UNION MEMBERSHIP, MEETINGS AND DUES

Section 1. The City agrees to deduct from each payroll, dues, fees and assessments in an amount certified to be current by the Secretary/Treasurer of the Local Union, from the pay of those employees who individually authorize in writing that such deductions be made. The total amount of deductions shall be remitted within fourteen (14) days of the deduction by the Employer to the Secretary/Treasurer of the Union in the full amount deducted.

Section 2. The City agrees to require each new employee into the Fire Department, who is not a member of the Union, as a condition of employment, to pay to the Union by way of payroll deduction a Fair Share Fee as determined by the Secretary/Treasurer of the Union but not to exceed the initiation fees, dues and/or assessments paid by the Union members.

Section 3. Any individual employee who objects to joining or financially supporting the Union, based on bona fide religious tenets or teachings of a church or religious body of which such employee is a member, and has historically held such objection, and is tax exempt, will be required to inform the City and the Union of his objection. When sick leave is used, it shall be deducted from the employee's credit on the basis of one (1) hour for every one (1) hour of absence from previously scheduled work.

The Mayor or other responsible administrative officer shall require the employee to furnish a qualified affidavit that his absence was caused by illness due to any of the causes mentioned in this section, if such absence was in excess of three (3) days or for a lesser period of time, if the Mayor or such officer feels that such affidavit is necessary to prevent abuse of the provisions of this section.

The City reserves the right to require each employee applying for sick leave to be examined by a doctor named by the City to ascertain the nature and extent of illness claimed.

The maximum withdrawal permitted shall be Ten Thousand Dollars (\$10,000.00) per year by any eligible employee. However, additional withdrawals may be approved by the Director of Finance.

Early withdrawal compensation of sick time will be computed on the basis of the employee's hourly rate, based on his/her base pay, at time of approval. This in no way changes the accumulation rate as described in Article X, Section 1 and Section 3.

Section 4. Funeral Leave. When death occurs in an employee's immediate family (i.e., spouse, child, parent, grandparent and parent-in-law, brother and sister-in-law, brother, sister and spouse's grandparent), an employee will be excused for up to one 24-hour consecutive period (or for such fewer time as the employee may be absent) on which he otherwise would have worked and provided he attends the funeral service or memorial service in lieu of the funeral service. Such payment will be at the employee's normal rate. Payment under this provision will not be made if it duplicates payment received for any other reason.

If additional time is needed, the employee, upon request and approval, may apply sick days unless circumstances preclude such application, at which time the employee and Chief may agree to another method.

Formatted: Right: 0.25"

Permission to attend any funeral service for individuals not defined herein may be requested by a Fire Fighter pursuant to permission of the Fire Chief.

Section 5. Line of Duty Injury Leave. An employee who is disabled as a result of the performance of duties as a full-time employee of the City (including training), if such disability prevents them from performing duties as such municipal employee, shall be paid their monthly salary during the continuance of such disability, but for a period not to exceed 180 calendar days from the date that such disability was incurred less, however, any sums paid as benefits to such disabled municipal employee by any pension fund established by the City and the Workmen's Compensation Fund of the State subject, however, to the following conditions and provisions:

(b) In the event a disagreement as to the nature of such disability arises between the attending physician and the examining physician for the City, such two physicians shall, upon written request of either party, name a third physician and/or surgeon who shall, within ten (10) days thereafter, make an examination and report his/her findings and opinion to the City and the claimant, and whose report shall be final. Each party shall pay one-half (1/2) of such examination expense.

The prompt and fair disposition of grievances involves important obligations and responsibilities, both joint and independent, on the part of the representatives of each party to protect and preserve the grievance procedure as an orderly means of resolving grievances. Accordingly, every employee shall have the right to present his grievance in accordance with the procedures herein, free from any interference, coercion, restraint, discrimination or reprisal.

In the event that any grievance is adjusted without informal intervention, pursuant to this procedure, or such adjustment shall be binding upon the aggrieved party and shall, in all respects, be final, said adjustment shall not create a precedent or ruling binding upon the City in future proceedings.

Formatted: Right: 0.25"

Section 8. The existence of this grievance procedure shall not be deemed to require any employee to pursue the remedies herein and shall not impair or limit the right of any employee to pursue any other remedies. If an employee pursues other remedies not provided herein, he is deemed to automatically waive and forfeit the remedies provided by this grievance procedure.

Section 9. Time limits provided herein will be strictly adhered to. Any grievance not filed initially or appealed within the specified time limits shall be deemed waived and void. If the City fails to reply within a specified time limit, the grievance shall automatically move to the next step. The time limits specified for either party may be extended only by written mutual agreement.

Section 10. This procedure shall not be used for the purpose of adding to, subtracting from or altering in any way any of the provisions of this Agreement.

Step 1: An employee may present his grievance orally or in writing to the Assistant Chief, or his designee, through the Union representative or personally within ten (10) days of the event giving rise to the grievance. The Assistant Chief, or his designee, shall attempt to adjust the matter in a meeting between the Union representative, the aggrieved and himself. If the grievance is presented orally and the Assistant Chief's, or his designee's, disposition is not satisfactory, the matter shall be reduced to writing on the forms provided by the Union. When the grievance is reduced to writing, there should be set forth in the same space provided all of the following:

- (a) A statement of the grievance clearly indicating the question raised by the grievant;
- (b) Remedy or correction which is desired;

Formatted: Right: 0.25"

- (c) A section or sections of the Agreement, if any, relied upon or claimed to have been violated; and
- (d) The date the grievance occurred.

The Assistant Chief, or his designee, shall give his answer in writing within five (5) days. In the event the grievance is not satisfactorily settled in Step 1, the aggrieved party may appeal in writing to Step 2 within five (5) days of receipt of the Assistant Chief's, or his designee's, disposition.

Step 2: Within ten (10) days of appeal to Step 2, there shall be a meeting between the employee, the Union representative and the Chief, at which time the grievance shall be discussed. The Chief shall render a disposition in writing within ten (10) days following the meeting.

Step 3: If the aggrieved party is not satisfied with the written decision at the conclusion of Step 2, a written appeal of the decision may be filed with the Mayor within five (5) days from the date of the rendering of the Chief's decision. A copy of the Chief's decision shall be submitted with the appeal. The Mayor or her/his designee shall convene a hearing within ten (10) days of receipt of the written appeal. The hearing will be held with the aggrieved party and his Union representative. Either party may, if they so desire, produce witnesses if necessary to provide information to the rendering of a proper decision. The Mayor or her/his designee shall issue a written decision to the Union's representative with a copy to the employee within twenty (20) days from the date of the hearing.

ARBITRATION

Section 1. In the event a grievance is unresolved after being processed through all of the steps of the Grievance Procedure, unless mutually waived or having passed through the various steps by default of the City, then within ten (10) days after the rendering of the decision at Step 3 or a default by the City at Step 3, the Union may submit the grievance to arbitration. Within this ten (10) day period, the parties will meet to attempt to mutually agree upon an arbitrator. If such agreement is not reached, either party may request a panel of arbitrators from the American Arbitration Association and arbitrators' names be stricken alternately until one name remains, who shall be designated the arbitrator to hear the grievance in question.

Section 2. The arbitrator shall have no power or authority to add to, subtract from, or in any manner, alter the specific terms of this Agreement or to make an award requiring the commission of any act prohibited by law or to make any award that itself is contrary to law or violates any terms and conditions of this Agreement.

Section 3. The arbitrator shall not decide more than one grievance on the same hearing day or series of hearing days, except by the mutual written agreement of the parties.

Section 4. The hearing(s) shall be conducted pursuant to the Rules of Voluntary Arbitration of American Arbitration Association.

Section 5. The fees and expenses of the arbitrator and the cost of the hearing room, if any, will be shared by the parties. Neither party shall be responsible for any of the expenses incurred by the other party.

Section 6. The arbitrator's decision and award will be in writing and delivered within thirty (30) days from the date the record is closed. The decision of the arbitrator shall be final and binding upon the parties.

Section 7. The Union agrees to indemnify and hold the City harmless against any and all claims, demands, suits or other forms of liability that may arise out of any determination that the Union failed to fairly represent a member of the bargaining unit in the exercise of his rights in this procedure.

NO STRIKE/NO LOCKOUT

Section 1. The Union shall not, directly or indirectly, call, sanction, encourage, finance and/or assist in any way, nor shall any employee instigate or participate, directly or indirectly, in any strike, slowdown, job action, walkout, concerted sick leave, work stoppage, sympathy strikes, picketing or interference of any kind and any operation of the City.

Section 2. Any employee who violates Section 1 of this article shall, at the discretion of the City, be subject to discharge or other disciplinary action by the City.

Section 3. At that time, the paramedic with the most seniority shall be given the first opportunity to be able to discontinue his paramedic card. Provided that this procedure will not result routinely in an overtime situation. This process shall continue by earliest date of seniority until one member is able to stop functioning as a paramedic. This procedure will happen every time that there are eighteen (18) paramedics in the Department. However, this process shall have no bearing on the status of EMT cards, which will be maintained in accordance with Departmental policy. Provided, however, that once a paramedic becomes re-certified, he will not be eligible to drop his card until his certification expires.
