4. Teachers employed pursuant to this provision shall receive one (1) year limited contracts and shall not be eligible for continuing contracts, regardless of their years of service or license held. The decision whether to employ a teacher hired under this section for another year is solely within the discretion of the Board of Education, and that decision is not subject to the grievance procedure or ORC 3319.11. If the board determines that it will employ the bargaining unit member for the succeeding school year, the board will notify the bargaining unit member by April 15th.
5. Each one (1) year contract shall automatically expire upon the completion of the school year and it shall not be necessary for the district to take formal action to non-renew the employee pursuant to Ohio Revised Code section 3319.11 in order to terminate the employment relationship. The employment relationship shall end upon the expiration of the contract in the same manner as a supplemental contract. Teachers employed pursuant to this provision may not post for vacancies, shall not maintain bumping rights, shall have no seniority rights over any other teacher, and are not subject to, or required to participate, in the evaluation process. Teachers hired pursuant to this provision are not entitled to any severance benefits or retirement incentive benefits.

7. Teachers employed pursuant to this provision shall start each contractual year with three (3) days sick leave balance and shall earn sick leave during the contractual year at the same rate as other members of the bargaining unit up to a total of fifteen (15) days, which shall include the three (3) days advanced. Teachers employed pursuant to this provision shall not be eligible for participation in the Sick Leave Bank. If the teacher is employed under another contract(s) for succeeding years, there will not be a carryover of the sick leave days from year to year.
8. All of the terms and conditions of employment set forth in the preceding numbered paragraphs shall supersede and replace any sections of the ORC with which they are in conflict, including but not limited to, Sections 3319.11; 3319.111; 3319.12; 3319.17; Chapter 3307; 3313.202; 3319.08; 3319.141; 3317.13; and 3317.14.

ARTICLE VI - REDUCTION IN FORCE

A. STAFF REDUCTIONS

The following procedures shall govern the reduction of certified staff made necessary as a result of any of the reasons set forth in Ohio Revised Code section 3319.17: a lack of sufficient operating funds, decreased enrollment of pupils, meaning a lesser number of students in: (a) the entire district, (b) a building or buildings within the district, (c) a particular academic program or curriculum area of study, and (d) grade level, return to duty of regular teachers after leaves of absence, suspension of schools, or territorial changes affecting the district. Ohio Revised Code section 3319.11 shall not be used for the purposes covered by this section.

B. DATES OF NOTIFICATION

Teachers whose contracts are to be suspended due to a reduction will be notified no later than June 15 preceding the school year during which the reduction will be in force or forty-five (45) days notification, if needed, due to

reduction in State or Federal funding. To be restored to a teaching position a teacher on a suspended contract will reply to the administration within five (5) weekdays after the Administration has sent the notice as referred to in F-2. Failure to respond will result in the position being offered to the next eligible teacher and the non-responding teacher shall be removed from the recall list.

C. ATTRITION

To the extent possible, the number of persons affected by a reduction in force will be kept to a minimum by not employing replacements for employees who retire or resign or whose limited contracts are not renewed for performance reasons in accordance with Ohio Revised Code section 3319.11 and other related sections of this Master Agreement.

D. REDUCTION OTHER THAN BY ATTRITION

To the extent that reductions under "A" above are not achieved through attrition, reductions will be achieved by layoff. Layoff shall mean that a teacher's contract(s) will be suspended completely or reduced from full-time to part-time. When layoffs of members of the bargaining unit are necessary, members shall be laid off by positions in which they are employed. A person whose position is being eliminated or reduced from full-time to part-time shall have the opportunity to displace the least comparable person in a position for which he/she is certified so long as the reduced in force teacher is qualified for the position. A teacher exercising these displacement rights must notify the Board or Superintendent of their intent to do so within two (2) workdays of the receipt of the notice of reduction in force required by Paragraph B.

Reductions shall be made upon the recommendation of the Superintendent of Schools who shall give preference to teachers on continuing contracts. The Board shall not have preference to any teacher based on seniority, except when making a decision between teachers who have comparable evaluations.

E. SENIORITY AND CERTIFICATION

A seniority list shall be established listing all members of the bargaining unit, the date of hire-in, and the areas of certification held by each teacher.

All teachers having a continuing contract shall be placed higher on the seniority list than those teachers who do not. After this is done, seniority shall be determined by the length of continuous service in the school system. Among those with the same length of continuous service, seniority shall be determined by and in order of preference:

1. The date of the Board meeting in which the teacher was hired; and then by
2. The teacher having the greatest number of hours of course work taken in his/her licensure area since the date of hire; and then by
3. The teacher with the greatest number of total years in teaching; and then by
4. The time stamped date when the applicant accepted the position through the execution of the intent to hire form, then by
5. An agreed upon method in which all affected parties have an equal opportunity.

Length of continuous service will not be interrupted or affected by authorized leaves of absence.

On or about January 30 of each school year, the Association President shall receive in writing a copy of the seniority list of all certified personnel.

F. RECALL

1. Teachers on the reduction in force list shall be eligible to return to active employment to fill vacancies. Seniority shall not be the basis for recalling a teacher, except when making a decision between teachers who have comparable evaluations. The teacher shall have five (5) work days in which to notify the Board of the teacher's acceptance of the offered employment. In the event that a reduction in force occurs pursuant to this

provision which results in the reduction of five (5) or more members, and the Board decides to recall any of the members affected by this specific reduction in force, then each member shall be returned to their original position, should they accept the recall. Affected member includes any person placed on the recall list by virtue of the specific reduction in force, any member reduced in force due to the exercise of displacement rights by a more senior member, or any person who exercised displacement rights and is still in the employ of the board.

2. In the event a vacancy(ies) becomes available, the Board shall recall the teacher to active employment status by giving written notice to the teacher.

Said written notice shall be sent to the teacher and the Association President by certified letter addressed to the teacher's last known address. It shall be the responsibility of each teacher to notify the Board of any change in address.

3. A teacher who has been laid off shall remain on the reduction in force list until he or she is recalled or until he or she makes a written request to the Superintendent to be removed from the list. Teachers shall remain on the recall list for a period of two (2) years from the effective date of the reduction.
4. If a teacher on the reduction in force list is offered a full-time vacant position for which he/she is qualified and refuses that position, then in that event, the Board's obligation to the teacher shall cease and the teacher's employment with the Board shall terminate and his/her name shall be removed from the recall list.

G. GENERAL

1. Nothing in this section shall prevent the Board from exercising its right under Section 3319.11, Ohio Revised Code, so long as the reasons are not for those set forth in "A" above.
2. Teachers whose contract(s) are suspended shall be given preference when substitute teachers are employed.

ARTICLE VII - LEAVES OF ABSENCE

A. SICK LEAVE

1. Each member of the bargaining unit shall be entitled to sick leave of one and one-quarter (1 1/4) work days with pay for each completed month of service.
2. The unused sick leave shall accumulate to a maximum of two hundred and fifty five (255) days.

Any employee who has reached the maximum accumulated sick days shall accumulate an additional fifteen (15) days per year to be used for sick leaving without reducing the maximum number of accumulated days. These days do not count towards severance and cannot be rolled over into the following year.

Newly hired employees and employees returning from extended leave without accumulated sick leave shall be advanced five days for the remainder of the current contract year with the provision that such advanced sick leave may be recovered from final settlement, including wages due, of any employee who departs or terminates, except in the cases of death or disability of the bargaining unit member, prior to the completion of the current contract year or prior to the restoration/payback of all advanced sick leave. Any employee advanced sick leave will be allowed to restore advanced sick leave during subsequent years.

In the instance that the individual is not a relative, the employee shall be required to complete the Affidavit of Domestic Partnership in order to use sick leave.
 2. In case of illness or injury to the following persons living outside the household: husband, wife, mother, father, sister, brother, son, daughter, mother-in-law, father-in-law, son-in-law, daughter-in-law, grandparents or grandchildren; the bargaining unit member is limited to five (5) days per illness or injury.

The specifics of such reason do not have to be given. The Board reserves the right to request documentation from a medical provider.
5. Notice of accumulated days of sick leave shall be provided on the pay stub provided to each unit member.
6. As much advance notice as possible of the need for use of sick leave shall be given to the building principal.
7. The Association shall establish a sick leave bank to which employees may contribute days of personal sick leave.

The purpose of a sick leave bank shall be to provide participating members of the bargaining unit with a leave for catastrophic, long term, or life threatening illness or injury.

To be eligible, a bargaining unit member:

- a. Will have donated a minimum of two (2) days of sick leave to the bank.

Procedure:

- a. Application to draw days from this pool shall be made on the appropriate form to the Sick Leave Bank Committee, which shall consist of two (2) representatives from the Association and two (2) from the Board. This form shall then be sent to the Superintendent. Depending on the extent of the injury/illness and the prognosis for return to regular employment, the Sick Leave Bank Committee may grant up to thirty (30) days in any one year to any one member.
- b. The maximum days carried in the pool shall be no more than three hundred (320) days and those unused shall be carried over to the next year.
- c. The Superintendent shall be notified in writing by the Association of all such donations.
- d. Any bargaining unit member may donate up to but not more than seven (7) days in any one year. No member shall be required to contribute, however; only contributing members will be eligible to draw from the sick leave bank. If a bargaining unit member intends to donate days to the Sick Leave Bank, the days must be donated no later than October 1st of the school year in which the bargaining unit member may be eligible to utilize the Sick Leave Bank.

- e. The donation of days to the sick leave bank shall not in any way negatively affect the bargaining unit member's standing under all section of Article VII - Leaves of Absence.

Two of these days may be taken consecutively.
2. Personal leave shall be granted to no more than ten (10) percent of the staff in a given building on any specific day unless approved by the Superintendent. Those individuals who do not use their personal leave shall be reimbursed at the rate of \$75.00 for each day not used.

2. The Board shall request notification of the intent of the bargaining unit member to return from leave. The

teacher shall notify Board of intent to return from leave no later than April 1 preceding the school year. If the teacher fails to notify the Board by April 1 of the teacher's intent to return, the failure to so notify the Board shall be deemed notice of the teacher's irrevocable resignation from employment with the Board. Upon return to service at the expiration of such leave, the teacher shall resume the contract status which he/she held prior to such leave and the teacher shall be returned to the same position held prior to the leave. In the event of reduction in force, the provisions of reinstatement shall be subject to the reduction in force agreement.

4. I understand the nature and extent of Board provided health insurance benefits which I am losing as the result of my participation in the plan and I have had the opportunity to ask any questions, to inspect and copy any and all documents relevant to the Board provided health insurance plans, to consult with my BEA representatives, insurance advisors and legal counsel prior to making this application.
5. My request that the Board no longer make premium contributions on my behalf for the purchase of Board provided health insurance coverage is freely and voluntarily made and I hereby, for me, my insured dependents and my heirs, release the Board, its members, officers and employees, the insurance carriers providing group health insurance coverage to the Board and the BEA, its officers, members and affiliates from any and all liability of any kind arising out of or in any way connected with my participation in the plan.

7. I will notify the Treasurer in writing on any involuntary charge in my insurance coverage while participation in the plan and will re-enroll in the Board provided health insurance plans not later than the third Monday of the month following the loss of that coverage or the loss of any continuation of that coverage, whichever is later. Other than in the case of an involuntary loss of insurance coverage. I understand that my right to re-enroll in Board provided health insurance plans may be limited to the annual enrollment period or enrollment periods determined by the insurance carriers. In the event of re-enrollment in Board provided health insurance plans, I will no longer be eligible to participate in the Health Insurance Incentive plan and all payments to me under this plan will cease.
