applicant for a Sabbatical or Faculty Improvement Leave receives additional information relevant to his/her application after having applied, he/she may forward that information to the provost for transmission to the Sabbatical/Faculty Improvement Committee, provided the information is given to the provost no later than October 15. The applicant shall indicate whether he/she wishes either a Sabbatical or a Faculty Improvement Leave. If the applicant seeks a Sabbatical, but feels that the activities proposed could be modified to accommodate a Faculty Improvement Leave, he/she may submit separate requests for a Sabbatical and a Faculty Improvement Leave. Applicants for Faculty Improvement Leaves shall indicate the semester for which they seek the leave, and if they will accept a leave if granted for the other semester. The department chairperson shall review all requests, shall make a written recommendation on each, shall forward all requests to the dean no later than October 1, and shall provide a copy of the recommendations to the applicant and shall notify all applicants of his/her positive recommendations. No later than October 15, the dean shall forward all applications, with his/her recommendations, to the Sabbatical/Faculty Improvement Committee and shall provide a copy of the recommendation to the applicant and shall notify all applicants of his/her positive recommendations. The Sabbatical/Faculty Improvement Committee shall consist of five (5) individuals. The provost shall appoint three (3), two (2) of whom shall be members of the bargaining unit and former recipients of the Distinguished Professorship Award. The remaining two (2) shall be appointed by the president of the Association. Current applicants for a Sabbatical or Faculty Improvement Leave shall not be eligible to serve on the Sabbatical/Faculty Improvement Committee. An applicant shall appear before the Sabbatical/Faculty Improvement Committee, to provide information, and to answer questions concerning the leave application.

The Sabbatical/Faculty Improvement Committee shall select its own chairperson, shall review applications and recommendations, shall submit its recommendations to the provost and shall notify all applicants of its recommendations no later than November 15. By December 15, the provost shall notify all applicants of the disposition of their application(s) and announce the names of leave recipients. Individuals whose names are deleted from the list shall have the opportunity to meet with the provost and the president of the Association for explanations. Added and deleted names shall be forwarded to the Committee. The Sabbatical/Faculty Improvement Committee will designate three (3) ranked alternates for the Sabbaticals and one (1) alternate for the Faculty Improvement Leaves. An alternate will be offered a leave if a person originally recommended does not accept the leave.

6.6: Appeal: An individual who has been denied a Sabbatical or Faculty Improvement Leave after being recommended by the Sabbatical/Faculty Improvement Committee may file an appeal with the president of the University in writing no later than fifteen (15) days after the meeting with the provost referred to in Article 6.5. The president shall appoint an appeals panel within fifteen (15) calendar days after receipt of the appeal. The appeals panel shall consist of two (2) members designated by the president of the University, two (2) by the president of the Association, and one (1) additional member chosen by the four to serve as chairperson. Faculty members in the appellant's department and persons who have made formal recommendations on the leave request shall be ineligible to serve on the appeals panel. The panel shall examine the merits of the leave request and the rationale for the denial. The appellant shall have the right to appear before the panel; the appellant and the Association shall have access to documents reviewed by the panel. The appeals panel shall submit its recommendation to the president of the University, the president of the Association, and the appellant within thirty (30) days from the date that the fifth member of the panel is selected. Should the panel fail to submit a recommendation, the provost's decision shall stand. The president of the University shall rule upon the recommendation within fifteen (15) days after receiving it. The president shall inform the appellant, the appeals panel, and the Association of his/her ruling. The decision of the president shall be final and binding on all parties. However, a bargaining unit member who believes that the procedures described in this Article have not been followed may file a grievance under the provisions of Article 8 (GRIEVANCE PROCEDURE).

6.7: Change in Activities: If, after receiving approval for a Sabbatical or Faculty Improvement Leave, there is a significant change in the activities undertaken by the faculty member (e.g., changes in project site, topic, or mentor), the faculty member must submit a revised application to the provost within fifteen (15) days of any such change. Similarly, the University may require the faculty member to submit a revised application within fifteen (15) days of receipt of notice from the University if there is a significant change in the activities undertaken by the faculty member. The revised application will be forwarded by the provost to the Sabbatical/Faculty Improvement Committee which originally reviewed the

application. The Sabbatical/Faculty Improvement Committee shall make a recommendation to the provost to either continue the leave based on the revised application or to terminate the leave at the end of the academic term in which the revised application is received by the Committee. The provost shall promptly notify the faculty member of his/her decision.

6.8: Report: Within sixty (60) days of the beginning of the term following completion of the leave, the faculty member shall submit to his/her chairperson a report detailing his/her professional activities during the leave and addressing the criteria proposed in the application. The chairperson shall review the report and forward it to the dean, who shall forward it to the provost. The report shall be inserted into the faculty member's personnel file. Within one year after completion of the leave, the faculty member will also share a report of his/her professional activities during the leave with his/her colleagues in the department and/or the college.

6.9: Disposition of Application: The Sabbatical/Faculty Improvement Leave Application form, and all appended materials, shall be placed in the applicant's official personnel file at the completion of the proceedings established by this Article.

ARTICLE 7 LEAVES

7.1: General: In addition to Sabbaticals and Faculty Improvement Leaves provided by Article 6 of this Agreement, under the provisions of this Article faculty members may be granted sick leave, family medical leave, leave for extended illness or disability, legal leave, professional leave, military leave, leave without pay, exchange professor leave, political leave, child care leave, or association leave. When a faculty member learns that he/she must take sick leave, he/she shall notify the department chairperson as soon as possible. When a faculty member decides to apply for another type of leave, the application shall be submitted within the scheduled deadlines established by this Agreement.

7.2: Sick Leave: Sick leave is the authorized absence of an employee with pay because of personal illness, pregnancy, injury, exposure to contagious disease which could be communicated to other employees and, because of illness, injury, or death among members of the employee's immediate family (O.R.C. 124; and IRS regulations) and/or domestic partner. A domestic partner is defined as a person who, according to the employee's affidavit, has shared a committed, on-going domestic relationship with the employee for not less than the continuous preceding twelve (12) months. The University shall provide an appropriate form for, and shall maintain records of, said affidavit. A biological father is entitled to use five (5) days of sick leave upon the birth of his child. A full-time faculty member may use up to three days of sick leave each fiscal year for personal exigencies not directly related to illness.

7.3: Sick Leave Accumulation and Use: Each full-time member earns fifteen (15) days of sick leave per year, at the rate of 1.67 days for each month of the academic year. Sick leave is cumulative without limit. The Administration shall furnish each faculty member with a report of his/her accumulated sick leave days each Fall Term. When using sick leave days, the faculty member will promptly notify his/her department chairperson and, whenever possible, advise of the estimated duration of absence. Additional provisions regarding the use of sick leave are described below:

- (a) Sick leave may be used during any period of time in which the employee is under contract to perform services for the University. Bargaining unit members shall report all uses of sick leave on the APPLICATION FOR SICK LEAVE form in accord with the directions for use attached thereto. The form must be submitted within three (3) working days following the individual's return to work.
- (b) A continuous period of sick leave commences with the first day of absence and includes all subsequent days until the employee returns to work. Saturdays and Sundays (if the employee is not scheduled to perform services), and official holidays established and/or observed by the University shall not be counted. During any seven day period, the maximum number of days of sick leave charged against any employee shall be five.
- (c) All unused sick leave accumulated prior to the date of this Agreement shall be available for use by the employee pursuant to state law.

7.4: Family Medical Leave: An eligible bargaining unit member who has exhausted accrued sick leave may take Family Medical Leave without pay for up to twelve (12) weeks in any twelve (12) month period to care for self or for an immediate family member or domestic partner (as defined in Section 7.2 of this Agreement), or other person approved by the Administration, who has a serious health condition. This twelve month period will be rolling, counting backward from the time the leave begins. Any FMLA-qualifying leave will be counted against the faculty member's annual FMLA entitlement.

- (a) A bargaining unit member on this type of leave shall receive all group insurance benefits identical to the benefits provided to all full-time faculty.
- (b) A bargaining unit member on this type of leave, with the approval of the Administration, may take a reduced teaching load.

7.5: Leave for Extended Illness or Disability: Upon exhaustion of paid leave, leave of absence without pay for illness or physical disability shall be granted in accordance with the provisions of the O.R.C. and S.T.R.S. for periods of up to five (5) years. For tenured faculty, this leave is mandatory; for non-tenured faculty, this leave is discretionary. A tenured bargaining unit member whose absence due to illness or injury exceeds his/her accrued sick leave may be granted Medical Leave Without Pay for up to six (6) months. If the University has medical evidence from its physician and/or the bargaining unit member's physician which indicates that the bargaining unit member is expected to be able to substantially and materially perform his/her duties by a specified date that is no later than one year from the last day on the job, a request for an extension of Medical Leave Without Pay will be considered. While on this type of leave, all group insurance coverage will be provided by the University at no cost to the bargaining unit member.

7.6: Legal Leave: Full-time faculty may be granted court duty leave with pay and shall be granted jury duty leave with pay for such purposes. Evidence in the form of a subpoena or other written notification shall be presented to the faculty member's department chairperson as far in advance as possible. All compensation received from court during such leave exceeding \$15 per diem shall be deposited with the Youngstown State University Bursar's office. Legal leave with pay is not allowed for situations in which the faculty member is appearing as a witness for remuneration.

7.7: Professional Leave: Professional leave is leave with pay to attend professional meetings, conferences, and seminars. The parties recognize, however, that the faculty member's first responsibility is in the classroom. Any such absence requires that suitable arrangements, such as outside readings, research papers, or individual study, be made by the faculty member so that studies may continue during the period of absence. If the faculty member and the department chairperson agree that a substitute should be assigned to the classroom for the period of the instructor's absence, the chairperson shall identify and assign a substitute, in accordance with Article 4 (SALARIES, SALARY INCREMENTS, AND RATES OF PAY) and Article 13 (WORKLOAD ACTIVITIES). Requests for professional leave must be approved by the chairperson prior to the faculty member going on professional leave.

7.8: Short-Term Military Leave: When a faculty member must fulfill temporary military duty with the armed forces of the United States or with a national guard unit, and this occurs during periods in which the faculty member is under contract to perform services for the University, the Administration shall grant leave to the individual for this purpose. All benefits shall be continued, including pay, subject to provision of the insurance policies and restrictions of law, if any. Such leave shall not exceed thirty-one (31) days. Nine-month faculty teaching summer term will receive pay under this clause only in case of emergency call-up.

7.9: Long-Term Military Leave: A long-term military leave of absence without pay will be granted to any faculty member in the event of call-up or

involuntary induction into the armed forces of the United States or a national guard unit for extended duty (i.e., more than thirty-one (31) days). All benefits shall be continued, including pay, for the first 31 days of Long-Term Military Leave, subject to provision of the insurance policies and any applicable laws, including O.R.C. 5923. Pay and compensation for periods exceeding 31 days shall be governed by O.R.C. 5923. Upon return from such leave the faculty member shall be placed at the same position on the salary schedule that he/she would have held had the individual taught at the University during such period. If it is possible, the individual will notify the Administration at least ninety (90) days prior to returning. Any voluntary extensions or re-enlistments shall terminate the employee's rights under this section.

7.10: Leave Without Pay: Leave without pay may be granted when the faculty member and the Administration agree that the leave will enhance the faculty member's value to the University, and when the Administration can make temporary arrangements to cover the assignments ordinarily performed by the individual. Leave without pay may extend from a few days to a full academic year. Leave without pay may be renewed for an additional year(s), provided the total period of absence from campus does not exceed three (3) years. In situations where the nature of proposed leave activities necessitates a period of absence longer than one (1) year, the faculty member may request a leave without pay of two (2) or three (3) complete academic years; the leave request must address, however, the necessity of the period for which leave without pay is requested. The faculty member granted leave without pay shall receive the pay increments specified in Article 4 (SALARIES) as if he/she were at YSU. Included in the three (3)-year limitation shall be any other leaves which the faculty member takes immediately preceding or succeeding a leave without pay. Applications for leave without pay shall be made no later than March 1 prior to the academic year of proposed leave. Short-term or emergency leaves without pay may be exempted from this requirement.

7.11: Exchange Professors Leave: A faculty member may be granted leave to teach at another accredited institution of higher education while a faculty member from that institution teaches at YSU. This leave shall be limited to a maximum of one (1) academic year and it shall not be available for the summer. The YSU faculty member's full salary, fringes, STRS contributions, and all other rights and privileges shall remain in effect during the leave as though the individual were at YSU. The other faculty member's institution shall bear sole responsibility for his/her salary, fringes, and other rights and privileges. The YSU faculty member's application shall provide information on the other exchange professor and the proposed duties of both the YSU faculty member and the other faculty member during the year of leave. Each individual shall be prepared to teach a full load at the host institution. This leave requires the approval of the Administrations of both institutions. Persons on such leave shall be referred to as "Exchange Professors" at the host institution. The Exchange Professor at YSU shall not have the shared rights specified in Article 9 (THE ACADEMIC ENVIRONMENT). Relocation costs shall be the responsibility of the Exchange Professors.

7.12: Political Leave: A faculty member who is elected or appointed to a full-time political office may be granted leave without pay for the duration of his/her term of office; this leave shall not exceed four (4) years.

7.13: Child Care Leave:

(a) *Biological Mother:* Once a faculty member is certified by her physician to be medically capable of resuming her normal duties, she will be entitled to leave without pay for the remainder of the current academic term (including Summer Term) and the following academic term (including Summer Term) for the purpose of child care.

(b) *Biological Father:* In addition to the sick leave provisions in Article 7.2, a male faculty member, upon the birth of his child, is entitled to leave without pay for the remainder of the current term (including Summer Term) and the following term (including Summer Term) for the purpose of child care.

(c) *Adoptive and Foster Parents:* A faculty member is entitled, upon the adoption of a child or arrival of a foster child, to leave without pay for the remainder of the current academic term (including Summer Term) and the following academic term (including Summer Term) for the purpose of child care.

(d) Application shall be made in writing to the department chairperson and to the Executive Director of Human Resources not later than thirty (30) days prior to the effective date for such leave, and such request shall state the anticipated duration of the leave. In the case of child care leave for pregnancy, the request shall be accompanied by a statement from the attending physician giving the expected date of delivery.

(e) During the period of child care leave, the faculty member will be deemed to be temporarily relieved of duties in teaching, scholarship, and University service.

(f) During the period of child care leave, all seniority-based units of progress or measurement (e.g., progress toward tenure, years in rank, service before or after Sabbatical or FIL, nominal rate of pay) will continue to accrue uninterrupted for one (1) year. All insurance benefits shall be maintained for the duration of child care leave.

7.14: Association Leave: Association leave is leave with pay to attend the conventions of the NEA or OEA. Association leave shall be limited to five (5) days for any bargaining unit employee in an academic year and an aggregate of twenty (20) days per academic year for the bargaining unit as a whole. A minimum of

fourteen (14) days written notice shall be provided to the University prior to taking such leave. Leave is not required and will not be charged when the faculty member is absent on a day when he/she has no scheduled responsibilities (e.g., teaching, office hours, or committee meetings). Any such absence requires that suitable arrangements, such as outside readings, research papers, or individual study, be made by the faculty member, with the approval of the chairperson, so that studies may continue during the period of absence. If the faculty member and the department chairperson agree that a substitute should be assigned to the classroom for the period of the instructor's absence, the chairperson shall identify and assign a substitute, in accordance with Article 4 (SALARIES, SALARY INCREMENTS, AND RATES OF PAY) and Article 13 (WORKLOAD ACTIVITIES); provided the Association shall bear the cost, if any, for such substitute.

7.15: Emergency Sick Leave Reserve: The Administration and the Association support the continued operation of an Emergency Sick Leave Reserve (ESLR) for bargaining unit members, academic department chairpersons, and others as appropriate. The purpose of the ESLR is to provide additional days of paid sick leave for members who have exhausted their paid sick leave balances. Participation shall be voluntary.

Eligible employees may elect to enroll in the ESLR during October of each year, or within one month after becoming eligible for ESLR membership, by donating one (1) day of their accumulated sick leave. The donated day is not returnable.

The ESLR shall be administered by a committee of three ESLR members appointed annually for the academic year: the president of the Association or his/her designee, the Director of Faculty Relations or his/her designee, and a third member selected by the first two members. Operational procedures, membership requirements, and application forms shall be available through the office of Human Resources.

ARTICLE 8 GRIEVANCE PROCEDURE

8.1: Purpose: The purpose of this Article is to set forth a prompt and equitable method for resolving disputes between the parties during the term of this Agreement. Under this Article, the Association, and/or a member(s) of the bargaining unit may file a grievance¹ in which he/she claims that a provision of this Agreement has been violated.² Nothing in this Article is intended to discourage or prohibit informal discussion of a dispute prior to the filing of a formal grievance.

¹Grievances shall be processed on the forms which appear in Appendix C. The Executive Director of Human Resources shall be responsible for the distribution of grievance dispositions by United States Mail.

²The procedure of this Article may also be used by bargaining unit members to complain about matters not covered in this Agreement. For instance, an individual may wish to allege a departure from established University practice or a violation of established University policy (including University policy on sexual harassment and affirmative action). Such "complaints" shall not proceed beyond Step 3 as described herein.

8.2: Initiation and Time Limits: A grievance shall be filed at the administrative level most appropriate to render an authoritative decision. The grievance process shall be initiated no later than sixty (60) days after the grievant discovers or reasonably should have discovered the grievable matter. (All references to "days" in this Article refer to calendar days.) The time limits specified herein shall prevail unless extended by mutual agreement of the Administration, the Association, and the grievant. Grievances must be processed expeditiously by both parties; failure to do so shall be in violation of Article 1.2. If the grievant fails to appeal a disposition of a grievance within the time limit prescribed, the grievance shall be considered as resolved on the basis of the last disposition by the Administration representative. If a grievance disposition is not rendered within the prescribed time limits, the grievance shall be advanced to the next step. Dispositions rendered between the end of Spring Term and the beginning of Fall Term will be sent to the grievant's home address as it appears on the grievance form, as well as to his/her campus address.

8.3: Director of Faculty Relations (DFR) and Grievance Process: Prior to filing a grievance, the grievant shall meet with the DFR or his/her designee and if so desired, with a representative of the Association in order to attempt to resolve the dispute. Notification of the DFR shall be by letter from the grievant, and shall constitute initiation of the grievance process indicated in Article 8.2. The DFR will promptly forward a copy of the notification to the chairperson of the YSU-OEA Grievance Committee. If the matter is not resolved within 30 days of notification of the DFR, a formal grievance may be filed within 10 days, in which case the Administration shall assign it a grievance number without prejudging the merits of the dispute. The DFR shall participate in all steps of the grievance process. Hearings on grievances will be attended by the grievant and appropriate representatives of the Administration and the Association, including witnesses. Each party shall furnish the other, upon written request, information relevant to a grievance in accordance with the provisions of Article 21.5. Copies of all grievance forms, grievance disposition forms, and grievance disposition reaction forms shall be made available to the grievant and appropriate representatives of the Administration and the Association. Copies of all these documents shall be sent promptly to the chairperson of the Association Grievance Committee. An individual shall have the right at any time to present a grievance to the Administration, and to have such a grievance adjusted, without the intervention of the Association or Association representative, as long as the adjustment is consistent with the terms of the Agreement; and, provided further, that the Association has been given the opportunity to have representatives present at such hearings and adjustments. Grievances shall be processed as described below unless the Administration and the Association mutually agree in writing to alter the procedure.

8.4: Step 1: Department Chairperson: Within forty (40) days of notification of the DFR of a potential grievance (see Article 8.3), the individual shall submit a completed Faculty Grievance Form to the department chairperson with copies to the Association and the Administration. Within fifteen (15) days after the receipt of the

grievance form, the chairperson or the chairperson's designee shall hold a hearing on the grievance at a time which is mutually convenient to the parties. The chairperson will attempt to determine the facts pertaining to the grievance, and notify the grievant on a Grievance Disposition Form of his/her decision within ten (10) days after the hearing. Within ten (10) days after the receipt of the disposition by the chairperson, the grievant may appeal the disposition by completing and distributing a Grievance Disposition Reaction Form.

8.5: Step 2: Dean: If the dean receives an appeal from Step 1 or in cases where the grievance originates at the dean's level, the dean or the dean's designee will hold a hearing within fifteen (15) days after the receipt of the appeal at a time which is mutually convenient to the parties. The dean shall file a disposition with the grievant within ten (10) days after the hearing. Within ten (10) days after the receipt of the disposition by the dean, the grievant may appeal the disposition by completing and distributing a Grievance Disposition Reaction Form.

8.6: Step 3: Provost: Within fifteen (15) days after the receipt of an appeal or an original grievance, the provost or the provost's designee shall hold a hearing on the grievance at a time which is mutually convenient to the parties. Within ten (10) days after the hearing, the provost shall notify the grievant of his/her decision by transmitting a Grievance Disposition Form to the grievant. Within ten (10) days after the receipt of the disposition, the grievant may appeal to arbitration. The grievant will indicate his/her intention to appeal by completing and distributing a Grievance Disposition Reaction Form. Within 21 days after the receipt of the appeal to arbitration, the Association will notify the Administration whether it supports the appeal. In matters involving Termination for Cause, Association support for an appeal to arbitration shall not be required.

8.7: Expedited Processing: If the Association and the DFR or his/her designee mutually agree in writing that a grievance cannot be resolved at a particular step or steps, the grievance may proceed directly to the next step or to arbitration as governed by Article 8.8.

8.8: Step 4: Arbitration: Within ten (10) days after giving written notice that it supports the appeal to arbitration, representatives of the Administration and the Association will meet and jointly send a written request to the Federal Mediation and Conciliation Service (FMCS) for a panel of seven (7) arbitrators from within a 300-mile radius of Youngstown, Ohio. If the parties are unable to agree upon which of those seven nominees shall serve as an arbitrator, then the arbitrator will be chosen by each party alternately striking names, beginning with the moving party, and the name remaining shall be the arbitrator. Either party shall have the option to completely reject any panel of arbitrators provided by the FMCS and request another list. The hearing shall be conducted in accordance with the rules and regulations of the FMCS. The arbitrator shall have no power to add to, subtract from, or modify any of the terms of this Agreement. In grievances related to a recommendation of non-renewal as defined in Article 10b.1 of non-tenured faculty, the arbitrator may not award tenure and the sole remedy an arbitrator may award

shall be to direct that procedural errors be corrected. However, if the arbitrator confirms that notice of non-renewal was not given the individual on or before December 15 of the final year of service for a faculty member who has served at least two (2) complete years at YSU, the Arbitrator may direct that the faculty member be given a one (1) year renewal of his/her appointment. The arbitrator's decision shall be binding upon the Administration, the Association, and the grievant. The arbitrator shall render a decision within thirty (30) days after the arbitration hearing. The fees and expenses of arbitration shall be borne equally by the Administration and the Association, except that costs related to the appearance of witnesses shall be paid by the party which calls the witnesses. The fees and expenses shall include:

- (1) the cost of a court reporter, including transcription of the arbitration hearing only if requested by the arbitrator;
- (2) the fees and expenses of the arbitrator; and,
- (3) rental charges and other incidental expenses, if any.

If a court reporter is requested by either party, the court reporter's attendance fee will be borne by the requesting party. If both parties receive a copy of the transcript, all transcription costs will be borne equally; otherwise, transcription costs, if any, will be borne by the party that requests the reporter.

8.9: Arbitrability: If there is a doubt as to the arbitrability of the grievance, the parties shall request the arbitrator to rule on the arbitrability of the grievance. If the arbitrator rules that the grievance is arbitrable, he/she shall then proceed to conduct a hearing on the merits of this grievance. The following shall not be arbitrable: complaints, decisions on the merits of a faculty member for promotion in rank, decisions on the merits of an application for a Sabbatical or Faculty Improvement Leave, decisions on the merits of the non-renewal of non-tenured faculty, and matters not involving the meaning or application of this Agreement.

8.10: Other Cases: The procedures of this Article shall be available to settle questions raised by the Administration or the Association concerning the meaning or application of the terms of this Agreement. If such questions arise, the Administration or the Association may file a statement thereof with the other party with appeal to arbitration according to the time limits and other restrictions specified in this Article.

ARTICLE 9 THE ACADEMIC ENVIRONMENT

9.1: Introduction: The intent of Article 9 is to promote academic governance which creates an atmosphere of mutual trust and respect in order to achieve common goals of the academic community.

2: Dean's Advisory Council: Each college shall establish a Dean's Advisory Council, to be chaired by the dean of the College. Each DAC shall determine its specific structure and procedures, providing that all departments are represented, and that agendas and minutes are distributed to all DAC members with one additional copy to each department. This structure and set of procedures shall be reviewed each Spring Semester and any changes adopted shall be implemented at the beginning of the following academic year and shall be reviewed and revised annually as necessary.

Each Council shall act in an advisory capacity to the respective dean, and shall take part in the development and review of the College's policies including, but not limited to, budget development, long range planning, policy and procedures for course cancellation, distribution of other ancillary college funding pertaining to departments, the College's Guidelines for Promotion, the Departmental "statement of normally expected activities and expectations for progress toward promotion and tenure," and other matters of concern to the College as a whole.

3: Academic Department: An academic department is a budgetary unit of the University which provides instruction for academic credit. All department policies and practices shall be consistent with the terms of this Agreement and other university-wide policies and practices.

3a: Department Governance: Certain matters are the prerogative of the academic department, and in these matters the department chairperson and full-time faculty share responsibilities. Because people support what they help to build, each department shall develop a governance document which describes its participatory decision making policies and procedures for these shared responsibilities. The governance document shall be reviewed and reaffirmed or revised annually by the department and submitted to the Dean for review and approval. The department shall be administered by the chairperson within the framework of the governance document. Shared rights and responsibilities include:

- (1) departmental curricular matters such as curriculum revision, requirements for major and minor and program development.
- (2) rotational system for summer teaching.
- (3) departmental travel funds expenditure policy.
- (4) development and evaluation of the academic goals.
- (5) those collegial rights delineated in Article 12.
- (6) recommendations on library acquisitions.

- (7) department budget requests.
- (8) recruitment and recommendations to the dean of appointments to the full-time faculty.
- (9) credential review, performance evaluation, and recommendation of both part-time faculty and faculty applying for ETS.
- (10) assignment of faculty to offices.
- (11) advising of departmental majors.
- (12) mentoring of faculty development, review, and modification of departmental workload policies.

9.3b: Administrative Rights and Responsibilities: These matters are the prerogative of the Administration:

- (1) faculty teaching loads and schedules, subject to the provisions of Article 13 of this Agreement.
- (2) supervision of department office.
- (3) establishment of deadlines for all matters essential to an efficient functioning of the University.
- (4) college-wide review of departmental policies to ascertain compliance with university and state guidelines.
- (5) all matters not referred to in 9.3a above.

9.3c: Extra-Departmental Curriculum Issues: University-wide undergraduate curricular matters are the prerogative of the Academic Senate. Graduate-level curricular matters are the prerogative of the graduate faculty. College-wide curricular matters are the prerogative of the college faculty.

9.4: Department Meetings: Meetings of the department shall be held no less than once per term during the academic year. Special department meetings may be called by the department chairperson and must be called upon the request of one-fourth (1/4) or more of the full-time faculty members in the department. In matters exclusively affecting graduate programs, voting shall be restricted to members of the graduate faculty. Through department meetings and memoranda, the department chairperson shall attempt to keep the department faculty informed of University developments which are relevant to the department.

9.5: The Department Chairperson: The parties recognize that the department chairperson is an administrator charged with managerial and supervisory duties, and

that as department chairperson he/she reports to the dean and serves at all times at the pleasure of the president of the University. The parties further recognize that the chairperson retains earned academic rank and tenure status, and has responsibilities for teaching, scholarship, and University service. For purposes of this Article, the Director of The Dana School of Music is considered a chairperson; the Director of Black Studies is not considered a chairperson. The department chairperson shall post office hours and be available for consultation with his/her colleagues on departmental matters.

9.6: Term of Office: The department chairperson may serve for five (5) complete academic years following his/her appointment as chairperson. Between January 1 and March 31 of the chairperson's fifth complete year of service as chairperson, the dean shall consult with the faculty of the department to identify a candidate for the chairpersonship, to be recommended to the provost and the president of the University, as provided for by Article 9.7 of this Agreement. When an individual leaves the post of chairpersonship, whether during or at the conclusion of the term of office specified in 9.8, the individual shall revert to faculty status without prejudice. Should an acting chairperson be elected chairperson during an academic year, no portion of that year shall be counted as part of the five year term. Should the president of the University find both the first and second nominees for the chairperson unacceptable, the president shall not appoint the incumbent chairperson or a former chairperson to the post of chairperson unless the individual has been recommended by the faculty of the department.

9.7: Selection of the Department Chairperson: In the fifth year of a chairperson's term, as provided above, or when a vacancy occurs in the position of chairperson, the following procedure shall apply.

The dean shall convene a department meeting to determine criteria and procedures to designate a chairperson. An individual designated by the president of the Association shall attend this meeting as an observer. The dean shall inform the president of the Association of the meeting at least one (1) week in advance. Such criteria and procedures shall be acceptable both to the dean and the department faculty and shall provide for one (1) nominee. The individual nominated by the faculty shall be a current member of the full-time faculty or the incumbent chairperson of the department unless the faculty members in the department and the dean mutually agree to open the selection process to candidates from outside the department and there is a vacant position budgeted in the department. Every full-time department faculty member shall have a vote in the selection of the nominee, including persons on leave. Votes shall consist of secret, written ballots. However, a faculty member holding a temporary appointment shall not be entitled to vote for a chairperson whose term begins after the expiration of that faculty member's contract. The incumbent chairperson shall vote in this procedure and may be a nominee. The bargaining unit members of the department shall determine which other members of the department beyond those identified in Article 2.5, if any, shall be eligible to vote for election of the chairperson.

The nominee so selected and designated shall be presented by the dean to the provost of the University who shall forward his or her recommendation to the president of the University. If the nominee is acceptable to the president, he or she shall proceed to appoint the nominee. If the nominee is not acceptable, the president shall meet with the department faculty as a whole to review the reasons for his/her conclusions. If such discussions do not yield an agreement to appoint the nominee, the department faculty shall select another nominee in accordance with the foregoing procedure. If the second nominee is not acceptable to the president, the president shall appoint the department chairperson of his/her choice.

9.8: Requests for New Elections for Chairperson: If 75 percent of the full-time faculty in an academic department petition the dean in writing for a new chairperson election, a committee of three individuals, two appointed by the provost and one appointed by the president of the Association, shall be appointed to review the basis for the petition and to make appropriate recommendations to the provost.

9.9: Acting Chairperson: If the post of department chairperson is vacant (or if the chairperson is on extended leave) and must be filled temporarily while the selection process described above proceeds, the president shall designate an acting department chairperson upon consultation with the full-time faculty. If a reorganization results in the splitting or merging of departments in which the composition of the department changes by more than 20 percent, the departments thus formed shall be declared to have a chairperson vacancy. The acting chairperson procedure shall be followed in such instances. Normally an acting chairperson shall serve no longer than twelve months.

9.10: Departmental Travel Fund: Each year, the University shall budget to each Academic Department a Departmental Travel Fund. The amount budgeted shall be as follows:

For the 2002-2003 academic year: \$500 times the number of full-time faculty in the department

For the 2003-2004 academic year: \$550 times the number of full-time faculty in the department

For the 2004-2005 academic year: \$600 times the number of full-time faculty in the department

The Departmental Travel Fund shall be subject to the normal University standards for allowability and shall be utilized to provide for professional travel which is primarily in the interest of the University.

FACULTY EMPLOYMENT SECURITY

ARTICLE 10a
TENURE

10a.1: Tenure: Tenure at Youngstown State University is the right of those holding earned rank³ to continue employment following successful completion of a specified probationary period. The University shall provide written notice to the faculty member that tenure has been granted. Tenure is acquired by full-time teaching faculty members at Youngstown State University with the fifth, sixth, or seventh annual appointment as a full-time teaching faculty member if such annual appointment in a given academic department is at the rank of Professor, Associate Professor, or Assistant Professor, and if such annual appointment follows a tenure review process (described in Section 10a.3) which resulted in a conferral of tenure. The faculty member is responsible for deciding the year in which the tenure review is to occur, and for notifying the Executive Director of Human Resources of the desired year. An applicant for tenure shall submit the application form to the office of the Executive Director of Human Resources by September 15.

If a faculty member has not applied for a tenure review by September 15 of the sixth year of faculty employment, the review shall take place during the faculty member's sixth year of faculty employment. A faculty member shall receive no more than one tenure review. In no case shall tenure for a faculty member be granted or assumed without a tenure review.

10a.2: Instructors Promoted to Assistant Professor: Tenure may not be acquired at the rank of Instructor.

(i) For faculty hired on or before September 15, 1996: An Instructor who is promoted or reclassified to Assistant Professor and who is in at least the fourth year of full-time faculty employment shall request a tenure review no later than the Fall of the third academic year following the academic year in which the notification of promotion or reclassification is received.

(ii) For faculty hired after September 15, 1996: Faculty employment years toward tenure begin to accrue upon promotion or reclassification to Assistant Professor. However, prior to the signing of the first Assistant Professor contract, the faculty member may negotiate years of previous full-time faculty employment toward tenure (see Articles 10a.4 and 12.4A).

³Earned rank at YSU refers to the title ☐ Instructor, Assistant Professor, Associate Professor, Professor ☐ and is granted only to a person whose qualifications (based in large part upon education, training, and experience) suitably match those established for a particular teaching position in an academic department (i.e., departments offering instruction for academic credit). Rank is granted at the time of initial employment, and any changes in rank are made through procedures stated in this Agreement.

10a.3: Tenure Review Process: A departmental recommendation on whether to grant tenure to a faculty member shall be preceded by a review of the candidate's past contributions and an evaluation of the candidate's promise of satisfactory future contributions to the University. This review shall take place during Fall term, except as specified in Section 10a.2(i). In general, the University will provide the tenure appointment only to those who are judged to have given consistent evidence of quality performance and promise during the probationary period. The review shall be initiated by the department chairperson, who shall consult with the tenured members of the department faculty and, if applicable, with the chairperson(s) of the academic department(s) in which the faculty member is cross-appointed. If the department has fewer than three (3) tenured faculty members to serve as a tenure review committee, the faculty in consultation with the dean and the tenure candidate shall identify another department or departments in a related discipline to supply the necessary tenured faculty members to serve as a review committee. The chairperson may consult other appropriate tenured faculty members. The chairperson's consultation shall include a meeting of the tenured faculty specified above, at which the tenure candidate shall be given the opportunity to appear, to present information, and to answer questions regarding his/her tenure candidacy. The chairperson's consultation shall also include requests for written recommendations from departmental tenured faculty: a) supporting tenure, b) opposing tenure, or c) abstaining or declining to respond. As a part of his/her recommendation, the chairperson shall inform the dean of the number of faculty making each recommendation. The tenure candidate shall also be informed of the number of persons making each recommendation. The department chairperson shall make a separate recommendation on the candidate to be forwarded to the dean of the college which, together with the separate recommendations of the dean, shall be forwarded to the provost. The provost shall transmit his/her recommendation, and those of the dean, the chairperson, and the department tenured faculty to the president of the University. The president shall then either confer tenure upon the individual or take action in accordance with the provisions of Article 10b.4 or 10b.5 (NON-REAPPOINTMENT OF NON-TENURED FACULTY).

10a.4: Years of Service: One (1) year of service consists of two (2) semesters of full-time employment during an academic year. Employment under summer school contracts may not be included. For faculty hired after September 15, 1996, employment under temporary contract(s) shall not be included. No year during which the individual is on leave without pay or sick leave for one (1) term or more may count as a year of service with the exception of Article 7.13(f); not may fractional years be added to make a full year. However, a service year prior to a year that does not count is not invalidated because such a year intervenes. A year counted as a year of service may be rendered under a full-time appointment at any earned rank, excluding that of Instructor. A faculty member who applies for and receives a tenure-track position may, at the time of appointment, negotiate previous full-time faculty employment at the University toward years of service toward tenure.

10a.5: Early Tenure Review: The tenure review period may be initiated prior to the timelines set forth in 10a.1 if the shortened period of review is agreed upon in the transmittal letter of initial appointment. In no case shall the probationary period be less than two years.

ARTICLE 10b NON-REAPPOINTMENT OF NON-TENURED FACULTY

10b.1: Notice: A full-time faculty member other than those on temporary contract who has completed less than two (2) academic years at the University, and who is not to be recommended for reappointment, must receive written notice of that intention, from the department chairperson or other appropriate administrative officer, not later than February 15 of the academic year in which the recommendation is to be made. A full-time faculty member who has completed two (2) or more academic years at the University, and who is not to be recommended for reappointment, must receive written notice of that intention, from the department chairperson or other appropriate administrative officer, not later than December 15 of the academic year in which the recommendation is to be made. A full-time faculty member on temporary or term contract is to receive written notice of non-reappointment from the Office of Human Resources, not later than March 1 of the academic year in which the recommendation is made.

10b.2: Counseling: Each non-tenured member will be counseled by his/her chairperson and/or dean at least annually on his/her performance, as provided for by Article 11 (FACULTY/EVALUATION).

10b.3: Meeting: Prior to the written notification of intention not to recommend reappointment, the chairperson or other appropriate administrative officer may meet with the faculty member to discuss the intention and the reasons. The faculty member may attend this meeting with a faculty witness of his/her choice and/or the president of the Association or his/her designee.

10b.4: Appeal: If a faculty member wishes to appeal the recommendation of the chairperson or other appropriate administrative officer, he/she may appeal to the dean, the provost, and/or the president of the University. Such appeals must be initiated within thirty (30) calendar days of written notification of intent not to recommend reappointment. The administrator to whom the non-reappointment recommendation has been made may reverse that recommendation. For those cases in which the recommendation of non-reappointment results from a tenure review, as provided for in Article 10a of this Agreement, the faculty member may appeal to the dean and/or the provost, but only the president may reverse the chairperson's recommendation. If the faculty member has completed at least two full academic years of service, he/she may request that a review committee be formed for the appeal. Upon receipt of such a request by an individual with at least two (2) full academic years of service, a three-member review committee shall be formed, comprised of one administrative representative appointed by the president of the

University, one faculty member appointed by the president of the Association, and a third member selected by the two appointees. Committee members shall not be from the appellant's academic department. The committee shall be formed no later than January 31. The committee shall meet with the appellant, appropriate representatives of the Association and any other persons deemed appropriate and shall submit a recommendation to the president of the University, with copies to the appellant and the president of the Association no later than February 28. The president shall notify the appellant and the Association of his/her final decision within fourteen (14) days after the receipt of the committee's recommendation. The president's decision shall be final and binding on the University, the Association, and the appellant. However, an individual who has been advised of the non-renewal of his/her appointment and believes the procedures of this article have been violated, may file a grievance under the provisions of Article 8.

10b.5: Final Notice and Reasons: If all appeals fail, the formal notice of non-reappointment, in writing, must be sent to the faculty member by March 31 of the year in which he/she is terminated. A written statement of reasons for non-reappointment will be forwarded to a faculty member upon written request submitted to the president of the University on or before April 15 of the terminal year providing the faculty member has completed two (2) full academic years as a member of the full-time faculty at the University.

ARTICLE 10c TERMINATION FOR CAUSE

10c.1: General: The appointment of a faculty member, tenured or not, may be terminated at any time for just cause. Just cause shall include, but is not limited to:

- (a) Failure to correct serious, substantive, and persistent deficiencies in teaching, scholarship, or service; or
- (b) Gross negligence in teaching, scholarship, and service; or
- (c) Conviction of a felony providing legal appeals have been exhausted.

10c.2: Initial Notification and Procedures: If the Administration believes that just cause as specified in 10c.1 above exists, the appropriate administrator shall specify the charges in writing and discuss the matter with the faculty member in a personal conference specifically called in writing for that purpose. The faculty member may bring to this meeting a witness of his/her choice and/or the president of the Association or his/her designee. The matter may be settled by mutual consent at this point. If an understanding is not reached at such meeting, the provost shall furnish the faculty member with a written notice of the Administration's intention to terminate his/her contract, with a full statement of the reasons for such termination, with a copy to the Association. The Administration shall not proceed with formal

action to terminate the contract until thirty (30) days after receipt of such notice by the faculty member. Within these thirty (30) days, the faculty member may appeal the matter to binding arbitration as provided for in Article 8 (GRIEVANCE PROCEDURE). Failure to grieve will settle the matter and allow for termination.

10c.3: Continuation of Services: The Administration may suspend a faculty member pending final action to terminate his/her contract if, in the Administration's judgment, the character of the charges warrants such action. A tenured faculty member whose contract is to be terminated shall receive one (1) year's notice of intent from the Administration; however, the Administration may decide whether or not he/she is continued in his/her regular duties during all or any part of that additional year.

10c.4: Effective Date: For tenured faculty, the effective date of contract termination shall be the end of the contract year subsequent to the year of the provost's notice to the individual referred to in 10c.2 is given. For non-tenured faculty, the effective date of contract termination shall be the end of the contract year of the provost's notice to the individual. However, once appeals as described in this Agreement are exhausted, the Administration may decide whether an individual shall continue to perform his/her regular duties prior to the effective date of the contract termination. If the Administration rules that the faculty member shall not be permitted to perform his/her regular duties, he/she shall be remunerated at the contract rate until effective date of contract termination, with the exception that the Administration may elect to discontinue remuneration of the faculty member in the event of his/her conviction of a felony offense.

ARTICLE 10d

RETRENCHMENT OF FACULTY

10d.1: Procedure: Each Fall term, as soon as 14th day enrollment reports are available, the Administration will review overall staffing needs. If it determines that retrenchment is indicated, it shall prepare a preliminary report reflecting its views on the departments where, in its judgment, retrenchment should occur. The Administration shall consult the Association regarding the matter before distribution of the preliminary report. The determination shall include the following considerations:

- (a) consistently declining student credit hour production;
- (b) academically sound student/faculty ratios;
- (c) the state of the development of the department;
- (d) the balance between academic and non-academic personnel;
- (e) possibilities of enrollment trend reversals;

- (f) the necessity of some disciplines and programs to be other than self-supporting;

- (g) normal attrition; and,

- (h) other pertinent factors.

This preliminary report shall be submitted to the respective departments for review. If the department staff objects to the preliminary report as it affects the department, such objections and the reasons therefor shall be submitted to a Joint Committee which shall consist of the provost as chairperson, four (4) individuals selected by the Administration and four (4) representatives of the Association. The Joint Committee shall review the objection of each such department and will make its recommendations to the president of the University.

10d.2: Guidelines: The guidelines which shall be applied under the retrenchment conditions are as follows in 10d.3-10d.10.

10d.3: Full-time faculty already employed by the University, except in special and unusual circumstances, have a priority of employment in their given subject matter area over part-time faculty. Tenured faculty have a priority over non-tenured faculty.

10d.4: The possibilities of early retirement should be thoroughly explored before consideration is given to other means of personnel reduction. However, no faculty member will have early retirement forced upon him/her because of retrenchment.

10d.5: Any position that is vacant, or that becomes vacant for whatever reasons, is considered closed and may not be filled unless it is rejustified and approved as new.

10d.6: A faculty member who has been retrenched shall be placed on a recall list for three (3) years. He/she shall have access to a list of personnel vacancies as they occur, and he/she shall receive preference to positions for which he/she is qualified over non-campus applicants. Faculty members shall be recalled according to the principle "last laid-off, first recalled," providing a faculty member is qualified to perform the duties of the vacant position.

10d.7: Department chairpersons and deans will make every effort to relocate extra faculty in other academic, administrative, or staff posts needing personnel when the faculty member's qualifications permit. If such shift is to an administrative or staff position, the salary and other considerations of employment shall not exceed that which is shown for the administrative or staff position in the budget. If the appointment is academic, the rank and salary shall be the same as were held by the faculty member being transferred.

10d.8: Transfers between academic departments fall into two (2) distinct categories, **Permanent Transfers** and **Loans**. A permanent transfer is a permanent change of department home and must be acceptable to the receiving department and to the faculty member. The receiving department may object to a transfer only on academically justifiable grounds. The years of service already rendered in the original home department will be counted toward the acquisition of tenure in the receiving department except that the receiving department shall always be granted no less than two (2) full years of actual service in that department before tenure may be acquired therein. In a permanent transfer, the former home department relinquishes all obligations to the faculty member at the time of transfer. A loan is a split assignment between two (2) or more departments for temporary service, but with the home department retaining the responsibility for continued employment of the individual since the loan arrangement is temporary. A receiving department which accepts a loaned faculty member has no obligation toward that faculty member beyond the one (1)-year commitment in terms of the period of time it will continue the loan. If the receiving department refuses to renew the loan, the loaned member will be returned to his/her home department for reconsideration of his/her status. The receiving department may object to an initial loan or continuation of a loan only on academically justifiable grounds. The receiving department may change a loan to a permanent transfer at the conclusion of the year if the faculty member and the home department agree, and it has an appropriate position available in which case the receiving department assumes the obligation for the faculty member's future as described above. A home department is obligated to take back a loaned faculty member before hiring a new faculty member or part-time faculty in the area of his/her competency. Loans and transfers shall be confirmed in writing by the president of the University. A faculty member on partial loan to another department shall remain a member of his/her "home" department for purposes of exercising rights and privileges established under the Agreement, Appendix A (DEFINITIONS) sets forth pertinent definitions. Appendix B (RETRENCHMENT MATRIX) summarizes the application of 10d.7-10d.8.

10d.9: When an academic department is notified that a reduction in the number of full-time faculty members in the department is necessary, and the possibilities of reduction through normal attrition, leaves, loans, transfers and early retirements have been exhausted, the person or persons to be discontinued in the department shall be determined in inverse order of length of qualifying service providing the remaining faculty members have the necessary qualifications to teach the remaining courses or perform the remaining duties. For purposes of retrenchment, department chairpersons shall be considered as faculty. The Joint Committee referred to above shall hear appeals from departments which seek to modify the seniority application.

10d.10: Any full-time faculty member who is discontinued for reasons of retrenchment shall be advised in writing by the president of the University of such decision by December 15 of the current academic year in which the faculty member is under contract for layoff commencing with the next academic year, and further advised by the president that the reason for his/her discontinuation is not due to dissatisfaction with his/her services. Every effort shall be made to assist such

displaced faculty members to relocate. Nothing in these guidelines, however, shall prevent discontinuation of any non-tenured faculty members for other reasons.

10d.11: For purposes of retrenchment, seniority includes that portion of a continuous period of service at the University (or its predecessors) as a full-time faculty member or department chairperson. Time spent on military leave, authorized leave without pay, Faculty Improvement Leave, and Sabbatical counts toward seniority, if the individual returns (or returned) from the leave to the department from which the leave was granted. Time spent on a temporary loan or transfer under the provisions of this article shall count toward seniority in the event the individual subsequently returns to an academic department. Individuals who have resigned (or subsequently resign) from the University and have returned (or subsequently return) to the University shall be credited only with their current period of uninterrupted service. The effective date of initial appointment to the current period of uninterrupted University service shall determine an individual's seniority; for persons whose University service includes service in an administrative position other than the department chairpersonship, the effective date of initial appointment shall be adjusted to delete the period of service in the administrative position other than the department chairpersonship. In cases in which two (2) or more individuals in a department joined the University on the same effective date of initial appointment (actual or adjusted), the date on which the individual signed a letter or contract accepting the appointment to the University shall determine seniority, if this information is available in the personnel file. In cases in which two (2) or more individuals in a department joined the University on the same effective date of appointment (actual or adjusted), and signed a letter or contract accepting the appointment to the University on the same date, seniority shall be determined as follows: in the event of a tie, it shall, where applicable, be broken by giving credit for part-time teaching at the University prior to the effective date of full-time employment at the University; in the event of a tie between two (2) individuals with the same effective date of full-time appointment and experience as a part-time instructor prior to the effective date of full-time appointment, the individual who received the greater number of paychecks as a part-time instructor shall be considered senior. In the event of a tie that cannot be broken at the previous step, preference shall be given to the individual whose first signed contract or letter of acceptance of full-time employment at the University bears the earlier date. In the event of a tie that cannot be broken by any of the foregoing procedures, it shall be broken by drawing lots. Not later than January 31 of each academic year the Administration will provide each academic department with a departmental seniority list prepared in conformity with the provisions of this Article; the Association shall receive copies of departmental seniority lists.

10d.12: If an academic department or program is merged with or transferred to another academic department as a result of reorganization, bargaining unit members who teach the courses in the department or program to be merged or transferred will be transferred to the receiving department with no loss in tenure (or tenure eligibility) or seniority.

ARTICLE 11 FACULTY EVALUATION

11.1: Purpose: The purpose of the evaluation procedure described herein is twofold: The primary purpose is to help faculty to improve their professional performance. A secondary purpose is to provide those individuals responsible for making career decisions with information regarding faculty performance.

11.2: Student Evaluation of Teaching: Non-tenured faculty members shall be evaluated each semester. Tenured faculty members shall be evaluated according to the following schedule:

Last names beginning with letters:	During academic years beginning with an even-numbered year	During academic years beginning with an odd-numbered year
A-M	Fall Semester	Spring Semester
N-Z	Spring Semester	Fall Semester

Tenured faculty may volunteer for evaluation in a semester during which they are not scheduled to be evaluated by notifying the Administration in writing no later than the end of the fourth week of the semester. Voluntary evaluations of tenured faculty will not be included in the Official Personnel File unless submitted by the faculty member with a written request for inclusion.

All student evaluations of teaching shall be subject to the exclusions specified in 11.3.

11.3: Exclusions: The following courses shall not be evaluated by students:

- (a) those in which there are fewer than five (5) students present for instruction at one time;
- (b) those in which students receive fewer than fifteen clock hours of classroom or laboratory instruction by the instructor;
- (c) team-taught courses except as provided in 11.4; and
- (d) thesis courses.

Further, should a faculty member feel that there are serious and compelling reasons why a specific course in a given term should not be evaluated, he/she may submit a written request for exclusion to the department chairperson. If the chairperson approves the request, the faculty member's memorandum, with the chairperson's notation of approval, shall be forwarded to the faculty member's Official Personnel File, subject to the provisions of Article 14.

11.4: Team-taught courses. Faculty members who team-teach a course may volunteer to conduct a student evaluation of teaching in that course. The evaluation instrument to be used may be one developed by the faculty members involved or may be the standard instrument used in other courses, depending on the wishes of the faculty members. If the standard instrument is to be used, the faculty members must notify the Administration no later than the end of the fourth week of the term. Voluntary evaluations of team-taught courses will not be included in the Official Personnel File unless submitted by the faculty member with a written request for inclusion.

11.5 Procedure: The Administration shall provide appropriate materials (forms, pencils, instructions) and shall make arrangements for the administration of the evaluations. The faculty member shall not comment upon the evaluation or remain in the room during its administration. The evaluation shall be administered by a volunteer student monitor, who shall distribute the evaluation forms, collect them upon the completion of the evaluation, place them in an envelope, and seal it. Faculty members shall adhere to the instructions provided with the packet regarding the administration, collection, and delivery of the evaluation materials.

11.6 Report of Results: The report of evaluation results shall consist of the Student Evaluation of Teaching and Learning Summary, and the Narrative. The Administration shall report the Student Evaluation of Teaching and Learning Summary to the faculty member, the chairperson, and the dean; also, the Administration will place a copy of the Student Evaluation of Teaching and Learning Summary in the faculty member's Official Personnel File, subject to removal in accordance with Article 14.7(c). Results of the Narrative will be sent to the faculty member who will submit them to his/her chairperson; these results will be returned to the faculty member after review. Results of voluntary evaluations shall be reported to the faculty member only. However, a faculty member shall be permitted to insert the Student Evaluation of Teaching and Learning Summary of such voluntary evaluations into his/her Official Personnel File by sending a written request for inclusion to the Executive Director of Human Resources who shall then distribute copies to the faculty member's chairperson and dean. Students shall have the opportunity to inspect copies of the Student Evaluation of Teaching Summary in the offices of academic deans; photocopies or transcriptions of these reports shall not be permitted as part of this access.

11.7 Chairperson's Evaluation: The chairperson shall conduct the departmental evaluation of faculty, using the format in Appendix E. Non-tenured faculty shall be evaluated every year; tenured faculty shall be evaluated every other

year except tenured full Professors who shall be evaluated every four (4) years. Departmental evaluations shall occur during April and May of each year. All faculty scheduled for evaluation shall complete Parts I and II of Appendix E and submit it to the department chairperson no later than April 15. Tenured faculty whose last names begin with the letters A-M shall be evaluated in the Spring of odd-numbered years; tenured faculty whose last names begin with the letters N-Z shall be evaluated in the Spring of even-numbered years. The faculty member shall have the right to prepare the report of his/her activities; to be consulted by the chairperson before the chairperson completes Parts III-VIII of Appendix E; to comment verbally and/or in writing upon the chairperson's evaluation; and to receive a copy of the evaluation. The chairperson shall review the faculty member's Official Personnel File and shall consult with the chairperson(s) of the academic department(s) in which the faculty member is cross-appointed prior to performing the evaluations. The Administration shall provide periodic formal training in performance evaluations for chairpersons, and training for new chairpersons before they are scheduled to evaluate faculty.

A scheduled evaluation may occur one (1) year earlier or one (1) year later when a faculty member is on leave for one complete academic year or longer during the evaluation period, provided that the faculty member provides a written request for such a change to the department chairperson by January 1 of the year in which the evaluation is scheduled. However, in no case shall the number of years of paid university-related service evaluated exceed two for non-tenured faculty, three for tenured faculty below the rank of Professor, and five for tenured full Professors.

Chairpersons may, at their discretion, utilize in-class observations of teaching in the process of completing their evaluation of faculty. Faculty shall be consulted regarding any in-class observation by the chairperson at least two weeks prior to the visit, and the faculty member and chairperson shall jointly determine the specific course and date of the visit. In no case shall a chairperson conduct an in-class observation of teaching more than twice per evaluation period (See Article 11.2). The Administration shall provide additional periodic training specific to in-class observations for chairpersons wishing to utilize this option. No in-class observation shall be conducted by any chairperson who has not completed this training and attended periodic updates of training. Following the in-class observation, the chairperson shall meet with the faculty member to discuss the observation.

11.8 Exclusivity of Evaluations: For the duration of this Agreement, the systems of faculty evaluations described in this Article shall be the only faculty evaluations of any kind employed at YSU, except for the evaluative judgments required by the provisions of this Agreement, the review of a candidate for graduate faculty status, and developing/setting/reviewing professional goals with the chairperson.

11.9 Modification of Faculty Evaluation by Students: The University Committee on Teaching Development shall continue to investigate the current student evaluation instrument and procedures, as well as explore alternative

instruments and methods and performing field tests. The committee shall present an annual report to the provost, deans, department chairs, and the joint negotiations team, containing a summary of its activities and its recommendations, if any, for modifications to the present student evaluation system. The joint negotiations team will consider these recommendations and may approve any or all of the recommendations. Any recommendations which are approved by the joint negotiations team will be implemented at a time to be determined by the joint negotiations team.

ARTICLE 12 PROMOTION IN FACULTY RANK

12.1: Number of Promotions: The Administration shall budget funds to cover the cost of 34 promotions in rank for members of the bargaining unit for each year of this Agreement.

The Administration shall not budget funds to cover the cost of more than four (4) promotions in rank for academic administrators holding the earned rank of Instructor, Assistant Professor and Associate Professor. The promotions opportunities shall be prorated among the undergraduate colleges on the basis of the number of bargaining unit members in each college at the ranks of Instructor, Assistant Professor, and Associate Professor. The number of promotions opportunities allotted by proration to each college shall be determined annually by the Administration and the Association and announced to the faculty by October 15. The provost may reallocate any unfilled slots at his/her discretion.

12.2: Guidelines for Promotion: Each college Dean's Advisory Council (DAC) shall review the promotion practices of that college and how the factors listed in Articles 12.3, 12.4, and 12.5 pertain to the academic disciplines within that college. Each DAC may seek information about promotion practices used by similar colleges at other universities or recommended by accrediting agencies, as appropriate. Each DAC shall produce a document called *Guidelines for Promotion* which shall contain a description of the policies, practices, and criteria to be used in that particular college when determining evaluation and eligibility for promotion. The DAC shall review and, if necessary, revise the *Guidelines for Promotion* annually, during Spring Term. The guidelines shall be distributed to all full-time faculty prior to the end of Spring Term.

12.3: Evaluation for Promotion: The evaluation of applicants for promotion shall be based upon a) the quality of performance in teaching, scholarship, and service; b) the length of service in rank; c) graduate degrees earned; and d) the applicant's workload assignments. These factors are considered in determining both eligibility and suitability for promotion.

12.4: Eligibility for Promotions: Faculty members with consistently satisfactory performance in teaching, scholarship, and service since the last

promotion or appointment are entitled to consideration for promotion at the completion of the years of service stated below. Faculty members with consistently outstanding performance in teaching, scholarship, and service since the last promotion or appointment are entitled to consideration for early promotion prior to the completion of the years of service stated below, with the exceptions described herein. The burden of demonstrating the outstanding nature of the performance shall rest with the applicant. For the purposes of this article, a terminal degree is defined as an "earned doctorate," or in the case of certain studio and performing arts where doctorates are not awarded, the Master of Fine Arts. For the purposes of this article, the Juris Doctor is not considered an "earned doctorate" for any faculty member appointed on or after June 15, 1982.

(A) For promotion to the rank of Assistant Professor, an individual shall have:

- (1) a terminal degree from an accredited institution of higher education in a relevant academic field; or
- (2) a master's degree, or its equivalent, from an accredited institution of higher education in a relevant academic field, plus a minimum of five (5) consecutive years of service at YSU at the rank of Instructor immediately prior to the year of application for promotion.

(B) For promotion to the rank of Associate Professor, an individual shall have:

- (1) tenure (if the faculty member was hired after September 15, 1996);
- (2a) a terminal degree from an accredited institution of higher education in a relevant academic field, plus a minimum of four (4) consecutive years of service at YSU at the rank of Assistant Professor immediately prior to the year of application for promotion; or

- (2b) a master's degree, or its equivalent, from an accredited institution of higher education in a relevant academic field, plus a minimum of six (6) consecutive years of service at YSU at the rank of Assistant Professor immediately prior to the year of application for promotion.

(C) For promotion to the rank of Professor, an individual shall have:

- (1) tenure (if the faculty member was hired after September 15, 1996);

- (2a) a terminal degree from an accredited institution of higher education in a relevant academic field, plus a minimum of six (6) consecutive years of service at YSU at the rank of Associate Professor immediately prior to the year of application for promotion; or

- (2b) a master's degree, or its equivalent, from an accredited institution of higher education in a relevant academic field, plus a minimum of eight (8) consecutive years of service at YSU at the rank of Associate Professor immediately prior to the year of application for promotion.

12.5: Suitability for Promotion (Quality): The determination of the quality of an individual's performance in teaching, scholarship, and service shall be based primarily upon the contents of the Official Personnel File (OPF), the support materials, if any, submitted to Human Resources by the candidate (see Article 14), and the promotion application. It is the responsibility of each individual to inspect his/her file periodically and at the time of application for promotion to assure that it includes all pertinent information which he/she wishes used as evidence of performance in these three (3) areas. All persons who review candidates for promotion shall review the applicant's Official Personnel File, support materials, and the applicant's application before making a decision or recommendation. The sole repository for promotion materials is Human Resources.

12.6: Other Provisions: If a faculty member at the rank of Assistant Professor acquires an earned doctorate, each year of his/her service in that rank prior to the acquisition of the degree will count as two-thirds (2/3) of one (1) year toward the four (4) years required. If a faculty member at the rank of Associate Professor acquires an earned doctorate, each year of his/her service in that rank prior to the acquisition of the degree will count as three-fourths (3/4) of one (1) year toward the six (6) years required. The year in which the application for promotion is filed shall not be counted as a year of service in rank for purposes of consideration for promotion. An individual shall not receive credit for any year in which he/she was absent on sick leave or leave without pay for one (1) term or longer. Time spent on leave with pay, including Sabbaticals, Faculty Improvement Leaves, and Child Care Leaves, but excluding sick leave, as described above, shall be counted.

12.7: Application for Promotion: An applicant for promotion shall submit a properly documented application form to the office of the Executive Director of Human Resources by November 1. Applications with attachments shall not exceed 30 pages, excluding separate support materials provided for in Article 12.5 and in Article 14.11. The Executive Director of Human Resources or his/her designee will time-stamp each application form received and issue a receipt for the application;

*If November 1 falls on a Saturday or Sunday, then the first working day following November 1 shall replace it as the applicable date.

applications received by the Executive Director of Human Resources after 5:00 p.m. on November 1 will be returned to the applicant and will not be considered*. The Executive Director of Human Resources will promptly review the information related to minimum eligibility for promotion specified in Article 12.4 and will certify the accuracy of this information or correct it in conformity with the contents of the Official Personnel File, initialing any corrections made. The application form will then be forwarded to the appropriate department chairperson.

Once an application for promotion has been submitted, no addenda to the application will be received. However, faculty retain the right to submit additional material to Human Resources, as provided for in Article 14.1.1.

An individual applying for his/her second or third promotion in rank at YSU shall receive due consideration for activities and accomplishments that occurred during the twelve (12) months immediately prior to the effective date of his/her last promotion (i.e., the year during which the individual was last recommended for promotion).

12.8: Department Promotion Committee: The full-time faculty members of each academic department shall elect a Department Promotion Committee (hereinafter DPC) of at least three (3) members from among the tenured faculty in the department. Membership each year shall have been determined no later than November 1. Chairpersons and current applicants for promotion may not serve on the DPC. If both Professors and Associate Professors are available to serve on the committee, at least two (2) ranks must be represented. If a department does not have a sufficient number of eligible faculty members to form a DPC, the faculty in that department shall identify another academic department in a related professional field to supply the minimum number needed from outside the department and shall elect a DPC from the combined pool of faculty members. The DPC shall elect its own chairperson and shall review the *Guidelines for Promotion* (see Article 12.2). The DPC shall review applications for promotions by department members, and develop recommendations on those applications for transmission to the department chairperson. The DPC shall consider the Department's "statement of normally expected activities and expectations for progress toward promotion and tenure." (Article 13.2 and 13.2a) Each applicant for promotion shall have the right to appear before the committee to speak on his/her own behalf. The DPC shall transmit all applications for promotion with its recommendations to the department chairperson by December 1, ranking those whom it recommends for promotion. The DPC shall inform all department members of its positive recommendations. The DPC shall inform all applicants of its recommendations. The chairperson shall forward all applications, with his/her recommendations and the recommendations of the DPC to the College Promotions Committee (CPC) no later than December 15. The chairperson shall inform all department members of his/her positive recommendations. The chairperson shall inform all applicants of his/her recommendations. An applicant may meet with the chair of the DPC and/or the

chairperson of the department to discuss reasons why the DPC and/or chairperson did not recommend the applicant.

12.9: College Promotion Committee: There shall be a College Promotion Committee (hereinafter CPC) in each undergraduate college. The CPC shall employ the *Guidelines for Promotion* (see Article 12.2). Further, the CPC shall develop and circulate to all full-time college faculty the specific procedures and schedule for reviewing applications for promotion in faculty rank. The CPC shall be chaired by the dean of the college, who shall be a voting member, and may include up to four (4) members of the bargaining unit in each college except the College of Arts and Sciences, in which the CPC may include up to six (6) members of the bargaining unit. Faculty membership of each CPC shall consist of tenured faculty who have served a minimum of one (1) complete year at their current rank. In the College of Fine and Performing Arts, the Beeghly College of Education, and the Williamson College of Business Administration, at least one (1) CPC member must be chosen from each department. In the other three (3) CPCs, no more than one (1) CPC member shall be chosen from any one (1) department. In the College of Arts and Sciences, the CPC may include up to two (2) members of the bargaining unit from the Humanities, two (2) from the Social Sciences, and (2) from the Natural Sciences. Applicants for promotion shall be ineligible to serve on the CPC. CPC members may serve no more than two (2) consecutive one (1)-year terms. By March 1, the CPC shall forward to the provost, the chairperson of each DPC, and the Association president a list of those whom it recommends for promotion. The CPC shall not recommend for promotion a number of applicants in excess of the college allotment determined earlier by proration as provided in Article 12.1. Academic administrators shall not be counted toward the college allotment. The CPC shall notify all applicants of its recommendations. The purpose of the CPC shall be to review applications for promotion in faculty rank, and to develop recommendations on such applications for submission to the provost. An applicant for promotion shall have the right to appear before the CPC to speak on his/her behalf. The CPC may seek further input from the chair of the DPC, the chairperson of the department and other faculty as it deems appropriate. An applicant may meet with the dean to discuss the reasons why the committee did not recommend the applicant.

12.10: Election and Timeliness of CPC: The Association shall conduct the election of the CPCs. The Executive Director of Human Resources shall provide the Association with a list of promotions applicants no later than November 5. The Association shall certify in writing to the Administration that the CPCs have been duly elected by secret ballot in accordance with the provisions of the Agreement no later than December 15, and will simultaneously identify the persons elected for each CPC. The dean of the college will, upon receipt of a copy of the Association certification of election of a duly constituted CPC, convene the CPC.

12.11: Provost Action and Appeal: The provost shall review the recommendations of the CPCs. If the provost intends to add names to or delete names from the list of those recommended for promotion by the CPCs, he/she shall

meet with the president of the Association and with any individual whose name is to be deleted from the list to explain the reasons for the decision and to deliver a written statement of the reasons for denying the promotion. By April 1, the provost shall notify in writing those whom he/she has recommended to the president of the University for promotion as well as the members of the CPC, the chairperson of each DPC, and the president of the Association. Promotions will be effective the following academic year. An individual who has been denied a promotion after being recommended by a CPC may file a written appeal with the president of the University no later than fifteen (15) days after the meeting with the provost referred to above. The president shall then proceed to appoint an appeals panel within fifteen (15) calendar days from the receipt of the appeal. The appellant shall have the right to appear before the panel; the appellant and the Association shall have access to documents reviewed by the panel. The appeals panel shall consist of two (2) members designated by the president of the University, two (2) by the president of the Association, and one (1) additional member chosen by the four (4) to serve as chairperson. Persons from the appellant's department and others who have participated in the review of the application for promotion prior to the appeal shall be ineligible to serve on the panel. The panel shall impartially examine the merits of the individual's application for promotion. The panel shall also consider the reasons for the denial of the promotion by the provost. The appeals panel shall submit its recommendation (including reasons for the recommendation and any minority reports submitted) to the president of the University, the president of the Association, and the appellant within thirty (30) days from the date that the fifth member of the panel is selected. Should the appeals panel fail to submit a recommendation within the prescribed deadline, the provost's decision shall stand. The president shall rule upon the recommendation within fifteen (15) days after receiving it. The president shall inform the appellant, the appeals panel, and the Association of his/her ruling. The decision of the president of the University shall be final and binding on all parties. However, a bargaining unit member who believes that the procedures described in this Article have not been followed may file a grievance under the provisions of Article 8 (GRIEVANCE PROCEDURE).

12.12: Record of Proceedings: Department Promotion Committees and the College Promotion Committees shall keep records of their proceedings.

12.13: Disposition of Promotion Application Documents: Upon completion of the promotion evaluation process and appeals, if any, it shall be the responsibility of the faculty member to retrieve his/her support materials. The Promotion Application Form shall be deposited in the applicant's Official Personnel File at the conclusion of the promotion process. At the conclusion of their deliberations, each DPC and CPC shall provide the Administration with the following materials: minutes of meetings, descriptions of criteria and procedures used in reviewing applicants, and conclusions reached. These materials shall be maintained by the Administration for two (2) years. Upon request, the Executive Director of Human Resources shall make available the materials generated by a DPC for review by members of the department faculty and the Association, and the materials generated by CPCs for review by members of the college faculty and the Association.

ARTICLE 13 WORKLOAD ACTIVITIES

13.1: General Responsibilities: Upon accepting an appointment to the faculty of Youngstown State University, a faculty member assumes responsibilities in three (3) general areas: teaching, scholarship, and service. A representative list of duties within these areas is found in Appendix G, with additional descriptions of faculty duties found throughout Article 13. To insure quality of teaching, scholarship, and service relative to the academic mission of the University, College, and Department, members of the faculty expected to teach their classes competently, keep abreast of developments in their fields of specialization, and participate conscientiously on committees. The Administration and Association recognize the importance of, and have expectations for, scholarly activities and University/public service. Participation in these activities is understood to be a component of a faculty member's total workload.

13.2: Workload Distribution: The Association and the Administration recognize the variability of workload distribution, including Teaching Hours (TH), Research Hours (RH), and Service Hours (SH), among colleges, departments, and individuals. Department workload guidelines are best addressed first at the department level. Department workload guidelines should include a statement of normally expected activities and expectations for promotion and tenure. Thus, department workload guidelines should be developed with full participation of departmental faculty (see Article 9.5 and 9.5a), and should take into consideration accreditation requirements, departmental mission, college mission, financial resources, and personnel resources. Additional factors to be considered may include number of preparations, level of undergraduate/graduate courses, nature of preparations, General Education recommendations, class sizes, and advising loads. Department workload guidelines shall be forwarded to the DAC for review, and to the dean for approval. Department workload guidelines shall be published and distributed to the department by March 15 of the academic year prior to the academic year in which they are to apply. Department workload guidelines are public documents as defined by Ohio law. All workload guidelines shall be consistent with this Agreement and YSU Board of Trustees Faculty Workload Policy.

13.2a. Department Workload Reports: Each department shall report on the workload activities for each member of the bargaining unit by the tenth (10th) week of the relevant spring semester. The department workload report shall include a projection of the bargaining unit member's workload allocation for the upcoming academic year. Changes in projected workload requiring a substantive and significant reallocation of faculty workload across requires consultation between the faculty member and department chair. Individuals who receive a reassignment of teaching hours must complete and submit the Non-Teaching Duties Form. Workload reallocations resulting in overload must be approved by the Dean.

13.3: Allocation of Teaching Hours: One (1) Teaching Hour (TH) equals one (1) contact hour (50 minutes) of lecture instruction or 1.5 contact hours (75-85 minutes) of institutionally scheduled laboratory instruction each week over a sixteen (16) week semester, in a course listed in the University Catalog or inventory of course offerings. This definition is subject to the exceptions, modifications, and non-lecture equivalencies specified in this Agreement. The Teaching Hours over an academic year shall be a maximum of fifteen (15) hours per semester of instruction and 24 per year and a minimum of three (3) hours per semester of instruction and six (6) per year. The actual number of TH will depend on total workload, which is a mix of a faculty member's TH, RH, and SH assignments. Faculty having teaching loads in excess of 15 TH per semester or 24 TH per academic year shall be eligible for overload compensation as described in Article 13.9. Assignment of a teaching load below the minimum stated above may only be made in order to meet the requirements of an external grant or contract, Research Professorship, or some extraordinary project recommended by the faculty member's dean and shall require the approval of the provost. The number of students enrolled or the student credit hours (SCH) used in calculating teaching load are based upon the 14-day roster. The SCH referred to in this Article shall be cumulative through the academic year.

13.4: Types of Instruction: There are several basic types of instruction including group instruction, individualized instruction and field-based instruction. The course description in the University Catalog shall be used to determine the type(s) of instruction involved in any particular course.

- (a) **Lecture Courses:** Lecture courses include conventional lecture courses, discussion courses, workshops and seminars. These courses require no special physical plant facilities, but may be offered in any general classroom; the student in such a course receives one (1) hour of academic credit for each hour spent in the classroom. One (1) lecture hour equals one (1) Teaching Hour (TH).
- (b) **Laboratory Courses:** A Laboratory Course is institutionally scheduled course work which requires applied study in a place on campus especially equipped for that purpose; the student is traditionally required to devote a greater number of weekly contact hours in a laboratory than the number of credit hours received for successful completion of the course. Laboratory instruction shall include clinical classes in health-related institutions, activity courses in Human Performance and Exercise Science (HPES), and applied art and music courses. One and one half (1.5) laboratory hours equals one (1) TH.
- (c) **Conference Courses:** A Conference Course is a course offered in lieu of a course which normally enrolls fifteen (15) or more students, but because of extenuating circumstances must be

offered for one (1) or more students on a conference basis. Faculty members are free to accept or reject conference course requests except in the case where only one (1) faculty member is qualified to teach the conference course which must be taught. Conference courses shall carry a minimum of one-third (.33) but not more than two (2) TH; the specific amount shall be determined by the department chairperson in consultation with the faculty member. This policy shall apply both during the academic year and the summer.

- (d) **Field Based Courses:** Field-based courses are experiences in which students go off campus for supervised practical experience related to an academic discipline. The instructor shall receive one (1) TH for each 15 SCH (e.g., three students enrolled for five hours each), as reflected by the 14-day roster.
- (e) **Individual Study Courses:** Individual Study Courses require the student, under faculty supervision, to conduct individualized research or pursue an individual project.

- (1) Thesis courses require the student to engage in individual research culminating in the writing of a thesis required for the completion of a degree. A faculty member who is assigned, in writing, the major responsibility for direction of a graduate thesis shall receive one (1) TH credit for each thesis upon completion. However, if a thesis is not completed but substantial work on the thesis has been completed, the faculty member may receive .67 TH credit from the dean upon the recommendation of the department chairperson. A faculty member who is assigned, in writing, the major responsibility for direction of an undergraduate thesis shall receive one-third (.33) TH credit for each thesis upon completion. Credit recognition may be given at the discretion of the Administration, either prior to or subsequent to completion. In the event a faculty member has a significant number of assigned theses which are not completed, the chairperson will take this into account in determining the faculty member's teaching load assignment.

- (2) In courses consisting of supervised individual research or individual projects as described in the University Catalog, the instructor shall receive one (1) TH for each 15 SCH (e.g., three students enrolled for five hours each), as reflected by the 14-day roster. The SCH

referred to in this paragraph shall be cumulative through the academic year.

- (f) **Team Teaching:** A minimum of six (6) students per professor must register for any courses taught by two (2) or more professors. If the registration ranges from 6 to 9 students per professor, each faculty member shall be allotted one (1) TH for two (2) contact hours. If the registration ranges from ten (10) to fourteen (14) students per professor, the faculty member shall be allotted two (2) TH for three (3) contact hours. If the registration exceeds fourteen (14) students per professor, the faculty member shall be allotted one (1) TH for one (1) contact hour. Exceptions to these minimum enrollment guidelines may be granted by the dean(s). The provisions of this paragraph apply to situations in which two (2) or more faculty members are simultaneously engaged in teaching an assigned course, and both or all assigned faculty attend substantially all assigned classes.

- (g) **Interdisciplinary Courses:** When two (2) faculty members from the same department or different departments are simultaneously engaged in teaching an approved initial offering of a newly developed interdisciplinary course or course section (offered for the first time), minimum enrollment guidelines will be waived when the enrollment is over 15 or when a lower class size has been approved in advance by the relevant chairs and deans, and each faculty member will be allotted full TH consistent with the type of instruction and credit. For subsequent offerings, the provisions of (f) above shall apply.

- (h) **Variable Credit Courses:** These are of two types. A course which varies in credit from semester to semester, but is available to students in a given term for only one (1) number of credit hours shall carry that number of TH credit toward workload. A course which is available to students in a given semester for a variable number of credit hours (e.g., 3-5) shall carry the number of TH equal to the average number of credit hours taken by the students, as reflected in the 14-day roster.

- (i) **Distance Learning:** Distance Learning is defined as instruction in which the interaction between the faculty member and students is predominantly via computer-mediated communication, videotaped or television broadcast. The Administration and the Association support the development of distance learning courses. During the period of this contract, opportunities to participate in distance learning can be accepted or rejected by faculty members without prejudice, and a Distance Learning Review Committee will make recommendations to the joint negotiations team. A

Distance Learning Agreement, mutually agreed to by the faculty member, chair, and dean will specify the amount of workload for training, preparation and delivery of the course and the responsibilities of the faculty member assigned to the course. The Distance Learning Review Committee, composed of two individuals appointed by the president of the Association and two individuals appointed by the provost, will oversee the equitable development of Distance Learning Agreements. (See Article 24 regarding ownership of materials developed for distance learning courses.)

- (j) **Contract Courses:** Credit courses specially designed or tailored to meet the terms of contracts with specific organizations will be evaluated for faculty workload credit and/or supplemental contracts on a case-by-case basis. Faculty will be free to accept or reject assignments to such courses without prejudice. A specially-designed or tailored course does not refer to the delivery of an existing course in a flexibly-scheduled format or at an off-campus location.

13.5: College of Health and Human Services:

- (a) Health Professions and Human Ecology faculty teaching clinical classes in hospitals or other health care facilities off-campus shall receive 0.85 TH toward their annual workload for each one (1) contact hour(s). Health Professions and Human Ecology faculty teaching or supervising externships, internships, and/or clinical experiences in health-related institutions shall receive one (1) TH for each 7.5 SCH generated. Nursing faculty supervising Registered Nurses shall receive one (1) TH for each 7.5 SCH generated.

- (b) **Nursing:** For the purposes of this section only, the following workload calculation and maxima will be used. On-campus components of nursing clinical courses shall receive .66 teaching hours per contact hour. Off-campus clinical components of nursing clinical courses shall receive one (1) TH per contact hour with the following stipulations:

Faculty with term contracts may teach up to two (2) clinical courses and one (1) lecture course not to exceed lecture teaching and clinical contact hours of 20 TH per term and 40 TH per academic year. Workload distribution in teaching, scholarship, and service for these faculty will be determined annually by the faculty member and his or her chairperson.

Faculty with temporary contracts may teach up to three (3) clinical courses not to exceed 24 TH per semester and up to 48 TH per academic year. These faculty are not expected to engage in scholarly activities.

For the purposes of this section, overload will be triggered only if the faculty member's teaching assignment in any given term or for the academic year exceeds the applicable maxima specified.

13.6: College of Education:

(a) For graduate-level field experiences in an off-campus setting, prescribed by a University Catalog course description and confirmed by the University schedule of classes, each 12 SCH (e.g., 4 students enrolled for 3 s.h. each) shall count as one (1) TH toward the faculty member's workload.

(b) For undergraduate student teaching, each 15 SCH (e.g., one (1) student enrolled for 15 s.h.) shall count as .75 TH toward the faculty member's annual workload.

13.7: College of Fine and Performing Arts: Faculty assigned to large ensembles (Orchestra, Wind Ensemble, Band, Dana Chorale, University Chorus and Jazz) shall receive one (1) TH for each one (1) contact hour. Faculty assigned to applied classes or small ensembles shall receive one (1) TH for each 1.5 contact hours; faculty teaching individual instruction (presupposes one [1]-hour weekly seminar in performance and composition courses) shall receive one (1) TH for each 1.5 contact hours, and faculty teaching studio art classes in the Art Department shall receive one (1) TH for each 1.5 contact hours.

13.8: Non-teaching Equivalencies: Faculty members who serve in non-teaching capacities shall receive teaching load reassigned time of one (1) to nine (9) TH per term. This shall include, but not be limited to, program coordinators in the College of Health and Human Services, the Chairperson of the Academic Senate, the Chairperson of the Curriculum Division of the Curriculum and Programs Committee of the Academic Senate, directors of department or college graduate programs, the faculty member advising the *Jambar*, designers and support personnel of co-curricular activities in the Department of Communication and Theater, the Coordinator of Composition in the English Department, the Coordinator of Astronomy, the Director of Oral History, the Assistant Director of Student Teaching in the College of Education, Members of the Dana Faculty Woodwind and Brass Quintets and the Coordinators of activities or programs in the Dana School of Music. The specific assignment in each case shall be mutually agreed to by the faculty member and the Administration. A faculty member shall be free to accept or reject such an assignment without prejudice. However, when the assignment is specified in the initial letter of appointment of the faculty member, a rejection of such assignment shall be subject to the approval of the dean of the college. The faculty member may bring an Association representative to

discussions of the workload reassignment with the Administration. The Administration shall provide a pool of 9 TH for Association members each academic year. The Association may, at its option, purchase up to 9 additional TH at part-time replacement rate. Distribution of these TH shall be determined by the Executive Committee of the Association. These TH may accumulate during the term of this Agreement. Reassigned time for non-teaching equivalencies shall not apply to activities which are included in the general duties expected of all faculty.

13.9: Teaching Overload: A faculty member shall not, without his/her consent, be assigned more than 24 TH during the two semesters of any academic year, or more than 15 TH during any semester. However, faculty members who accumulate more than 15 TH in an academic semester or more than 24 TH in an academic year shall receive overload compensation as provided for in Article 4.8. For purposes of computation, assignments under Article 13.8 shall be counted as assigned TH's. A faculty member shall be free to accept or reject without prejudice any overload assignment over 15 TH per semester or over 24 TH per academic year. For full-time faculty employed for only a part of the academic year, overload compensation shall be paid for an assignment of more than 15 TH in a semester. A faculty member also qualifies for overload payment when he/she substitutes for an ill colleague upon the written direction of the department chairperson. For such service, the substituting faculty member shall be paid a sum to be prorated in accordance with Article 4.8, whether or not the additional load raises the faculty member above the 24 TH or 15 TH limits. For purposes of computation, one (1) full week of classes equals one-sixteenth (1/16) semester. However, the chairperson may assign a faculty member to serve as a substitute for up to three (3) contact hours per academic year without overload payment. This includes Summer Term in cases in which the substitute faculty member is under contract, or with the faculty member's permission. A faculty member may not be required to substitute in a course which he/she has not taught during the past two (2) years. Complaints of this nature will not be forwarded to the chair, unless they have been signed by the student(s) who have complained. In accordance with FERPA, unless the student(s) waive their rights to anonymity, only a redacted copy of the student(s) complaint(s) will be forwarded to the file. Original signed copies shall be retained in a separate file by the Office of Human Resources. If such complaints are subsequently deemed to be "without merit" after thorough informal investigation or formal grievance procedure, all material relating to the complaints shall be returned to the relevant faculty member for his/her disposal. No separate record or file regarding these complaints shall be maintained. Under no circumstances shall a complaint made anonymously be maintained.

14.4: Date and Signature: Documents which are placed in a faculty member's file will be dated and signed by the Executive Director of Human Resources or his/her designee at the time of their insertion in the file. Anonymous statements shall not be placed in the file. Faculty members engaged in activities mandated by this Agreement shall have routine access to appropriate personnel files; faculty involved in the screening of candidates for awards or special recognition, such as the Distinguished Professor Award, shall also have routine access to personnel files as needed to fulfill those duties. If unofficial or working files are maintained for individual faculty, the faculty member shall be notified of the existence of the file(s) and shall have access at reasonable times to his/her unofficial file(s).

14.7: Removal of Items: The Administration may, at its discretion, remove certain documents from the file of a full Professor and return the items to the faculty member provided that at least eight years have elapsed since the insertion of the items in the file. However, documents referred to in Article 14.2 (a), (b), (c), (f), (h), and (j) shall remain permanently in the faculty member's Official Personnel File. The Administration shall, upon written request by a faculty member, remove the following documents from a file and return them to the faculty member:

- (f) information not specified in 14.2 above.

The Administration agrees that material inserted in a faculty member's personnel file that is removed as the result of a formal procedure such as a grievance, will be returned to the faculty member for his/her disposal. A memo that documents the originator of the request, the recipient of the request, identifies the item to be removed, and the date will be kept by the Office of Human Resources. A separate file of copies of items removed from personnel files will not be maintained.

YSU agrees that written allegations will not be inserted into a faculty member's personnel file which have not been reviewed by the appropriate supervisor, e.g., Dean or Chair, in consultation with Human Resources. If, upon completion of the review, it is determined that there is no basis for the allegation, the document will neither be inserted into the personnel file nor retained by the Office of Human Resources.

14.8: Faculty on Unpaid Leave: For the purposes of this article, the time periods in Article 14.7 (above) shall not include those times during which faculty are on leave without university-related duties (e.g., disability leave, leave without pay, military leave, political leave).

In addition, the Administration shall immediately notify individual faculty members when their official personnel files have been examined by someone not employed by the University.

14.11: Support Materials: Materials relevant to promotion, tenure, and other personnel evaluation materials not specifically referred to in Article 14.2 shall be compiled and maintained by each faculty member. Upon application for any personnel evaluation procedure (e.g., promotion, tenure, distinguished professor, sabbatical, faculty improvement leave) the faculty member may submit his/her

support material at the time of application to Human Resources to be appended to the Official Personnel File for the duration of the evaluation process. Upon completion of the evaluation process and appeals, if any, it shall be the responsibility of the faculty member to retrieve the support materials.

ARTICLE 15 ACADEMIC FREEDOM

The parties reaffirm adherence to the principle of academic freedom in faculty instruction and scholarship as a right that can be neither denied nor abridged. The faculty member shall have the freedom to pursue knowledge and to report the truth as he/she sees it, in the classroom, publications, reports of research activities, and all professional and academic forums. In exercising academic freedom, the faculty member should recognize his/her correlative responsibilities. In classroom teaching, the faculty member should emphasize only matters germane to his/her discipline. In making public statements, the faculty member should exercise discretion, attempt to be accurate, and shall not speak for the University unless officially designated as a spokesperson by the president of the University.

ARTICLE 16 RETIREMENT

16.1: Summer Continuation: A bargaining unit member who retires at the end of an academic year shall be eligible to teach through the end of the Summer Term immediately following.

16.2: Sick Leave Conversion: All members of the bargaining unit who at the time of retirement have completed ten (10) or more years of active service with the University or a combination of ten (10) or more years of active service with the University together with other State of Ohio units as specified by law, shall receive payment based on the member's rate of pay at retirement for one-fourth of the individual's accrued but unused sick leave at retirement up to a maximum accrual of two hundred days (1/4 of 200 days = 50 days). Payment shall be based on a daily rate of 1/195 of the individual's last 9-month salary for each day. Upon accepting such payment, all sick leave credit accrued up to that time shall be eliminated. Such payment shall be made only once to an individual. An individual who returns to University service or any other state service after retiring may accrue and use sick leave as before, but may not convert the unused sick leave at the time of second retirement. Sick leave conversion does not apply to any termination or separation other than retirement. A member of the bargaining unit who applies for sick leave conversion shall submit an official confirmation from STRS of his/her impending retirement.

16.3: Continued Benefits: For a minimum period of three (3) years after retirement a former faculty member shall be entitled to have access to the

University's computing and network services, to serve as a Principal Investigator on grants and contracts, and to use an office and research facilities, including laboratories, providing he/she uses it regularly and there is sufficient space available. A former faculty member shall also be entitled for an unlimited period of time on the same basis as full-time faculty to use the library, to tickets for all University functions, to use of Beeghly Center and other recreational facilities, and to remission of all instructional and general fees. A retired faculty member shall be eligible to purchase one (1) faculty/staff parking permit each year at a cost equal to one-fourth of the annual parking fee established by the University. Retirees shall also be eligible to purchase life insurance, as provided for in Article 5 (INSURANCE BENEFITS).

16.4: Part-time Teaching: The Administration shall provide retired faculty members of the bargaining unit the opportunity to teach up to eight (8) TH each academic year with the approval of the department faculty (see Article 9.3a(9)), providing that the retiree's former department offers instruction to be taught by part-time faculty during the term(s) the retiree wishes to teach; providing the retiree's health permits him/her to carry out such an assignment; and providing that, no later than four (4) weeks before the beginning of any term during which the retiree wishes to teach, the department chairperson has received written notification of the retiree's desire to teach. The retired faculty member who teaches shall be paid at the part-time rates currently in effect. The opportunity to teach under Article 16.4 shall not be available to retired members of the bargaining unit in Extended Teaching Service (ETS) under the provisions of Article 16.5-16.8 of this Agreement.

16.5: Extended Teaching Service (Eligibility Procedure): A member of the bargaining unit who has completed a minimum of ten (10) complete academic years of full-time service at the University, who is eligible for retirement under the provisions of the Ohio State Teachers Retirement System (STRS) and who retires under STRS may, after the legally mandated number of days have elapsed, be placed on Extended Teaching Service (ETS), upon recommendation of the department faculty (See Article 9.3a(9)). Faculty seeking a departmental recommendation for ETS shall notify the department chairperson no later than November 15. The recommendation of the department shall be forwarded to the applicant and dean no later than December 15. Individuals on ETS shall not retain tenure and shall not be members of the bargaining unit specified in Article 2 of this agreement.

6.6: ETS: Duration, Pay, and Duties: Assignment to ETS shall be available to the eligible faculty member for a period of up to five (5) years. The duration of TS shall be determined through consultation between the eligible faculty member and the Administration. Continuation in ETS status beyond five (5) years may occur if the individual wishes to continue, but subject to the final approval of the board. Unless the retired faculty member requests fewer hours, an individual on ETS shall receive an assignment of between 30 and 45 TH to be distributed over the number of years selected, with a maximum of 15 TH in any academic year and 12 TH in any semester. The teaching assignment(s) may apply to one or two semesters

per academic year, so long as the two-month STRS re-employment waiting period has not been violated and STRS has confirmed in writing that the schedule will not jeopardize the faculty member's retirement benefits. Individuals on ETS shall receive teaching opportunities over part-time faculty in a particular department. In case of retrenchment, individuals on ETS shall be retrenched after part-time faculty and before full-time faculty in a given academic department. The department chairperson shall consult with the individual on ETS prior to finalizing the teaching schedule and related matters. An individual on ETS shall post and observe office hours for students. ETS faculty shall be paid an amount equal to the number of THs taught times .0375 of the 9-month salary that the individual would have received had he/she remained in the bargaining unit and not assumed ETS. Payment shall be monthly in appropriate increments.

16.7: Sick Leave and Insurance: An individual who chooses ETS status shall be paid for accrued but unused Sick Leave as provided for in Article 16.2; during service on ETS status, the individual shall accrue Sick Leave at the regular rate (1 1/4 days monthly) but may not convert accrued but unused Sick Leave a second time. An individual on ETS shall be covered by the insurance program provided by STRS. In addition, if the individual chooses, he/she shall have the opportunity to participate in the group insurance program by paying the University the appropriate rate, as provided for in Article 5.

16.8: ETS: Irrevocability: Faculty who elect ETS status shall notify the Administration, in writing, of their decision by January 31 of the final academic year of full-time service, providing with their notification written confirmation from STRS of their eligibility for retirement. The written notification shall specify the period of time the individual wishes to serve on ETS (up to five (5) years). The Administration shall provide for each faculty member who chooses ETS a written contract which specifies the details of the ETS appointment and which binds the University, in accordance with the provisions of Article 16 of this Agreement. Representatives of the Administration shall meet with the faculty member to review the contract; the faculty member shall bring to the meeting a legal representative and/or a representative of the Association. Upon the execution of this contract by the faculty member and the University, the faculty member shall retain the right to revoke his/her teaching assignment for a specific year(s) during the established ETS period, providing adequate advance notification is provided the University, in which case the individual will not be paid for the year(s) in which services are not performed. Upon the execution of the contract between the faculty member and the University, the decision of the faculty member to retire shall be final, binding, and irrevocable.

ARTICLE 17 STUDENTS

The Administration and the Association reaffirm their commitment to provide the undergraduate and graduate students of YSU with the highest quality instruction possible within the limits of the resources available to the institution. The parties shall seek to maintain an environment which encourages each student to attain his/her maximum intellectual and emotional development, heightens the individual's awareness of contemporary forces in society and their impact upon the individual, and prepares students for productive careers and responsible citizenship. Accordingly, the parties commit themselves to:

The president of the Association shall, by August 20 of each year, make known to the Administration and to members of the bargaining unit the amount to be deducted annually. The Administration shall levy no charge upon the Association for administering the payroll deduction.

The Association will certify to the University the amount of the fair share fee, which shall not exceed the amount of regular membership dues then currently being paid by members of the Association. At the time the Association certifies the amount of the fair share fee, it will provide the University a written report detailing the Association's fair share fee procedure.

20.3: O.R.C. Applicability: This Article is in all respects subject to O.R.C., Section 4117.09, including the rebate procedure and conscientious objector provisions thereunder.

23.2: Sexual Harassment: The Administration will maintain and promulgate a policy and procedures for the investigation and internal resolution of reported claims of sexual harassment. Such claims shall be processed in accordance with the University's complaint procedure and in accordance with applicable state and federal laws. Non-compliance with said policy and procedures shall be grievable under the provisions of Article 8.

Following the ruling of the United States Supreme Court in *Meritor Savings Bank vs. Vinson* (1986), sexual harassment is defined as: unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature when (1) submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment; (2) submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or (3) such conduct has the purpose or effect of interfering with an individual's work performance or creating an intimidating, hostile, or threatening work environment.

The Administration and the Association will provide periodic workshops for members of the University community to develop greater awareness and sensitivity regarding issues of sexual harassment.

The Administration and the Association agree to meet during Fall Quarter of 1999 to review the Board of Trustees' policy(ies) regarding sexual and other forms of harassment. The parties will ensure that the provisions of this Agreement are consistent with current legal decisions, and, if necessary, sign a Memorandum of Understanding to that effect.

23.3: Work Environment and Safety Committee: The Association may select three (3) representatives to participate on any University scheduled Work Environment and/or Safety Committee. The Association will submit the names of the three (3) representatives to the University president prior to May 1 of the preceding academic year.

23.4: Parking: The following parking lots shall have card-activated gates installed to restrict parking to full-time and part-time faculty and staff: F-2, F-3, F-6, and the currently restricted portion of F-7. Gate cards issued to students will not have the capacity to effect entrance to the above designated lots. The restrictions specified above shall be in effect from 7:00 a.m. to 4:30 p.m. Monday through

Friday during all periods faculty are under contract, except when modifications are required because of special events. Faculty will continue to have access to parking decks and "mixed" lots.

23.5: Office Space, Classrooms, and Technology: The Administration and the Association will meet and confer at least two (2) times per academic year at mutually convenient times to discuss concerns related to faculty office space, classrooms, and access to technology.

23.6: Use of University Computing Resources: Faculty members' use of university computing resources, and expectations of privacy associated therewith, are governed by Youngstown State University Board of Trustees' policy or policies regarding the use of such resources, as those policies may be instituted or amended by the Board from time to time.

23.7: Building Access: In conformity with past practice, a faculty member who needs access after hours, or when the University is closed, to buildings in which his/her office and/or laboratories are housed will be granted a key to the building, upon the approval of his/her dean. A faculty member who wishes to have a key shall submit a request for a key to his/her department chairperson.

23.8: Drug-Free Workplace: The Administration and the Association agree that it is their mutual goal to achieve and maintain a "drug-free workplace."

ARTICLE 24 FACULTY DEVELOPMENT AND RESEARCH

24.1: External Funding: Faculty members who receive grants for research and other activities which subsidize a portion of the faculty member's salary shall receive a workload reallocation providing such specific arrangements were approved by the provost prior to the submission of the grant proposal

24.2: Research Professors: Each year not less than eighteen (18) faculty members whose unsubsidized research is deemed meritorious of support shall be designated "Research Professors." Six (6) Research Professorships shall be reserved for probationary tenure-track faculty with the provision that these can be reallocated to the overall pool if there is an insufficient number of quality applications from this group of faculty. A faculty member will not be designated a Research Professor for more than two (2) consecutive years. A Research Professor shall teach no more than sixteen (16) TH during the two (2) semesters of the academic year. Within ninety (90) days after completion of the Research Professorship, the faculty member shall submit to the department chairperson for transmittal to the college dean and Dean of Graduate Studies a report detailing his/her professional activities during the Research Professorship. This report shall be inserted into the member's Official Personnel File. In addition, the faculty members shall provide the department chairperson an abstract of the report for departmental distribution. Applicants shall

be screened by a five (5)-member committee composed of two (2) members of the graduate faculty appointed by the Administration, two (2) members of the graduate faculty appointed by the president of the Association, and the dean of Graduate Studies who shall chair the committee. The dean of Graduate Studies shall announce the names of those faculty designated Research Professors, and his/her decision shall be final and binding.

24.3: Intellectual Property Rights: The rights to intellectual property between any member of the bargaining unit and the University shall be governed by the applicable provisions of state and federal law. Intellectual properties may be one of three (3) types. (1) Independent faculty efforts are those properties created by the faculty member in the fulfillment of the faculty member's normal duties and responsibilities, without any significant University support. (2) Works for hire are written University-commissioned projects which are the result of the faculty member and the University knowingly and voluntarily entering into a written agreement to create a specific intellectual property; such efforts are not in fulfillment of the faculty member's normal duties and responsibilities. (3) Joint efforts occur when the faculty member and the University knowingly and voluntarily enter into a written agreement to create an intellectual property as part of the fulfillment of the faculty member's normal duties and responsibilities. The signing of a specific contract with YSU for subsidized research cannot be a stipulated condition of employment. Appendix I provides definitions of terms and specifies the allocation of intellectual property rights. The agreement between the faculty member and the University shall conform to the terms outlined in Appendix I. If a faculty member believes that these terms have been violated, provisions of Article 8 can be invoked.

24.4: Professional Development and Scholarship of Teaching and Learning: Each year the Administration allocates a release from teaching duties equal to one-half (1/2) TH for each member of the bargaining unit as of October 1 for allocation in the following year. By December 15, the dean shall issue a Call for Proposals for this reassigned time to faculty members in the college. The reduction of teaching load shall be prorated among the undergraduate colleges based upon the percentage of FTE bargaining unit members in each college. Cross-appointed faculty may compete for workload reassignments in any colleges to which they are assigned. The amount of reassigned time granted by a college to cross-appointed faculty shall not exceed 40 WH times the percentage of his/her total workload assignment in that college as reflected in the annual contract of appointment. In each undergraduate college the reduction in teaching load shall be assigned to members of the bargaining unit in increments of two (2) to four (4) RH to assist faculty who are engaged in (a) professional development, (b) scholarship of teaching and learning, or initial distance learning projects. Applicants for this teaching load reduction shall be screened by a five (5)-member committee in each college composed of two (2) members of the faculty appointed by the Administration, two (2) members of the faculty appointed by the president of the Association, and the dean of the college, who shall chair the committee. The dean shall announce the names of those faculty receiving teaching load reductions no later than February 1, and his/her decision

shall be final and binding. The dean shall send this announcement to faculty members in the college, with copies to the provost and to the Association. Faculty members receiving a professional development workload reallocation will, within sixty days of the end of the academic term, submit to his/her department chairperson, dean and the provost a report of his/her professional development or scholarly activities conducted during the term.

24.6: Reimbursement for Advanced Studies:

(a) **Terminal Degrees:** Members of the bargaining unit who lack the appropriate terminal degree for the field(s) of their primary assignment shall be reimbursed for expenses incurred in the pursuit of an appropriate terminal degree, provided that they obtain prior approval from the Administration for the intended field of study, the type of degree to be pursued, the specific institution where studies will be undertaken, and the proposed amount of reimbursement. If the provost denies requests approved by the individual's chairperson and dean, the provost will meet with the president of the Association and the individual to explain the reasons for the decision. Funds approved under this paragraph may not be used during a Sabbatical Leave or Faculty Improvement Leave. A recipient of funds under the provisions of this paragraph shall return to the University for a minimum of two (2) complete academic years following completion of the approved degree program. A recipient of funds who fails to return to YSU for the specified period following completion of the approved degree program shall reimburse YSU the funds provided by the University for the degree program. It will be permitted to arrange a schedule of payments over a period not to exceed two (2) years.

(b) **Other Academic Study:** A pool of \$10,000 each year will be available for reimbursing faculty members of costs incurred in advanced study. The purpose of the advanced study is to enhance the faculty member's performance in teaching, scholarship and service at YSU. Any member of the bargaining unit is eligible to apply for reimbursement. A Reimbursement for Advanced Studies Committee consisting of five (5) individuals who serve staggered three (3)-year terms shall be appointed. The provost shall appoint three (3), two (2) of whom shall be members of the bargaining unit. The remaining two (2) shall be appointed by the president of the Association. Current applicants or recipients shall not be eligible to serve on the committee. The committee

forfeit one (1) day's pay for each full or partial day of absence. Faculty members are required to fulfill other duties and responsibilities as set forth in this Agreement. If the chairperson believes that a faculty member has not fulfilled his/her other duties and responsibilities, the chairperson shall bring the matter to the attention of the faculty member. The faculty member shall be subject to forfeiture of one (1) day's pay for each full or partial day of noncompliance from the time of the chairperson's notification.

25.6: Start of Contract Period: Bargaining unit members are expected to be available for service at the beginning of the contract period. If the bargaining unit member reports after the date he/she is scheduled to perform duties, his/her salary shall be reduced by an amount equal to the individual's pay for the days of absence. The penalty shall not apply if the absence has been authorized in advance by the department chairperson.

25.7: Office Hours: Faculty members shall maintain a minimum of five (5) office hours weekly during each term (3 hours for Summer Term) at times convenient to both the faculty member and to his/her students. Office hours shall be distributed over a minimum of three (3) days each week (2 days each week for Summer Term), unless alternative arrangements have been made subject to the approval of the department chairperson. During these times, a faculty member shall be available to meet with students in connection with courses, and academic advisement.

25.8: Final Grades: The parties agree that the individual faculty member retains the authority to make the final determination of the grade to be awarded to each student in his/her courses. No individual or committee shall be authorized to change a grade, except upon the recommendation of the faculty member who awarded the grade or according to Academic Senate policy adopted May 31, 1989. Violations of the timelines established in the Senate policy by the student shall result in the termination of the student's grievance. The provisions of this Article shall not apply in situations in which the faculty member is no longer in the employment of the University and cannot be contacted by the Administration.

ARTICLE 26 MISCELLANEOUS

26.1: Salary Checks: Faculty salary payments shall be made semi-monthly. Payments will be made by electronic transfer so that the money will be available in the bargaining unit member's account at the beginning of the University working day nearest to the fifteenth (15th) and last day of each month. Individuals on 9-month contracts will have the option of being paid in eighteen (18) semi-monthly payments or twenty-four (24) semi-monthly payments. An individual will indicate his/her option by placing a checkmark beside the desired pay plan on his/her employment contract. An individual who makes no checkmark on his/her contract

shall receive his/her pay in twenty-four (24) semi-monthly payments. The pay plan selected will remain in effect until the employee notifies the Office of Human Resources of a change. Changes in pay plan options may not be made during a contract year.

"Dependent children" are children who qualify as exemptions as defined by the Internal Revenue Service. Dependent children shall be eligible for fee remission to the end of the academic year of age twenty-four (24). Bargaining unit members shall receive remission of instructional and general fees, including out-of-state fees where applicable, for up to eighteen (18) semester hours per academic year and six (6) semester hours each Summer

If the requests for reimbursement which the committee deems worthy exceed the amount budgeted, the committee may prioritize the requests or recommend partial reimbursement for some or all of the applicants. The committee will submit its recommendations to the provost and notify all applicants of its recommendations. An applicant shall have the right to appear before the committee, to provide information, and to answer questions concerning the application.

- (c) **Procedures:** If properly approved, such studies shall be scheduled so that they do not interfere with the individual's regular assigned duties. A file of all requests and their disposition will be maintained for review in the Human Resources office.

Application shall be made in advance of enrollment on a form provided by University Outreach and in accordance with deadlines established by University Outreach. Charges for materials, facilities, texts, and consumable or other non-instructional items are the responsibility of the enrollee and shall be payable at the time of registration. If an eligible individual enrolls in a non-credit course which is subsequently canceled due to insufficient enrollment or other reasons, such cancellation shall not affect the number of fee remissions the individual is entitled to receive in a given calendar year.

24.8: Publication Costs: The Administration agrees to pay both the reasonable page costs for publication of a bargaining unit member's scholarly research in a professional journal or periodical, and the cost of 100 reprints of such published material, providing the publication carries the University's identification. For those peer reviewed professional journals or periodicals where a submission fee is required, the University shall ensure that the cost of submission is supported by the University. For monographs which do not exceed 100 pages, the University will provide 100 reprints from the Central Services Department. Approval shall be secured in writing by the individual from the dean of Graduate Studies prior to placing an order for the reprints or making financial commitment to page costs.

ARTICLE 25 TEACHING RIGHTS AND RESPONSIBILITIES

25.1: Right to Teach: Academic administrators who wish to teach may do so in coordination with, and upon approval of, the department involved, but in no case if it jeopardizes the employment of a currently available full-time faculty member. Non-employees of the University may not be assigned a full-time teaching load.

25.2: Textbook Selection: A faculty member may select the textbook(s) to be used in his/her courses unless the faculty member teaches a multi-section or sequential course, in which case the department faculty who are involved in teaching the course(s) shall provide for textbook selection. Spring Term materials should be retained through the following Fall Term.

Members of the bargaining unit will submit a written notification to their department chair or immediate supervisor before beginning outside employment. The extent of consulting and/or outside employment shall be reported to the University each term, on a form provided by the University. These rights and responsibilities exist at all times, including periods of leave. This committee will consist of two members selected by the Administration, two members selected by the Association, and a chair mutually selected by the Administration and the Association. This committee will investigate issues including, but not limited to, participation in tuition remission programs for bargaining unit members and their dependents, participation in reciprocity agreements with relevant institutions, and any other issues the Committee deems relevant to the issue. 27.1: General: The standard length of a faculty contract shall be 9 months, although exceptions may be made by mutual consent of the University, the Association, and the employee. Faculty members' contracts shall be designated as "tenured," "probationary," "term," "visiting," or "temporary," and may be designated as "terminal" and/or "contingent." Faculty members who are tenured shall receive contracts so designated.

27.2: Types of Faculty Contracts: The types of faculty contracts and special provisions of these types are described as follows:

Term: This type of contract is issued to a faculty member holding the rank of Instructor. A term contract may be renewed indefinitely on an annual basis.

Probationary: This type of contract is issued to a faculty member at the rank of Assistant Professor or above who has not yet received tenure but is progressing toward it. This contract shall indicate the year of progression in the probationary period (e.g., first probationary year, second probationary year, etc.)

Tenure: This type of contract is issued to a faculty member who, subsequent to a tenure review, has received written notification from the president of the University that tenure has been granted. A faculty member who has been issued a tenure contract will be sent annual letters of reappointment specifying rank and salary.

Terminal: This type of contract is issued to a faculty member when it is known at the time contracts are issued that the year covered by the contract is to be the final year of service.

Temporary:

This type of non-tenure track contract is issued to a faculty member for a term of one year and may be renewable to cover a period of up to three academic years. However, a temporary contract for a faculty member whose employment is based partially or entirely on external funding may be renewed indefinitely.

Visiting:

This type of non-tenure track contract is issued to a faculty member for a term of one year and may be renewable to cover a period of up to three academic years. However, a contract for a visiting faculty member whose employment is based entirely on external funding may be renewed indefinitely. The number of visiting contracts for an academic year shall not exceed six. The salary for a visiting faculty member which falls below the minimum for a particular rank contained in Article 4 shall be determined by consultation and approval of the Association's Executive Committee and the provost. Faculty on a visiting contract shall not have the shared rights specified in Article 9.5a of the Agreement.

Supplemental:

The Administration and the Association may develop supplemental contracts for faculty to perform duties beyond those which are included in the expected activities of faculty. Such contracts shall be reviewed for approval by a three-member committee made up of one member appointed by the provost, one appointed by the Association president, and one member mutually selected by the two appointees. Such approval is not required for supplemental payment funded from external sources or amounts less than \$200.00

Any contract type may be issued at any rank, except for the restrictions specified above.

27.3: Other Contracts: In special circumstances, an exception to the types of contracts listed in Article 27.2 of the Agreement may serve the interests of both the University and the Association. In such cases, the provost and the president of the Association, with the approval of the Executive Committee, may agree to a contract under terms other than those indicated in Article 27.2. It is understood, however, that all such faculty shall be members of the bargaining unit and shall be subject to the terms of the Agreement.
