- f. The Board may refuse to accept "pick-ups" if so directed by the Internal Revenue Service and the State Teachers Retirement System if guidelines based upon the changing status of the laws are not followed or if the qualified plan status of the State Teachers Retirement is placed in jeopardy. Should for any reason the current taxation or deferred taxation "pick-up" plan be determined null and void by either the Internal Revenue Service or the State Teachers Retirement System, the Board assumes no liability for any back tax, interest, or penalties that may be applied by the Internal Revenue Service or the State Teachers Retirement System. This will be solely the responsibility of each individual member.
