ARTICLE 3

GRIEVANCE PROCEDURE

Definitions

1. A grievance is a complaint involving the alleged violation, misrepresentation or misapplication of the negotiated agreement between the CLFA and the Board.
2. A grievant is a teacher, group of teachers, or the CLFA alleging a violation, misrepresentation or misapplication of the negotiated agreement. A grievance alleged by a group shall have arisen out of identical circumstances affecting each member of said group.
3. A day shall be defined as a school calendar day for which teachers are compensated.

Step One:

Within ten (10) days from the date of the event giving rise to a grievance, the grievant shall request an informal meeting with his/her principal for the purpose of resolving the matter. The grievant shall indicate that the discussion will pertain to a possible grievance. If the grievant fails to request such meeting within ten (10) days after he/she knew or should have known of the act or condition on which the grievance is based, the grievance shall be considered waived. Either party shall be allowed representation at such informal discussion. Such representative(s) shall have the right to participate in the hearing in any manner.

Step Two:

If the grievance is not resolved at Step One the grievant shall, within ten (10) days, present his/her principal with a written explanation of the grievance, citing the specific section of the contract that has been violated and the relief sought. The writing can be done by email.

Within ten (10) days of the receipt of such claim, the principal shall indicate his/her disposition of the grievance in written form, one copy of which will be sent to the grievant and a second copy will be sent to the district superintendent. If the grievance involves the principal, then the grievant may go from Step One directly to Step Three.

Step Three:

If the grievant is not satisfied with the written disposition of the principal, he/she shall, within five (5) days of receipt of the disposition, send a written or email request for a hearing before the district superintendent or designee. In addition to the request, the grievant shall include a written explanation of the grievance citing the specific section of the contract that has been violated and the relief sought. Both the grievant and the superintendent or designee may have a representative of his/her choice present at the hearing. The hearing will be held within ten (10) days of the superintendent's receipt of the request. The superintendent or designee will render a decision on the grievance within five (5) days of the hearing. The action taken will be reduced to writing and copies sent to the grievant, the principal and the president of the Board.

Step Four:

If the grievant is not satisfied with the superintendent or designee's decision on the grievance, he/she shall be allowed ten (10) days to file a written appeal with the Board. The Board will schedule a hearing at its next regular monthly meeting. Both the grievant and the superintendent may have a representative of his/her choice present at the hearing before the Board. The grievant may elect to hold the

hearing before the Board. The grievant may elect to hold the hearing in executive session if permissible under ORC 121.22 (Sunshine Law). After both parties have presented their case, the members of the Board shall render a decision, by individual vote, either to grant or deny the grievant the relief which has been sought. The Treasurer of the Board shall officially notify the grievant, in writing, of the Board's decision within five (5) days after the Board meeting.

Step Five:

If the grievance is not resolved at Step Four, the grievant and/or CLFA may appeal for mediation within fifteen (15) school days of receiving reply in Level Four. Such mediation shall be conducted under the auspices of the Federal Mediation and Conciliation Services. If the grievant and/or CLFA is not satisfied with the results of the mediation, he/she may appeal it to binding arbitration. The arbitration proceedings will be governed by the rules of the American Arbitration Association. If the parties agree, the matter may be submitted to expedited or streamlined arbitration. The arbitrator shall limit the decision to the application and interpretation of the terms and provisions of the Professional Negotiations Contract. The decision of the arbitrator shall be final and binding on both parties.

The cost of the arbitrator shall be shared equally by the parties.

ARTICLE 4

The Board hereby retains and reserves unto itself all powers, rights and authority, duties and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Ohio, and of the United States.

Such powers, rights, duties and responsibilities shall be limited only by the specific and express terms of this Contract.

- J. Representatives of the CLFA may consult with teachers provided such representative(s) report to the main office of the building and will not interrupt the instructional process.

ARTICLE 6

DAYS AND HOURS

- A. For the purpose of this section, "uninterrupted" means one solid block of time no less than forty (40) minutes in length during the student day or 65 minutes before or after the student day, and "preparation time" means a time when a teacher has no student supervisory responsibilities or no assigned responsibilities. Planning time shall not be used for IEP, IAT, and other meetings without one (1) week advance notice. In cases when meetings must be scheduled with less than one week notice, teachers shall be contacted as soon as the meeting is scheduled.
- B. The workday shall be a maximum of seven (7) hours and forty (40) minutes and shall include a minimum thirty (30) minute uninterrupted duty-free lunch.

- C. Teachers assigned by an administrator or designee to cover another teacher's assignment during their preparation time or requested during their lunch time shall have the option of leaving at the student dismissal time or being paid at the rate of \$25 per period, at the teacher's discretion. The Board agrees to make every effort to find substitute teachers, substitute aides, or reassign grade-level aides to cover for special teachers whose absences results in loss of planning time.

- D. The school year shall not exceed one hundred eighty-five (185) teacher days of which one hundred seventy-eight (178) days will be for student instruction, two (2) days of parent/teacher conferences, two (2) days of in-service, one (1) day (not to exceed six hours) of continuous improvement planning (CIP) time, and two (2) teacher workdays. The six (6) hours of CIP time shall be built into the school calendar. The six (6) CIP hours can be used in one (1) hour increments. Attendance at department meetings is mandatory; however, leave provisions may be exercised for an absence. The building level Advisory Committee may offer input on the content of the programming. The purpose of the CIP time will be to enhance staff development.

Input to the schematic development of holiday vacation periods, parent/teacher conference days, and makeup days for the yearly school calendar will be sought from a district-wide Calendar Committee. This Committee shall consist of equal numbers of administration and faculty (teachers) members. The CLFA shall be responsible for conducting a pre-calendar survey of all teachers. Upon receiving the results of the pre-calendar survey, the Calendar Committee will develop one calendar to submit to the Board for approval.

- E. Teachers may be required to attend one building faculty meeting per month, or up to 10 meetings per school year, providing such meetings do not extend the workday more than thirty (30) minutes beyond student dismissal. Required meetings exceeding the thirty (30) minute maximum may be scheduled with three (3) days' prior notice, except in cases of emergencies. Every effort will be made to accommodate teacher schedules when planning these meetings.

- F. Teachers shall be encouraged, but not required to attend non-academic functions outside of the school day.

- G. Arrival and departure times for teachers may be adjusted within the daily building scheduled hours provided that they are present for all their classes and required duties, do not work less than the maximum hours above and provide notification as agreed in each building.

Teacher duty time prior to the beginning of and after the end of the student day, as well as CIP time, unless prohibited by Section A, will be planned in collaboration between the building principal and the department chairs.

ARTICLE 7

REDUCTION IN FORCE

If the Board determines it necessary to reduce the number of bargaining unit positions through a layoff of certificated staff the following procedures shall apply:

A. A RIF may occur for the reasons set forth in 3319.17 ORC.

PROCEDURE

1. The CLFA shall be notified of the extent of any staff reduction at such a time a decision is made by the Board, said notification shall occur thirty (30) days prior to Board action on the lay off. The CLFA shall be further notified as to which teacher(s) contracts shall be suspended.
2. Within ten (10) days of receipt of notification, representatives of the Board and the CLFA shall meet to discuss the proposed RIF. The CLFA shall be allowed to present its views on the impending RIF to the full Board prior to any implementation of a RIF.
3. The effective date of any RIF shall be July 31 of any year. Benefits of the member would not be affected by this effective date.
4. Reduction shall first be covered by attrition; however, the Board shall not be required to fill any vacancy.
5. If additional reductions are necessary it shall be done through seniority as defined in the Seniority Article 8.
6. Those teachers on limited contracts with the least seniority in the area of certification/licensure affected shall have their contracts suspended first. In the event that continuing contract teachers must be reduced, their contracts shall be suspended on the basis of seniority as defined in the Seniority Article 8.
7. Recall shall be done in inverse order. Continuing contracts with most seniority first, then limited contracts with the most seniority. Recall shall be to a position for which the teacher is properly certified/licensed. No new teachers shall be hired until all qualified laid off teachers have been offered the position and have rejected the offer, or are removed from the recall list as outlined below.

8. Qualifications, in accordance with an established job description, for a bargaining unit position shall not be upgraded/changed in order to prevent the recall of a laid-off teacher.

RIGHTS WHILE ON SUSPENSION

1. If recalled, the teacher shall have the right to return to the same total sick leave accumulation.
2. The teacher shall have the right to all insurance benefits for a period of 24 months providing the teacher meets the eligibility requirements set forth by the carrier. The teacher must pay the full cost of the premium fifteen (15) days prior to the due date.
3. Credit for salary placement, upon recall, for the same or similar work performed while on layoff status.
4. The right to be notified by mail of all postings for bargaining unit positions.
5. The unchallenged right to unemployment compensation benefits when the teacher has not been offered an assurance of a bargaining unit position during layoff.
6. Additional certification/licensure earned and reported while on layoff status shall be recognized for recall purposes, provided such information is filed with the Board prior to recall.

RECALL RIGHTS

1. Limited contract teachers whose contracts are suspended shall be retained on the recall list for thirty-six (36) months from the effective date of the layoff.

Teachers whose contracts are suspended after September 1, 2010, shall be retained on the recall list for eighteen (18) months from the effective date of the layoff.

2. A teacher may be removed from the recall list if he/she:
 - a. Waives his/her recall rights in writing.
 - b. Resigns.
 - c. Fails to accept recall to a position for which he/she is certified/licensed within five (5) days of notification.

- d. Fails to report to work within ten (10) working days after receipt of the notice of recall, unless sick or injured.
- e. Accepts a full-time teaching position elsewhere.

The teacher who has been affected by a staff reduction shall be responsible for keeping the superintendent informed of a recent address and telephone number.

All recall notices and acceptance notices shall be mailed by certified mail with acknowledgment of receipt provided to the sender, or by hand delivery.

ARTICLE 8

SENIORITY

A. Seniority Defined

Seniority shall mean the length of continuous employment in a bargaining unit position as follows:

1. Seniority shall begin to accrue to a teacher from the first day worked in a bargaining unit position.
2. Seniority shall accrue for all time a teacher is on active pay status or is receiving Worker's Compensation benefits or is on layoff status.
3. Time spent on inactive pay status (e.g., unpaid leave of absence) shall not contribute to the accrual of seniority but shall not constitute a break in seniority.
4. Full-time teachers shall accrue one (1) year of seniority for each year employed as determined by the minimal full-time standard as defined by this Agreement. For purposes of this contract full-time teaching shall be defined as regularly scheduled to work 120 consecutive days or more in a school year while employed by the Cardington-Lincoln Local School District.
5. Part-time teachers shall accrue seniority prorated against the minimal full-time standard as defined by this Agreement.
6. No teacher shall accrue more than one (1) year of seniority in any work year.

B. Equal Seniority

A tie in seniority shall occur when two (2) or more teachers have the same amount of seniority credit as determined by the seniority list.

Ties in seniority shall be broken by the following method to determine the most senior teacher:

1. The teacher with the earliest date of hire by the Board; then
2. The teacher with the first day worked for the Board; then
3. The teacher with the earliest date of application to the school district; then
4. By lottery, the teacher whose name is drawn first will have the most seniority, etc. This procedure shall be implemented in the presence of CLFA representatives, selected by the CLFA president.

C. Superseniority

For layoff purposes only, teachers employed under a continuing contract shall have greater seniority than teachers employed under a limited contract.

D. Loss of Seniority

Seniority shall be lost when a teacher retires or resigns; is discharged; or otherwise leaves the employ of the Board.

E. Posting of Seniority List

The seniority list shall be sent electronically to the association president by December 1 and posted to the district email conference room by January 1 of each school year. The seniority list will indicate, by area of certification/licensure, the date of application, the first day worked, the date of Board hire, and the contract status (i.e., continuing or limited) of each teacher.

1. The names of teachers on the seniority list shall appear in seniority rank order within areas of certification/licensure. The name of the most senior teacher shall appear at the top of the listing for each area of certification/licensure and the name of the least senior teacher shall appear at the bottom of the listing for each area of certification/licensure.
2. The names of teachers who are certified/licensed in more than one (1) area of certification/licensure shall be included on the listing for all areas in which they are certified/licensed.
3. The names of all part-time teachers shall appear on the seniority lists but shall be listed separately from the names of full-time teachers.

F. Correction of Inaccuracies

Each teacher shall have a period of thirty (30) days after the posting of the seniority list in which to advise the Board or its agent(s) and the CLFA, in writing, of any inaccuracies which affect the teacher's seniority. The Board or its agent(s) shall investigate all reported inaccuracies and make such adjustments as may be in order and shall post the updated seniority list immediately. No protest shall be considered after thirty (30) days of the posting of the seniority list and the list shall be considered as final until the next posting.

ARTICLE 9

NOTIFICATION OF ASSIGNMENT

If a teacher is to be assigned to a teaching position different than the one assigned the previous year, then notification of the new position will be given not later than July 30. Such notice shall specify the building, grade level, and subject area to which the teacher will be assigned. However, the administration shall retain authority to reassign a teacher in an emergency situation, which is defined as when a teacher vacancy occurs after July 30, and no certified/licensed teacher is available, to a teaching position in which the teacher is certified/licensed.

ARTICLE 10

VACANCIES/TRANSFERS

Notices of vacant positions shall be provided to teachers after the occurrence of the vacancy. Deadline for application shall be stipulated, and shall not be less than five (5) days after the date of posting. The Board shall post notices of vacant positions on district email within a reasonable time. A copy will also be sent to the Association president. During the period of summer vacation, all teachers interested in a position change should notify the Board prior to the start of vacation to ensure notification. The Board reserves the right to make the determination of the best qualified individuals available for filling or not filling any position(s) in the school district.

Teachers desiring a voluntary transfer shall submit a letter of request to the superintendent. Said teacher will be given the opportunity to meet with the principal or immediate supervisor of the building where the vacancy exists.

A. Transfer

A change in assignment by a teacher from one bargaining unit position to another.

B. Voluntary Transfer

A voluntary transfer shall be a teacher initiated reassignment.

C. Involuntary Transfer

An involuntary transfer shall be a Board initiated reassignment of a teacher.

D. Voluntary Transfer

1. Any teacher applying for a voluntary transfer to a bargaining unit position for which he/she is licensed or will be licensed prior to the start date of the position shall be granted an interview.
2. The following factors will be considered by the superintendent in the filling of a vacancy by voluntary transfer.
 - a. the interview
 - b. the qualifications of the applicants
 - c. the experience and seniority of the applicants
 - d. certification/licensure
3. The superintendent reserves the right to select the best qualified applicant after considering the factors set forth above.

If a current employee is not selected to fill a vacancy, the reason(s) will be discussed with that employee by the superintendent or building principal at the request of the employee.

E. Involuntary Transfer

No teacher shall be involuntarily transferred for arbitrary or capricious reasons.

F. Miscellaneous

1. No transfer shall be implemented during a period of RIF that will cause the layoff of a more senior teacher.
2. No transfer shall be implemented during a period of RIF that will prevent the recall of a teacher on layoff.

ARTICLE 11

CLASS SIZE

- A. If a teacher believes that class size is adversely impacting his/her ability to effectively instruct students, the teacher should bring this to the attention of the building principal and the building advisory council.
- B. Prior to the scheduling of classes each year, upon request, the building principal shall meet with teachers at each grade level or department to discuss scheduling and optimal class size for each program area.
- C. The Board will make every reasonable effort to keep class size at an approximate 1 to 25 teacher to student ratio (excluding secondary music and physical education programs).

ARTICLE 12

- D. A qualified and credentialed evaluator cannot be a bargaining unit member and a bargaining unit member cannot evaluate another member.

- E. If any teacher receives an ineffective rating, a trained teacher mentor, if available, as approved by the CLFA president, will assist this teacher and participate in the next evaluation process to give input on ratings of the teacher.

Not later than September 15, or in the case of a new teacher, within thirty (30) days of the first day worked; each teacher shall be notified in writing of the name and position of his or her evaluator.

Formal Observation Procedure

All formal observations shall be preceded by a conference between the evaluator and the employee prior to the observation in order for the employee to explain plans and objectives for the classroom situation to be observed. The date and time of the observation will be agreed to during this conference.
- B. A post-observation conference shall be held after each formal observation.

Training

- B. Data gathered from the walkthrough must be placed on the form designated in Teacher Evaluation Form.
- C. A final debriefing and completed form must be shared with the employee within a reasonable amount of time. A meeting may be requested by the teacher should a deficiency be found.
- D. Teachers will have no more than four (4) walkthroughs in each evaluation cycle unless mutually agreed to by the parties.

Fairness

- A. Should an issue arise with the teacher evaluation policy in which a teacher believes that fundamental fairness has not occurred, they shall have the following rights:
1. Shall be allowed to request a different evaluator to the superintendent, who will meet with the teacher and do the following: determine whether the process has been fair; determine if another observation should occur; determine if a new evaluator should be appointed.
 2. A teacher shall be entitled to Union representation at any conference held during this procedure in which the teacher will be advised of an impending adverse personnel action.
 3. Any violation of either procedural due process of law or arbitrary or unreasonable action shall automatically require re-employment of the teacher under a continuing contract, if eligible, or an appropriate limited contract if the teacher is not eligible for a continuing contract. If a person had a multiple year contract and was being non-renewed or dismissed, any violation in a previous year would not result in this automatic re-employment.

Personnel Decisions

- A. The Board shall adhere to the terms and procedures set forth in the collective bargaining agreement for use by district administrators in making retention and promotion decisions based on evaluation results.
- B. Seniority shall not be the basis for making retention decisions, except when choosing between "teachers" who have comparable evaluations as set forth in the collective bargaining agreement.

Comparable evaluations should be derived from multiple summative ratings. Starting in the 2013/14 school year, a teacher will receive a point total of four (4) for accomplished, three (3) for proficient, two (2) for developing and one (1) for ineffective. In a three year period of time, a teacher will have a rating of three (3) thru twelve (12). Any teacher with a score of nine (9) thru twelve (12) over three years would be in group one, teachers with a score of six (6) thru eight (8) would be in group two, and teachers with a score of three (3) thru five would be in group three. Each separate group would be considered "comparable", with group one being the highest rated. Total scores would always be considered as consisting of the most recent three years' worth of evaluation data.

- C. The evaluation procedure contained in this agreement shall not be used in any decision concerning the retention, promotion, removal, reduction or recall of any teacher until three years of data have been collected and three evaluation cycles have been completed. Value-added and other student growth measure data derived from assessments taken in one school year shall be combined with performance ratings that are assigned in the next school year to assign a summative evaluation rating. Nothing in this provision limits the right of the Board to non-renew a limited contract teacher as permitted by Ohio Revised Code.
- D. Until three years of data have been collected and three evaluations cycles have been completed, all decisions concerning the retention, promotion, removal, reduction or recall of any teacher shall continue to be governed by the terms set forth in this agreement, meaning that all teachers are "comparable" until OTES has been in use for three (3) years.
- E. Whenever there is a change in a teacher's assignment (e.g., building, grade level and/or subject matter), the three year data period for evaluation usage resets.

Remediation of Deficiencies Identified During Observations and Walkthroughs

- A. The remediation plan, as outlined in this section, shall detail:
 - 1. Performance issues documented as deficient;
 - 2. Specific performance expectations;
 - 3. Assistance will be provided by the District to support professional development of the teacher;
 - 4. Sufficient, specific timelines, not less than six (6) weeks, as to allow for the remediation of identified deficiencies.
 - 5. The provision for a trained teacher mentor/coach as appropriate. The mentor/coach will be provided release time to allow for meetings/observations with the teacher under a remediation plan.
- B. If a remediation plan is developed prior to March 1, those identified deficiencies shall be reevaluated as part of the performance assessment process for the remainder of the school year. A remediation plan for deficiencies that are successfully remediated during the remainder of the school plan shall be deemed completed.
- C. If a remediation plan is developed after March 1, the plan shall be continued into the next school year.

Other observed deficiencies regarding the teacher's failure to adhere to reasonable work rules and other documented deficiencies not noted during the formal observations or walkthroughs must be put in writing and provided to the teacher within five (5) workdays after the observed deficiency occurs. The evaluator shall provide, in writing, to a teacher any plan for remediation of identified deficiencies and shall include a reasonable time period for said remediation.

- E. Evaluations of teachers shall be based on objective observation of the work performance and shall be conducted openly and with full knowledge of the teacher. Teachers may request an additional observation due to extenuating circumstances by the end of that day.
- F. In the event an authorized leave prevents an evaluation of a teacher by the specified date(s) the teacher shall be evaluated as soon as practicable upon return from the leave. The deadline for taking action on the teacher's contract shall also be extended by the same number of days as were utilized during the authorized leave.
- G. The teacher shall have the right to submit a written response to the evaluation which shall be attached to the file copy.

No report/evaluation shall be placed in the teacher's personnel file, or otherwise acted upon without prior notification to the teacher. No teacher shall be required to sign a blank or incomplete evaluation form. The teacher's signature on an evaluation form shall merely indicate that the teacher has seen the evaluation and does not necessarily imply agreement with the evaluation's content.

- H. At the request of the Board or the CLFA, a committee comprised of three (3) teachers, selected by the CLFA president, and three (3) administrators, selected by the superintendent shall be established to review and/or alter the teacher evaluation instrument(s) utilized in the evaluation process.
- I. The committee shall submit its recommendations to the CLFA president and the superintendent. The superintendent will submit his recommendations to the Board for action. Any change(s) or denial of the committee recommendations by the superintendent and/or Board will be communicated to the committee at least ten days prior to formal Board action.

- C. Public complaints will not be placed in a teacher's personnel file until the teacher has had an adequate opportunity to resolve the alleged problem and the complaint is proven to have merit. The teacher will have the right to respond to the public complaint and any administrative written report and such response shall be attached to the complaint and the administrative written report(s). Such administrative written report(s) shall not be construed as a written reprimand relative to the complaint and shall not be written nor placed in a personnel file unless a conference has been held with the complainant(s) and teacher(s).
