This agreement is made and entered into this ____ day of March, 2016 by and between the City of Clayton (hereinafter referred to as the "Employer") and the Clayton Professional Firefighters, IAFF Local 4379 (hereinafter referred to as the "Union" or the "IAFF"). In order to promote the rights and well being of the City, its citizens and the bargaining unit employees, the City and the Union agree as follows:

ARTICLE 2 Recognition

Section 1. The Employer recognizes the Union as the sole and exclusive representative of all employees in the bargaining unit as described in SERB case number 04-REP-07-0126. The term "employee" or "employees" as used in this agreement shall refer to the full time paid employees assigned to the following classification:

Included: All full-time firefighter/paramedics

Excluded: Fire Chief, Battalion Chiefs and all other employees of the employer.

Section 2. Any reference to employees in this agreement shall include both sexes: Whenever the male gender is used, it shall be construed to include male and female.

Section 3. The Union has sole and exclusive bargaining rights under this agreement with respect to wages, hours, or terms and other conditions of employment.

ARTICLE 3 Dues Deduction/Fair Share

Section 1. During the term of this Agreement, the Employer shall deduct initiation fees, assessments levied by the IAFF and the regular monthly IAFF dues from the wages of those employees who have voluntarily signed dues deduction authorization forms permitting said deductions.

Section 2. The initiation fees, dues or assessments so deducted shall be in the amounts established by the IAFF from time to time in accordance with its

Constitution and Bylaws. The IAFF shall certify to the Employer the amounts due and owing from the employees involved.

Section 3. These dues will be deducted from payroll on a bi-monthly basis. In the event that an employee has no pay due on a particular date, the amount will be deducted on the next pay thereafter.

Section 4. A check in the amount of the total dues withheld from those employees authorizing a dues deduction shall be tendered to the treasurer of the IAFF within thirty (30) days from the date of making said deductions.

Section 5. The IAFF hereby agrees to hold the Employer harmless from any and all liabilities or damages which may arise from the performance of its obligations under

Article 3 and the IAFF shall indemnify the Employer for any such liabilities or damages that may arise.

Section 6. The Employer will furnish the IAFF with a list of all employees in the classifications covered by this Agreement indicating their starting date of employment. Such list will be furnished no less than annually and will be supplemented by the names of all new employees as hired.

Section 7. Employees desiring to withdraw their payroll deduction authorization will notify the City and the Union in writing at least 30 days prior to the termination of the dues deduction.

Section 8. All employees who are not members of the Union, shall pay to the Union, through payroll deduction, a fair share fee as provided for and determined by the provisions of Section 4117.09(C) of the Ohio Revised Code. The fair share fee is automatic and does not require any employee to become or remain a member of the Union, nor shall the fair share fee exceed the dues paid by members of the Union. The Union will certify to the City the amount of the fair share fee. The fair share fee shall not be used to finance political and/or ideological activity. The fair share fee is strictly to finance the proportionate share of the cost of collective bargaining, contract administration and pursuing matters directly affecting wages, hours and other terms and conditions of employment of the employees. The City shall implement the fair share deductions subject to the provisions of this section. The Union represents to the City that it has in place a rebate and challenge procedure which complies with Section 4117.09(C) of the Ohio Revised Code, federal law, and any judicial decisions interpreting such laws. The Union agrees to abide by all rules and decisions of the State Employment Relations Board or the courts in regard to the fair share fee deductions.

Section 9. Employees who are members of and adhere to established and traditional tenets and teachings of a bona fide religion or religious body which has historically held conscientious objections to joining or financially supporting an employee organization, as set forth in Section 4117.09(C), Ohio Revised Code, shall have such alternative contribution rights as are provided by law under such conditions and in accordance with such procedures as are required by law. Upon request from the Union, the Employee shall provide evidence of such membership, tenets and teachings of such religion.

Section 10. The Union shall indemnify and save the City harmless against any and all claims that shall arise out of or by reason of action taken by the City pursuant to the fair share fee provision of this Agreement.

ARTICLE 4 Non-Discrimination

Neither the Employer nor the Union shall discriminate against any employee due to his membership or lack of membership in the Union. The provisions of this agreement shall be applied equally to each employee in the bargaining unit without discrimination as to sex, race, color, creed, national origin, handicap or political affiliation. The Union shall

share equally with the Employer the responsibility for applying this provision of the agreement.

Therefore except as otherwise provided in this Agreement, the Employer and the Union, for the life of this Agreement and any extension, each voluntarily and unqualifiedly waive the right and each agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement, even though such subject or matter may not have been within the knowledge or contemplation of either or both parties at the time that they negotiated or signed this Agreement.

ARTICLE 26 Injury Leave and Light Duty

Such leave may be granted to an employee who becomes unable to perform his or her job duties due to an injury or illness that occurs in the discharge or performance of his or her official duties (job related injury or illness), except where such injury or illness is the result of causes which would result in disqualification under applicable Workers Compensation standards. The City shall review the employee's status at periodic (30-60 day) intervals and may at its option cause the employee to activate his Workers Compensation claim for lost wages and terminate further injury leave payments by the City. In that event the employee may supplement workers compensation payments received with use of the employee's accrued ESL provided that the employee's total compensation from ESL and workers compensation shall not exceed his then current equivalent pay rate.
- B. Should an employee suffer a job related injury or illness he or she shall immediately report the incident to his or her supervisor unless physically unable to do so (eg., hospitalization), and his or her supervisor shall notify the Fire Chief and complete a Report of Injury/Illness Form. This report shall be completed, regardless of the apparent seriousness of the job related injury or illness, and regardless whether medical attention is required. Such report shall be forwarded to the Fire Chief and HR Administrator no later than twenty four (24) hours after being reported by the employee. An employee who suffers a job related injury or illness may be required by the Fire Chief to see a medical care provider. (See Section C below regarding immediate reporting of serious accidents.)
- C. Should the Fire Chief require it or should an employee's job related injury or illness require medical attention, a Workers' Compensation medical claim form shall be completed by the attending physician. This completed report should be forwarded to the Ohio Bureau of Workers' Compensation through the HR Administrator.
- D. In the event of serious job related injury or illness, the injured employee's supervisor shall notify the Fire Chief and HR Administrator immediately, so that, if necessary, an investigation may be initiated.
- E. The Fire Chief must be advised and continually updated if an employee continues to be absent due to a work-related injury. Employees are responsible for providing their expected date of return to work (if known).
- F. Any documents received from the injured employee, his or her medical care provider or the State, regarding a Workers' Compensation claim must be immediately forwarded to the HR Administrator.

- G. Employees who suffer a job related injury or illness who are unable to continue working shall be paid at their regular rate of pay, for the balance of time left in their scheduled work shift.
- H. Provided an employee is eligible for lost time worker's compensation benefits the injured employee shall receive "Injury Leave Benefits" equal to his wage benefits for a period not to exceed 90 calendar days for each industrial injury or occupational disease. Weekly "injury leave benefits" will not be charged against a bargaining unit member's accumulated ESL. Should the disability exceed the 90 day injury leave benefit, the bargaining unit member will be in the receipt of Worker's Compensation benefits and may at his option, elect to receive supplemental benefits equal to 33 1/3% of his base pay. Such supplemental benefits paid shall be charged against the employee's accumulated ESL at the rate of 1/3 day for each day of supplemental benefits paid until all accumulated ESL of the employee is used. Thereafter, no additional supplemental benefit shall be paid.

During the time a bargaining unit member is receiving "injury leave benefits" he shall sign an agreement to be furnished by the Employer assigning to the Employer any and all benefits he shall receive from Worker's Compensation for the period "injury leave benefits" are received and further stating that in the event he is finally determined not to be eligible for Worker's Compensation benefits, he will reimburse the Employer for all "injury leave benefits" paid. The reimbursement may be accomplished by the equivalent reduction of accrued of ESL, if available.

- I. In the case of injuries where there is a question as to the circumstances, employees may use any combination of paid or unpaid leave during the absence. At the time of injury or illness is determined to be job-related by the Bureau of Worker's Compensation/Industrial Commission and the City has elected to not appeal or the appeal process is exhausted, the employee's leave will be restored and injury leave substituted for the time absent, consistent with paragraph H.
- J. Family and Medical leave will begin on the first day of injury leave for eligible employees. City contributions toward the cost of benefits shall be maintained during injury leave. Requests for additional injury leave will be considered on a case-by-case basis.
- K. An employee returning from leave may be required to provide a physician's certification of his or her ability to return to work.
- L. Employees may be required to submit to medical and/or psychological examination in order to determine the employee's capability to perform the essential functions of the employee's position with or without reasonable accommodation. Such examination shall be conducted by a licensed practitioner chosen by the City. The cost of such examination shall be paid by the City. If the employee disagrees with the results of a mental or physical examination, the

employee may, at his/her own expense, obtain an examination and opinion from his/her own personal physician and if the respective results of the examination and/or opinion differ, the respective physicians shall select a third physician who shall examine the employee and render the final decision which shall be binding on both parties. The expense of the third physician shall be split by the City and employee.

Section 2. Light Duty
