C. Job Descriptions

The OAPSE President shall be furnished with a copy of the job description for each classification covered under the terms of this Agreement. B. FAIR SHARE FEE

New employees who choose not to join the union shall pay to the union a fair share fee as a condition of employment with the employer. Current members of the union who withdraw or are removed from the union but retain their status as a bargaining unit member, shall as a condition of employment with the employer immediately begin paying a fair share fee. Such fair share fee shall not exceed dues paid by members of the union who are in the bargaining unit. The union shall notify the employer of the fair share fee amounts and of any changes in the fair share fee amounts in the same manner as notification of amounts and changes in the amounts of dues deductions. Fair share fees shall be deducted from the payroll checks of the employees in the same manner as regular membership dues are deducted and forwarded by the employer to the union in the same manner except that written authorization for deduction of fair share fees is not required.

Members may request a hardship reduction by submitting a letter to the OAPSE Executive Director at anytime during the life of the contract.

- C. The union agrees that it will defend, indemnify and hold the employer, individual board members, administrators and other board personnel harmless from any claims, actions,

demands, suits, damages, awards, fines and court costs by any employees or former employees arising from deductions made by the employer pursuant to this article.

- D. Monthly payroll deductions shall be forwarded to the State OAPSE Treasurer along with a copy of the names and amounts credited for deductions. A courtesy copy of the name roster with amounts credited shall be provided to the Local #371 at the same time it is forwarded to the State OAPSE Treasurer.
- E. Dues deduction authorization shall be continuous except that authorization may be withdrawn between September 14 and September 23 of the final year of the agreement. If dues deduction is not withdrawn during such period, it shall continue for successive periods of one year, provided the Treasurer and Board have abided by the process outlined in this Article in good faith.
- F. An officer of OAPSE shall be required to notify the school treasurer of any change in dues for the fall semester no later than August 15, or no later than December 15 for the spring semester.
- G. The Treasurer of the Board shall collect all Union dues by payroll deduction in twenty-six (26) equal installments. - H. Employees may join the Union during the school year, and dues deductions shall commence with the first payroll following the Union's presentation to the Treasurer of the formula by which dues deduction calculations are to be made in equal installments for the employee, provided that such formula and necessary information is presented to the Treasurer at least two (2) weeks prior to the payroll from which the dues deductions are to commence.

Committee from the pay of any employee of the bargaining unit who submits an individual, voluntarily-executed authorization card. These deductions are to be made separate from dues deductions. The Board agrees to remit P.E.O.P.L.E. deductions to the Association, along with a list of those contributing and the amounts contributed.

ARTICLE 6 – NEGOTIATIONS PROCEDURE

A. Scope of Bargaining

Representatives of the Board and the Union will negotiate in good faith for all members of the bargaining unit on matters of: wages, fringe benefits, hours or terms and other conditions of employment and the continuation, modification or deletion of an existing provision of this agreement and matters of union security.

B. Submission of Issues

If either party wishes to negotiate changes in this Agreement, it shall notify the other party in writing in the month of March of the year in which the Agreement expires. The request shall be in the form of a Notice to Negotiate filed with a representative of the other party and the State Employment Relations Board. The initial negotiations sessions shall be scheduled within fifteen (15) days after the Notice to Negotiate has been filed or at a mutually agreed upon time. At the initial meeting, the parties shall exchange an initial proposal which shall contain all items to be negotiated. After the initial meeting, no new items may be added to the agenda by either party, unless by mutual agreement.

C. Good Faith Bargaining

“Good Faith” negotiations, provided for in this document, includes, but not by way of limitation, reasonable positions on negotiable issues; willingness to reach agreement thereon; sound and full consideration of fiscal, professional and administrative judgment in setting forth, evaluating or declining to agree to proposals not accepted; abstention from the breach of existing agreements and from encouraging means of coercion; and refraining from unexplained changes in position and from raising new and additional issues calculated to avoid the reaching of an agreement; but not compel the parties to agree to a proposal or require the making of a concession.

D. Negotiating Teams

1. Each party in its sole discretion shall select a negotiating team of no more than six (6) members, one of whom may be the field representative. Neither party shall have any control over the selection of the other party’s team members. Each team shall select a spokesperson who shall be in attendance at each negotiating session unless otherwise agreed by the parties. For negotiation sessions, the Union shall be represented by no less than three (3) members to conduct an official session.

2. While no final Agreement shall be executed without ratification by the Union and the Board, the parties mutually pledge their representatives shall be clothed with all necessary power and authority to make proposals, consider proposals, and to make concessions in the course of negotiations. All negotiations shall be conducted exclusively between said teams.
3. If the Board or its designated representative desires to set a negotiating meeting during the normal school workday, all members of the negotiating team normally employed during those hours shall be paid for those hours at their regular rate.

E. Caucus

Upon the request of either party, the negotiation meeting shall be recessed to permit the requesting party a reasonable period mutually agreed upon to caucus.

F. Exchange of Information

The parties agree to furnish, upon written request and in a reasonable time, available information concerning the financial status of the district and such other available information as will assist the parties in development and evaluation of the proposals. Access to available information in such form as it may exist constitutes compliance with this provision; and neither party is obligated to develop data or information not in existence or to rework, redraft, summarize, compute or otherwise develop data or information in other than its existing form.

G. Progress Reports

1. Prior to impasse being reached, any releases or statements to the news media must be approved in advance and, in the case of releases, signed by the spokesperson of each negotiating team.
2. Either party retains the right to issue general reports to its membership on the progress of negotiations.

H. Agreement

1. Tentative agreement on negotiation items shall be reduced to writing and initialed by the representatives of each party, but such initialing shall not be construed as final agreement. Final agreement reached through negotiations shall be reduced to writing and submitted to the classified personnel represented by the Union for approval, and all of the Union negotiators shall recommend and urge approval. Upon approval by the classified personnel represented by the Union, the Agreement shall be submitted to the Board for approval and all of the Board's negotiators shall recommend and urge approval.

If approved by both parties, the Agreement shall then be signed on behalf of the parties and shall be adopted in resolution form by the Board of Education and become part of the official minutes.

2. The Board agrees to prepare, print, and provide one (1) copy of this Agreement to each member of the bargaining unit. In addition, the Board shall provide two (2) copies of the Agreement to each building in the District in the office and library or other comparable location where bargaining unit members work.

I. Mutually Agreed Upon Dispute Resolution Procedure

1. If agreement is not reached, either party may declare a bargaining impasse at any time after forty-five (45) days prior to the expiration of the Agreement.
2. Either party may contact the Federal Mediation and Conciliation Service and request the assistance of a Federal Mediator in accordance with their rules and regulations. Costs which may be incurred in procuring and utilizing the service of a Federal Mediator shall be shared by the Board and the Union equally.
3. The Federal Mediator shall have full jurisdiction over the scheduling and conduct of negotiations meetings.
4. Mediation, as described in this Article, constitutes the parties' mutually agreed upon and exclusive dispute settlement procedure and shall operate in lieu of any and all of the dispute settlement procedures set forth in the Ohio Revised Code. This Article does not diminish or preclude the right to strike.

ARTICLE 7 – CONFLICT WITH LAW

If any provision of an Agreement between the Board and the Union shall be found contrary to law, then such provision or application shall not be valid, but all other provisions or applications shall continue in full force and effect.

ARTICLE 8 – ENTIRE AGREEMENT

This Agreement supersedes and cancels previous Agreements, verbal or written or based on alleged past practices between the Board, the Union, and constitutes the entire Agreement between the parties. Neither party shall be obligated to negotiate on this or any matter. Any amendment to this Agreement shall not be binding upon either party unless exerted in writing by the parties.

ARTICLE 9 – GRIEVANCE PROCEDURE

A. Grievance Policy

1. The Board recognizes that in the interest of effective personnel management, a procedure is necessary whereby its employees can be assured of a prompt, impartial and fair hearing on their grievances. Such procedures shall be available to all employees and no reprisals of any kind shall be taken against any employee initiating or participating in the grievance procedure.
2. The Board and the Association shall cooperate in a timely manner in the investigation of any grievance or discipline appeal.
3. All grievances shall be filed at the lowest possible level that will afford complete relief. Thus, the grievance shall be filed with the lowest level administrator with authority to grant the relief requested. Failure to submit the grievance to the appropriate level will not cause the grievance to be denied, but will cause the grievance to be returned to the Association so that the Association or the grievant may resubmit it at the appropriate level.

B. Grievance Defined

A grievance is a claim by an employee or the Union, hereinafter referred to as the grievant, that there has been a violation, misinterpretation or misapplication of any provision of this Agreement. For purposes of this Article, “days” shall mean workdays and do not include Saturdays, Sundays, or holidays whether or not work is scheduled thereon.

C. Informal Step

In the event that the grievant believes there is a basis for a grievance, he/she may first discuss the alleged grievance with the immediate administrative person who has the authority to bring about a resolution of the alleged problem within ten (10) days.

D. Step One

The employee shall, within twenty (20) workdays from the date the employee knew or should have known of the event giving rise to the grievance, set forth his/her complaint in writing, using the prescribed OAPSE Grievance Procedure Form, to his/her immediate Supervisor. The step one grievance shall be signed by the employee and the Union President or a Steward. In case of a class action grievance, the Union may sign the grievance. The written grievance should be as detailed as possible stating the nature of the grievance and the article(s) and/or provision(s) violated. The immediate Supervisor shall meet with the employee and then communicate his/her decisions to the employee in writing within ten (10) workdays of receipt of the written complaint.

E. Step Two

1. The employee may appeal the immediate Supervisor's decision to the Superintendent within ten (10) workdays. The appeal to the Superintendent or designee must be made on the prescribed OAPSE Grievance Form and must set forth the grounds upon which the grievance is based.
2. The Superintendent shall confer with the concerned parties and shall attempt to resolve the matter as quickly as possible. The Superintendent shall communicate his/her decision in writing, along with supporting reasons, to the employee, OAPSE, and the Supervisor, within ten (10) workdays of receipt of appeal.

F. Step Three

1. If the grievance is not satisfactorily resolved at the Superintendent Step, the grievance may be either pursued by the employee or the Union to review by the Board. The appeal must be filed in writing within ten (10) working days of receipt of the Step Two decision.
2. The request for review shall be submitted in writing through the Superintendent who shall attach all related papers and forward the request to the Board. The Board shall review the grievance and hold a hearing with the employee within thirty (30) calendar days of date of referral. Such conference shall be informal and in closed session. The Board shall render a decision in writing within fifteen (15) workdays.

G. Step Four

1. If the grievance is not satisfactorily resolved at Step Three, the grievance may be pursued by the Union to Arbitration. The arbitrator shall be selected from a list of seven (7) names provided from the list provided by the Federal Mediation and Conciliation Service (FMCS), using the alternate strike method. Either party shall have the right to request a second list.
2. If possible, the arbitrator shall meet within thirty (30) calendar days. The decision of the arbitrator shall be final and binding upon the parties. However, the arbitrator shall have no power to alter, add, or subtract from the terms of the Agreement, nor to make any award which is inconsistent with the terms of the Agreement or contrary to law.
3. The cost of the arbitrator shall be totally the responsibility of the loser. The arbitrator shall be obligated to determine the loser and shall not have the authority to split the costs between the parties. (The Board or the Local Union.)

- H. If the time limit is not met by the Administrator, the grievance shall move to the next level. Time limits shall be considered maximums. Failure to process the grievance to the next step within the specified time limits shall constitute a withdrawal of the grievance by the grievant/Union. Such withdrawals shall be without prejudice and shall have no bearing on any future grievance.

If the Board intends to argue timeliness, it must do so in writing, not less than 15 calendar days prior to the scheduled arbitration hearing. Failure to comply within the specified time shall prohibit the Board from raising the issue.

- I. An employee shall have the right to be represented only by the Union at all steps of the grievance procedure. The Union shall receive confidential copies of written decisions at all steps of the grievance procedures.
- J. The Union may file a grievance to seek proper enforcement of the contract. Retroactive relief shall be limited to twenty (20) days prior to the step one (1) filing.

ARTICLE 10 – DISCIPLINARY PROCEDURE

- A. Members of the bargaining unit shall have the right to be represented by the Union at a conference with the Administration when the focus of the conference is a possible disciplining of said member. A member who intends to exercise this option shall inform the Administration in advance of his/her intent to be accompanied by the Union President or designee and the Field Representative.
- B. All disciplinary actions with respect to bargaining unit members shall be taken only by supervisory personnel employed directly by the Board of Education.
- C. The principles of progressive discipline shall ordinarily be used in the following order except when, at the discretion of the Administration, the severity of the offense dictates moving to a higher or lower level of discipline:
 - 1. Verbal Warning (documented)
 - 2. Written Warning
 - 3. Written Reprimand
 - 4. Suspension without pay
 - 5. Termination of Employment
- D. Termination of employment is in accordance with O.R.C. §3319.081 and is not grievable except where provided in Article 19 section (B).

ARTICLE 11 – LABOR MANAGEMENT MEETINGS

- A. In an effort to discuss matters of concern, the Board agrees to establish a labor-management committee consisting of three (3) representatives of the Union and three (3) from the Board and/or Administration. Its main function shall be to confer on all matters of mutual concern, and to keep both parties to this contract informed of changes and developments caused by conditions other than covered by this contract.
- B. The Union representatives shall be no more than two (2) from the Local and one (1) Field Representative. The Board representatives shall be no more than three (3) in number.
- C. Any party to this contract can request a meeting of the committee, but not more often than one (1) a month unless mutually agreed upon. Arrangements are to be made in advance and an agenda may be submitted with the request.
- D. The meeting shall be held during the regular workweek between the hours of 8:00 a.m. and 5:00 p.m. unless a modification of time is acceptable to both parties.

ARTICLE 12 – MILEAGE RATE

- A. Any employee who is required by the Board to use his or her personal transportation to commute between work locations during his or her workday shall be reimbursed for mileage expenses at the IRS approved rate.

ARTICLE 13 – LEAVES

A. Personal Leave

- 1. Three (3) days of non-cumulative personal leave during the contract year shall be available to each classified employee.
- 2. Notice of intent to use personal leave shall be provided by the member of the bargaining unit completing and delivering to the Superintendent on the prescribed form (Appendix E) at least five (5) school days in advance of the anticipated absence. However, in the case of an emergency, notice of intent to use personal leave shall be made to the Superintendent as soon as possible.
- 3. Personal leave shall not be used for the following purposes:
 - a. Matters that are covered by other leave provisions specified in this Agreement;
 - b. Recreation;

- c. Accompanying a spouse on a business trip;
 - d. Vacation; and/or
 - e. Working at other employment, including self-employment.
- 4. Falsification of information on the notice of intent to use personal leave form may subject the member of the bargaining unit to disciplinary action up to, and including suspension or termination of an employee's contract.
 - 5. Each unused personal leave day shall be converted to a sick leave day at the end of each school year.

B. Unpaid Personal Leave

- 1. An unpaid leave of absence of up to ten (10) days in length may be granted. In order to receive consideration for an unpaid leave, the employee must notify the Superintendent/designee at least five (5) workdays prior to the date(s) requested. All requests for unpaid leave shall be in writing and shall state the reason the leave is requested. In cases where prior written request is not practical, the employee must receive verbal approval from the Superintendent/designee prior to the anticipated effective date of the leave. Leave taken without the approval of the Superintendent/designee shall be treated as an unauthorized absence.
- 2. No more than two (2) such unpaid leaves of absence will be granted in a calendar year, unless special permission is sought and granted from the Superintendent/designee.

C. Unpaid Leave of Absence

- 1. Upon the written request of an employee, the Board may grant unpaid leaves up to two (2) years in length.
- 2. The employee may continue his/her participation in the group insurance plan by paying the full monthly premium to the treasurer or designated Insurance entity fifteen (15) days prior to the due date of said premium. Continuation of coverage is determined by COBRA and the Family Medical Leave Act.

D. Convention Leave

Upon written request from the Union, the Superintendent shall grant the President of OAPSE, Local #371, three (3) days of leave with pay, for the purpose of attending the Annual OAPSE Convention. The Board further agrees to grant authorized delegate(s)

three (3) days to attend the OAPSE Convention. Except for substitute costs, the Board shall have no further expenses for the OAPSE Convention.

E. Professional Leave

1. Upon written request and approval of the Superintendent/designee, members of the bargaining unit may be permitted to attend professional meetings designed to improve the member's working performance in his/her classification. When such request is approved, the member will be permitted to attend without loss of pay (when applicable) and will be reimbursed for actual expenses incurred in attending including any registration fees.
2. Application for all meeting requests must be filed on the proper Board form at least seven (7) days in advance.
3. A written report addressing the topics covered at the meeting and information acquired by the attendee will be submitted to the Superintendent or designee within five (5) working days of the individual's return from the professional leave.

F. Sick Leave

1. Each person who is employed by the Board shall be entitled to fifteen (15) days sick leave with pay, for each year under contract, which shall be credited at the rate of one and one-fourth (1¼) days per month. Classified personnel of the Board who render part-time intermittent, per diem, or hourly service shall be entitled to sick leave for the time actually worked on a proportionate basis at the same rate as that granted like full-time employees. No comments can be added to the performance appraisal after the employee has signed it. Each appraisal form shall include space for the employee's comments.
2. During the course of employment with the Board, no employee shall have an evaluation placed in his/her personnel file without an opportunity for discussion between the employee and the evaluator. Thereafter, additional reductions or layoffs shall begin with the least senior employee in the affected classification(s) and continue until the reduction and/or layoff is completed. Employees affected by the reduction in force shall have the right to bump pursuant to Section F.

Such bumping rights continue down job lines within the classification series in the same manner, and cease when an employee has no position they can bump into or chooses to accept layoff.
 - c. Nothing in this article shall prohibit an employee from volunteering for Layoff at any step of this procedure.
2. Employees who bump into lower rate of classification shall be paid at the appropriate pay rate for that classification based on their years of service with the District.

Thereafter, the employee is entitled to move to vacant jobs which are to be filled within that classification until his or her hours equal those worked prior to the reduction. Once such a vacancy is offered and if the employee declines the vacancy, she or he thereafter will not be entitled to a transfer under this provision. This obligation of hours restoration continues for two (2) years after the reduction. If the senior employee declines the opportunity to move to a vacancy with greater hours, the vacancy shall be offered to less senior employee(s) in the same classification on the recall list before the job is filled with a new hire.
- I. Each employee recalled shall be given ten (10) working days notice prior to his/her expected return date of service. Failure to respond to a recall notice shall exhaust the employee's seniority rights.
- J. Any laid-off full-day (AM & PM) bus driver recalled to an AM only or PM only run shall retain recall rights for a full-day (AM & PM) run when one becomes available.
