Within ten days of such notice, the Union may request a meeting with the Business Manager to discuss whether the position shall be included as part of the bargaining unit. If no agreement on the issue is reached, the Union may appeal the question directly to step III of the grievance procedure within twenty (20) working days. The Board retains its right to implement its proposed wage rate pending resolution of whether the position is in the bargaining unit.

ARTICLE II - NEGOTIATIONS PROCEDURE

- 2.01 Either party may initiate negotiations for a successor agreement not more than 105 days nor less than 75 days in advance of the expiration date of this Agreement by filing a Notice to Negotiate with the State Employment Relations Board and a copy with the other party. The parties shall hold their first negotiations session by May 1 unless they mutually agree to a different date.
- 2.02 Each negotiating team shall consist of no more than four (4) persons.
- 2.03 Each meeting shall be closed and held in executive session.
- 2.04 All proposals shall be exchanged in writing at the first meeting.
- 2.05 As negotiated items receive tentative agreement by the parties, each item shall be reduced to writing and initialed by the representatives of each party.

- 2.06 Upon reaching a tentative agreement, said contract shall be presented to the Union membership for ratification within ten (10) days. If ratified, the contract shall be presented to the Board for its consideration at its next regular or special meeting.
- 2.07 If sixty (60) days after the initial meeting or a date mutually agreed upon tentative agreement on all items is not reached, the parties shall use the services of the Federal Mediation and Conciliation Service (FMCS).
- 2.08 The parties agree that the foregoing shall be the mutually agreed to alternative dispute settlement procedure.
- 2.09 Each party shall be responsible for making copies of the agreement for its own use. The Board will be responsible for new hires.

ARTICLE III - BOARD OF EDUCATION RIGHTS

- 3.01 The Union agrees that all of the functions, rights, powers, responsibilities and authority of the Board in regard to the operation of its work and business and the direction of its work force which the Board has not specifically abridged, deleted, granted, or modified by the express written provisions of this agreement are, and shall remain, unilaterally and exclusively the right of the Board.

ARTICLE IV - INDIVIDUAL RIGHTS

4.01 Discrimination

The parties have agreed that they shall work together to prevent any unlawful discrimination as to race, color, religion, national origin or ancestry, age, disability, or sex in hiring practices and assignments to jobs and selection for upgrading.

- 4.02 Individuals have the right to join or not join the Union.

4.03 Personnel File

Official personnel files shall be available for inspection at the Board's Central Administration office and, to the extent permitted by law, shall not be open to the public.

- 4.0301 A unit member shall have the right, at reasonable times, to examine and/or obtain at his/her own expense, any material from his/her personnel file.

- 4.0302 A unit member shall be provided with a copy of any material placed in his/her file at the time it is placed in the employee's personnel file. The unit member shall be given an opportunity to prepare a written response to such material which shall be included in the file. No disciplinary action (warning, reprimand or suspension) nor any evaluation shall be placed into a unit member's file without the unit member having an opportunity to sign the document. The unit member's signature is merely an acknowledgement the

unit member has received the document and has had an opportunity to read the document and does not indicate agreement with the content. Should the employee refuse to acknowledge receipt and an opportunity to review the document, such refusal shall be noted on the document and signed by the person delivering the document to the unit member.

4.0303 Any person who places written material in a unit member's file shall sign the material and signify the date on which such material was placed in the file. No anonymous materials shall be placed in the unit member's file.

4.0304 a. At any time, a unit member may request in writing that information or other documentation which he/she believes is outdated, irrelevant, or immaterial be removed from his/her file. Such request shall detail the unit member's rationale as to why the material should be removed. If the material is not removed, the employee's request will be attached to the material.

b. Upon the request of a unit member any disciplinary records will be removed from the unit member's file after five (5) years if there has been no disciplinary warning, reprimand or suspension for any reason in the interim period.

c. Should a unit member be disciplined, suspended or discharged from employment, neither the unit member nor the Union may rely upon the defense that the unit member has been an employee with long service and a good record void of any prior disciplinary actions.

4.0305 If a complaint from a member of the public is to be placed in the unit member's file, such complaint shall include the name, address, or phone number and particulars of the complaint. To the extent permitted by law, any complaint found by the District to be unwarranted shall not be placed in the unit member's file.

4.0306 When a request to examine an employee's personnel file has been made, the District will notify the employee that such request was made and, if known, who made it. Notification may be either oral or written. An employee will not be required to sign to see his/her own file. The unit member's social security number and any medical information shall be considered confidential.

4.04 Evaluations

4.0401 Employees shall be entitled to a minimum of two (2) calendar days advance notice of any evaluation meeting. Each employee shall be evaluated annually on a standard evaluation form. Evaluations should be completed no later than April 30th each year. Upon completion of an evaluation, the evaluation shall be discussed with the employee during the employee's paid time. Following

the discussion, the unit member shall sign the evaluation and shall within one week receive a copy of the same. Once the meeting with the employee for discussion of the evaluation is complete and the employee signs the evaluation, there shall be no changes in the evaluation. Such signature shall denote neither agreement nor disagreement with the evaluation but shall denote only that the unit member has reviewed and discussed the evaluation. The unit member shall be permitted to respond in writing to the evaluation and such response shall be made a part of the evaluation. Comments in the evaluation should be reflective of the employee's performance and conduct and its impact and affect on the operations and mission of the District.

- 4.0402 All evaluations shall state the time period for which the unit member is being evaluated.
 - 4.0403 All individual evaluation areas rated below satisfactory shall list suggestions for improvement. While it is not always possible to do so, supervisors are encouraged to discuss below satisfactory performance areas with the Unit member prior to the final evaluation in any school year. Failure to discuss areas of concern with a Unit member under this paragraph will not invalidate the evaluation, nor be subject to the grievance procedure.
 - 4.0404 The local Union President shall be notified of the annual date evaluations for the Bargaining Unit are anticipated to be completed.
 - 4.0405 The Business Manager will consider any recommendations from the President of Local 609 to modify the evaluation procedure and forms. Prior to implementing any such recommendations, the Business Manager will notify the President and, if requested, will negotiate concerning the affects of any such change.
- 4.05 No member of the Bargaining Unit will formally evaluate another unit member, with the exception that managers shall, if requested to do so by the building principal, evaluate all Child Nutrition personnel in accordance with Board guidelines and using Board adopted evaluation forms which shall be submitted to the building principal. If approved by the building principal, the evaluations will be signed by the principal and have the same effect as if actually performed by the building principal. If the building principal disagrees with any evaluation submitted by a manager in whole or in part, the building principal may amend the evaluation and shall note the amendment on the evaluation form and advise the employee and the manager of the amendment.
- 4.06 No Bargaining Unit Member shall be required to administer medication.
- 4.07 On or before November 15 of each school year, the Board will post copies of the seniority list on designated bulletin boards in each facility. Unit members shall have to and including December 15 to notify the Business Manager of any alleged errors in the seniority list. Failure to notify the Business Manager of the alleged error shall waive the alleged error.

Employees on an approved leave during the posting period shall be exempt from this provision. Two seniority lists will be provided to the local Union President each year.

4.08 The provisions of O.R.C. Section 124.57 shall not apply to unit members and such members may engage in partisan political activity during non-working hours.

4.09 Employee Discipline and Discharge

A. Non-probationary employees may be demoted, reduced in pay, or suspended, or discharged from their job or otherwise disciplined for cause.

B. Disciplinary Procedure

1. Before imposing a reduction in pay, demotion, suspension or discharge on a non-probationary employee, the Business Manager shall hold a conference with the employee to give the employee an opportunity to learn the reasons for the intended disciplinary action and to challenge the alleged behavior. The employee has the right to be accompanied at the conference by Union representation. The conference will be scheduled as promptly as possible by the Business Manager. The Business Manager may impose reasonable rules on the length of the conference and the conduct of the participants. At the employee's request, the conference shall be recessed for a maximum of three (3) work days to allow the employee time to provide necessary information relevant to the alleged behavior. If the Business Manager determines that the employee's continued employment prior to the conference poses a danger to persons or property or a threat of disrupting operations, he may suspend the employee without pay for up to three days pending the conference to determine final disciplinary action and for such additional time that the conference may be recessed.
2. The party bringing the charges will be present at the disciplinary hearing. The employee and/or the employee's representative may ask questions of the charging party relative to the facts of the charge.
3. Progressive discipline should generally be followed.
4. When imposing a demotion, reduction in pay, suspension, or discharge on a non-probationary employee, the Business Manager shall sign a written statement of demotion, reduction, suspension or discharge. The statement shall state the grounds for the disciplinary action or removal. The Business Manager shall furnish a copy of the statement to the employee and, if requested by the employee, to the local Union representative. Disciplinary action is effective according to the terms of the statement of demotion, reduction in pay, suspension, or discharge. An employee who is demoted, reduced in pay, suspended or discharged shall have the right to file a grievance concerning such demotion, reduction in pay, suspension or

discharge directly to the last internal step of the grievance procedure. Such grievance shall be filed within the time limits set forth in the last internal step of the grievance procedure.

5. Notwithstanding O.R.C. Chapter 124, this Section shall exclusively govern the continued employment, discipline, and discharge of employees.
6. The parties have adopted a disciplinary form to be used in disciplinary matters. See Appendix C.

The disciplinary form should be completed within one business day of the meeting and only those present at the meeting shall be signatories to the form. A copy of the disciplinary form shall be provided to the employee.

7. When the Business Manager's designee is holding the disciplinary hearing, the employee will be given notice of the designee.
8. When the discipline involves a suspension of more than three (3) days, the individual bringing the charge(s) against the employee may not also serve as the Business Manager's designee for purposes of the disciplinary hearing.
9. Employees should not be disciplined in the presence of other unit members or in public, but the parties recognize there may be exceptions that occur. To the extent provided by law, all matters herein shall be kept confidential.
10. In lieu of suspension without pay, the Administration has the discretion to give an "administrative suspension" which shall be a working suspension with a reduction in pay of 20% for each day of the suspension. For purposes of progressive discipline, an administrative suspension carries the same weight as a suspension without pay.

C. New Employee Probation

1. Each new employee shall serve an initial probationary period of ninety (90) work days which may be extended by an additional ninety (90) work days by mutual agreement of the Local President and the Business Manager. At any time during the initial or extended probationary period, the Business Manager or Superintendent may discharge the employee without providing reasons and without the need to establish proper cause. In the event a probationary employee is discharged, the Union President and employee shall receive a copy of the notice of discharge.
2. Neither the employee nor the Union shall have any recourse under the contract to challenge a probationary discharge. A probationary employee otherwise shall get the benefit of all provisions of this Agreement in accordance with the terms of specific provisions.

3. Bargaining Unit members who are hired pending the completion of a pre-employment criminal background check shall be subject to immediate termination of employment for failure to meet the requirements of such background check under the same terms as any probationary employees, even when such background check has been completed outside the time period set forth in Section 4.09 C-1.

4.10 Assault

Any incident of either verbal or physical assault suffered by an employee while on the job shall be promptly reported in writing to the immediate supervisor. The immediate supervisor shall acknowledge receipt of such report and shall report such information to the Business Manager and provide a copy to the Local Union President.

4.11 A. Weather Conditions

Weather conditions, including consideration of the windchill factor, shall be considered by a school principal or his/her designee in determining when lunchroom assistants shall have outside playground duty. The Principal or his/her designee shall consult with the lunchroom manager prior to making this decision.

B. Lunch Period

Four (4) to five (5) hour employees shall be entitled to a fifteen (15) minute unpaid daily lunch period, and five (5) or more hour employees shall be entitled to a thirty (30) minute unpaid daily lunch period.

C. Break Period

Five (5) to eight (8) hour employees shall be entitled to two (2) paid ten (10) minute daily break periods; and employees working two and one-half (2-1/2) to five (5) consecutive hours per day shall be entitled to one (1) ten (10) minute paid daily rest period.

- 4.12 Subject to program and space availability, children of Bargaining Unit members whose applications for admission have been received by August 15th will be allowed to enroll in the Canton City Schools without being required to pay tuition, provided that no additional staff will be required to admit a child. Transportation of the child to and from school will be the responsibility of the unit member and at the sole expense of the unit member. Such student shall be assigned to their school building and class by the Superintendent or designee. Transportation services will be made available to children enrolled under this provision. Availability will be determined upon the same criterion as contained in the Board's Intra-district Open Enrollment Policy.

- 4.13 The Board will provide inservice annually on a paid basis which shall be compulsory for all Unit members. The Local President may provide input, but the Board will determine the date, number of hours and program content for the inservice. When in-service is mandatory, unit members shall be paid for attendance at their regular hourly rate for all hours of the in-service. It is understood that waiver days are paid days already included in a unit member's pay. However, when a unit member's attendance at a waiver day training exceed the unit member's Board-approved hours, the unit member will be paid for all hours exceeding the unit member's Board-approved hours on a time sheet. Unit members will receive a minimum of five (5) days notice when mandatory attendance for a waiver day is expected to exceed the unit member's Board-approved hours.
- 4.14 In order for the District to effectively enforce its policy prohibiting harassment because of sex, race, national origin, religion, disability, age, or veteran's status and to take prompt, appropriate corrective measures, it is essential that any and all incidents of prohibited harassment be reported promptly in writing to either the immediate supervisor or to the Business Manager or to such other person who has been designated by the Business Manager for receipt of such incident reports.
- 4.15 Probationary employees and substitutes shall receive training for their position. Those employees shall receive an orientation from the Manager in the building when they first start working in the building.

ARTICLE V - UNION RIGHTS

As the recognized representative and bargaining agent for the bargaining unit, the Union has the following:

- 5.01 The use of one (1) designated bulletin board within each building for official Union announcements.
- 5.02 The use of members' mailboxes where available for the distribution of Union announcements and memoranda. At the time of distribution, the Union may provide the designated building administrator with an informational copy of any general announcement or memorandum.
- 5.03 The reasonable use of the Board's inter-school mail service for official union business only.
- 5.04 The right upon request to inspect and, if necessary, at its own expense, copy any public document.

designees as appropriate. The unit members are encouraged to bring any perceived safety or health problems to the attention of his/her supervisor. If the problems continue or are not resolved, they may be brought to the Safety Committee by the 609 Safety Committee Representative.

5.0602 Before exercising his/her right to refuse to work under Section 4167.06 of the Revised Code because of a condition which the employee, acting in good faith reasonably believes presents an imminent danger of death or serious harm to the employee, the Bargaining Unit Member will immediately notify his/her supervisor of the condition. The employee may be temporarily reassigned with no reduction in pay or hours while the condition is being investigated and/or corrected.

5.0603 No Bargaining Unit Member shall be in any way discriminated against as a result of reporting any condition regarding safety, health, and sanitation. A Bargaining Unit Member who wishes to assert a claim of discrimination as defined in Chapter 4167 of the Revised Code shall use the grievance procedure in this contract as the means for asserting such a claim.

5.07 Upon written request, the Board shall provide the Union with a copy of any public record.

5.08 Labor Management Committee

There shall be a Labor-Management Committee, the procedures and rules of which shall be established jointly by the Committee members. An agenda shall be established jointly by the Business Manager and the Local President for each Labor-Management Committee meeting and shall be distributed to all committee members one week in advance of the meeting. Any issue committee members wish to discuss must be submitted to the Business Manager and the Local President for their consideration prior to distribution of the agenda. All discussions are limited to those issues on the agenda. There should be at least two (2) meetings per year, unless the parties mutually agree otherwise.

Also, release time not to exceed a total of forty-five (45) hours per year for the Union, shall be made available for members serving on various committees for the betterment of the organization. In a year during which a member of the bargaining unit is a member of the State Executive Board of the Union, up to an additional ten (10) hours of released time will be provided for that employee to meet those responsibilities. Consideration shall be given to a full membership meeting on school time if requested by the chapter.

5.0901 In addition, a one-hour (1) meeting of all new Local #609 unit members with Union officers and school Administrators may be held each year during working hours.

ARTICLE VI - GRIEVANCE PROCEDURE

6.01 - Grievance Definition

A grievance shall be defined as a dispute between a unit member or a unit member-represented group and the Board concerning the interpretation or application of only the specific and express written provisions of this agreement. The Union as an entity may file a grievance for a dispute involving a specified express provision of Article I, Article II, Article IV, Article V, Article VI, Article XII and Article XIV and § 7.04 and § 8.0305. Said grievance shall be filed within twenty (20) working days of the situation giving rise to the filing of said grievance. Grievances not filed within the twenty (20) working day period shall be regarded as invalid. Any grievance involving suspension from or termination of employment or alleged violation of Union rights is subject to immediate review at Step 2 of the Grievance Procedure.

6.02 - Grievance Procedure

- 6.0201 Except as provided in Section 6.01, prior to a formal grievance being filed, the unit member and the administration shall attempt to verbally resolve the situation giving rise to the grievance. The attempt will be between the unit member and the administrator who is directly responsible. Settlements at this level will not be inconsistent with the terms of this agreement and will set no precedents.
- 6.0202 Formal grievances by individual unit members must be signed by the grievant(s) and the appropriate local Union representative. The Union shall notify the Business Manager, in writing, of the local Union representative.
- 6.0203 Representation of unit members shall be limited to designated Union officials. Unit members may represent themselves at the grievance meetings. The Union shall have the opportunity to be present at the grievance meetings and no adjustment shall be inconsistent with the terms of the Agreement.
- 6.0204 All grievances and all grievance dispositions at all steps shall be in writing and dated. Special grievance-disposition forms shall be used. (Appendix B).
- 6.0205 If a decision on a grievance is not appealed within the time limits specified at any step of the procedure, the grievance shall be deemed settled on the basis of the disposition at that step and further appeal shall be barred.
- 6.0206 The parties may mutually agree in writing to an extension of any time limit in this Article. If no extension is agreed upon, the failure of the administration

to meet any time limit shall allow the grievant to move to the next step of the grievance procedure.

6.0207 The Union's designated representative shall receive a copy of written decisions.

6.0208 Any grievance filed prior to the expiration date of this Agreement shall be processed under the terms and the provision of the Agreement in effect when the grievance was filed.

6.0209 The Union shall not pursue any grievance to arbitration where the same issue(s) have been submitted to an outside agency for resolution. Unfair labor practices shall be exempt from this provision.

6.0210 When a formal grievance is filed, the unit member filing the grievance, or the Union, may contact the Business Manager who will identify the appropriate administrator who will hear the grievance. At any level of the grievance procedure, the Supervisor answering the grievance shall identify the appropriate Supervisor that will be responsible at the next level.

6.0211 Unless the Section of the contract being grieved is one under which the Union has the right to file a grievance, the Board may not rely upon the failure to have filed a grievance previously as precedent.

6.03

STEP I - A grievance, filed within the time limits expressed under Section 6.01, shall be presented to the employee's designated immediate supervisor. Within eight (8) work days of receipt of the grievance, the supervisor shall hold a meeting to endeavor to resolve the grievance. Once the supervisor holds the Step I meeting and if the grievance remains unresolved, the supervisor shall render a written decision within seven (7) work days of the meeting.

6.04

STEP II - If the grievant(s) is not satisfied with the disposition of the grievance under Step I, the grievant(s) may within seven (7) work days of the Step I disposition appeal the grievance to the Business Manager. Within twenty (20) work days of the receipt of the grievance the Business Manager shall reply in writing as to his/her disposition of the grievance. Such written disposition will occur after a meeting with the grievant has been held.

6.0501 If the Board fails to meet the time limits established in Step II and if the grievance proceeds to Step III, the arbitrator's fee shall be assumed by the Board.

6.0502 At the time of delivery of the Step I and II grievance response, the grievant shall be given a dated receipt of delivery.

6.05

STEP III - If the grievant is not satisfied with the disposition of the grievance at Step III, the Union may with the grievant's written concurrence within fifteen (15) work days of receipt of the answer, notify the Business Manager of its intent to submit the grievance to arbitration. If such notice of intent is filed with the Business Manager, the parties will meet within twenty-one (21) days to determine whether the grievance can be resolved. At that meeting, neither the employee-Grievant nor the employee-Grievant's immediate supervisor shall be present. The parties will exchange information that may be helpful in resolving the grievance. If the parties are unable to resolve the grievance through this process, a request for a panel of arbitrators will be submitted under § 6.0501 unless the Union decides to withdraw its intent to submit the matter to arbitration. Any resolution must be approved by the grievant and the Union.

6.0501 The Union and the Business Manager shall jointly request the American Arbitration Association to submit a list of arbitrators that includes only members of the National Academy of Arbitrators. The parties shall select the Arbitrator by following the rules of the American Arbitration Association which rules will also govern the arbitration hearing.

6.0502 The arbitrator shall, if reasonably possible, schedule a hearing within thirty (30) days of notification of selection. The hearing shall be held at a time and place mutually agreeable to the parties.

6.0503 The Arbitrator shall not have authority to add to, subtract from, modify, change or alter any of the provisions of this collective bargaining contract, nor add to, detract from or modify the language therein in arriving at the decision concerning any issue presented that is proper within the limitations expressed herein. Nor shall the arbitrator have any authority to rule contrary to the law of the State of Ohio. The arbitrator shall expressly confine himself/herself to the precise issue(s) submitted for arbitration and shall have no authority to decide any other issue(s) not so submitted to him/her or to submit observations or declarations of opinion which are not directly essential in reaching his/her decision.

6.0504 The decision of the arbitrator shall be final and binding on all parties.

6.0505 The arbitrator's fees and expenses shall be paid by the Board if the grievance is sustained and shall be paid by the Union if the grievance is denied. If the grievance is sustained in part and denied in part, the Arbitrator's fees and expenses shall be shared equally between the parties.

- 6.0506 All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participants. This does not prohibit either party from using the result of the grievance as precedent for other grievances.
- 6.0507 Hearings held under this procedure shall be conducted at a time and place which will afford a fair and reasonable opportunity for all persons essential to the hearing to be present.
- 6.0508 Nothing contained in the grievance procedure shall be construed as limiting the individual right of an employee having a complaint or problem to discuss the matter informally with members of the administration through normal channels of communications.
- 6.0509 No reprisals of any kind will be taken by either party against any party in interest, any building representative or any other participant in the grievance procedure by reason of such participation.
- 6.0510 No Administrator/Supervisor shall be responsible for more than one step of the grievance procedure.

The notice shall contain a job title, number of hours to be worked and location for the position and the deadline for submitting an application for the position. A copy of the notice shall be provided to the Local President.

Present employees may indicate to the Supervisor of Child Nutrition their interest in a position involving less than two and one-half (2-1/2) hours. The Supervisor shall keep a list of those employees and consider them in the event a vacancy exists. Such list shall be in effect for that current school year.

8.0202 All openings referred to in Section 8.0201 will appear in the weekly journal.

8.0203 During the summer the weekly journal shall be posted on the Canton City Schools web site, will be available on the telephone hotline number and posted on Channel 11.

8.0204 Copies of job descriptions shall be available through the Business Manager. The Union shall have the opportunity to provide input to the Business Manager for consideration in formulating job descriptions.

8.0205 All vacancies and new positions referred to in Section 8.0201 will be advertised as the same position vacated or created. If a job opening is to be

filled, it shall be advertised as the same position vacated or created. It shall not prohibit the administration from re-evaluating or modifying the job description, as provided by law.

- 8.0206 If the Board is considering abolishing a position, it will notify the Union; who shall then have an opportunity to offer input.
- 8.0207 Summer work shall be advertised in a weekly journal, if known, prior to the close of the school year. After that time, unit members interested in summer work shall notify the appropriate hiring offices in order to be considered for summer employment.

8.03 Appointment and Placement

- 8.0301 All Child Nutrition related appointments shall be made through the Child Nutrition Department and approved by the Board. Daily hours for Child Nutrition personnel shall be determined according to need at the discretion of management. All new employees shall begin on the first step of the appropriate classification.
- 8.0302 Once a position is vacant, the administration shall decide if the position is to be filled within thirty (30) workdays. If a vacancy is to be filled, such position beyond the entry level shall be filled within fifteen (15) work days from the close of the posting. Any time requirement in this section may be extended by agreement between the Union and the Administration.
- 8.0303 A Unit member who has been promoted shall receive the higher pay beginning with the first day following his/her date of appointment by Board resolution.
- 8.0304 Filling Advertised Positions: All presently employed personnel eligible and bidding on positions shall be considered by the Child Nutrition Supervisor, and said employees shall be notified of the decision by the Child Nutrition Department within seven (7) working days. The Administration agrees to consider present qualified employees who file a timely application before employing personnel from outside the system.

The following factors are guidelines for evaluating the candidacy of present employees and/or applicants:

- 8.0304.01 Previous job experience.
- 8.0304.02 Quality and quantity of work performed in the present position.
- 8.0304.03 Skills.

- 8.0304.04 In the event 8.0304.01, 8.0304.02 and 8.0304.03 are equal for managers, cooks, or other Civil Service positions, seniority in the classified service shall prevail in awarding the position. For all other positions in the Child Nutrition Department, total Child Nutrition seniority shall prevail. However, the final decision on appointment and placements rests with the Administration; and, it is understood that seniority shall not be the exclusive determination for selection.
- 8.0304.05 Advertised non-Civil Service positions shall be filled within fifteen (15) work days after the close of the posting so long as there is a qualified candidate and the Board desires to fill the position. However, the final decision on appointments and placements rests with the Administration, and it is understood that seniority shall not be the exclusive determination for selection.

8.0305 Step Placement for New Employees

Except as otherwise provided herein, newly hired employees shall start at Step 1 on the salary schedule for their position. In certain circumstances, the Administration may wish to hire a new employee at a higher step than Step 1. In those cases, prior to making an offer of employment, the Business Manager must notify the Union President in writing of the intent to hire at a higher step. If the Union objects, it must do so within five (5) work days of receiving the notification of intent, after which the parties agree to meet to within five (5) work days of the objection to bargain over the higher step placement. The parties agree to bargain in good faith and to fairly and honestly debate the reasons for and against higher step placement. The parties agree that the reasons for or against higher step placement shall be based on the best interests of students and shall not be arbitrary or capricious. If upon meeting the parties still cannot agree, the final decision on step placement rests with the Business Manager.

8.04 Probationary Period for Promotional Transfers

- A. A selected candidate shall serve a probationary period in his or her new assignment, and the assignment shall be confirmed or denied within this time period. The probationary period shall be thirty (30) work days to allow the Board to determine the fitness and adaptability of any unit member for the work required. The probationary period may be extended up to an additional thirty (30) days upon

mutual agreement of the employee, the Union and the Board. The Board may return the unit member to the former position at any time during the probationary period provided it is not for an arbitrary or capricious reason. In the event an employee does not satisfactorily meet the requirements of the promotional position, said employee shall have the right to employment by replacement of the least senior employee in the former classification.

An employee who has a promotional transfer shall have the right to voluntarily return to his/her former position at any time during the probationary period. The position vacated by the employee will not be considered a vacancy until after the employee successfully completes his/her probationary period.

- B. Any current hourly or salaried personnel hired for another higher classification Child Nutrition position shall not make a rate less than the current rate of compensation earned by said employee. To accomplish this purpose, the employee shall be placed on the second step of the schedule which shall show the minimum increase over the previous rate of compensation of said employee.

8.05 Transfers

A. Involuntary Transfers

In case of involuntary transfer because of unsatisfactory service, employees so involved shall be apprised in advance by the Child Nutrition supervisor. Vacancies created by such transfers shall be subject to the regular bid procedure. Classified employees shall have such rights as provided in the Civil Service Rules and Procedures to appeal such transfer.

B. Lateral Transfers

Lateral transfers and those wishing to move to a lower classification shall be given first consideration. However, the final decision on all placements and transfers rests with the Administration. An employee shall be permitted to make only one lateral or downward transfer during a one (1) year period. The year rule shall be waived in the case of involuntary transfers and may be waived by management in the case of lateral transfers.

- C. If a successful bidder declines to accept a position offer, such person shall not be eligible to bid on another position in the classification for one calendar year.

8.06 Resignations

- 8.0601 Any unit member desiring to resign from the staff of the Canton City Schools shall notify the Board of such intent, in writing, as soon as possible. Without a written, dated, signed resignation, the Board cannot process final payroll or other documents. A unit member may withdraw his/her resignation prior to

the Board action accepting it, by giving written notice to the Supervisor of Human Resources. If withdrawn prior to Board action on the resignation, following this procedure there will be no loss of seniority.

8.07 Absence and Temporary Assignments

- D. When an employee reports off, the Board agrees to offer any extra hours to available, regular Child Nutrition employees before using non-Unit personnel as substitutes.

ARTICLE IX - REDUCTION IN FORCE

- 9.01 If the daily hours of an employee are reduced, such employee may bump the least senior employee in that classification with greater hours, provided such hours are equal to or less than the employee's hours prior to the reduction. If there is no less senior employee within the classification with greater hours, the employee may bump the least senior employee with greater hours in any classification previously held by the employee that is within the bargaining unit.
- 9.02 When in the event of building closing, job abolishment, or other reason determined by the Superintendent, reduction in staff is required, the number of people affected by a reduction in force will be kept to a minimum through attrition and by not employing replacements, insofar as practical, of employees who resign, retire or otherwise vacate a position.
- 9.03 Except for classified employees, in which case Civil Service seniority shall take precedence, Child Nutrition seniority shall apply for purposes of retrogression. On the basis of such seniority, displaced personnel, if qualified and if unassigned because of conditions described in 9.02 above, shall be given the opportunity to select temporary assignment to any existing vacancies as well as to all vacancies resulting from 9.02 above. The assignments would be subject to the procedure outlined in 9.04 below.
- 9.04 All openings, including vacancies resulting from 9.02 above, shall be announced and open for bids by all eligible employees as provided by this Agreement. Therefore, displaced personnel assigned in the manner outlined in 9.03 above may bid on their temporary assigned positions or on any other existing openings for which they are qualified. If the displaced employees' bids are accepted, said group of employees shall not be required to

remain in these positions a full year before bidding on other positions as normally required for lateral transfers and new employees.

- (1) First, by a lateral move within the classification, as follows:

- a. by filling any vacancy within the classification to which the employee is assigned provided the hours are equal to or not more than one-half hour less than the hours in the position currently held by the employee; and
 - b. if no such vacancy exists, the employee may bump the least senior employee who is junior to the employee in the classification with hours equal to or not more than one-half hour less than the hours in the position currently held by the employee.

- (4) Nothing in Section 9.0701 prevents an employee from voluntarily selecting any vacancy with substantially fewer hours when exercising their rights under paragraphs (1), (2) or (3), but the employee is not required to do so.

9.0702

It is understood by the parties that retrogression or bumping is not intended to allow employees to select an occupied position into which they will move.

- 9.0703 “Bumping” shall be defined as “the displacement of another employee with less Child Nutrition seniority except that Civil Service seniority prevails over Child Nutrition seniority for cooks.”
- 9.0704 Employees retrogressing (bumping) into lower classifications shall not be subject to a probationary period.
- 9.0705 Bumping under Item 9.0702 above shall automatically place the employee on his/her present step in the new wage classification.
- 9.0706 Any employee reduced in classification or laid off shall retain recall rights for a period of one (1) year with the option of extending the recall for another one (1) year period by notifying the Administration by registered mail within thirty (30) days after the end of the first year’s recall rights as to his/her intent to extend the option. Failure to do so shall cancel second-year recall rights. The appointing authority shall not hire nor promote anyone into the classification series of reduction or lay-off until all reduced or laid-off employees are reinstated. Persons declining an offer of reinstatement shall be removed from the recall list.
- 9.0707 The laid-off employee shall provide the Administration with his/her current mailing address, telephone number, and any other pertinent information. In the event of a recall, the employee being recalled shall be notified by registered mail at the address on file with the Administration, as to the date of his/her expected return to work. Each employee being recalled shall be given ten (10) working days’ notice prior to his/her expected return to service. Persons refusing to accept or failing to respond within the ten (10) work day period shall be removed from the recall list. Notice mailed to the address on file with the Administration shall constitute full compliance with the Administration’s duty under this section.

9.08 Layoff Procedure

- 9.0801 Whenever a regular position in the Canton City Schools is abolished or reduction in force is effected, layoff within the classification or classification series shall proceed in the following order according to the seniority provision of this Agreement:
 - 9.0801.01 Temporary employees.
 - 9.0801.02 Employees serving provisionally who have not completed their probationary period after appointment.
 - 9.0801.03 Employees who have satisfactorily completed their probationary period after appointment.

9.0802 Should an employee being laid off perform a specific specialty, the next employee in line must be willing and able to assume the specialty or accept the lay-off in place of an employee with lesser seniority. "Able" means the ability to perform the specialty with minimal training (up to one week).

9.0803 Recall of laid-off employees shall be based on seniority as outlined in this Agreement.

9.0804 Any unit member subject to layoff shall be notified by certified mail no later than fourteen (14) calendar days prior to the effective date of the layoff. A copy of the layoff notice shall be sent to the Local Union President.

9.09 Under the Provisions of the Above Procedures

Unit members who retrogress to a lower classification shall retain their current hourly wage rate, but not necessarily hours worked per day, and then be frozen at said hourly rate until the hourly wage rate of the new position surpasses that which the employee was earning at the time of retrogression.

9.10 The parties agree that the foregoing procedure shall be the exclusive layoff procedure and that Civil Service statutes, rules or regulations relating to layoff shall not apply. Civil Service shall have no jurisdiction to consider any action under the layoff provisions of this Agreement.

The statement shall include the number of hours and days to be worked per week and in total; actual times and location of the position; job description of the position; and hourly wage and benefits to be provided. A copy shall be sent to the appropriate Local President. The statement shall be submitted to the MCO for approval.

5. Subject to the conditions above and the approval of the MCO for the employee's participation in the Plan, the Business Manager will give written confirmation of the reporting date and hours of work. The employee must respond to the Business Manager's written offer within five (5) work days. Failure of the employee to respond to the written offer within five (5) work days will be considered a rejection of the offer.
6. An employee participating in the Plan shall receive the same rate of pay as the employee was receiving at the time the employee left work because of the injury and will receive all other benefits afforded under the Agreement.
7. The eligible employee will be given a specific start and stop date for the transitional program. The period of time may be extended for special circumstances.

9. The employee will be denied participation in the Plan if the MCO in consultation with the employee's physician determines the employee is physically unable to perform the duties of the position. ZERO TOLERANCE/DRUG-FREE WORKPLACE

Principles

1. The Board believes the abuse or illegal use of drugs is a national problem that seriously affects every worker. It adversely affects users, their families and friends, and it also presents a threat to employers and employees in the workplace.
2. Canton City Schools has always been and remains committed to providing a safe work environment and fostering the health and well being of our employees. The abuse and illegal use of drugs jeopardizes this commitment and undermines our capacity to serve our students and our community.
3. Therefore, the Board has developed this Drug-Free Workplace Policy, which we believe will best serve the interest of our employees, the students, and the community. This policy is based upon our belief that our schools must be an environment free from the effects of drug abuse.
4. The Board also recognizes that if unattended, serious personal problems can adversely affect all aspects of a person's life, including the person's ability to effectively perform his or her job duties.
5. Therefore, early detection and treatment of serious personal problems are mutually beneficial to the employee and the Canton City Schools. The Board is committed to helping employees through its Employee Assistance Program (EAP).
6. All employees are encouraged to become familiar with the policy. If there are any questions about the policy, please contact the Executive Director of Human Resources.

Procedures

1. All staff members have a responsibility to make themselves familiar with, and abide by, the laws of the State, the policies of the Board, and the district wide administrative regulations designed to implement them.
2. All employees are prohibited from the unlawful manufacture, distribution, dispensation, purchase, possession, or use of a controlled substance in the workplace or on the job, or elsewhere, if it impacts the employee's ability to perform his/her contractual responsibilities.
3. All employees are prohibited from reporting to work or working under the influence of a controlled substance.
4. The possession and use of prescription or nonprescription medication are permissible, provided they are possessed and used for their intended purpose in accordance with a lawful prescription or consistent with standard dosage recommendations.

5. Employees are required to notify Canton City Schools (Executive Director of Human Resources) of any criminal drug statute conviction or guilty plea no later than five days after such conviction or plea.
6. The Employees Assistance Program (EAP) provides confidential assessment, referral, and short-term counseling for employees who need it or request it in overcoming work-related and personal problems associated with drug use, alcohol use or other problems.
7. The Board encourages employees to voluntarily seek assistance, on a confidential basis, through the EAP if drug use is a problem. A conscientious effort to utilize the EAP will not, by itself jeopardize an employee's job. Utilization of the EAP, however, is not a means of avoiding the Canton City Schools' standard disciplinary procedures. The Board expressly reserves the right to discipline employees, up to and including termination.
8. If an EAP referral to a treatment provider outside the EAP is given, the cost may be covered by the employee's medical insurance, if not, the cost of such outside services is the employee's responsibility.
9. It is a condition of employment that employees abide with the terms of this policy. Violation of these terms may result in termination of employment.

FLEX PLAN

If an employee elects coverage for the employee and/or the employee's spouse and dependents under the Stark County Schools Council of Governments (COG) Health Benefit Plan (or any successor health plan) (the "Health Plan"), the following rules shall apply to the employee:

1. The employee shall be deemed to have made an election to participate in a Section 125 Plan of the School District (i.e. the Section 125 Plan that is sponsored by the Council of Governments or any successor plan maintained by the School District).
2. Under the Section 125 Plan, the Employee shall be deemed to have elected to make the Employee's required employee contributions for Health Plan coverage pursuant to a pre-tax salary reduction election of the employee; and no employee who enrolls for Health Plan coverage shall have the option of paying for such coverage with after-tax dollars.
3. If the employee does not change his or her Health Plan coverage election during the annual election period provided for under the Section 125 Plan, the employee shall be deemed to have renewed the Employee's existing election under the Section 125 Plan to pay for the elected Health Plan coverage via pre-tax salary reduction.

The foregoing deemed election rules shall not apply under the Section 125 Plan for any coverage that is offered with respect to a health care flexible spending account ("FSA") or dependent care FSA. An employee shall be required to elect FSA coverage for each Plan Year of the Section 125 Plan in accordance with the terms of the Section 125 Plan; and a failure to make an election of FSA coverage for a Plan Year shall be deemed to be an election not to participate in the FSA for that Plan Year.

Notwithstanding the foregoing deemed election rules under the Section 125 Plan, an employee shall retain the right to revoke or change the Employee's Health Plan coverage election or deemed election, in accordance with the Section 125 Plan rules relating to changes in status and the like.
