ARTICLE 10 – FREEDOM OF SPEECH IN NON-INSTRUCTIONAL SETTINGS

- A. The Board acknowledges the right of its employees, as citizens in a democratic society, to speak out on issues of public concern. When those issues are related to the school system, however, the employee's expression must be balanced against the interests of this district.

- D. The Superintendent shall, in considering any transfer voluntary or involuntary, base a decision on: State requirements for highly qualified teachers; the need to balance various teacher skills among the schools; changing pupil population within the proposed assignment; the employee's background and preparation for the position; the employee's success in former positions; the employee's attitude toward change; the employee's desire for professional growth; the employee's length of service in the district and in the position presently held; the recommendation of the employee's administrative supervisors; and the administrative and operational efficiency advanced by the proposed assignment. When two or more candidates are equal in all other areas, length of service in the district should be used as a final, tie-breaking factor for determining the recipient of a requested transfer (most senior person to be selected for transfer) or for determining the teacher to be moved in an involuntary transfer (least senior person to be selected for transfer). Employees may not transfer duties from one position to another nor may one employee perform the duties of another employee except that such transfers which are temporary and for good cause may be approved by the building principal. A voluntary or involuntary transferee must have proper certification.

- C. Board employees who hold elective or appointive office are not entitled to time off their school duties for reasons incident to such office, except as such time may qualify under the leave policies of the Board.
- D. Employees who absent themselves from assigned duties without permission may be deemed insubordinate and penalized accordingly.
- E. The following situations are exempt from the prohibitions of this policy: The discussion and study of politics and political issues, when such discussion and study are appropriate to classroom studies, such as history, current events, and political science; the conduct of student elections and campaigning connected therewith; and the conduct of employee representative elections.

ARTICLE 24 – REDUCTION IN FORCE

It is the responsibility of the board to provide the staff necessary for the implementation of the educational program of the district and the operation of the schools and to do so efficiently and economically. In the event of such a proposed reduction in force, the Board shall give the Association notice of the proposed reduction and the reasons for the RIF not less than thirty (30) days prior to the proposed RIF.

A. Attrition

Subject only to the exceptions contained herein, the number of persons affected by a reduction in force will be kept to a minimum by not employing replacements for employees who die, retire, resign, or whose limited contracts are not renewed on the basis of performance. The employment of replacements for some positions may be necessary, however, in the event that employees in the system do not possess the necessary certification and do not possess qualifications and experience equal to the person to be hired for the position, and the position is one that needs to be filled. Attrition, moreover, may not be sufficient to accomplish a reduction in force in full.

B. Seniority

When the Board of Education determines that a RIF will be put into effect, the least senior teacher/s with lowest evaluation rating in the area to be reduced will be laid off. The following procedure will be followed:

1. The Board will determine the level, elementary and/or secondary to be reduced.
2. The Board will determine the subject area, if applicable, to be reduced.
3. The current seniority list, which lists all teachers at their current level (elementary or secondary) and subject area in order of seniority, will be consulted to determine the actual staff members to be laid off. A continuing contract takes precedence over all other contracts – on the seniority lists, continuing contract holders (in order of seniority) will be put above all other holders of limited contracts (in order of seniority).
 - a. Seniority shall mean the length of continuous employment with the Board determined as follows:
 - 1) Seniority (for these purposes) accrues from the date of the board meeting that the employee was hired.
 - 2) Seniority shall accrue for all time on active pay status or when the employee is receiving worker's compensation.

- 3) Unpaid leave or lay-off shall not contribute toward seniority, but will not constitute a break in service.
 - 4) Fulltime employees shall receive one (1) year of seniority for each year worked and part time employees shall receive pro rata seniority for their employment.
4. Equal seniority shall occur when two (2) or more employees have the same amount of seniority as determined on the seniority lists. Ties in seniority shall be broken by the following method to determine the most senior:
- a. Actual date that contract was signed and submitted by the employee.
 - b. Total years' experience in any district.
5. The Seniority List shall be posted each September and sent to the Association President; should changes be made during the year, a new list shall be sent to the Association President.
- a. The names of employees on the seniority list shall appear in seniority rank order within areas of certification or classification (most senior at top), their first day worked, their hire-in date, and contract status.
 - b. Teachers certified in more than one area shall be listed for all areas of certification.
 - c. Part time employees shall be listed separately.
6. Each employee shall have a period of thirty (30) days after posting of the seniority list in which to advise the Board of inaccuracies which affect his/her seniority. Should a new list be required, the Board shall make the adjustments and re-post the list. No protests shall be considered after thirty (30) days of the posting of the seniority list and the list shall be considered as final until the next posting.

Recommended reductions in a teaching field will be made by the following criteria (in numeric order):

1. area of certification/licensure
2. comparable evaluations*; and
3. seniority

*Comparable evaluations – For the purpose of this agreement, comparable evaluations shall be defined as two teachers having like evaluation ratings.

7. A teacher who is given notice of impending contract suspension may then be eligible to displace another less senior teacher following the rules in Section 7 of this provision.

C. Recall

Teachers selected for non-renewal shall immediately be placed upon a RIF list compiled from the seniority lists provided for in section "B-3". Teachers non-renewed for performance reasons shall not appear on the list. A teacher whose name appears on the RIF list shall be offered re-employment when a position becomes available for which he/she is certified/licensed, subject to the exceptions provided for in "B". Subject to the exceptions provided for in "B", teachers on the RIF list shall be offered re-employment to positions for which they are certified in the order of seniority at the time they are non-renewed. No new teachers shall be employed by the Board while there are teachers on the RIF list certified/licensed for any opening of a teaching position, subject to the exceptions provided for in "B". Said recall rights shall be for a period of three (3) years from the date of the reduction in force.

1. Notice of recall shall be given by telephone, telegram, or registered mail to the last telephone number or last address given by the certificated/licensed employee to the Board. It shall be the responsibility of the certificated/licensed employee to keep the Board advised in writing of a telephone number and mailing address at which he/she can be reached.
2. Subject to the exception provided in "B", certificated/licensed employees notified on or before June 1st that their limited contracts are not being renewed for the next school year, shall be offered re-employment based upon seniority should openings occur in the course of that next school year and the school year subsequent to the next school year for which they have the necessary certification/licensure. Certificated/licensed employees who are offered, but who decline re-employment for the current year, but decline due to having temporary teaching employment, shall be offered re-employment in openings which may occur after the certificated/licensed employee's declination or re-employment. Certificated/licensed employees offered re-employment in neither the course of the school year following their non-renewal nor in the school year subsequent thereto, must make application for employment in accordance with established procedures if they desire to be considered for employment in any school year after the school year following notice of non-renewal and the school year subsequent thereto. The rights herein granted to a non-renewed teacher shall be forfeited by the teacher should he/she:
 - a. Waive his/her recall rights in writing

- b. Resign

Regular part time employees shall be entitled to sick leave in proportion to the time actually worked. The Board shall accept by transfer the accumulated sick leave up to the limits listed above which any new employee has acquired in another position of public service in Ohio, provided that the last termination of such service shall have been within the last 10 years.

3. Leave Provisions

- a. Each eligible employee is entitled to and shall be granted upon request up to 12 weeks of unpaid leave per year to care for a new child or sick child, parent or spouse, or to use for the employee's own medical treatment. Such leave may be taken for the care of a newly adopted or newly placed foster child, as well as a newborn child.
- b. Any leave beyond 12 weeks in a year for these combined purposes may be granted pursuant to the other leave provisions of this Agreement.

Eligible employees may choose to substitute paid leave granted by other provisions of this Agreement for all or part of the unpaid leave granted under this Article.

Leave taken to care for a new child must be taken within one year of birth or placement of the child. The employee must give the Board thirty days' notice of the birth or placement if possible, or as much notice as possible, if less than thirty days.

5. Medical Certification

- a. The Board may require medical certification from a licensed physician as to the medical necessity for a leave under this Article. Such certification will include a statement by the physician that the employee is unable to perform all the duties of his/her position, or that their presence is required to care for a seriously ill family member. This section shall be uniformly applied.

ARTICLE 27 – ASSAULT LEAVE

- A. The teacher is actively encouraged to pursue prosecution of the student or students, or appropriate party, who assaulted or battered the teacher in the appropriate criminal or juvenile court; provided, however, that an acquittal of the student shall not render the teacher ineligible for assault leave. - C. In addition, the Board recognizes that employees may be called upon to appear in court in three circumstances. This leave will be handled in the following manner:
 - 1. If the teacher is served a subpoena by a court of law and required to testify as a witness in a manner related to the teacher's professional duties, this will be considered professional leave, the teacher will not be penalized in any way, and the leave will not be counted as one of the days of professional leave granted for professional improvement.

 - 2. If a teacher is served a subpoena by a court of law for a matter unconnected with his/her educational duties, but not as a plaintiff or defendant, the teacher will be required to first use all personal leave available to him/her. When that personal leave has been exhausted, he/she may apply for one additional personal leave day which may be granted at the discretion of the building principal and/or local Superintendent and he/she will continue to be paid at his/her customary rate.

 - 3. If a teacher is required in court as a plaintiff or as a defendant in a civil or criminal case, the teacher will first use all available personal leave. When this is exhausted he/she may then request further personal leave in accordance with the personal leave provisions of this contract.

ARTICLE 29 – PERSONAL LEAVE

- A. The Board shall, pursuant to the provisions of this policy, provide for an employee's absence for personal necessity when not otherwise covered by the terms of the negotiated agreement.
- B. Up to four (4) full days of personal leave may be used, if approved by the building principal, each contract year by full time employees. Regular part time employees shall be entitled to personal leave in proportion to the time actually worked. One personal day may carry over to the next school year with a maximum of 4 personal days per school year.
- C. Unpaid personal leave may be granted at the discretion of the superintendent based on the availability of a substitute, costs, and the needs of the education program and must be pre-approved. Dock days shall be limited to three (3) days in any calendar school year unless approved by the Superintendent.
- D. When all personal leave has been exhausted and you did not roll over a fourth personal day, if a valid reason for personal leave exists one day extended personal leave may be granted at the discretion of the superintendent.
 - 1. A teacher granted extended personal leave will continue to be paid at his/her customary rate, except he/she will be expected to reimburse the Board for all substitute expenses incurred by the Board during his/her absence.
- E. The days requested shall be submitted in writing three (3) days prior to the expected leave on the proper form. The only exception is in the case of an emergency. In case of emergency, notify your building principal or the Superintendent of your anticipated absence. When you return, the form must be completed.
- F. Personal leave may not be used in place of sick leave, unless all sick leave has been used.
- G. Personal leave may be granted for the day immediately prior to or immediately after a vacation or holiday at the discretion of the superintendent, based on the reason, the availability of substitutes, cost and the needs of the educational program.
- H. Personal leave may not be used the last two weeks of school unless it is an emergency and approved by the superintendent.
- I. The number of staff members granted personal leave for any one day can be limited by the educational demands of the Riverside School District.

If an employee fails to overcome the Superintendent's recommendation or fails to request an appearance before the Board within the time allowed, the Board shall order the employee to submit an appropriate examination by a physician jointly designated by the parties and compensated by the Board.
 - 1. If, as a result of such examination, the employee is found by the jointly designated physician to be unfit to perform assigned duties, the employee may, at the discretion of the Board, be placed on appropriate leave of absence until proof of recovery, is furnished by the jointly designated physician. If the employee is deemed able to return to work, then he/she shall directly return at the contract status which he/she held prior to being placed on such leave.
 - 2. Should an employee refuse to submit to the examination requested by the Board and the employee has exercised his rights under the provisions hereinabove set forth, such refusal shall subject the employee to disciplinary action which may result in the institution of procedures for termination of contract.

Any expense which is above and beyond the current group insurance plan will be paid for by the Board of Education. - B. Riverside Professional Development Committee
 - 1. The purpose of the Riverside Professional Development Committee (RPDC) is to give teachers greater professional autonomy and responsibility for professional development and to shift control to individual teachers to allow for more self-directed freedom in making decisions about their teaching and learning, so students achieve higher standards in learning. The role of the RPDC is to evaluate the “individual professional development plan” (IPDP) submitted by each educator wishing to fulfill license renewal requirements.
 - a. An Individual Professional Development Plan (IPDP) is based on the needs of the educator, the students, the school, and the school district and must be submitted for approval to the RPDC for conversion to a license.

 - 4. Frequency of Meetings: All meeting should be held at a time and place convenient to everyone and shall be decided by the RPDC and may not be held in such a way to impede the teacher’s preparation time. The committee shall determine the time of its meetings.

- a. A calendar of the yearly meetings shall be established at the first RPDC meeting each year by September 30th. Said calendar shall be given to each educator in the district along with the names of the members of the RPDC.

8. The decisions of the RPDC may not contravene the language of the collective bargaining agreement and no waivers of contractual provisions shall be made other than the area of state certification requirements (this would allow the RPDC to approve hours, CEU's and other appropriate activities for licensure.) This waiver shall not be used to place teachers in areas outside their present certification.
9. The RPDC shall draft written procedures for an appeals procedure. The Association shall be held harmless for decisions of the RPDC on certification/licensure for individuals.
10. The RPDC may enter into a collaborative countywide group for the purpose of training RPDC members, circulating criteria, developing procedures, organizing workshops/coordinating discussions, maintaining records of CEU's, and/or providing acceptable programs and coursework for licensure.

ARTICLE 41 – SELECTING STUDENT TEACHERS

- A. The Board encourages cooperation with state approved colleges and universities in the training of student teachers because the public school offers an essential ingredient-direct experience with pupils and teachers at work in the classroom, but certain safeguards have been found to be necessary for the best interests of all concerned.
- B. Colleges and universities should first make contact with the Superintendent regarding placement of a student teacher.
- C. The Superintendent will, with the approval of the Board, make the final placement of student teachers. The supervising teacher shall hold no less than a standard certificate/license and shall have no less than three (3) years of successful teaching experience in the area of assignment. Any exception shall be made within the current guidelines set forth in “Laws and Regulations Governing the Certification of Teachers”.
- D. The certificated/licensed personnel of the Board who agree to serve as supervisors of teacher education students may accept an honorarium or stipend directly from the college/university for those services rendered outside the regular school day and above and beyond the duties and responsibilities specified in their teaching contract.
- E. The following conditions shall also be met: the institution making the assignment shall provide adequate follow-up supervision; the supervising teacher must agree to work effectively with both the student teacher and the institutional supervisor. If, at any time, the quality of student teaching is judged to be inferior or disruptive to the on-going class program, by the supervising teacher or principal, the Superintendent may request withdrawal of the original permit.

ARTICLE 42 – INSTRUCTIONAL PLANS AND IN-SERVICE

- A. The instructional activity provided by district teaching staff members is an element essential to the attainment of district goals, objectives, and standards.
- B. Teachers shall have instructional plans for the Principal on their desk at all times. Instructional plans for a substitute must be available at the teacher's desk in his/her absence. If a teacher defaults on the above-stated two (2) documented times, then the teacher must turn in lesson plans to their principal by Monday at 8am each school week from that point on.
- C. There shall be four (4) one-hour, in-service meetings generated by the teachers and administrators, taught by classroom professionals that would be required and counted in the yearly program of in-service. Areas to be covered would include, but not be limited to: department or grade level meetings, changes in educational law, student and teacher health, computer literacy and usage, and portfolio design and assessment. Topics will be developed by the Riverside Professional Development Committee (RPDC).

ARTICLE 43 – GRIEVANCE POLICY

- A. It is the policy of the Board to develop and practice reasonable and effective means of resolving difficulties which may arise among employees, to reduce potential areas of grievances, and establish and maintain recognized two-way channels of communication between professional members not otherwise covered by the terms of a negotiated agreement.

- B. The Board intends in this grievance policy to expedite the process for all parties concerned. The policy, therefore, has as its goal the following: The policy is intended to be used after an attempt has been made to resolve a difficulty on a face-to-face basis between the parties concerned; the policy is to secure proper and equitable solutions to grievances at the lowest appropriate level, and to facilitate an orderly succession of procedures within which solutions may be pursued. There shall be no reprisals of any kind taken against any certificated/licensed employees or their representatives because of participation in a grievance or support thereof, and under no circumstances will the procedure constitute a reflection on the employment record of the grievant.

- C. For purposes of this policy the terms used herein shall have the following listed definitions:
 - 1. Grievance – A grievance is an alleged violation, misapplication, or misinterpretation of the collective bargaining agreement.

 - 2. Problem – A problem is a complaint relating to the conditions or circumstances under which an employee works.

 - 3. Conferee – A conferee is a union representative chosen by the grievant.

 - 4. A Day – A day is any day that the district administrative offices are open for business; for which a certificated/licensed employee is contracted to work.

- D. Alleged grievances should be discussed in a private, informal conference, with the grievant's immediate supervisor or administrator.

- E. The grievant has the right to Union representation at all meetings and hearings involving the grievance. All parties at interest shall be permitted to attend a grievance meeting or arbitration hearing with no loss of pay or benefits. The Union has the exclusive right to file grievances and to be present for the adjustment of any and all grievances. A grievance may be withdrawn by the Union at any time without prejudice.

- F. Failure of the grievant to comply with timelines shall be cause for the grievance to be dismissed. Failure of the employer to comply with the timelines shall result in the granting of the relief sought in the grievance.
- G. The time limit provided for in this policy may be extended by mutual written agreement of the parties. Any decision not appealed within the limits from one level to the next level in the grievance policy shall be considered settled on the basis of the last decision and not subject to further appeal.

Informal Level:

When an employee becomes aware of the act on which a grievance is to be based, the employee and the Union representative may discuss the grievance with the employee's immediate supervisor. If the grievance is to be filed with the grievant's immediate supervisor, there should be an attempt to resolve the grievance informally.

If the grievance is not resolved during the informal step, or in the event the informal step is not utilized, the Union may, within twenty (20) days of the act or the grievant's awareness of the act giving rise to the grievance, file a written grievance with the appropriate supervisor.

Level One:

- a. Within twenty days after the occurrence of the act or omission giving rise to the grievance, the grievant must present his/her grievance in writing to the administrator with the immediate administrative responsibilities for the position to which the complainant is assigned. This statement shall be a clear concise statement of the grievance, and the policy or law for which there is an alleged violation; the circumstances on which the grievance is based; the person(s) involved; the decision rendered at the private conference, and the remedy sought. Copies of this statement may be sent to conferee.
- b. Within five days, the administrator shall communicate his/her decision to the employee in writing. If the administrator does not respond within the time limit, the grievant may appeal to the next level.

Level Two:

- a. Within seven days after receiving the decision of the administrator at Level One, the grievant may, on his/her own or with his/her conferee appeal the decision of Level One to the Superintendent. The appeal shall be accompanied by a copy of the decision of Level One.
- b. Within five days after the delivery of the appeal, the Superintendent shall investigate the grievance including giving all persons who participated in Level One a reasonable opportunity to be heard.

- c. Within seven days after delivery of the appeal, the Superintendent shall submit his/her decision in writing together with the supporting reasons, to the grievant and the administrators involved.

Level Three:

- a. Within seven days after receiving the decision of the Superintendent, the grievant may, on his/her own, or through a conferee appeal the decision in writing to the Board.
- b. The Board shall schedule the matter for a hearing at an executive session to be held within ten days following receipt of the appeal. The grievant and/or his/her conferee shall be present at the hearing.
- c. Within ten days the Board will submit its decision in writing together with supporting reasons to the grievant. A copy shall be furnished the administrators involved and the Superintendent.

Level Four:

- a. If the decision is not satisfactory at Level Three, the Union shall have the exclusive right to determine whether to appeal the decision to the American Arbitration Association. The decision of the AAA shall be binding on grievant and the Board.
- b. All costs for the arbitration hearing shall be borne by the loser except for the cost of a court reporter and transcript which shall be borne by the parties requesting them. The decision of the arbitrator shall clearly designate the losing party.

ARTICLE 44 – EMPLOYEE DISCIPLINARY PROCEDURE

A. Employees in the bargaining unit shall not receive a written reprimand, suspension, or termination for disciplinary reasons without just cause. Disciplinary actions shall be applied in a progressive and consistent manner to all employees. Discipline shall only be administered pursuant to the procedure listed under this article and such action shall be confined to the infractions listed in the Board Policies.

1. Informal Conference
2. Written Reprimand
3. Suspension Without Pay
4. Termination Pursuant to and Governed by ORC 3319.16

Upon the initiative of the Superintendent, with good cause shown, Steps 1 and 2 above may be omitted and a teacher brought before the Superintendent directly for disciplinary action.

Informal conferences shall be documented in a concise format and shall remain in an active file for one (1) year from the date of the incident and shall contain the following information:

1. The date of the conference
2. Conference participants
3. A one-sentence statement of the topic of the conference
4. Signatures of the employee and the administrator involved

Informal conferences will be considered as a constructive, corrective action concerning a prevalent problem. Informal conferences shall not be considered as disciplinary actions and shall not be grievable.

Unrelated violations shall begin a new and separate application of the disciplinary action. Any discipline against an employee must be initiated within ten (10) workdays after the employer has knowledge of the event or should reasonably have known of the event necessitating the discipline.

1. Informal Conference documentation shall remain in an active file for one (1) year from the date of the incident.

2. Disciplinary actions shall be removed from an employee's personnel file upon mutual agreement between the superintendent and the employee at the beginning of their new contract year. In the case of a Continuing Contract, disciplinary actions shall be expunged from an employee's personnel file upon mutual agreement between the Superintendent and employee after 5 years.
3. All disciplinary actions are provided in writing to employees, signed as having been received and after such actions, to be forwarded to the Central Office to be filed in the employee's personnel file disciplinary file which shall be the sole depository for same.
4. Employee access to personnel file shall be governed by Article 51 D.

B. Right of Representation

At any time an administrator conducts a disciplinary and/or investigative hearing with an employee covered hereunder wherein disciplinary actions of record (written reprimand, suspension, or termination) could result, the administrator shall advise the employee of the employee's right to have an Association representative of his/her choice present. If the employee waives this right, the waiver shall be in writing and signed and dated by that employee.

Meetings between the employee and his/her administrator are not deemed to be hearings in cases where disciplinary actions are not intended. If an administrator has reason to reprimand an employee, it shall be done in a manner that will not embarrass the employee before other employees or in public. Any employee in disagreement with the action taken by the Employer may file a grievance in accordance with the grievance procedure contained in this Agreement.

C. Hearing and Procedure

1. No employee covered hereunder shall be discharged, suspended, or taken out of service (terminated) unless a preliminary hearing is held.
2. However, an employee may be conditionally suspended (with pay) by the superintendent at the time of the incident pending such a hearing in circumstances where a preliminary hearing is impractical. Such suspension shall be no longer than five (5) days. The employee and the Association shall be notified in writing of such suspension and a time and place for a preliminary hearing.

3. A preliminary hearing shall be scheduled by the administrator within five (5) days unless an extension is agreed to by the suspended employee and the Association on his/her behalf.
4. The administrator shall present all information pertinent to the employer's accusations against the charged employee reasonably prior to the review hearing and such information shall be the sole basis of documentation if disciplinary action is pursued. Association representatives of the employee's choice may be present at such hearing at employee's request.
5. Discipline shall only be carried out by non-bargaining unit, certificated/licensed, administrative personnel. All discipline shall be issued (on a form provide by the employer) to the employee in writing that shall include:
 - a. Date, time and place of alleged occurrence
 - b. Charging party
 - c. Nature of violation (if specific rule or policy so state)
 - d. Rationale for discipline
 - e. Administrative employee issuing discipline signed and dated.

The employer agrees that all disciplinary procedures shall be carried out in private and in a businesslike manner.

Notwithstanding any other provision of the Agreement, the Association or grievant in the event of termination shall initiate action pursuant to and governed by ORC 3319.16.

6. Thereafter, the administrator conducting the preliminary hearing shall issue his/her findings and recommendations to the Board of Education, which may adopt, rescind, or amend by order, the findings and recommendations. Such order shall be in writing. Such order may be appealed in accordance with section 3319.16 of the Ohio Revised Code.
7. Employees in the bargaining unit shall be permitted to review the contents of his/her personnel file at all reasonable times upon written request to the Personnel Director. However, in no case shall such review exceed three (3) workdays from the employee's request. Employees may have an Association representative at such review.

ARTICLE 45 – SEVERABILITY

- A. In the event there is a conflict between a provision of this contract and *ORC 4417.10 (2)* or federal law, or valid rule or regulation adopted by a federal agency as determined by a court of competent jurisdiction, *ORC 4417.10 (a)* or federal law or valid rule or regulation adopted by a federal agency shall prevail as to that provision. All other provisions of this Contract which are not in conflict with *ORC 4117.10 (a)* or federal law, or valid rule or regulation adopted by federal agency, thereto, shall continue in full force and effect in accordance with their terms. The parties shall meet to negotiate any necessary change in the Contract relative to the affected provision within sixty (60) days by demand of either party.

- B. If, during the term of this Contract, there is a change in any applicable state or federal law, or valid rule or regulation adopted by a federal agency or a state agency pursuant thereto, which requires the Board to develop policies that affect the term(s), condition(s) of employment, or working condition(s), then the parties will meet negotiate, under *ORC 4117*, the additional term, condition of employment, or working condition within sixty (60) days by demand of either party.

ARTICLE 46 – INCLUSION AND MAINSTREAMING

- A. In order to more fully comply with the letter, spirit, and philosophy of the applicable laws relating to the inclusion and mainstreaming of special needs students into the regular classroom, the Board and the Association agree the following items are necessary and will be done.
1. Regular classroom teachers are to be included in any diagnostic meetings and in the IEP conference for special education students included or mainstreamed in their classrooms.
 2. The IEP shall identify service to be provided to the special education student. The regular classroom teacher shall only be responsible for teaching and teaching assignments shall be appropriate to each teacher's certification.
 3. Additional classroom support requested by the classroom teacher may be provided when special education students are included or mainstreamed. The support may include, but not be limited to, nursing, aides, tutors, and the special education teacher in the classroom.
 4. The district may fully fund all educational training an employee needs to aid in the education of mainstreamed students. This may include training at an accredited institution.
 5. Because of their special needs, mainstreamed special education students will be distributed equally among classes within a grade level or sections of a given class, unless mutually agreed to by the building principal and the teacher.
 6. If problems should arise for the regular classroom teacher as a result of inclusion or mainstreaming of a special education student, a meeting will be set up between the Intervention Assistance Team and or the Principal to resolve the problem.
 7. If any special medical needs student(s) is placed in a classroom, the teacher will not be required to: administer medication, perform any medical procedures, or handle problems with bowel or bladder control, or body fluid. The classroom teacher shall not be responsible for any lifting, diapering, or procedures such as catheterization for any student. No teacher shall be required to administer medication to any student nor shall they be required to perform medical procedures or other such procedures of a physical nature such as catheterization, tube feeding, etc.

8. When scheduling students, the building principal should take into consideration the number of students not on IEP's assigned to a regular classroom in relation to the number of students on IEP's assigned to that regular classroom.

ARTICLE 47 – COMPLAINTS AGAINST THE EMPLOYEE

- A. In the event a complaint or question concerning a teacher is received, the following procedure shall be used if the principal determines that the complaint has merit.
1. The complaint will be addressed to the concerned employee, who shall have the right to meet with the complainant to discuss the complaint.
 2. If the matter is not resolved in this discussion, the complainant shall submit a written complaint to the building principal, who will schedule a meeting with the parties at a mutually agreeable time to discuss the complaint.
 3. If the matter is not resolved at that level, a meeting may be sought with the Superintendent. The superintendent may schedule a meeting to discuss the complaint at a mutually agreeable time for the complainant, the affected employee and his/her representative.
 4. Should the issue fail to be resolved by section (A) 3 of this article, and a meeting is sought with the Board, the employee shall be notified of the meeting and have an opportunity of addressing the Board in an executive session with his or her representative prior to the complainant meeting with the Board.
- B. This procedure shall be applied equally to all complaints, either verbal or written.
- C. Any complaint which is not brought to the attention of the employee within five (5) working days after the complaint is made shall not be made the basis for disciplinary action against the employee.

ARTICLE 48 – PERSONNEL RECORDS

- A. The only official personnel files for each teacher shall be maintained in the Office of the Board of Education.
- B. Any material placed in the file shall be signed and dated by the person directing its placement in the file and by the teacher and a copy given to the teacher. If the teacher refuses to sign the material, such fact shall be noted.
- C. No anonymous letters or materials shall be placed in any teacher's file, nor shall they be made a matter of record.
- D. Teachers shall be entitled to view or make copies of materials in their file under the supervision of an administrator or designee.
- E. Any documentary information outside the file which is to form the basis of a teacher's evaluation or a recommendation for employment or non-employment will be furnished to the teacher at least ten (10) days prior to its use.

ARTICLE 49 – FORMS

All forms relevant to the teaching staff such as, but not limited to, the following: all requests for leave, evaluation instrument, any administrative attachments to other forms or statements, contracts, limited and continuing, supplemental and extended time contracts, disciplinary action, intra-school substitute contract, and any others as requested by the REA, Administration, or the Board of Education, shall be incorporated into this agreement by Addendum.

No other forms which directly affect the contract status of any teacher or that teacher's evaluation are to be used without agreement of the parties involved.

ARTICLE 50 – STUDENT DISCIPLINE

- A. An employee may refer to the Principal or other appropriate employee of the Board, a student who seriously interferes with the learning opportunities of other students in the classroom.
- B. If a student's conduct or presence poses a danger to persons or to property within a classroom or that student proves to be an ongoing danger, the student may be removed for the safety of the classroom. The employee must then notify the Principal of the student's behavior. The Principal may request the teacher to be present during the discipline hearing. Regardless, the Principal will report to the teacher what action has been taken before the student is permitted to return to the classroom.
- C. An employee may, within the scope of his/her employment, use and employ such amount of force that is reasonable and as is necessary to quell a disturbance threatening injury to others, to attain possession of weapons or other dangerous object, or for the purpose of self-defense or for the protection of other persons or the property of the Board.
- D. In the event that a physical confrontation between an employee and a student occurs, the employee shall report the incident to the Principal. In every instance of a physical confrontation against an employee, the Principal will report to the employee what action has been taken with the student before the student is permitted to return to the classroom.
- E. In any event, the employee retains the right to appeal a disciplinary decision, or lack thereof, to the Superintendent and the Board of Education.

ARTICLE 51 – HIRING OF RETIRED TEACHERS

A teacher retired under STRS (“re-employed teacher”) may be employed/re-employed under the following conditions:

- A. The Board is under no obligation to employ any retired teacher and there is no expectation of re-employment when a teacher retires from the Riverside Local School District. Re-employed teachers who previously worked in the District do not need to be interviewed by the Board for any vacant positions for which they apply. Re-employed teachers who previously worked in the District are not guaranteed a particular assignment upon re-employment. Re-employed teachers will be assigned to positions that are within their certification/licensure area(s) and are eligible for transfers pursuant to the negotiated agreement.
- B. Re-employed teachers will be placed, at the Board’s discretion, on any step between zero and eight years of service on the salary schedule. Once initially placed on a step, any subsequent re-employment shall be on the same step. Re-employed teachers shall be given full credit for their educational level at the time of their retirement. The District will only be responsible for single coverage only.
- C. Re-employed teachers are eligible for the Riverside Local Schools insurance program. The District will be responsible for the cost of single coverage only. If the retire-hired teacher elects to participate in family insurance, then the employee is responsible for the paying the cost of the difference between the single and family plan.
- D. Re-employed teachers shall be given full credit for their educational level at the time of their retirement.
- E. Re-employed teachers are not eligible for continuing contracts; rather, they will be awarded one-year contracts that will automatically expire at the end of each school year without notice of non-renewal and without compliance with O.R.C. Sections 3319.11 and 3319.111. For purposes of re-employed teachers, the parties expressly agree that this provision supersedes and replaces O.R.C. Sections 3319.11 and 3319.111 and differs from the rights of other teachers contained in the negotiated agreement. Performance evaluations of re-employed teachers will be conducted annually. Such evaluations may be formal or informal assessments at the discretion of the building principal.
- F. Re-employed teachers may not accrue additional STRS credit as a result of their service following re-employment. Instead, the Board and the re-employed teacher shall make contributions to STRS that will fund a single life annuity with a reserve based on the re-employed teacher’s accumulated contributions during his/her

period of service as a regular teacher following re-employment. For additional information concerning the annuity see O.R.C. Section 3307.35.

- G. Seniority for re-employed teachers returning to service with the Board after retirement will return to zero (0) years and remain at zero (0) years for the re-employed teacher's entire "post-retirement" tenure. In the event of a reduction in force the re-employed teacher will not have any of the bumping rights set forth in the negotiated agreement.
- H. Re-employed teachers are not eligible for severance pay for accumulated sick leave and may not participate in any future retirement incentive programs.
- I. Re-employed teachers will be eligible to accumulate sick leave. Sick leave shall commence at zero (0) days for re-employed teachers. The parties expressly agree that this provision supersedes and replaces O.R.C. Section 3319.141.
- J. Subject to these provisions, re-employed teachers are part of the bargaining unit.
- K. The parties expressly agree and fully intend this Article to supersede and take precedent over any inconsistent and/or contrary provisions of the Ohio Revised Code, the Ohio Administrative Code, and federal laws and regulations.
- I. Unless otherwise limited by this article, re-employed teachers are afforded all other rights set forth in this contract.

ARTICLE 52 – FAIR SHARE FEE

When the United Riverside Education Association reaches a total membership that is equal to or greater than seventy percent (70%) of the total potential membership, a “fair share” fee for non-members will be implemented in the following school year (example - if the membership reaches the required percentage after new enrollment in September of the 2013-2014 school year, the fee will be assessed to non-members in the 2014-2015 school year). The guidelines for fee assessment will then be as follows:

- A. Payroll Deduction of Fair Share Fee: The Board shall deduct from the pay of members of the bargaining unit who elect not to become or to remain members of the United Riverside Education Association a fair share fee for the Association’s representation of such non-members during the term of this contract. No non-member filing a timely demand shall be required to subsidize partisan political or ideological causes not germane to the Association’s work in the realm of collective bargaining.

- B. Notification of the amount of Fair Share Fee: Notice of the amount of the annual fair share fee, which shall not be more than 100% of the unified dues of the Association, shall be transmitted by the Association to the Treasurer of the Board no later than September 15 of each year that the fee is imposed for the purpose of determining amounts to be payroll-deducted. The Board agrees to promptly transmit the amounts to be deducted to the Association.
 - 1. Schedule of Fair Share Fee Deductions
 - a. Payroll deduction of such annual fair share fees shall commence on the first pay date which occurs on or after January 15 of each year. In the case of unit employees newly hired after the beginning of the school year, the payroll deduction shall commence on the first pay date on or after the latter of sixty days employment in the bargaining unit position or January 15.
 - 2. The employer further agrees to accompany each such transmittal with a list of the names of the bargaining unit members for whom all such fair share fee deductions were made, the period covered, and the amounts deducted for each.

- C. Procedure for Rebate

The Union represents to the employer that an internal rebate procedure has been established in accordance with Section 4117.09(c) of the Revised Code and that a procedure for challenging the amount of the representation fee has been established and will be given to each member of the bargaining unit who does not

join the Union and that such procedure and notice shall be in compliance with all applicable state and federal laws and the Constitutions of the United States and the State of Ohio.

D. Entitlement to Rebate

Upon timely demand, non-members may apply to the Union for an advance reduction/rebate of the fair share fee pursuant to the internal procedure adopted by the Union.

E. Indemnification of Employer

The Union on behalf of itself and the OEA and NEA agrees to indemnify the employer for any cost or liability incurred as a result of the implementation and enforcement of this provision provided that:

1. The employer shall give a ten (10) day written notice of any claim made or action filed against the employer by a non-member for which indemnification may be claimed;
2. The Union Shall reserve the right to designate counsel to represent and defend the employer;
3. The employer agrees to (1) give full and complete cooperation and assistance to the Union and its counsel at all levels of the proceeding, (2) permit the Union or its affiliates to intervene as a party if it so desires, and/or (3) to not oppose the Union or its affiliates' application to file briefs amicus curiae in the action;
4. The employer acted in good faith compliance with the fair share fee provision of this Contract; however, there shall be no indemnification of the employer if the employer intentionally or willfully fails to apply (except due to court order) or misapplies such fair share fee provision herein.

Could your family meet its expenses if you or your spouse died unexpectedly?

24 million U.S. households (22 percent) have no life insurance protection at all.¹

44 percent of all U.S. households (48 million) either don't own life insurance and believe they should, or own life insurance and believe they need more. Among those that already own some life insurance, 40 percent believe they don't have enough.¹

Of households with insurance, approximately 12 percent would immediately have trouble meeting everyday living expenses, and another 15 percent would have difficulty keeping up with expenses after several months.¹

Here is your opportunity to apply for voluntary group term life insurance coverage for you and your family, under a group life insurance policy issued to your employer by American United Life Insurance Company[®] (AUL), a OneAmerica[®] company. • AUL's contract offers²:

- Convenience of payroll deduction
- Affordable premium rates
- Guaranteed issue amount of coverage³
- Accidental death and dismemberment benefits
- Waiver of premium benefit
- Accelerated life benefit
- Continuation of insurance options and portability
- Guaranteed increase in benefit
- Family status change
- Additional AD&D benefits: Seat Belt, Air Bag, Repatriation, Child Higher Education, Child Care, Paralysis/Loss of Use, Severe Burns

¹ LIMRA International (2005): Facts About Life 2005, (p.1)

² This invitation to inquire allows eligible employees an opportunity to inquire further about group insurance coverage and is limited in its description of the terms for which benefits may be payable. The contract has exclusions, limitations, reduction of benefits, and terms under which the contract may be continued in force or discontinued. The contract may contain a waiting or elimination period between the effective date of the contract and the effective date of coverage, and between the date a loss occurs and the date benefits begin to be payable for the loss. Any payable benefit is based on a percentage of an insured's coverage amount subject to AUL's approval, contract maximums, reduction by other income benefits and according to contract terms and conditions.

³ If an employee does not apply timely and/or applies for an amount greater than the guaranteed issue amount, coverage will not be available until after undergoing medical underwriting and receiving written approval from AUL.

**AUL's Group Voluntary Term Life and AD&D Insurance
 Coverage for Eligible Employees**

Guaranteed issue amount: \$150,000	If you are eligible and you enroll timely, you will be able to apply for coverage up to the guaranteed issue amount without providing Evidence of Insurability. Any amount of coverage requested as a late enrollee or in excess of the guaranteed issue amount will first require medical underwriting and written approval by AUL. If approved, coverage will become effective on the date identified by AUL.
Flexible choices	You may apply for a flat benefit amount of group life insurance coverage in increments of \$1,000, in a minimum amount of \$10,000, and up to a maximum amount of \$300,000.
Accidental death and dismemberment (AD&D) benefits	If approved for this benefit, additional life insurance benefits may be payable for you or a dependent(s) who have an accident which results in death or dismemberment as defined in the contract.
Accidental death and dismemberment (AD&D) with seat belt and air bag benefit	If approved for this benefit, after the employee and/or his dependent(s) suffers a loss under the contract as a result of an automobile accident while properly wearing a seat belt and an air bag deploys properly, an additional amount may be payable under the contract.
Guaranteed increase in benefit (GIB)	If eligible, you may apply for an additional amount of coverage offered by AUL at each AUL approved scheduled enrollment period without providing Evidence of Insurability. You can increase your coverage annually by the greater of 10% or \$10,000.
Family status change	If eligible and a qualifying event has occurred, you may apply for an additional amount of coverage for the event.
Waiver of premium benefit	If eligible under the insurance contract and approved for this benefit, AUL will waive premium payments for your coverage while you remain totally disabled.
Accelerated life benefit	If eligible for this benefit, you or your spouse may apply for payment of 25%, 50% or 75% of the amount of life insurance coverage. A benefit is also payable due to cognitive impairment or loss of ADL.
Portability	You may be eligible to apply for continuation of coverage should your coverage terminate. Approval for this benefit will extend your coverage for an additional period of time.
Continuation of insurance	You may be eligible to request continuance of insurance should you take a temporary leave of absence or if you are on temporary layoff.
Eligible employees	An eligible employee is a full-time employee legally authorized to work and reside in the US. If you are not actively at work on the contract effective date, group insurance coverage will not exist until you return to full-time active work.
Evidence of insurability	If you do not enroll timely, or if amounts of coverage greater than the guaranteed issue amount are requested, you will be required to provide a statement or proof of medical history. AUL will then review that information to determine if coverage can be approved.
Suicide limitation	The certificate of insurance contract contains a Suicide Limitation. This limitation may vary by state.

Addendum H – Evaluation and Evaluation Procedures

Ohio Teacher Evaluation System

Assessment of Teacher Performance

Teacher Performance Evaluation Rubric

The *Teacher Performance Evaluation Rubric* is intended to be scored holistically. This means that evaluators will assess which level provides the best *overall* description of the teacher. The scoring process is expected to occur upon completion of each thirty (30) minute observation and post-conference. The evaluator is to consider evidence gathered during the pre-observation conference, the observation, the post-observation conference, and classroom walkthroughs (if applicable). When completing the performance rubric, please note that evaluators are not expected to gather evidence on all indicators for each observation cycle. Likewise, teachers should not be required to submit additional pieces of evidence to address all indicators. The professionalism section of the rubric may use evidence collected during the pre-observation and post-observation conferences as well as information from the Professional Growth and/or Improvement Plan (if applicable).
