The parties also recognize that the Union may wish to present its views on such subjects so that such views may be considered by the Administration. It is not the intent of the parties that labor-management committee meetings be used to bypass the normal chain of command. At least five (5) days in advance of a scheduled meeting, the OPBA shall submit to the Chief specific items for the agenda.

At least three (3) days in advance of a scheduled meeting, the City shall submit to the OPBA any additional specific items for the agenda. It is the intention of the parties hereto that such individuals as may be helpful to items to be discussed in such meeting may be in attendance, but that in the normal meetings not more than two (2) representatives selected by the Bargaining Unit and two (2) selected by the City may attend. The Chief will normally attend. It is the intention of the OPBA that these meetings be utilized only for the purpose of promoting harmonious relationships between the OPBA, its membership and the City and to provide input to the Chief on items of concern. It is not the intention of the parties that these meetings be used to bypass the normal chain of command, and members are expected to attempt to work out issues with supervisors prior to raising them at such meetings.

Nothing herein shall be interpreted or construed to waive or preempt management rights set forth under Article 6 herein. ARTICLE 15 GRIEVANCE PROCEDURE

Section 15.1 – Grievance Policy. The Chief (or designee) and the Union recognize that in the interest of effective personnel management, a procedure is necessary whereby employees can be assured of a prompt, impartial and fair processing of their grievances.

Section 15.2 – Grievance Defined, Content, Timeline For Filing. A grievance is a claim that there has been misinterpretation, meaning, or violation of any of the express, written provisions of this Agreement, or a claim arising as the result of disciplinary action.

A grievance shall contain: Date and time grievance occurred; description of grievance; specific reference to the provision(s) of the Agreement allegedly violated, or to the specific disciplinary action; relief requested; signature of grievant(s). It is not intended that the grievance procedure be used to affect changes or modify this Agreement.

Section 15.3 – Disciplinary Action Defined. For the purposes of this Article, disciplinary action is any oral or written reprimand, reduction in pay and/or position, removal, or suspension without pay. Appeals of discipline shall commence at “Step One - Supervisor” as set forth herein unless the parties waive all steps and proceed to arbitration. Notwithstanding any other provision of this Article, oral or written reprimands may only proceed through Step 2.

Section 15.4 – Grievance Procedure. The following are the implementation steps and procedures for handling members' grievances:

A. Step One – Supervisor

1. When a member has a grievance, he/she shall then submit said grievance in writing

**Collective Bargaining Agreement between the
City of Pataskala and the
Ohio Patrolmen's Benevolent Association – Sergeants & Lieutenants
For the Period 2017 – 2019**

to his/her supervisor on the grievance form agreed upon by the parties. Such form must be submitted to the supervisor within seven (7) calendar days following the date that the member becomes aware of the event or occurrence giving rise to the grievance. The supervisor shall date stamp the Form on the date of his receipt of it. Grievances submitted beyond the seven (7) day time limit need not be considered.

2. Within five (5) calendar days of the receipt of the written grievance, the supervisor shall affix his written response to the Form, date and sign his response, and return one copy of it to the grievant. If the aggrieved member does not refer the grievance to the Second Step of this Procedure within five (5) calendar days after his receipt of the decision rendered in this Step, the grievance shall be considered to be satisfactorily resolved.

B. Step Two – Chief (or his designee)

1. Should the member-grievant not be satisfied with the answer in Step One, within seven (7) calendar days after receipt of the Step One response (or seven (7) calendar days after the Step One meeting if no written response is received) he may appeal the grievance to Step Two by delivering a copy of the grievance form, containing the written response at the prior step and any other pertinent documents, to the Chief (or his designee). The Chief or his designee shall date the form, accurately showing the date his Office received the form.
2. The Chief or his designee shall, within seven (7) calendar days of receipt of the written grievance, schedule and conduct a meeting to discuss the grievance with the grievant and/or grievance chairman or his designee. The Chief or his designee may bring with him to the meeting the member-grievant and appropriate grievance representatives. The Chief or his designee and the employee may bring any appropriate witnesses.
3. Within seven (7) calendar days of the meeting at Step Two, the Chief or his designee shall submit his written response to the grievance.

C. Arbitration

1. If the member-grievant is not satisfied with the answer in Step Two, within fourteen (14) calendar days after receipt of the Step Two response, (or twenty-eight (28) calendar days after the Step Two meeting if no response is received) the Union may appeal to arbitration by serving the Employer a written notice of intent to arbitrate.
2. Within fourteen (14) calendar days of the Employer's receipt of the notice of the OPBA's intent to arbitrate, the OPBA shall, by letter, solicit a list of seven (7) arbitrators from the Federal Mediation and Conciliation Services to hear the arbitration. Upon receipt of such list of arbitrators the parties may meet and attempt to select one (1) arbitrator from the list. Both parties shall have the option to strike

**Collective Bargaining Agreement between the
City of Pataskala and the
Ohio Patrolmen's Benevolent Association – Sergeants & Lieutenants
For the Period 2017 – 2019**

the entire panel of proposed arbitrators. This option to strike may be exercised by both parties once in any one (1) grievance. If either party does not choose to strike the entire panel of proposed arbitrators, but the parties fail to agree on the selection of one (1) arbitrator, the parties shall then proceed to alternately strike one (1) name each from the list. Determination regarding which party shall have the privilege of striking a name from the list first shall be resolved by the toss of a coin. The individual whose name remains on the list after the other six (6) names have been removed shall be the arbitrator. The Federal Mediation and Conciliation Services (hereafter, "FMCS") shall be informed of the individual selected and request that such arbitrator be assigned to the grievance. The arbitrator shall arrange with the parties, the date, time and place of the meeting. The parties may mutually agree upon an arbitrator without requesting a list from the FMCS.

3. Arbitration proceedings shall be conducted under the voluntary labor arbitration rules of the FMCS, except as modified by the provisions of this Agreement. The arbitrator shall conduct a fair and impartial hearing concerning the grievance, hearing, and recorded testimony from both parties. The arbitrator shall hear only one grievance at a time unless both parties agree to consolidate two (2) or more grievances. After a dispute on which the arbitrator is empowered to rule hereunder has been referred to him, such dispute may be withdrawn by either party.
4. The fees of the arbitrator and the rent, if any, for the hearing room shall be split equally. The expense of any non-employee witnesses shall be borne, if at all, by the party calling that witness. The fees of a court reporter shall be paid by the party asking for one, however, such fee shall be split equally if both parties desire a reporter. If both parties desire a transcript, the costs of such transcript shall be split equally by the parties. Any other costs, such as rental for facilities, shall be paid as agreed by the parties on a case by case basis. The grievant, the Union representative, and employee witnesses called by either party who appear at an arbitration hearing during their normal working hours shall not suffer any loss in pay. Member witnesses, other than the grievant and grievant representative, called by the Union, will be permitted time off, with pay, to testify at an arbitration hearing if such time is during regularly assigned working hours, provided that the needs of the City, the Police Division and the safety of the citizenry of the City are not compromised.
5. Disputes may only be submitted to arbitration during the life of this Agreement. No issue whatsoever may be arbitrated or subject to arbitration unless such issue results from an action or occurrence which takes place during the effective dates or agreed extensions of this Agreement.

No decision by an arbitrator shall infringe upon the obligation of the City as expressed or intended by the provisions of Ohio law.

Either party may raise the issue of arbitrability before the arbitrator. In the event such issue is raised, the first question to be addressed by the arbitrator shall be whether the

**Collective Bargaining Agreement between the
City of Pataskala and the
Ohio Patrolmen's Benevolent Association – Sergeants & Lieutenants
For the Period 2017 – 2019**

grievance is arbitrable.

The arbitrator shall not change wage rates already in effect pursuant to this Agreement. No award of any arbitrator shall be retroactive for a period prior to seven (7) calendar days preceding the date that the member became aware of the event or occurrence giving rise to the grievance. The arbitrator shall conduct a fair and impartial hearing concerning the grievance, hearing and recording testimony from both parties and applying the rules of the American Arbitration Association. The arbitrator shall not have the authority or power to add to, subtract from, disregard, alter or modify any of the terms or provisions of this Agreement. It is expressly understood that the decision of the arbitrator, within his/her function and authority as set forth herein, shall be final and binding upon both parties. The arbitrator's decision and award shall be in writing and will state the rationale for the decision.

Section 15.5 – Grievance Forms. The City and the OPBA shall develop jointly a Grievance Form. Such Forms will be supplied by the OPBA and made available to all Grievance Representatives.

Section 15.6 – Calendar Day. For the purpose of counting time, “calendar days” as used in this Contract will not include holidays.

If an office specified for receipt of a grievance or grievance appeal is closed for an entire day, which day is the last day of the time period prescribed for the filing of a grievance or grievance appeal, then the grievant will be permitted to file his or her grievance or grievance appeal on the next day on which such office is open.

Section 15.7 – Resolved Grievances. The Grievance Chairman shall deliver a copy of each resolved written grievance to the Chief (or his designee) within five (5) calendar days of the grievance resolution. Failure to timely deliver a copy of a resolved grievance to the City shall excuse the City from any liability or damages for failure to implement the resolution.

Section 15.8 – Timely Processing of Grievances. Any grievance must be completed and filed upon the authorized grievance form agreed to between the parties to this Agreement. Such form shall provide for statement of the grievance and its relevant facts; the particular provision of this Agreement that are alleged to have been misinterpreted, misapplied or violated; and the remedy sought. Any grievance not advanced to the next step by the grievant or the Union within the time limits in that step, shall be deemed resolved by the Employer's last answer. Any grievance not answered by the Employer within the time limits in that step shall automatically proceed to the next step. Time limits may be extended by the Employer and the grievant or Union by mutual Agreement in writing.

Section 15.9 – Exclusivity. This grievance procedure shall be the exclusive method of resolving grievances. The parties agree that the State Personnel Board of Review and/or the Personnel Board of Review of the City of Pataskala, Ohio, shall have no authority over matters subject to this grievance and arbitration procedure.

ARTICLE 16 LAYOFF AND RECALL

Section 16.1 – Layoff Notification. The provisions of Revised Code section 124.321 shall not apply for reasons for layoff by the Employer. The Employer may lay off employees for lack of funds or work or abolishment of positions. The Employer shall notify the Union and affected employees no less than thirty (30) calendar days in advance of the effective date of the layoff or job abolishment. The Union agrees to meet with the Employer to discuss layoffs. Either the Union or the Employer may request a meeting to discuss the layoffs.

Section 16.2 – Layoff. The Employer shall determine in which classifications layoffs will occur. Layoffs of bargaining unit employees will be by rank/classification. Employees shall be laid off within each rank/classification in the inverse order of seniority, beginning with the least senior and progressing to the most senior up to the number of employees that are to be laid off. With layoff displacement, higher rank shall displace lower rank and more senior members shall displace those with less seniority.

Section 16.3 – Recall Notification. The Employer shall provide written notice of recall to the affected employees to the employee's last known address. It shall be the responsibility of each employee to keep the Department informed of his current residence or mailing address. If there is a recall, employees who are still on the recall list shall be recalled in the inverse order of their layoff.

Laid off employees shall notify the Employer of any temporary absence from their regular address. The Employer agrees that an employee's recall rights shall continue until said employee is contacted, until fourteen (14) days have lapsed from the contract, or the employee has been contacted and the employee does not respond.

Section 16.4 – Time Limits for Recall. The laid off employee shall have fourteen (14) calendar days after mailing or dispatching of said notification in which to exercise his rights to recall. After the expiration of his time the next employee in line on the recall roster shall be notified in accordance with the above paragraph and be given his right to recall.

The employee who has been properly notified by the Department must report to work within seven (7) days from the date of receipt of the notification or from the expiration of the fourteen (14) day notification period, unless a longer period is provided by the Chief. Employees who fail to report for work as specified above shall forfeit their recall rights and the next employee in line on the eligibility roster shall be notified. Laid off employees shall have recall rights for twelve (12) months from the effective date of layoff.

Section 16.5 – Probationary Period. Recalled employees shall not serve a probationary period upon reinstatement, except that employees serving a probationary period at layoff shall be required to complete any such probationary period.

Section 16.6 – Appeal. Any appeal regarding a layoff, reasons for a layoff, or displacements shall only be through the grievance and arbitration procedure of this Agreement beginning at Step Two.

Sergeant (Upon completion of one year)	\$29.42

Sergeant (Upon completion of three years)	\$31.50

The parties recognize that the above scale represents minimum wage rates for Sergeants for 2017, 2018, and 2019. Such shall be amended to reflect that the probationary Sergeant rate is ten percent (10%) greater than the rate of the highest full-time patrol rate; the second step Sergeant rate is five percent (5%) greater than the probationary Sergeant rate; the third step Sergeant rate is five percent (5%) greater than the second step Sergeant rate; and the top Sergeant rate is two percent (2%) greater than the third step Sergeant rate. If such scale is more than that provided by such formula upon the completion of the full-time patrol negotiations, the rates shall not be decreased. For purposes of this paragraph, the highest full-time patrol rate shall include longevity payments made to full-time patrol officers.

The parties recognize that the position of Lieutenant is currently not filled. Should the City intend to fill the position, the parties shall meet to negotiate the wage rate for the Lieutenant position.

**ARTICLE 27 INVESTIGATION, DISCIPLINE PROCEDURES, PERSONNEL
RECORDS**

Section 27.1 – Criminal Investigations. A bargaining unit member who is to be questioned as suspect in any investigation where criminal charges may result shall be advised of his constitutional rights in accordance with the law.

Any employee under indictment, arrested for a crime, or otherwise charged with the violation of any criminal statute who is not disciplined or discharged by the Employer, may be placed on a leave of absence without pay until resolution of such charges. An employee may use accrued vacation or holiday time during the leave. An employee who is found guilty by any court of competent jurisdiction or who enters into a plea Agreement as a consequence of any criminal charges shall be summarily discharged, notwithstanding any appeal the employee may pursue. Alternatively, the Employer may take disciplinary action against the employee which action shall be subject to appeal by the employee pursuant to the provisions of this Agreement.

Section 27.2 – Internal Investigations. Bargaining unit members required to respond to questions during internal investigations shall, when applicable, be informed of their constitutional rights and responsibilities. Before a bargaining unit member may be charged with insubordination or like offense for refusing to answer questions or participate in an investigation, he shall be advised that such conduct, if continued, may be the basis for such a charge. All members shall be obligated to cooperate in any investigation conducted.

At any time a formal investigation concerning a bargaining unit member occurs wherein disciplinary action of record (reprimand of record, suspension, reduction, or removal) will or may result, the member will be notified when he is first questioned, that such result is possible.

When a bargaining unit member suspected of a violation is being interviewed, such interview shall be recorded at the request of either party by the requesting party. If recordings are made the other party shall be provided a copy.

Nothing herein shall be construed as restricting members of the bargaining unit from reporting violations of Departmental rules or policy committed by other members of the bargaining unit. All employees of the bargaining unit shall be responsible for reporting violations of Department rules and regulations, statutes, and appropriate standards of conduct.

If any of the procedures of this Article are violated, such violations shall be subject to the grievance procedure.

Section 27.3 – Complaints.

A. Anonymous Complaints

1. An anonymous complaint is any oral reporting or unsigned written reporting regarding the conduct of an officer. An anonymous complaint shall not be,

**Collective Bargaining Agreement between the
City of Pataskala and the
Ohio Patrolmen's Benevolent Association – Sergeants & Lieutenants
For the Period 2017 – 2019**

in and of itself, the basis for any action against an employee.

2. When any anonymous complaint is made against a member and there is no corroborative evidence of any kind, the complaint shall be classified as unfounded and the accused member shall not be required to submit a written report or submit to questioning. The Department may, however, investigate the complaint and, if corroborated, it may become the accusing party and pursue discipline under the terms of this Agreement.

B. Written Complaints

A written complaint is any writing regarding the conduct of an officer which is signed by the complaining party. Written complaints will ordinarily be investigated fully. In such cases the accused member may be required to submit a written report and submit to questioning. However, when any citizen complaint is filed more than the sixty (60) calendar days after the date of the alleged event complained of, and where the complaint, if true, could not lead to a criminal charge, such complaint shall be classified as unfounded and the accused member shall not be required to submit a written report or submit to questioning; but, he shall be notified orally or in writing of such claim.

Section 27.4 – Corrective Action. The tenure of every employee subject to the terms of this Agreement shall be during good behavior and efficient service. The Employer may take disciplinary action against any employee in the bargaining unit only for just cause. The Employer may take disciplinary action for actions which occur while an employee is on duty, or which occur while an employee is working under the color of the Employer, or on or off duty in instances where the employee's conduct violates his oath of office or violates the rules and regulations of the Employer or engages in conduct unbecoming a police officer. Forms of disciplinary action include:

- A. Documented oral reprimand
- B. Written reprimand
- C. Suspension without pay or loss of holidays or vacation. The Chief has the authority to implement a suspension without pay as a disciplinary action. Should the Chief, in his sole discretion, determine to allow an officer to substitute an equal number of vacation days or holiday days for a suspension, the choice of such substitution shall be made by the officer. The Chief will not unilaterally substitute vacation or holiday periods for suspension periods.
- D. Reduction in rank or classification
- E. Discharge

Section 27.5 – Progressive Action. The principles of progressive disciplinary action will normally be followed with respect to minor offenses. The progression, where appropriate, may include a documented oral reprimand, written reprimand, and a suspension for the same or related

**Collective Bargaining Agreement between the
City of Pataskala and the
Ohio Patrolmen's Benevolent Association – Sergeants & Lieutenants

minor offenses prior to dismissal. In those instances where more severe discipline is warranted, the Employer may discipline the member according to the severity of the incident, up to and including termination/discharge.

Section 27.6 – Predisciplinary Meetings. Upon completion of an investigation and prior to a predisciplinary meeting with the Chief or his designee, a member will receive a written statement of charges. At the predisciplinary meeting, the charged bargaining unit member or his representative will be allowed to present his defense/response.

Predisciplinary meetings will be conducted by the Chief or his representative selected by the Employer. The employee may choose to:

- A. Appear at the meeting to present oral or written statements in his/her defense;
- B. Or appear at the meeting and have one (1) chosen representative present oral or written statements in defense of the employee; or
- C. Elect in writing to waive the opportunity to have a predisciplinary meeting.

Failure to elect and pursue one of these three options will be deemed a waiver of the employee's rights to predisciplinary meetings.

At the predisciplinary meeting, the Employer representative will ask the employee or his representative to respond to the allegations of misconduct which were outlined to the employee. At the meeting, the employee may present any testimony, witnesses, or documents which explain whether or not the alleged misconduct occurred. The employee shall provide a list of witnesses and the name and occupation of his representative, if any, to the Employer as far in advance as possible, but no later than forty-eight (48) hours prior to the predisciplinary hearing. It is the employee's responsibility to notify his witnesses that he desires their attendance at the hearing.

A written report will be prepared by the Employer representative. A copy of the representative's report will be provided to the employee, and the Union representative within five (5) days following its preparation. The Employer will decide what discipline, if any, is appropriate.

Section 27.7 – Discipline Records. In any case in which an oral reprimand, written reprimand, suspension, or dismissal is overturned on appeal or otherwise rendered invalid, all documents relating thereto will be removed from the personnel file of the member. All such records removed from the personnel file for the reasons outlined above shall not be considered in future disciplinary action or promotional considerations. All removal of records shall be in accordance with Ohio law. Every member shall be allowed to review his personnel file at any reasonable time upon written request to the Employer and in the presence of the Employer or his designated representatives. The City shall abide by and follow provisions of Ohio Revised Code Chapter 1347 and O.R.C. Section 149.43.

If, upon examining his personnel file, any bargaining unit member has reason to believe that there are inaccuracies in documents contained therein, he may write a memorandum to the Employer

**Collective Bargaining Agreement between the
City of Pataskala and the
Ohio Patrolmen's Benevolent Association – Sergeants & Lieutenants
For the Period 2017 – 2019**

explaining the alleged inaccuracy.

If the Employer concurs with the member's contentions, he shall remove the faulty document from the personnel file or otherwise append to such document any statements or materials which would serve to correct or modify such document. If he does not concur with the contentions of the member, he will attach the member's written memorandum to the document in the file.

Section 27.8 – Appeal of Discipline. Oral and written reprimands may only be appealed through Step 3 of the grievance procedure. All other disciplinary actions may be appealed to arbitration. All discipline is governed by Article 26.

Section 27.9 – Seniority. Any suspension imposed shall be deducted from the employee's seniority date.

Section 27.10 – Conduct of Investigation. Any investigations, interviews, or other disciplinary procedures shall be conducted in a professional and private manner by all parties. Discussions or any public statements regarding completed disciplinary matters shall be conducted professionally. For purposes of this Agreement, "completed disciplinary matters" occurs upon completion of investigation and pre-disciplinary procedures.

Section 27.11 – Prior Discipline. Prior discipline may be utilized to establish that an employee had knowledge of the standard of conduct expected. Record of prior discipline shall be maintained as follows:

- A. 1 year for documented oral reprimand
- B. 2 years for written reprimands
- C. 3 years for suspensions

Records will be removed from an employee's file upon a lapse of the retention schedule. Any record outside of the period covered by the retention schedule shall not be utilized in subsequent disciplinary considerations or promotions.

Section 27.12 – Use of Polygraphs. An employee may, upon not less than twenty-four (24) hour advance notification, be required to submit to a polygraph and/or CVSA examination as a part of an investigation conducted by the Employer. A polygraph and/or CVSA examination will be ordered when appropriate to a particular investigation as determined by the Chief based upon his conclusion that such an examination is justified. When utilized a polygraph and/or CVSA examination will be limited in scope to the purpose of the investigation which prompted the determination that its use was appropriate. The failure or refusal to submit to a polygraph and/or CVSA examination may be considered grounds for disciplinary action.

Section 27.13 – Union Representation. The employee shall have, at his request, the presence of a Union representative, including stewards or officers of the local Union, any time during a disciplinary action, disciplinary investigation, or disciplinary interview of an employee. If the

City of Pataskala and the

Union representative is not available immediately, the Employer and the Union representative shall agree to a time convenient for both parties. Such request may not unreasonably delay an investigation.

ARTICLE 28 PROBATIONARY PERIOD

Section 28.1 – Requirement to Serve Probationary Period. Every newly hired employee or employee appointed to a position in the bargaining unit covered by this Agreement shall be required to successfully complete a probationary period. This probationary period requirement shall apply to all individuals hired or employed regardless of prior service with the Department.

Section 28.2 – Length of Probationary Period. The probationary period shall begin on the first day as a fulltime lieutenant and/or sergeant for which the employee receives compensation from the Employer and shall continue for a period of one (1) calendar year. A probationary employee who has lost work time due to illness or injury for more than ten (10) work days shall have his probation period extended by the length of the illness or injury. The probationary period may be extended for an additional six (6) calendar months. In this even, the Chief shall provide thirty (30) calendar days' notice of his intent to extend. A probationary employee will be notified in writing of the employee's status at the completion of the employee's probationary period.

Section 28.3 – Appeals by Probationary Period Employees. A new hire probationary employee may be terminated any time during his probationary period and shall have no right to appeal of the termination under the grievance procedure of this Agreement or to any other forum. In all non-disciplinary matters the probationary employee is entitled to Union representation including the grievance procedure.

Section 28.4 – Promotional Probationary Period. Any member promoted into a higher rank shall be required to successfully complete a promotional probationary period of one (1) calendar year. A member serving a promotional probationary period whose performance is judged unsatisfactory may be returned to his former rank. A return to former rank during the first six (6) months of a promotional probationary period is not appealable so long as the newly promoted officer has had the opportunity to complete an agreed upon first line supervisory school. A return to former rank in the absence of such opportunity is appealable. By written agreement the City and any newly promoted officer may waive the completion of first line supervisory school in which event a return to former rank during the first six (6) months of the probation is appealable. The one (1) year promotional probationary period may not be extended. Appeals under this section shall be governed by Article 14, Grievance Procedure. The employee will be notified in writing of the employee's status at the completion of the employee's probationary period.

designee. Examinations may be either periodic or as the Employer may require. If found not qualified, the employee may request available sick leave or vacation or medical leave without pay with the right to return.

Section 29.2 – Health and Safety. Examinations are intended to guard the health and safety of employees and will be ordered only when necessary, as a precautionary measure, periodically to ensure the health of employees or when, in individual situations, the Employer has reasonable concern for an employee's ability to perform the material and substantial duties of his position.

Section 29.3 – Inability To Perform. If an employee, after a medical examination, is found to be unable to perform the material and substantial duties of his position, then the employee may utilize accumulated unused sick leave or other leave benefits (including but not limited to workers' compensation, if eligible). At any time following the expiration of all available paid leave and unpaid leave, the Employer may initiate an involuntary disability separation of an employee as otherwise provided for in O.A.C. §123:1-30-01(A) – (E) and (G). While an employee who has been disability separated may utilize the grievance and arbitration procedure found within Article 15, the employee may not appeal the disability separation to the State Personnel Board of Review as otherwise provided for in O.A.C. §123:1-30-01 (f), nor may the employee appeal the disability separation to the City of Pataskala Personnel Board of Review. If an employee applies for disability retirement benefits, the Employer will support that application by responding truthfully and completely to all requests made by the Ohio Police and Fire Pension Fund. However, this provision may not be considered an admission or agreement for workers' compensation benefits. If an employee applies for disability retirement benefits, the Employer will support that application by responding truthfully and completely to all requests made by the Ohio Police and Fire Pension Fund. However, this provision may not be considered an admission or agreement for workers' compensation benefits.

Section 29.4 – Return. Employees requesting return from disability separation must submit documentation of their ability to perform the material and substantial duties of their classifications. The Employer may request an examination prior to return to work.

Section 29.5 – Cost of Examinations. Any costs for examination required by the Employer shall be paid by the Employer. Employees shall have the right to submit examination reports to the Employer which would respond to the questions of an employee's ability to perform the material and substantial duties of his position. If the employee disagrees with said determination he may be examined by a physician of his choice at his expense. If the two (2) reports conflict a third opinion shall be rendered by a neutral physician chosen by the first two (2) physicians whose decision shall not be appealable to the grievance procedure. The neutral physician's cost shall be shared equally by the employee and the Employer.

Section 29.6 – Requirements. Refusal of an employee to submit to an examination will be considered as insubordination and shall be grounds for discipline which may include dismissal.

It is further agreed and understood that during the term of this Agreement, individual carriers/providers may, through no fault of the City, Union, or employees, cease coverage. Additionally, it is agreed and understood that during the term of this Agreement, specific carriers/providers under the plan may unilaterally institute or modify payments or conditions which modifications will be required for subscription to the plan provided by that carrier/provider.

The “cap” on premium costs for 2019 will be negotiated by the parties in the form of a re-opener. Either party may commence the negotiations by filing a notice to negotiate with SERB no earlier than 90 days prior to January 1st, 2019. These re-opener negotiations shall be conducted in accordance with O.R.C. 4117. If neither party files a notice to negotiate prior to January 1, 2019, the “cap” shall remain at 10%.

Employees shall be notified in advance of any modifications in premium contributions. The City will notify the Union of any proposed changes in employee premium contributions and agrees to meet with the Union to discuss such changes in advance of such changes becoming affective.

Section 30.3 – Additional Insurance Coverage. Employees of the City shall be provided with the opportunity to obtain insurance coverage for dental, vision and life policies under such terms and conditions as are afforded to all employees within the City. An employee's participation in such plans is optional. All employees who participate in such plans will be required to contribute through payroll deduction to the premium for the plans as determined by the City. The contribution rate for 2017 and 2018 shall be 10% of the premium costs for the plans. For 2019, the parties may engage in a re-opener in the same method as set forth in Section 30.2.

Section 30.4 – Eligibility. Employees in the classified service shall be eligible for health insurance coverage after completion of the waiting period established by the health insurance plan. Employees who have a spouse employed by the City, whether with the Employer or another office

ARTICLE 31 WAIVER IN CASE OF EMERGENCY

Section 31.1 – Waiver of Grievance and Job Assignments. In cases of emergency declared by the President of the United States, the Governor of the State of Ohio, the City of Pataskala Mayor or the Federal or State Legislature, such as acts of God or civil disorder, Articles 11, 14, 15, 18, 30, and 31 of this Contract may be temporarily suspended by the City in addition to individual sections or articles identified within the text of such sections as well as any-restrictions prohibiting the City from assigning job duties to members outside of their classifications.

Section 31.2 – Termination of Emergency. Upon the termination of the emergency any suspended articles or sections shall be restored to full effect.

ARTICLE 32 SAFE EQUIPMENT

Section 32.1 – Safe Equipment. The City will furnish and will maintain in the best possible working condition, within the limits of its financial capability, the necessary tools, facilities, vehicles, supplies and equipment required for members to safely carry out their duties. Members are responsible for reporting unsafe conditions or practices, and for properly using and caring for tools, facilities, vehicles, supplies and equipment provided by the City.

ARTICLE 33 APPLICATION OF CIVIL SERVICE LAW

Section 33.1 – Application of Civil Service Law. Except as expressly otherwise provided in this Agreement or specifically excepted from the scope of collective bargaining by the provisions of Revised Code Chapter 4117, civil service laws contained in Revised Code Chapter 124, Sections 124.01 through 124.56, provisions of R.C. §325.19 and any other matter referenced in this Agreement shall not apply to employees in the bargaining unit. It is expressly understood that the Ohio Department of Administrative Services, the State Personnel Board of Review and the Personnel Board of Review of the City of Pataskala shall have no authority or jurisdiction as it relates to employees in the bargaining unit.

ARTICLE 34 EXTRA DUTY

Section 34.1 – Roster Requirement. Whether a request for law enforcement services is a matter of “extra duty” or otherwise, is to be determined solely by the Chief in his discretion. All extra duty assignments shall be approved by the Chief of Police, and shall be posted and filled by a roster of all fulltime officers who voluntarily want to be placed on the roster. The roster shall start

For the Period 2017 – 2019**

with the most senior officer and end with the officer who has the least tenure with the City of Pataskala. The Police Administration shall use this list in offering all extra duty assignments in an effort to provide extra assignments as equally as possible among the officers wishing to be placed on this roster.

Section 34.2 – Movement on Roster. Officers are moved from the top of the list to the bottom of the list if they accept an extra duty assignment or they turn down an assignment that they would be available to work. An officer is unavailable to work an extra duty assignment because of regular work assignment, court appearances, or other matters directly related to his or her normal duties. The officer would remain at the top of the list and have first chance at the next extra duty assignment under such conditions.

In no event shall an officer remain on the list during any period of disciplinary suspension. An officer who has been suspended shall be removed from the list and upon return to work shall be placed at the bottom of the list.

Any officer who accepts an extra duty assignment but fails to satisfactorily complete that assignment shall be removed from the list for a period of sixty days from the date of the assignment and shall be placed at the bottom of the list upon reaching eligibility for relisting.

ARTICLE 35 ARBITRATION

Section 35.1 – Timing. If the member-grievant is not satisfied with the answer in Step Four, within fourteen (14) calendar days after receipt of the Step Four response, (or fourteen (14) calendar days after the Step Four meeting if no response is received) the Union may appeal to arbitration by serving the Employer a written notice of intent to arbitrate.

Section 35.2 – Arbitrator Selection. Within fourteen (14) calendar days of the Employer's receipt of the notice of intent to file under the grievance arbitration procedure, the OPBA, by letter, solicit nominations for arbitrators from the Federal Mediation and Conciliation Services to hear the arbitration. Upon receipt of such list of arbitrators the parties may meet and attempt to select one (1) arbitrator from the list. Both parties shall have the option to strike the entire panel of proposed arbitrators. This option to strike may be exercised by both parties once in any one (1) grievance. If either party does not choose to strike the entire panel of proposed arbitrators, but the parties fail to agree on the selection of one (1) arbitrator, the parties shall then proceed to alternately strike one (1) name each from the list. Determination regarding which party shall have the privilege of striking a name from the list first shall be resolved by the toss of a coin. The individual whose name remains on the list after the other six (6) names have been removed shall be the arbitrator. The Federal Mediation and Conciliation Services (hereafter, "FMCS") shall be informed of the individual selected and request that such arbitrator be assigned to the grievance. The arbitrator shall arrange with the parties, the date, time and place of the meeting. The parties may mutually agree upon an arbitrator without requesting a list from the FMCS.

For the Period 2017 – 2019**

Section 35.3 – Conduct of Proceedings. Arbitration proceedings shall be conducted under the voluntary labor arbitration rules of the FMCS, except as modified by the provisions of this Agreement. The arbitrator shall conduct a fair and impartial hearing concerning the grievance, hearing, and recorded testimony from both parties. The arbitrator shall hear only one grievance at a time unless both parties agree to consolidate two (2) or more grievances. After a dispute on which the arbitrator is empowered to rule hereunder has been referred to him, such dispute may be withdrawn by either party

Section 35.4 – Arbitrator Fees. The fees of the arbitrator shall be borne by the losing party. The expense of any non-employee witnesses shall be borne, if at all, by the party calling that witness. The fees of a court reporter shall be paid by the party asking for one, however, such fee shall be split equally if both parties desire a reporter. If both parties desire a transcript, the costs of such transcript shall be split equally by the parties. Any other costs, such as rental for facilities, shall be paid as agreed by the parties on a case by case basis. The grievant, the Union representative, and employee witnesses called by either party who appear at an arbitration hearing during their normal working hours shall not suffer any loss in pay. Member witnesses, other than the grievant and grievant representative, called by the Union, will be permitted time off, with pay, to testify at an arbitration hearing if such time is during regularly assigned working hours, provided that the needs of the City, the Police Division and the safety of the citizenry of the City are not compromised.

Disputes may only be submitted to arbitration during the life of this Agreement. No issue whatsoever may be arbitrated or subject to arbitration unless such issue results from an action or occurrence which takes place during the effective dates or agreed extensions of this Agreement.

No decision by an arbitrator shall infringe upon the obligation of the City as expressed or intended by the provisions of Ohio law.

Either party may raise the issue of arbitrability before the arbitrator. In the event such issue is raised, the first question to be addressed by the arbitrator shall be whether the grievance is arbitrable.

The arbitrator shall not change wage rates already in effect pursuant to this Agreement. No award of any arbitrator shall be retroactive for a period prior to the date of the filing of a grievance. The arbitrator shall conduct a fair and impartial hearing concerning the grievance, hearing and recording testimony from both parties and applying the rules of the American Arbitration Association. The arbitrator shall not have the authority or power to add to, subtract from, disregard, alter or modify any of the terms or provisions of this Agreement. The arbitrator shall not grant relief that extends beyond the termination date of this Agreement. It is expressly understood that the decision of the arbitrator, within his/her function and authority as set forth herein, shall be final and binding upon both parties. The arbitrator's decision and award shall be in writing and will state the rationale for the decision.

The OPBA team will consist of no more than four (4) participants of which two (2) will be Bargaining Unit members, and two (2) OPBA representatives. The City shall compensate Bargaining Unit team members if on duty at their straight time hourly rate.

Section 36.2 – Good Faith Bargaining. The parties are obligated to bargain collectively with one another in a good faith effort to reach agreement.

Section 36.3 – Information. The parties are obligated to provide each other with relevant financial and other information, as requested, which is necessary for each party to develop proposals and counterproposals and to negotiate in good faith. All requests for data shall be in writing.

Section 36.4 – Private Meetings. The parties agree to negotiate in private meetings. Meetings will be held on the premises of the City. Sessions will commence at a mutually agreeable time. The date and time of the next negotiating session shall, if possible, be agreed upon before the close of each session.

Section 36.5 – Chief Negotiator. There shall be only one (1) spokesperson (the chief negotiator) for each party, except that he or she may on occasion request one of his or her team members to address a specific issue or issues.

Section 36.6 – Meeting Notes. Each party may informally keep its own minutes or written records of the negotiations. No official transcript of the negotiations will be maintained. No mechanical recording devices shall be used during negotiations meetings.

Section 36.7 – Proposals. At the initial negotiations meeting, the City and the OPBA will present their initial non-economic proposals. After the non-economic issues are resolved or they have reached a point where they should be carried over into economic negotiations, the City and the OPBA will present their respective economic proposals. Nothing herein precludes either party, by mutual agreement, from making a preliminary written submission of its proposals to the other party prior to the initial meeting.

Section 35.8 – Caucus/Adjournment. Either party, through the Chief Negotiator, has the right to call a caucus at any time or to adjourn the negotiations session.

Section 36.9 – News Media/Public. It is agreed that during negotiations neither party will issue a statement to the news media. If, in the normal conduct of negotiations, such press release should become appropriate upon any scheduled fact-finding, the content must be mutually acceptable.

Section 36.10 – Tentative Agreement.

- A. Articles, or where appropriate, sections of articles agreed to by the parties will be reduced to writing, duplicated, dated and signed by the parties as tentative agreements.
- B. It is understood that such tentative agreements are not finally resolved, nor shall they be binding on either party, until such time as agreement is reached on the entire Contract. Agreement by the City requires ratification by City Council.

Section 36.11 – Ratification Procedures. The Negotiating Committee shall submit to City Council a request for approval of funds necessary to implement the agreement reached by the Negotiation Committees and for approval of any other matter requiring the approval of City Council at the first regularly scheduled Council Meeting immediately following the date upon which the parties finalize an agreement. The City Council must approve or reject the submission as a whole, and the submission shall be deemed approved if the Council fails to act within thirty (30) days after the City submits the Contract. When so approved by Council and bargaining unit members, the Contract is binding upon the City, City Council, the OPBA and the members of the bargaining units.

Section 37.2 – Continuation of Current Agreement. The parties agree that this Agreement continue in full force and effect for a period after the expiration date of this Agreement, until a successor agreement has either been reached or implemented.

ARTICLE 38 RESIDENCY

Section 38.1 – Requirements. Due to the nature of law enforcement, the provision of safety services and the expectations of the community served, certain reasonable limitations on the proximity of an officer's choice of residence to the central police station are necessary. Without unduly interfering with an officer's choice, all employees of the department are expected to reside within a thirty (30) mile radius of the central station provided, in addition, that within that radius an officer is able, under normal conditions and within posted speed limitations, arrive at the central station within thirty (30) minutes of departure from his or her residence.

All new employees of the department shall, within ninety (90) days of the conclusion of any probationary period, reside within the mileage and time radius set forth herein. For good cause

shown an extension of an additional six (6) months may be provided upon written request that sets forth the specific reasons for the request.

Any current employee who changes residence shall reside within the mileage and time radius set forth herein.

It is understood by the City and the Union that the mileage and time radius set forth herein contemplates normal driving conditions within posted speed limitations as those terms are generally understood. There are a number of events possible that may preclude a fair application of the time radius to a particular day or officer. Such events include traffic mishaps, roadway construction, inclement weather and such other infrequent or unanticipated events. As such, the failure of an officer to meet the time limitations set forth herein on any given particular occasion shall not, in the absence of additional information evidencing neglect, form the basis for discipline. Should frequent failure to meet the time limitations occur, such failure will be investigated as to cause and remedy prior to the imposition of discipline.

**ARTICLE 39 DURATION, ENTIRE AGREEMENT, AND SUBSEQUENT
NEGOTIATIONS**

Section 39.1 – Duration. The provisions of this Agreement unless otherwise provided for herein, shall become effective on January 1, 2017, and shall remain in full force and effect until 11:59 p.m., on December 31, 2019.

Such notice shall be by regular mail or email.

Section 39.3 – Entire Agreement. The parties acknowledge that during the negotiations which resulted in this Agreement, each had the right and opportunity to make demands and proposals with respect to any subject matter not removed by law from the area of collective bargaining and that the understandings and Agreements arrived at by the parties hereto after the exercise of those rights and opportunities set forth in this Agreement. The provisions of this Agreement constitute the entire Agreement between the Employer and the Union, and all prior Agreements, practices, and policies concerning the subject matter provided for herein, either oral or written, are hereby canceled.
