 - 2. "Part-time" certificated personnel shall be those who regularly work less than the full schedule of hours as defined in this agreement in Article 14 and/or less than the minimal standard of one hundred and twenty (120) work days.

ARTICLE 2: ASSOCIATION RIGHTS

- B. The Association shall have the right to participate in the initial orientation meetings for new professional staff members.

- C. The Treasurer of the Board shall, upon request of the President of the Association, provide a copy of each of the following documents approved by the Board and/or Treasurer. There shall be no charge for the documents when requested for collective bargaining/negotiations. At other times the Board will charge \$0.50 per page for the documents. Documents shall include:

 3. The names and assignment of staff members;
 4. Monthly Financial Statement of Receipts and Expenditures;
 5. Each Month's Cash Position Report.
- D. To facilitate communication with the bargaining unit members, the Association shall have the opportunity to use one specifically-designated bulletin board or posting area per school building, providing such does not interfere with instructional use and providing such is not within easy access to students, parents, or community members using the school facility.
- E. To facilitate communication with bargaining unit members, the Association shall have the opportunity to use the internal school and/or district mail/courier system providing such does not incur any financial expense to the Board of Education, and shall not interfere with teaching time or other assigned duties of bargaining unit members. The Association shall have the opportunity to use teacher mailboxes to disseminate routine information to its members.
- F. The President of the Association and/or designee and/or the Consultant of the Association shall have the right to visit schools. Either prior to or immediately upon the previously mentioned person's arrival at any school, he/she shall secure from the Principal or in his/her absence, the acting building administrator, permission to make the visit.

Such permission will not be denied but may be delayed only if the visit at the time desired will interfere with normal teaching duties of the professional staff member to be contacted. Upon arrival at the building, the President of the Association shall notify the building Principal of his/her presence. Visits that are made to discuss with the Principal special problems of professional staff members must be arranged in advance with the Principal or in the Principal's absence, the acting building administrator.

- A. Except to the extent expressly abridged only by the specific articles and sections of this Agreement, the employer reserves, retains and possesses, solely and exclusively, all the inherent rights and authority to manage and operate its facilities and programs. Such rights shall be exercised in a manner, which is not inconsistent with this Agreement. The sole exclusive rights and authority of the Employer include specifically, but are not limited to, the rights listed in the Ohio Revised Code Section 4117.08(C), Numbers 1-9.

ARTICLE 4: NEGOTIATIONS PROCEDURE AND IMPASSE

The Chesapeake Union Exempted Village Board of Education and the Union hereby agree that the following conditions shall apply during negotiations for a collective bargaining agreement except when otherwise agreed upon.

- A. Negotiations shall be conducted at the Chesapeake High School unless the parties mutually agree to some other location. Negotiations shall be held at dates and times mutually agreed upon. The date, time, and place for

subsequent negotiation sessions shall be established before the adjournment of each concluded bargaining session. Both parties shall endeavor in good faith to meet on such agreed upon date, but it is recognized that from time to time, it may be necessary to postpone a meeting due to pressing or unforeseen obligations.

- B. All negotiations shall be closed to the public, press and persons other than the members of the negotiating committee or consultants they may use. The negotiations shall, in accordance with 4117.21, be private or confidential and not subject to ORC 121.22.
- C. Members of the respective negotiating teams shall be limited to seven (7) members and two (2) alternates.
- D. Each party will designate a "chief negotiator" prior to the start of the negotiations. Both parties will direct all questions and comments to the designated chief negotiator. This paragraph is not intended to limit the free flow of discussion. Either chief spokesperson may call on their other team members for input or explanation.
- E. The parties agree that collective bargaining should be conducted at the bargaining table between the representatives of the parties. To this end, it is the intent of the parties that there shall be no communications between the Union (including its negotiating team, membership and the bargaining unit it represents) and the Chesapeake Union Exempted Village Board of Education (including its negotiating team, administrators and school board members) regarding collective bargaining matters or issues except across the bargaining table. This shall not be construed to deny the Union and its representatives the right to address the Board in public session to the extent permitted by current Board policies and rules with respect to matters pertaining to the Board budget or to the operation and policies of Chesapeake Union Exempted Village School District which are not at issue in negotiations, and this shall not be construed to prohibit meetings between the bargaining unit members and the Superintendent regarding same.
- F. The first meeting after the Board has presented its non-economic (or economic) counterproposals shall be the deadline for either party to propose additional non-economic (or economic) issues for negotiations. Thereafter, unless the parties mutually agree otherwise no additional non-economic (or economic) items shall be submitted for negotiations by either party.
- G. The parties shall negotiate and attempt to resolve all or substantially all procedural and substantive contract language matters before the parties

commence negotiations on the economic aspects of the collective bargaining agreement. Economic proposals shall be defined as: wages, overtime, and dollar amount or level of fringe benefits having a measurable economic cost, such as holidays, vacations, days off, leaves of absence, group hospitalization and/or insurance benefits. Language concerning such items shall be negotiated as part of the non-economic issues.

- H. Audio or video recording or transmitting devices, equipment or cameras of any kind shall not be utilized in the negotiating room while negotiations are in progress. There shall be no stenographic or mechanically recorded transcripts of bargaining sessions. Each party may take notes of the bargaining sessions.
- I. Any written or oral press releases or statement to the press or public regarding the substance of negotiations shall be done through mutually agreed-to releases or statements. This restriction shall not apply after fact-finding has been properly completed. If there is an unauthorized press leak, both Chief Negotiators shall meet and attempt to resolve the matter. In the absence of such a resolution, either party may respond to the leak after advising the other party of their intended statements to the press. The Association reserves the right to communicate with its members.
- J. The negotiation teams for each side have authority to reach tentative agreement on proposals submitted for negotiations.
- K. All tentative agreements shall be reduced to writing, initialed, and dated by the chief negotiator for each side at the meeting at which tentative agreement is reached and an initialed copy shall be provided to each bargaining team. Only proposals that have been initialed shall be presented to the bargaining unit members or to the Board as being agreed upon. Initialed provisions are subject to change by the parties only by mutual agreement.
- L. All tentative agreements on given items are contingent upon overall agreement being reached by the parties. No tentative agreement on any item shall be considered effective or binding on either party until an overall agreement is reached and ratified by both parties.
- M. Each side reserves the right to caucus at any time during negotiations. Caucuses shall be limited to 30 minutes unless agreed otherwise.
- N. Proposals and offers of compromise made in side bar discussions shall not be admissible in any interest arbitration proceeding.

- O. When tentative agreement is reached on all issues, it will be submitted to the Union membership for ratification. All members of the Union's bargaining team will use their best efforts to secure ratification. Following ratification by the Union, the tentative agreement will then be submitted to the Board for ratification. All members of the Board's bargaining team will use their best efforts to secure ratification.
- P. Should either party fail to ratify the entire Agreement, then only those issues previously the subjects of bargaining between the parties shall be subject to further negotiations. Negotiations will be resumed at a mutually agreeable time.
- Q. There shall be no smoking during negotiations.
- R. Ninety (90) days prior to the expiration of this Agreement in any year in which negotiations are scheduled to occur, either party may notify the other in writing of a desire to commence bargaining. The parties shall mutually schedule its first negotiations session immediately following such written notice. The first meeting shall be for the parties to exchange packages.
- S. If during the life of this Agreement, in-term bargaining is required as a provision of this Agreement; ordered by SERB as the result of a violation of a provision of this Agreement; ordered by a court of competent jurisdiction as the result of a violation of this Agreement; or by mutual consent of both parties, said bargaining procedures shall be in keeping with the procedures set forth in this Article.
- T. Negotiations time shall not be considered as time worked for any member of the Union bargaining team.
- U. This impasse procedure shall supersede and replace the impasse procedures set forth under Ohio Revised Code 4117.14.

The parties pledge to negotiate in good faith and in the event of failure to achieve a settlement, to utilize in good faith mediatory facilities of the Federal Mediation and Conciliation Service (FMCS).

1. Either party may declare impasse; once impasse is declared, FMCS shall be contacted for the assignment of a mediator.
2. The parties will mediate in good faith for a period of time not to exceed thirty (30) days. This time limit can only be extended by mutual agreement of the parties reduced to writing.

3. If at the end of the mediation period a voluntary settlement has not been achieved, the Board will make a final offer to the Association. The Association will cause a vote of its membership on this final offer.
4. If the Association rejects the Board's final offer, the Association may chose to return to the negotiations table, or give the Board a ten (10) day strike notice in accordance with Ohio Revised Code 4117 procedures.

ARTICLE 5: GRIEVANCE PROCEDURE

A. Definitions

1. A grievance shall mean a complaint, in writing, that there has been an alleged violation, misinterpretation, or misapplication of the terms of this Agreement. A grievance on an employee evaluation shall be based on whether management properly applied the evaluation procedure, not the content of the evaluation.
2. "Days" as used in this procedure shall be workdays exclusive of negotiated or federally recognized holidays.
3. The aggrieved or grievant shall mean an employee or Association member, a group of Association members or the Association acting on behalf of itself.
4. The "party of interest" is the party or parties with whom the aggrieved has a grievance.
5. Representation of the aggrieved may be by any approved agent(s) of the Association.

B. Statement of Basic Principles of Operation

1. Good morale is maintained by sincere efforts of all persons concerned to work toward constructive solutions to problems in an atmosphere of courtesy and cooperation. The purpose of this procedure is to secure equitable solutions to problems at the lowest administrative level. The grievance proceeding shall be kept as informal and confidential as may be appropriate at any level of the procedure.

2. The Association will designate one or more representatives for processing grievances. The name of the Association representative will be given to the Superintendent within one (1) week after such designation.
3. The President of the Association shall receive prior notice of each meeting held to resolve a grievance formally filed. Decisions rendered at each formal level will be made in writing on the appropriate forms setting forth the decision and the reasons therefore, and will be transmitted promptly to all parties in interest, to the President of the Association and the administrator involved.
4. The aggrieved shall be present at any grievance hearing. When the presence of the aggrieved at a grievance hearing is requested only illness or any other incapacity of the aggrieved shall be grounds for any necessary extension of the grievance procedure time limits.
5. The number of days indicated at each step shall be considered maximum. The time limits specified, however, may be extended by written agreement of the parties in interest.
6. An employee who participates in these grievance procedures shall not be subjected to discipline or reprisal because of such participation.
7. If a grievance is filed which might not be finally resolved under the time limits set forth herein prior to the end of the school year, and which, if left unresolved until the beginning of the following school year, could result in irreparable harm to those involved in the grievance, the time limit set forth herein shall be reduced so that the grievance procedure may be concluded prior to the end of the school year.
8. Any grievance not appealed in a timely fashion stands resolved on the basis of the Administration's response at that Step. Any grievance not answered by the Administration in a timely fashion is automatically appealed to the next step of the procedure.
9. Nothing in this contract shall bind the Association from exercising discretion in resolving to pursue or not to pursue a grievance at any level. A grievance may be withdrawn at any level without prejudice or record. The Administration may settle any grievance prior to the next step without establishing precedence.

C. Procedure

1. Level One

A grievance lodged with a principal or the appropriate administrator must be within ten (10) working days after the grievant could reasonably be assumed to have known of the event or action giving rise to the alleged grievance. Continuing grievances shall be recognized. The grievance conference shall occur within five (5) working days after the grievance is filed. The grievant shall be accompanied by the local Representative and/or any other OEA/NEA agent.

2. Level Two

In the event a grievance has not been satisfactorily resolved at Level One, the Association may file, within five (5) working days of the Principal's or of the appropriate administrator's written decision at Level One, a copy of the grievance with the Superintendent. Within five (5) working days after such written grievance is filed, the grievant, the Association Representative and the Principal, Superintendent and/or his designee shall meet to attempt to resolve the grievance. The Superintendent or his designee shall file his decision within five (5) working days of the Level Two filing and communicate it to the grievant and the Association.

3. Level Three

If the aggrieved is not satisfied with the disposition at Level Two of the grievance procedure, he/she/they may initiate Level Three of this procedure. The Association and the aggrieved may refer the grievance to an arbitrator by giving written notice to the Superintendent and/or the Board of its desire to do so. The parties shall file a joint request for a list of arbitrators from the Federal Mediation and Conciliation Service (FMCS) or Arbitration Mediation Services (AMS) within five (5) working days of the appeal to arbitration. The cost of the list or obtaining the panel shall be split by the parties. The arbitrator shall be chosen from a list provided by the Federal Mediation and Conciliation Service (FMCS) or Arbitration Mediation Services (AMS) within thirty (30) days of the receipt of the FMCS list of arbitrators. Either party may reject one (1) list by notifying the other party prior to striking names. The party requesting the new list shall be responsible for the cost. Selection and hearing shall be in accordance with the voluntary rules and regulations of the FMCS or AMS. The arbitrator shall hold the necessary hearing promptly and issue the

decision within such time as may be agreed upon. The decision shall be in writing and a copy sent to each party present at the hearing. The decision of the arbitrator shall be binding on both the Board and the Association.

- D. The Arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration and shall have no power or authority to make any decision:
 - 1. To determine any other issue(s) not so submitted to him/her or to submit observations or declarations of opinion which are not directly essential in reaching the final decision; or
 - 2. In any way interfere with management perogatives involving Board discretion; or
 - 3. Limit or interfere in any way with the powers, duties and rules and regulations having the force and effect of law; or
 - 4. Add to, subtract from, modify, change or amend the terms and provisions of this Agreement, or any written agreements between the parties.
- E. The cost for arbitration, including the travel expenses, hearing room, etc., shall be paid by the losing party. The arbitration costs incurred by each party to the arbitration shall be paid by that party. In a case where there is no clear losing party, the arbitrator has the right and duty to apportion the costs to each party as that arbitration case dictates.
- F. If the Arbitrator's decision awards the payment of back wages covering the period of the employee's separation from the Board's payroll, the amount so awarded shall be less any unemployment compensation or earned wages from whatever source.
- G. The Arbitrator shall issue the decision on the grievance within sixty (60) calendar days from the close of the hearing.

as to that provision. All other provisions of this Agreement which are not in conflict with a federal or state law or valid rule or regulation adopted by a federal or state agency, thereto, shall continue in full force and effect in accordance with their terms. The signing of the material does not indicate agreement with the document, but merely notice that the document is being placed in the file; furthermore, the employee shall have the right to respond, in writing, to any material that is placed in the file. Said response shall be attached to and shall become a part of the document that is to be placed in the file. ARTICLE 16: COMPLAINTS AGAINST MEMBERS OF THE BARGAINING UNIT

- A. Communication between the community and the school ideally should be such that most complaints may be resolved through personal conference at the school level. Whenever a complaint, whether orally or written, is made by a student, parent of a student, or any member of the public concerning a teacher's professional conduct, service or character, the teacher shall be immediately made aware of the complaint. The teacher shall meet with the principal concerning any complaint prior to meeting with the complainant(s). The teacher, complainant(s) and the principal shall attempt to resolve the complaint(s). If such conferences do not lead to understanding and resolution of problems involved, a parent may pursue further action only by submitting a complaint against a teacher, which must be submitted in writing and signed by the complainant, to the principal of the school. The principal shall immediately give a copy to the teacher. Likewise, the teacher may request, in writing, to the principal, that such complaint must be in writing or the matter shall be considered closed.
- B. Further action concerning the complaint shall be initiated by the following procedure:
1. If requested by the complainant or the teacher, a meeting involving the teacher, the principal, and the complainant will be arranged at a mutually convenient time to discuss the complaint.
 2. If it is not resolved at that level, it may be appealed to the Superintendent.
 3. If it is still unresolved, it may be appealed to the Board.
- C. In each of the steps above, a teacher may request and be accompanied by Association counsel and/or Association representative. Any conference regarding such complaints shall be private.
- D. A bargaining unit member's confidential personnel file shall not be open to the public, news media, or their agents, except as required by ORC 149.43. If

anyone other than authorized school personnel or Board members request to see a bargaining unit member's personnel file, the member shall be notified in compliance with Article 8-Personnel Files of this Agreement. The bargaining unit member and/or Association Representative shall have the right to be present at the viewing of his/her file.

ARTICLE 17: STUDENT DISCIPLINE

- A. The Board, the Administration and the Association recognize their shared responsibility toward the students to provide a school environment, which is well organized, effectively managed, and properly disciplined. This can best be accomplished if the administrators, principals, teachers, counselors and others in charge of the students prepare a plan which will result in the proper control of the students, and which will ultimately result in ensuring the optimum learning situation.
- B. The Board, the Administration and the Association also recognize that, although the Principal of the school is ultimately responsible for the discipline and proper control of the students throughout his/her school, it is generally conceded that the discipline of the student in and about the classroom is the duty of the teacher. No Principal, no matter how effective, can repeatedly assume the teacher's classroom disciplinary role. The Principal, on occasion, may aid and assist the teacher, but the Principal cannot replace the teacher and assume the teacher's inherent obligations. It therefore becomes the responsibility of the classroom teacher to so control his/her students that the health and safety of the students can be assured and that the classroom is a proper setting for the best possible learning situation.
- C. The Board and the Administration also recognize their responsibility to give all reasonable support and assistance to teachers with respect to the maintenance of control and discipline in the classroom.
- D. The Board shall promulgate rules and regulations setting forth the procedures to be utilized in disciplining, suspending, or expelling students for misbehavior. Such rules and regulations shall be distributed to the students, teachers and parents at the commencement of each school year. Any additional policies made or passed, either district-wide or by the building, will be distributed. The Board shall solicit the advice of the teachers in this area through the Education Climate Committee.
- E. The parties recognize the need for a consistent policy of discipline in the schools founded on an approach to discipline as a positive measure. This approach shall

focus on discipline as a way to train the students and enable the students to develop self-control, and a way for the teacher to work to change inappropriate behavior through intervention strategies.

- F. Discipline, including corporal punishment, is to be administered with Board policy and with relevant Ohio law. It is the goal of the parties to minimize corporal punishment as a method of discipline in the Chesapeake Union Exempted Village Schools, and it is to be utilized only as a last resort.
- G. The permanent removal of a student from a classroom is an extreme measure, and is only to be undertaken in accordance with Board policy on Expulsion, Suspension and Emergency Removal.
 - 1. Except in cases of emergency removal, when the teacher requests that the student be removed through the suspension or expulsion procedures, before a student is removed from a classroom, at least two (2) prior intervention strategies should have been attempted, and the reasons for removal, including an outline of the problem, and description of the intervention strategies, should be prepared by the teacher initiating or requesting the removal.
- H. It is the obligation of the Principal of each school to meet with the teachers at his/her facility, to review and discuss this Article and the Board policies on discipline, and to make every effort to ensure that discipline is appropriately and consistently maintained in his/her facility.
- I. Any case of assault by a student or any other person upon a bargaining unit member during the performance of a bargaining unit member's duties shall be promptly reported to the building Principal and the report forwarded to the Superintendent.
- J. Within 10 working days from the start of the school year, bargaining unit members shall be notified, as permitted by law, of students with existing medical conditions that might result in an emergency situation. Medical conditions can be physical or psychological in nature. This will be done to insure the safety of all students and bargaining unit members in the event of a medical emergency. Paragraph J is not grievable.

ARTICLE 18: EDUCATIONAL CLIMATE COMMITTEE

- A. The parties to this Agreement recognize that, in the schools of contemporary America, cooperation away from the bargaining table is necessary to be

successful in improving the education climate of our schools, and to further the parties' joint goals of productivity and satisfaction in education. Therefore, the Board, the Administration and the Association agree to establish a joint advisory committee, the Educational Climate Committee.

- B. There shall be established in each building a school Educational Climate Committee.
1. The committee shall meet every month either by a regularly set schedule or by the call of a majority of the members. The first meeting of the Educational Climate Committee shall be no later than the fourth week of September. The building administrator shall call the meetings.
 2. The function of the committee shall be to discuss building level concerns and problems and to resolve them as quickly and cooperatively as possible. Any unresolved issues may be taken to the District Educational Climate Committee.
 3. The assigned building administrator shall be in attendance at all the Educational Climate Committee meetings or designate an appropriate administrator to cover the meeting should he/she be unable to attend.
 4. There shall be no discussion of grievances, bargaining issues, unfair labor practice charges, or any other related topic of similar nature. All issues submitted for consideration at the building level must be signed by the individual/parties.
 5. The building administrator shall act as chairperson and appoint faculty membership.
 6. The elementary school, middle school and high school shall structure their committees to guarantee equal representation for each grade level, special areas, and/or departments as necessary. There shall also be an Association representative in addition to the building administrator.
 7. In any event the Educational Climate Committee at each school shall not exceed seven members.
- C. The District Educational Climate Committee shall be composed of one teacher from each school building, all appointed by the Association, along with the Association president, and principals of each building, and will be chaired by the Superintendent. Association members shall be selected by September 1.

1. The issues presented before the District Educational Climate Committee shall reflect the opinions of the majority of the teachers in a particular, not the concerns of individuals, so as to reflect the true feelings of the faculty of a building. All issues shall be discussed at the building level with the principal before being presented to the district committee.
2. The District committee will meet quarterly, in the months of September, December, March and May. The Superintendent shall establish the time and location of the September meeting. Subsequent meeting times and locations shall be established at this first meeting.
3. The various building representatives shall present an overview of the building Educational Climate Committee meetings and highlight any areas that are either currently being addressed or have not been resolved.
4. In the event an issue comes to impasse, the final decision will rest with the Superintendent and Board of Education. It is understood that every effort will be made to settle all issues at the building level.

ARTICLE 19: EMERGENCY CLOSING OF THE SCHOOLS

- A. Should it be determined by the Superintendent that school cannot be opened for students, bargaining unit members shall not be required to report for work.
- B. The Administration shall make every effort to notify the bargaining unit members of school closing by 6:15 a.m. This notification shall be made through the radio stations identified in the faculty handbook and by the telephone tree systems established in each school building.
- C. All bargaining unit members shall receive their normal compensation for days that the school district is closed due to such emergencies, provided that this does not exceed the state-mandated five (5) calamity days. In the event that school is closed in excess of five (5) calamity days, bargaining unit members regular pay will not be affected. The Administration and the Association will mutually agree to a make up day schedule in compliance with State law.

ARTICLE 20: TEACHING ENVIRONMENT

- C. The Board and the Administration desire to do everything in their power to provide the most conducive atmosphere for teaching and learning. In keeping with this goal, the Board will make every attempt, within the financial limitation of the school district, to allocate sufficient funds, to provide for the purchase and/or replacement of textbooks, library books, instructional materials, supplies and equipment of sufficient quality and quantity to enable teachers to fulfill their teaching responsibilities in an adequate and professional manner.
- D. A bargaining unit member shall have the right to use available equipment and supplies to aid in the preparation of instructional materials in accordance with Administrative policies.

- D. A normal school week is defined as five (5) days (Monday through Friday).

ARTICLE 22: PARENT TEACHER CONFERENCE TIME

- A. A minimum of two (2) days per school year shall be scheduled for the purpose of parent-teacher conferences.

2. When a pregnant employee desires a period of time for leave due to maternity reasons and to return to the employ of the Board at a future date, she must make written application to the Superintendent for a leave of absence without pay or benefits to be paid by the Board. This will not affect such employee's rights under COBRA to continue benefits at her own expense. Such application must be accompanied by a doctor's written statement, stating the approximate date of delivery. This leave of absence may become effective at any time during pregnancy, and must become effective no later than the last excepted date prior to delivery on which the employee will be physically or emotionally capable of performing all the duties and functions of her position, with said date to be established by a doctor's written statement. To request the termination of a maternity leave, the employee must submit to the Superintendent of Schools by registered mail, return receipt requested, a written statement from her doctor certifying that she is able to resume her duties. 4. Leave taken for a period that ends with the school year and begins with the next semester is taken consecutively. Summer recess is not counted against FMLA entitlement.
5. Medical certification shall be required to substantiate leave for the reasons stated above with the Board having the option of requiring second and third opinions at Board expense. Employees shall use the Department of Labor's Certification of Health Care Provider Form when medical certification is required. Employees shall receive notice by the Department of Labor's Employer Response to FMLA Request Form.
6. Bargaining unit members may be entitled to use family and medical leave on an intermittent or reduced leave schedule basis upon mutual agreement between the Board and employee and provided all requirements have been satisfied.
 - a. When a bargaining unit member uses family and medical leave on an intermittent or reduced leave schedule basis, the Board may temporarily transfer the bargaining unit member to an alternative position with equivalent pay and benefits which would better accommodate the recurring periods of leave and not disrupt the services provided to the public. Upon return from leave, the bargaining unit member shall be restored to his/her former position or an equivalent position.

- b. When an instructional employee needs intermittent leave which is foreseeable and the employee would be on leave for more than 20% of the total number of working days over the period the leave would extend, the Board may require the employee to either:
 - (1) Take leave for a period or periods of a particular duration; or
 - (2) Transfer temporarily to an available alternative position for which the employee is qualified.

 - (2) The employee would return to work during the two (2) week period before the end of the term.
 - e. When an instructional employee begins leave during the three (3) weeks before the end of the term and lasting more than five (5) working days, the employer may require the employee to continue taking leave until the end of the term.
 - f. With respect to paragraphs 6-b through 6-e, only the time needed for FMLA reasons shall be counted against the FMLA entitlement.
7. Health insurance benefits shall continue during the period of family and medical leave, not to exceed a total of twelve (12) weeks per year, with the Board paying the Board's share of the health insurance premium. The employee must make arrangements for payment to continue his/her portion of the health insurance premium. The Board may recover any premiums paid if the employee fails to return to work, unless the failure to

return was due to the continuance, recurrence or onset of a serious health condition or due to other circumstance beyond the bargaining unit member's control.

8. For the purposes of this article, the following definitions shall apply:
 - a. "Serious Health Condition" - an illness, injury, impairment, or physical or mental condition which involves inpatient care of three (3) days or more in a hospital, hospice, or residential care facility; or continuing treatment of at least two (2) or more visits or supervision by a health care provider.

MEMORANDUM OF UNDERSTANDING

BETWEEN

THE

CHESAPEAKE UNION EXEMPTED VILLAGE SCHOOL DISTRICT
BOARD OF EDUCATION

AND

CHESAPEAKE LOCAL TEACHERS ASSOCIATION

The Chesapeake Union Exempted Village Board of Education (the Board) and the Chesapeake Local Teachers Association (the Association) enter into this memorandum in order to arrive at a workable solution to an issue that has arisen with respect to the 10 day posting period.

Due to time constraints and training requirements it occasionally becomes necessary to fill supplemental positions more quickly than routine procedures permit. Recently, it was determined that Mentors as defined in the Collective Bargaining Agreement in Article 30, Section E, Group D were needed. Training for such Mentors is available on August 25th and 26th.

The Board understands its responsibility to negotiate any changes in terms and conditions of the employment. For this specific set of circumstances the Board is proposing to shorten the 10 day posting period agreed to in Article 30, Section E, Group D to five working days.

MEMORANDUM OF UNDERSTANDING

BETWEEN

THE

CHESAPEAKE UNION EXEMPTED VILLAGE SCHOOL DISTRICT
BOARD OF EDUCATION

AND

CHESAPEAKE LOCAL TEACHERS ASSOCIATION

The Chesapeake Union Exempted Village Board of Education (the Board) and the Chesapeake Local Teachers Association (the Association) enter into this memorandum in order to arrive at a workable solution to an issue that has arisen.

Due to the changing needs of the district, from time to time it becomes necessary to make changes and/or adjustments in positions. Recently, the Board determined that the district would be better suited with an Assistant Athletic Director which would replace the current position of Middle School Athletic Director.

The Board understands its responsibility to negotiate the salary of a newly created position. The Board is proposing that the salary for the newly created Assistant Athletic Director position be established using the criteria outlined in Article 30, Group C of the negotiated agreement.
