ARTICLE I RECOGNITION

1.01 Statement of Recognition

The Board and the Association recognize and agree that all classified employees have the right to join, participate in and assist the Association unless otherwise provided in this article and the right to refrain from such by membership. Membership shall not be a prerequisite for employment or continuation of employment of any employee.

The Champion Local School Board of Education, (hereinafter "Board") recognizes CSSA OEA/NEA - Champion School Support Association, (hereinafter "Association",) as the sole and exclusive bargaining agent for the bargaining unit.

This recognition shall remain in effect for the term of this agreement provided that the Association retains certification as the exclusive representative of the bargaining unit described herein.

1.02 Definition of Bargaining Unit

1.021 **Inclusions:** The bargaining unit shall include all regular employees who have completed their probationary period, i.e. custodians, maintenance personnel, bus drivers, cafeteria employees, library secretaries, sign language interpreters for the deaf who work 20 or more hours per week. Also, any employee(s) working in the same bargaining unit position for 60 consecutive days or more becomes eligible for inclusion into the bargaining unit on the 61st day of employment in the same position. The 60 days shall commence from the date of the effected employee's most recent date of hire.

1.022 **Exclusions:** Excluded from the bargaining unit are all supervisors, secretaries assigned to the offices of the school principal (guidance and asst. principal) secretaries and other clerical personnel assigned to the central administration offices, educational aides, attendants, substitutes, probationary employees and all other employees not expressly listed in the above paragraph.

1.03 Bargaining Unit Work

Bargaining unit work shall not be performed by non-bargaining unit employees except in cases of an emergency or for instructional assistance as determined by the Superintendent.

1.04 Substitute Employees

Qualified substitute employees shall be hired to replace absent bargaining unit employees as long as they are available. The Board of Education shall make a good faith effort to have an adequate number of substitute employees available in all classifications.

ARTICLE II NEGOTIATIONS

2.01 Initiation of Negotiations

A written request to open negotiations shall be served on either party not earlier than the 1st of March and not later than the 15th day of March of the school year in which a new contract is to be negotiated. Within 15 days of the receipt of the request both parties will establish a mutually agreeable site, date and time for the initial meeting.

2.02 Submission of Issues

Once the meeting date, time and place has been established by both parties, the following procedures will be used:

In the first meeting, the party requesting negotiations shall submit in writing its proposals and thereafter additional items shall not be submitted by such party unless the other party consents thereto.

At the second meeting, the party who did not initiate negotiations may submit any proposals, items and/or articles to be discussed in addition to those items, articles and/or proposals submitted by the party initiating the negotiations. The parties will limit the negotiations to the items, issues and/or proposals exchanged at the initial two meetings unless the parties mutually agree to discuss new or additional items, issues and/or proposals.

Proposals shall in form and detail specify that to which agreement is sought in terms acceptable to the proponent without clarification or supplementation which if agreed to by the other party shall express the whole agreement between the parties with respect thereto. Topical listing of items proposed for negotiation laundry list shall constitute a clear failure of compliance with this requirement and may be disregarded.

2.03 Scope of Negotiations

Representatives of the Board and Association will negotiate in good faith all matters concerning salaries and such other terms and conditions of employment within the authority of the Board to resolve as the parties may agree are proper subjects of negotiations.

2.04 Negotiating Teams

The Board and the Association shall be represented at the negotiation meetings by a team of not more than five (5) negotiators. Each side may have one (1) observer. Neither party in any negotiation shall have any control over the selection of the negotiation or bargaining representatives of the other party. The Board may use legal counsel and the CSSA may use the OEA labor relations consultant as an additional team member.

In addition to said teams, the parties shall be authorized to admit one (1) resource person necessary to present any specific and/or unique issue on behalf of the other party. This resource person may be a bargaining unit member, a Board member or an OEA employee. In no case may there be more than seven (7) persons at the table for either side.

2.05 Item Agreement

As negotiated items are agreed upon they shall be reduced to writing and initialed by the chief negotiator of each party. Such initialing shall be construed as the tentative agreement by both parties on that item or issue subject to final ratification by the Association and adoption by the Board.

2.06 Agreement

When agreement is reached on all negotiable items through negotiations, the tentative agreement shall be reduced to

writing. Upon reaching tentative agreement both negotiating teams shall recommend ratification of the tentative agreement.

It shall be submitted to the Association for ratification and adopting. Within fourteen (14) days of ratification by the Association, the Board shall vote on the Agreement. After both parties ratify the Agreement, it shall be binding on both parties. Both parties shall review the agreement together to determine the accuracy of the document. If the agreement is in the proper form, said agreement shall be signed by the Board President, the Superintendent, the Board Treasurer, the Association President, and members of the CSSA negotiating team.

2.07 Exchange of Information

The Superintendent shall furnish the Association and the Association shall furnish the Superintendent upon reasonable request all available information pertinent to the issues under negotiation such as financial condition of the district. The Board and the Association will incur no unusual expense in providing such information to the other party. Access to available information in such form as it may exist constitutes compliance with the provision and neither party is obligated to develop data or information not in existence or to report, redraft, summarize, compute or otherwise develop data or information in other than its existing form.

2.08 Caucus

Upon request of either party the negotiation meeting shall be recessed to permit the requesting party a reasonable period mutually agreed upon to caucus.

2.09 Progress Reports

The Association and the Board retain the right to issue general reports to its membership on the progress of negotiations. Press releases to the news media regarding negotiations can be issued by either party, but no earlier than twenty-four (24) hours after the Board of Education receives a notice of intent to strike pursuant to O.R.C. 4117.14 (D) (2).

2.10 Closed Meetings

Negotiating meetings shall be closed to the press and the public.

2.11 Dispute Resolution

If agreement is not reached within forty-five (45) days prior to the expiration of this agreement, either party shall have the option of declaring an impasse. Upon declaration of impasse by either party, both parties shall jointly notify the Federal Mediation and Conciliation Service and the State Employment Relations Board that the issues in the dispute are being submitted to mediation and request a mediator to assist in negotiations.

The parties agree and will so notify the Federal Mediation and Conciliation Service and the State Employment Relations Board that the use of a mediator from FMCS shall be the sole dispute resolution procedure of the parties and the parties hereby waive the right to utilize any other dispute resolution procedure including those enumerated in Chapter 4117 of the Ohio Revised Code. The parties shall meet at the request of the mediator. The mediator shall have the authority to assist the parties in reaching an agreement. The parties will continue mediation until the mediator declares that further progress may not be achieved through negotiations. The time limit for negotiations/mediation may be extended by mutual agreement of the parties.

The above procedure shall not be subject to the grievance procedure. During and subsequent to submission of any ten (10) day notice to strike, mediation negotiations may be utilized by the parties to resolve disputed issues. The Board acknowledges that the Association retains its right to strike in accordance with the procedures outlined in Ohio Revised Code Section 4117.

ARTICLE III GRIEVANCE PROCEDURE

3.01 Grievance

A grievance is defined as an alleged violation, misinterpretation or misapplication of a specific article or section of this Agreement. If any such grievance arises there shall be no stoppage or suspension of work because of such

grievance; that such grievance shall be submitted to the following grievance procedure.

3.011 **Days**

Days shall mean actual working days. Working days shall mean days when the Board office is open for business.

3.02 **Purpose**

The purpose of this grievance procedure is to secure at the lowest possible administrative level proper solutions to grievances. Both parties agree that grievance proceedings shall be kept as informal as appropriate at all levels of the procedure.

3.021 **General**

All grievances shall be filed at the lowest possible level. The lowest possible level means that level of the grievance procedure at which the administrator deciding the grievance has authority to make a decision. Decisions rendered at each formal level will be made in writing on the form(s) hereto attached, (Appendix B), setting forth the decisions and reasons thereof. A grievant, at his/her sole choosing, may appear on his/her own behalf or may be represented at any and all steps of the grievance procedure by the Association or its affiliates or by any representative of his own choosing. When the grievant is represented by the Association or its affiliates at any step of the grievance procedure, any formal written grievance shall contain the signature of an Association representative or affiliate representative. Before the grievance is taken to the next level, the Association or its affiliates has the option of withdrawing its support.

3.022 **Time Limits**

If a formal grievance is not filed within fifteen (15) days (Step II) after the act or conditions giving rise to the grievance occurs, the grievance shall be deemed waived and not arbitrable. If the grievant and/or the Association on behalf of the grievant fails to follow the time limits at each level, the grievance shall be

deemed waived and not arbitrable. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level are maximums. However, they may be extended by written agreement of the parties involved. In the event a grievance is filed after May 15th of any year, and the parties cannot strictly adhere to time limits, the grievance(s) shall be processed at a time mutually agreeable to the parties, but no later than the beginning of the next school term.

3.023 **Step I. Informal**

If an employee believes there is a basis for a grievance, he/she must discuss the matter with their immediate supervisor in an effort to resolve the problem informally. Such discussion shall take place when the supervisor is approached by the grievant, or within twenty-four (24) hours. Should the twenty-four hour delay cause the timelines to expire, the grievant shall immediately move to Step II.

3.024 **Step II. Formal**

If the grievant is not satisfied with the results of Step I, he/she may begin formal procedure by submitting the formal grievance on the form attached hereto and made a part hereof, marked Exhibit B, to his/her immediate supervisor. Within five (5) days of the receipt of the form, the immediate supervisor shall conduct a meeting with the grievant and within five (5) working days after such meeting shall make a written decision, Exhibit B. The decision reached at this meeting shall be recommended in Step II of the grievance report and signed by both parties. If the grievance is not appealed to the next higher step within five (5) working days, further appeal shall be barred. Failure to meet with the grievant within five (5) working days or failure to make a decision within five (5) working days after such meeting, the grievance automatically goes to Step III.

3.025 **Step III. Formal--Superintendent**

If the grievant is not satisfied with the results of Step II, he/she may continue the formal procedure within specified time limits by submitting the formal

grievance to the Superintendent or his/her designee. Within five (5) days of receipt of this form, the Superintendent or his/her designee shall conduct a meeting with the grievant and within five (5) days after such meeting shall make a written decision. The decision reached at this meeting will be recorded on Step III of the grievance report form and returned. In the event the grievance is not appealed within five (5) working days to the next step, further appeal shall be barred. In the event that within five (5) days of receipt of the form by the Superintendent a meeting is not conducted with the grievant or within five (5) days after such meeting a written decision is not made, the grievance automatically goes to Step IV.

3.026 **Step IV. Formal--Board**

If the grievant is not satisfied with the disposition made at Step III, then he/she may, within the required time limits, file with the Superintendent a written request for a hearing before the Board of Education. Such hearing shall be held in private. The decision of the Board shall be rendered as promptly as possible, but within ten (10) working days from the Board hearing date. In the event the decision issued at Step IV is not appealed in writing within five (5) working days from receipt of the Board's decision, it will be determined that the grievance has been resolved.

3.027 **Step V.--Arbitration**

If the grievant is not satisfied with the disposition made at Step IV or the Board fails to provide a written decision within ten (10) working days from the Board hearing date, then he/she may request in writing his/her desire to arbitrate the grievance.

The grievant shall have the right to appeal the dispute to an impartial arbitrator. The arbitrator shall be selected from the parties' permanent panel of arbitrators which shall include the following:

1. Nels Nelson
2. Richard Blair
3. Thomas Skulina

The arbitrator shall be selected in the order set forth above. In the event the arbitrator is unavailable within a reasonable period of time to hear the grievance or a conflict exists or for some other reason the arbitrator cannot hear the grievance, the next arbitrator on the list will be selected.

3.028 **Powers of the Arbitrator**

- A. It shall be the function of the arbitrator and he/she shall be empowered except as his /her powers are limited below after due investigation to make a decision in case of alleged violations by the aggrieved.
- B. He/she shall have no power to add to; subtract from; disregard; alter; or modify; any of the terms of this agreement.
- C. He/she shall have no power to establish salary/wage schedules or change salary/wage schedules.
- D. In rendering decisions, an arbitrator shall give due regard to the responsibility of management except as they may be conditioned by this agreement.
- E. In the event that a case is appealed to any arbitrator on which he/she determines he/she has no power to rule, it shall be referred back to the Association, with notification to the Board, without decision or recommendation on its merits.
- F. The fees and expenses of the American Arbitration Association and arbitrator shall be paid by the party that loses the Arbitration. Any other expenses resulting from the grievance arbitration shall be borne by the party incurring same and neither party shall be responsible for the expense of witnesses called to testify for the other side.
- G. If the issue of arbitrability is raised, the arbitrator shall bifurcate the hearing and first decide

whether the grievance is arbitrable. If the arbitrator determines that the grievance is not arbitrable, the grievance will be dismissed.

3.029 **Miscellaneous**

- A. Failure of the administration to notify the aggrieved of a decision they have made on a grievance, at any level, will permit the grievance to proceed to the next step.
- B. All notices of hearing and dispositions of grievances shall be delivered in person to the grievant or left in the grievant's school mailbox, with a copy delivered to the Association president.
- C. All written reports prepared for the purpose of complying with these procedures, by any Party in Interest, shall be made on the Exhibit B Grievance Form.
- D. All grievances to be advanced to Step V Arbitration shall be submitted by the grievant to the Association president and no grievance may be advanced to Step V arbitration without the consent of the bargaining unit grievance committee.
- E. All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants.
- F. Meetings and hearings held under this procedure shall be conducted at a time and place which is mutually agreeable to the parties.
- G. Witnesses for arbitration hearings shall be released from their duties for the time they are required to testify with no loss of pay or benefits.

At least thirty (30) calendar days following the receipt of this information the CSSA treasurer shall give the Board treasurer a list of fee payers for whom the Fair Share fee shall be deducted, in accordance with the above, in equal installments from the fee payer's remaining paychecks prior to June 1.

Board of Education and the Constitution and laws of the United States.

ARTICLE V LEAVES

5.01 Personal Leave

All classified employees assigned to a regular full-time position will be eligible for up to four (4) days of paid personal leave each contract year. Personal leave shall be non-cumulative. Paid personal leave days are provided for in an effort to avoid docking an employee for legitimate business, professional, or personal reasons an employee may encounter which cannot be met outside the regular work day. Typical of these obligations, although not inclusive are: court appearances, religious holidays, funerals not covered by sick leave, school obligations for his or her child, and real estate obligations.

Personal leave requests must be submitted no later than three (3) days in advance to the appropriate supervisor. Prior approval of personal leave day requests must be obtained from the respective supervisor and Superintendent of Champion Schools. Personal leave forms can be located in building offices.

The personal leave shall be non-consecutive work days and shall not be taken on the day preceding or day subsequent to a holiday, term break, vacation, sick leave, or holiday recess, or first and/or last days of school. Personal leave may be granted in one-half or one day increments.

No more than one (1) employee in each employment classification by building on any given day shall be approved for personal leave.

Personal leave for new employees hired on a regular full time basis during a contract year shall be as follows:

New employees hired on regular basis between:

7/1 to 9/30	4 days
10/1 to 12/31	3 days
1/1 to 3/31	2 days
4/1 to 6/30	1 day

Unused personal leave days will be converted to sick days at the end of the school year. June 30 shall be the last day of the year for 12 month employees.

5.02 Sick Leave

Sick leave will be granted according to the Ohio Revised Code, except that employees will be entitled to an unlimited accumulation of unused sick leave.

- A. Each member of the bargaining unit shall receive fifteen (15) days sick leave with pay per year, which shall be credited at the rate of one and one-fourth (1-1/4) days per month.

5.03 Bereavement Leave

In the event of a death of a member of an employee's immediate family, the employees shall be entitled to three (3) days paid bereavement leave, two (2) days of which shall be separate and apart from any employee's sick leave and the third (3rd) day, if used, shall be charged against an employee's accrued sick leave balance. Use of such leave shall be contiguous to the day of the funeral of such family member and the bereavement days shall be taken consecutively.

For purposes of this Article, immediate family shall be defined as: father, mother, brother, sister, brothers and sisters-in-law, husband, wife, child, son-in-law, daughter-in-law, parents-in-law, grandparents, grandparents-in-law, grandchildren, aunt, uncle, niece, nephew or any member of the household who has stood in the same family relationship with the employee as any of the aforementioned.

The employee may be required to provide appropriate documentation of attendance and/or the death of the family member prior to being paid for the use of such leave.

5.04 Assault Leave

Bargaining unit members who are required to be absent due to physical disability resulting from an assault which occurs in the course of Board employment while on duty on school property or when required to be in attendance at a school sponsored function, shall be eligible to receive assault leave.

If medical attention is required, the member shall supply a certificate from a licensed physician stating the nature of the disability and its duration. Upon determination of eligibility by the Board, such leave shall be granted not to exceed thirty (30) days upon the member's delivery to the Treasurer a signed statement on forms prescribed by the Board and maintained by the Treasurer.

The statement will indicate the nature of the injury, the date of its occurrence, the identity of the individuals causing the assault, the witnesses, the facts surrounding the assault and the willingness of the member to participate and cooperate in pursuing legal action against the assailants. The Assault Leave Form can be located in building offices.

The Superintendent will determine whether the employee is able to be given an alternate work assignment. An alternate work assignment will terminate the assault leave.

Full payment for assault leave, less Workers' Compensation, shall not exceed the member's per diem rate of pay exclusive of any supplemental pay and will not be approved for payment unless and until the form and certificate as provided above are supplied to the Treasurer.

Falsification of either the signed statement or a physician's certificate is grounds for suspension or termination of employment under Ohio Revised Code 3319.081.

When the member exhausts the assault leave, the member may apply for further assault leave. Whether such additional leave is granted shall be determined solely by the Board.

When the assaulted member becomes eligible for benefits under the State Employees Retirement System because of any disability or because of age or when the member's re-employment by the District ceases, this leave provision shall no longer apply.

5.05 Worker's Compensation Leave

The Board shall continue to contribute its assessment to the public insurance fund, as provided by law. Any employee, injured in the course of his/her assigned duties, is entitled to file a claim for compensation as prescribed by Worker's Compensation Laws of the State of Ohio. Employees shall

have the option to use sick leave or wage reimbursement under the act.

An employee, injured in the course of his/her assigned duties, must file an Employee Accident Form, prescribed by the Board, within twenty-four (24) hours from the time of the accident, or as soon as possible thereafter. The Employee Accident Report form can be located in building offices.

Initial applications for Workers' Compensation should be filed with the Bureau as soon as possible after the injury. The Board reserves the right to require a physical examination for any employee injured in the course of his/her assigned duties at full cost to the Board.

Each employee shall receive a Worker's Compensation information card or leaflet.
