## **PREFACE**

This AGREEMENT is made and entered into as of August 1, 2015, between the BOARD OF EDUCATION OF THE BEAVERCREEK CITY SCHOOL DISTRICT OF GREENE COUNTY, OHIO ("BOARD"), and the BEAVERCREEK EDUCATION ASSOCIATION, AFFILIATED WITH THE OHIO EDUCATION ASSOCIATION AND THE NATIONAL EDUCATION ASSOCIATION ("ASSOCIATION").

## **PREAMBLE**

The BOARD and the ASSOCIATION recognize that providing a high quality education is the ultimate objective of both parties and that good morale of the professional staff contributes to this goal.

## **ARTICLE 1 – RECOGNITION**

### **1.01 Recognition**

- A. The BOARD recognizes the ASSOCIATION, as the sole and exclusive bargaining representative for those certificated/licensed teaching personnel included in the unit for bargaining as set forth in 1.01 B. The term "Professional Staff Members" when used hereinafter shall refer to all employees represented by the ASSOCIATION. The term "School District" shall refer to the Beaver Creek City School District.
- B. The following Professional Staff Members are included in and the bargaining unit is defined as:

All pre-K-12 regular certified/licensed employees working pursuant to a regular contract performing service in teaching positions established by the BOARD which are not excluded from the unit.

Excluded from the bargaining unit are the Superintendent, Assistant Superintendent(s), Director(s), psychologists, intern psychologists, special education supervisors, supervisor of educational technology/media services, building principals, assistant principals, home tutors, adult school teachers, auxiliary program personnel, personnel of state or federal grants that Beaver Creek City School District is serving only as fiscal agent (e.g. STARBASE Program – WPAFB), curriculum supervisors, all classified assistants, all substitute teachers and any other certified/licensed or non-certified/licensed personnel employed by the BOARD in non-teaching positions.

### **1.02 Certification**

The ASSOCIATION shall present to the BOARD prior to September 1st of each year a list of its officers and official representatives.

## **ARTICLE 2 – NEGOTIATIONS PROCEDURE**

### 2.01 Scope of Negotiations

Bargaining between the ASSOCIATION and the BOARD shall be for all purposes as specified in Chapter 4117 of the Ohio Revised Code.

### 2.02 Conducting Negotiations

- A. Negotiation meetings shall be preceded by a letter of request from the party wishing to initiate negotiations. The letter of request for negotiations must be received by the Superintendent's Office or by the President of the ASSOCIATION between the dates of March 15 and April 1. If negotiations are initiated by the ASSOCIATION, this letter should come from the President of the ASSOCIATION and be directed to the Superintendent. If negotiations are initiated by the BOARD, they shall submit said letter to the President of the ASSOCIATION through the Superintendent. Negotiation meetings will commence on or about April 15th. Both teams shall in good faith try to reach agreement prior to June 1st.
- B. The parties agree to utilize a problem-solving format for conducting negotiations. All members of the negotiating teams will be trained in the principles and techniques of the process.
- C. Prior to negotiations the parties will meet and develop ground rules under which bargaining will be conducted.
- D. At the first bargaining session the parties will exchange and explain all issues presented for negotiations.
- E. Once a solution has been agreed upon, the issue will be initialed indicating a tentative agreement. The issue may be reviewed at some later date if it pertains to any new issue and by mutual consent.
- F. It is the goal of the negotiators to avoid caucuses; however, if they become necessary the time will be limited as much as possible.
- G. All negotiators are expected to maintain confidentiality on all subjects presented in the bargaining sessions. There may, however, be a need to share information with other BOARD members or ASSOCIATION executive committee members. They should be instructed to keep the information confidential. This is considered to be internal communication.
- H. All press or media statements will be made jointly. This is considered to be external communication.
- I. If the negotiators choose to abandon the problem-solving process and return to traditional bargaining, all previous tentative agreements will be considered final.

- J. Both teams involved in negotiations shall be empowered to reach tentative agreement without having to refer each proposal back to the ASSOCIATION or the BOARD.
- K. No reprisal, action to coerce, censor or penalty shall be taken against any negotiating participant.

### 2.03 Agreement

- A. When tentative agreement is reached, the Association shall submit it for ratification within seven (7) days and the BOARD will then consider adoption within seven (7) days following Association ratification.
- B. The BOARD and ASSOCIATION negotiating teams will meet within fourteen (14) calendar days after BOARD adoption of the tentative agreement to proof a draft of the new agreement.
- C. Approximately thirty (30) days after the AGREEMENT is fully executed by the BOARD and the ASSOCIATION, the BOARD will have it printed in sufficient quantity so that all Professional Staff Members in the bargaining unit, all members of the administrative staff, the ASSOCIATION, the BOARD and potential new Professional Staff Members will be able to receive a copy/copies. The cost of such printing will be paid by the BOARD. After the AGREEMENT is printed, the ASSOCIATION will be given sufficient copies for its needs and for distribution to all Professional Staff Members. It shall be the right of the ASSOCIATION to distribute the AGREEMENT to all Professional Staff Members employed at the time of this initial distribution and to secure a receipt acknowledging delivery of the AGREEMENT, which receipt shall be given to the Superintendent or his/her designee. The Superintendent shall be responsible for seeing that any Professional Staff Member hired after this distribution receives a copy and executes a receipt. A copy of each Receipt received by the Superintendent or his/her designee will be furnished to the ASSOCIATION.

### 2.04 Dispute Resolution - Mediation

- A. In the event that full tentative agreement is not reached within forty-five (45) calendar days prior to the expiration (or reopened, if applicable) date, the parties mutually agree to first call upon and meet with a Mediator appointed by the Federal Mediation and Conciliation Service (FMCS) for the purpose of mediation. If such service by FMCS is not available, the parties mutually agree to obtain the services of another mutually agreed upon mediation service such as the American Arbitration Association. Any costs for the use of such mediation service shall be shared equally by the parties.
- B. The dispute resolution procedure shall be deemed exhausted either:
  - 1. at the expiration of the AGREEMENT; or

2. when either party declares that mediation was unable to result in a settlement, whichever date is the last date.

#### 2.05 Strike Notice

Nothing contained herein shall restrict the rights of the ASSOCIATION as set forth in Ohio Revised Code Section 4117.14(D) (2) provided the ASSOCIATION has given the BOARD and SERB a prior ten (10) day written notice of its intent to strike on or after the expiration date of this AGREEMENT. Such notice shall contain the day and time that the action will commence and shall in all respects comply with the applicable provisions of the Ohio Revised Code.

#### 2.06 Severability

If any provision of this AGREEMENT shall be found to be contrary to law by a court of competent jurisdiction, then that provision shall be deemed invalid except to the extent permitted by law, but all other provisions hereto shall continue in full force and effect for the term of the AGREEMENT. The parties shall meet within thirty (30) calendar days upon request of either party to negotiate any necessary change in the AGREEMENT relative to the affected provision. Said negotiations shall be in accordance with provisions outlined in this Article.

### **ARTICLE 3 – GRIEVANCE PROCEDURE**

  3. No grievance may be filed in which the relief sought seeks to change any action taken by the Administration with respect to any matter relating to a student (e.g., grades given a student, discipline taken against a student).

4. If a specific Section of this AGREEMENT limits the parameters and use of this grievance procedure, such limitation shall, be followed.
- B. The Aggrieved may be one or more Professional Staff Members having a grievance or it may be the Grievance Committee as the Committee of Interest.
- C. A Class Action Grievance may be filed by the Grievance Committee as the Committee of Interest representing the membership, if the grievance affects a group of Professional Staff Members, and may be filed at Level III, if Level I and II are not appropriate.
- D. The Party in Interest is the party or parties with whom the aggrieved has a grievance.
- E. Days, as used in this grievance procedure, shall be defined as calendar days, excluding Saturdays, Sundays, calamity days, and legal holidays.
- F. Representation of the aggrieved may be by any representative of the ASSOCIATION.

### 3.02 Rights and Restrictions

- A. Nothing contained in this procedure shall be construed as limiting the right of any Professional Staff Member having a complaint or problem to discuss the matter with any appropriate member of the Administration and having the complaint or problem adjusted without intervention and/or consultation of the ASSOCIATION, provided the adjustment is not inconsistent with the terms of this AGREEMENT.
- B. Every Professional Staff Member shall have the right to present any grievance, to be free from coercion, interference, discrimination, restraint, or reprisal and shall have the right of representation by the ASSOCIATION or its designee in the processing and presentation of the grievance.
- C. If a grievance is not initiated within twenty-five (25) days after the aggrieved has knowledge of the event or condition on which the grievance is based or with reasonable diligence should have known such event or condition, the grievance shall be considered waived.
- D. A grievance may be withdrawn at any level without prejudice.
- E. Individual grievances may be filed at Level III if the parties agree that decision on this issue does not fall within the scope of authority attained at Level I or II.
- F. Time limits specified herein may be altered by mutual agreement, in writing, of the parties.

### 3.03 Procedure

Professional Staff Members are encouraged to seek the assistance of the ASSOCIATION (President, Labor Relations Consultant, ASSOCIATION building representative) before instituting the following "formal" procedure.

#### A. Level I

Within twenty-five (25) days of the date a grievance occurs or a grievable act becomes known, the Professional Staff Member shall discuss the grievance with his/her immediate supervisor individually, or together with an ASSOCIATION representative, with the objective of resolving the matter informally. At this level, the Professional Staff Member shall notify the principal verbally that this is the informal level of the grievance process. Within five (5) days after discussion of the grievance, the administrator or designee shall give his/her disposition verbally to the Professional Staff Member.

#### B. Level II

1. If the grievance is not resolved informally, or if no decision has been rendered within five (5) days after the informal discussion, the aggrieved shall, within ten (10) days of the informal discussion, file a Grievance Report (Appendix N) with the party in interest and with a copy to the Grievance Committee. Within five (5) days of receipt, the party in interest shall initiate a hearing.

Should the opinion of the Grievance Committee be that a grievance does not exist, the aggrieved and the party in interest shall be so notified.

2. The hearing may include the party in interest and his/her representative, the aggrieved and a Grievance Committee representative. Within five (5) days of the hearing of the grievance, the party in interest shall render a written decision (on Form Appendix O) which shall include the reasons for this decision.

#### C. Level III

1. In the event that the aggrieved is not satisfied with the disposition of his/her grievance at Level II, or if no decision has been rendered within five (5) days from the date of conclusion of the hearing of the grievance by the party in interest, the aggrieved may, within fifteen (15) days of the Level II hearing, refer the grievance individually or through the Grievance Committee, in writing (on Form Appendix N) to the Superintendent or his/her designee.
2. The Superintendent or his/her designated representative(s) shall within ten (10) days of receipt of the grievance, conduct a hearing concerning the grievance. The hearing shall include the parties as stated in Level II and

the Superintendent or his/her designated representative(s). Both parties shall also have the right to witnesses. Within five (5) days of the conclusion of the hearing of the grievance, the Superintendent or his/her designated representative(s) will issue his/her decision along with his/her reasons, in writing (Form Appendix O), as to the disposition of the grievance to the aggrieved, the party in interest and the Grievance Committee Chairperson. All individuals receiving copies of the decision are subject to and shall comply with Paragraph 3.04, Records.

D. Level IV

1. Within ten (10) days after receiving the decision of the Superintendent or his/her designated representative(s), the ASSOCIATION may appeal the decision to Arbitration. If the ASSOCIATION desires to do so, it shall file a demand for arbitration with the American Arbitration Association (AAA). An arbitrator shall be selected by the ASSOCIATION and the BOARD in accordance with the rules of the AAA; provided, however, AAA shall not have the authority to appoint any individual as an arbitrator who is not acceptable to both the ASSOCIATION and the BOARD. The arbitrator shall have no power to alter, add to, subtract from the terms of this AGREEMENT and shall render an award consistent with the facts and applicable provisions of this AGREEMENT. The arbitrator shall issue his/her decision on the grievance in writing. The ASSOCIATION, the aggrieved, the Superintendent, the Administration and the BOARD shall be bound by the decision of the arbitrator.
2. Nothing in this AGREEMENT shall be construed to deny the individual, the ASSOCIATION, or its representative(s), the right to seek redress by law or any appropriate agency; provided, however, that if the aggrieved elects to pursue any legal or statutory remedy, such election shall bar any further or subsequent proceedings under this Grievance Procedure.
3. The costs for the services of the arbitrator, including AAA filing fees, per diem expense, if any, and actual and necessary travel and subsistence expenses, shall be borne as follows:
  - a. the cost of the arbitrator shall be borne equally by the ASSOCIATION and the BOARD.
  - b. the cost of any transcript of the arbitration hearing provided to the arbitrator shall be borne equally by the ASSOCIATION and the BOARD;
  - c. the cost of any transcript provided to any party shall be borne by the party ordering same; and
  - d. in all other respects, each party shall be responsible for its own costs.

### 3.04 Records

- A. Forms for filing and processing grievances (Appendix N, O, and P) shall be given appropriate distribution so as to facilitate the operation of the Grievance Procedure.
- B. Copies of all documents, communications, or records dealing with a grievance shall be furnished to all parties to the grievance as the grievance proceeds. In addition, one copy of each shall be retained in a grievance file (see paragraph 3.04 C). No records, documents or communications concerning a grievance shall be placed in the personnel file of any participants.
- C. An official closed file of the materials pertaining to a grievance shall be established by the Superintendent upon resolution or withdrawal of the grievance. This file shall be opened only in the presence of the Superintendent and the President of the ASSOCIATION, and they shall determine if the records are complete (copies of Appendix N, O & P).

### 3.05 Miscellaneous Provisions

- A. No Professional Staff Member shall file a grievance after the effective date of his or her resignation, except in matters of wages and/or fringe benefits.

#### 8.08 General Provisions

- A. The foregoing insurances described in Sections 8.01 and 8.06 shall be continued for any eligible Professional Staff Member who pays the Professional Staff Member's portion as set forth in Sections 8.04 and 8.08 during any period when such Professional Staff Member is on the active working payroll, compensated sick leave, compensated leave of absence, non-compensated approved leave of absence of less than thirty (30) days, disability leave of absence of less than ninety (90) days, or for Professional Staff Members working only during the regular school year and not working during the summer break period, until such Professional Staff Members either resign their employment status or fail to return to active working status at the commencement of the next school year. Professional Staff Members on approved disability leave of absence over ninety (90) days' duration who desire to continue such insurance coverage past the period for which the BOARD has agreed to continue coverage for the Professional Staff Member may do so by paying one-half (1/2) of the full group premium for such insurance to the Treasurer of the BOARD on or before the seventeenth (17th) day of the month prior to any month such coverage is desired to be continued for the remainder of the first year of the disability leave. In the event such part premium is timely paid by the Professional Staff Member, the BOARD will be responsible for the remaining one-half (1/2) of the group premium for the remainder of the first year of the disability leave. In the event coverage is discontinued for any period, the Professional Staff Member shall have the right to acquire insurance through the insurance carrier in accordance with its policies, and coverage cannot be reacquired through the BOARD until the teaching staff member returns to active working status.

- B. Unless a properly completed application form for any of the insurances described in Sections 8.01, 8.06 and 8.09 is filed with the Treasurer of the BOARD within thirty (30) days of the date the Professional Staff Member commences active working status, or returns to active working status from leave, whichever is applicable, coverage will not be available until the next open enrollment period.
- C. In the event a Professional Staff Member desires to change from one type of coverage to a different type of coverage (e.g., single to dependent), the Professional Staff Member must file a new application with the Treasurer of the BOARD. For the changed coverage to be effective on the date of the change of marital status of the Professional Staff Member, the new application must be on file with the Treasurer of the BOARD before the effective date of the change of marital status. The effective date of changed coverage for applications received after the date of change of marital status will be the date such application is received at the office of the insurance carrier.
- D. Medical benefits and/or all insurance provided pursuant to this AGREEMENT shall be subject to the conditions set forth in any benefits and/or insurance contract secured by the BOARD; provided, however, if the BOARD elects to change carriers, any new medical benefits program and/or insurance coverage secured shall be equivalent to the coverage described in Sections 8.01 and 8.06, and provided further in the event any provider changes its benefits and/or insurance contract during the term of this AGREEMENT, such changes, if made applicable to all other comparably situated employers covered by such contract, may be made applicable to the Professional Staff Members covered by this AGREEMENT.

### **ARTICLE 9 – PROFESSIONAL STAFF MEMBER ABSENCE**

The following leave provisions shall be applicable to all full-time Professional Staff Members.

#### 9.01 Sick Leave

- A. Days of absence authorized under this provision shall be deducted from the sick leave accumulation. One and one-fourth (1 1/4) days of sick leave shall be granted full-time Professional Staff Members for each completed month of employment up to fifteen (15) days per year. Unused sick leave is cumulative to a maximum accumulation of 330 days. Any Professional Staff Member who has accumulated the maximum of 330 total sick leave days is eligible for a maximum of fifteen (15) additional sick leave days per year as approved by the Superintendent at the end of each school year. These additional days are not chargeable to the 330 total and are non-accumulative.
- B. Should a Professional Staff Member have absences due to illness of more than the total accumulated sick leave, such Professional Staff Member, unless employed on an hourly basis, will be granted an advancement of sick leave to a maximum of five (5) days, if requested. For any Professional Staff Member remaining on contract the next school year, the use of sick leave shall be charged against the Professional Staff Member's normal accumulating sick leave so that no loss in pay results. If the Professional Staff Member should resign, be placed on unpaid leave of absence or decease before this advancement of sick leave has been earned back, such unearned sick leave days shall be deducted from adjusted final pay or a claim shall be made against the Professional Staff Member or his/her estate.
- C. Previously accumulated and unused sick leave of a Professional Staff Member who has been separated from another Ohio Public agency as provided in Ohio Revised Code, Section 3319.141, shall be accepted as full value to the total of

possible accumulated days as provided in Section 9.01, paragraph A. of this Article, provided none of such accumulated unused sick leave has been converted to pay upon retirement as provided by Section 124.29 of Ohio Revised Code.

- D. Standard reasons acceptable for sick leave usage are:
1. Personal illness (includes emergency dental and medical appointments).
  2. Injury.
  3. Absence due to illness, injury or death in the employee's immediate family.
  4. Exposure to contagious disease which could be communicated to others.
  5. Disability due to pregnancy.
- E. For purposes of absence due to caring for or being with a member of the Professional Staff Member's immediate family who is ill or injured or for a death in the Professional Staff Member's immediate family, immediate family shall be defined as the Professional Staff Member's parents, grandparents, current spouse, children, sisters, brothers, stepparents, stepchildren, foster parents, foster children, grandchildren, current spouse's immediate family or any dependent living in the Professional Staff Member's household. For the illness of persons not defined above, authorization for sick leave may be granted by the Superintendent.
- F. Sick leave notification form must be completed for any day or part of day used and submitted to the appropriate building Principal no later than the fourth (4th) workday after returning to work from sick leave. The form must include a signed statement verifying usage of sick leave for one of the reasons stated above. See Appendix D.
- G. Deductions of sick leave due to use will be in one-fourth day blocks as follows: 0-2 hours, no deduction; over two (2) hours to four (4) hours, then one-half (1/2) day; over four (4) hours to six hours, then three-fourths (3/4) day; over six (6) hours, then one (1) full day shall be deducted. In cases of recurring or habitual absences of less than two (2) hours by a Professional Staff Member, such periods of absence shall be cumulated and deducted as though they had been a single absence.
- H. In the event the sick leave absence is for over twenty (20) but less than sixty (60) consecutive school days, three (3) days' notice of intent to return must be given to the Director of Human Resources. In the event the sick leave absence is for over sixty (60) consecutive school days, at least one week's notice of intent to return must be given to the Director of Human Resources; provided, however, if the Professional Staff Member intends to return at the commencement of a school calendar year, notice of such intent must be given to the Director of Human Resources no later than August 1 preceding the date of return.

- I. The Administration may require a physician's signed statement justifying the use of sick leave in excess of seven (7) consecutive school days. If the use of sick leave is for personal injury or illness reasons (including disability due to pregnancy), the physician must certify the inability of the Professional Staff Member to perform his/her duties and the anticipated period of disability and/or the anticipated date of return to work.
- J. Falsification of the sick leave statement constitutes just cause for the termination of a Professional Staff Member's contract pursuant to Section 3319.16 Ohio Revised Code.

9.02 Exhaustion of Sick Leave

Professional Staff Members who exhaust all sick leave they have earned or have had credited to their account as an advance or from the sick leave bank who remain sick and unable to report for work shall automatically, for up to thirty (30) days, be deemed on leave-without-pay status. During this thirty (30) day period, the Professional Staff Member MUST apply for appropriate leave to cover the absence from work. Failure to properly apply for appropriate leave during this thirty (30) day period is grounds for termination of the Professional Staff Member's contract for willful failure to return to work.

9.03 Sick Leave Bank (S.L.B.)

A. Purpose:

To loan additional days of sick leave to Professional Staff Members and licensed employees who experience personal (or immediate family) accidental injury, surgery or serious illness and have used up all personal sick leave days.

paycheck of the month of the yearly anniversary date of the loan (See Appendix V). The licensed employee must complete the Sick Leave Bank Verification Form (See Appendix U).

In the event the licensed employee is unable to accrue the total number of required days owed to the S.L.B. (1/4 total borrowed) at the end of each 12-month period, the BOARD will deduct the licensed employee's daily rate times the number of unaccrued days owed for that period. (See Appendix V.)

E. Policy Procedures

1. In consideration of the benefits of participating in the S.L.B., each applicant for membership in the Bank and for benefits from the Bank shall, as a condition to such application, agree in writing as follows:

6. Extension of additional days may be applied for in the same manner as original application.

7. When a licensed employee donates days to the Bank, he/she agrees to the above stated rules for administration of the Bank and agrees to abide by the stated rules.

#### 10.11 Standards-Based Teacher Evaluation

The Board is responsible for adopting and implementing in consultation with teachers a standards-based teacher evaluation policy that conforms to the framework for evaluation of teachers as approved by the State Board of Education, as amended, which aligns with the "Standards for the Teaching Profession" as set forth in State law.

##### A. Definitions

1. "OTES" – is the Ohio Teacher Evaluation System as adopted by the Ohio State Board of Education in 2011, as it existed July 1, 2015. (Amendments to Ohio law or changes by the State Board of Education or the Ohio Department of Education (ODE) to OTES during the term of the negotiated agreement will be deferred until the expiration of the negotiated agreement. However, if Ohio law, the State Board, or ODE changes the matrix for the final summative rating so that the percentage weight of student growth measures is lowered, the district will use the lower percentage. For example, if the 50/50 percentage split is changed to 65/35 percentage split, the new split will be used.)
2. "Teacher" – For purposes of this policy, "teacher" means a licensed instructor who spends at least fifty percent (50%) of his/her time providing student instruction and who is working under one of the following:

- a. a license issued under R.C. 3319.22, 3319.26, 3319.222 or 3319.226;
- b. a permanent certificate issued under R.C. 3319.222 as it existed prior to September, 2003; or
- c. a permanent certificate issued under R.C. 3319.222 as it existed prior to September, 2006.

Substitute teachers and teachers not meeting this definition are not subject to evaluation under this policy.

In order to include nurses, counselors, and librarians as part of the Teacher Evaluation Program Booklet, relevant references to “teachers” in this Article (only) shall also include those professional staff members (nurses, counselors, and librarians). The parties expressly recognize that there may be provisions of this Article that do not apply to nurses, counselors and librarians; for instance, the sections on student growth measures.

3. “Credentialed Evaluator” – For purposes of this policy, each teacher subject to evaluation will be evaluated by a person who is credentialed as set forth in R.C. 3319.111(D) and who is employed as an administrator by the Board or who is employed by the ESC and assigned full time to BCSD as an administrator or supervisor.

B. Standards-Based Teacher Evaluation

Teacher evaluations will be based in equal part upon teacher performance (50%) and student growth (50%). However, if Ohio law, the State Board, or ODE changes the matrix for the final summative rating so that the percentage weight of student growth measures is lowered, the district will use the lower percentage. For example, if the 50/50 percentage split is changed to 65/35 percentage split, the new split will be used.

Each teacher evaluation will result in an effectiveness rating of:

1. Accomplished;
2. Skilled;
3. Developing; or
4. Ineffective

as prescribed by statute and ODE's standard-based teacher evaluation framework.

C. Assessment of Teacher Performance

Teacher performance will be evaluated based on the *Ohio Standards for the Teaching Profession* and will be assessed through formal observations, informal

observations also known as "classroom walkthroughs," and other methods of gathering teacher performance data.

D. Evaluation Procedure

1. All teachers: All teachers shall be evaluated at least once each school year based on at least two (2) formal observations and classroom walkthroughs, except as provided below.
2. Teachers under consideration for nonrenewal: Teachers on limited contracts who are under consideration for nonrenewal shall receive at least three (3) formal observations in addition to classroom walkthroughs.
3. Evaluation Cycles:
  - a. A teacher who receives a rating of "Accomplished" on his/her most recent evaluation may be evaluated every third school year.
  - b. A teacher who receives a rating of "Skilled" on his/her most recent evaluation may be evaluated every other school year.

Formal observations shall be a minimum of thirty (30) minutes in duration.

Evaluations will be completed by May 1<sup>st</sup> and each teacher will be provided a written report of the results of his/her evaluation by May 10<sup>th</sup>. Written notice of nonrenewal will be provided by June 1<sup>st</sup>.

E. Assessment of Student Growth

Student growth will be calculated by assessing achievement for an individual student occurring between two (2) points in time. Students who have forty-five (45) or more excused or unexcused absences for the school year will not be included in the determination of student academic growth. If Ohio law is amended to exclude additional students, the Board will follow Ohio law.

To measure student growth, the Board will use value-added data (or an alternative student academic progress measure if adopted by ODE), ODE-approved vendor assessments, and/or locally determined student growth measures, as specified in R.C. 3319.112.

F. Final Evaluation Procedures

Each teacher's performance rating will be combined with the assessment of student growth measures to produce the summative evaluation rating, based upon the "Evaluation Matrix" established by ODE in its framework, as that framework existed on July 1, 2013. (Amendments to Ohio law or changes by the State Board of Education or the Ohio Department of Education to the Evaluation Matrix or the

framework during the term of the negotiated agreement will be deferred until expiration of the negotiated agreement. However, if Ohio law, the State Board, or ODE changes the matrix for the final summative rating so that the percentage weight of student growth measures is lowered, the district will use the lower percentage. For example, if the 50/50 percentage split is changed to 65/35 percentage split, the new split will be used).

G. Professional Growth Plans and Professional Improvement Plans

Each teacher must develop either a professional growth plan or professional improvement plan as set forth in ODE's framework.

H. Board Professional Development Plan

The Board will allocate financial resources to support the professional development of teachers covered by this policy.

I. Retention and Promotion Decisions/Removal of Poorly Performing Teachers

The evaluation results will be used by the Superintendent for employment decisions, including, but not limited to, retention, promotion for teachers, renewal of teaching contracts, and the removal/nonrenewal of poorly performing teachers.

Seniority shall not be the basis for a decision to retain a teacher, except when deciding between teachers who have "comparable" evaluations.

J. Evaluation Program Booklet

The purpose of Professional Staff Member evaluation is to improve pupil instruction. The Professional Staff Member evaluation program entitled "The Teacher Evaluation Program, Promoting Continuous Improvement Through Professional Growth" dated June 2013, is incorporated into this AGREEMENT and shall remain in full force and effect until a successor program is negotiated by the parties or until it is amended by the parties. The District Evaluation Committee will make recommendations to the parties regarding any proposed changes.

K. General Provisions

1. The Principal or Assistant Principal is the evaluator who determines the final teacher performance rating.
2. Comments on the evaluation must be based on evidence collection by the credentialed evaluator and/or documentation properly placed in the Professional Staff Member's personnel file.
3. Criticism of any other person besides the Professional Staff Member being evaluated should not be included in the evaluation.

4. In the event a Professional Staff Member does not agree with any evaluation or with the objectives for professional growth established by the building principal, the Professional Staff Member may file a grievance concerning such evaluation or objectives; provided however, such grievance shall not be appealable to arbitration.
5. Any teacher who has a summative rating of Ineffective, will be provided with two days of professional development opportunities (in one-half day increments). It will be highly recommended that these teachers attend this professional development. The professional development will be open for attendance of other teachers as space permits.

#### 10.12 Complaints Against Staff

Upon receiving a written or verbal complaint of a very serious nature from a parent/guardian against a Professional Staff Member, the Principal shall discuss it with the Professional Staff Member within a reasonable period of time following the receipt of said complaint; and if anything is reduced to writing, the Professional Staff Member shall be given a copy. If a BOARD Member or Central Office Administrator receives a written or verbal complaint about a Professional Staff Member, he/she will refer the complainant to the appropriate administrator who shall fully advise the Professional Staff Member of the expressed concerns.
- B. If a conference is deemed necessary by the Professional Staff Member, the Principal or the parent, the guidelines shall be followed as set forth in 12.05.

First priority for visitation is within the visiting Professional Staff Member's own building and is to be during the visiting Professional Staff Member's regular planning period or other unscheduled time. Visitations to other school buildings outside the school system or within the school system may be approved upon request of the Professional Staff Member or Principal if arrangements can be worked out between the Principal and the Professional Staff Members involved. If deemed necessary, an assignment of four (4) class preparations per day will be given first to Professional Staff Members who volunteer. However, the principal may make an involuntary assignment of more than three (3) class preparations per day after consultation with the appropriate Department Chair and the affected Professional Staff Member. This will occur only if student course requests so dictate after the Spring scheduling has been completed and no later than the last day of the school year, unless enrollment changes after the close of the school year require otherwise. There will be no involuntary assignment of five (5) class preparations per day, except under extraordinary circumstances.

2. Every effort will be made to equalize class size within each department as much as possible, based upon student enrollment and need.

- M. The Board will adopt two consecutive school year calendars using the above formula by the March Board meeting.

For example:

- Q. For the 2015/2016 school year, the district will have a total of six (6) 2-hour delays for professional development with four planned by the calendar committee to complete Public School Works and with the additional two planned at the discretion of the administration. If the professional staff member has successfully completed the assigned Public School Works training courses before each

designated 2-hour delay, the professional staff member is not required to report during that 2-hour delay.

For the 2016/2017 school year, 2-hour delays for professional development will be eliminated and replaced with 4 professional development days. If all assigned Public School Works training assignments are successfully completed by the professional staff member by October 9, 2016, then October 10, 2016 may be considered a non-report day for that employee.

Public School Works training assignments will be made on or before August 1st for the 2016/2017 school year.

### **ARTICLE 13 – MISCELLANEOUS PROVISIONS**

#### 13.01 Class Size

- A. A strong effort will be made in scheduling to keep class size as small as possible and to equalize, to the extent feasible, class size within each building. The BOARD and the Administration will strive to meet the pupil/teacher ratio as recommended in the minimum standards currently in effect for Ohio elementary and secondary schools. Prior to September 15th, and with input from teachers, efforts will be made in the K-4 grades to accomplish this goal by building and grade level. To the extent possible or practical, considering all significant relevant factors, an effort will be made to equalize the distribution of regular and special education students in each grade/class level/subject within each building. Nothing in this section shall require the District to transfer any pupil or pupils to a different building than the building the student should normally be assigned to based on residence.
- B. If either the ASSOCIATION or a Professional Staff Member believes that an imbalance or overload in either an individual class size or in the total teaching load of a Professional Staff Member exists by October 1st, the following procedure will be used:
  1. Either the Professional Staff Member or the ASSOCIATION shall refer the problem, in writing, to the Building Principal. Thereafter, the Building Principal will confer with the Professional Staff Member and an ASSOCIATION Representative in an effort to resolve the problem.
  2. If the conference with the Building Principal fails to resolve the problem, the ASSOCIATION may refer the problem, in writing, to the Superintendent. Thereafter, the Superintendent (or his designee(s)) will confer with the ASSOCIATION Representative(s) and the Professional Staff Member(s) involved in an effort to resolve the problem.
  3. The Superintendent's resolution of the alleged imbalance or overload is final.

- C. Class size and student load reports will be reviewed by the BEA President or his/her designee and the Director of Human Resources no later than September 15 during the first semester and February 1 during the second semester of each year. Enrollment projections for the next school year will be provided to the BEA President or his/her designee by May 15 of each year.

### 13.02 Cooperating Professional Staff Members

- A. Criteria for Assignment of Student Teachers:
  - 1. Professional Staff Members have the right to ask to take a student teacher or express a desire to have one or not to have one.
  - 2. Selection of the cooperating Professional Staff Member should be made by the Department Head, the Principal and approved by the Director of Human Resources.
  - 3. After acceptance (Paragraph A.1. above), the agreed-upon cooperating Professional Staff Member should be provided a written resume of the student teacher, date of arrival and length of time for student teaching. The resume should provide an excellent basis for the student teacher-cooperating Professional Staff Member interview. Following the interview, the cooperating Professional Staff Member is expected to approve or disapprove working with the student teacher.
  - 4. A student teacher should be limited to one cooperating Professional Staff Member unless a special request is made.
  - 5. The cooperating Professional Staff Member should have been in the teaching area for four (4) years.
  - 6. A Professional Staff Member should only have one student teacher per year, but exceptions can be made where teaming is involved.
  - 7. The student teacher is expected to follow all university teacher preparation guidelines

### 13.03 Departmentalization

- A. Professional Staff Members shall be encouraged to organize at the individual school level to stimulate professional growth, improve instruction, promote curriculum development and provide for continuous assessment of teaching and learning.

Typical faculty organizations may take the form of departments delineated along the lines of subject matter fields at the Middle School and High School level and grade levels in the elementary schools so that Professional Staff Members are grouped in their areas of competency.

It is not the intent of this Article, however, to restrict the operational structure of schools to the departmental type organization. Schools are encouraged to experiment with varied organizational patterns in search of more effective ways of achieving their objectives.

- B. High School, Middle School, and Elementary Department Heads are recommended by the Superintendent after consultation with the Assistant Superintendent/Curriculum and Instruction (Assistant Superintendent/Pupil Services, Special Education only) and the Building Principal, and they are employed by the BOARD. Department Heads are directly responsible to the Building Principal.
- C. Organization
  - 1. High School: If qualified Professional Staff Members are willing to serve, there shall be a Department Head for the following: Art, Business Education, English, Foreign Language, Guidance, Health and Physical Education, Industrial Technology, Mathematics, Science, Social Studies; Vocational Home Economics and Special Education.
  - 2. Middle School: If qualified Professional Staff Members are willing to serve, there shall be one Department Head for the following: Mathematics, Science, Social Studies, Language Arts, Research and Technology, Special Education and Unified Arts.
  - 3. Elementary: If qualified Professional Staff Members are willing to serve, there shall be one Department Head in each building for the following: Special Education, Grade Levels K-1, 2-3, 4-5 and Unified Arts.
- D. Compensation for duties as Department Heads will be based on the extra duty assignment salary schedule. See Article 7 .07 - Supplemental Salary Positions

#### 13.04 General Discipline and Duty

The administration recognizes its responsibilities to support Professional Staff Members in the performance of their duties and shall fully support and assist Professional Teaching Staff Members in the maintenance and control of discipline on school grounds, including hallways, restrooms, parking lots, etc. When possible, the Principal shall assign Professional Staff Members exterior duty on a volunteer basis first. Additional exterior duty will be assigned Professional Staff Members to meet the supervisory requirements of the building determined by the Principal.

For additional information, see Ohio Revised Code 3313.66(c), 2151.022, 2744.03(A)(6), and 3319.41(G).

### 13.05 Tuition Free Attendance

Children of non-resident Professional Staff Members and/or step-children residing in the Professional Staff Member's household may attend the Beavercreek Schools on a tuition-free basis providing:

- A. The Superintendent has the sole right to determine admittance and to assign each student. Resident students shall take priority over nonresident students in all matters of class/course selection and placement. All students are approved on a "current school year only" basis and each year is a separate year. The enrollment of a student under this Section one year does not guarantee enrollment in the next year.
- B. The BOARD shall not be responsible for providing any pupil transportation for such students from or to points outside the Beavercreek School District.
- C. Professional Staff Members who are not employed before August 1 may submit such request up to three (3) days before the start of the school year.
- D. Such students shall be subject to the same rules and regulations as any other student.
- E. Student may be suspended or expelled as any other student.
- F. Decisions made by the Superintendent under this section are not appealable under the grievance procedure.

### 13.06 Chronic Communicable Diseases

#### A. Purpose

The School District desires to protect the rights of individuals who may be infected with a chronic communicable disease as well as the non-infected students, staff and school community members. The purpose of this policy is to address issues and concerns which arise when an employee is suspected, identified or verified as being infected with a chronic communicable disease.

Control of a chronic communicable disease is essential to assure the health and safety of all persons in the school community. Early identification and implementation of appropriate control measures serve to limit the spread of these diseases. In response to growing concerns, these measures are outlined in this policy.

The principal philosophy which will guide this district's response to these issues is that each concern will be addressed individually on a case-by-case basis with emphasis on confidentiality.

B. Non-Discrimination

A Professional Staff Member who has been exposed to or who contracts a chronic communicable disease shall be treated no differently than an employee with any other medical disability and will be provided the full protection of Federal and/or State Law.

No Professional Staff Member shall be subjected to random testing for chronic communicable disease.

C. Confidentiality

The BOARD and all employees of the BOARD involved in any way in the implementation/administration of this procedure shall at all times maintain fully the confidentiality of any information received pursuant to this procedure except to the extent otherwise reasonably required to accomplish such implementation/administration.

D. Medical Evaluation Criteria

The need of a medical evaluation may arise in one of the following ways:

1. A Professional Staff Member may voluntarily inform a school administrator that he/she has a chronic communicable disease.
2. A Professional Staff Member may develop such observable symptoms or conditions which would cause the appropriate administrator to request a private conference with the Professional Staff Member to review concerns. During this conference, the employee may acknowledge contraction of chronic communicable disease.
3. If it is not ascertained at the previous private conference that the Professional Staff Member has contracted a chronic communicable disease, and the administrator observes continuing further and obvious deterioration of symptoms and conditions which begin to negatively affect the performance of the Professional Staff Member, the administrator shall request a second conference with the employee to further review any concerns. Based on the results of this second conference, the administrator shall either take no further action at that time or shall refer the matter to the Superintendent.

The administrator shall keep the Superintendent informed of the results of each situation as outlined in paragraph 1, 2 or 3 above. If as a result of the information received from the administrator, the Superintendent determines that there is a need for a medical examination and review, the superintendent shall convene a Medical Review Board comprised of the following:

- a. A physician selected by the Professional Staff Member
- b. A physician selected by the BOARD
- c. The Greene County Health Commissioner or his/her designee.

The Medical Review Board shall provide for an examination of the Professional Staff Member and may obtain upon written voluntary authorization of the Professional Staff Member, all relevant and pertinent medical information from the Professional Staff Member's personal physician.

- 4. The report rendered by the Medical Review Board shall be restricted to an evaluation of the Professional Staff Member's medical condition and shall clearly provide whether or not the Professional Staff Member has been infected with a chronic communicable disease. If so, then the Medical Review Board shall determine:
  - a. Whether or not the Professional Staff Member's current medical condition imposes a health risk to others in the school environment and the rationale for the finding. In making that determination, the Medical Review Board shall consider.
    - i. The nature of the risk of the Professional Staff Member's medical condition
    - ii. The duration of the medical condition
    - iii. The severity of the risk of the medical condition
    - iv. The probability the disease will be transmitted
    - v. Other relevant factors.
  - b. The Medical Review Board shall make a recommendation to the Superintendent that the Professional Staff Member should be:
    - i. Admitted to work unconditionally
    - ii. Admitted to work under restrictive conditions, or
    - iii. Not admitted to work.
  - c. The report of the Medical Review Board shall be in writing and shall set forth all reasons for its recommendations.

- d. All costs of the Medical Review Board shall be borne as follows:
  - i. Professional Staff Member's physician - any cost not borne by Professional Staff Member's insurance shall be paid by the BOARD.
  - ii. BOARD's physician - cost paid by BOARD.
  - iii. County Health Commissioner (no costs involved).
- e. If elimination of the health risk requires the implementation of a temporary or permanent removal of a Professional Staff Member with a chronic communicable disease, the employer shall comply with the provisions of this contract and ORC 3319.13.
- f. Sick Leave/Disability Retirement

A Professional Staff Member diagnosed to have a chronic communicable disease shall have full access to sick leave and disability leave as provided in this AGREEMENT and the Ohio Revised Code.

### 13.07 Shared Staffing

Shared staffing shall be defined as the duties and responsibilities of one specific teaching assignment being voluntarily shared equally by two (2) Professional Staff Members for a specific length of time. No more than two (2) Professional Staff Members may share a single specific teaching assignment.

- A. A Professional Staff Member must have completed one (1) year of service in the School District to be eligible for a shared staffing assignment.
- B. Shared staffing assignment requests by Professional Staff Members will be considered/granted by the Director of Human Resources.
- C. Shared staffing assignments shall be limited to no more than twelve (12) Professional Staff Members. Priority for such assignment requests shall be given to those currently job sharing, then to the Professional Staff Members with greater School District seniority.
- D. Shared staffing shall not be implemented for the purpose of avoiding the filling of a full-time position, to cover work of employees on RIF, nor to achieve a reduction in benefits.
- E. All leaves and other privileges shall be in accordance with the appropriate provisions of the current AGREEMENT.

- F. While in a shared staffing position, a Professional Staff Member will earn sick leave at the rate of 1.25 days per month.
- G. Shared staffing partnerships must last through one (1) full school year.
- H. Professional Staff Members requesting and receiving a shared staffing assignment must agree to be covered by their spouse's medical and dental insurance plans while on such shared staffing assignment. If the spouse is not covered by any insurance plan, the Professional Staff Member must pay fifty percent (50%) of the monthly premium costs for any insurance coverage offered through the BOARD.
- I. Professional Staff Members shall be paid their salary according to their placement on the salary schedule, pro-rated to the percentage of the full-time job for which they are contracted.
- J. Currently employed Professional Staff Members who are seeking to form a possible job sharing team or to dissolve a current team for the following year must apply in writing to the Director of Human Resources prior to March 15 of any given year unless there are unusual, extenuating circumstances. Partnerships must be formed no later than June 1. (Appendix Q)
- K. The job sharing team shall present a proposed teaching schedule, including all building responsibilities, to the appropriate Building Principal. While it may not be possible, efforts shall be made to make the teaching schedules and responsibilities as equal as possible. Members of a team shall not be assigned duties or responsibilities in excess of a regular full-time position. The schedule shall be approved by the Principal. Both members of the team shall attend orientation day, in-service day, open house and system-scheduled parent conferences. Staff meetings will be attended by one member of the team, depending on when they are held (a.m. or p.m.), and that member shall inform the other member of the team of the meeting content.
- L. Upon dissolution of the job partnership, each job sharing Professional Staff Member shall be guaranteed a full-time position in the school from which she/he left if a position is available in that school. If a position is not available in her/his previous school, she/he shall be given a full-time position for which she/he is certified within the School District. If no full-time position is open, the team will remain intact until such time as a position is available. The individual with the most District seniority shall have first choice of positions available, including the job sharing position.
- M. The BOARD may, but is not obligated to, grant Professional Staff Member's requests to be assigned to a shared staffing position.
- N. The decision by the Superintendent or his/her designee to grant or deny a request by a Professional Staff Member for a shared staffing position is final and not grievable. A Professional Staff Member denied a shared staffing assignment

shall, upon request, have a conference with the Director of Human Resources to review the denial.

13.08 Meeting Individual Student Needs

Where a Professional Staff Member works in conjunction with classified assistants, the Professional Staff Member will inform the assistant's immediate supervisor when the assistant fails to discharge his/her duties in a proper manner. The administrator will take appropriate action as expeditiously as possible.

13.09 Absence of Building Administrator

For the protection of both pupils and Professional Staff Members, there will be an administrator present during the normal school day when the building is open for instructional purposes. In the absence of an administrator, the Principal may request that a Professional Staff Member volunteer as the Principal's representative. A Professional Staff Member volunteering as acting Principal shall be considered the same as a Principal for all purposes under the provisions of ORC 2744.07.

**ARTICLE 14 – REDUCTION IN PROFESSIONAL STAFF MEMBERS**

14.01 Reasons for RIF

Reduction in Force shall be defined as that process utilized to reduce the number of Professional Staff Members for the following reasons:

- A. decreases in pupil enrollment
- B. suspension of schools or territorial changes affecting the District
- C. return of Professional Staff Members from leaves of absence
- D. return to duty of Professional Staff Members on disability leaves of absence
- E. anticipated lack of funds.

14.02 Notification of RIF

Having made a determination that such a reduction is to be made, and before any action or recommendation shall be made by the Superintendent, the Superintendent shall cause notice to be given of his intent to recommend suspension of contracts to all Professional Staff Members so affected twenty (20) days prior to any BOARD action to reduce staff, but in no case later than June 1 of a given school year.

14.03 Seniority List

The ASSOCIATION shall receive, along with all Professional Staff Members to be reduced, a seniority-continuing contract list, including each Professional Staff Member's area of certification/licensure on file in his/her official file and present teaching/building

assignment. Such list shall first rank all Professional Staff Members with a continuing contract by order of School District seniority; next listed shall be all Professional Staff Members who do not have a continuing contract ranked by School District seniority and such listing shall include area or areas of certification/licensure, present teaching/building assignment.

#### 14.04 Procedure

All reduction in staff pursuant to this policy shall be made first by attrition and then as follows:

- A. Staff reduction procedures will be made system-wide according to Professional Staff Member's area(s) of certification/license on file in the office of the Director of Human Resources and valid on the date of contract suspension.
- B. Contracts of Professional Staff Members serving under temporary certificates or in their first year of teaching on a one-year only contract for Professional Staff Members on a leave of absence shall be considered next.
- C. Contracts of Professional Staff Members on limited contracts and teaching for Professional Staff Members on a leave of absence for the second consecutive year or more and contracts of all other Professional Staff Members on limited contracts shall be placed on the seniority list. These Professional Staff Members shall be considered next and shall be suspended on a last employed - first suspended basis. Should the length of continuous service be equal for two or more Professional Staff Members considered for suspension, then the total years of teaching experience in the School District (minus time accrued on a BOARD-approved Leave of Absence, except Maternity and Child Care Leave) shall prevail, and if prior teaching experience is equal, the following should be used to determine which contract shall be suspended: First - holding of graduate degree in subject matter or field of study; second - semester hours in the subject matter or field of study; third - graduate degree in unrelated subject area or field of study; and finally, semester hours in an unrelated subject area or field of study.
- D. Should it become necessary to suspend any Professional Staff Member with a continuing contract pursuant to this policy, such suspension shall be made from Professional Staff Members with a continuing contract on a last employed - first suspended basis. Should the length of continuous service for two or more Professional Staff Members with a continuing contract who are being considered for suspension be equal, then the procedure outlined in paragraph 3 of this Section shall be followed.
- E. It is understood that voluntary transfer requests may be considered and involuntary transfers affected, as determined by the Superintendent, in order to assign Professional Staff Members whose contracts have not been suspended so as to meet the staffing needs of the District. However, involuntary transfers will

be used only after the voluntary transfer process has not placed displaced Professional Staff Members in available positions.

- F. Any Professional Staff Member displaced from his/her current teaching assignment due to reduction in force may bump the most junior Professional Staff Member in another teaching field in which he/she is certificated/licensed, provided such certification/licensure is on file with the Director of Human Resources. In no event shall a Professional Staff Member without a continuing contract or part-time Professional Staff Member without a continuing contract exercise bumping rights over a full-time Professional Staff Member.

#### 14.05 Seniority Defined

Seniority shall be defined as the continuous service or employment of a Professional Staff Member beginning with the date the BOARD, by resolution, offered the contract of employment.

#### 14.06 Continuous Employment

Continuous employment for purposes of this policy shall include:

- A. all time on sick leave
- B. all time on disability leave while receiving Workers' Compensation as a result of employment with the BOARD
- C. all time while on involuntary military leave of absence
- D. all time during suspension of a Professional Staff Member if the Professional Staff Member is reinstated.
- E. all time on Maternity and/or Child Care Leave.
- F. all time accrued on any BOARD-approved Leave of Absence.
- G. all time on Family and Medical Leave.

#### 14.07 Seniority Loss

Seniority shall be lost when a Professional Staff Member.

- A. Resigns
- B. Retires
- C. Leaves the employ of the BOARD due to non-renewal, provided the Professional Staff Member is not re-employed at the start of the next school year and incurs no actual break in service, and due to termination of contract.

#### 14.08 Rights to Recall

Professional Staff Members whose contracts have been suspended pursuant to reduction shall have recall rights as follows:

- A. Recall of Professional Staff Members' contracts shall be made system-wide according to Professional Staff Members' area(s) of certification/licensure on file in the Director of Human Resources' Office and valid at the time of recall on a last suspended first recalled basis.
- B. Upon being recalled, the Professional Staff Member shall be placed at the same contract status and salary placement and retain the same seniority and benefits as held when said Professional Staff Member's contract was suspended.
- C. Recall rights shall be for a period of twenty-one (21) calendar months after the effective date of suspension of the contract. Professional Staff Members who wish restoration shall keep their current address on file with the Treasurer of the BOARD. Professional Staff Members who do not respond to a restoration notice for five (5) school days (or ten (10) calendar days when school is not in session) after receipt of notice by certified mail (or if such notice is returned undelivered) shall forfeit all rights to restoration.

#### 14.09 Exclusions

Professional Staff Members employed for the first year for Professional Staff Members on an approved leave of absence, or filling a part-time or full-time temporary position, shall not be governed by this policy even if the total teaching staff members at either the elementary, middle school or high school levels is less than the total teaching staff members at either elementary, middle school or high school levels during the school year immediately following the school year said Professional Staff Members were under contract.

### **ARTICLE 15 – ASSIGNMENT - TRANSFER – REASSIGNMENTS**

#### 15.05 Qualification Factors

Before recruiting new Professional Staff Members, the administration shall survey staff members for possible transfer to a different building or upgrading (see Vacancy Posting Procedure). Present Professional Staff Members who are qualified and have applied for a

posted position will be given preference for transfer over new hires if equally qualified. In making such decisions, the BOARD agrees to give consideration to such factors as, but not limited to, the professional background of the applicants, their length of service, work performance in the School District and experience elsewhere. **SHARED STAFFING APPLICATION**

Name \_\_\_\_\_ Date of Application \_\_\_\_\_

Building \_\_\_\_\_ Application for \_\_\_\_\_ School Year \_\_\_\_\_

Current Assignment (Grade, Subject) \_\_\_\_\_

Please state your reasons why you are requesting a shared staffing assignment. (Be specific) \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

Brief Description of Shared Staffing Assignment requested (Elementary, Secondary, Subject, Etc.) \_\_\_\_\_

\_\_\_\_\_

\_\_\_\_\_

If selected for a shared staffing assignment, I verify by my signature at the end of this application that I have read and understand the following guidelines and conditions, agree to abide by them while on a shared staffing assignment and give permission for my current contract to be reduced by whatever daily percentage resulting from my teaching partnership daily schedule arrangement.

**Article 13 Section 13.07 of the Agreement between the Beavercreek Board of Education  
and the Beavercreek Education Association.**

Shared staffing shall be defined as the duties and responsibilities of one specific teaching assignment being voluntarily shared equally by two (2) professional staff members for a specific length of time. No more than two (2) professional staff members may share a single specific teaching assignment.

- A. A professional staff member must have completed one (1) year of service in the School District to be eligible for a shared staffing assignment.
- B. Shared staffing assignment requests by professional staff members will be considered/granted by the Director of Human Resources.
- C. Shared staffing assignments shall be limited to no more than twelve (12) professional staff members. Priority for such assignment requests shall be given to those currently job sharing, then to the professional staff members with greater School District seniority.
- D. Shared staffing shall not be implemented for the purpose of avoiding the filling of a full-time position, to cover work of employees on RIF, nor to achieve a reduction in benefits.
- E. All leaves and other privileges shall be in accordance with the appropriate provisions of the current Agreement.

(continued on back)

- F. While in a shared staffing position, a professional staff member will earn sick leave at the rate of 1.25 days per month.
- G. Shared staffing partnerships must last through one (1) full school year.
- H. Professional staff members requesting and receiving a shared staffing assignment must agree to be covered by their spouses' medical and dental insurance plans while on such shared staffing assignment. If the spouse is not covered by any insurance plan, the professional staff member must pay fifty percent (50%) of the monthly premium costs for any insurance coverage offered through the Board.
- I. Professional staff members shall be paid their salary according to their placement on the salary schedule, pro-rated to the percentage of the full-time job for which they are contracted.
- J. Currently employed professional staff members who are seeking to form a possible job sharing team or to dissolve a current team for the following year must apply in writing to the Director of Human Resources prior to March 15 of any given year unless there are unusual, extenuating circumstances. Partnerships must be formed no later than June 1.
- K. The job sharing team shall present a proposed teaching schedule, including all building responsibilities, to the appropriate Building Principal. While it may not be possible, efforts shall be made to make the teaching schedules and responsibilities as equal as possible. Members of a team shall not be assigned duties or responsibilities in excess of a regular full-time position. The schedule shall be approved by the Principal. Both members of the team shall attend orientation day, in-service day, open house and system-scheduled parent conferences. Staff meetings will be attended by one member of the team, depending on when they are held (a.m. or p.m.), and that member shall inform the other member of the team of the meeting content.
- L. Upon dissolution of the job partnership, each job sharing professional staff member shall be guaranteed a full-time position in the school from which she/he left if a position is available in that school. If a position is not available in her/his previous school, she/he shall be given a full-time position for which she/he is certified within the School District. If no full-time position is open, the team will remain intact until such time as a position is available. The individual with the most District seniority shall have first choice of positions available, including the job sharing position.
- M. The Board may, but is not obligated to, grant professional staff member's requests to be assigned to a shared staffing position.
- N. The decision by the Superintendent or his/her designee to grant or deny a request by a professional staff member for a shared staffing position is final and not grievable. A professional staff member denied a shared staffing assignment shall, upon request, have a conference with the Director of Human Resources to review the denial.
