ARTICLE I - RECOGNITION

- A. The Big Walnut Education Association, affiliated with the Ohio Education Association, and the National Education Association, hereinafter referred to as the Association, is recognized by the Big Walnut Local Board of Education, hereinafter referred to as the Board, as the exclusive and sole bargaining agent for members of the bargaining unit.
- B. Bargaining Unit - The bargaining unit shall comprise all classroom teachers, counselors, special teachers, and all certificated, Educational Support Personnel as defined by the State of Ohio Department of Education: counselors; library media specialists; school nurse; visiting teachers; social workers; elementary art, music and P.E. This provision shall not include hourly certificated personnel including, but not limited to, home instructors, substitute teachers, Superintendents, principals, assistant principals, teaching principals, and other supervisory and administrative personnel of the district. The exception to this provision is a substitute teacher as defined in Article XXIII, Vacancies and Transfers, Section (C) (4) shall be included in the bargaining unit.
- C. "Member" Defined – The term "member," when used hereinafter in this Negotiated Agreement, shall refer to all employees represented by the Association in the Bargaining Unit as determined in Article 1, Recognition.

ARTICLE II - MANAGEMENT RIGHTS CLAUSE

The Board retains all the rights, powers, duties and authority granted by law and shall adopt, rescind, or modify such policies, rules and regulations as it deems appropriate so long as such policy, rule or regulation does not conflict with a lawful provision of the Negotiated Agreement.

ARTICLE III - NON-DISCRIMINATION

The Board and the Association agree that the Board's policies and practices affecting members and the Association's representation of the interests of members shall be without discrimination based on membership in the Association, race, color, national origin, creed, gender, sexual orientation, marital status, handicap, age, genetic information, military status, or the free exercise of any right guaranteed by law, government regulation under the color of law, or by this negotiated agreement.

ARTICLE IV - NEGOTIATIONS PROCEDURES

A. Scope of Bargaining

The scope of bargaining between representatives of the Board and the Association shall be all matters with respect to wages, hours or terms and other conditions of employment and the continuation, modification or deletion of an existing provision of a collective bargaining agreement. The parties may agree to and follow negotiation procedures and timelines different from those provided in this negotiated agreement or Chapter 4117.

B. Directing Requests

Either party may request negotiations on or after February 1st of the year of expiration of the Negotiated Agreement. A request initiated by the Association shall be directed to the Superintendent or his/her designee. Requests initiated by the Board shall be directed to the President of the Association. The party initiating a request to negotiate must file a Notice to Negotiate with the State Employment Relations Board.

C. The Negotiations Meeting Period

1. The first negotiations session shall be held within thirty (30) calendar days of the date listed on the initial request for negotiations.
2. Both parties shall submit, at the first negotiations meeting, fully written proposals with language to be added and/or removed for all provisions the parties are submitting for negotiations.
3. No new proposals shall be submitted by either party after the initial bargaining meeting without the consent of both parties.
4. All meetings shall be scheduled with no interruption of or resulting interference with school schedules. Meetings shall be conducted at other than school time, except by mutual consent, with no loss in pay to members on the negotiating team.
5. Negotiation meetings shall be in executive session.
6. During the course of negotiations, agreements shall be reduced to writing, dated, and initialed by representatives of each negotiations team.
7. Each negotiation team shall have no more than six members. Each party has the right to choose their representatives either from within or outside the school district. No other person or persons shall be present during the negotiations meeting unless mutually agreed upon by members of both negotiating teams.

8. Either team may call for a caucus at any time.
9. Except as provided herein, the negotiating period shall conform to, and comply with, the requirements of Chapter 4117 of the Ohio Revised Code. All sessions are to be completed within this time unless extended by mutual agreement.
10. Prior to and during the period of negotiations, the Board and the Association shall provide each other upon written request and within a reasonable time period, essential information available concerning financial resources of the district and such other information as will assist the negotiations teams in their deliberations. Provided, however, nothing herein shall require either party to provide confidential information compiled.
11. All sessions of the negotiations meetings shall be in "good faith." Good faith requires the parties to make a sincere effort to reach agreement upon matters under consideration, but requires neither party to agree nor to make a concession. The parties agree to grant to their respective representatives the power and authority necessary to negotiate within the spirit of these provisions on the matters under consideration.
12. While negotiations are in progress, news releases to the public shall be made only after a copy of such release has been given to the opposite party.
13. Progress reports may be made to the represented bodies by either negotiations team at the discretion of the team.

D. Agreement

When the negotiations teams reach tentative agreement on a successor contract, said contract shall be submitted to the Association for ratification within fifteen (15) calendar days following tentative agreement. Upon ratification by the Association, the contract shall be submitted to the Board for consideration at the next regularly scheduled Board meeting occurring more than fifteen (15) calendar days thereafter. If either side fails to ratify or approve the terms of the tentative agreement, all terms previously agreed upon are null and void. When so ratified and adopted, the negotiated agreement shall become a binding contract between the parties for the period stated therein. The Superintendent or his/her designee shall provide electronic access to the negotiated agreement to each employee who is, or becomes, a member of the bargaining unit during the life of this negotiated agreement or upon ratification of a successor contract.

E. Disagreement

1. Request for Mediation

- a. If a tentative agreement is not reached by the parties after consideration of proposals and counterproposals, either party may petition the Federal Mediation and Conciliation Service (FMCS) to assign a mediator.

2. Mediation Process

- a. The mediation process shall commence with the assignment of the mediator.
- b. The mediator shall have no authority to bind the parties to any agreement; nor shall he/she alter, modify, or amend any agreement between the parties.
- c. The process described herein shall not abrogate the Association's right under O.R.C. 4117.14 (D) (2) to conduct a lawful strike providing the following conditions are met:
 - i. The negotiated agreement has expired.
 - ii. The mediation process described above has been completed.
 - iii. The statutorily required ten (10) day written notice (including the date and time of the commencement of the job action) has been appropriately filed.
- d. The procedures contained in this Article constitute the parties' mutually agreed upon dispute resolution procedure, and are intended to supersede any contrary provision of Revised Code Chapter 4117. (Public Employees Collective Bargaining Law)

3. Alternate Settlement Procedures

Nothing in this Chapter shall be construed to prohibit the parties, at any time, from voluntarily agreeing to submit any or all of the issues in dispute to any other alternative dispute settlement procedure.

ARTICLE V - GRIEVANCE PROCEDURE

A. Definitions

1. A "grievance procedure" is a method by which a member can express a complaint, problem or dispute without fear of reprisal and obtain fair hearing at progressively higher levels. Said procedure shall provide democratic interpretation and application of personnel policies and practices.

2. A grievance is defined as a complaint alleging a violation, misinterpretation, or misapplication of the Negotiated Agreement.
3. A "grievant" shall be defined as a member, group of members or the Association who allege to have a grievance. Grievances must identify each member and/or group alleged to have been harmed by the action(s) being grieved. The grievant may be accompanied at all hearings or meetings by an Association representative of his/her choice.
4. A "day" in this article shall mean a school calendar day on which the central office is open, exclusive of recognized state and/or federal holidays, and winter and spring recess. The number of days indicated at each level shall be considered as maximum and shall be adhered to in expediting the procedure. Time limits may be extended only by mutual agreement of all parties concerned.
5. Immediate Supervisor - The immediate supervisor is the building principal.
6. Reprisal – No censure or other adverse action shall be taken against any member participating in the grievance procedure.

B. Purpose

1. The primary purpose of this procedure shall be to obtain at the lowest level and in the shortest period of time, equitable solutions to grievances.
2. Nothing contained herein shall be construed as limiting the individual rights of a member having a complaint or problem to discuss the matter informally with members of the administration through normal channels of communication, without intervention and/or consultation of the Association, provided the adjustment is not inconsistent with terms, conditions, and requirements of the Negotiated Agreement.
3. A grievant shall initiate action within thirty (30) days of the event or condition upon which the grievance is based, or within thirty (30) days of the date on which the member(s), and/or Association learned of, or reasonably could have been expected to have knowledge of, the event or condition upon which the grievance is based, or no later than thirty (30) days following the most recent date on which a long-term and continuing event or condition giving rise to the grievance is deemed to have occurred or existed. Failure to file a timely grievance at the initial or subsequent step shall constitute a waiver of the right to any further action under this procedure.

C. Procedure

1. Level One - Informal

Within thirty (30) days of an event or condition that a grievant considers a grievance, the grievant shall discuss the grievance with the immediate supervisor. The grievant may do this alone or with an Association representative. Level One shall be accomplished when the grievant submits the Grievance Report Form, Appendix A, Level One, to the Immediate Supervisor, prior to the discussion. The Immediate Supervisor shall provide his/her disposition to the grievant within ten (10) days of the discussion.

2. Level Two - Immediate Supervisor

If the grievance is not resolved, it may be pursued further by submitting the Grievance Report Form, Level Two, to the immediate supervisor by the tenth (10th) day after the written notice of the Level One disposition. Within ten (10) days of receipt of the Level Two Grievance Report Form, the immediate supervisor shall schedule and meet with the grievant. The grievant(s) shall be represented at this meeting. The immediate supervisor shall take action on the written grievance within ten (10) days after such meeting.

3. Level Three - Superintendent

If the grievant is dissatisfied with the disposition of the grievance at Level Two, the grievant shall complete the Grievance Report Form, Level Three and submit same to the Superintendent or his/her designee within ten (10) days of the written disposition at Level Two. Within ten (10) days of receipt of the Level Three Grievance Report Form, the Superintendent or his/her designee shall meet with the grievant and their Association representative. The Superintendent or his/her designee shall execute a written disposition of the grievance within ten (10) days after the meeting.

4. Level Four - Arbitration

If the grievant is dissatisfied with the disposition of the grievance at Level Three, or if the Board fails to file a timely response, within the time lines specified herein, the grievant shall notify the Superintendent of their intent to proceed to arbitration by completing the Grievance Report form, Appendix A, Level Four, file an "arbitration demand" with the tribunal administrator of the appropriate office of the American Arbitration Association (AAA), and provide a copy of such demand to the Superintendent within ten (10) days of receipt of the Level Three disposition.

- a. Selection of the Arbitrator: The Arbitrator shall be selected from a list supplied by the American Arbitration Association (AAA). All procedures

relative to the arbitration shall be according to the voluntary rules and regulations of the AAA.

- b. Authority of the Arbitrator: The Arbitrator shall have no authority to issue any award contrary to the provisions of this Negotiated Agreement or the laws and regulations governing the operation of public schools in the State of Ohio.
 - c. Decision of the Arbitrator: The decision of the Arbitrator shall be binding upon all parties and shall be final.
 - d. Costs of the Arbitration: The costs of the arbitration hearing shall be borne entirely by the party designated by the Arbitrator as “the loser” of the grievance. All Association participants will be released at no loss of pay.
5. A grievance may be withdrawn at any level without prejudice.

“Without Prejudice” Defined – A grievance may be withdrawn at any time and shall constitute final resolution of the specific grievance, but such withdrawal does not constitute agreement with the Board’s position or preclude the Association from filing another grievance concerning the same provision of the Negotiated Agreement in the future.

6. If the Board, named herein to administer this grievance procedure, should fail to answer any grievance within the time limits established, then the grievance shall be advanced to the next step. Any grievance not referred to the next step, within the timelines specified herein by the grievant will be considered a termination of the grievance.
7. Copies of all written decisions of grievances shall be sent to all parties involved, the Association President, the grievant and the appropriate administrator.
8. Forms for processing grievances shall be found in Appendix A, Grievance Report Forms.
9. Record Keeping – Grievances and all related correspondence and documentation will be retained separately from a grievant’s personnel file. Access shall be made only by mutual consent of the Superintendent or his/her designee and the President of the Association, or if disclosure is required by law.

ARTICLE VI - PRINCIPAL'S ADVISORY COMMITTEE

A. Purpose

As a means to provide ongoing communication between the Principal and his/her staff, in an effort towards providing quality education by the school for the community it

serves, a Principal's Advisory Committee shall be formed in each building that will meet as often as deemed necessary by the parties, but not less than every month excluding June, July and August.

B. Committee Representation

Representatives of each grade level and/or department will be appointed by the Principal either as a Department Chair or Principal Advisory Representative. Those representatives who are not Department Chairs will be compensated according to Article XXVI, Supplemental Salary.

C. Agenda

The agenda shall be comprised of items submitted by either party not less than two (2) work days prior to the scheduled meeting. The committee will only discuss issues on an agenda, unless both parties mutually agree to additional topics.

1. Items on the agenda shall not pertain to grievances or the settlement thereof or deal with items that require collective bargaining.

D. Meetings

The Principal will be responsible for leading the meeting. Responsibility for taking and distributing minutes of the meeting will be assigned annually among the participants on a rotating basis. Minutes of the meeting shall be prepared and distributed by committee members not less than five (5) school days after the meeting has been held.

- E. The parties agree that the participation and concurrence with actions taken by this committee do not waive the contractual provisions of the Negotiated Agreement and that no contractual provisions will be waived to allow this committee to function. Furthermore, participation in and discussion of issues within this committee does not constitute a waiver of the right to negotiate under O.R.C. 4117 by the Association any issue it deems negotiable under the negotiations provisions of the state law and the Negotiated Agreement.

ARTICLE VII - CLASS SIZE

- A. The Board shall employ no fewer classroom teachers than required by the state statutes or the state minimum standards.
- B. The ratio of teachers to pupils on a district-wide basis shall be at least one full time equivalent classroom teacher per 25 pupils in average daily membership. Said ratio shall be calculated in accordance with Section 3317.02 and 3317.023 of the Revised Code.

- C. The ratio of teachers to pupils in kindergarten through fourth grade on a district-wide basis shall be at least one full time equivalent classroom teacher per 25 pupils in average daily membership. Said ratio shall be calculated in accordance with Section 3317.02 and 3317.023 of the Revised Code. Understanding that class sizes cannot always be reduced at all grade levels at the same time, the Board and the Association recognize that it is in the best interest of the pupils and the bargaining unit members to initially strive to reduce class sizes at the lower grade levels and proceed to the higher grade levels as financial circumstances permit.

The Board believes that class sizes should not be larger than necessary to maximize the learning experience for pupils, taking into account the available classroom space, staff, financial resources and scheduling needs. Class size should also take into account the special needs of handicapped pupils mainstreamed into regular education classes, and any additional educational needs presented by pupils who are repeating the class and pupils who may have additional educational needs as reflected on a Section 504 plan.

The Board will seek to reach the following class size goals to the extent reasonably feasible with 25 students in grades K-3, 27 students in grades 4-8, and 29 students in grades 9-12.

The class size number for purposes of this provision shall include mainstreamed special education students (if one full period or more).

- D. The Superintendent or his/her designee shall provide to the Association President, if requested, projections, in writing, of class sizes and teaching load lists prior to each school year. All class size projections shall be based upon projected fall enrollment. If at any time the projected or actual size of a class(es) exceeds the goals set forth in this Section, the Superintendent or his/her designee and the Association President shall meet and discuss the situation.
- E. It is mutually recognized that the presence of special needs students can have an impact on the appropriate class size and the workload of the regular classroom teacher. A good faith effort will be made and documented in writing by the building administration to adjust class size where appropriate, taking into account, among other factors, the number of special needs students, the nature of the disabilities, the class size prior to mainstreaming, and the extent of support and assistance being provided by the ancillary staff members.
- F. All classes that exceed the aspirational goals will be brought before a class size committee prior to the regularly scheduled September Board of Education meeting, or as requested by a member. The committee will be comprised of the teacher affected, the BWEA building representative, the BWEA President, the building principal, and two other district administrators. This committee will work to develop a plan of action that could include additional staff. These recommendations will be forwarded to the Superintendent and a decision will be determined within 10 school days.

ARTICLE VIII - SPECIALISTS

- A. A minimum of five full-time equivalent educational service personnel shall be employed on a district-wide basis for each 1,500 pupils in average daily membership. Said ratio shall be calculated in accordance with Section 3317.02 and 3317.023 of the Revised Code.
- B. Educational service personnel shall be assigned to at least four of the following areas: counselor, library media specialist, social worker, school nurse, STEM, art, music and physical education. Educational service personnel assigned to elementary art, music and physical education shall hold the special teaching certificate in the subject assigned.
- C. No educational service class, K-8, shall exceed 38 students except band, chorus, or other such performing groups.
- D. Notwithstanding the foregoing, if the State Auditor certifies an operating deficit in the District pursuant to ORC Section 3313.483, (auditor of state to determine financial ability of district to operate), the only staffing requirements for educational service personnel shall be those necessary to meet the state minimum standards.

ARTICLE IX - NON-TEACHING DUTIES

- A. Members may be required by the building principal to attend meetings outside the regular eight- (8-) hour school day, provided such meeting does not exceed one-half (1/2) hour beyond the regular eight- (8-) hour day. Only one (1) such meeting may be scheduled per month that exceeds the eight- (8-) hour day.
- B. Members shall attend the "Open House(s)" and/or "curriculum night(s)" appropriate to their building assignments. Compensatory time off will be provided to those members required to attend an open house and/or "curriculum night(s)" on a day that is not a scheduled work day. An Open House and/or "curriculum night(s)" scheduled in the evening of a work day, will count as one (1) of the functions required under Section C.
- C. Members shall not be required to chaperone or attend more than three (3) functions per year which are scheduled outside of the regular eight (8) hour school day. Functions for which members have been granted compensatory time off shall not be counted as one of the three (3) functions. Members may request approval from their principal to count another evening event toward the three (3) required school functions. If more than three (3) approved functions are attended the member may receive flex time to be used with the agreement of the principal. Attendance at any other such school functions outside of regular school hours shall be on a voluntary basis and/or by supplemental contract. No administrator or supervisor shall mark the attendance or absence of any member at any voluntary function.

Annually, on or before the first member work day in September, each building principal shall notify the staff of the name and anticipated date of each of the functions that the member is expected to chaperone or attend for the school year. Attendance and/or chaperoning at the three (3) functions shall not be scheduled to include more than a six- (6-) hour commitment per school year.

- D. Members shall have the opportunity to participate in curriculum, textbook and course of study committees.
- E. Participation on all building level committees is voluntary. When staff members volunteer to serve on a building level committee they may apply for and receive CEU's approved by the LPDC if available for such service. In addition, members may be granted up to four (4) in-service hours which shall apply to their optional in-service hours provided a plan is submitted for approval to the Superintendent or his/her designee and is approved. The plan must demonstrate how the experience contributes to the member's professional growth.

F. Curriculum Development

- 1. The Board recognizes that member involvement in the planning and implementation of curriculum development is desirable.
 - 2. Any special study committees needed will operate within the time constraints as outlined in Article XII entitled, "Teacher Facilities and Conditions."
 - 3. All course or program changes desired for the following school year should be submitted to the Board no later than the regular meeting of the Board in December.
- G. A member who volunteers to engage in the overnight supervision of pupils as part of a co-curricular assignment and who is not otherwise compensated for the activity will be paid one hundred fifty dollars (\$150) per day. The Washington DC trip coordinators and the Outdoor Education School coordinator(s) will be paid \$500 per event.
 - H. No member will be required to perform an invasive medical or other support service (such as but not limited to changing diapers) required by a special education student if the performance of such service does not reasonably fall within the member's existing competence and training.

ARTICLE X - REDUCTION IN FORCE

- A. Reduction in Force (RIF) may be necessary because of decreased enrollment of pupils in the District, changes in curriculum, changes in the use of personnel, lack of funds, return to duty of regular teachers after leaves of absence, suspension of schools or territorial changes affecting the district or for any other similar reason. This Article applies to supplemental contracts as well as regular contracts provided that there shall

be no right of recall to a supplemental contract beyond the school year in which the contract is suspended.

For purposes of this Article, decreased enrollment of pupils shall include consideration of subject-area enrollment as well as district-wide enrollment. Decreased enrollment of pupils shall also take into account declining enrollment over the five year period immediately preceding the RIF, and thus is not limited to declining enrollment in the current or previous year.

- B. Where known and where possible, the number of persons affected by a RIF will be kept to a minimum insofar as is practicable by not replacing members who retire or resign.
- C. Except as provided in Section D below, reductions may be achieved only by suspension of contracts in accordance with Section 3319.17.
- D. Vacancies created by members who retire, resign, are on leave of absence, or whose limited contracts are not renewed under Article XXII, when such vacancies are not filled, do not constitute a reduction-in-force.
- E. In suspending contracts within the areas of certification or specialties affected, preference shall be given to members on continuing contracts. The Superintendent or his/her designee shall determine the specific areas of certification and the specialties, as well as the specific positions and/or work locations to be affected by the reduction-in-force.
- F. Members on limited contracts shall be reduced first, utilizing the following order:
 - 1. Licensure/Certification;
 - 2. Competency as determined by formal evaluation;
 - 3. When evaluations are comparable, reductions will be made based on reverse order of seniority (i.e. lowest in seniority will be first reduced).
- G. If further reductions are needed, members on continuing contracts shall be reduced utilizing the following order:
 - 1. Licensure/Certification;
 - 2. Competency as determined by formal evaluation;
 - 3. When evaluations are comparable, reductions will be made based on reverse order of seniority (i.e. lowest in seniority will be first reduced).
- H. All most recent evaluations resulting in a final summative rating of developing, skilled, or accomplished shall be comparable for the duration of this contract.
- I. Seniority shall be determined by placing all members on seniority lists within their area or areas of certification giving preference, within each area of certification, first to members on continuing contracts, then to professionally or permanently certificated

members on limited contracts, and finally to limited contract members with temporary or one-year vocational certification. Such seniority lists shall be revised at least annually, and no later than November 1 of each year; and a copy of each revision shall be provided to the president of the Association within thirty (30) days of its completion.

1. If two (2) or more members on any seniority list shall have the same length of continuous service, seniority shall be determined by:
 - a. the date of the Board meeting at which the member was hired; and then by
 - b. total teaching experience in the Big Walnut Local School District; and then by
 - c. total teaching experience as certified by the STRS; and finally by
 - d. the last four (4) digits of the member's Social Security Number, with the low number prevailing.

Length of continuous service shall not be interrupted by authorized leaves of absence.

- J. Members selected for non-renewal or suspension of contract shall be placed on a "RIF List" which shall be organized by Certification Areas and which shall list each member in descending order of seniority within each area of certification held by each such member. As positions or vacancies become available for which such members are certified, those members shall be recalled to employment in reverse order of layoff within the applicable area(s) of certification in which such new positions or vacancies occur. Notice of recall shall be given by telephone and registered mail to the last telephone number and last address given by the member. It is the responsibility of members on the RIF list to keep the Board advised in writing of a telephone number and mailing address at which he or she can be reached, and also of any change in the certification of the member.

Each member shall remain on the RIF list for two (2) school years, provided that the rights herein granted to a member shall be forfeited by the member should he or she: (1) waive his or her recall rights in writing; (2) resign; (3) fail to accept recall as provided for herein; or (4) fail to report to work in a position that he or she has accepted within ten (10) school days after receipt of the notice of recall. Members on the RIF list shall have the right to continue to participate at the members' expense, in group insurance programs without interruption in benefits, to the extent authorized by law.

ARTICLE XI - MEMBER EVALUATION

A. Purpose

1. To assess a member's work performance.

2. To help the member to achieve improved knowledge and skills in performance of the work assignment.
3. To constitute the basis for personnel decisions including advancement, reassignment, continuing contract status, or contract non-renewal, reduction in force or termination.

B. Evaluation Committee

The Association and the Board agree to a joint Evaluation Committee for the purpose of creating, revising and monitoring the components of the system for the evaluation of members as defined in Article I, Recognition in the Big Walnut Local Schools. The components of the evaluation system to be developed by the committee include but are not limited to an evaluation framework, procedures, processes, and all forms and other tools that are used by the member's evaluator or that an evaluated member is required to complete as part of the evaluation per Article XI, Definitions, Section C Evaluation System.

1. Composition

- a. The evaluation committee shall be comprised of no less than one (1) Association member from each building appointed by the Association president and no less than one (1) committee member per building appointed by the Board or its designee.
- b. Association committee members will serve for a minimum of one full school year. Consecutive terms are permissible.
- c. Association committee members shall be representative of elementary, secondary and specialty areas within the district.
- d. The evaluation committee will remain intact for the duration of this contract. The committee can be dissolved if the evaluation committee recommends such action and the recommendation is ratified by the Board and Association per Article IV, Negotiations Procedures, Section (D), Agreement.

2. Operational Procedures

- a. The evaluation committee shall be chaired jointly by an evaluation committee member from the Association and an evaluation committee member from the Board.
- b. Evaluation committee members will receive training in the state adopted Evaluation Framework model on an on-going, as-needed basis.

- c. The evaluation committee will establish by mutual agreement a meeting calendar and timeline for work completion.
 - d. Evaluation committee agendas will be developed jointly by the co-chairpersons of the evaluation committee.
 - e. At the initial evaluation committee meeting each year, the evaluation committee will develop the ground rules and voting procedures by which the evaluation committee will operate. These will be written, approved, reviewed, and modified annually only with the approval of all evaluation committee members.

- 4th April 1 to June 30.

2. The Board will begin taking applications for approval for tuition reimbursement courses on the first day of every quarter. Only courses related to education, approved in advance by the Superintendent or his/her designee, the LPDC, and provided by accredited institutions will be reimbursed up to fifty (50) percent of the tuition cost of approved courses up to a maximum of \$3,000 per member per year. Requests for reimbursement shall be made to the Board Treasurer and shall include written evidence of tuition payment and successful course completion.

Successful completion shall require passage with a grade of "B-" or better in graded courses or designation of passage in ungraded courses. When there are excess funds available at the end of the school year, the amount per member may be increased not to exceed the 50% cap, in order to utilize the maximum amount of funds up to the \$10,000 carryover.

3. Should a member leave the District voluntarily within one (1) year of receiving tuition reimbursement funds, the member shall re-pay the full amount of the tuition reimbursement received. If the member remains employed with the District for one (1) year after receiving tuition reimbursement funds no repayment will be required.
4. Priority will be given to members enrolled in courses needed to upgrade their skills to meet licensure standards (as set by the local professional development committee), school goals, and to persons enrolled in courses needed for certification to teach a subject to serve in a capacity requested by the administration.

E. Local Professional Development Committee (LPDC)

1. The Superintendent or his/her designee and President of the Association will maintain a Local Professional Development Committee (LPDC). The membership and structure of the committee will satisfy all requirements of R.C. 3319.22 as amended by S.B. 230. The Board and Association each reserve all rights under 3319.22.
2. Members of the LPDC will be paid a supplemental salary according to Article XXVI while attending LPDC meetings. The chairperson will be authorized to work additional hours to a maximum of three (3) hours per month.

ARTICLE XIX - TEACHER SUBSTITUTION IN AREAS OTHER THAN NORMAL ASSIGNMENT

- A. 1. The Board and the Administration as far as possible, will not ask members to teach in areas other than those to which they are normally assigned and will attempt to provide substitutes for absent members. In cases of emergency, a member may be required to substitute in other classes. Members in grades 7-12 will be compensated at the rate of 1/7 of the concerned member's normal daily pay rate based upon the total contract days for each hour or period for which said member is required to substitute.
2. Classroom members in grades K-6 may be assigned pupils divided from another class in the absence of a classroom member. The member will be paid twenty dollars (\$20.00) per day for each instance.

3. Classroom members in grades K-6 who lose their planning period due to the absence of a special member will receive one-seventh (1/7) of the classroom member's daily rate of pay for each instance.
 4. No member shall leave a school building to conduct school business or to coach or supervise an extracurricular activity without the approval of the principal. The member shall notify the principal of his/her request to be absent at least twenty-four (24) hours in advance except in emergencies. Members will not be required to obtain their own substitutes when their absence for school business or extracurricular supervision has been approved by the principal.
- B. At such buildings as shall be designated by the Superintendent or his/her designee, a member of the faculty shall be designated as lead teacher.

ARTICLE XX - PERSONNEL RECORDS

A. Placement of Material in File

When a principal or other administrator finds it necessary to make a notation in a member's file which reflects upon the member's conduct, service, character, or personality, he shall afford the member the right to read such notation. The member shall acknowledge that he has read such notation by affixing his signature on the actual document filed, with the understanding that such signature does not indicate his agreement with its contents. The member shall also have the right to refute such notation and his answer shall be attached to the file copy.

B. Right to Review

Members shall be guaranteed the right to examine and review the entire contents of their personnel file. A representative of the Association may, at the member's request, accompany the member in this review.

C. Board Policy – Matters Regarding a Professional Staff Member

Any requests, suggestions, or complaints reaching the Board, Board members, and the administration shall be referred to the Superintendent for consideration according to the following procedure.

1. First Level

If it is a matter specifically directed toward a professional staff member, the matter must be addressed, initially, to the concerned staff member who shall discuss it promptly with the complainant and make every effort to provide a reasoned explanation or take appropriate action within his/her authority.

This level does not apply if the matter involves suspected child abuse, substance abuse, or any other serious allegation which may require investigation or inquiry by school officials prior to approaching the professional staff member.

2. Second Level

If the matter cannot be satisfactorily resolved at the First Level, it shall be discussed by the complainant with the staff member's supervisor.

3. Third Level

If a satisfactory solution is not achieved by discussion with the supervisor, a request for a conference shall be submitted to the Superintendent.

Should the matter be resolved in conference with the Superintendent, the Board shall be advised of the resolution.

4. Fourth Level

Should the matter still not be resolved, or if it is one beyond the Superintendent's authority and requires a Board decision or action, the complainant shall request, in writing, a meeting by the Board.

The Board, after reviewing all material relating to the case, shall provide the complainant with its written decision or grant a meeting before the Board. If a meeting is granted by the Board, the staff member will be notified in writing no less than three (3) days prior. The complainant shall be advised, in writing, of the Board's decision, no more than thirty (30) business days following the meeting. The Board's decision will be final on the matter, and it will not provide a meeting to other complainants on the same issue.

If the complainant contacts an individual Board member to discuss the matter, the Board member shall inform the complainant that s/he has no authority to act in his/her individual capacity and that the complainant must follow the procedure described in this negotiated agreement.

ARTICLE XXI - SCHOOL CALENDAR

- A. To promote input from the professional staff in the development of the school calendar, each year a committee of members, one from each building as designated by the Association, will meet with the Superintendent or his/her designee to review the proposed calendar. These representatives will survey the members in their buildings and will assist the Superintendent or his/her designee with development of the school calendar.

- B. The Superintendent or his/her designee shall also submit for the committee's review, a priority list of school makeup days in case such days are needed. Any calendar adjustments after the school year begins will be at the discretion of the Board and the Administration.
- C. The professional school calendar for the Big Walnut Schools shall be a maximum of 185 days which includes three teacher workdays (opening of school, end of first semester, and end of second semester), one administrative day, and 182 days during which schools will be open for instruction with pupils in attendance, which may include up to three (3) days for professional meetings of teachers, and up to two (2) days for parent-teacher conferences and reporting. Up to five (5) calamity days may be granted each year when school is closed due to weather or other calamity that do not have to be made up. If more than five (5) calamity days are used, all days in excess of the first five (5) will be made up, without additional compensation, with either student instructional days and/or professional development days, unless the Board approves a shorter minimum school year.

ARTICLE XXII - TEACHER EMPLOYMENT

- A. Any agreement to act as supervisor for extra-curricular activities for which additional compensation is to be paid shall be by supplemental contract. Payment for such services shall be provided in the supplemental salary schedule. No member shall be required to supervise extra-curricular activities without compensation except for those provided for in Article IX. All extra-curricular activities, with or without compensation, must be approved by the Board.
- B. The minimum sequence of limited contracts will be as follows: 1-1-2-3 (number of years for which contract is issued). Those members who received their initial teaching license before January 1, 2011 and who qualify will be considered for a continuing contract at the end of three (3) years of service as prescribed by law; provided, however, that nothing herein shall require the Board to grant a continuing contract during the term of an eligible member's limited contract. Those members who receive their initial teaching license on or after January 1, 2011 and qualify will be considered for a continuing contract at the end of seven (7) years of service as prescribed by law; provided, however, that nothing herein shall require the Board to grant a continuing contract during the term of an eligible member's limited contract. If this 7-year requirement, as mandated in R.C. 3319.08 (D) (3), is modified by subsequent legislation, the parties agree to adopt those legislatively adopted changes. Those members who have had a continuing contract in another school district in Ohio may be given a continuing contract at the end of two (2) years. However, the Superintendent may at the time of employment or at any time within such two (2) year period declare any of these members eligible for a continuing contract.
- C. All members who want to be considered for a continuing contract must notify the Superintendent in writing that the member wants to be considered for a continuing contract by October 1 of the school year in which the Board would make the decision

the following April. This applies to all members regardless of the length of contract the member currently holds. A member may be eligible for consideration for a continuing contract during the term of a multi-year contract. For those members who request consideration for a continuing contract during the term of a multi-year contract, if the Board does not grant a continuing contract the member will serve out the balance of the multi-year contract before the member is eligible again for consideration for a continuing contract.

FAIR DISMISSAL

D. Non-Renewal or Termination of Teaching Contracts

1. Except as provided herein, termination of a member's employment shall be effected in accordance with the requirements and procedures established by Chapter 3319 of the Ohio Revised Code.
2. Non-renewal of the first and second limited contract shall be effected in accordance with the version of Revised Code Section 3319.11 that was in effect immediately prior to July 1, 1989. The Board is not required to give a reason or reasons or to afford a meeting in connection with the non-renewal and such non-renewal is not subject to the grievance procedure. However, upon request, a member whose contract has been non-renewed shall be afforded a meeting with the Superintendent or his/her designee to discuss the non-renewal.

3. Probationary Limited Contract

A member who has completed either a one (1) year or a two (2) year limited contract and who will be offered an additional contract of employment may be reemployed under a one (1) year probationary limited contract. The reason for the recommendation of a probationary contract will be communicated to the member prior to the award of the probationary contract. Probationary contracts will not be subject to "Just Cause" and may be non-renewed under the same provisions as are applicable to the first and second limited contracts. If a member is re-employed under a limited contract at the end of the probationary contract, the contract will be for two (2) years if the probationary contract was issued following the second one (1) year limited and for three (3) years if the probationary contract was issued following a two (2) year limited contract. Not more than two (2) probationary contracts may be issued to a bargaining unit member, only one (1) of which may be issued following the issuance of a two (2) year contract. This Article shall supersede and take the place of any and all provisions of the version of R.C. Sections 3319.11 and 3319.111 which became effective on July 1, 1989.

4. Non-Renewal of the Fourth Limited Contract

If the local Superintendent or his/her designee recommends the non-renewal of a unit member's Fourth Limited Contract, the local Superintendent or his/her

designee will, upon the request of the member provide the member with a written statement of reason or reasons for the recommendation. The member may request a meeting with the Board in executive session. Such meeting must be requested in writing to the local Superintendent or his/her designee not later than two calendar days prior to the date of the Board meeting. At such meeting the member (or his or her representative) will be provided a reasonable opportunity to explain why the member should be reemployed. No further action shall be required of the Board following the meeting nor shall there be any right to grieve or appeal any non-renewal action under this section to the Common Pleas Court.

E. Just Cause for Non-Renewal or Termination of Limited and Continuing Contracts

1. Non-renewal of limited teaching contracts after the fourth consecutive limited teaching contract (excluding any probationary contract) in the Big Walnut Local School District shall be for just cause.
2. Members on continuing contracts will be subject to the same evaluation procedures in place for members employed under limited employment contracts. Failure of a member to improve job-related deficiencies, as identified through the evaluation procedure, may be considered as "just cause" for the termination of that member's continuing employment contract. Prior to any action to consider termination of a continuing teaching contract the member will be provided written notice of the deficiencies upon which such consideration is based and an opportunity to meet with the Board in executive session to respond to those deficiencies. At such meeting it will be the responsibility of the member to identify the reason or reasons why the teaching contract should not be terminated.

In the event that the Board shall proceed to consider the termination of a continuing teaching contract for just cause, the issue will, at the written request of the member no less than ten days after notice of Board action of termination, be considered as having been initiated at level three of the grievance procedure. In the event the issue of termination is advanced to Arbitration, the Arbitrator shall consider and rule on the issue of just cause for the termination of contract applying the "just cause" standard for termination of employment in the private sector, without regard to the standards applicable to termination for "good and just cause" as set forth in Revised Code Section 3319.16. The Arbitration will be conducted in accordance with this Negotiated Agreement.

The non-renewal and termination procedures contained in this Article are intended to be exclusive and shall supersede any and all non-renewal and termination procedures and provisions contained in the Ohio Revised Code, except as delineated below.

The right to cause consideration of the termination of a continuing teaching contract based on a "just cause" standard of review shall not be considered a

waiver or limitation upon the right of the Board to consider and act upon the termination of such contract pursuant to Revised Code Section 3319.16 for any one or more of the grounds set forth therein. Any such termination will be conducted in accordance with the provisions of Revised Code Section 3319.16.

F. Individual/Small Group Teachers & Special Assignment Teachers

1. Definitions

As used in this section "Individual/Small Group teacher" means members certified for and assigned to positions as Learning Disability tutors (hereafter, "ISG Teachers"). Special Assignment Teachers means members assigned to positions as instructors other than ISG Instructors (hereafter referred to as "Special Assignment Teachers"). ISG Teachers and Special Assignment Teachers are members of the bargaining unit.

The Board and Association agree that the designation of members formerly designated as "ISG Instructors" and "Special Assignment tutors" to "ISG Teachers" and "Special Assignment Teachers" is prospective only, beginning on June 30, 1997 and thereafter. The designation is not intended to and does not create a claim to any additional compensation by or on behalf of any member formerly designated as an "ISG Instructor" or "Special Assignment Tutor" for any period prior to June 30, 1997.

G. Part-Time Teachers

1. Part-time members employed by the Board after June 30, 1997 will be employed under one year limited contracts that will be issued from year to year based on funding, satisfactory performance and need. Such contracts may be non-renewed at the end of any year in the same fashion as the non-renewal of an initial one year limited contract. Such non-renewal will not be subject to the "just cause" requirements for non-renewal of limited contracts regardless of length of service.
2. Part-time members will be advanced one year on the salary schedule for each year of service and will receive Board contribution to insurance benefits based on the percent of their teaching assignment. For example, a member with a half-time teaching assignment would receive one-half of the board contribution to insurance benefits. If a part-time teaching assignment is increased to a full-time assignment and the part-time member is employed in the full-time position, the member will receive a limited teaching contract at the beginning of the contract sequence that the member would have enjoyed had the part-time member been employed as a full-time member.
3. Part-time members shall earn leave benefits on a pro-rated basis relative to full-time members.

4. High school/middle/intermediate schools members who work five (5) or more periods a day shall receive a planning period. Elementary school members who work nineteen (19) or more hours per week shall receive a planning period.

H. Any reference to teacher certification in this Agreement shall also include teacher licensure.

ARTICLE XXIII - VACANCIES AND TRANSFERS

A. The Superintendent or his/her designee shall prepare and post electronically a list of all known vacancies in teaching positions and supplemental positions for the succeeding school year as they arise. A member may apply for a posted vacancy for which he or she is certificated by the deadline specified in the posting. All such postings will remain for at least five (5) working days

A member may request a transfer or reassignment in writing to the Superintendent or his/her designee by May 1 for the succeeding school year. Such requests will be considered. Every effort will be made to notify members of transfers or reassignments by June 15. Pursuant to Section 3319.01 of the Revised Code, the Superintendent or his/her designee shall determine when a vacancy exists, whether it shall be filled and shall have the sole authority to assign and transfer members.

In the event a new building is opening, the Board and the Association will meet to discuss the process and timelines for filling positions in the building.

B. Definitions

1. Open Position

An open position may result from a death, resignation, retirement, transfer, reassignment, non-renewal or termination of the member filling such position or by reason of being newly created by action of the Board or administration. Open positions will be filled by assignment, reassignment or transfer prior to the determination or posting of a vacancy.

2. Vacant Position

A vacant position is one remaining after all open positions have been filled by assignment, reassignment or transfer, but prior to the employment of a new employee from outside the bargaining unit. Vacant positions the Superintendent intends to fill will be posted. Pursuant to Section 3319.01 of the Revised Code, the Superintendent or his/her designee shall determine when a vacancy exists, whether it shall be filled and shall have the sole authority to assign and transfer members.

3. Transfer

Transfer is the assignment of a member to the same grade level or subject area as previously taught, but at another building within the district.

4. Reassignment

Reassignment is the assignment of a member to a grade level or subject area other than the one previously taught whether such service is to be performed in the same building or within the district.

5. Part-Time Assignment

Part-time assignments are assignments of members to teaching duties that represent less than a full-time assignment. Part-time assignments are made to accommodate the short-term instructional needs of the District, recognizing that the creation and maintenance of full-time teaching positions is preferred. Part-time assignments will remain in effect only for the school year in which the assignment is made and may be continued from year-to-year based on the instructional needs of the district.

Part-time assignments may be eliminated. If a member whose part-time assignment was eliminated has previously held a full-time position in the District, that member has the following three options:

- a. Move to a full-time position for which he/she is qualified, if available;
- b. If no such position is available, bump into another position through the Reduction in Force (RIF) procedure, or,
- c. Resign.

Members whose part-time assignment was eliminated and who have not previously held a full-time position in the District may apply for another open position. If the member is not offered another position, or chooses not to apply for another position, he/she shall resign.

A change of assignment pursuant to this section above may take place prior to the posting of any vacancy.

C. Assignment of Members to Posted Vacancies

1. The assignment of members to posted vacant positions in the various schools and departments of the district shall be made by the Superintendent or his/her designee.

2. In making such decisions, the Superintendent or his/her designee shall consider the following:
 - a. The potential contributions that the members could make in such new positions.
 - b. The member's evaluations/appraisals and the recommendations made by principals.
 - c. The qualifications of all candidates.
3. However, whenever possible, the Superintendent or his/her designee shall give preferential consideration to bargaining unit applicants before hiring new employees, and shall give preferential consideration to applicants having greater seniority than other applicants.
4. Substitute teachers hired to fill such vacancies will become part of the bargaining unit upon completion of one hundred twenty (120) consecutive work days in the same teaching assignment. The employment of such substitute teachers will come to an end, without Board action of non-renewal, upon the return to duty of the absent member or the end of the school year in which the substitute was employed, whichever shall occur first.

D. Transfers and Reassignments of Members

1. Transfers and reassignments of members may be made at the initiative of the Superintendent or his/her designee for any purpose which, in his/her judgment, is for the welfare of the member or the schools. The Superintendent or his/her designee shall consider the following in transferring members:
 - a. The potential contributions that the members could make in the new assignment.
 - b. The member's evaluations/appraisals and the recommendations made by principals.
 - c. The qualifications of all members, both for the position which will be vacated and for the position to be filled.
 - d. The seniority of the member(s).
2. Sometimes it may be necessary to transfer or reassign members involuntarily. Members that are involuntarily transferred will receive the following consideration:
 - a. The administration will notify the affected member of changes at the earliest possible date.

- b. The affected member may request a meeting with the principal, the Superintendent or his/her designee or both to discuss the reasons for the change. The member involved may request an Association representative to be present during such meetings.
- c. The affected member will be permitted to requisition, within the building budget and to the extent that funds are available, materials which are necessary to implement the instructional process of the new teaching position. Such requests will be given high priority.
- d. No member will be involuntarily transferred or reassigned into a position for which he or she does not hold a valid certification or license.

E. Voluntary Transfers or Reassignments to Posted Vacancies

- 1. A member who desires a transfer or reassignment to a posted position shall submit a written request to the Superintendent or his/her designee. The written request must be filed prior to the deadline specified in the posting.
- 2. Any member who timely submits such a written request shall be granted an interview by the Superintendent or his/her designee.
- 3. Final action on such written requests is within the authority and responsibility of the Superintendent or his/her designee. All written requests and interviews will be reviewed by the Superintendent or his/her designee and a report of the disposition will be made to the parties involved.

- F. The administration shall provide each member with his/her teaching assignment and schedule annually by August 1. Should unforeseen circumstances and/or events beyond the control of the administration occur, the August 1 deadline need not be met.

In the event of failure to notify a member of his/her assignment, where such failure is not the result of an unforeseen circumstance and/or event beyond the control of the administration, causes the member's assignment and/or schedule to be changed later than one (1) week prior to the first student day of the year, the member shall be compensated \$250. This provision shall not apply if the assignment/schedule change involves a duty assignment, if the change does not include a grade level or class assignment not contained in the member's initial schedule, if the member voluntarily applies for a transfer or assignment, or to members initially hired on or after August 1. Payment shall be made by the second pay period in September.

ARTICLE XXIV - INSURANCE AND ANNUITIES

- A. The Board will pay 85% of the Board approved Hospitalization/Major Medical premium for single individuals and family coverage. Beginning January 1, 2013, the plan will be Med Option 6 with Rx Option 2.
- B. The Board will pay the premium for a \$30,000 term life insurance policy for each member.
- C. The Board will pay fifty (50) percent of the Group Dental Plan premiums. The balance of the premiums will be paid by the individual member.
- D. The parties agree that it is in the best interest of the District and the Association to secure a health care plan for members that provides for the best health care available at a reasonable price.
- E. The Board shall have sole authority to negotiate terms and conditions of insurance benefits and premiums with, and to select carriers of, groups insurance plans; and the Board may change such carriers at any time it deems such change will accrue to the financial benefit of either the Board or members, provided that such change(s) in carriers will not result in any reduction in, or loss of, benefits to unit members which they enjoy now or may enjoy under any succeeding benefit plan. The Association shall be notified thirty (30) calendar days in advance of any proposed change in carrier(s).
- F. A joint management/association insurance committee shall stand and be charged with the on-going evaluation of plan benefits and to assure the best, most cost-effective program is offered to members. The Committee shall meet as frequently as needed. The insurance committee will convene during the 2003-2004 school year with a goal to reduce total health insurance costs.
- G. Where spouses are employed by the Board, coverage shall be limited to either one (1) family plan for both or dual single plans. These members must take dual single coverage when they have no remaining dependents.
- H. A summary of the Plan Document shall be included as a Summary of Benefits in Appendix F.

ARTICLE XXV - SALARY

- A. The base salary shall be as follows: Base salary shall be increased in 2016-2017 by 2.0%; 2017-2018 shall be increased by 2.0%; 2018-2019 shall be increased by 2.0%. Members will advance steps in each school year, if eligible.

B. Salary Schedule Movement

Changes made before October 15 of each year will advance the member to the appropriate column with retroactive pay to the beginning of that contractual year. Changes made by January 15 of any year will advance the member to the appropriate column with the new pay rate to take effect February 1 of that contractual year. Submissions for changes must be accomplished by a transcript or letter from a faculty member indicating successful completion of the coursework.

ARTICLE XXVI - SUPPLEMENTAL SALARY

- A. The following salary schedule for supplemental contracts shall not require the award or continuation of any supplemental contract or position in any year. The Board may add additional supplemental positions and provide for the compensation of those positions as it determines necessary. All supplemental contracts will specify a beginning and ending date; such contracts will expire on the ending date without further Board action to non-renew the contract and without additional notice to the member.
- B. Upon recommendation of building administrators in consultation with building Principal Advisory Committees (PAC) and approval of the Superintendent or his/her designee, stipends or other monetary or non-monetary rewards may be authorized by the Board for building or district committee services by members. Such stipends or other committee rewards will, when feasible, be established prior to the commencement of committee service, but stipends may be established and paid after service has been provided. The amount of any such stipend or reward may vary with the nature and extent of committee service and the award and stipend in any year may not be precedent for any future year. Stipend awards may be approved for members serving as mentor teachers, but any available grant funds will be used to compensate mentors before the application to any Board funds.
- C. Not later than May 1 of each year, the principal's advisory committee in each building will submit recommendations to the Superintendent or his/her designee, as to those supplemental positions on the supplemental salary schedule to be filled for that building for the coming year. All supplemental positions to be filled or added will be posted as follows: (1) by posting a notice of the vacancy on the Central Office main door and (2) by posting the notice of the vacancy on the website and District email. All such postings will remain for at least five (5) working days. The decision to fill or not fill any supplemental position for any years is reserved to the Board.

ARTICLE XXVII - SEVERANCE PAY

- A. Severance pay will be paid after five (5) years of consecutive service as soon as practicable following the member's attainment of retirement status with the State Teachers Retirement System of Ohio (STRS). The rate shall be one-fourth (1/4) of all accumulated sick days, up to a maximum of sixty-five (65) days.
- B. An additional severance payment shall be made at the rate of one-half (1/2) of all accumulated and unusable personal leave days, to a maximum of five (5) days.

ARTICLE XXVIII - STRS ANNUITY PLAN

Effective July 1, 1984, the Board shall assume and pay to the State Teachers Retirement System the members' contributions required from time-to-time under Section 3307.26 of the Revised Code. These contributions which are "picked up" by the Board shall be paid by the Board in-lieu-of contributions by the members. No member shall have the right to receive the contributed amounts directly instead of having them paid by the Board to STRS. However, each member's compensation shall be restated and reduced effective on and after July 1, 1984, in an amount equal to the contributed amounts from time-to-time.

ARTICLE XXIX - ACADEMIC FREEDOM

Board-approved graded courses of study include subjects about which there are a diversity of views and opinions. In presenting those subjects, members should seek to develop and foster a classroom environment that invites in-depth study of those subjects with objective investigation, interpretation, and analysis in a spirit of academic freedom for both students and members. Controversial subjects should be discussed with consideration of all significant points of view appropriate to a full understanding of the subject, within the framework of the course of study and other limitations governing the programs of the School District.

Members are expected to take into account the relative maturity of their students when selecting and presenting controversial subjects for classroom discussion. Where appropriate, students should be provided the opportunity to explore a diversity of viewpoints with a variety of materials and be encouraged to formulate and express their own views about controversial issues. In expressing matters of personal opinion, members should make it known to students that the view is personal and should not attempt to bring students to a commitment to that personal viewpoint.

ARTICLE XXX - RETIRE/REHIRE

- A. The Board is authorized to fill up to three (3) FTE bargaining unit vacancies with a previously retired certificated/licensed applicant subject to the conditions provided below.

- B. Upon initial rehire, a previously retired teacher will be granted a maximum of five (5) years' service credit on the appropriate column of the salary schedule and will receive annual step increases.
- C. The re-employed member agrees to waive in writing any Age Discrimination.
- D. The re-employed member shall receive a one-year contract that will automatically expire at the end of the school year without Board action of non-renewal. At the end of any expired contract the Board may, but shall not be required, to offer the member another one-year contract.
- E. Retire-Rehire members will not accrue seniority rights, nor be entitled to sabbatical leave, severance pay (other than at their initial time of retirement), college tuition reimbursement, or qualify for any retirement incentive programs.
- F. The Board and the Association intend this provision to supersede and take the place of R.C. 3319.11, 3319.111 and any other conflicting provision of Ohio law.
- G. The member will not be permitted to participate in any of the District's health insurance programs unless the member is not eligible for insurance through another source.

ARTICLE XXXI - JOB SHARING

- A. Job-sharing means an assignment under which two (2) members share the duties and responsibilities of one (1) full-time position. Applicants must have at least three (3) years' experience with the District.
- B. Applicants for a job sharing assignment ("Job-Sharing Team") must jointly submit a Job-Sharing assignment application together with a proposed schedule not later than April 1, for the succeeding school year. The application must set forth:
 - 1. The building, grade level, and subjects to be shared, including the specific subjects to be taught by each member of the Job-Sharing Team and the hours per day and days per week of each team member's proposed assignment.
 - 2. The percentage of the regular full-time work day and week that each member of the Job-Sharing Team plans to spend at the school site, together with the specific teaching schedule for each member of the Job-Sharing Team.
 - 3. The teaching methods and techniques and grading practices to be used to ensure consistency and compatibility to the instructional program for pupils.
- C. Job-sharing applications must be approved by both the building principal and by the Superintendent or his/her designee. Requests may be approved as proposed or may be

approved with a modified schedule, provided that the duties of the position are divided equally between the Team members. The decision to grant or deny a job-sharing request is not subject to the grievance procedure of this Negotiated Agreement. No decision to grant or deny any job sharing request may be considered precedent for any other job sharing request. Job-Sharing Team applicants will be notified by June 1 of the grant or denial of the request for the succeeding school year.

- D. Approval of any Job-Sharing Team request will be subject to the following conditions for each team member:
1. Each Team member will be expected to attend Parent-Teacher Conferences, Teacher work days, IEP conferences and to provide those In-service hours required under this Negotiated Agreement.
 2. Each Team member will receive a pro-rata share of salary and benefits under this Negotiated Agreement, including personal leave, sick leave, contributions to health insurance plans and all other benefits of employment.
 3. Team members acquire one (1) year of seniority for each year of job sharing.
- E. All Job-Sharing assignments are for one (1) year only and may be renewed only upon application and approval as provided above. Unless renewed, the Job-Sharing assignment will end at the end of the school year for which the assignment is made. Members returning to full-time status following a job sharing assignment will be returned in accordance with the provisions of this Negotiated Agreement.

D. Midterm Bargaining

If midterm bargaining is conducted, the parties shall commence negotiations with a written request. If negotiations are conducted they shall commence within twenty (20) workdays. If agreement is not reached within twenty (20) workdays of the commencement of such negotiations, the parties shall proceed with the impasse procedures set forth in Article IV, including the Association's express reservation of its right to strike in regard to the midterm bargaining issues.

COMPUTER USE AGREEMENT

The focus of this document is on Internet usage but applies to all computer usage at Big Walnut Local Schools.

All students, faculty, staff, continuing education students, and support staff will be referred to as "USER" or "USERS."

Internet access is available to users at the Big Walnut Local Schools.

The goal of the Big Walnut Local School District is to promote educational excellence in schools by facilitating resource sharing, innovation, and communication.

The Internet is an electronic highway connecting thousands of computers all over the world and millions of individual subscribers. Users may have access to the following:

1. Electronic mail communications with people all over the world.
2. Information and news from many educational institutions as well as scientific and governmental agencies.
3. Public domain software and shareware of all types.
4. Discussion groups on a broad range of topics.
5. Access to University catalogs, the Library of Congress, and on-line public libraries.

With access to computers and people all over the world comes the availability of material that may not be considered to be of educational value in the context of the school setting. Big Walnut Local Schools has taken precautions to restrict access to controversial materials. However, on a global network, it is impossible to control all materials, and users may discover controversial information. The District believes that the valuable information and interaction available on this network far outweighs the possibility that users may produce materials that are not consistent with the educational goals of our District.

Internet access is coordinated through a complex association of government agencies and regional and state networks. In addition, the smooth operation of the network relies upon the proper conduct of end users who must adhere to strict guidelines. These guidelines are provided here so that you are aware of the responsibilities you are about to acquire. In general, this requires efficient, ethical, and legal utilization of the network resources. If a user violates any of these provisions, his or her account may be terminated and future access could possibly be denied. The signature(s) at the end of this document is (are) legally binding and indicate the party (parties) who signed has (have) read the terms and conditions carefully, understand(s) their significance, and agree to such terms and conditions.

Terms and Conditions

1. **Acceptable Use** – The purpose of access to the Internet is to support research and education in and among academic institutions in the U.S. by providing access to unique resources and the opportunity for collaborative work. The use of your account must be in support of education and research and consistent with the educational objectives of the District. Use of another organization's network or computer resources must comply with the rules that are appropriate for that network. Transmission of any material in violation of any U.S. or State law is prohibited. This includes but is not limited to downloading copyrighted material; transmitting threatening or obscene material; or accessing, appropriating, and/or employing material that constitutes confidential or trade secret information. Use of Internet access for commercial activities is generally not acceptable. Use for product advertisement or political lobbying is also prohibited.
2. **Privileges** – The use of the Internet is a privilege, not a right; and inappropriate use will result in cancellation of those privileges. The system administrator can recommend removal of access until reviewed by school administration. The administration, faculty, and staff of the Big Walnut Local Schools may request the system administrator to investigate possible violations.
3. **Network Etiquette** – You are expected to abide by the generally accepted rules of network etiquette. These include but are not limited to the following:

 - e. Do not use the network in such a way that it would disrupt the use of the network by other users.
 - f. All communications (including E-MAIL) and information accessible via the network should be assumed to be private property, unless it is very clearly marked as being available for use or distribution.
 - g. Illegal activities are strictly prohibited.
 - h. Keep your password confidential. Do not give your password to anyone for any reason. You are responsible for it and will be held accountable.

- i. If you subscribe to a Listservice, plan on checking your mail on a regular basis.
 - j. The regular and routine use for private or personal for-profit business such as, for example, the advertising of goods or services for purchase or sale, is not an acceptable use.
4. No user shall have any expectation of privacy with respect to any information transmitted through or stored on District computers and related equipment and storage media. The District makes no warranties of any kind, whether expressed or implied, for the service it is providing. The District will not be responsible for any damages you suffer. This includes, but is not limited to, loss of data resulting from delays, non-deliveries, misdeliveries, or service interruptions no matter how caused. Use of any information obtained via the Internet is at your own risk. The District specifically denies any responsibility for the accuracy or quality of information obtained through its services. No user shall access any fee based system.
5. Security – Security on any system is a high priority, especially when the system involves many users. If you feel you can identify a security problem on the Internet, you must notify the system administrator. Do not demonstrate the problem to other users. Do not use another individual's account under any circumstance. Attempts to login to the network as a system administrator may result in cancellation of privileges. Any user identified as a security risk or having a history of misusing other computer systems may be denied access to the network.
6. Vandalism – Vandalism may result in cancellation of privileges. Vandalism is defined as any malicious attempt to harm or destroy data or to intrude in the network or data of another user, Internet, or any other network, including the above listed agencies or other networks that are connected to the Internet backbone. This includes the Local Area Network at Big Walnut Local Schools and any computer owned by the District.
