PREAMBLE

This agreement, between Hardin County Job and Family Services, and the Board of Hardin County Commissioners herein referred to as “Employer” and Ohio Council 8, American Federation of State, County and Municipal Employees, AFL-CIO and Local 3391, hereinafter referred to as the “Union” which represents employees as specified herein, has as its purpose the following:

To comply with the requirements of Chapter 4117 of the Ohio Revised Code; and to set forth the full and the complete understandings and agreements between the parties governing the wages, hours, terms and other conditions of employment for those employees included in the bargaining unit as defined herein.

ARTICLE 2

UNION RECOGNITION

Section 2.1: The Employer recognizes the Union as the sole and exclusive representative for all those employees of Hardin County Job and Family Services specified as being in the Bargaining Unit as set forth in the certification issued by the Ohio State Employment Relations Board including: Clerical Specialist 2, Transporter, Eligibility/Referral Specialist 2, Training Officer I, Investigator 2, Unit Support Worker 2, Account Clerk 1, Social Services Worker 2. This agreement excludes: Director (County Department of Job and Family Services Administrator), Income Maintenance Administrator, Assistant County Department of Job and Family Services, Administrator, Agency Attorney, Social Services Administrator, Human Resources Officer, Fiscal Officer, Network Administrator, Income Maintenance Supervisor, Social Services Supervisor, Program Specialist as well as all other management level employees, Account Clerk II classifications listed as confidential employees under Direct Supervision of Director, Training Officer 2 under Supervision of Income Maintenance Supervisor, part-time, casual and seasonal employees, professional employees and supervisors as defined and excluded by the Act.

Section 2.2: All positions and classifications not specifically certified by the Ohio State Employment Relations Board as being included in the bargaining unit shall be excluded from the bargaining unit. However, if a new position is created within Hardin County Job and Family Services, the parties shall meet to determine whether such new position should be included in the bargaining unit. If the parties are unable to reach agreement on inclusion or exclusion of such new position, the Union may appeal to the State Employment Relations Board in accordance with the provisions of ORC 4117.

Section 2.3: The employer will not recognize any other union as the representative for any bargaining unit member during the term of this agreement so long as the Union remains so certified by the State Employment Relations Board.

Section 2.4: The employer agrees to give written notification to the Union of any occurrence in change of status of bargaining unit employees, containing the names and addresses and telephone numbers. The Employer agrees to give written notification to the Union of any new hires, promotions, demotions, laterals or separation of employment.

ARTICLE 3

Dues Deduction/Fair Share Fee

Section 3.1: The employer agrees to deduct Union dues or fair share fees in accordance with this Article.

Section 3.2: The Employer agrees to deduct regular Union dues each pay period from the pay of any employee in the bargaining unit eligible for such deduction upon receiving written authorization signed individually and voluntarily by the employee. The signed payroll deduction form must be presented to the employer by the employee. Upon receipt of the proper authorization, the Employer will deduct the Union dues from the payroll check for the next pay period in which dues are normally deducted following the pay period in which the authorization was received by the Employer. Deductions shall be sent to the Comptroller, AFSCME Ohio Council 8.

Section 3.3: The parties agree that the employer assumes no obligation, financial or otherwise, arising out of the provisions of this Article regarding the deduction of Union dues or fair share fees. The Union hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions or proceedings by any employee arising from deductions made by the Employer pursuant to this Article. Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

Section 3.4: The Employer shall be relieved from making such individual "check off" deductions upon an employee's (1) termination of employment; (2) transfer to a job other than one covered by the bargaining unit; (3) layoff from work; (4) an unpaid leave of absence; (5) written revocation of the check off authorization in accordance with the terms of this agreement; or (6) resignation by the employee from the Union.

Section 3.5: The Employer shall not be obligated to make dues or fair share fee deductions from any employee who, during any pay period involved, shall have failed to receive sufficient wages to make all legally required deductions in addition to the deduction of Union dues or fair share fee. Employees may cancel Union membership and their dues deduction authorization not more than ten (10) days nor less than five (5) days prior to an anniversary date or expiration date of this agreement. Dues deduction authorizations not revoked during this five (5) day period shall continue in effect for a successive contract year. Written notice of the dues deduction revocation shall be served upon the Employer and the Union by the Employee to make the revocation effective. This provision shall not be construed as requiring an employee to become, or, remain a member of the Union as a condition of securing or retaining employment.

Section 3.6: The parties agree that neither the employees nor the Union shall have a claim against the Employer for errors in the processing of deductions, unless a claim of error is made to the Employer in writing within sixty (60) days after the date such an error is claimed to have occurred. If it is found an error was made, it will be corrected at the next pay period that the Union dues or fair share fee would normally be made, by deducting the proper amount.

Hardin County Job and Family Services/AFSCME Local 3391 Agreement
Effective 11/04/2013 through 11/03/2016

Section 3.7: The rate at which dues or fair share fees are to be deducted shall be certified annually to the Employer by the Union. One (1) month advance notice must be given the Employer prior to making any changes in the amount of such deductions.

Section 3.8: Except as otherwise provided herein, each eligible employee's written authorization for dues deduction shall be honored by the Employer for the duration of this Agreement.

Section 3.9: Each Bargaining unit employee who is not a member of the Union shall, as a condition of employment, pay a fair share fee to the Union. The fair share fee obligation shall commence on:

- a. The sixty first (61) calendar day of employment for all current employees who have not completed sixty (60) calendar days as of the effective date of this Agreement.
- b. The sixty first (61st) calendar day of employment for each employee hired after the effective date of this Agreement.

Section 3.10: Fair share fee shall be paid by automatic payroll deduction. Fair share fee deductions do not require authorization from the affected employee. Fair share fees shall be deducted in amounts determined by the Union in accordance with the provisions of Appendix C attached hereto. Appendix C; including all amendments thereto, is incorporated in the Article by reference.

Section 3.11: Fair share fee payroll deductions and transmittals shall be made in the same manner provided herein for dues deductions. The employer shall provide the Union an alphabetical list of the names and addresses of each employee on whose account a fair share fee was deducted during the previous month, including the amount of the deduction.

Section 3.12: The Employer's obligation to deduct fair share fee is contingent upon the Union's fulfillment, on behalf of each non-member, bargaining unit employee, of each obligation established in Appendix C.

Section 3.13: The Union may amend Appendix C by providing the Employer a written copy of the procedure as amended. Changes in the amounts to be deducted shall become effective on the thirtieth calendar day after their actual receipt by the Employer.

Section 3.14: Both the Employer and the Union intend that this Article be lawful in every respect. If any court of last resort determines any provision of this Article is illegal, that provision, alone, shall be void. Invalidation of any provision of this Article does not invalidate the remaining provisions. If a provision is judicially invalidated, the Employer and the Union shall meet within fourteen (14) calendar days after the entry of judgment to negotiate lawful, alternative provisions.

Section 3.15: This Article does not waive any of the Employer's rights to seek judicial review of any of its provisions at any time.

Section 3.16: The Union warrants and guarantees to the Employer that no provision of this Article violates the constitution or laws of either the United States of America or the State of Ohio.

Section 3.17: This Article constitutes the entire Agreement between the Union and the Employer with regard to fair share fees. All other agreements are hereby rendered void. With the exception of Appendix C, no portion of this Article may be amended except by written signed agreement of the parties

ARTICLE 4

Union Representation

Section 4.1: A duly authorized representative of the Union may have access at reasonable times to those areas of the Employer's premises which are open to the general public for the purpose of investigating grievances and contract compliance; provided the Employer is notified upon the representative's arrival. Such Union representative shall not have access to employee lounges, work units or any other area unless advance approval has been obtained from the Employer. Access to the Employer's premises shall be subject to the same general rules applicable to other non-employees and shall not interfere with or disturb employees in the performance of their work during working hours.

ARTICLE 5

Recognition of Stewards

Section 5.1: The Employer shall recognize one (1) employee and one (1) alternate, designated by the Union, to act as a steward for the purpose of processing grievances in accordance with the grievance procedure. The steward, or in their absence or inability to perform their function, the designated alternate, shall be recognized as a representative as provided herein.

Prior to leaving their work area for these situations, stewards must secure the approval of their supervisor. Such activities shall not interfere with, interrupt, or disrupt the normal work duties of employees.

Section 5.4: When possible, the Employer shall conduct grievance and disciplinary hearings during regular working hours, and, if unable to do so, the Employer shall state the specific reason therefore to the Union.

ARTICLE 6

Non-Discrimination

Section 6.1: The Employer agrees not to interfere with the rights of employees to become members of the Union, and there shall be no discrimination, interference, restraint or coercion by the Employer, or, any Employer representative against any employee because of Union membership or because of any authorized employee activity in an official capacity on behalf of the Union.

Section 6.2: The Union agrees not to interfere with the rights of employees to not become members of the Union. There shall be no discrimination, interference, restraint or coercion by the Union or its representatives against any employee exercising the right to abstain from

membership in the Union or involvement in Union activities. Complaints shall be presented by the employee to their immediate Supervisor.

Section 6.3: All references to employees in this Agreement shall be considered genderless.

ARTICLE 7

Management Rights

Section 7.1: Except as specifically limited herein, the Employer shall retain the exclusive right and authority to administer the business of the Department of Job and Family Services, in addition to all other functions and responsibilities, which are not specifically modified by this Agreement. Section 7.2: The Union recognizes and accepts that all rights and responsibilities of the Employer not expressly restricted or modified herein and as permitted by law shall remain the rights and responsibilities of the Employer.

A copy of the minutes approved by the Director and Union President, as indicated by signatures on the minutes, will be posted by the Employer on the bulletin board for the general knowledge and welfare of all bargaining unit employees.

Section 8.4: Employee/Union representatives attending labor/management meetings shall not suffer loss in their regular pay while attending any meetings provided for under this Article, and such meetings shall normally commence at 2:30 P.M.

Section 8.5: Labor/management meetings are not intended to be negotiation sessions to alter or amend the basic contract.

ARTICLE 9
Grievance Procedure

Section 9.1: The term "grievance" shall mean an allegation by a bargaining unit employee that there has been a breach, misinterpretation or improper application of an express and specific term or provision of this Agreement. The grievance procedure may not be used to effect changes in the terms of this Agreement or to effect a change that would be a violation of state or federal law or constitutions. Such shall not be considered grievable and is not subject to the grievance procedure.

Section 9.2: Where a group of bargaining unit members desire to file a grievance involving a situation affecting more than one member of the bargaining unit in a similar manner, one member selected by such group will process the grievance, but, the grievance must be signed by each individual desiring to be included.

However, the parties may meet in an attempt to resolve the matter prior to any appeal to any outside agency.

Section 9.4: Except for the continued applicability of those subjects prohibited from negotiation by the provisions of Chapter 4117 ORC, Ohio Revised Code Section 124.01 through 124.56

Hardin County Job and Family Services/AFSCME Local 3391 Agreement
Effective 11/04/2013 through 11/03/2016

shall not apply to employees in the bargaining unit., where the alleged grievance is of a nature that formerly qualified for appeal under the rules of the State Personnel Board of review, the aggrieved employee shall utilize this grievance procedure exclusively in accordance with the rules of this Agreement, and the matter shall not be appealable to the State Personnel Board of Review.

Section 9.5: All grievances must be processed at the proper step in order to be considered at subsequent steps. (See Section 9.6) Any employee may withdraw a grievance at any point by submitting in writing a statement to that effect, or by permitting the time requirements at each step to lapse without further appeal. Any grievance which is not processed by the employee within the time limits provided shall be considered resolved based upon the Employer's last answer. Any grievance not answered by the Employer within the stipulated time limits may be advanced by the employee to the next step in the grievance procedure. All time limits on a grievance may be extended upon mutual consent of the Employer and the Union.

Section 9.6: It is the mutual desire of the Employer and the Union to provide for prompt adjustment of grievances, with a minimum amount of interruption of the work schedules. Every responsible effort shall be made by the Employer and the Union to effect the resolution of grievances at the earliest step possible. In furtherance of this objective, the following procedure shall be followed:

Step 1: In order for an alleged grievance to receive consideration under this procedure, the Grievant, with the Union Steward, if the former desires, must identify the alleged grievance to the employee's immediate Supervisor within five (5) working days of the occurrence that gave rise to the grievance. The Supervisor shall investigate and provide an appropriate answer within five (5) working days following the date on which the Supervisor was presented the grievance.

Step 2: If the grievance is not resolved in step 1, the Grievant with the appropriate Union Steward, if the former desires, shall reduce the grievance to writing and may within five (5) working days following the Step 1 reply, refer the grievance to the employee's immediate Supervisor. The Supervisor shall meet, if deemed necessary, with the grieved employee and the employee's representative. The Supervisor shall investigate and respond in writing to the grievance within five (5) working days following receipt of the grievance or of the meeting, whichever is later.

Step 3: If the grievance is not resolved in Step 2, the employee, with the appropriate Union Steward, if the former desires, may refer the grievance to the Director, within five (5) working days after receiving the Step 2 reply. The Director shall have five (5) working days in which to schedule a meeting with the grieved employee and the employee's appropriate Union representative, if the former desires. The Director shall investigate and respond to the Grievant and/or appropriate Union representative within ten (10) working days following the meeting. The decision of the Director shall be final and binding unless the Union notifies the Employer, in writing, within ten (10) working days after receiving the Director's decision that they wish to submit the grievance to arbitration, in which case the following shall apply:

Hardin County Job and Family Services/AFSCME Local 3391 Agreement
Effective 11/04/2013 through 11/03/2016

- A. The parties shall meet within ten (10) days following the request for arbitration and attempt to resolve the grievance. If the parties cannot resolve the grievance, they shall prepare a joint submission agreement outlining the specific issue(s) the arbitrator is to decide and shall jointly request the Federal Mediation and Conciliation Service (FMCS) to provide a list of seven (7) arbitrators from FMCS Area # 15 (Ohio). The parties shall alternately strike the names of arbitrators from the list until only one name remains. Either party may reject the first list of arbitrators and request another list of seven (7) names. Selection of the arbitrator and scheduling of the arbitration hearing shall be completed within sixty (60) calendar days following the Union's request for arbitration, or the grievance shall be deemed withdrawn by the Union; unless the process exceeds sixty (60) days, due to the Employer's refusal to meet, select an arbitrator or schedule a date for the hearing.
- B. The question of arbitrability of a grievance may be raised by either party before the arbitration hearing on the grievance on the grounds that the matter is nonarbitrable, or, beyond the arbitrator's jurisdiction. The first question to be placed before the arbitrator will be whether or not the grievance is arbitrable. If the arbitrator determines the grievance is within the purview of arbitrability, the grievance will be heard on its merits before the same arbitrator
- C. The arbitrator's decision shall be strictly limited to the interpretation, application or enforcement of the specific articles and section of the Agreement, and the arbitrator shall be without power or authority to make any decision:
 - 1. Contrary to, inconsistent with or modifying or varying in any way the terms of the Agreement or of applicable laws.
 - 2. Contrary to, inconsistent with, changing, altering, limiting or modifying any practice, policy, rules or regulations presently or in the future established by the Employer so long as such practice, policy, rules or regulations do not conflict with this Agreement; and the arbitrator shall be without authority to recommend any right or relief on an alleged grievance occurring at any time other than the contract period in which such right originated or to make any award based on rights arising under any previous agreement, grievance or practices. The arbitrator shall not establish any new or different wage rates not negotiated as part of this Agreement. In the event of a monetary award, the arbitrator shall limit any retroactive settlement to the date the grievance was presented to the Employer in Step 1 of the grievance procedure.
- D. The cost of the services of the arbitrator, the cost of any proofs produced at the direction of the arbitrator, the fee of the arbitrator, if any, or hearing room, shall be borne by the losing party. The expenses of any non-employee witnesses, if any, shall be borne by the party calling them. The fees of a court reporter shall be paid by the party asking for one, such fees split equally if both parties desire a reporter, or request a copy of any transcripts. Any bargaining unit member whose attendance is required for such a hearing shall not lose pay or benefits to the extent such hearing hours are during normally scheduled working hours on the date of the hearing.
- E. Both parties shall have the opportunity to submit final briefs to the arbitrator. The arbitrator shall issue a decision within thirty (30) calendar days following the hearings or following submission of final briefs and shall forward any findings, awards and other

Hardin County Job and Family Services/AFSCME Local 3391 Agreement
Effective 11/04/2013 through 11/03/2016

supporting data to the Employer and the Union. The decision of the arbitrator shall be final and binding on all parties.

Section 9.7: It is mutually agreed by the Employer and the Union that employee grievances regarding safety require rapid resolution. In cases of alleged safety violations, the following procedure shall be followed.

- Step 1. The Grievant, with the Union Steward, if the former desires, must identify the alleged safety violation to the employee's immediate Supervisor as soon as the employee first becomes aware of any imminent danger threatening injury to employees or clients. The Supervisor shall immediately cause an investigation and attempt to resolve any safety hazard discovered.
- Step 2. If the Supervisor and the employee can not agree on an acceptable means of resolving the employee's safety complaint, the employee, with the appropriate Union Steward, if desired, may immediately refer the grievance to the Director. The Director or designee shall immediately schedule a meeting with the Supervisor, Grievant and, if desired, appropriate Union Representative. The Director shall investigate the alleged safety violation and respond to the Grievant immediately following the meeting.
- Step 3. If the safety complaint still remains unresolved, the employee, with the appropriate Union Steward, if desired, may submit the grievance in writing to Step 3 of the regular grievance procedure in accordance with Section 6 (Step 3) of this Article. The grievance shall proceed from this point in accordance with the procedures outlined in the regular grievance procedure.

Section 9.8: All grievances must contain the following information to be considered and must be filed using the grievance form mutually agreed upon by both the Employer and the Union:

1. Aggrieved employee's name and signature.
2. Aggrieved employee's classification.
3. Date grievance was first discussed.
4. Date grievance is being filed in writing.
5. Date and time grievance occurred.
6. The location where the grievance occurred.
7. A description of the incident giving rise to the grievance.
8. Specific articles and section of the Agreement violated.
9. Desired resolution to the grievance.

Section 9.9: For purposes of this Article, work days shall be defined as those days upon which the employee was scheduled to perform services for the Employer. In counting work days at each step of the grievance procedure, the parties agree to count the work days of the employee when the employee is the moving party and the work days of the Employer when the Employer is the responding party. (The date the incident occurred is day 1 and the date the grievance is submitted is day 1.)

Section 9.10: Grievances involving lost pay discipline (suspension, reduction in pay, or, discharge) shall be initiated at the Director's level within five (5) work days of the employee's receipt of the disciplinary action

Hardin County Job and Family Services/AFSCME Local 3391 Agreement
Effective 11/04/2013 through 11/03/2016

Section 9.11: The time limit for initiating a grievance involving an allegation of an error or omission in pay begins on the date the paycheck is received by the employee which contains the alleged error or omission.

Section 9.12: When employees covered by this Agreement choose to represent themselves in the presentation of a grievance, no adjustment of the grievance will be inconsistent with the terms of this Agreement. Prior to the adjustment of any such grievance, the appropriate Union representative will be notified of the representative's right to be present at the adjustment.

ARTICLE 10

Discipline

Section 10.1: Employees shall only be disciplined for just cause.

Section 10.2: Records of disciplinary action shall cease to have force and effect or be considered in future disciplinary matters in accordance with the provisions of Section 2 Article 11 (Personnel files).

Section 10.3: The employer agrees that all disciplinary procedures shall be carried out in private and in a businesslike manner.

Section 10.4: Whenever the Employer determines that an employee's conduct may warrant a suspension without pay, reduction in pay or termination of employment, a pre-disciplinary conference will be scheduled to give the employee an opportunity to offer an explanation of the alleged misconduct. An employee may be represented at a pre-disciplinary conference by another bargaining unit employee or a Union representative. An employee may elect to waive the opportunity to have a pre-disciplinary conference. Said waiver of the pre-disciplinary conference shall be in writing and signed by the employee. The original waiver and record of any disciplinary action taken shall be placed in the employee's personnel file and a copy forwarded to the employee's Union Steward by the Employer.

Section 10.5: Verbal and written reprimands shall not be appealable to arbitration

Section 10.6: Nothing contained herein shall be construed as preventing the Employer from relieving an employee from duty with pay.

ARTICLE 11

Personnel Files

Section 11.1: Each employee may inspect the employee's own personnel file which is maintained by the Employer at any reasonable time during business hours, provided that the employee gives the Employer reasonable advance notice, and, that the inspection will be conducted at a time designated by the Director, but, not later than the close of business on the next business day. The Employer maintains the right to have a management representative present at all times during the inspection, and to determine the site of the inspection. The employee shall have the right upon written request, to receive one (1) copy of any materials placed in the employee's own personnel file.

Section 11.2: Record of verbal warning shall cease to have force or effect twelve (12) months from the date of issuance provided no intervening discipline has occurred. Written reprimands shall cease to have force or effect eighteen (18) months from the date of issuance provided no intervening discipline has occurred. Any record of more severe discipline shall cease to have

Hardin County Job and Family Services/AFSCME Local 3391 Agreement
Effective 11/04/2013 through 11/03/2016

any force or effect twenty four (24) months from the date of issuance provided no intervening discipline has occurred.

ARTICLE 12
Work Rules

Section 12.1: The Union recognizes that the Employer, in order to carry out its statutory mandates and goals, has the right to promulgate work rules, regulations, policies and procedures consistent with the Employer's statutory authority to regulate the personal conduct of employees, and the conduct of the Employer's services and programs.

Section 12.2: Work rules, policies and directives shall be interpreted and applied uniformly to all employees under similar circumstances. Work rules shall not be adopted that are in violation of the express terms of this agreement.

Section 12.3: New work rules and changes in existing work rules shall be reduced to writing and posted on the Employer's bulletin board(s) for a period of fifteen (15) calendar days. However, this provision does not limit the right of the Employer to implement a work rule prior to conclusion of the posting period if the change has been mandated by legislature, an administrative agency, the judiciary, or other legal mandate. The Employer agrees to meet and discuss with the Union any new work rule or changes in existing work rules during the fifteen (15) day posting period.

Section 12.4: Should the employer establish any work rule which is in conflict with any express term of this Agreement, the Union may challenge that matter through the grievance procedure.

ARTICLE 13
Health and Safety

Section 13.1: The parties agree to promote the safety of employees and to cooperate in an effort to prevent injuries.

Section 13.2: The Union agrees that careful observance of safe working practices and Employer safety rules is a primary duty of all employees. The Employer agrees to uniformly enforce safety rules without discrimination

Section 13.3: It shall be the responsibility of all employees to immediately report all unsafe conditions to the Employer. The Employer will attempt to correct unsafe or unhealthy working conditions within a reasonable time from notification.

Section 13.4: One Bargaining Unit and One Management Employee each will serve on the County Health and Safety Committee. They shall also constitute the Agency Safety Committee. Rules for the Agency will be maintained in the Agency Policy and Procedures Handbook. The Health and Safety Committee shall periodically review this section and recommend necessary updates, additions and changes to the Director. The Health and Safety Committee shall also meet upon request of the Director or any two (2) members to study health or safety practices; to study solutions to unsafe conditions discovered; and to identify safety training needs of the Agency. In the event the County Committee is disbanded, the internal agency committee will continue.

Section 13.5: The safety Committee is intended to be a pro-active advisory committee that addresses safety in general. The Director may consult the Committee during the investigation of

alleged unsafe working conditions. However, the Committee may not usurp the authority of the Director, or, otherwise attempt to circumvent the grievance procedure established in Article 9, Section 7.

Section 13.6: An employee disciplined for failure or refusal to abide by the Employer's safety policies, rules and procedures may appeal such discipline under the Grievance Procedure contained herein. This shall be the appropriate procedure for adjusting such disputes.

ARTICLE 14
Seniority

Section 14.1: "Seniority" shall be computed on the basis of an employee's uninterrupted length of continuous service with the Employer. A termination of employment lasting less than thirty-one (31) consecutive calendar days shall not constitute a break in continuous service. However, once continuous service is broken, an employee shall lose all previously accumulated seniority.

Section 14.2: An approved leave of absence does not constitute a break in continuous service, provided the employee follows the proper procedure for such leave, and returns to active service immediately following the expiration of the approved leave.

Section 14.3: Employees laid off shall retain their seniority for a period of twelve (12) months from the date of layoff.

Section 14.4: Seniority shall be used and relied upon only for those purposes specifically described in the various articles of this Agreement.

Section 14.5: Upon request by the Union, the employer will prepare a list setting forth the present seniority dates for all employees in the bargaining unit.

ARTICLE 15
Probationary Periods

Section 15.1: Every newly hired employee will be required to successfully complete a probationary period. The probationary period for new employees shall begin on the first day for which the employee receives compensation from the Employer and shall continue for a period of one hundred and thirty (130) work days. A newly hired probationary employee may be terminated any time during the probationary period and shall have no appeal over such removal.

Section 15.2: A newly promoted employee, including bargaining unit employees who may be offered and accept a management position, will be required to successfully complete a probationary period for any newly appointed position. The probationary period for a newly promoted employee shall begin on the effective date of the promotion and shall continue for a period of one hundred ten (110) work days. A newly promoted employee who evidences unsatisfactory performance, including employees promoted from within the bargaining unit to management positions, shall be returned to the employee's former position after serving not less than fifty-five (55) work days in the new position, unless the employee's performance is so unsatisfactory they may face possible disciplinary action. Upon return to the former position, the employee shall revert to the employee's previous hourly rate of pay and, in the case of bargaining unit employees who accepted positions in management, shall suffer no loss of seniority.

Section 15.3: For purposes of this Article, "work day" shall include all days actually worked by the employee plus anytime the employee is on approved paid leave (i.e., holiday, vacation, sick

Hardin County Job and Family Services/AFSCME Local 3391 Agreement
Effective 11/04/2013 through 11/03/2016

leave, personal leave days, etc.). Nevertheless, employer has the option, rather than demote an employee upon whom a determination as to their ability to assume and properly discharge the responsibilities of the new position cannot be made due to extended approved absences or other issues beyond the employee's control, to extend the probationary period to a full one hundred ten (110) work days actually at work in the position. In such an event, the employer will provide the employee with written notice of the adjusted probationary schedule.

Section 15.4: Employees who work an irregular schedule, work less than the normal number of working days per week, or, are off work for leave shall have their probationary period determined on the basis of the number of work days compared to a full-time employee.

Section 15.5 Probationary employees shall not be eligible for promotion to any other position until they have completed their probationary period.

Section 15.6 The Employer reserves the right to extend the new hire probationary period up to an additional one hundred thirty (130) days

ARTICLE 16

Layoff and Recall

Section 16.1: When the Employer determines that a layoff or job abolishment is necessary due to a lack of work, lack of funds or a re-organization, all affected employees and the Union Local President shall be notified at least fourteen (14) calendar days in advance of the effective date of the layoff or job abolishment. The Employer agrees to discuss with representatives of the Union the impact of the layoff on bargaining unit employees.

Section 16.2: The Employer shall determine in which classification(s) and which work section(s) layoffs will occur. Within each classification affected, employees will be laid off in accordance with their seniority and their ability to perform the remaining work available without further training. When two or more employees have relatively equal experience, skill, ability and qualifications to do the work without further training, the employee(s) with the least seniority will be laid off first.

Section 16.3: Within the classification and/or work section in which a layoff occurs, temporary, intermittent, seasonal and employees serving their initial probationary period shall first be laid off, in that order, prior to the laying off of permanent, non-probationary employees in that classification or work section.

Section 16.4: If a bargaining unit employee is laid off or if the employee's position is abolished, the employee shall have the right (but only once during any lay off affecting the position) to displace another less senior bargaining unit employee within the same classification series (equal to or less in rate of pay), or to likewise displace into a position that the employee has successfully held within the immediately preceding five (5) years, provided that such displacement shall be subject to the following provisions:

- A. The bargaining unit employee exercising displacement rights is currently qualified, with only orientation, to perform the duties of that position, and
- B. The bargaining unit employee exercises such displacement rights by so notifying the Employer not later than five (5) business days after receiving layoff notice, and
- C. The Employer shall have thirty (30) calendar days after the employee displaces into the position to evaluate the employee's performance and to determine whether the employee is, in fact, qualified to perform the duties of that position.

Section 16.5: Employees who are laid off shall be placed on a recall list for a period of one (1) year. If there is a recall, employees who are still on the recall list shall be recalled, in the inverse order of their layoff, provided they are presently qualified to perform the work in the job classification to which they are recalled without further training.

Section 16.6: Notice of recall from a layoff shall be sent to the employee by certified or registered mail with a copy to the Union. The Employer shall be deemed to have fulfilled its obligations by mailing the recall notice by certified or registered mail, return receipt requested, to the last mailing address provided by the employee.

Section 16.7: In the case of a layoff, the recalled employee, except for good cause shown, shall have five (5) calendar days following the date of mailing of the recall notice, sent certified mail-restricted delivery, to notify the Employer of the employee's intention to return to work and shall have ten (10) calendar days following the mailing date of the recall notice in which to report for duty, unless a different date for returning to work is otherwise specified in the notice.

ARTICLE 17

Filling of Positions

Section 17.1: The term "promotion," for purposes of this Agreement, shall mean the act of permanently placing a bargaining unit individual in a position that carries a higher salary range than that previously held. The term "demotion" for purposes of this Agreement, shall mean the act of permanently placing a bargaining unit individual in a position which has a lower salary range than the position previously held by such employee.

Section 17.2: Whenever the Employer determines a job vacancy exists in the bargaining unit and the Employer decides and is prepared to fill it, a notice of such opening shall be posted on the Employer's bulletin board for five (5) consecutive work days. If the job duties have changed since the position was posted last, or if it is a new position, a copy of the actual job description will be posted along with the vacancy notice for five (5) consecutive work days. During this period, anyone wishing to apply for the open position shall submit a written application to the Employer. The Employer shall not be required to consider any application received after the final date specified for receipt of applications.

Section 17.3: The Employer shall post the minimum qualifications applicants must possess in order to be considered for bargaining unit positions. Such minimum qualifications shall include both the class requirements and the major worker characteristics as specified by the Agency's position descriptions. The normal hours of work, as well as the rate of pay, shall also be included in the posting.

Section 17.4: Such positions shall be awarded to the most senior qualified employee. If none of the applicants within the bargaining unit are qualified, the position may be filled by an applicant from outside the bargaining unit.

Section 17.5: The Employer may hold the selected applicant in their current position until the employee's work is completed or a replacement is obtained. However, the selected employee's salary shall be adjusted to the appropriate rate of pay for the new position in accordance with Section 17.6 herein, no later than forty-five (45) work days after being awarded the position. The new rate of pay shall be effective at the beginning of the pay period which includes the forty-fifth (45th) work day. The employee's promotional probationary period shall not begin until the employee is assigned to the new position.

Section 17.6: The promotional salary shall be determined by increasing the employee's pay to the base rate for the new position level. In the event an employee is already earning more than the base rate of the new position, the employee will maintain his/her previous salary until such time that he/she meets the required number of years experience in that position for a raise beyond current salary. Increases shall then be effective the beginning of the pay period in which November 4th falls each year. An employee who receives a lateral transfer (transfers from one position to another at the same pay range) either through the bidding process, or, by assignment, will maintain his/her previous salary until such time that he/she has the necessary experience in the position to qualify for an increase. The pay rate for an employee demoted to a lower pay range, either voluntarily or involuntarily, shall be computed by decreasing the employee's current rate of pay to the rate for the next lower tier of experience in the new position. Thus an individual with over twelve years experience in level would be reduced no lower than to the three/four years of experience rate in the new level. Thereafter, the employee shall receive subsequent pay increases if they have met the required number of years experience in that position, effective the beginning of the pay period in which November 4th falls each year. The employee shall then receive subsequent pay increases, as periods of service are met, effective the beginning of the pay period in which November 4th falls each subsequent year.

ARTICLE 18

Section 18.1: This Article is intended to define the normal hours of work per day or per week in effect at the time of execution of this Agreement. - K. In the event of a state mandate or other changes which results in the flex-time provisions adversely affecting the efficiency of the Agency or delivery of services

- D. Medical, dental, or optical examinations or treatment of the employee or a member of the employee's immediate family, which can not be scheduled during non-working hours. Employees should make an effort to schedule such appointments at a time which provides the least disruption of their work.
- E. Pregnancy, childbirth and/or related medical conditions. Paternity leave shall be granted male employees for up to five (5) consecutive work days for care of the employee's wife, and family during the post-natal period.

For the purposes of this Article "immediate family" is defined as only: mother, father, brother, sister, child, step-child, spouse, grandparent, grandchild, mother-in-law, father-in-law, sister-in-law, brother-in-law, daughter-in-law, son-in-law, legal guardian, or other person who stands in the place of the employee's parent.

Section 26.6: Employees failing to comply with sick leave rules and regulations shall not be paid. Falsification of applications for sick leave and/or the filing of sick leave applications or documentation with the intent to defraud shall result in the disapproval of sick leave, discharge of the involved employee(s), and refund of salary or wages paid.

Section 26.7: An employee shall complete and sign a standard, written application requesting the use of sick leave, or, in accordance with Section 26.9, a certificate from a licensed physician, or dentist, stating the nature of the illness. Sick leave shall not be approved or paid until the employee has submitted the required application(s) and certificate(s) and has had the application approved by the Director or designee.

Section 26.8: When an employee is unable to report to work, notification shall be given to the employee's immediate supervisor, or other designated person, not later than 8:15 a.m. Unless other arrangements are made with the employee's immediate supervisor, the employee shall so report on each day of absence. When so reporting, the employee shall advise the immediate supervisor, or other designated person, of the reason for application for sick leave.

Section 26.9: An employee using excessive amounts of sick leave, exhibiting a pattern of absence claimed due to illness, or having an illness or disability exceeding three (3) work days, shall furnish a statement from the attending physician or dentist, notifying the Employer that the employee was unable to perform the duties of the employee's position during the period of absence, but, that the employee is now able to return to work. Where the employee applies for sick leave due to the employee's attendance or presence being required for the employee's spouse or child, the employee shall furnish the Employer

with a statement from the attending, treating or examining physician indicating the employee's attendance or presence was necessary.

Section 26.10: If an employee is unable to satisfactorily perform assigned job duties, has used sick leave in an excessive manner, or has exhibited a pattern of absence attributed by the employee to illness, the Employer, in determining the employee's physical or mental ability to perform work for and represent the Employer, may rely upon medical evidence submitted by the employee, or, in its discretion, the Employer may require the employee to submit to an examination, paid for by the Employer, and conducted by a physician or psychologist selected by the Employer. If the employee does not agree with the results of such examination, the employee may request another

examination by another physician or psychologist mutually selected by the employee and Employer. The fees and charges of such mutually selected physician or psychologist shall be paid equally by the employee and Employer. Disputes as to the employee's physical and/or mental health shall be determined in accordance with this Section, and the results of such examination conducted by the mutually selected physician or psychologist shall be binding upon the employee, the Union and the Employer and shall not be grieved or otherwise appealed.

Section 26.11: In accordance with this Article, payment of accrued, but, unused sick leave will be made to each employee having ten (10) or more years of continuous service with the Employer, upon disability or service retirement under the Ohio Public Employees Retirement System from active service with the Employer. Such payment shall be based on the employee's rate of pay at the time of retirement. Payment for sick leave on this basis shall be fifty (50%) of the employee's accrued, but, unused, sick leave hours, up to maximum of seventy-five (75) days, and such payment shall, in no event, exceed compensation for six hundred (600) hours, over the course of an employee's service, as provided in Section 26.13. In case of death, such payment, as provided for in this Article, shall be made to the deceased employee's estate.

Section 26.12: In accordance with this Article, payment of accrued, but, unused sick leave will be made to each employee having ten (10) or more years of continuous service with the Employer upon resignation from active service with the Employer unless the employee has received appointment to a position with another political subdivision of this State and elects to transfer accrued sick leave to the new Employer. Such payment shall be based on the employee's rate of pay at the time of resignation. Payment for sick leave on this basis shall be considered to eliminate all sick leave credit accrued by the employee at that time. Such payment shall be made only once to any employee. The amount of such payment shall be twenty five (25%) percent of the employee's accrued, but, unused sick leave, up to a maximum of twenty five (25) days and such payment shall in no event, exceed compensation for two hundred (200) hours. Any sick leave already redeemed under Section 26.13 below, shall count toward the 200 hour limit.

Section 26.13: Annual Sick Leave Conversion: Employees who have an accumulated balance of unused sick leave in excess of six hundred (600) hours shall annually have the option of converting a portion of this unused balance into a cash payment if the Director determines funds are available. The maximum number of sick leave hours which may be converted each year is two hundred forty (240) hours and will be converted at 50% of value of the hours converted at the employee's current rate of pay as of November 10th

each year, provided the employee's total sick leave balance following the annual conversion is not reduced below six hundred (600) hours. Hours converted will be deducted from the 1200 hours allowable for conversion anticipated at retirement. In any case, employees may not convert over 1200 hours during career. Sick leave transferred from another public agency or earned during a previous period of public employment is not convertible for annual cash payment at all. The employee who wishes to exercise the annual sick leave conversion option must notify the Director of their intention no later than November 10 of each year. Payment will be made in a separate check the second (2nd) pay in January following the November 10th request. See Form 41 in the Personnel Policies Manual "Annual Sick Leave Conversion Request".

Section 26.14: Sick leave is not earned while on an unpaid leave of absence, or if absent without approved leave.

ARTICLE 27

Paid Personal Leave

Section 27.1: Full-time employees will be granted up to twenty-four (24) hours of paid personal leave per calendar year, subject to the provisions herein. Each full-time employee will receive the twenty-four (24) hours as a credit on the first pay period of each calendar year, provided the employee is in active pay status at that time. For purposes of this Article, active pay status is defined as all conditions under which an employee is eligible to receive pay directly from the County; including hours worked, vacation leave, holidays, comp time, sick leave, military leave and paid court leave. For employees not in active pay status on the first pay period of the calendar year; personal leave hours will be credited upon the employee's return to work at the rate of one (1) hour of paid personal leave for each full pay period remaining until the end of the calendar year in which an employee returns (maximum of 24 hours). Paid personal leave shall be pro-rated for part-time employees. Personal Leave must be used by the last pay period of each year, and shall not be carried forward from year to year.

Section 27.2: Paid personal leave shall be charged in minimum increments of one-quarter (1/4) hour and personal leave payment shall not exceed, or cause an increase in, the employee's regular work day or work week earnings. Likewise, no employee shall receive personal leave pay or be credited with hours worked for any day when the employee receives any other form of compensation from the Employer, as for example, in the case of holiday pay.

Section 27.3: Newly hired employees, after thirty (30) days of employment will be credited with two (2) hours of paid personal leave and will accrue an additional two (2) hours of paid personal leave upon completion of each succeeding calendar month remaining in this first calendar year excluding December. Newly hired employees will be credited with paid personal leave days upon the first pay of January succeeding the effective date of their employment as provided in Section 27.1 above.

Section 27.4: The parties agree that the Employer shall have the authority to determine the number of employees within each department and/or work unit who may be paid personal leave at the same time. The parties further agree that any and all paid personal leaves are subject to cancellation in the case of an emergency. However, it is also their

intention that at least one (1) employee in each department and/or work unit be permitted to be on paid personal leave at any given time if no other employee is on vacation at that time in that department and/or work unit. However, such leaves may be prohibited during those periods of times, recurring on an annual basis, when the Director determines in advance that no employee within a given department and/or work unit can be paid personal leave.

Section 27.5: An employee requesting paid personal leave shall submit a written request to the employee's immediate supervisor not less than twenty-four (24) hours in advance of the personal leave time requested. All paid personal leave must be approved by the immediate supervisor and authorized by the Director in advance. However, exceptions may be made in emergency situations.

Section 27.6: Paid personal leave shall not be used to extend an employee's active pay status for the purpose of accruing overtime, nor shall it be used to extend an employee's date of resignation or retirement. Likewise, no employee shall receive paid personal leave for any day on which the employee is not scheduled to work.

Section 27.7: Paid personal leave shall not be accumulated or carried over from one calendar year to the next and any personal leave time not used by the last pay period of the calendar year shall be forfeited without pay. Hours that would be accrued by newly hired employees during the two pay periods in November may be carried over to the next calendar year only.

Section 27.8: Employees who sever their employment with the Department in a calendar year for other than disability, who have already utilized all paid personal leave hours, shall reimburse the Employer on a pro-rated basis. The reimbursement rate shall be one (1) hour of pay for each full pay period remaining in the calendar year following the separation of employment. The reimbursement may be captured by the Employer by withholding from the employee's final pay

ARTICLE 28

Calamity Days

Section 28.1: The parties recognize that it may be necessary for the Commissioners or the Director to declare Hardin County Job and Family Services to be closed at a given time due to weather related emergency or other calamitous circumstances. It is agreed whenever the Hardin County Sheriff declares an emergency which closes all Hardin County roadways to non-emergency personnel and makes all other persons traveling on such roadways subject to arrest, the Director will either delay opening of the Agency or declare a calamity day for the period of such emergency.

Section 28.2: In the event of such opening delay or calamity day closing, all employees who are not on pre-approved leave at that time shall receive their usual pay for the period of the delay or closing regardless of whether or not they are permitted or required to perform their duties and whether or not conditions permit them to report for work or remain on the job. Usual pay will be calculated as follows:

Delay of opening-Hours will be calculated from 8:00 a.m.

Early closure-Hours will be calculated from time of closure, not to exceed a total of 8 hours Monday-Thursday and up to 8.0 on Fridays. The calculation of up to 8 hours on Friday is due to flex scheduling and staff might not have been scheduled to work 8 hours on that day. The calculation of calamity time will not put a person into an overtime or

compensatory time situation. Each employee's hours will be calculated from arrival time to time of closure and credit will be given to bring them up to 8.0. Any employee choosing to leave prior to closing time will be considered to be on leave and will not be paid calamity time.

Employees pre-approved for sick leave, vacation, comp time, personal leave or unpaid leave of absence during the hours of calamity time off will not be paid calamity pay.

Section 28.3: In the event of such closing, those employees, who are permitted or required to work, shall, in addition to their compensation for those hours actually worked, also be granted equivalent time off, with pay, at a later time. The amount of such time off, with pay, shall not exceed the actual hours worked during such closing, and such time off must be requested and approved by the employee's supervisor in advance of the use thereof.

Section 28.4: The parties agree that, subject to all other terms and provisions of this Agreement, the Director, may do any or all of the following in the event of such closing:

- A. Direct employees not to report for work;
- B. Release employees prior to the conclusion of their normal work day;
- C. Permit employees to work, or to continue to work;
- D. Require employees to work, or to continue to work.

Section 30.2: The Employer will comply with the applicable state and federal law regarding payment of bargaining unit employees for military leave. If the employee fails or refuses to resign, then the employee may be discharged.

Section 32.4: An unpaid leave of absence shall not constitute a break in continuous service for the purpose of calculating an employee's seniority. However, an employee on unpaid leave of absence shall be entitled to no economic or fringe benefits while on such leave and shall earn no vacation or sick leave credit during the period of an unpaid leave of absence.

Section 32.5: An unpaid leave of absence as provided in this Article shall not be utilized for medical conditions as specified under Article 29 of this Agreement.

Employer and Employees acknowledge and agree that economic conditions have spawned an increase in demand for services while constraining resources available to meet the demand.
