I. RECOGNITION

A. ASSOCIATION RECOGNITION

The Cardinal Board of Education, hereinafter the "Board," hereby recognizes the Cardinal Education Association, hereinafter the "CEA" or "Association," as the sole and exclusive bargaining representative for the purpose of collective bargaining as defined in Section 4117.01 (G) of the Ohio Revised Code.

B. BARGAINING UNIT MEMBER

1. Members of the CEA bargaining unit, hereinafter "MBUs," shall mean only certificated/licensed personnel under regular teaching contracts employed by the Board with the exception of substitutes, tutors (as defined in Board of Education policy), or other casual employees. Persons employed as substitutes with an assignment to one specific teaching position for a period of sixty (60) days or longer in a single school year shall no longer be considered as substitute teachers for the purpose of this Collective Bargaining Agreement, hereinafter "CBA."
2. The Association shall not include any personnel employed as management level personnel, i.e., those individuals who have the right to hire, fire, discipline, evaluate, and/or recommend or participate in such actions, and all other confidential employees, including the Athletic Director, if an administrator.

II. NEGOTIATIONS PROCEDURE

A. SCOPE OF NEGOTIATIONS

The Board will meet with the Association for the purpose of arriving at an agreement on proposals concerning all matters with respect to wages, hours, terms and conditions of employment, and the continuation, modification, or deletion of an existing provision of the CBA.

B. MEETINGS AND PROCEDURE

1. Requests for Negotiations – If either party desires to open negotiations for a successor CBA, it shall so notify the other party in writing not sooner than one hundred eighty (180) calendar days, and not later than one hundred twenty (120) calendar days prior to the expiration date of this CBA. Notification in writing from the Association shall be served on the Superintendent, and from the Board shall be served on the Association President. The party giving notice shall also serve a copy of the written

notice, together with a copy of this CBA, on the State Employment Relations Board.

2. The parties shall simultaneously submit in writing their proposals within twenty (20) calendar days of the receipt of the written Notice to Negotiate. After the initial submission of proposals, additional items shall not be submitted by either party unless mutually agreed otherwise. Within fifteen (15) days after the parties submit their initial proposals, an initial meeting to negotiate shall occur. The traditional exchange of initial proposals may be replaced by any form of Interest-Based Bargaining only if both parties agree in writing to such a method.
3. At the time the initial request for negotiations is made and the items for discussion are mutually exchanged, a meeting place shall be determined and a timetable set up for future meetings.
4. Either team may call for a caucus at any time during a bargaining session. Normally a caucus shall not last more than thirty (30) minutes.
5. Negotiation teams shall be limited to a maximum of seven (7) members, which shall include any consultants and/or alternates.
6. The teams may mutually agree to invite other professional consultants to a specific bargaining session to provide information to both teams.
7. All bargaining sessions shall be closed to the general public.

C. AGREEMENT (T.A.)

1. When a tentative agreement is reached between both negotiation teams, the Association shall present the tentative agreement to the membership for ratification or rejection.
2. After the Association ratifies the tentative agreement, the Board will consider the tentative agreement. The motion to adopt the tentative agreement will be written into the Board's minutes.
3. After the Association ratifies and the Board adopts the tentative agreement, the Association President and the Board President shall sign four copies of the CBA and each party will receive two (2) copies.

D. DISPUTE SETTLEMENT PROCEDURE

1. The parties agree to discuss all issues in good faith in an effort to resolve them within sixty (60) days of the onset of the first bargaining session. Either party may submit, at any time after fifty (50) days prior to the expiration date of this CBA, all unsettled issues in dispute to mediation with the Federal Mediation and Conciliation Service (FMCS).
2. The parties agree that the aforementioned mediation process will constitute their exclusive mutual alternative dispute settlement procedure and shall last a minimum of twenty-one (21) days from date of assignment

of mediator or until settlement is reached, whichever comes first. The Board acknowledges the Association's right to strike under Section 4117.14 (D)(2).

3. It is the intent of both parties that efforts to negotiate may continue during the ten (10) day period following the Board's receipt of the Association's notice to strike

III. GRIEVANCE PROCEDURE

A. DEFINITIONS

1. Contract Items – A "grievance" is a claim based upon violation, misinterpretation or misapplication of a specific provision(s) of this CBA. A grievance in this category may be processed, if necessary, through Step IV.
2. An "aggrieved person" is the person or persons making the claim. A grievant may be a MBU, group of MBUs, or the CEA.
3. A "party in interest" is the person or persons making the claim or any person who might be required to take action or against whom action might be taken in order to resolve the claim.
4. Days as used in this procedure shall be "school days." Days used in this procedure shall be school days except where the time limits extend beyond the last teacher work day. After the last teacher work day, days will be defined as calendar days.
5. Representative or representatives shall be any MBU chosen by the aggrieved or any other person of the aggrieved's choosing.

B. PURPOSE

1. The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions of the problems that may from time to time arise concerning provisions of the CBA. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate and legal at any level of the procedure.
2. Nothing contained herein will be construed as limiting the right of an aggrieved person and a party of interest from discussing the matter informally and to have the grievance resolved without intervention by the Association, provided that the resolution is not inconsistent with the terms of the CBA and that the Association has been given an opportunity to be present at such resolution and to state its views.

C. PROCEDURE

Since it is important that grievances be processed as rapidly as possible, the time table specified at each level should be considered as a maximum and every effort should be made to expedite the process. The grievance procedure must be commenced within twenty (20) days of an incident or within twenty (20) days after the MBU becomes aware of an incident. The time limits specified may, however, be extended by mutual agreement.

1. Informal Step – If a grievant believes there is a basis for a grievance, the grievant may first discuss the matter with an immediate supervisor in an effort to resolve the problem informally.
2. Step I – If the grievance is not resolved within five (5) days of such informal meeting, the aggrieved may present a formal claim to his/her/their immediate supervisor by submitting a completed Grievance Report Form. Within five (5) days of receipt of the grievance, the immediate supervisor shall meet with the aggrieved and the aggrieved's representative(s), if elected by the aggrieved, at a mutually agreeable time in an effort to resolve the matter. The immediate supervisor shall indicate his/her disposition of the grievance within five (5) days after such meeting by completing the report form and returning it to the aggrieved and the bargaining agent. If such disposition is not timely filed, the grievance shall go to Step II.
3. Step II – If, after receiving an answer at Step I (or if no decision is rendered), the aggrieved person remains aggrieved, the grievance shall be submitted to the Superintendent for a Step II decision in the matter. Such request must occur within five (5) days following the receipt of the answer at Step I. The Superintendent shall meet with the aggrieved person and a representative of the aggrieved's choice at a mutually agreeable time within five (5) days following the receipt of the written grievance. Within ten (10) days of receipt of the written grievance, the Superintendent shall forward a copy of the Step II decision to the grievant. A copy of the Step II decision will be forwarded to the principal or administrator involved at Step I.
4. Step III – If, after receiving an answer at Step II (or no decision is rendered), the MBU remains aggrieved, the aggrieved and/or the Association shall, in writing, request a Step III hearing with the Board of Education. Such request must be made within five (5) days following receipt of the Step II decision. Copies of the grievance and Step II decision will be sent to all Board members. The Board will arrange a discussion to be held in executive session, if requested by the aggrieved and the topic of the grievance is an appropriate one for executive session, to be held within ten (10) days or at the next Board meeting following receipt of the discussion request, whichever is longer. If the topic of the grievance is not appropriate for executive session, the Board will notify the

Association President at least five (5) days before the meeting and the Association President will have the discretion to elect to advance the grievance directly to Step IV. The aggrieved may be accompanied at the discussion by representatives of the Association, legal counsel, and witnesses. The Board's written decision shall be transmitted to the grievant and the Association within five (5) days following the discussion. Any official action taken by the Board will refer to the grievance by topic only.

5. Step IV – If, after receiving an answer at Step III (or if no decision is rendered), the grievant is not satisfied with the disposition, the grievant or the Association may submit the grievance to arbitration within thirty (30) days of the receipt of the answer from Step III. The arbitrator will be selected from a panel provided by the American Arbitration Association (or another source if mutually agreed to by the parties' representatives). The arbitrator shall conduct a hearing in accordance with the rules of the American Arbitration Association and render a decision following the hearing. The arbitrator shall have no power to alter, add to, delete from, or modify any of the terms of this CBA. Both parties agree that the award of the arbitrator will be final and binding on all parties. The fees and expenses of the arbitrator shall be paid by the party that does not prevail in the arbitration. The arbitrator shall identify the prevailing party as part of his/her decision, and, if the decision is "split," the arbitrator shall allocate his/her fees and expenses as a part of his/her decision. Additional expenses shall be paid by the party that incurs them.

D. RIGHTS OF THE GRIEVANT

1. A grievant may appear on his/her/their own behalf or may be represented at any and all steps of the Grievance Procedure by the bargaining agent, or by counsel, or by any other person of the aggrieved's choice, except that the aggrieved may not be represented by an officer or employee of any teachers' organization other than the recognized bargaining agent.
2. A grievant shall have the right to present a claim in accordance with the procedure described herein, free from interference, coercion, restraint, discrimination, or reprisal.
3. If a grievance appears to arise from the actions of an authority higher than the immediate supervisor and/or affects a group of members, it may be initially submitted at Step II described herein.
4. Any grievance may be dealt with by the grievant seeking redress with the immediate supervisor; however, this informal procedure does not preclude the filing of a grievance at any appropriate formal level.
5. The grievant, grievant's witness(es), and the Association President or designee shall have the right to attend Step I, II, III, or IV level

meetings/hearings without loss of pay, or having to use any accrued leaves of absence.

IV. Discipline

A. Discipline Proceedings

A bargaining unit member shall have the right to be represented by the Association at conferences or meetings with any administrator in which the bargaining unit member believes may result in discipline or may affect a continuation of his/her employment or contract status. Should a meeting become disciplinary in nature, a member may request adjournment until appropriate representation is available. It is not the intent of the parties that this provision will prohibit the removal from the classroom of a member in extraordinary circumstances, provided, however, that a disciplinary conference with a representative present shall be held within two (2) workdays of such removal.

B. Standards for Discipline

No bargaining unit member shall be disciplined by the Board or any of its agents in an arbitrary and capricious manner or without just cause.

C. Progressive Discipline

Disciplinary action shall consist of five (5) steps. It is understood that such action shall be commensurate with the severity of the bargaining unit member's offense, may be initiated at any level, and may include the repetition of a step without progressing to the next step.

1. Step One: Verbal warning(s)
2. Step Two: Written warning(s) - will incorporate comments relative to the verbal warnings in substantiation of previous problems. Said written warning(s) will not be placed in the bargaining unit member's personnel file.
3. Step Three: Written reprimand(s) - will incorporate comments relative to the written warning(s) in substantiation of previous problems.
4. Step Four: Suspension(s), with or without pay.
5. Step Five: Termination.

V. MBUS' RIGHTS AND RESPONSIBILITIES

A. CURRICULUM

With respect to participation in curriculum and other committees in which MBUs are involved, MBUs shall not be requested to serve on more than two (2) committees in any three (3) consecutive years.

MULTI-YEAR CONTRACTS

1. The Board may provide multi-year contracts to MBUs who have taught three (3) or more consecutive years in the Cardinal Local School District but who do not meet the requirements for a professional educator, senior professional educator, or lead professional educator license.
2. Any MBU currently employed under a multi-year contract who becomes eligible for a continuing contract shall be considered for said contract at the May Board meeting following the MBU requesting such consideration.

B. TEACHER TENURE

Only MBUs employed half-time or more by the Board shall be eligible to be considered for a continuing contract. To be eligible to be considered for a continuing contract, a MBU must have taught three (3) continuous years at the Cardinal Local Schools and hold a valid professional teaching certificate/license, and such application for professional teaching certificate/license is on file with the local superintendent by April 30. In addition, the MBU must notify the Superintendent of his/her eligibility to be considered for a continuing contract by the November 15 preceding the May in which the Board would consider the matter.

C. PROFESSIONAL DEVELOPMENT PLANNING COMMITTEE

The parties affirm the importance of professional development programs to the professional growth of the District's teaching staff. A Professional Development Planning Committee ("PDPC") shall be created that is composed of the Superintendent and up two (2) administrators appointed by the Superintendent and a minimum of four (4) persons appointed by the Association President. The Superintendent/designee and the Association President/designee shall serve as the co-chairpersons of the PDPC. Annually, the PDPC is responsible for planning relevant professional development program(s) to improve student performance. Programs will be designed to meet LPDC standards for appropriate contact hours of professional development. Other school improvement committees shall collaborate with the PDPC to ensure alignment of K-12 professional development.

D. NON-RENEWAL OF CONTRACTS

A MBU whose limited contract for regular teaching duties is expiring shall be deemed reemployed for the successive school year unless:

1. The Superintendent notifies the MBU in writing by May 10 of his/her intent to recommend to the Board that the MBU be non-renewed;
2. The Superintendent provides the MBU with a written statement of the reasons that led to his/her decision to recommend nonrenewal and

provides the MBU with an opportunity to meet with him/her by May 15 to discuss the reasons;

3. The Board adopts a resolution in public session stating its intention not to renew the employment of that MBU; and
4. The Superintendent mails written notice of the non-renewal by certified mail, return receipt requested, to the MBU at the address appearing for that MBU on the Board Treasurer's records. It is the responsibility of each MBU to keep a current address on file with the Board Treasurer and to make any necessary changes therein. Timely mailing of the notice of nonrenewal no later than June 1 shall be the Board's only obligation in serving such notice.

The parties affirm that paragraphs 1 – 4 above expressly supersede and replace the corresponding provisions of Ohio Revised Code Section 3319.11.

Within five (5) calendar days after receipt of the Board's written notice of nonrenewal, the MBU may file with the Board Treasurer a written demand for a hearing before the Board pursuant to divisions (G)(4) to (6) of Ohio Revised Code Section 3319.11. The Board will conduct the hearing in accordance with O.R.C. 3319.11(G)(4)-(6).

A MBU may appeal a Board order affirming the nonrenewal to the Geauga County Court of Common Pleas under O.R.C. 3319.11(G)(7). The parties affirm that the evaluation procedures identified within this CBA, including the Board-adopted Standards-Based Teacher Evaluation policy, shall be those required to be followed by the administration and subject to review by the Court.

E. RESIDENT EDUCATOR PROGRAM

1. Purpose: The Resident Educator Program ("REP") is designed for beginning teachers and provides them with the coaching, mentoring and guidance that is critical to improving their skills and knowledge and enhancing student achievement. The Board will administer and fund the REP. The REP is a four (4) year program. Successful completion of the REP is required for a teacher to advance to a five (5) year professional educator license.
2. Lead Mentor: A Lead Mentor will oversee the REP and may mentor a Resident Educator.
 - a. A Lead Mentor should have National Board, Master Teacher or
 - b. Lead Teacher designation, if possible.

4. Mentor: The Lead Mentor shall assign Mentor Teachers ("Mentors") after soliciting interest among qualified MBUs.
- a. Qualifications:
 - i. Mentors must have continuing contract status and a minimum of five (5) consecutive years of teaching experience in the District. Preference will be given to those with Master Teacher, National Board Certification, or Lead Teacher designation.

 - i. Each Mentor shall be granted release time (at least the equivalent of two (2) days annually) for direct mentoring activities. Release time shall be separate from any other release time covered under this Agreement and shall be coordinated by the Superintendent/designee.
 - ii. Each Mentor shall be granted release time to attend committee meetings, necessary training, and to perform the required Committee work.
 - iii. Coverage needs brought on by exceptional circumstances will be provided by alternate methods to be determined jointly by the Superintendent/designee and the Mentor.

Any or all materials jointly developed by the Resident Educator and the assigned Mentor shall not be utilized as a remediation program.

 - iii. Mentors shall receive a stipend of four percent (4%) of the BA base.
- 5. Resident Educator:
 - a. Each Resident Educator shall be provided with the following:

 - c. The Resident Educator is not required to complete an IPDP or utilize the LPDC process.
6. Protections:
- a. Other than a notation to the effect that a teacher served as a Mentor, the teacher's activities as a Mentor shall not be part of that Resident Educator's evaluation.
 - b. No Resident Educator shall be required to remain in a REP after obtaining a professional educator license.
 - c. If the District fails to comply with the State-mandates for implementing a REP, affected MBUs who participate in the REP shall not be disciplined and/or adversely affected due to the action(s) and/or inaction(s) of the District.
 - d. Communications between a Mentor and his/her assigned Resident Educator shall be considered confidential to the extent permitted by law. Any violation of this tenet by the Mentor shall constitute grounds for immediate removal from his/her role as mentor teacher.
 - e. At any time, either the Mentor or the Resident Educator may request that a new mentor teacher be assigned. If either individual makes such a request, no specifics shall be given as to the exercise of the option and no prejudice or evaluation is to be given such change.
 - f. All members of the Resident Educator Committee, Mentors and Resident Educators shall keep confidential all discussions, actions, materials and other information to the extent permitted by law.

- h. A Mentor's participation in the REP shall not be evaluated by the administration or taken into consideration as a part of teacher's regular evaluation.
- i. Resident Educators are entitled to the same rights and privileges as other MBUs.
- j. Formative assessment evidence is the property of the Resident Educator, and he/she reserves the right to share or not share it with the administration. Regardless, it will not be collected by the Building Principal or other District personnel, and it will not be utilized for the teacher's evaluation or as a basis for employment decisions.

7. Program Review / Revisions:

Mentors and their assigned Resident Educators may meet as a group prior to the end of each school year to assess and evaluate the REP. Recommendations may be submitted in the form of a written report to the Association and the Superintendent not later than June 1.

8. Records:

The Resident Educator Committee shall determine to what extent to keep and retain records of its meetings, decisions, actions and recommendations to the extent permitted by law.

F. MEDICAL PROCEDURES

MBUs are not expected to dispense regular medication. A MBU may hold and dispense emergency medication where there is a physician's written approval. MBUs will not be requested or required to perform non-emergency medical procedures or custodial care (e.g., changing diapers).

G. ASSOCIATION / MANAGEMENT COMMITTEE

In an effort to solve problems before they become formal grievances, the Board and the Association agree to establish a formal committee consisting of representatives of both the Association and the Board.

Vision Statement for Collaboration and Building a Positive Culture

It is the intent of the CEA and District Administration to work collaboratively in open communication to provide solutions to the concerns and issues brought to the Association/Management committee. In an effort to build a positive culture, both groups believe that it is important to promote the following attributes in all staff:

Accountability
Collaboration
Honesty
Integrity
Open Communication
Professionalism
Respect
Teamwork
Transparency
Trust

The function of the Association/Management Committee shall be to confer on all matters of mutual concern, to keep both parties to this CBA informed of changes and developments caused by conditions other than those covered by this CBA, and to confer over potential problems (e.g., class size, etc.) in an effort to keep such matters from becoming major in scope.

The Association representatives shall be no more than six (6) MBUs. The Board representatives shall be no more than six (6) in number. One meeting per year will be held in January on an annual basis.

Additional meetings shall be limited to no more than once per month unless mutually agreed upon. The party requesting the convening of the committee shall submit a list of agenda items.

Nothing contained in this provision shall limit either party from maintaining a course of administrative action or the Association from processing a formal grievance.

H. PERSONAL COMPLAINTS

A personal complaint is a claim based upon an event or condition affecting the welfare and/or terms and conditions of employment of a teacher or group of teachers and not related to alleged violations of the CBA. A personal complaint may be processed, if necessary, through Step III of the grievance procedure in Article III, Section C.

I. EMERGENCY ASSIGNMENTS

1. Whenever a MBU is absent for one (1) full school day or more, the Board will attempt to secure a properly certificated/licensed substitute.
2. In the event a properly certificated/licensed substitute cannot be obtained, the following shall apply:

- a. Elementary School – Students may be divided between other classes, preferably in that grade level, or assigned to a MBU(s) volunteering to accept them. Each MBU receiving students shall be paid an amount per day equal to one-half of substitute pay.
- b. Middle School and High School – A MBU may be requested to take the class of the absent MBU. Such requests shall be equitably distributed among MBUs who do not have assigned student contact time. If substitutes are not available, a teacher may be directed to take the added assignment. MBUs will receive one-sixth (1/6) of the amount paid daily to a substitute per class period for this duty.
- c. Study Halls/Library – MBUs who receive an extra regularly scheduled class of students in study hall or the library shall receive the same additional pay per class as provided for in paragraph (b) above.

Twice annually, in December and June, the Board will pay MBUs for all duties served under this provision. A form will be provided to each MBU by the immediate supervisor for each applicable class so covered. Records shall be kept by the home school and turned in at the Board office prior to the pay period affected.

There will be no compensation paid for a cooperative arrangement between two (2) MBUs to fill in for each other.

VI. PERSONNEL FILES

A. LOCATION

The Board shall maintain an Employee Kiosk (for attendance and payroll) and, at the Board Office, an official personnel file for each MBU.

B. CONTENT

Effective August 1, 2002, all negative items placed in the file shall be dated and signed and identified as to source. A copy shall be sent to the MBU before being placed in the file with the exception of those items filed at the direction of the MBU. Parental complaints will not be a part of an MBU's permanent personnel file unless substantiated following an investigation and discipline is imposed. After five years, a MBU may petition the Superintendent to remove a written reprimand, if the conduct referred to in the written reprimand has not been repeated during the five year period and the removal of the document is not prohibited by state law.

C. EXAMINATION

Each MBU has the right to examine his/her file during regular office hours. The MBU may be accompanied by a representative. A designee from the central office must be present when a file is examined.

D. COMMENTS

The MBU has the right to attach written comments to any item in the file.

E. REMOVAL

The file shall not be removed from the Board Office by the MBU.

F. COPIES

A copy of each item in a MBU's file shall be provided, at no cost, to the MBU requesting the material.

G. REVIEW OF PERSONNEL FILE

If a MBU's personnel file is reviewed by anyone, excluding Administration and Board office personnel, a notation will be made on a log attached to the file, which will specify the date the review occurred and identify (if known) the person who reviewed the file. This will also apply to members of the LPDC and individual members of the Board of Education. Before a personnel file is reviewed by someone other than a Board member or School District employee, a reasonable effort will be made to notify the MBU, and the MBU (or his/her designee) will be provided an opportunity to be present during the review, provided any delay related to compliance with this provision will not cause the Board to violate Ohio's public records laws. If a MBU (or his/her designee) is not present during the review, the Administration will notify the MBU of which documents were inspected and/or copied, to the extent known.

The Superintendent shall designate an individual to be present on the Board's behalf when a personnel file is being reviewed.

H. ANONYMOUS CORRESPONDENCE

No anonymous correspondence or communication will be placed in a MBU's personnel file.

VII. TEACHER YEAR

A. WORK YEAR

The school year will be 184 days, which will consist of:

1. Days of Instruction (178 – 180);

2. Up to two (2) In-Service Days or the equivalent, with one (1) of the days occurring on NEOEA Day. NEOEA Day is included in the 184 day teacher work year. MBU's may attend NEOEA Day professional development offerings, with administrative approval, if aligned with district goals. Building directed PD will be provided in the district for those teachers not attending an approved NEOEA Day activity. District/Building based activities will be provided at the discretion of the administration.
3. Up to two (2) Parent-Teachers Conference Days;
4. One (1) Orientation Day (half shall be used for teacher preparation); and
5. One (1) Record Day, which will occur the first weekday after the last day of the second semester.
6. Early release days for students (two [2] hours) at the end of the first, second and third quarters for Record Day responsibilities. MBUs must submit grades no later than the end of the fifth student day of the next quarter. In the 2016-2017 school year Jan. 3, 2017 will serve as the end of the 2nd grading period. This day is designated for teachers to complete required/mandated work. In all subsequent school year calendars, 1 full day without students will replace the current early release day at the end of the first semester. The work year will total 184 days for MBU's with an end date no later than May 31.

Professional Development In-services:

Up to four (4) professional development in-services shall occur each year on student half (1/2) days. In-services shall not extend beyond the seven-and-one-half (7 ½) hour workday.

B. MBU WORK DAY

1. The MBU workday shall be seven hours and thirty minutes, inclusive of a 30-minute uninterrupted lunch. No workday will start before 7:00 a.m. or end later than 4:00 p.m. All teachers across the district will report based on their assigned buildings' start and stop times. Staggered starts within a building are not permitted.
2. There will be at least a ten (10) minute difference between the start and end of the regularly scheduled student day and the MBU workday for each building, and MBUs will not be regularly assigned any student supervisory duties during these periods.

C. COPY OF CALENDAR

A copy of the school calendar will be sent to each MBU within four (4) weeks of its official adoption by the Board.

VIII. CONDITIONS OF EMPLOYMENT

A. STAFF ASSIGNMENT

MBUs are subject to assignment each year by the Superintendent and will be notified of any change by July 1. Only in emergency situations will assignments be changed after this date. Emergencies shall include such things as inability to find a suitable replacement, significant changes in enrollment, and an anticipated loss of revenue. When such an emergency arises, all MBUs who may be affected will be notified. When the new assignments have been made, the MBUs involved will be immediately notified. Recommendations from principals concerning assignments will be given consideration.

B. MOVING

MBUs who are moving from building to building or classroom to classroom, whether by voluntary or involuntary transfer or by closing of a building, shall have furniture, equipment, and packed items moved by the Cardinal Local School District. MBUs shall be paid a stipend of one hundred fifty dollars (\$150.00) when they move more than one time in a three (3) year period.

C. TRANSFERS

1. Voluntary Transfers

- a. Requests by a MBU for transfer to a different class, building, or position in which he/she is interested shall be made in writing to the Superintendent on an annual basis. The Superintendent will notify the MBU of having received the request. If the MBU does not receive notification within five (5) days, he/she should call the Board office to confirm the request was received.
- b. The application shall set forth the reasons for the request, and the school, grade, or position sought.
- c. The Superintendent will inform the MBU by letter if the position he/she desires is not granted.
- d. The Board will maintain a "Request of Transfer" file. Requests for voluntary transfer will be kept on file for a period of one year from May 1st through April 30th.

2. Involuntary Transfers - Process

If the MBU objects to an involuntary transfer, the matter, upon request, will be discussed in a meeting with the Superintendent and/or his/her designee, the MBU, and the MBU's representative.

3. Definitions

For purposes of this article, "transfer" means reassigning a MBU to a different department, grade level, or subject at the secondary level; to a different grade at the elementary level; or to a different building.

A "vacancy" is created when there is: 1) the death of a MBU; 2) a retirement; 3) the creation of a new position; 4) an extended leave of absence; 5) a termination or non-renewal; 6) a transfer; or 7) a promotion; and the Board determines to retain the position.

4. Statement of Reasons for Transfer

In cases involving an involuntary transfer, the Superintendent will cite educational reasons, enrollment changes, or financial reasons leading to the decision to make the transfer. This written notice will be issued to the affected employee before the date of the transfer.

In cases involving a voluntary transfer, the Superintendent will give written notice to all individuals denied a request for transfer citing educational reasons, enrollment changes, or financial reasons leading to the decision.

Where educational reasons, enrollment changes, or financial reasons can be addressed as determined by the Superintendent by more than one employee requesting the voluntary transfer, seniority at Cardinal Local School District will be considered.

D. POSTING

All vacancies for certificated/licensed positions will be posted on the bulletin board in each building's office, and on the District's web site and/or distributed through the District's Alert System. During the summer months, a notice of each new vacancy will be posted on the District's web site and distributed through the District's Alert System, and a timely notification to check the District's web site included on the e-mail pay stub. During the last two weeks prior to the opening of school, notice by direct contact shall be made with staff having indicated an interest in the vacancy area. The posting period will be ten (10) working days. Postings will state the minimum qualifications and indicate that the vacancy is "anticipated" if Board action is pending.

E. POSTING - EXTENDED EDUCATIONAL PROGRAMS

All vacancies for extended program staffing (programs outside of regular student hours and school days) will be posted in the same manner as outlined in Article VII, D. Posted positions will be filled with the following priority: 1) MBUs serving in the last session of the respective extended program; 2) MBUs by seniority; 3) Principal recommendation when 1 and 2 are equal.

F. NOTIFICATION OF ASSIGNMENT

By the final workday of a school year, the building principal or other administrator will give written notification of each MBU's tentative building assignment and

grade level or subject area assignment for the next school year. At the middle school and high school this shall include a tentative list of courses to be taught.

G. CLASS SIZE

1. **Maximum Class Size** – The administration will continue to make reasonable efforts to ensure that the maximum class size will not exceed twenty-two (22) students in kindergarten and twenty-eight (28) students in grades 1 through 5, and one hundred sixty-two (162) students daily in grades 6 through 12. Exceptions to the above maximums are study halls, music, physical education, and elementary art.
2. **Compensation for Exceeding Limits** – A teacher will be paid one hundred fifty dollars (\$150.00) per student per semester when the class size in academic class exceeds the maximums set forth above. The payment will be made when the teacher's class enrollment during a semester exceeds the above limits for thirty (30) consecutive days. With respect to elementary art, music and physical education classes that have more than thirty (30) students, extra pay shall be calculated and paid as follows: the teacher shall receive \$0.28 per student for each week during a semester when there are more than 30 students in his/her class. For example, if a teacher had 15 students over the 30 limit (across all of his/her classes), he/she would receive an extra pay stipend at the end of the semester of \$75.60 (i.e., \$0.28 x 18 weeks x 15 students).
3. **Students with Modifications** - In the event that an intervention specialist is unable to complete modifications to curriculum, instruction, and/or assessment, then students that typically receive these modifications based on district documentation will count as 1.5 students in the regular education setting.

H. EMPLOYING RETIRED MBUs

A MBU retired under STRS (“reemployed teacher”) may be employed / reemployed under the following conditions:

1. The Board of Education may employ retired MBUs when it is in the operational interests of the District. When a MBU retires from the District, there is no expectation of reemployment. Any decision to re-hire a MBU is solely the decision of the Board as recommended by the Superintendent. A reemployed teacher who previously worked for the Board does not need to be interviewed by the Board for any vacant position for which he/she may apply. A reemployed teacher is not guaranteed a particular assignment upon reemployment. Reemployed teachers will be assigned to positions that are within their certification/licensure area(s) and are eligible for transfers pursuant to this CBA.
2. The Board will place the re-employed retired MBU at Step 1. Reemployed teachers will be given full credit for their academic training level. A

reemployed teacher will move up the salary schedule one step for each year he/she is employed post-retirement. The Board may require the reemployed teacher to execute a waiver of his/her prior teaching experience and acknowledge his/her agreement to accept placement at Step 1 on the salary schedule. This provision and such salary and individual employment contract with the reemployed teacher expressly supersedes Ohio Revised Code Sections 3317.13 and 3317.14, and all other applicable laws.

3. Reemployed teachers are not eligible for continuing contracts; rather, they will be awarded one-year contracts that will automatically expire at the end of each school year without requirement for further Board action (i.e., the Board does not have to non-renew them) and without notice of nonrenewal and without compliance with the evaluation procedures set forth in state law and/or this CBA. For purposes of reemployed teachers, the parties expressly agree that this provision supersedes and replaces Ohio Revised Code Sections 3319.11, 3319.111 and 3319.112, and may differ from the rights of other MBUs contained in this CBA. A performance observation and evaluation will be conducted for reemployed teachers at least once every three (3) years.
4. Reemployed teachers shall be eligible for medical, dental, prescription and life insurance coverage the same as other MBUs.
5. Reemployed teachers may not accrue additional STRS credit as a result of their service following reemployment. Instead, the Board and the reemployed teacher shall make contributions to STRS that will fund a single life annuity with a reserve based on the reemployed teacher's accumulated contributions during his/her period of service as a regular teacher following reemployment. For additional information concerning the annuity, see O.R.C. 3307.35.
6. Seniority for reemployed teachers will return to zero (0) years and remain at zero (0) years for the reemployed teacher's entire "post-retirement" tenure. In the event of a reduction in force, the reemployed teacher will not have any of the bumping rights set forth in this CBA.
7. Reemployed teachers are not eligible for severance pay for accumulated sick leave and may not participate in any future retirement incentive programs.
8. Reemployed teachers will be eligible to accumulate sick leave. Sick leave shall commence at zero (0) days for reemployed teachers. Reemployed teachers will earn 1 ¼ days of sick leave per month for the duration of their reemployment. Reemployed teachers may request an advance of up to five (5) days of sick leave, if necessary. The reemployed teacher must reimburse the Board for any advanced sick leave that is not earned at the time the reemployed teacher separates from his/her employment with the

Board. The parties expressly agree that this provision supersedes and replaces O.R.C. 3319.141.

9. Subject to these provisions, reemployed teachers are part of the bargaining unit. The provisions of this CBA that are not applicable to reemployed teachers include: salary schedule placement; severance pay; reduction in force; sick leave assistance/bank; and sabbatical leave. Said provisions, unless implemented in violation of this Section, shall not be grievable or arbitrable under the Grievance Procedures set forth in this CBA, nor may they be challenged through any claim or action filed before the STRS or any other state or federal agency, or in any court of law.

The parties expressly agree and fully intend this Article to supersede and take precedent over any inconsistent and/or contrary provisions of the Ohio Revised Code, the Ohio Administrative Code, and federal laws and regulations.

IX. MBU EVALUATION PROCEDURE

SECTION 1 – OTES MBUs

Ohio Teacher Evaluation System (OTES) will go to the Association Management Committee subgroup.

SECTION 2 – NON-OTES MBUs

A. DEFINITIONS

1. Evaluation – An evaluation is the formal written composite appraisal made by an administrator of the work performance of a MBU.
2. Observation – An observation is a formal visitation in a MBU's classroom or job site by an administrator. The administrator may use a video recorder to record the class session. The resulting recording shall be given to the observed MBU immediately at the end of the observed class period. By mutual agreement, the video recording will be used in the MBU/principal conference. Upon viewing, the MBU will return the video recording to the administrator.
3. Conference – A conference is a formal or informal meeting between a MBU and principal to discuss an observation and/or an evaluation.

B. LIMITED / CONTINUING CONTRACT EVALUATION SCHEDULE

All limited contract MBUs shall have at least one (1) observation and one (1) written evaluation and evaluation conference prior to May 1 of each school year. All continuing contract MBUs shall have no less than one (1) and no more than three (3) observations/evaluations within any three (3) year period. If the Administration determines that, based on evaluations, a continuing contract MBU

needs assistance, the Administrator may put the MBU on an Intensive Assistance Plan (I.A.P.). The I.A.P. will contain specific areas that need improvement, methods by which the MBU may improve, and the way in which it will be measured. The MBU will receive the I.A.P. before the end of the school year and will have the right to suggest changes or additions or deletions to the I.A.P. The MBU, for the following school year, will be observed/evaluated according to the schedule for a MBU new to the system (See Paragraph C, below).

C. NEW MBUs

MBUs new to the system shall have at least two (2) observations and two (2) written evaluations and two (2) evaluation conferences. One (1) observation, written evaluation and conference is to be held prior to December 1. The second observation, written evaluation and conference is to be held prior to May 1 of each school year.

D. CONTINUING CONTRACT

MBUs eligible for a continuing contract shall have at least two (2) observations and two (2) written evaluations and evaluation conferences. The first shall be completed prior to December 1, and the other shall be completed prior to May 1. MBUs shall notify in writing their principals by November 15 of the school year in which they are eligible for and seeking to be considered for a continuing contract. This early notification allows the administrators to do the above-mentioned two (2) observations at the appropriate times.

E. NON-RENEWAL OF CONTRACT

If the administrator is concerned that weaknesses and/or shortcomings are of such a serious nature that they could lead to non-renewal of contract, the administrator shall advise the MBU by way of the first evaluation instrument of such concerns. An additional evaluation shall be given no sooner than ten (10) school days or later than twenty (20) school days from the date of the first evaluation to determine if the weaknesses and/or shortcomings have been corrected. The period of time may be extended in case of emergency. In cases where a principal makes a recommendation for non-renewal of contract, an evaluator shall have completed at least three (3) formal evaluations and/or follow-up evaluations.

F. EVALUATION REPORTS

Evaluation reports and observation reports shall be written on the Board-approved form. The forms and the MBU's job description will be mutually developed by the Association and Superintendent or designee. MBUs will be provided with observation forms, evaluation forms, and job descriptions upon employment and whenever revised.

G. INFORMAL CONFERENCE

All observations will be followed by an informal conference within five (5) school days of the observation in which the administrator and MBU discuss the observation. Specific recommendations regarding any improvements needed in the performance of the MBU being evaluated will be written into the evaluation for any items marked "needs improvement."

H. FORMAL EVALUATIONS

All formal evaluations will be accompanied by a formal evaluation conference, in which the administrator discusses the evaluation with the MBU, and a written evaluation report will be given to the MBU.

I. REBUTTAL / WRITTEN COMMENTS

Space shall be provided on the evaluation form for MBU's rebuttal and/or written comments. A copy signed by both the MBU and principal shall be given to the MBU. A MBU's signature does not necessarily signify agreement with the evaluation. A principal's signature does not signify agreement with the rebuttal.

J. MBU PERFORMANCE

Improving MBU performance is the major goal of the MBU evaluation process.

K. COMPLIANCE

The Board shall evaluate in compliance with this evaluation procedure in any school year in which the Board may wish to declare its intention not to reemploy a MBU. This evaluation procedure expressly supersedes and replaces the statutory evaluation process set forth in Ohio Revised Code Sections 3319.11 and 3319.111.

SECTION 3 – OTES AND NON-OTES MBUs

If a MBU is absent on extended leave, which prevents the administration from completing the evaluation process described herein, the evaluation(s) for the MBU will be considered waived and the Board will issue the MBU a one-year limited contract, or a one-year extended limited contract if the employee was otherwise eligible for a continuing contract. If the employee remains absent during the following school year, the Board may non-renew the employee without having to conduct the evaluations otherwise required by State law and this CBA.

X. TEACHING CONDITIONS

MBUs employed under regular teaching contracts to perform regular duties shall be governed by the following working conditions:

A. PLANNING PERIOD

MBUs may use their planning period(s) for preparation, conferences, professional studies, and activities. No students shall be assigned on a regular basis to a MBU during his/her preparation time.

Elementary MBUs shall be scheduled for a minimum of forty (40) continuous minutes of planning time during each student day. Each elementary MBU shall have a minimum of two hundred (200) minutes planning time per week, inclusive and exclusive of the student day.

Middle school MBUs shall be scheduled for a minimum of forty (40) continuous minutes of planning time during each student day. High school MBUs shall be scheduled for a minimum of forty-one (41) continuous minutes of planning time during each student day.

B. EXTRA MEETINGS/DUTIES

1. MBUs who are required to attend IEP, IAT and/or 504 meetings that occur outside the MBU workday will be compensated at the Extended Educational Program Service ("EEPS") rate, rounded to the next quarter hour.

2. MBUs who perform student supervisory duties as assigned by an administrator (e.g., detention duty, bus duty, etc.) before or after the MBU workday will be compensated at the EEPS rate, rounded to the next quarter hour.

3. Staff Meetings and OIP (ie. DLT, BLT, TBT meetings, etc.) will only be scheduled during early release days, excluding records days. Staff Meetings may also serve as professional development time to be determined by the building administrator.

C. DISCIPLINE OF PUPILS

MBUs are responsible for assisting the administration in maintaining discipline of pupils.

D. LUNCH

Each MBU shall be guaranteed a thirty (30) minute non-interrupted duty-free lunch period each school day.

E. DRUG FREE WORKPLACE

Drug free workplace procedures as established by federal law will be followed in accordance with terms and conditions of this CBA.

XI. REDUCTION IN FORCE

In the event that a reduction in the number of MBUs becomes necessary for the following school year due to: inadequate funds necessary to maintain the current level of staffing as indicated on the June 30th Five-Year Forecast line 1.070, "Total Revenues," projected for the year of the proposed reduction are less than the previous year; a loss of Title I revenue; and/or other reasons provided by statute (O.R.C. Section 3319.17), a reduction in force ("RIF") will occur in accordance with the provisions of O.R.C. Section 3319.17 and the non-conflicting provisions of this CBA.

A. CONTRACT SUSPENSION

In making the reduction, the Board shall suspend contracts based upon the Superintendent's recommendation. Those contracts to be suspended will be chosen by the following procedures:

1. All MBUs will be placed on a seniority list for each teaching field for which they are properly certificated/licensed. MBUs serving under continuing contracts will be placed at the top of the list, in descending order of seniority. MBUs serving under limited contracts will be placed on the list below continuing contract MBUs, also in descending order of seniority.
2. Seniority shall accrue at the same rate regardless of whether the MBU is working in a part-time or full-time position. Seniority shall be determined by the length of continuous service as determined by the date of the Board meeting at which the MBU was hired, and then by:
 - a. Total years of teaching experience at Cardinal; and then by
 - b. Total years of teaching service credit.
 - c. The date the teacher signed the letter of intent, then time stamp.

A substitute who becomes a MBU during the school year because he/she served in a single teaching assignment for a period of more than 60 days in a single school year and ends the school year as a MBU, and then is hired by the Board for the following school year in a limited contract teaching position, shall have his/her seniority date commence when he/she originally became a MBU.

3. Recommendations for reductions in a teaching field will be made by selecting the lowest person on the seniority list in the MBU's area(s) of certification/licensure for all MBUs deemed comparable on their performance evaluations. Prior to the action by the Board to suspend contracts, the following steps will be taken:
 - a. At least forty-five (45) calendar days before the Board votes on the action, the Superintendent will meet with and notify the Association President of the Board's intent to effect a reduction in force through suspension of contracts and explain the need for a RIF.

- b. The Superintendent will provide to the Association a list of positions to be eliminated and a list of MBUs that will be affected by the RIF.
 - c. The number of persons affected by a reduction in force will be kept to a minimum or avoided by not employing replacements insofar as practicable for employees who retire or resign, or whose limited contracts are not renewed. However, attrition may not be sufficient to avoid a RIF in its entirety.
 - d. At least forty (40) calendar days before the Board votes on the action, the Board shall notify all MBUs in writing of its intent to effect a reduction in force through suspension of contracts.
 - e. A MBU whose contract is being suspended through a RIF will be given written notification at least thirty (30) days prior to the Board action in June. The written notification shall state the reason(s) for the reduction and reason(s) for the selection of said teacher. Notification shall be given at the end of the student day. The personnel records and all future references of those employees laid-off pursuant to this Article shall clearly indicate that such was due to a reduction-in-force and not due to unsatisfactory performance.
4. When conducting a Reduction in Force, the Board may proceed to suspend contracts in accordance with the recommendations of the Superintendent. In making his/her recommendations, the Superintendent must first reduce MBUs on limited contracts and then MBUs on continuing contracts.
- a. Limited contract MBUs shall be reduced first utilizing the following order:
 - i. Certification/Licensure within the affected teaching field.
 - ii. Comparable evaluations as defined below.
 - iii. When evaluations are comparable, or if the RIF involves a non-OTES MBU, seniority in the District shall prevail, with the contract of the least senior limited contract MBU in the affected teaching field being the first to be suspended.
 - b. Should the necessary reduction of MBU positions exceed the number of limited contract MBUs in the affected teaching field, continuing contract MBUs shall be reduced utilizing the following order:
 - i. Certification/Licensure within the affected teaching field.
 - ii. Comparable evaluations as defined below.
 - iii. When evaluations are comparable, or if the RIF involves a non-OTES MBU, seniority in the District shall prevail, with

the contract of the least senior continuing contract MBU in the affected teaching field being the first to be suspended.

B. COMPARABLE EVALUATIONS

Suspension of MBUs, and recall of eligible MBUs whose contracts have been suspended pursuant to a RIF, will not be based upon seniority, except in circumstances when choosing between OTES MBUs with “comparable evaluations” or non-OTES MBUs. The application of the term “comparable” as applied to teacher evaluations shall be based on the following:

1. Comparable evaluation shall be defined as follows:

- a. All Ineffective OTES-rated MBUs will be considered “comparable” to each other.
- b. All Developing OTES-rated MBUs will be considered “comparable” to each other.
- c. All Skilled and Accomplished OTES-rated MBUs will be considered “comparable” to each other.

2. In order to reduce the least senior MBUs within licensure/certification areas, involuntary transfer and/or bumping procedures must be used. Bumping shall be defined as a MBU with more District seniority taking the position of a MBU with less District seniority. A MBU may bump when s/he otherwise loses his/her position due to a reduction in force. A MBU may only bump into areas in which s/he is licensed/certified.

C. CONSOLIDATION OR MERGER

Current MBUs, at the time of a consolidation or merger, for the purpose of a reduction in force, shall have greater seniority than the employees acquired by said consolidation or merger.

The Association agrees to indemnify the Board for any cost or liability incurred as a result of the implementation and enforcement of this provision provided that:

1. The Board shall give ten (10) days written notice of any claim made or action filed against the Board by a non-member for which indemnification may be claimed;
2. The Association reserves the right to designate counsel to represent and defend the Board;
3. The Board agrees to (a) give full and complete cooperation and assistance to the Association and its counsel at all levels of the proceeding, (b) permit the Association or its affiliates to intervene as a party if it so desires, and/or (c) not oppose the Association or its affiliates' application to file briefs amicus curiae in the action;

4. The action brought against the Board must be a direct consequence of the Board's good faith compliance with the reduction in force provision of this CBA; however, there shall be no indemnification of the Board if the Board intentionally or willfully fails to apply (except due to court order) or misapplies said provision herein.

D. RECALL

MBUs whose limited contracts are suspended shall have their names placed on a recall list for up to thirty-six (36) months from the time of the reduction. MBUs whose continuing contracts are suspended shall have their names placed on a recall list until they are recalled to a position. MBUs on the recall list will have the following rights and protections:

1. No new MBUs will be employed by the Board while there are MBUs on the recall list who are certificated/licensed for the position in question.
2. A MBU on the recall list shall be offered a place on the substitute teacher list.
3. A MBU whose name appears on the recall list shall be offered reemployment to a position for which he/she is certificated/licensed whenever a vacancy for a school semester or more occurs through retirement, resignation, death, termination of contract, creation of position, or Board-approved unpaid leave of absence.
4. If a MBU on the recall list accepts employment for a full school year with another school district, the MBU shall notify the Superintendent immediately and will be removed from the recall list.
5. A MBU removed from the recall list, except by recall to employment, must make application for employment in accordance with established procedure if he/she desires to be considered for future employment by the Board.
6. A MBU on the recall list shall, upon accepting an offer of reemployment, return to the system with the same seniority, accumulation of sick leave and salary schedule placement as the MBU would have received in the year following the suspension of contract.
7. The recall list shall be made available to each building principal and the Association President simultaneously and posted in each school building.
8. Seniority shall not be a factor in recalling any MBUs unless the decision is between MBUs with comparable evaluations or non-OTES MBUs. Accordingly, each MBU will have an opportunity on an annual basis to enroll in the Plan. The election to participate must be submitted by the first week of June before the beginning of the plan year (July 1 through June 30). Each MBU hired after the beginning of the plan year may enroll in the Section 125 Plan within his/her first sixty (60) days of employment and during his/her first year of employment only, the Section 125 Plan year will begin the first of the month following the employee’s first sixty (60) days of employment and will end June 30 of that year. The Section 125 Plan may not be revoked during the current plan year unless there is a change in the MBU’s circumstances that, in accordance with IRC Section 125, permits the MBU to change his/her election under the plan (e.g., divorce, death of spouse, change in employment status including employment status affecting a spouse or dependent, birth or adoption of a child, a child losing eligibility for coverage, a court order requiring coverage, or other enrollment rights consistent with federal law). Two married teachers in the system are not eligible for this opt out.

b. In order to elect this option and receive this additional compensation, the MBU must, during the month of August in a given year, complete, sign and file with the Board Treasurer a form indicating his/her election. Failure to submit the required form by the designated date shall result in a disqualification from payment in lieu of insurance as set forth herein. Once this election is made, it shall remain in effect and the MBU shall not be entitled to receive the coverage that he/she elected not to receive for the duration of the one-year period. In the event of a change in the MBU's circumstances (i.e., family status) after this election has been made, the MBU must report the change to the Board within sixty (60) calendar days after the change occurred. To the extent permitted by law, if the change is reported within the requisite period of time, the change will be effective as of the date of this change; provided, however, that the change in salary reductions will not be effective earlier than the first pay period after the MBU notifies the Board of the change in family status. If the MBU does not notify the Board of the change in family status within such sixty (60) calendar days period, the MBU will not be able to change his/her election until the next open enrollment period. There shall be no pre-existing condition exclusion for any MBU who re-enters the insurance program in paragraph A(1) above after originally electing not to participate in said program.

- c. At the discretion of the Board, MBUs hired after the August election date may participate in this payment in lieu of insurance program on a prorated basis.
- d. If a MBU selects payment in lieu of insurance provided in paragraph (a) as set forth above, but leaves active pay status at any point prior to the end of the contract year, the MBU will be paid a pro-rated amount based upon the proportional amount of time he/she was in active pay status for the contract year.

E. PAYROLL SCHEDULE (ATTACHED)

MBUs will be paid on a biweekly basis with the first pay of each school year being the second Friday of September. No voluntary deductions will be taken out the third pay in the months in which there are three (3) pay periods.

The Board shall implement the "pickup" of the teacher-required contribution to the State Teachers' Retirement System (STRS) and with the Board having agreed to do so, the Board Treasurer is hereby authorized, effective with the first payroll payment following the effective date of this CBA, to contribute to STRS, in addition to the Board's required employer contribution, an amount equal to each MBU's contribution to STRS in lieu of payment by such MBU, and that such amount contributed by the Board on behalf of the MBU shall be treated as deferred salary paid by the Board to STRS from the contract salary otherwise payable to such MBU in cash.
2. The Board Treasurer will prepare and distribute an addendum to each MBU's contract that states: (1) that the MBU's contract salary is being restated as consisting of (a) a cash salary component, and (b) a "pick-up" component, which is equal to the amount of the employee contribution being "picked-up" by the Board on behalf of the MBU; (2) that the Board will contribute to STRS an amount equal to the MBU's required contribution to STRS for the account of each MBU; and (3) that sick leave, severance, vacation, appropriate supplemental, and extended service pay

shall be calculated upon both the cash salary component and "pick-up" component of the MBU's restated salary.

3. The Board's total combined expenditures for MBUs' total contract salaries payable pursuant hereto (including "pick-up" amounts) and its Board contributions to STRS shall not be greater than the amount it would have paid for those items had this Section not been in effect. The Board shall compute and remit its employer contribution to STRS based upon total contract salary, including the "pick-up." The Board shall report for Federal and Ohio income tax purposes as a MBU's gross income said MBU's total contract salary less the amount of the "pick-up." The Board shall report for municipal income tax purposes as a MBU's gross income said MBU's total contract salary, including the amount of the "pick-up." The Board shall compute income tax withholding based upon gross income as reported to the respective taxing authorities.
4. This procedure is a salary reduction/salary restatement and not a purchase of employee retirement contribution by the Board.

XV. FAIR SHARE FEE (WITH INDEMNIFICATION)

A. The Board agrees to a fair share fee as a condition of employment. An amount equal to the total dues of the Association shall be deducted upon receipt, by the Board Treasurer, of a signed payroll deduction form from the pay of all MBUs who elect not to become members of the Association or who elect not to remain members.

B. The Board Treasurer shall, upon notification from the Association that a member has terminated membership and upon receipt of a signed payroll deduction form, commence the check-off of the fair share fee with respect to the former member, and the amount of the fee yet to be deducted shall be the fair share fee less the amount previously paid through payroll deduction.

D. Dues rates and fair share fee rates shall be transmitted by the Association to the Board Treasurer for the purpose of determining amounts to be payroll deducted, and the Board agrees to promptly transmit all amounts deducted to the Association.

E. The Board further agrees to accompany each initial transmittal with a list of the names of MBUs for whom all such deductions were made.

F. Upon timely demand, non-members may appeal the amount of the fair share fee pursuant to the internal procedure adopted by the Association, or such nonmembers may submit such appeals to the State Employment Relations Board (SERB).

G. The amount to be deducted from the pay of all non-Association members shall be the total dues as paid by members of the Association, and such deductions shall continue through the remaining number of payroll periods over which Association membership dues are deducted.

H. The Association agrees to indemnify the Board for any cost or liability incurred as a result of the implementation and enforcement of this provision provided that:

1. The Board gives ten (10) days written notice of any claim made or action filed against the Board by a non-member for which indemnification may be claimed;
2. The Association shall reserve the right to designate counsel to represent and defend the Board;
3. The Board agrees to (a) give full and complete cooperation and assistance to the Association and its counsel at all levels of the proceeding, (b) permit the Association or its affiliates to intervene as a party if it so desires, and/or (c) not oppose the Association or its affiliates' application to file briefs amicus curiae in the action;
4. The action brought against the Board must be a direct consequence of the Board's good faith compliance with the fair share bargaining fee provision of the CBA; however, there shall be no indemnification of the Board if the Board intentionally or willfully fails to apply (except due to court order) or misapplies such fair share fee provision herein.

The above fair share fee provision shall be an exclusive right of the Association, which shall not be granted to any other employee organization seeking to represent employees in the bargaining unit represented by the Association.

XVII. SUPPLEMENTAL CONTRACTS

A. INTRODUCTION:

Supplemental contracts assign specific duties, compensation, and duration. Upon completion of said duties, the contract will be paid in full. In the case of those duties that extend throughout the school year, two payments shall be made – one the first pay in December and one at the completion of duties. Supplemental contracts are not contracts of employment, and, therefore, the automatic renewal provisions of O.R.C. 3319.11 do not apply (i.e., all supplemental contracts shall be automatically non-renewed at the conclusion of each school year without need for further notice from or action by the Board). Persons interested in holding a supplemental contract(s) must submit a letter of interest annually in May to the Superintendent for the following year.

Teacher Performance Evaluation Rubric

The *Teacher Performance Evaluation Rubric* is intended to be scored holistically. This means that evaluators will assess which level provides the best *overall* description of the teacher. The scoring process is expected to occur upon completion of each thirty (30) minute observation and post-conference. The evaluator is to consider evidence gathered during the pre-observation conference, the observation, the post-observation conference, and classroom walkthroughs (if applicable). When completing the performance rubric, please note that evaluators are not expected to gather evidence on all indicators for each observation cycle. Likewise, teachers should not be required to submit additional pieces of evidence to address all indicators. The professionalism section of the rubric may use evidence collected during the pre-observation and post-observation conferences as well as information from the Professional Growth and/or Improvement Plan (if applicable).

The teacher explains the characteristics, uses, and limitations of various diagnostic, formative, and summative assessments but does not consistently incorporate this knowledge into lesson planning. The teacher uses more than one measure of student performance but does not appropriately vary assessment approaches, or the teacher may have difficulty analyzing data to effectively inform instructional planning and delivery.	The teacher demonstrates an understanding that assessment is a means of evaluating and supporting student learning through effectively incorporating diagnostic, formative, and/or summative assessments into lesson planning. The teacher employs a variety of formal and informal assessment techniques to collect evidence of students' knowledge and skills and analyzes data to effectively inform instructional planning and delivery.	The teacher purposefully plans assessments and differentiates assessment choices to match the full range of student needs, abilities, and learning styles, incorporating a range of appropriate diagnostic, formative, and summative assessments into lesson plans. Student learning needs are accurately identified through an analysis of student data; the teacher uses assessment data to identify student strengths and areas for student growth.

Classroom Walkthroughs / Informal Observation

An informal observation/ classroom walkthrough is a:

- Tool to inform evaluation that provides the opportunity to gather evidence of instruction over a series of short classroom visits;
- Process for giving targeted evidenced-based feedback to teachers; and
- Means for principals to visit classrooms more frequently and more purposefully.

An informal observation/ classroom walkthrough is not a(n):

- Formal observation;
- “Gotcha” opportunity for supervisors or evaluators;
- Isolated event; or
- Shortcut to the observation protocol required as part of the teacher evaluation process.

Classroom walkthroughs/ Informal observations, as part of the teacher evaluation system, may be general in nature or focused on observing a specific aspect of teacher performance. Summary data collected through a series of walkthroughs along with evidence documented through formal observations will come together to inform the teachers’ summative performance rating: *ineffective, developing, proficient or accomplished*.

Guidelines for Informal Classroom Observations

Informally Observe All Teachers

All teachers benefit from informal classroom observations. Informal observations should last from 15 to 20 minutes; therefore, conduct only as many observations in a day as you can follow up with on either the same or next day. Teachers need and deserve some type of immediate feedback.

Informally Observe As Often As You Can

The principal’s presence in the classroom sends a positive message to teachers: *the principal cares*. Including informal classroom observation as a school-wide initiative requires consistency and frequency. Find times in the day to observe teachers at varying times of the day: *for most teachers, what occurs in the morning is much different than what occurs in the afternoon*.

Focusing on One or Two Areas

Although there may be no predetermined focus established (because of no pre-conference), find a focus based on the instruction, events or discussions that are occurring in the classroom. A focus may also occur based upon past conferences and the need for follow up observations.

Make Time to Follow Up

Follow-up communication to informal classroom observations is a critical component. Follow-up will often be in writing but the evaluator should extend to the teacher an invitation to discuss any comments provided face-to-face. The evaluator may also offer resources to help teachers refine their practice.

Teacher Driven Observations

While it is recognized that evaluators have many demands on their time, encouraging teachers to identify instructional periods for the evaluator to observe can be a means for the evaluator to collect evidence related to a specific focus the teacher and evaluator may be working on.

Types of Data

Data collected as evidence of teacher practice may be quantitative, qualitative, or a combination of both. Quantitative data includes frequencies, distributions and other counts or tallies. For example the observer could use a checklist to tally how many questions were asked of children in the front row or children who had their hands raised versus not. The evaluator might also chart the types of questions asked (higher versus lower levels). Qualitative data can include scripted notes detailing patterns of activities, vocabulary used, and events observed. In both cases accuracy is essential to ensure the credibility of the process and the evaluator.

Professional Growth Plan

Professional Growth Plan

As a result of the evaluation process, teachers and evaluators should focus on accelerating and continuing teacher growth through professional development. Professional development should be individualized to the needs of the teacher, and specifically relate to his/her areas of refinement as identified in the teachers' evaluation. The evaluator should recommend professional development opportunities, and support the teacher by providing resources (e.g., time, financial).
