PREAMBLE

Statement of principles governing the initial agreement between the Board of Education and the Chesapeake Union Exempted Village School District ("Board") and the Ohio Association of Public School Employees ("OAPSE") and its Chapter #Local 275 ("Association").

It is the intent and purpose of the parties hereto to set forth in the Agreement which follows herein their respective rights and obligations with regard to one another, and to commit themselves to act in accordance with Ohio and federal requirements for parties to a public sector bargaining agreement.

Further, it is the desire of the parties herein to affirm that their greatest duty is a mutual commitment to the citizens and to the students of the Chesapeake Union Exempted Village School District, and to express their recognition that the overriding obligation of the parties hereto is to strive for and to attempt to provide safety in and access to educational opportunities.

The parties herein agree that it is their primary joint obligation to provide safe and secure transportation for the students, as well as to offer opportunities for student enrichment. The Association recognizes the role of its members in promoting the physical safety of the students and providing their means of access to educational opportunities. The Board recognizes its role in assisting and supporting the members of the Association by active support, by fair compensation, and by assisting in sustaining and improving the development of bus driver competence.

To these ends, the parties recognize the need of the bus drivers and administration to function in a harmonious and mutually supportive environment. Accordingly, the purpose of this agreement is to establish a framework that will foster such an environment and further the guiding principles set forth above.

This contract made and entered into this ____ day of _____ 20____, by and between the Board of Education of the Chesapeake Union Exempted Village School District, hereinafter referred to as the "Board", and the Ohio Association of Public School Employees, hereinafter referred to as "OAPSE", and its Local #275, hereinafter referred to as the "Association".

ARTICLE 1: **TERM**

- A. This contract is effective for the period commencing October 5, 2010 and ending October 4, 2013, with wage and benefit provisions effective as of the signing of the Agreement.

ARTICLE 2: **RECOGNITION**

- A. The Board hereby recognizes the Association as the exclusive bargaining representative for all classified employees now employed or to be employed in the bargaining unit, for the duration of this Contract.

- B. The bargaining unit is defined as all bus drivers, custodians and mechanics.
- C. Excluded from the bargaining unit are all management employees, supervisors, confidential employees as defined by Ohio Revised Code Chapter 4117, and seasonal and casual employees as defined by SERB.

ARTICLE 3: MANAGEMENT PREROGATIVES OF THE BOARD

Except as specifically limited by the terms and provisions of this agreement, the Board and the Superintendent shall retain all rights, powers, and authorities vested in them prior to the date of this Agreement.

The rights, powers, and authorities mentioned in the above shall include but shall not be confined to the following:

- A. The right to manage and control the schools, to determine matters of inherent managerial policy, to determine all locations for school facilities and equipment, including transportation equipment, the equipment to be used, the processes, techniques, methods, and means to be used in servicing the school system, the right to determine all schedules of events, schedules of working hours, assignments of employees, and the right to establish and maintain and amend occupational classifications, to establish working rules and regulations, to lay off, hire substitute employees, and recall employees whenever necessary.
- B. The power to establish rules and regulations governing all employees and pupils, the administration of the school district, use of school district property, attendance at meetings and the compensation of reimbursement of expenses incurred and to determine its overall budget.
- C. The authority to direct, supervise, evaluate, hire, rehire, promote, retain, suspend, discipline, demote or discharge for just cause, assign, and reassign employees, to effectively manage the work force, to maintain discipline and efficiency, non-renew and discharge employees, to determine employee schedules, to determine the adequacy of the work force to determine the overall mission and standards of the Board as employer and in furtherance of its responsibility to the students and community of the school district.
- D. All rights, powers, and authorities granted at any time to Boards of Education and School Superintendents by the laws of the State of Ohio, including Section 4117.08 of the Ohio Revised Code, as well as such rights, powers, and authorities which can reasonably be inferred therefrom.

When the rights, powers, and authorities itemized above are modified or limited by the terms and provisions of this Agreement, they shall be modified or limited to the extent specifically provided therein.

ARTICLE 4: DUES DEDUCTION AND FAIR SHARE FEE

- A. The Employer agrees to deduct OAPSE membership dues in accordance with this Article for all employees eligible for the bargaining unit on the first pay period after the 61st date of employment and upon receipt from the employee or OAPSE of an authorization card signed by the employee voluntarily for that purpose.
- B. At the completion of six (6) months or one-half (1/2) of the probationary period, the employee shall pay to OAPSE a fair share fee in an amount as determined by OAPSE not to exceed the Ohio Association of Public Schools Employees' dues, in accordance with the provisions of Ohio Revised Code Section 4117.09 (C).
- C. The Employer agrees to deduct regular OAPSE membership dues, initiation fees or assessments once each month from the pay of any bargaining unit member. Upon receipt of the proper authorization form, the Employer will deduct the OAPSE dues from the payroll check for the next period in which dues are normally deducted following the pay period in which the authorization was received by the Employer. The Employer must be given a one (1) month (30 days) notice for making any changes in any individual's dues deductions.
- D. The Employer shall be relieved from making such individual check-off deductions upon:
 - 1. termination of employment;
 - 2. transfer or promotion to a job other than one covered by the bargaining unit;
 - 3. layoff from work;
 - 4. an agreed leave of absence; or
 - 5. revocation of the check-off authorization in accordance with its terms and with applicable law.
- E. Each eligible bargaining unit member's written authorization for dues deduction shall be honored by the Employer for the duration of this Agreement, unless the eligible bargaining unit member certifies in writing by certified mail to the Employer and OAPSE that the dues check-off authorization has been revoked, at which point the dues deduction will cease, effective the pay period following the pay period in which the written dues deduction revocation was received by the Employer.
- F. The Employer will cause the dues deducted from the eligible bargaining unit members' pay to be remitted once each month in accordance with this Article to the individual officer designated in writing to receive same by OAPSE.
- G. It is specifically agreed by the Employer and OAPSE that the Employer assumes no obligation, financial or otherwise, arising out of the provisions of this Article, and OAPSE agrees that it will indemnify and hold the Chesapeake School District harmless from any claims, actions or proceedings by anyone arising from the deductions made by the

Employer. Once OAPSE dues are remitted to the Ohio Association of Public School Employees, their disposition shall be the sole and exclusive obligation and responsibility of OAPSE.

- H. The Employer shall not be obligated to make dues deductions from any bargaining unit member who, during any dues months involved, shall have failed to receive sufficient wages to make all legally required deductions in addition to the deduction of dues.
- I. It is specifically agreed that neither the Bargaining unit members nor OAPSE shall have claims against the Employer for errors in the processing of deductions unless a claim of error is made to the Employer in writing within sixty (60) days after the date such an error was made. It will be corrected at the next pay period that OAPSE dues would normally be deducted by deducting the proper amount.
- J. All non-probationary employees covered by this Agreement who are members of OAPSE on the effective date of this Agreement shall be required to pay OAPSE dues. Bargaining unit members are not required to join OAPSE as a condition of employment; however, upon completion of one-half their probationary period all bargaining unit members who are not members of the Ohio Association of Public School Employees shall be required to pay a fair share fee to OAPSE as a condition of continued employment. The fair share fee shall cover the employee's prorated share of:
 - 1. The direct costs incurred by OAPSE in negotiating and administering this Agreement and of settling grievances and disputes arising under this Agreement; and
 - 2. The Ohio Association of Public School Employees' expenses incurred for activities normally and reasonably employed to effectuate its duties as Exclusive Representative of the employees in the bargaining unit covered by this Agreement.

Fair share fees shall be deducted and remitted during the same period as dues, as provided by this Article, provided the bargaining unit member has received sufficient wages during the applicable pay period to equal the deduction. The deduction of the fair share fee is automatic and does not require authorization by the employee, as outlined in Chapter 4117 of the Ohio Revised Code. This arrangement does not require any employee to become a member of OAPSE, nor shall the fair share fees exceed dues paid by members of OAPSE who are in the bargaining unit. The fair share fee shall be certified by mail to the Employer.
- K. The Ohio Association of Public School Employees shall prescribe an internal procedure to determine a rebate, if any, for non-members, which conforms to federal law, provided a non-member makes a timely demand on OAPSE. The internal rebate procedure shall provide for a rebate of expenditures in support of partisan politics or ideological causes not germane to the work of OAPSE in the realm of collective bargaining. Absent arbitrary and capricious action, such determination is conclusive on the parties except that a challenge to such determination may be filed with the State Employment Relations Board (S.E.R.B.) within thirty (30) days of the determination date specifying the arbitrary

or capricious nature of the determination, and S.E.R.B. shall review the rebate determination and decide whether it was arbitrary or capricious. The deduction of a fair share fee by the Employer from the payroll check of the bargaining unit member and its payment to OAPSE is automatic and does not require the written authorization of the bargaining unit member.

- L. Any bargaining unit member who is a member of and adheres to established and traditional tenets or teachings of a bona fide religious body which has historically held conscientious objections to joining or financially supporting an employee organization and which is exempt from taxation under the provisions of the Internal Revenue Code shall not be required to join or financially support any employee organization as a condition of employment. Upon submission of proper proof of religious conviction to the S.E.R.B., it shall declare the bargaining unit member exempt from becoming a member of or financially supporting the Ohio Association of Public School Employees. The bargaining unit member shall be required, in lieu of the fair share fee, to pay an amount of money equal to such fair share fee to a nonreligious charitable fund exempt from taxation under Section 501(C)(3) of the Internal Revenue Code mutually agreed upon by the bargaining unit member and the representative of OAPSE.
- M. The Employer shall not be required to remit to the Ohio Association of Public School Employees the monthly fair share fees on non-union bargaining unit members and the dues, assessments or membership fees of OAPSE members during the period of an authorized or unauthorized strike, walkout or other job action by the Ohio Association of Public School Employees, its membership or upon contract termination.
- N. The Ohio Association of Public School Employees agrees to hold the Chesapeake School District harmless against any and all claims which may arise in the Employer's implementation of the fair share provisions of this Article.

ARTICLE 5: NON-DISCRIMINATION

- A. A member of the unit shall not be discriminated against or harassed by either the Association or the Board or any other unit member on the basis of race, sex, religion, national origin, handicap, age or disability.
- B. The use of the male gender (he, his, him) shall also refer to the feminine gender as well.

ARTICLE 6: GRIEVANCE PROCEDURE

- A. Definitions.
 - 1. A grievance shall mean a complaint, in writing, that there has been an alleged violation, misinterpretation, or misapplication of the terms of this Agreement. A grievance on an employee evaluation shall be based on whether management properly applied the evaluation procedure, not the content of the evaluation.

2. "Days" as used in this procedure shall be work days exclusive of negotiated or federally recognized holidays.
3. The aggrieved or grievant shall mean an employee or Association member, a group of Association members or the Association acting on behalf of itself. Individual grievances must be signed by the bargaining unit member, and class action grievances may be signed by the president or OAPSE Representative.
4. The "party of interest" is the party or parties with whom the aggrieved has a grievance.
5. Representation of the aggrieved may be by any approved agent(s) of the Association, however, the grievant must be present at all meetings.

B. Statement of Basic Principles of Operation.

1. Good morals are maintained by sincere efforts of all persons concerned to work toward constructive solutions to problems in an atmosphere of courtesy and cooperation. The purpose of this procedure is to secure equitable solutions to problems at the lowest possible administrative level. The grievance proceeding shall be kept as informal and confidential as may be appropriate at any level of the procedure.
2. The Association will designate one or more representatives for processing grievances. The name of the Association representative will be given to the Transportation Director/Superintendent concerned within one (1) week after such designation.
3. The President of the Association shall receive prior notice of each meeting held to resolve a grievance formally filed. Decisions rendered at each formal level will be made in writing on the appropriate forms setting forth the decision and the reasons therefore, and will be transmitted promptly to all parties in interest, to the President of the Association and the administrator involved.
4. The aggrieved shall be present at any grievance hearing. When the presence of the aggrieved at a grievance hearing is requested only illness or any other incapacity of the aggrieved shall be grounds for any necessary extension of the grievance procedure time limits.
5. The number of days indicated at each step shall be considered maximum. The time limits specified, however, may be extended by written agreement of the parties in interest.
6. An employee who participates in these grievance procedures shall not be subjected to discipline or reprisal because of such participation.
7. If a grievance is filed which might not be finally resolved under the time limits set forth herein prior to the end of the school year, and which, if left unresolved until

the beginning of the following school year, could result in irreparable harm to those involved in the grievance, the time limit set forth herein shall be reduced so that the grievance procedure may be concluded prior to the end of the school year.

8. Nothing in this contract shall bind the Association from exercising discretion in resolving to pursue or not to pursue a grievance at any level. A grievance may be withdrawn at any level without prejudice or record. The Administration may settle any grievance prior to the next step without establishing precedence.

C. Procedure.

Level One.

A grievance lodged with the Transportation Director or the appropriate administrator must be within ten (10) working days after the grievant could reasonably be assumed to have known of the event or action giving rise to the alleged grievance. Continuing grievances shall be recognized. The grievance conference shall occur within five (5) days after the grievance is filed. The grievant shall be accompanied by the local Representative and/or any other OAPSE agent.

Level Two.

In the event a grievance has not been satisfactorily resolved at Level One, the Association may file, within five (5) days of the Transportation Director's or of the appropriate administrator's written decision at Level One, a copy of the grievance with the Superintendent. Within five (5) days after such written grievances is filed, the grievant, the Association Representative and the Principal, Superintendent and/or his designee shall meet to attempt to resolve the grievance. The Superintendent or his designee shall file his decision within five (5) days of the Level Two filing and communicate it to the grievant and the Association.

Level Three.

If the aggrieved is not satisfied with the disposition at Level Two of the grievance procedure, he/she/they may initiate Level Three of this procedure. The Association may refer the grievance to the arbitrator by giving written notice to the Superintendent and/or the Board of its desire to do so within thirty (30) days. The parties will mutually agree to either AMS or FMCS. The arbitrator shall be chosen from a list provided by the Federal Mediation and Conciliation Service (FMCS) or Arbitration Mediation Services (AMS) within thirty (30) days of the receipt of the Association's request for arbitration. The Board and the Association shall split the cost of the list. Selection and hearing shall be in accordance with the voluntary rules and regulations of the FMCS or AMS. The arbitrator shall hold the necessary hearing promptly and issue the decision within such time as may be agreed upon. The decision shall be in writing and a copy sent to each party present at the hearing. The decision of the arbitrator shall be binding on both the Board and the Association.

Renewal of limited contracts for employees may be taken through the grievance procedure, short of binding arbitration. Binding arbitration is specifically excluded from application to disputes over the renewal of employees whose contracts are in a noncontinuing status.

The arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration and shall have no authority to determine any other issue(s) not so submitted to him/her or to submit observations or declarations of opinion which are not directly essential in reaching the final decision or in any way interfere with management prerogatives involving Board discretion nor limit or interfere in any way with the powers, duties and rules and regulations having the force and effect of law. The cost for arbitration shall be paid by the losing party. The arbitration cost incurred by each party to the arbitration shall be paid by that party. In a case where there is no clear losing party, the arbitrator has the right and duty to apportion the costs to each party as that arbitration case dictates.

ARTICLE 7: SENIORITY

The principle of seniority hereinafter defined shall prevail for layoffs.

- A. Seniority shall be defined as the unit member's length of continuous service as a school bus driver with the Board as computed from his/her initial date of hire by the Board. Effective with this contract, part-time seniority will accrue based on the number of days worked. One hundred seventy-eight (178) days equals one (1) year of service.
 - 1. Seniority as Custodian or Mechanic is determined by the initial date of hire by the Board for full-time employees and part-time seniority on number days worked, 180 to 260 days equals 1 year seniority.
 - 2. Classification seniority is calculated from the date of entry into a classification. No employee can accumulate classification seniority in more than one (1) classification, and leaving a classification causes a break in classification seniority.
- B. When it becomes necessary, the Board may hire temporary employees to substitute for members of the bargaining unit. Such temporary employees shall not accumulate seniority, nor become regular full-time or regular part-time employees, unless they are later hired for regular full-time or regular part-time positions and complete the probationary period.
- C. The Treasurer of the Board of Education shall upon specific written request provide the Association yearly with a list of the unit members of those eligible to be in the unit.
- D. If two (2) or more employees have identical seniority dates, date of application will be used to break the tie, if the date of application is tied then the tie shall be broken on the last digit of the social security number with number 9 being high and zero low, high number prevails, if the last digit is the same then the next digit to the left will be used until the tie is broken.

ARTICLE 8: LAYOFF-RECALL PROCEDURE

- A. The Board may layoff bargaining unit members when it determines, in the exercise of its managerial powers reserved upon ORC Section 4117.08(C)(5), that such layoff is required. The following procedure shall govern:
1. The number of bargaining unit members laid off will be kept to a minimum by not employing replacement, insofar as practical, of unit members who resign, retire or otherwise vacate a position.
 2. Whenever it becomes necessary to layoff unit members, unit members shall be laid off according to classification seniority, as it is defined in this Agreement, with the least senior employee laid off first. Authorized leaves of absence do not constitute an interruption of continuous service for purposes of seniority.
 3. Twenty (20) days prior to the effective day of layoffs, the Board shall prepare and post on the Association bulletin board a list containing the names and classification seniority dates of bargaining unit members, and indicate which unit members are to be laid off. The Association and each unit member to be laid off shall be given advance written notice of the layoff. Each notice of layoff shall state the following:
 - a. Reasons for the layoff or reduction.
 - b. The effective day of layoff.
 - c. A statement advising the unit member of his/her rights of reinstatement from the layoff.
 4. Reinstatement shall be offered in order of seniority from the seniority classification list in paragraph A-3 above before any new employees are hired for bargaining unit positions. Any unit member who declines reinstatement shall be removed from the seniority list for reinstatement purposes.
 5. The unit member's name shall remain on the recall list for the period of two (2) years from the effective date of layoff. If reinstated from layoff during this period, such unit member shall retain all previous accumulated seniority.
 6. The notice of reinstatement shall be made by certified mail.
 7. It is the bargaining unit member's responsibility to maintain a current address with the Board office for purposes of recall.

ARTICLE 9: PHYSICAL OR MENTAL EXAMINATIONS

- A. A job-related physical or mental examination may be required of all bargaining unit members after an offer of employment has been made but prior to beginning employment. The Board may condition the offer of employment or continued employment upon the passage of a physical or mental examination. The cost of such examinations shall be provided by the Board of Education.

ARTICLE 10: LEAVES

A. Sick Leave.

- 1. Upon approval of the Superintendent, bargaining unit members may use sick leave for absences as provided in Section 3319.141 of the Ohio Revised Code, and under the procedures contained in this Article.
- 2. Each full-time and part-time bargaining unit member shall be entitled to fifteen (15) days sick leave with pay for each year under contract, which shall be credited at the rate of one and one-fourth (1-1/4) days per month. Part-time employees shall accumulate sick leave at the rate of 0.083 hour per day. Unused sick leave shall be cumulative up to one hundred twenty (120) working days for part-time bargaining unit members. The amount of sick leave days which can be accumulated by full-time bargaining unit members shall not exceed a total up to three hundred and twenty-five (325) working days.
- 3. The following are additional features of the cumulative sick leave plan:
 - a. In case of absence due to illness in the employee's immediate family, sick leave may be used within the three hundred and twenty-five (325) days accumulated maximum.
 - b. In case of death in the employee's immediate family, sick leave may be used within the three hundred and twenty-five (325) days accumulated maximum.
 - c. Death or illness in the employee's immediate family shall include father, mother, brother, sister, husband, wife, child, mother-in-law, father-in-law, son or daughter-in-law, grandparent, grandchild, aunt, uncle, or any other member of the employee's household group who has clearly filled one of these positions in the family.
 - d. In the case of absence due to personal illness or pregnancy, illness in the immediate family, injury or exposure to contagious diseases which could be communicated to others, the employee must furnish a written, signed statement on forms prescribed by the Board of Education to justify the use of sick leave. If medical attention is required, the employee's statement shall list the name and address of the attending physician and the dates when he was consulted.

- e. All written statements must be submitted to the Superintendent or their immediate Supervisor the day the employee returns to duty if absent less than one (1) week. If the employee is absent more than five (5) days, then statements must be submitted weekly. Failure to do so will be just cause for deducting pay for the day or days of absence. Falsification of a statement is grounds for suspension or termination of employment under this contract.
- f. No days of absence with pay shall be allowed for any other reason not specified in this cumulative sick leave plan.
- g. A new bargaining unit member who has had no opportunity to accumulate sick leave may, upon request, be advanced a maximum of five (5) days in accordance with the above provisions, providing the number of days requested may be accumulated by the unit member before the succeeding June 1. Such days will be deducted from the unit member's total accumulation of sick leave at the end of the year.
- h. A bargaining unit member who has used all previously accumulated sick leave may, upon request, be advanced a maximum of five (5) days in accordance with the above provisions, providing the number of days requested may be accumulated by the unit member before the succeeding June 1. Such days will be deducted from the unit member's total accumulation of sick leave at the end of the year.
- i. When reporting off, bargaining unit members shall notify the Superintendent or designee according to the following schedule, all others 1 ½ hours prior to start of their shift:
 - a. By 6 a.m., if assigned to a morning run,
 - b. By 12 noon, if assigned to an afternoon run,
 - c. No later than two (2) hours prior to any scheduled run.

B. Personal Leave.

1. The following rules and regulations shall govern the use of administration of a maximum of three (3) unrestricted days personal leave for all bargaining unit members. Personal leave may be used for necessary personal or business not covered by other types of paid leave. Personal leave must be taken in one-half (½) day or whole (1) day increments.
2. Each request for such leave shall be made by written application to the Transportation Director or their immediate Supervisor. This request shall state the reason or purpose of the day's leave, the date of the same, and shall be filed, except in emergencies, twenty-four (24) hours before the day of leave requested in order that suitable replacement or substitute can be obtained.

The Superintendent shall have the right to limit the number of requests granted for leave on any given school day, thus ensuring that the normal operations of the school system will not be materially effected by such leave.

3. Procedure for administration of personal leave shall be:
 - a. The unit member shall make written application to the Superintendent or their immediate Supervisor twenty-four (24) hours in advance on forms provided by the Board of Education.
 - b. If the Superintendent or their immediate Supervisor has reason to question the validity of the reason for which the leave is requested, he shall discuss this with the unit member to determine the validity of the unit member's reason for leave.
 - c. If the unit member has any doubt concerning the validity of the request, or if he/she wishes a definite answer before taking the leave, he/she shall discuss the reason with the Superintendent or their immediate Supervisor.
 - d. Personal leave ordinarily shall not be granted to any unit member during the period of one (1) day before or one (1) day after any school holiday or dismissal day. Personal leave shall not be taken to extend a vacation, holiday or school break. Personal leave shall not be accumulated from one (1) year to another.
 - e. The filing of a false application shall be considered grounds for disciplinary action by the Board of Education in such form and manner as the Board may deem advisable.
 - f. Personal leave shall be taken only for necessary personal or business matters, not for recreational purposes.
4. Personal leave not used during the course of a school year may be converted to the Bargaining unit member's accumulated sick leave total day for day upon request of the Bargaining unit member, or a bargaining unit member may cash in any unused personal leave days for payment at their current rate after June 1, each year.

C. Jury Duty.

1. Bargaining unit members who are subpoenaed to any court for jury duty by the United States, the State of Ohio, or a political subdivision thereof shall be paid the difference between their regular compensation and the amount received for jury duty. The unit member summoned for jury duty shall notify the Superintendent in advance of the leave of this summons, including the day or days, and shall report in writing to the Superintendent the time actually spent on jury duty and the amount received for such jury duty.
2. Bargaining unit members will not be paid for any jury duty or court leave for matters which the employee has an interest or is involved personally.

D. Leave of Absence.

1. Upon a written request, the Board may, in its discretion, grant a leave of absence, without pay, for a period of not more than two (2) years for educational or professional or other purposes, and shall grant such leave where illness or other disability is the reason for the request. Each request shall be in writing and signed, and shall state the reason for the leave, the period for which the leave is sought, and such request shall be made, when practicable, no less than thirty (30) days before the beginning of the leave period. A leave due to illness or disability shall be accompanied by a doctor's certificate like that described in Section D (1) above. Falsification of a leave request shall be grounds for suspension or termination.

Bargaining unit members granted such leaves shall not accrue seniority during the period of leave, but shall not lose previously accrued seniority.

2. If, after the return of the unit member from leave, the person employed for the purpose of replacing the unit member on leave is continued in employment as a regular employee, or if he/she is hired by the Board as a regular employee within a year after such employment as a replacement, he/she shall receive credit for the length of service with the Board during the replacement period in the manner set forth in Section 3319.13 of the Ohio Revised Code.

E. Maternity Leave.

1. It is recognized that pregnant employees may desire a consecutive period of time for leave during and after pregnancy. It is further recognized that the pregnant employee may desire this leave to include periods of time during which she is not physically or mentally disabled as a result of the pregnancy, as well as any periods when she is so disabled.
2. When a pregnant employee desires a period of time for leave due to maternity reasons and to return to the employ of the Board at a future date, she must make written application to the Superintendent for a leave of absence without pay or benefits to be paid by the Board. This will not affect such employee's

rights under COBRA to continue benefits at her own expense. Such application must be accompanied by a doctor's written statement, stating the approximate date of delivery. This leave of absence may become effective at any time during pregnancy, and must become effective no later than the last expected date prior to delivery on which the employee will be physically or emotionally capable of performing all the duties and functions of her position, with said date to be established by a doctor's written statement. To request the termination of a maternity leave, the employee must submit to the Superintendent of Chesapeake Schools by registered mail, return receipt requested, a written statement from her doctor certifying that she is able to resume her duties. This written statement shall be submitted no later than thirty (30) days before the beginning of the next school semester. Failure to submit this statement in a timely manner will result in loss of reinstatement rights for the next succeeding semester. The Superintendent of Chesapeake Schools may require verification of the statement. Reinstatement on the rolls shall occur no later than the beginning of the next semester immediately following the doctor's certification for the employee's notification that she is ready for assignment. For the purposes of this provision, the summer vacation period between school years shall not be considered a semester.

3. The maximum amount of leave granted for a maternity case shall be the remainder of the schools year in which the leave becomes effective and one additional school year. When the employee elects to use the maximum amount of maternity leave provided, she shall inform the Superintendent of Chesapeake Schools in writing of her intention to return to service at least one hundred twenty (120) days before she expects to resume her duties. Failure to comply with this regulation shall be deemed an automatic resignation.
4. The administration may initiate maternity leave for a pregnant employee in accordance with this contract provision and the law at any time during an employee's pregnancy.

F. Unpaid Sick Leave.

1. In accordance with the Family and Medical Leave Act of 1993 and recent amendments, employees who have worked at least 1,250 hours in the past twelve (12) months shall be entitled to a maximum of twelve (12) weeks of unpaid leave for the following reasons:
 - a. To care for a newborn son or daughter;
