## **ARTICLE I: GENERAL PROVISIONS**

### **Preamble**

The Board of Education of the Princeton City School District (hereinafter referred to as the "Board") and the Princeton Association of Classroom Educators (hereinafter referred to as "PACE"), as parties to this Contract, recognize that together they provide services essential to the well-being of the students in the Princeton City Schools.

### **1.01 Definitions**

- 1.011 All references to time periods in days shall mean those days that are part of the regular member contract year. Days shall be counted commencing with the day after the initiating event as the first day.
- 1.012 A "full-time" member means a member assigned to an eight (8) hour workday.
- 1.013 A "part time" member means a member assigned to a workday less than eight (8) hours.
- 1.014 "License" or "licensure" shall be substituted for "certificate" or "certification", where appropriate.

### **1.02 Recognition/Bargaining Unit**

- 1.021 The Board hereby recognizes that PACE, an affiliate of the Ohio Education Association (OEA), the Southwestern Ohio Education Association (SWOEA), and the National Education Association (NEA), is the sole and exclusive bargaining agent for all certified personnel employed by the Board as set forth below.
- 1.022 The group of represented employees shall be referred to herein as the "bargaining unit" and any teacher represented as a member of the bargaining unit shall be referred to herein as a "member". The bargaining unit shall be defined as including: all full and regular part-time certificated personnel including all teachers, substitute teachers holding a valid teaching certificate on a salaried regular contract basis, counselors, media specialists, nature center personnel, nurses, librarians, psychologists, speech and hearing specialists, hourly paid tutors, teachers in the pre-school, and auxiliary services teachers excluding: management-level employees, supervisors and confidential employees as defined in Ohio Revised Code (ORC) Section 4117.01, substitute teachers who are not on a salaried regular contract basis, persons who no longer hold valid certificates, persons employed less than thirty (30) days pending receipt of background check and criminal record investigation, and all other employees.

- 1.023 The rights granted herein to PACE shall not be granted or extended to any competing labor organization.

### **1.03 Bargaining Procedure**

- 1.031 This Contract is negotiated pursuant to ORC Chapter 4117, concerning the wages, hours, terms and other conditions of employment for the members of the bargaining unit defined herein. The parties agree that ORC Chapter 4117 shall govern the procedures of bargaining between the Board and PACE.
- 1.032 If, during the life of the contract, issues arise which materially affect wages, hours, terms and conditions of employment, which matters were not sufficiently covered by the existing Collective Bargaining Contract, such issues shall be addressed between the parties by collective bargaining and the parties shall bargain in good faith until impasse or resolution.

## **ARTICLE II: GRIEVANCE PROCEDURES**

### **2.01 Definition of Grievance**

A grievance is a claim or complaint by a member or group of members or PACE that there has been a violation of any provision of this Contract.

### **2.02 Initiation and Processing**

The parties agree to the following procedures. PACE and the Human Resources Director agree a grievance can be initiated at the level which the Administrator/Supervisor has the authority to resolve the grievance.

#### **2.021 Level One is:**

The grievant and/or PACE shall first discuss the grievance with his immediate supervisor, with the objective of resolving the matter informally. The grievant and/or PACE must advise the immediate supervisor that the grievant considers the issue a possible violation of the Master Contract.

#### **2.022 Level Two is:**

- A. If the grievant is not satisfied with the disposition of his grievance, he may file a written grievance. The written grievance must be submitted to the grievant's principal, or supervisor, or their designee within fifteen (15) working days of the event causing the grievance. The written grievance must contain a full statement of the facts constituting the alleged violation. Once the grievance is reduced to writing, a PACE representative may represent the grievant. Neither the Board nor Administration will

recognize any representative of any teacher organization other than PACE and its affiliates.

- B. The principal, supervisor, or designee may conduct a grievance hearing if such hearing is necessary to resolution of the grievance.
- C. The principal, supervisor or designee should communicate his decision in writing to the grievant within five (5) working days after receipt of the written grievance.

2.023 Level Three is:

Within five (5) working days of receipt by the grievant of the decision rendered by the principal or supervisor, such decision may be appealed to the Superintendent. The grievance/appeal shall include when applicable:

- A. A copy of the decision and the grounds for appeal.
- B. A copy of the grievance.
- C. The appeal should be heard by the Superintendent or his designee within fifteen (15) working days of receipt. Written notice of the time and place shall be given to the grievant and PACE at least five (5) working days prior to the hearing.
- D. Within five (5) working days of hearing the appeal, the Superintendent should communicate to the grievant his written decision. A copy of the decision shall be sent to PACE.

2.024 Level Four is:

- A. If PACE is not satisfied with the disposition after receipt of the Level Four decision, PACE may submit the grievance to Arbitration. The arbitration process shall be administered by the American Arbitration Association under its Labor Arbitration Rules. The parties agree to accept the arbitrator's award as final and binding on them unless appealed by either party to the Court of Common Pleas in accordance with Ohio Law.
- B. No grievance will be arbitrable unless PACE provides written notice of its intent to arbitrate within sixty (60) working days of the event causing the grievance.
- C. An arbitrator shall have no authority to add to, subtract from, or modify the terms of this Contract.

- D. The time limits set forth herein shall be strictly applied. The parties may extend the time limits by mutual Contract in writing.
- E. Arbitration shall be the sole and exclusive remedy for redress of grievances arising out of any provisions of this Contract.
- F. Both parties shall have the right to seek enforcement of an arbitrator's award in the Court of Common Pleas.
- G. The cost of the arbitration shall be shared equally by both parties. In cases where either party postpones or cancels a scheduled arbitration, that party shall pay the full cost of any rescheduling fee or cancellation fee.
- H. Claims that have not been raised prior to arbitration may not be raised at arbitration unless three (3) calendar days' notice is provided to the Board's counsel.

### **ARTICLE III: PACE RIGHTS**

#### **3.01 Use of Equipment**

- 3.011 PACE shall have the right to use and/or have access to Board office equipment, computers/e-mail, telephones, and audio-visual equipment, at reasonable times when such equipment is not otherwise in use. PACE shall have access to inter-office mail system.
- 3.012 PACE shall pay reasonable costs for all materials and supplies incident to such use.

#### **3.02 Use of Buildings**

Provided prior approval from the building principal, or Superintendent's representative is attained, PACE and its representatives shall have the right to use Board buildings prior to or at the conclusion of the member workday. No charge shall be made for use of instructional rooms. Use of buildings shall not conflict with other scheduled events. Approval for use of the building will not be unreasonably withheld.

#### **3.03 Use of Bulletin Boards**

PACE shall have the right to post notices of activities and matters of PACE concern on designated bulletin boards, at least one (1) of which shall be provided in each building or facility to which members may be assigned. PACE may use the member mailboxes for communication to members.

### **3.04 PACE/Administration Meetings**

- 3.041 Regular meetings between the Administration and PACE shall be scheduled and convened to discuss matters of mutual concern. Specific grievances shall not be discussed, nor shall the meetings be considered collective bargaining sessions.
- 3.042 A committee consisting of the Superintendent or designee, and other administrative representatives (board employees) shall constitute the Administration Committee. A committee of the PACE President, or designee, and other PACE representatives (members) shall constitute the PACE Committee. Each committee may be assisted by one non-employee representative, who shall be able to fully participate in the discussion, when the committees mutually agree that an agenda item impacts upon, or requires an interpretation of, an express provision of this Contract. Participation of a non-employee representative at a PACE/Administration meeting is limited to the agenda item previously designated by the committees, as a collective bargaining contract issue.
- 3.043 Preparation of an agenda shall alternate between the Administration Committee and the PACE Committee and shall be submitted to the other committee prior to the meeting.
- 3.044 Meetings shall be scheduled on a mutually convenient date, not less than quarterly.

### **3.05 PACE Payroll Dues Deduction**

- 3.051 Payroll deductions of the total affiliated PACE dues shall be provided at no cost to the member. Members may at any time sign and deliver to the Board an authorization form requesting payroll deduction of total affiliated PACE membership dues and assessments. Such authorization shall continue in effect until such time that said member gives written notice to the Board to discontinue such deductions or employment with the Board terminates. - 3.052 All money so deducted shall be direct deposited into the PACE account. A list of employees for whom deductions were made and the amount for each said employee will be sent to the PACE Treasurer. If a member gives written notice to the Board Treasurer to discontinue such deductions, the Board Treasurer shall provide to the PACE Treasurer the names of said members at the time that said dues are remitted.

### **3.06 Fair Share Fee**

- 3.061 The Board shall deduct from the pay of members of the bargaining unit who elect not to become or to remain members of PACE, a fair share fee for PACE'S

representation of such non-members during the term of this contract. No non-member filing a timely demand shall be required to subsidize partisan or ideological causes not germane to PACE'S work in the realm of collective bargaining.

- 3.062 A list of all fee payers and notice of the amount of the annual fair share fee, which shall not be more than 100% of the unified dues of PACE, shall be transmitted by PACE to the Treasurer of the Board on or about September 15<sup>th</sup> of each year during the term of this contract for the purpose of determining amounts to be payroll deducted, and the Board agrees to promptly transmit all amounts deducted to PACE.
- A. All fair share fee payers – Payroll deduction of such fair share fees shall begin at the second payroll period in January except that no fair share fee deductions shall be made for bargaining unit members employed after December 31<sup>st</sup>.
- B. Upon termination of membership during the membership year, the Treasurer of the Board shall, upon notification from PACE that a member has terminated membership, commence the deduction of the fair share fee with respect to the former PACE member, and the amount of the fee yet to be deducted shall be the annual fair share fee less the amount previously paid through payroll deduction.
- 3.063 The Board further agrees to accompany each such transmittal with the list of the names of the bargaining unit members for whom all such fair share fee deductions were made, the period covered, and the amounts deducted for each.
- 3.064 PACE represents to the Board that an internal rebate procedure has been established in accordance with Section 4117.09 (C) of the Ohio Revised Code and that a procedure for challenging the amount of the representation fee has been established and will be given to each member of the bargaining unit who does not join PACE and that such procedure and notice shall be in compliance with all applicable state and federal laws and the Constitutions of the United States and the State of Ohio.
- 3.065 Upon timely demand, non PACE members may apply to OEA for an advance reduction/rebate of the fair share fee pursuant to the internal procedure adopted by OEA/ PACE.
- 3.066 PACE, on behalf of itself and the OEA and NEA, agrees to indemnify the Board for any cost or liability incurred as a result of the implementation and enforcement of this provision provided that:

- (A) The Board shall give a ten (10) day written notice of any claim made or action filed against the employer by a non-member for which indemnification may be claimed;
- (B) PACE shall reserve the right to designate counsel to represent and defend the employer;
- (C) The Board agrees to:
  - (1) give full and complete cooperation and assistance to PACE and its counsel at all levels of the proceeding,
  - (2) permit PACE or its affiliates to intervene as a part if it so desires, and/or
  - (3) to not oppose PACE or its affiliates' application to file briefs amicus curiae in the action.
- (D) The Board acts in good faith compliance with the fair share fee provision of this Contract; however, there shall be no indemnification of the Board if the Board intentionally or willfully fails to apply (except due to court order) or intentionally or will fully misapplies such fair share fee provision herein.

3.071 The Board shall grant as PACE leave a total of thirty (30) paid working days to be used by one or more members for the purpose of attending a PACE convention, meeting or conference.

- A. Unused PACE leave days shall accumulate from year to year to a maximum of forty (40).
- B. A member requesting to use PACE leave must first notify the president and then notify the principal, or the Human Resources Department, at least ten (10) days prior to the date of such leave or as soon as possible.
- C. For each teacher who is absent on PACE leave for one (1) day, one (1) day's leave shall be subtracted from the balance of PACE leave days until all of the days have been used.

3.072 Additional time may be granted only with the approval of the Superintendent.

### **3.08 Bargaining Unit Seniority List**

3.081 PACE shall be provided electronically a list of all members' names and addresses by November 1 of each year.

3.082 PACE shall be provided electronically with the names and addresses of newly appointed members within ten (10) days of employment.

3.083 PACE shall be provided with an electronic copy of the member seniority list by area of certification by November 1 of every year.

### **3.09 Board Committee Representative**

PACE shall have the right to appoint all member representatives to any committee established by the Board or Administration to address the wages, hours, or terms and other conditions of employment and/or any existing provision of this Contract.

### **3.10 PACE Meeting Time**

The first Wednesday of every month shall be considered an unencumbered day so that all members may have the opportunity to attend PACE meetings. The Board shall make every effort to keep the hours of 4:00-6:00 p.m. clear and free for such purpose. It is understood that extracurricular activities such as clubs and athletic teams are excluded from this provision.

### **3.11 Board Information**

3.111 The President of PACE will receive copies of the Board agenda electronically on the Friday prior to any meeting of the Board as well as copies of the Board approved minutes within five (5) workdays of approval.

3.112 The Board of Education will provide copies of new board policies to the PACE President.

3.113 PACE shall be provided a minimum of one (1) hour during the new teacher orientation day.

3.114 All applications for grants which necessitate the waiver of any right, privilege, compensation or benefit whatsoever under the collective bargaining Contract between the Board of Education and PACE must have the prior approval of PACE or such waiver shall not be effective.

### **3.12 PACE President**

The President of PACE shall not be assigned home base or advisory responsibilities and he/she shall have no "duties" as that term is used to define non-instructional periods.

## **ARTICLE IV: MEMBER RIGHTS AND PROTECTION**

### **4.01 No Discrimination - No Reprisal**

- 4.011 The Board agrees that it will in no way discriminate against or between members covered by this Contract because of their race, creed, religion, color, national origin, ancestry, age, sex, marital status, disability, sexual orientation, or gender identity. The provisions of this section are subject to the grievance procedure except grievances filed alleging a violation of this section are not arbitrable.
- 4.012 The Board and PACE agree that neither will discriminate against any member with respect to wages, hours, or any terms or conditions of employment, or take reprisals against any member for his participation or non-participation in concerted activities and/or membership or non-membership in PACE.
- 4.013 The Princeton City Board of Education agrees to uniformly apply all policies, rules, regulations and administrative rules and regulations to all members throughout the Princeton City School System.

## **ARTICLE V: EMPLOYMENT PRACTICES**

### **5.01 Contracts**

- 5.011 The limited contract is a Contract between the member and the Board of Education. A limited contract is binding for a specified length of time not to exceed three (3) years.
- 5.012 The continuing contract is a Contract between the member and the Board of Education. A continuing contract is binding until the member resigns, elects to retire, or until the member is terminated or suspended, pursuant to this Contract.
- 5.013 A supplemental contract is a special form of limited contract and is a Contract between the member and the Board of Education whereby the member agrees to perform some particular duty or duties in addition to regular teaching duties in exchange for a specified additional compensation. It may supplement either a limited contract or a continuing contract. Supplemental contracts are binding for the term specified.
- 5.014 Letters of resignation will not be requested of new employees after the initial contract offer.

### **5.02 Sequence of Limited Contracts**

- 5.021 A member employed pursuant to an individual limited contract shall, if such contract is renewed, be awarded a limited contract as follows:

- A. After the first (1<sup>st</sup>) year of continuous employment, a one (1) year limited contract;
- B. After the second (2nd) year of continuous employment, a one (1) year limited contract;
- C. After the third (3rd) year of continuous employment, a two (2) year limited contract;
- D. After the fifth (5th) year of continuous employment, a two (2) year limited contract;
- E. After seven (7) years of continuous employment, series of three (3) year limited contracts.

If a member's summative evaluation rating is Developing or Ineffective and the teacher has been given an Improvement Plan, the District may deviate from the above-outlined progression one time during a member's career with the District. If a member's summative evaluation rating is Accomplished or Skilled, the District shall proceed through the sequence of limited contracts, or the District may deviate from the progression one time during a member's career with the District and award a longer-term limited contract than the member would have received otherwise.

- 5.022 No member shall have a right to a continuing contract unless such member has given a request to be considered for a continuing contract by August 20. A member must complete the appropriate length of service and have the proper certification on file with the Superintendent's office. The purpose of this provision is to allow the Board sufficient time to conduct an evaluation prior to making the decision to grant or deny a continuing contract. A member may withdraw this request for consideration at any time prior to the Board taking action on the member's contract.

The provisions of this Article are intended to supersede any conflicting provisions of Ohio Revised Code sections 3319.08 and 3319.11 regarding the issuance of continuing contracts.

- 5.023 A. Tutors holding appropriate teaching certificates and who qualify with length of service shall be granted a continuing contract as a tutor. Tutors employed pursuant to a continuing tutor contract shall have seniority as a tutor and shall have displacement rights over less senior tutors holding continuing contracts, and over tutors employed pursuant to a limited tutor contract.

- B. A continuing tutor contract shall not be a guarantee of a number of students, or a guarantee of a minimum number of work hours.
- C. Tutors shall have no right to displace classroom teachers, or other certificated personnel, except other tutors, during a reduction in force.

### **5.03 Contract Nonrenewal**

The nonrenewal of a member's limited contract shall be governed by the applicable sections of the Ohio Revised Code. Any member employed under a limited service contract which is not to be renewed shall be notified in writing on or before the deadline set forth in Ohio Revised Code section 3319.11, which as of the effective date of this contract is June 1<sup>st</sup>.

### **5.04 Joint Service Contract**

Notwithstanding ORC 3319.08 any newly hired member to the district who is employed to teach and to perform extracurricular duties as head coach of football or girls' basketball or boys' basketball shall be employed on a joint service contract.

- 5.041 The Board shall enter into a written joint service contract for the employment and reemployment of such member. Such contract shall advise the member of the terms of this provision. Such contract shall be a limited contract for a term of one (1) year minimum, up to a maximum term of five (5) years. Such written contract shall specify the salary and compensation to be paid for teaching and coaching duties, either or both of which may not be diminished during the term for which the contract is made, except as provided in Sections 5.11 of this Contract.
- 5.042 The joint service contract shall not be subject to the provisions of ORC 3319.11 or 3319.111. The provisions of both 3319.11 and 3319.111 are superseded and replaced by the provisions of this Contract.
- 5.043 Should the Board wish to non-renew the joint service contract of a member, the Board shall notify the member in writing on or before May 15, including whether the non-renewal is based on the teaching duties of his or her contract or coaching duties. If the non-renewal is based on teaching duties, and the Board has not completed the evaluation procedure in Section 5.08 of this contract, the member is deemed to be reemployed on a one-year limited contract for the subsequent school year. If the non-renewal is based on performance of extracurricular duties, the member shall be entitled to a conference with the Superintendent to present information pertaining to the recommendation. The member shall have the right to be accompanied by a PACE Representative. This conference shall take place before the Board meeting at which the contract non-renewal will be enacted.
- 5.044 The non-renewal of a joint service contract for reasons related to teaching duties is governed by Section 5.03 of this Contract. The non-renewal of a joint service

contract for reasons related to the performance of extracurricular duties is not subject to appeal, grievance or arbitration.

- 5.045 A member employed under a joint service contract cannot resign from part of the responsibilities and retain employment under the remaining responsibilities, without the approval of the Board. A member resigning from either teaching, or supplemental responsibilities without approval shall be deemed to have resigned from all employment.

## **5.05 Copy of Contract**

- 5.051 The Board shall print fifty (50) copies of this Contract for distribution to PACE. PACE shall pay one-half (1/2) of the cost of such printing. The Association President shall be provided a pdf of the signed Contract as well as any amendments or addendums. The Contract and any amendments or addendums will be available on the District website.

## **5.06 Transfers**

- 5.061 A transfer is defined as a change in building assignment.
- 5.062 A member may submit a transfer request through the designated electronic process for any vacancy which has been posted. The request shall specify the vacancy, the school, grade, certification, and subject/position sought. Receipt of the request for transfer shall be acknowledged by the Board.
- 5.063 Whenever possible, the Board shall notify a member of a transfer which is to be effective the following school year prior to no later than twenty (20) calendar days prior to the first teacher work day.
- 5.064 Members transferred to fill vacancies occurring after August 1<sup>st</sup> shall be given as much advance notice as possible. A member involuntarily transferred within nine (9) or fewer calendar days of the first teacher work day shall be given two (2) duty-free workdays to complete the transfer. Any member transferred after the commencement of the school year, whether voluntary or involuntary, shall be given two (2) duty-free workdays to complete the transfer. The Board agrees to notify the affected employees of the dates available for the duty-free workdays prior to the effective date of the transfer.
- 5.065 Members who are involuntarily transferred shall upon request be provided specific written reasons for the transfer.
- 5.068 Involuntary transfer of members will be limited to two involuntary transfers in a four (4) year period. The Board reserves the right to transfer any member at any time in the event of licensure and/or Highly Qualified Teacher (HQT)

requirements and/or limitations including, but not limited to the areas of ESOL, special education, gifted education and special areas.

## **5.07 Assignments**

- 5.071 An assignment is a change in subject/grade level/position within a building. A member may be assigned to duties in any field in which the member holds a certificate.
- 5.072 The Board will make every effort to notify a member of a change in assignment for the following school year by June 15. PACE recognizes that last minute resignations, changes in enrollment, and transfers may make it impossible to give notice of a change in teaching assignment in every case. The Board will give as much advance notice as possible under the circumstances.
- 5.073 If an involuntary change of assignment is made within nine (9) or fewer calendar days of the first teacher work day, the member will be given two (2) duty-free workdays to prepare for the change of assignment. If a change of assignment voluntary or involuntary, is made after the commencement of the school year, the member will be given two (2) duty-free workdays to prepare for the change. The Board agrees to notify the affected members of the dates available for the duty-free workdays prior to the effective date of the change of assignment.

## **5.08 Vacancies**

- 5.081 Vacancy is defined as when a new position is created, or an employee dies, retires, resigns, is terminated, or is nonrenewed. When a vacancy occurs and the administration determines that it is going to fill the vacancy, it shall be posted in accordance with 5.082. Where teacher position becomes available during the course of the school year, the District has the ability to fill position for remainder of year with a substitute.
- 5.082 All vacancies shall be posted by sending the posting to each member at his/her District email address. Members may apply for such positions by submitting a written request through the designated electronic process. Positions shall not be filled for at least ten (10) working days of the email posting. Members will be considered for the position prior to hiring a new employee.
- 5.083 Upon completion of the posting period, the administration may fill the position with an internal candidate, may transfer or reassign an internal candidate, may decide not to fill the position at all or may hire a new employee.
- 5.084 Vacancies occurring between August 1 and the first day of school shall be posted when they occur, but such vacancies may be filled at any time without regard to the posting period.

## **5.09 Addition of Responsibilities**

Prior to requiring a member to undertake additional job duties or responsibilities which are in the nature of those duties and responsibilities and performed pursuant to a supplemental contract, the Board shall advise PACE of the proposed change and negotiate concerning such change.

## **5.10 Evaluation Procedures**

5.101 All teachers as defined by Ohio Revised Code section 3319.111 and 3319.112 shall be evaluated in accordance with the Board adopted evaluation policy and any memorandum of understanding supplementing that policy.

Any members who are not defined as teachers per the above-referenced statutes shall be evaluated in accordance with this Article. Displacement rights shall be exercised by all members within their respective contract status (continuing contract or limited contract), with no limited contract member exercising displacement rights over continuing contract members. Displacement shall be limited to areas of the member's licensure/certification. Certifications and licenses must be on file with the Board of Education on the date the reduction in force is announced. A teacher cannot displace another teacher who has a higher evaluation rating. Periods on an approved unpaid leave of absence shall not constitute a break in seniority but seniority shall not accumulate during such periods.
- B. A member seniority list consistent with this Contract shall be prepared by the Board by November 1 of each year. The seniority list shall be in rank order of the member's first date of work as set forth in the preceding section. Updates of the list shall be published no less than once a semester. An electronic copy of the published list shall be provided to the PACE President.

5.124 A member whose contract has been suspended has a right of recall for two (2) years from the date of the suspension. Seniority shall not be the basis for rehiring a teacher, except when making a decision between teachers who have comparable evaluations. Recall shall be in the reverse order of reduction, with preference being given to continuing contract teachers. Teachers shall be eligible for recall in the areas of certification/licensure held by the teacher at the time of the reduction.

A. Recall rights shall continue for a period of two (2) years. Thereafter, a member on layoff shall lose his right to recall.

The member must have advance notification of the purpose of the hearing, and shall have the right to have a PACE representative at the hearing. This section shall not apply in cases of nonrenewal, or any case in which no record is maintained of the supervisor's discussion with a member, even if the member might consider the discussion to be disciplinary in nature. **AND THE PRINCETON CITY SCHOOL DISTRICT**  
**BOARD OF EDUCATION**

This Memorandum of Understanding is entered into on this <sup>April</sup>18<sup>th</sup> day of 2016, by and between the Princeton Association of Classroom Educators ("Association") and the Princeton City School District Board of Education ("Board").

**WHEREAS**, the Association and the Board are parties to a Collective Bargaining Agreement ("Agreement") effective July 1, 2016 through June 30, 2019; and

**WHEREAS**, the Board is responsible for a standards-based teacher evaluation policy which conforms to the framework for evaluation of teachers as approved by the State Board of Education and aligns with the "Standards for the Teaching Profession" as set forth in State law; and

**WHEREAS**, the Board and the Association wish to enter into a Memorandum of Understanding regarding the use of the Ohio Teacher Evaluation System ("OTES") during the 2016-17 through 2018-19 school years.

**NOW, THEREFORE, BE IT AGREED** upon by the Board and Association as follows:

The Evaluation Instrument shall be the OTES instrument approved and provided by the Ohio Department of Education. The Board of Education shall utilize eTPES for all evaluations for teachers engaged in instruction for at least fifty per cent (50%) of the time (hereinafter referred to as the "OTES Teachers").

All evaluators of OTES teachers shall be licensed administrators employed by the Board of Education who have been credentialed through the Ohio Department of Education. The evaluations shall not be conducted by a subcontractor.

3. The Board shall maintain an Evaluation Team composed of an equal number of teachers, appointed by the President of the Association, and administrators, appointed by the Superintendent. The Evaluation Team's purpose shall be to review the Board policy, any procedures, and timelines for the evaluation system contained in the Evaluation Handbook established by and make recommendations to the Board of Education. The Evaluation Team shall meet, as necessary, to discuss any conflicts and collaborate on mutually-agreeable solutions. Committee members shall not receive compensation.

4. If a mutually-agreeable solution is not reached by the committee and the outlying issues materially affect terms and conditions of employment, the Board will have a bargaining obligation over those areas that are in disagreement before

implementation. The Association may exercise any and all rights in accordance with the Collective Bargaining Agreement and with Ohio Revised Code Chapter 4117.

5. The use of Student Growth Measures and the percentages shall be determined by the Evaluation Committee. The teachers shall be evaluated on the timelines established by the Committee.

6. For the term of the Agreement, Student Growth Measures shall not be utilized for the purpose of making decisions related to retention, promotion, removal and/or reduction of bargaining unit members during the term of this memorandum of understanding.

7. For purposes of reduction in force only, when determining comparability, the following ratings shall be used in the following order, with ineffective being reduced first:

- a. Accomplished/Skilled
- b. Developing
- c. Ineffective

The ratings shall be established using a three year rolling average, if available. If less than three years are available, the scores available will be used to determine the rating.

4.0 – 3.1 = Accomplished  
3.0 – 2.1 = Skilled  
2.0 – 1.1 = Developing  
1.0 – 0 = Ineffective

8. This memorandum shall expire on June 30, 2019.

9. All other provisions of the Agreement will remain current contract language.
