ARTICLE I – RECOGNITION

- A. The Board shall recognize the Sheffield-Sheffield Lake Teachers Association, an OEA/NEA affiliate, as the exclusive representative for the purposes of collective bargaining as defined in Chapter 4117 of the Ohio Revised Code. The bargaining unit shall include all full or part-time certified teaching staff, including all classroom teachers K-12, Special, Vocational, guidance counselors, librarians, full-time substitutes, long-term substitutes, psychologists, tutors, social workers, head teachers, athletic directors (if teacher), curriculum leaders, and other similar certified positions. Excluded from the bargaining unit are the Superintendent, Principals, Assistant Principals, Athletic Director (only if full-time supervisory and hired under administrative contract with §3319.02 O.R.C. certification), Special Education Supervisor and other administrative positions with certification covered under Sections §3319.01 or §3319.02 O.R.C. The Board agrees to inform the Association of available positions in Summer School and, if possible, Driver’s Education.
- B. Except as expressly delineated otherwise herein, the term “days” shall be counted as days on which the Administrative Center is open (as defined in the official school calendar) excluding Saturdays, Sundays, holidays, Christmas and spring break.

ARTICLE II – COLLECTIVE BARGAINING

- A. The Sheffield-Sheffield Lake City School District Board of Education, hereinafter referred to as the “Board”, recognizes the Sheffield-Sheffield Lake Teachers’ Association (OEA/NEA), hereafter referred to as the “Association”, as the sole and exclusive bargaining agent for all certified professional personnel in the School District eligible for membership in the Association.
- B. Either the Association or the Board may initiate negotiations by letter of submission forwarded to the other party one-hundred twenty (120) days prior to expiration of the Agreement. Within ten (10) working days of transmittal of said submission letter, the parties shall schedule their first negotiation session. At any negotiation session, either party may be represented by no more than six (6) representatives and two (2) observers.
- C. If, by sixty (60) calendar days after the first negotiation session, agreement has not been reached on all items of negotiation or if impasse has been declared, either party may call for the services of the Federal Mediation and Conciliation Service to assist in negotiations. If a party calls for mediation involvement, the other party shall join in a joint request.
- D. The Association President and the negotiating team shall be granted release time to attend all mediation sessions if the mediator decides that they must be scheduled during the school day. The cost of this release time shall be borne by the Board.
- E. The Board and the Association agree that the aforementioned Federal Mediation procedure shall supersede all other dispute settlement procedures contained in O.R.C.

Section §4117.14. For the duration of the Agreement, the Association shall not engage in a strike against the Board. The Board recognizes the right of the bargaining unit to strike after said Agreement expires and under O.R.C. Section §4117.14 provided that all proper notice has been given under this Section.

The Board and the Association may mutually agree to alternative forms of negotiations. Specific rules and procedures for alternative forms of negotiations must be developed and mutually agreed upon.

ARTICLE III – TEACHERS’ RIGHTS

A. Orientation for New Teachers

The Board may require new teachers to report for a new teacher orientation day, in addition to the regular one hundred eighty-four (184) day teacher calendar. If a new teacher is required to report, the teacher shall be paid their pro-rated per diem rate.

B. Personnel Files

1. Each teacher shall have the right to examine and to obtain certified copies of all material contained in his/her personnel files with the exception of confidential references used in conjunction with and prior to his/her employment. The official personnel file is considered to be the file maintained in the central office. The building principal, assistant principal and the Special Education Supervisor may maintain a separate file. These individuals shall not maintain material in their file that is not in the personnel file in the central office. The Administration shall be responsible for certifying that all material included in said files has been copied. The cost of the copies will be charged to the respective personnel. Only one (1) official personnel file shall be maintained for each teacher.
2. All teachers shall receive, at Board expense, a dated copy of all new material placed in their file (positive or negative). These copies shall provide space for the teacher’s signed acknowledgement of receipt. The teacher shall have the right to rebut or provide written comments in response to any information in the file. A teacher shall be notified of any request to review the teacher’s personnel file.
3. If an administrator files a deficiency report against the teacher, said administrator shall be responsible for indicating the necessary corrective action. The teacher may subsequently request that the administrator review his/her performance, and if the administrator believes that appropriate corrective action has been accomplished, the deficiency report shall be removed. Anonymous letters or material shall not be placed in a teacher’s file, nor shall they be made a matter of record. Upon request of a teacher, the Superintendent may remove disciplinary documents from the teacher’s personnel file after six (6) years, provided the teacher has not committed a new infraction within that time period.

4. The teacher shall be permitted to review the contents of the teacher's file at all reasonable times and may be accompanied by an Association representative.

C. Reimbursement for Itinerants

Itinerant teachers shall be compensated for travel between buildings at the IRS rate.

D. After Hour School Functions

With the exception of faculty meetings, the annual Open House, and parent/teacher conferences (as adopted by the school calendar), teacher participation in after hour functions shall be voluntary.

E. Use of Telephones

Teachers shall have the right to use phones prior to the start of school, at lunchtime and after school when phones are not being used for school business. Phones, with a list of emergency numbers available, shall be provided in a private place when teachers are in the building. The Board shall make provisions for staff members to receive emergency calls.

F. Complaints from Public

If accusations are made against any member of the certified staff by a member of the public, it is the responsibility of the Administration to investigate such charges. It is also the Administration's responsibility to protect the certified employee through the following procedural steps:

1. Prior to imposing discipline and/or concluding an investigation involving other than administrative personnel, the certified employee shall be informed and given the opportunity to present his/her side.
2. Upon the initiation of the investigation, the accuser, the certified employee or the administrator may request a meeting of all parties involved. If any of the parties agree to meet, a meeting will be arranged at a time convenient to the attendance of those persons who agree to meet. A resume of the conference will be completed and forwarded to the Superintendent of Schools and the certified employee.
3. Upon completion of the investigation, if the administrator reduces his findings to writing, he shall submit them to the certified employee and allow an opportunity for a written rebuttal to be attached to all copies of this investigation report. If no written findings are issued, the matter shall be considered closed and no further reference to the matter shall ever be made.
4. If the certified employee is not satisfied with the written findings of the investigation, he/she shall have the right to appeal to, and have a conference with, the Superintendent.

5. If the certified employee is not satisfied with the results of the Superintendent's appeal, he/she will have the right to an appeal to, and a conference with, the Board of Education.
6. At each level of these meetings, the certified employee may be accompanied by legal counsel and/or representation of his/her choosing. These conferences shall be private.
7. Nothing in this procedure shall be construed to waive any rights conferred under O.R.C. Chapter 1347.

G. Policies of the Board of Education

The official policies of the Board shall be maintained on the School District's website. A copy of newly adopted or amended policies shall promptly be furnished to the Association.

H. Safe Working Conditions

1. Employees shall not be required to work under unsafe or hazardous conditions or to perform tasks, which endanger their health or safety. Any employee shall report such a condition to the Superintendent or his designee, who shall conduct an investigation and determine whether or not such a condition exists.
2. If the employee(s) disagree with the results of the Superintendent's investigation, then the employee(s) have the right to request through the Superintendent or designee who shall immediately call an outside agency of appropriate jurisdiction to determine whether unsafe or hazardous conditions exist. If this agency determines that unsafe or hazardous conditions exist, then the Superintendent shall take the appropriate action to assure the safety of all persons. Any employee affected by these unsafe or hazardous conditions shall be reimbursed and made whole for any loss in pay, benefits or leave days.
3. When buildings are closed because of emergencies, unsafe or hazardous conditions, employees shall suffer no loss in pay. Employees shall not be required to make up the first eight (8) calamity days or hourly equivalent. Any calamity day(s) above eight (8) shall be made up at the discretion of the Superintendent. Teachers will not receive any additional compensation for make-up days. The Board may add school days, and corresponding employee workdays, or hours if necessary to meet Ohio minimum requirements for a school year.
4. Tonic-Clonic Seizure Plan

A school nurse will conduct an in-depth training for bargaining unit volunteers that are willing to assist with a student experiencing a tonic-clonic seizure and to participate as part of a crisis response team. Such training shall include instruction on the administration of medication prescribed to students enrolled in the District. Upon completion of the training, the bargaining unit volunteers shall

be awarded a certificate of completion from a school nurse, signed by the bargaining unit volunteer's principal and the Superintendent.

Multiple staff members will take part in the training, including the District principals, assistant principals, Director of Pupil Personnel, and bargaining unit volunteers. Only staff members who have received such training are authorized to administer to a student a medication prescribed for the student.

The administering of medication to students shall be conducted in accordance with Sheffield-Sheffield Lake City School District Board Policy, specifically including, but not limited to the following:

- JHCD: "Administering Medicine to Students"
- JHCD-R-1: "Administering Medicine to Students"
- JHCD-R-2: "Administering Medicine to Students (Use of Asthma Inhalers)"
- JHCD-R-3: "Administering Medicine to Students (Use of Epinephrine Autoinjectors)"

When a student experiences a tonic-clonic seizure, the Board and/or its designees shall follow these procedures:

- a. The staff member in direct supervision of the student experiencing the seizure shall identify the onset time of the seizure, call 911, and contact the administrative office of the school building for assistance. The office assistant shall immediately contact the school nurse and building crisis response team to assist the staff member. The office assistant shall next contact the parent, guardian or other person having charge of the student and request that he/she report to the student's school building.
- b. The staff member in direct supervision shall remove any obstacles near the student which may cause injury to the student while he/she is experiencing the seizure.
- c. The student's seizure medication shall be procured by the nurse when he/she responds to the seizure. If the nurse is unavailable, the following staff members shall be contacted in the following order, until one of them is successfully reached: 1) assistant principal; 2) principal; and 3) Director of Pupil Services. If none of these staff members can be contacted, a bargaining unit volunteer member of the crisis response team shall be contacted. The staff member first reached shall be considered the primary responder and shall procure and administer medication to the student, if necessary, in accordance with the student's prescription. Should paramedics arrive on the scene before the primary responder has administered medication to the student, the primary responder shall give the medication to the paramedics to administer.

- d. If the parent, guardian, or other person having charge of the student experiencing the seizure is not present at the scene of the seizure and paramedics remove the student from the school building, a member of the crisis response team shall accompany the student to the hospital or his/her home.
 - e. Those staff members, including bargaining unit volunteers, who have been authorized under this policy and who administer the medication and who have a copy of the most recent statement required by O.R.C. Section §3313.713 prior to administering the drug, will not be liable for civil damages which may be incurred as a result of administering the drug, unless such person acts in a manner that constitutes gross negligence or wanton or reckless misconduct. Further, such persons and/or the activities of such persons pursuant to this policy will be added to the District's liability insurance policy.
5. Other facility concerns should be addressed under Article IV, Section(s) F and/or J.

I. Staff Facilities

- 1. Each building will have a designated parking area for all teachers.
- 2. Itinerant teachers will have a designated lockable place for storage and organization of personal and classroom materials.

The SSLTA building representatives shall discuss the agenda with the building principal prior to the faculty meeting.

G. School Board Agenda

For each Board meeting, the Association shall receive an advance copy of the agenda and all attachments pertaining to certified personnel and other District-wide issues except those of a confidential nature as determined by the Superintendent. Such agenda shall be sent to the Association by email at the same time it is sent to the Board. A representative of the Association shall be permitted to address the Board during the Board meeting prior to the Board's opening discussion to other representatives of the public, not to exceed ten (10) minutes. The Board will mail minutes of Board meetings to the Association after approval of the minutes.

H. New Teacher Orientation

The Association shall have the opportunity to participate in the opening in-service day including speakers for the sole purpose of greeting new faculty members and informing them of the opportunities available to them through joining their professional association.

I. Continuing Membership

2. On or before October 1st of each school year, the Association shall provide the Treasurer with an alphabetized list of members and amounts per person with signed authorization forms attached, for new members and non-continuing members. Payroll deductions for dues in the Association shall be made in at least twenty (20) consecutive equal payments. This arrangement may be changed upon mutual and written agreement of the parties.

J. Joint Administrative/Association Meetings

A Labor-Management Committee (LMC) shall be established for the express purpose of discussing concerns of either party. At the start of each school year the SSLTA President, or designee and the Superintendent or designee shall establish a schedule of monthly LMC meetings. Additional meetings may be scheduled at the request of either party.

The LMC shall consist of the SSLTA President or designee and two (2) SSLTA members, appointed by the SSLTA President and two (2) administrators, appointed by the Superintendent, and the Superintendent or designee.

The SSLTA President or designee and the Superintendent or designee shall jointly prepare a tentative agenda for each meeting. These meetings shall not be utilized for purposes of negotiations nor the adjudication of grievances. Prior to placement on the agenda, an issue affecting one specific building must first be discussed with the building principal in an effort to resolve the issue.

The SSLTA President and Superintendent shall be permanent members of the LMC. Either party may have individuals in attendance at the meetings as consultants and/or experts for specific topics under discussion.

Minutes of each LMC meeting shall be prepared, approved by the LMC and shall be made available to all administrators, Board of Education members, and bargaining unit members. If a scheduled meeting is postponed, such meeting shall be scheduled within five (5) school days of the original date, except in case of calamity days.

K. No Reprisals

There will be no reprisals of any kind taken against any teacher by reason of his/her membership in the Association or participation in any of its legal activities.

L. Right of Access for Association President or Designee

Duly authorized representatives of the Association and its affiliates may transact Association business on the Board's property any time before, after, or during the regular work day; provided that such business shall not interfere with the assigned duties of the employee.

M. Printing and Providing Copies of the Agreement

The Administration will provide this Agreement in electronic format to all professional staff members at the time of this Agreement, or at the time of employment, whichever shall occur later.

N. Fair Share Fee

2. The Treasurer of the Board shall, upon notification from the Association that a member has terminated membership, commence the check-off of the fair share fee with respect to the former member, and the amount of the fee yet to be deducted shall be the annual membership dues less the amount previously paid through payroll deduction.
3. Payroll deduction of such fair share fee shall commence with the first payroll on or after January 15th of each school year.
4. Dues rates and fair share fee rates shall be transmitted by the Association to the Treasurer of the Board for the purpose of determining amounts to be payroll deducted, and the Board agrees to promptly transmit all amounts deducted to the Association.
5. The Board further agrees to accompany each such transmittal with a list of names of bargaining unit members for whom all such deductions were made, the period covered, and the amounts deducted for each.
6. Upon timely demand, non-members may appeal to the Association the payment of the fair share fee pursuant to the internal rebate procedure adopted by the Association, or such non-members may submit each appeal as provided by law.
7. The amount to be deducted from the pay of all non-Association members shall be the total dues as paid by members of the Association, and such deductions shall continue through the remaining number of payroll periods over which Association membership dues are deducted.

8. The Association agrees to indemnify the Board for any cost of liability incurred as a result of the implementation and enforcement of this provision provided that:
 - a. The Board shall give a ten (10) day written notice of any claim or action filed against the employer by a non-member for which indemnification may be claimed;
 - b. The Association shall reserve the right to designate counsel to represent and defend the employer;
 - c. The Board agrees to 1) give full and complete cooperation and assistance to the Association and its counsel at all levels of the proceeding, 2) permit the Association or its affiliates to intervene as a party if it so desires, and/or 3) not oppose the Association or its affiliates' application to file an *amicus curiae* brief in the action;
 - d. The action brought against the Board must be a direct consequence of the Board's good faith compliance with the fair share fee provision of the collective bargaining Agreement herein; however, there shall be no indemnification of the Board if the Board intentionally or willfully fails to apply (except due to court order) or misapplies such fair share fee provision herein.
9. The above fair share fee provisions shall be an exclusive right of the Association not granted to any other employee organization seeking to represent employees in the bargaining unit represented by the Association.
10. The Association and its state and national affiliates shall amend their internal rebate procedures to comply with the constitutional requirements of the current law and any subsequent decisions of a court of competent jurisdiction.

O. Release Time for President

1. Upon sixty (60) calendar days notice to the Board, the Association shall be granted, upon request, released time for the Association President for one (1) period of his/her school day to conduct Association business. As a condition of the granting of this released time, the Association shall reimburse the Board on a monthly basis for a prorated portion of the salary and retirement of the Association President. The scheduling of the released time shall be upon mutual agreement of the Association President and his/her building principal.
2. The President of the Association shall accrue all rights and privileges provided by this Agreement. At the commencement of the semester following the expiration of the released time, the President of the Association will be returned to the same position held prior to the commencing of released time.

P. Use of the Buildings Public Address System

Q. Teacher Professional Organization (TPO)

1. Consistent with Rule 3307-6-01 of the Ohio Administrative Code and upon written request from the SSLTA President, the Board will pay a stipend to the Association President, Vice President, Secretary and Treasurer. The SSLTA Treasurer shall provide the amounts for these stipends to the District Treasurer no later than April 15. Set amounts shall be transmitted to the employee no later than June 1.
2. The Association shall certify the stipend amounts to the Board's Treasurer, which can in no event exceed the maximum allowed by Rule 3307-6-01.
3. The Board shall deduct/withhold all applicable federal, state, and city income tax, from said stipends.
4. Payment - The total cost of the State Teacher Retirement System (STRS) contributions shall be deducted from the stipend amounts. The SSLTA shall promptly and fully reimburse the Board for the complete cost of the stipends, including the Board's share of payments to STRS and Medicare.

ARTICLE V – EMPLOYMENT PRACTICES

A. Teaching Assignment and Transfer

While the authority to assign or reassign teachers is, by law, vested in the Superintendent, it is recognized that a given assignment may be voluntary or involuntary in nature. A teacher who is reassigned will, upon request, have the opportunity for a conference with the Superintendent. Should the teacher request to be released from his/her contract, that request will be honored.

1. *Assignment/Salary Notice*

By July 1st, each teacher will receive a written contract and/or salary notice, as well as his/her tentative building and/or grade level assignment.

2. *Voluntary Transfer*

- a. A vacancy shall be defined as a new bargaining unit position created by the Board or one which will be open for sixty (60) days or longer as a result of promotion, resignation (if two (2) weeks written notice has been provided), termination, non-renewal, death and/or retirement.

b. Posting of Vacancies

All vacant or newly created positions, including supplementary assignments, shall be posted for a period of not less than ten (10) working days prior to Board action, during the school year only. Openings shall be posted in a prominent place, frequented by teachers, in each building. During the summer, all members of the bargaining unit will be notified of vacancies by e-mail, or if the teacher does not have e-mail access, then through mailings, by depositing the same in the U.S. Mail at least seven (7) working days prior to Board action. A copy of all vacancy postings will be forwarded to the President of the Association. All posting requirements may be waived or rescinded due to time constraints if mutually agreed upon by the Superintendent and the President of the Association.

c. Application Procedures

All members of the bargaining unit shall have the opportunity to apply, and be considered for vacant or newly created positions. Individuals who wish to be considered for a vacancy must formally apply, in writing, by the application deadline. Formal written application must be made within ten (10) days of receipt of notification (or adjusted timelines).

d. District-Wide Seniority

Although District-wide seniority will be considered in filling a given teaching vacancy, such other factors as certification, educational background, previous experience within the teaching area of the vacancy, competency (as measured by the District's evaluation procedure) and the educational needs of the school system will be considered. If all other factors are essentially equal, then system-wide seniority will be the determining factor in awarding the instructional assignment. Upon request, a member of the bargaining unit shall be given specific written reasons as to the factors affecting the filling of a vacancy for which he/she applied.

3. *Involuntary Transfer*

a. If, due to a reduction in force, it becomes necessary to transfer a teacher from one assignment to another, that transfer will first be made on a voluntary basis. If a properly certified volunteer is not available, then District-wide seniority within the grade level or special area will be used as the basis of the transfer.

b. Involuntary transfers for any reason other than a RIF shall be limited to two (2) teachers per school year.

- c. A teacher, who is involuntarily transferred, regardless of the reason, will continue to have the right to apply for new or vacant positions as they occur. A teacher who is transferred because a position was closed may request to return to that position should it reopen.
- d. Teachers will not be involuntarily transferred from one position to another without first having an opportunity for a conference with the Superintendent, and being notified in writing at the earliest possible time before the effective date of the transfer.
- e. Teachers who are involuntarily transferred may be excused from the first in-service day upon approval of the Superintendent.

4. *Bureau of Criminal Investigation Records*

In order for a teacher applicant to be employed by the Sheffield-Sheffield Lake School District such applicant must first receive a satisfactory criminal records check in accordance with the requirements set forth in the Ohio Revised Code. For the time period allowed by law or until the criminal records check is received, the Board may employ a substitute teacher in a vacancy and it shall be considered tentatively filled by the teaching applicant.

B. Assignment of Supplemental Contracts

1. By April 30th of each calendar year, the administrative office shall send teacher intent forms, which shall provide an area for teachers to indicate their desire to be considered for specific supplemental contracts(s), which shall be issued for duties in addition to regular teaching duties. When the Board updates a listing of supplemental contracts/assignments, a copy shall be given to the Association.
2. Notification of any vacancy for supplemental contracts shall be posted in all school buildings, sent to all Association members' District e-mail accounts, and sent to those teachers who have indicated on their intent forms, their desire to be considered for that supplemental contract. The notification shall include the qualifications and compensation for the position.
3. Such notification shall be posted for at least ten (10) days prior to the Board acting to fill said vacancy (unless adjusted by mutual agreement).
4. Formal application must be made by the teacher within the ten (10) days of the written notification having been sent. All teachers shall receive a listing of all unfilled supplemental positions in their summer paychecks, and in their District e-mail accounts, and new teachers at the time of their employment.
5. After the creation of a new supplemental position, the Supplemental Contract Committee shall meet to discuss job description and salary.

6. An effort shall be made to assign people to supplemental contracts which occur in the same buildings as their regular teaching assignment. However, this shall be the least important consideration for assignment.
7. No certified personnel shall be terminated, non-renewed, reduced in rank or denied other supplemental positions for refusing to accept (a) specific supplemental assignment(s).
8. The Board shall provide to the teacher written notice of its intent to non-renew the teacher's supplemental contract ten (10) days prior to the Board's action to non-renew the contract. Failure of the Board to provide timely notice of its intent to non-renew or to act in a timely manner on the non-renewal of a supplementary contract shall result in the automatic renewal of the contract. Contracts shall be non-renewed by April 30 except spring supplemental contracts, which shall be non-renewed by June 30. Spring supplementals will include: Drama, Baseball, Softball and Track.

A teacher's performance in a supplemental position shall not have an adverse impact on the teacher's performance evaluation in his/her regular position.

9. The Board shall have the authority to create and/or alter positions under this Article. If a new position is created and/or altered, the Board shall negotiate with the SSLTA covering the rate of compensation.
10. The Board has the right to determine which supplementary positions need to be filled.
11. All supplemental contracts held by individuals not employed as bargaining unit members and all supplemental contracts whose duties are not completed by April 30th shall expire on the date listed on the contract, but the supplemental contracts of non-certified persons may be re-offered to them without first offering the contracts to licensed teachers inside or outside of the District.
12. Supplemental Contract Committee
 - a. The Supplemental Contract Committee's purpose is to study and review issues related to supplemental positions and to recommend changes for consideration by the Board and Association.

3. Should a teacher attain certification/licensure and education eligibility requirements for continuing service status for a school year prior to the last year of his/her multi-year limited contract, then he/she may exercise the option of applying for continuing service status. Such a teacher who exercises this option must give written notification to his/her building principal no later than September 15 in the year of requesting the continuing service status. Whether to award a continuing contract prior to the conclusion of a multi-year contract shall be at the Superintendent's and Board's discretion.
4. Such a teacher is presumed to have accepted employment under such continuing contract unless he notifies the Board in writing to the contrary on or before the first day of June, and a continuing contract shall be executed accordingly.
5. Nothing in this Section shall restrict the right of a teacher to submit a resignation on or before July 10th, and have the written resignation accepted by the Board.

D. Limited Contracts

The guideline for the length of year recommended for re-employment of limited contract teachers (not eligible for tenure) is as follows:

1. Teachers with less than three (3) years experience in the Sheffield-Sheffield Lake School System will receive a maximum of one (1) year re-employment.
2. Teachers with satisfactory evaluations and minimum of three (3) years successful performance in the Sheffield-Sheffield Lake School System will receive a two (2) year limited contract. Upon completion of the two (2) year limited contract satisfactory evaluations, the teacher will receive a three (3) year limited contract.
3. Any teacher with less than satisfactory performance may be non-renewed or receive a maximum of one (1) year probationary contract.

4. Nothing in the foregoing section shall be construed to limit the Board from deviating from such guidelines or placing any restrictions upon them to employ any individual for any period of time.

E. Job Sharing

1. *Eligibility*

Members of the bargaining unit will be eligible to job share provided they hold appropriate certification for the position, and a mutually agreed upon and an administratively approved job sharing plan is in place. Teachers who wish to job share must hold the appropriate certification for that grade level or subject area. They should also have at least three (3) years of teaching experience with the Sheffield-Sheffield Lake City Schools. The building administrator(s) must approve the job share plan. Logistics and workability of the job share position needs to be considered in the plan. Those teachers who wish to job share must submit the plan to their administrator(s) by March 1st. Within ten (10) working days, the administrator(s) must communicate to the job share teachers if the plan is satisfactory. If the administrator(s) reject the plan, specific recommendations must be given to improve it. If revisions must be made, the job share teachers will have until April 1st to submit the final plan. An extension until April 15th may be given if both job share teachers and the administrator(s) mutually agree that the plan can be revised. If April 15th falls within spring break, the final plan must be submitted on the first Monday following break. The job share plan is to be submitted to the Superintendent by May 1st.

2. *Salary and Fringe Benefits*

Job sharing teachers will receive a prorated portion of the salary they would be eligible to receive if they were working full time. Such teachers may elect to purchase health and life insurance through the Board's group plans, with the Board paying fifty percent (50%) of each job sharing teacher's health insurance premiums.

3. *Sick Leave/Personal Leave*

A job sharing teacher will be permitted to carry forward any previously accrued but unused sick leave. New sick leave and personal leave would, however, be earned and used on a prorated basis for the hours actually worked.

4. *Duty Free Lunch Period/Planning Time*

Duty Free lunch and planning time will be determined on an individual basis in cooperation with the building administrator(s) and job share teachers. In order to assure adequate instructional time, planning time will be divided as evenly as possible. This will be included in the plan.

5. *Non-Teaching Duties*

Non-teaching duties will be determined in conjunction with the building administrator(s) and job share teachers. The duty schedule will be proportional to the length of the teaching day. This will be included in the plan.

6. *Communications*

A communication plan between the job share teachers, the job share teachers and administrators, and the job share teachers and the parents will be developed. The plan must specify that parent communications will be noted in a conference log. Job share teachers will keep abreast of District and building policies, procedures, and events. Job share teachers will be expected to attend all parent/teacher conferences scheduled on the District's regular parent/teacher conference days. They will be required to meet all District in-service requirements including attending an in-service program for the entire day. Both teachers will attend class field trips.

The teachers shall jointly complete interim reports and report cards. Meetings with parents will be mutually agreed upon and both job share teachers will attend. Job share teachers will meet with parents at a general meeting held before the beginning of the school year to explain the plan.

7. *Seniority/Continuing Contracts*

- a. Job sharing teachers, unless initially employed as a part-time teacher to complete a job sharing team, will be considered to be on partial leave of absence from the school system. Such teachers will, therefore, maintain their seniority and/or continuing contract status.
- b. For seniority purposes, all regular contract (not long-term substitute) teachers employed in a job share position will receive a half-year of school District service credit. They will be considered less senior to any full-time teacher. Further, they will not be eligible for a continuing contract until they work at least two (2) years for the District on a full-time basis and meet the requirements of O.R.C. Section §3319.11.

8. *Reinstatement to Full-Time Service*

Job sharing teachers may request to return to full-time service and will be assigned to full-time vacancies as they may occur. One (1) or both members of the job sharing team may be required to return to full-time service due to reduction-in-force, lack of a partner, failure of the plan, educational needs of the District, etc.

F. Part-Time Teachers

1. Definition

2. Eligibility

Teachers who hold an appropriate teaching certificate will be eligible to be a part-time teacher.

3. Salary and Fringe Benefits

Part-time teachers will receive a prorated portion of the salary they would be eligible to receive if they were working full-time, pursuant to state minimum standards and the Master Agreement. This pro-ration shall be calculated as follows:

- a. A part-time high school teacher shall receive pay based on the following formula: classes and assignments divided by the total class periods.
- b. A part-time middle school teacher shall receive one-sixth (1/6) of his/her appropriate salary schedule placement for each period assigned instruction and/or duty.
- c. An elementary part-time teacher shall be paid a percentage of his/her appropriate salary schedule placement calculated by dividing his/her assigned instruction and/or duty minutes by three hundred forty-five (345) minutes (i.e., the total elementary instructional time).
- d. Such teachers may elect to purchase health and life insurance through the Board’s group plans with the Board paying a prorated amount of each part-time teacher’s insurance premiums, not to be less than fifty percent (50%). Pro-ration for insurance purposes shall be identical to pro-ration for salary.

4. Sick Leave/Personal Leave

Sick leave and personal leave will be earned at the prorated portion of a full-time teacher’s sick leave and personal leave benefits.

5. Non-Teaching Duties

Part-time teachers may be assigned non-teaching duties proportionate to full-time teachers.

6. *Seniority/Continuing Contract*

Individuals initially employed as a part-time teacher will gain seniority; however, they will be considered less senior to any full-time teacher. Such teachers, as long as they remain part-time, will not be eligible for a continuing contract. Further, they will not be eligible for a continuing contract status until they work for at least two (2) years for the District on a full-time basis and meet the requirements of O.R.C. Section §3319.11.

7. *Establishment of Full-Time Service*

Part-time teachers may request a position to full-time service by requesting a voluntary transfer pursuant to Article V, Section A (2) of the current Master Agreement. Part-time teachers may be required to work up to full-time service based upon the education needs of the District upon a two (2) week prior written notice.

8. *Substituting*

Part-time teachers who voluntarily substitute shall be paid in accordance with Article XII, Section B (4) of the Master Agreement. If substituting for itinerant teachers who travel, mileage will be paid at the IRS rate.

G. *Experimental Programs*

The Association and the Board agree to promote improved student achievement through innovative experimental programs and assessment strategies. The intent of this Section is to promote educational creativity and student learning, not to displace current programs or staff assignments. The Board of Education and the Sheffield-Sheffield Lake Teachers Association further agree to waive only those sections of the Agreement that may come into conflict with experimental programs and assessment strategies. Teachers who agree to develop and implement programs and assessment strategies that impact the negotiated Agreement for a school year or a part of a school year must obtain the acknowledgement of the Superintendent and the SSLTA Executive Committee before being implemented. Teachers and administrators who agree to develop and implement innovative experimental programs for a school year commitment or any part of a school year must obtain prior acknowledgement from the building Administration, Superintendent and the SSLTA Executive Committee and shall release the Board, Administration and Sheffield-Sheffield Lake Teachers Association from the enforcement of the Agreement provision waived through their written consent. The Board and the SSLTA shall keep the waiver on file. Should the Sheffield Lake Teachers Association Executive Committee or the Superintendent decline approval, a rationale for such a decision shall be placed in writing.

ARTICLE VII – EVALUATION OF TEACHING EFFICIENCY

A. Scope and Purpose

1. Definitions

- a. **Electronic Teacher and Principal Evaluation System (eTPES):** The electronic system used by the District to report to the Ohio Department of Education (ODE) aggregate final summative teacher evaluation ratings. The Sheffield-Sheffield Lake Joint Labor-Management OTES Committee recommends that recording and compilation of evaluation information shall allow for local control of such information, except information required to be submitted to the ODE.
- b. **Evaluation Cycle:** The period of time for the completion of the evaluation procedure. The evaluation cycle is completed when student growth measures resulting from assessments that were administered in the previous school year are combined with the teacher performance ratings resulting from performance assessments that are conducted for the current school year to assign an evaluation rating. This will be reviewed by the OTES committee annually.
- c. **Evaluation Factors:** The multiple measures that are required by law to be used in the teacher evaluation procedure. The two (2) factors, which are weighted equally, are student growth measures at fifty percent (50%) and teacher performance at fifty percent (50%). (This is subject to adjustment per SB 229 pending in the Ohio House of Representatives as of February 2014). The Committee recommends that the parties accept adopted legislative language changes if Student Growth Measures are less than fifty percent (50%).
- d. **Evaluation Framework:** The document created and approved by ODE in accordance with Section §3319.111(A) of the Ohio Revised Code that establishes the standards-based framework for the evaluation of teachers developed under Section §3319.112 of the Ohio Revised Code.
- e. **Evaluation Instrument:** The forms used by the teacher’s evaluator. The forms are located in the Appendices of this Agreement. Copies of the

observation and evaluation instruments are to be developed and will be attached to this Agreement in hard copy form.

- f. **Evaluation Procedure:** The procedural requirements set forth in this Agreement to provide specificity to the statutory obligations established under Sections §3319.111 and §3319.112 of the Ohio Revised Code and to conform to the framework for the evaluation of teachers developed under Section §3319.112 of the Ohio Revised Code.
- g. **Evaluation Rating:** The final summative evaluation level that is assigned to a teacher based on evaluations that are conducted pursuant to the terms of this Agreement. The evaluation rating is assigned at the conclusion of the evaluation cycle when the teacher performance rating is combined with the results of student growth measures where fifty percent (50%) of the evaluation rating is based on student growth measures as provided for in this Agreement and fifty percent (50%) of the evaluation rating is based on a teacher performance rating as provided for in this Agreement. Each completed evaluation will result in the assignment of one (1) of the following evaluation ratings to the teacher: Accomplished, Skilled, Developing, or Ineffective.
- h. **Ohio Teacher Evaluation System (OTES):** The teacher evaluation system that is codified under Sections §3319.111 and §3319.112 of the Ohio Revised Code.
- i. **Poorly Performing Teacher:** A teacher who receives an overall summative rating of ineffective will develop an improvement plan collaboratively with his/her evaluator. After receiving an overall ineffective summative rating for a period of two (2) of the last three (3) years he/she will take a written examination required pursuant to Section §3319.58 of the Ohio Revised Code, and who completes a remediation and/or improvement plan during the subsequent school year.
- j. **Improvement Plan:** A written plan which shall be collaboratively put into place with the teacher and the assigned credentialed evaluator, in order to directly address any deficiencies cited in the evidence that is gathered during walkthroughs and formal observations.
- k. **Shared Attribution:** The practice of assigning student(s) growth results to a group of appropriately licensed educators who consistently meet to collaboratively plan and provide instruction and/or intervention for a student or defined group of students on a specific topic and/or grade level and which may or may not be reported in the teacher-student data linkage system.
- l. **Student Growth Measure (SGM):** A unit of academic growth projected for a student over specified period of time, and which has been established according to a set of procedures defined either by the value-added data

system provider employed by the State of Ohio or by the School District for approved vendor assessments or locally developed student learning objectives (SLOs).

- m. **Student Learning Objective (SLO):** A measurable academic growth target that a teacher sets at the beginning of the course/term for all students or for subgroups of students to be achieved by completion of an established interval based upon baseline data gathered at the beginning of the course.
- n. **Teacher of Record,** A teacher who:
 - i. is responsible for assigning the grade to the student, and,
 - ii. is required to have the proper credentials to teach the particular subject/grade level for which he/she has been designated “teacher(s) of record”, and
 - iii. is responsible for a minimum of fifty percent (50%) of a student’s scheduled instructional time within a given subject or course.
- o. **Teacher Performance:** The assessment of a teacher’s performance, resulting in a performance rating. As an evaluation factor, the teacher performance dimension is based on direct observations of a teacher’s practice (including materials and other instructional artifacts) and walkthroughs that are performed by a credentialed evaluator. Teacher performance results are reported as a teacher performance rating consistent with ODE requirements.
- p. **Teacher-Student Data Linkage (TSDL):** The process of connecting the teacher(s) of record to a student and/or defined group of students’ achievement scores for the purpose of attributing student growth to that teacher.

An effort should be made to rotate requests for coverage among the teachers available to cover the absence. Should the teacher voluntarily accept the coverage assignment, then the teacher will be reimbursed according to Article XII, Section B, (4).

ARTICLE XV – SEVERABILITY CLAUSE

- A. In the event there is a conflict between a provision of this Agreement and any applicable state or federal law, or valid rule or regulation adopted by a federal agency or a state agency pursuant thereto, the applicable state or federal law or valid rule or regulation adopted by a federal or state agency shall prevail as to that provision. All other provisions of this Agreement which are not in conflict with any applicable state or federal law, or valid rule or regulation adopted by a federal agency or state agency pursuant thereto, shall continue in full force and effect in accordance with their terms.
- B. If, during the terms of this Agreement, there is a change in any applicable state or federal law, or valid rule or regulation adopted by a federal agency or a state agency pursuant thereto, which would invalidate any provision of this Agreement, the parties will meet to negotiate any necessary change in the Agreement relative to the affected provision within sixty (60) days by demand of either party.

ARTICLE XVI – LONG TERM SUBSTITUTES

- A. A long term substitute, for the purpose of this Agreement, shall be a substitute employed to replace a bargaining unit member who has been granted leave pursuant to this Agreement. Any teacher who has worked as a long-term substitute and who is re-employed by the Board shall have all contractual rights.
- B. Persons employed as long term substitutes shall be granted contracts for the length of service as needed and as determined by the Board.
- C. Long term substitutes shall have no expectation of continued employment beyond the length of service at the time of their employment, and said long term substitute contracts shall automatically expire at the conclusion of the Agreement without further action by the Board, including the non-renewal of their contract.
- D. The provisions of this Agreement regarding evaluation and renewal of teacher contracts shall not apply to long term substitutes.
- E. Long term substitutes shall have no displacement or recall rights under the reduction in force procedure in this Agreement and shall be excluded from same.

ARTICLE XVII – REDUCTION IN FORCE

- A. The Board may reduce the number of teaching positions by suspending contracts (limited, continuing, extended service and/or supplementals) for one (1) or more of the following:
 - 1. Decreased enrollment of pupils;

2. Return to duty of regular teachers after leaves of absence;
3. Suspension of schools;
4. Territorial changes affecting the District;
5. Financial reasons.

B. The following guidelines shall be followed when implementing the suspension. All employees shall be deemed to have comparable evaluations for the purposes of Reduction in Force.

1. Suspension of contracts shall occur to non-tenured teachers first, and shall be on the basis of last employed, first suspended, by teaching certification/licensure.
2. During a Reduction in Force, teachers have the right to displace any less senior bargaining unit member provided they have the proper certification/licensure. If suspension of contract is necessary for a tenured teacher, that suspension shall be on the basis of last employed, first suspended, by teaching certification/licensure.
3. Displacement rights shall be exercised by all teachers within their respective contract status, i.e., continuing contract (tenured) or limited contract, with no non-tenured teacher(s) exercising displacement over tenured teachers. Displacement shall be limited to the areas applicable to the teacher's certification/licensure.
4. If a teacher has been required to obtain a temporary certificate/licensure to meet the requirements of the current teaching assignment, and holds certification/licensure in other teaching fields, that teacher shall be placed with the appropriate contract status and, according to seniority certification/licensure areas shall have displacement rights.
5. Seniority shall be defined as the continuous employment of a teacher beginning with the first date on which a teacher reported for duty. Continuous employment shall include all time on sick leave, all time on Board approved leave of absence, all time on military leave of absence, all time on disability retirement, to a maximum of five (5) years, and all time during suspension, if the teacher is reinstated.
6. Certification/Licensure shall be defined as (a) teaching area(s) appearing on a teacher's State of Ohio certificate/license. Teachers of grades 7 and 8 shall be eligible for reemployment under either elementary or secondary certification (unless prohibited by state requirements).
7. Recommendations for reductions of teachers shall be made by selecting the lowest person on the seniority list in the subject area/grade level being reduced. Continuing contract teachers shall be reduced only after limited contract teachers of the same certification/licensure have been reduced.
 - a. If two (2) or more teachers have the same seniority and contract status, then the following tiebreakers shall be applied in order of application:

- i. Total bargaining unit service in Sheffield-Sheffield Lake School District, which shall include regular teaching and any Board-approved long-term substitute teaching positions.
 - ii. Date of Board action to hire for bargaining unit positions. Beginning with an employee hired after July 1, 2015, the Superintendent/Designee and SSLTA President/Designee shall conduct a “pill draw” before the first day of the school year to determine which of these employees carries forward the most seniority. The results of this “pill draw” shall be listed on every seniority list thereafter.
 - iii. Total Ohio public school teaching experience as verified by STRS service credits.
 - iv. Flip of coin.
- b. For part-time teachers and tutors, seniority will be calculated based on the number of school days worked. Tutors shall be placed on a separate certification-seniority list. Time spent as a long term substitute would be computed as District seniority upon employment as a regular teacher, provided that they worked more than 120 continuous days in a school year in the District.
 - c. Tutors shall be placed on a separate seniority list for purposes of reduction in force. Tutor seniority shall be determined by the length of continuous service of the individual tutor in the bargaining unit. Tutors shall be eligible for recall only to tutor positions following a contract suspension due to a reduction in force.
 - d. If two (2) or more tutors have the same length of continuous service, then seniority will be determined by:
 - i. Total bargaining unit service in Sheffield-Sheffield Lake School District, which shall include regular teaching and any Board-approved long-term substitute teaching positions.
 - ii. Date of Board action to hire for bargaining unit positions. Beginning with an tutor hired after July 1, 2015, if multiple tutors are hired on the same date by the Board of Education, then the Superintendent/Designee and SSLTA President/Designee shall conduct a “pill draw” before the first day of the school year to determine which of these employees carries forward the most seniority. The results of this “pill draw” shall be listed on every seniority list thereafter.
 - iii. Total Ohio public school teaching experience as verified by STRS service credit.

- iv. Flip of coin.
- e. If a tutor becomes a full-time teacher and a subsequent RIF occurs, the prior service in the District of the tutor shall be included on the Seniority list. These bargaining unit members shall have displacement rights as a tutor.
- f. A teacher who has been released because of staff reduction shall, if he/she desires, be placed on the substitute teacher list. These teachers shall be given priority consideration for any long-term substitute opportunities.
 - i. Provisions for early or normal retirement shall be made for the teacher who may wish to do so, consistent with the established State Retirement policies.
 - ii. Any teacher unemployed as a result of staff reduction shall be recalled in inverse order of being released, provided the teacher is certified for the vacancy.
 - iii. While there are previous teachers of the District who are unemployed as a result of staff reduction, as defined herein, and who possess proper certification to fill any vacancy which may arise, no teacher new to the District shall be hired to fill said vacancies. However, all vacancies shall be posted and internal candidates shall be given priority consideration before any position is filled from the recall list.
 - iv. The Board shall give written notice of recall, by registered mail or certified letter, to the teacher at the last known address. It shall be the responsibility of the teacher to notify the Treasurer of the Board of any change of address.
 - v. Within ten (10) days of the receipt of a written offer to return to employment, the teacher shall accept the position by replying in writing, or it shall be determined that he/she has declined the position. No teacher new to the District shall be hired for a position for which a teacher, unemployed because of staff reduction, is certified until the previously released teacher has been offered an opportunity, in writing, to return to active employment, in accordance with this Section.
 - vi. Teachers returning to employment after a reduction in staff shall resume their previous contract status.
 - vii. While on suspension of contract, a teacher will have the option to remain an active participant in all non-health related fringe benefit programs by contributing thereto the amount necessary to maintain such fringe benefits [provided this is acceptable with the

provider(s) of the fringe benefit packages]. A teacher on suspension will be entitled to maintain health benefits under the terms and conditions established in COBRA.

- viii. All bargaining unit members placed on the recall list prior to the 2015-2016 school year and who remain on the list shall be considered as having comparable evaluations for the purposes of recall.
 - ix. A teacher shall remain on the recall list for a period of four (4) years unless:
 - a) The teacher requests to be removed from the recall list;
 - b) The teacher fails to respond within ten (10) days as noted in f. v. of this Section to an offer of recall or the notification letter is returned to the District as not at this address with no forwarded address;
 - c) The teacher refuses an offer of recall to a like (full or part-time) position for which he/she is certified;
 - d) The teacher accepts an Ohio Public School teaching position at an equal or better rate of pay. The teacher must notify the Superintendent's office each school year regarding the teacher's employment status by September 1. If the Superintendent does not receive notice of the teacher's employment by September 1, the teacher shall be removed from the recall list.
 - x. A full-time teacher who has been reduced but accepts an offer of recall to a part-time certificated position shall be eligible to be recalled to a full-time position for which he/she is certified prior to any other teacher on the recall list.
 - xi. The Board of Education shall not contest unemployment compensation requests for employees whose contracts are suspended due to a RIF.
- 8. During the implementation of RIF, no reassignment, transfer, or reclassification shall occur that will cause a more senior employee to be laid off before a less senior employee.
 - 9. No transfer, reassignment, or reclassification shall be made during a period of RIF that prevents the recall of an employee on layoff status.
 - 10. When there exists a possibility for staff reduction, the Superintendent shall give notice of this possibility to the Association sixty (60) days prior to the Board

taking action to reduce staff. Notification by the Superintendent shall be given to the Association and to each teacher who might be reduced in force at least thirty (30) days prior to the Board taking action to reduce staff.

- a. The Superintendent and the Association shall confer on the reason(s) for the Superintendent making recommendation for the reduction in staff within fifteen (15) days of receipt of the notice to the Superintendent's possible recommendation of reduction in staff for Board action.
- b. A general certification-seniority list will be compiled by the Administration and sent to the LPDC by October 15 of each school year for verification. After verification from the LPDC, the draft list shall be sent to all bargaining unit members including the Association President by November 15. Any final corrections shall be sent to the Superintendent by December 15 and an updated certification-seniority list shall be given to the Association and posted in the Superintendent's office by January 15 of each year. The list shall include areas of certification, contractual status, date of hire, results of "pill draw", STRS service credits and District-wide seniority.
- c. This list shall also include the names of all non-tenured teachers in the District, giving area(s) of certification and present teaching and building assignment(s).
- d. Each teacher, whose contract is to be suspended, and the Association, shall be provided copies of these listings.

C. The parties agree that this Article shall not require the Board to fill any vacancy.

- E. Interested applicants must submit a Tuition Assistance Request Form for approval prior to the beginning of the course work for which the teacher is requesting reimbursement. The maximum reimbursement per request will be for five (5) quarter hours or three (3) semester hours. Once tuition assistance is approved, reimbursement will be processed by the Treasurer prior to the end of the fiscal year and only upon receipt on or before June 1 of that fiscal year of an official transcript indicating that the teacher obtained a minimum grade of “B” in the course(s) and a paid receipt showing actual costs incurred.

The scoring process is expected to occur upon completion of each thirty (30) minute observation and post-conference. The evaluator is to consider evidence gathered during the pre-observation conference, the observation, the post-observation conference, and classroom walkthroughs (if applicable). When completing the performance rubric, please note that evaluators are not expected to gather evidence on all indicators for each observation cycle. Likewise, teachers should not be required to submit additional pieces of evidence to address all indicators. The professionalism section of the rubric may use evidence collected during the pre-observation and post-observation conferences as well as information from the Professional Growth and/or Improvement Plan (if applicable).

INSTRUCTIONAL PLANNING					
		Ineffective	Developing	Skilled	Accomplished
INSTRUCTIONAL PLANNING	FOCUS FOR LEARNING (Standard 4: Instruction) <i>Sources of Evidence:</i> Pre-Conference	The teacher does not demonstrate a clear focus for student learning. Learning objectives are too general to guide lesson planning and are inappropriate for the students, and/or do not reference the Ohio standards.	The teacher communicates a focus for student learning, develops learning objectives that are appropriate for students and reference the Ohio standards but do not include measurable goals.	The teacher demonstrates a focus for student learning, with appropriate learning objectives that include measurable goal(s) for student learning aligned with the Ohio standards. The teacher demonstrates the importance of the goal and its appropriateness for students.	The teacher establishes challenging and measurable goal(s) for student learning that aligns with the Ohio standards and reflect a range of student learner needs. The teacher demonstrates how the goal(s) fit into the broader unit, course, and school goals for content learning and skills.
	Evidence				
	ASSESSMENT DATA (Standard 3: Assessment) <i>Sources of Evidence:</i> Pre-Conference	The teacher does not plan for the assessment of student learning or does not analyze student learning data to inform lesson plans. The teacher does not use or only uses one measure of student performance.	The teacher explains the characteristics, uses, and limitations of various diagnostic, formative, and summative assessments but does not consistently incorporate this knowledge into lesson planning. The teacher uses more than one measure of student performance but does not appropriately vary assessment approaches, or the teacher may have difficulty analyzing data to effectively inform instructional planning and delivery.	The teacher demonstrates an understanding that assessment is a means of evaluating and supporting student learning through effectively incorporating diagnostic, formative, and/or summative assessments into lesson planning. The teacher employs a variety of formal and informal assessment techniques to collect evidence of students' knowledge and skills and analyzes data to effectively inform instructional planning and delivery.	The teacher purposefully plans assessments and differentiates assessment choices to match the full range of student needs, abilities, and learning styles, incorporating a range of appropriate diagnostic, formative, and summative assessments into lesson plans. Student learning needs are accurately identified through an analysis of student data; the teacher uses assessment data to identify student strengths and areas for student growth.

COMBINING THE STUDENT GROWTH MEASURES IN THE EDUCATOR EVALUATION SYSTEMS

This document is intended to provide a quick introduction to the process for combining student growth measures in the educator evaluation systems. More details including examples of scenarios and FAQs will be forthcoming.

Student growth measures will be used in the evaluation of teachers and principals in Ohio. The makeup of these measures depends on data availability and district decisions. This document describes the overall process for combining multiple measures of student growth into a *student growth rating* that comprises 50% of the educator effectiveness rating.

While there are different types of student growth measures, they are intended to be comparable and consistent across educators. The other 50% of the educator effectiveness rating, performance on the educator standards, should also be comparable and consistent across educators. Both the performance portion and the student growth portion include multiple measures and the use of professional judgment to some degree. Therefore, the final summative rating reflects a representative view of an educator’s performance.

STEP 1: The **district plan** will determine the student growth percentages for each of the three categories of educators for each measure. (See <http://education.ohio.gov/Topics/Teaching/Educator-Evaluation-System/Ohio-s-Teacher-Evaluation-System/Student-Growth-Measures> for more information on these categories). The plan will be submitted into the electronic Teacher and Principal Evaluation System (eTPES):

Educator Category		Value-Added	Vendor Assessment	LEA Measures		Total = 50%
				SLO/Other*	Shared Attribution	
A: Value-Added	A1 (exclusive)	_____%		_____%	_____%	50%
	A2 (non-exclusive)	_____%		_____%	_____%	50%
B: Approved Vendor Assessment			_____%	_____%	_____%	50%
C: LEA Measures				_____%	_____%	50%

* For Category A, teachers with Value-Added may also include ODE-Approved Vendor Assessment data in this LEA Measure. For principals, this could also include the average of all teachers’ growth ratings.

9/19/13

Variation from the district plan: If the district decides to allow variation from the default percentages, they must make manual adjustments within eTPES.

- Districts should try to be as consistent as possible when setting percentages.
- Percentages should not be determined by individual teachers or determined based on individual past results.

STEP 2: The districts will **enter the SGM** data using an individual teacher or principal worksheet in the eTPES. Teacher-level Value-Added data will be automatically uploaded. All other measures must be manually entered by the district.

Individual educators may have up to two types of measures depending on their category. In other words, *A: Value-Added* teachers may have Value-Added and LEA measures; *B: Approved Vendor Assessment* teachers may have Approved Vendor Assessments and LEA measures; and *C: LEA Measures* teachers will only have LEA measures.

STEP 3: The **multiple measures are combined** in the eTPES. When the system combines the multiple measures, it is important to take note of the following requirements:

- *All scores within each type of measure must be weighted equally.* For example, if a teacher uses four SLOs as her four LEA measures, then all four will be weighted the same. Similarly, if four ODE-Approved Vendor Assessments are utilized, then all four will be weighted equally by the system.
- *Shared Attribution is weighted separately.* While shared attribution is considered an LEA measure, it is weighted separately from SLOs, and is not required to be weighted equally. Districts may choose to use this measure as a collaborative team measure applied consistently to all educators. Districts must determine this percentage.
- *Maximum of five measures within in any type of measure.* For example, there can be no more than five ODE-approved Vendor Assessments or no more than five LEA measures for any one educator. Here are the measures within each type of measure:
 - Value-Added: MRM composite as reported in EVAAS
 - ODE-Approved Vendor Assessment: Up to five ODE-approved Vendor Assessment scores (e.g. five different assessments)
 - LEA Measures: Up to five LEA measures including 2-4 SLOs and/or Shared Attribution measure (additionally, Category A: Value-Added teachers who are also utilizing Approved Vendor Assessment data would include it here)

Each of these measures is scored on a five-level rating. The eTPES lookup tables automatically make the conversion to three levels for the student growth rating: Below, Met, or Above Expected Growth. Once entered into eTPES, the system calculates the final summative rating for the educator's evaluation.
