- D. The recognition shall remain in effect for the duration of the contract.
- E. The term "day" as used in this Agreement shall refer to "calendar days", unless indicated otherwise.

ARTICLE 2
COVERAGE

The Union has bargaining rights for all employees in the bargaining unit on the following subjects:

- A. Wages, hours, fringe benefits, and other matters of economic compensation.
- B. Other terms and conditions of employment.

ARTICLE 3
RIGHTS OF INDIVIDUALS

Individuals shall be given the opportunity to express their views to the Board at any scheduled meeting by the Board in accordance with Board policy, provided that negotiations shall be conducted only with the Union. All members of the Union Negotiating Committee shall have the right to express their views during negotiations and shall be free from reprisal or intimidation during and after completion of negotiations. Persons desiring to express views to the Board must notify the Superintendent at least one (1) week prior to the Board meeting.

ARTICLE 4
BOARD (MANAGEMENT) RIGHTS

Except as limited only by the specific and express terms of the contract and Ohio law, the Board hereby retains and reserves unto itself, without limitation, all powers, rights, authority, duties, and responsibilities conferred upon and vested in it by the laws and the Constitution of the State of Ohio, and of the United States.

ARTICLE 5
NEGOTIATED ITEMS

All previously negotiated items within this Agreement shall remain in full force and effect unless altered during negotiations. The final Agreement shall supersede similar negotiated items from past negotiations.

ARTICLE 6
NEGOTIATIONS PROCEDURE

A. Submission of Issues

Issues proposed for negotiations shall be submitted at least fifteen (15) days prior to opening of negotiations. Negotiations between the parties shall begin no more than ninety (90) nor less than sixty (60) days prior to the expiration of the existing contract.

B. Negotiation Teams

1. The Board and the Union shall be represented at all negotiation meetings by a team of negotiators, not to exceed seven (7) members each. Neither party in any negotiations shall have any control over the selection of the negotiation or bargaining representative of the other party.
2. While no final contract shall be executed without ratification by the Union and adoption by the Board, the parties mutually pledge that their

representatives will be clothed with all necessary power and authority to make proposals, consider proposals, and to make concessions in the course of negotiations. All negotiations shall be conducted exclusively between said teams.

C. Negotiation Meetings

1. Upon written request for a negotiation meeting, either party will have five (5) days to reply to the request. Within ten (10) days after receipt of the reply, a site, date and time for the meeting will be established by mutual agreement.
2. All days referred to herein shall be construed as work days so designated in the adopted school calendar. Any meeting involving non-school days would require mutual agreement. If the Board or its designated representative desires to set a negotiating meeting during the normal school work day, all members of the negotiating team normally employed during those hours shall be paid for those hours at the regular rate. All meetings after the normal working hours would not be thusly affected.
3. Once the meeting date, time, and place have been established by both parties, the following procedure will be followed: In the first meeting written proposals shall be given with explanation. The second meeting will be scheduled to give the parties sufficient time to return with a written counterproposal and render an explanation. Subsequent meetings will be held to negotiate the proposals, until a tentative agreement is reached.
4. Length of meetings, as well as times and places shall be agreed upon at the onset of the beginning of each session. The length of meetings shall not exceed two (2) hours and all meetings shall be held in closed session. No tape recorders or mechanical devices shall be permitted in any negotiation session. All materials written/published during negotiations shall be secured in an enclosure at the completion of each closed session.
5. No action to coerce, censor or penalize any participant in negotiations shall be made or implied by any other negotiator or member of either party so represented. Both sides agree to conduct themselves in a professional manner.
6. As negotiated items are agreed upon, they shall be reduced to writing and initialed by the chief negotiator of each party. Such initialing shall be construed as tentative agreement by both parties on that item, or issues, subject to finalization by ratification by the membership of the Union and adopted by the Board.

D. Caucus

Upon request of either party, the negotiation meeting shall be recessed to permit the requesting party a time period mutually agreed upon to caucus in privacy.

E. Exchange of Information

The Superintendent shall furnish the Union, and the Union will furnish to the Superintendent, when requested, all available information in the usual form maintained pertinent to the issues under negotiations.

F. Progress Reports

Progress reports shall be made public only by the mutual consent of both parties. This does not apply to progress reports made to the Board or to the members of the Union by the respective negotiating teams.

G. Impasse

1. Negotiations shall continue for a time period of sixty (60) days after the first scheduled negotiations meeting before an impasse can be declared. After the sixty (60) day period, either party may declare impasse so long as the initial proposals have been fully discussed by both parties. Any tentative agreements reached during negotiations shall be initialed and dated by the respective Chief spokesperson and removed from further bargaining, including impasse.
2. If an impasse develops between negotiating teams, both parties shall agree to the following terms:
 - a. When impasse is declared by the parties, both parties shall request a mediator from the Federal Mediation and Conciliation Service to assist in further negotiations
 - b. Recommendation of the mediator shall not be made public and shall not be binding on the parties.

H. Agreement

1. When consensus is reached on those matters being negotiated, the understanding of both parties shall be reduced to writing. The Union/OAPSE shall be responsible for typing the final negotiated agreement. Both parties shall review the agreement together to determine the accuracy of the transcript. If the agreement is then in proper form, it shall be submitted to the Union for ratification. Within thirty (30) days from the time the contract, ratified by the Union, is presented to the Board, the Board shall take action upon the recommendation submitted.

2. When approved by the Board, the contract shall be signed by the Board's representatives and by the Union's representatives and shall become a part of the official minutes of the Board.
 3. All negotiated benefits shall be implemented on the dates stated in the negotiated agreement.
- I. The Union will provide a copy of the Agreement to all classified employees.

ARTICLE 7
CONTRARY TO LAW

The Board and the Union agree that all items in this contract, which supersede applicable state law and which may permissibly do so under Ohio Revised Code Section 4117.10 (A), shall not be affected by this Article. Should any clause of this contract be held to be in violation of the law by a court of competent jurisdiction, then that clause of the contract shall be rendered null and void, but the remainder of the contract shall remain in full force and effect.

ARTICLE 8
MEMBERSHIP

A. It is recognized that classified employees have the right to join or not join the Local for their professional or economic improvement and membership in any organization shall not be required as condition for employment. Neither the Board nor Union shall interfere with, intimidate, restrain, coerce or discriminate against employees because of the exercise to engage or not to engage in Union activity.

B. Fair Share Fee

Sixty (60) days following the beginning of employment or the effective date of this agreement, whichever is later, employees in the bargaining unit who are not members of the Union shall pay to the Union a fair share fee as a condition of employment with the Employer. Such fair share fee shall not exceed dues paid by members of the Union who are in the bargaining unit. The Union shall notify the Employer of the fair share fee amounts and of any charges in the fair share fee amounts in the same manner as deductions. Fair share fees shall be deducted from the payroll checks of the Employees in the same manner as regular membership dues are deducted and forwarded by the Employer to the Union in the same manner except that written authorization for deduction of fair share is not required.

ARTICLE 9
GRIEVANCE PROCEDURE

A. Definitions

1. A grievance is defined as an alleged violation, misapplication or misinterpretation of a specific article or section of this written agreement or suspension or discharge of an employee.

If any such grievance arises, there shall be no stoppage or suspension of work, but such grievance shall be submitted to the following grievance procedure.

2. A "grievant" is a member of the bargaining unit allegedly having a grievance, or the Union on behalf of the bargaining unit member.
3. A "day" in this section shall mean a "scheduled work day". The number of days indicated at each level shall be considered as a maximum and must be adhered to in expediting the procedure, unless mutually agreed otherwise.

B. Introduction

1. The primary purpose of this procedure shall be to obtain at the lowest level and in the shortest period of time resolution of grievances.
2. Both parties agree that during grievance proceedings the grievances should be handled in a confidential manner.
3. Nothing contained herein shall be construed as limited the individual rights of an employee having a complaint or problem to discuss the matter informally with members of the administration, through normal channels of communication, without intervention and/or consultation of the Union.
4. An aggrieved employee shall initiate action within ten (10) days after he/she knew, or should have known, of the event or "circumstances" upon which the grievance is based. If the initiation of such action is longer than ten (10) days, the right to use the grievance procedure is considered by all parties to be waived, and any future grievance filed by the employee, based upon such event or circumstance(s), shall be considered null and void.
5. At all formal levels of a grievance, one (1) member of the Union's officers shall attend (at the request of the grievant) any meetings, hearings, appeals, or other proceedings required to process the grievance.
6. A grievance may be withdrawn at any level without prejudice or record.

7. Copies of all written decisions of grievances shall be sent to all parties involved, the Union president, the grievant, and the appropriate administrator.
8. No records, documents, or communications concerning a grievance shall be placed in the personnel file of any of the participants in procedures described in this contract.
9. Forms for processing grievances shall be made available through all administrative offices in each building, the central administration office, and designated officials of the Union.

C. Procedure

Time limits stipulated should be adhered to strictly as maximum to insure rapid resolution to problems and issues concerned. Lack of adherence to the time limits by the grievant can result in the declaration that resolution has been obtained by the last level of hearing. Time limits may be extended only by mutual agreement of all parties concerned.

Informal Level

Within ten (10) days of the date the employee knew, or should have known, of the event of circumstance(s) upon which a grievance may be filed, he/she shall discuss the problem with his immediate supervisor. The employee shall inform his/her supervisor that a grievance may be filed.

Level One – Formal

If informal discussion does not resolve the problem to the satisfaction of the grievant, he/she may lodge a formal, written grievance with the principal. Such submission shall be within five (5) days of the informal meeting. The grievance forms shall be initialed and dated at the time of receipt by the grievant and the principal or his/her designee. In all levels of the formal proceedings official grievance report forms shall be made in triplicate: one (1) for the grievant; one (1) for the administration; and (1) for the Union. The grievant shall also have the right to request that a meeting be held with the principal within five (5) days of the principal's receipt of the grievance. If the employee so desires, he has the right to be represented by his/her bargaining representative. The principal shall respond to the grievance in writing within five (5) days of the meeting with the grievant.

Level Two – Formal

If the grievant is not satisfied with the disposition by the principal, he/she may appeal in writing within five (5) days of the Level One response to the next level of administration, the Superintendent, for a meeting which shall take place within

five (5) days after the appeal. The Superintendent shall respond to the grievance in writing within five (5) days of the meeting with the grievant.

Level Three – Formal

If the disposition of the grievance by the Superintendent does not resolve the grievance to the satisfaction of the grievant, such grievant may appeal in writing to the Board of Education. The notice of appeal shall be sent to the Superintendent and copy filed with the Treasurer of the Board. Failure to file such appeal within five (5) days from receipt of written memorandum of the Superintendent's disposition of said grievance shall be deemed a waiver of the right of appeal. The Superintendent shall place the matter on the agenda for the next regular meeting of the Board of Education. The grievance shall have the right to be represented at such meeting by his/her bargaining representative. The Board shall act upon such appeal no later than its regular meeting. The Board of Education shall meet with the grievant to review such grievance in executive session, or give such other consideration as it shall deem appropriate. The disposition by the Board shall be made to the grievant by completing Grievance Report Form, Step Three, within five (5) days of the meeting. A notification of such disposition shall be furnished to the grievant, the Union and building principal.

Level Four – Formal

1. If the grievant is not satisfied with the disposition of the grievance at Step 3, the Union may request a hearing before an arbitrator. The Union's request for arbitration shall be made within five (5) days following the receipt of the disposition of the grievance. The Union's request for arbitration shall be by certified mail with return receipt requested to the Superintendent. Such request shall specify the act or condition upon which the grievance is based, the names and address of the parties, the contractual clause(s) alleged to have been misinterpreted or misapplied and the remedy sought. Within five (5) days following receipt of the Union's request for arbitration, the Superintendent or his/her designated representative and the Union designated representative shall mutually petition the Federal Mediation and Conciliation Service (FMCS) to provide both parties with a list of seven (7) names from which an arbitrator will be selected through their voluntary rules.
2. Once the arbitrator has been selected, he/she shall conduct a hearing on the grievance in accordance with the rules and regulations of the FMCS.
3. The arbitrator shall hold the necessary hearing promptly and issue the decision within such time as may be agreed upon. The decision shall be in writing and a copy sent to all parties present at the hearing. The decision of the arbitrator shall be binding on all parties.

4. The arbitrator shall not have the authority to add to, subtract from, modify, change, or alter any of the provisions of this collective bargaining contract, nor add to, detract from, or modify the language therein arriving at his decision concerning any issue presented that is proper within the limitations expressed herein. The arbitrator shall expressly confine himself to the precise issue(s) submitted for binding arbitration and shall not have authority to decide any other issue(s) not so submitted to him or to submit observations or declarations of opinion in reaching his decision.
5. The arbitrator shall in no way interfere with management prerogatives involving the Board's discretion, nor limit or interfere in any way with the powers, duties, and responsibilities of the Board under its policies, applicable law, and rules and regulations having the force and effect of law.

Miscellaneous

1. The cost for the services of the arbitrator including his per diem expenses, if any, shall be borne by the losing party. The arbitrator shall specifically designate the losing party.
2. All grievance hearings shall be held outside the normal duty hours of the grievant. There shall be no extra pay to an employee for time spent in preparing and processing a grievance during non-duty hours. All hearings shall be conducted in closed session.

ARTICLE 10 MILEAGE REIMBURSEMENT

An employee who, in the course of performing his/her duties, is required to use his/her own vehicle will be reimbursed at the current IRS rate per mile according to the IRS regulations that require mileage to be calculated from the work place (school) not from ones residence; payment to be made the month following completion of the required forms.

Mileage shall be turned in monthly and approved by the Superintendent.

ARTICLE 11 LAY-OFF AND RECALL

- A. If it becomes necessary to reduce the number of employees in a job classification due to abolishment of positions, lack of funds, lack of work, or any other reason determined by the Board, the following procedures shall be followed.

- B. The number of employees affected by reduction in force will be kept to a minimum by not employing replacements in so far as practical of employees who resign, retire, or otherwise vacate a position.
- C. The Board shall determine in which classification the lay-off should occur and the number of employees to be laid off. Affected employees shall be laid off according to seniority within the classification, with the least senior employee laid off first. Seniority shall be defined as the uninterrupted length of continuous service with the Board in a particular job classification computed from the latest date of hire or appointment to the employee's present classification. Authorized leave of absence does not constitute an interruption in continuous service; however, while on leave, seniority will not continue to accrue. In cases of identical seniority, the Board shall determine which employee shall be laid off.
- D. Fourteen (14) days prior to the effective date of lay-offs, the Board shall prepare and post for inspection in a conspicuous place a list containing the name, seniority dates, and classifications of employees who are to be laid off. Each employee to be laid off shall be given advance written notice of the lay-off.
- E. An employee identified to be laid off may displace the least senior employee from his/her previous classification provided he/she has more classification seniority than the least senior employee in that previous classification; possesses the necessary qualifications to successfully perform the job, as determined by the employer; has at least three (3) years experience in the previous classification; and possesses the necessary certifications/licensure for the job. All of these determinations (experience, qualifications, seniority, certification/licensure) will be made at the time of the layoff.
- F. Recall
1. Members who have been involved in a reduction in force will be recalled in inverse order of reduction.
 2. No employees new to the district will be employed in a classification until all members affected by the lay-off are given the opportunity for re-employment in their classification.
 3. In the event an employee is notified of a vacancy and does not respond in ten (10) days to accept the position and/or declines the position, he/she will lose all recall rights.
 4. It is the responsibility of the employees to keep the Board notified of current address for notification purposes.
 5. An employee will be given preferential consideration as a substitute within their eligible classification.

6. The employee's name shall remain on the recall list for a period of two (2) years from the effective date of lay-off. If reinstated from lay-off during this period, such employee shall retain all previous accumulated seniority.

ARTICLE 12
BID PROCEDURE – VACANCIES

- A. When there is a vacancy or a new job within the bargaining unit and the Employer determines to fill it, it shall be posted at each work location for a period of ten (10) days. An employee who is interested in the position must give written notification to the supervisor within the posting period.

The posting will contain a brief description of the job, including the rate of pay, hours of work, the approximate starting date, job site, and the type of job (i.e. what kind of aide work). All job vacancies/new positions will be posted on the district website at www.elginschools.org.

When the employer has knowledge that a vacancy will not be filled during the next school year, a meeting will be held with the Union to discuss whether or not the job is to be bid. Any job vacancy, that the employer elects to fill, not discussed with the union shall be posted within thirty (30) working days.

- B. Bidding Within The Same Employee Group

In filling a vacant position, the employer will offer the position to the most senior employee, within the same employee classification as the vacancy, who has applied for the position.

This procedure will apply to bus route assignments. However, distance between the employee's home and the bus route will also be a factor governing the Board's decision. For example, assignments will not be made to driver whose home is a great distance from the route's first pickup.

- C. Bidding Outside The Same Employee Group

In filling a vacant position where no employee within the same employee group as the vacancy has applied for the position, the employer may offer the job vacancy to the most system wide senior employee, who possesses the necessary qualifications to successfully perform the job, as determined by the employer. Factors in determining an employee's qualifications shall include, but not be limited to the ability to perform work according to established standards, the possession of any required license or certification, the ability to work in cooperation with fellow employees, students and the general public, and regular attendance on the job. The Employer may fill the vacancy from the outside or by a voluntary transfer when no employee applied or no employee has the necessary skill and adaptability. All internal staff who apply for a position will receive an interview.

D. Probationary Period In New Bid Position

1. Successful bidders under Section C will have a maximum (10) calendar day probationary period. At any time during these probationary periods, the successful bidder may disqualify himself/herself or the Employer may disqualify him/her because of failure to properly perform in the job. A bidder who is self disqualified will return to the position from which he/she bid without loss of seniority and will not be subject of negative evaluations. However, a bidder who is disqualified by the Employer will return to the position from which he/she bid, without loss of seniority.
2. The position formerly held by the bidder will not be filled on a permanent basis until completion of the probationary period. In the event the bidder completes the probationary period, the bidder will be permanently assigned the vacant position. In the event that the probationary period is not satisfactorily completed, the bid procedure will be reinstated. If no one from the bargaining unit responds, the Board may fill the vacancy from outside the bargaining unit without further postings or bidding.
3. Individuals that have attained seniority in a different classification would have return rights if a position is terminated and the employee had earned seniority in another classification.

ARTICLE 13
HOURS OF WORK

- A. All employees shall be guaranteed at least the amount of hours and the hourly rate of pay specified in their contract.
- B. The work week shall normally be Monday through Friday. Exceptions will be in the case of emergencies as determined by the Board.
- C. Hours for Maintenance/Custodial/Cleaning staff, Secretarial staff and Aides will be determined by the building Principals.
- D. One on One Aides will have a paid lunch if their position requires them to be with the student during their lunch period.

ARTICLE 14
PERSONAL DAYS

Bargaining unit members may be granted a maximum of three (3) non-restricted personal days with pay per contract year. No more than one (1) personal day may be accumulated from year to year up to a maximum of four (4) personal days in a given year. For any accumulated but unused personal day(s) or any portion thereof (no less than one-half) that an employee does not use, the employee shall receive payment of one-hundred dollars (\$100) per unused personal day, or unused personal days may be

transferred to sick leave, or any combination of payment or transfer of unused days. Payment will be in July of each year.

Listed below are some examples of the use of personal leave:

- A. Attendance at a funeral not covered under sick leave.
- B. Appearance at court proceedings of legal hearings.
- C. Business obligations which cannot be conducted outside of regular school days due to a conflict of hours.
- D. Accidents to property.
- E. Weddings of immediate family members.
- F. Required college or university examinations.
- G. Registration for college or courses.
- H. College graduation of employee or members of immediate family.
- I. Religious holidays.
- J. When sick leave has been exhausted.

Requests for personal leave shall be turned into the immediate supervisor, except in emergencies, at least five (5) working days prior to the requested personal leave date. Applicants shall request such leave on the appropriate request form.

No personal day(s) shall be used between May 1st and the end of the school year without the written permission of the Superintendent.

There will not be a reimbursement of unused personal days if a "dock/deduct/ day is used. Personal days must be exhausted before a "dock/deduct day is granted. A "dock/deduct" day is an unpaid day; therefore the use of a "dock/deduct" day includes the reduction of salary and benefits.

ARTICLE 15 **SICK LEAVE**

- A. Each full time employee shall be entitled to earn hours equivalent of fifteen (15) days of sick leave with pay for each year under contract with the Board, which shall be credited at the rate of hours equivalent of one and one-fourth days (1 ¹/₄) of employment per month.

- B. Sick leave may be used for absence due to personal illness, pregnancy, injury, exposure to contagious disease which could be communicated to others, and for absence due to illness, injury or death in the employee's immediate family. Immediate family shall be defined as father, mother, sister, brother, husband, wife, child, grandmother, grandfather, aunt, uncle, in-laws bearing any of these relationships, legal guardian, foster or step-parent, and foster or step-child, grandchild, others as approved by the Superintendent, or any other relatives living in the same household.
- C. Sick leave shall be cumulative to 260 days.
- D. Any accumulated sick leave of a person separated from any other public service shall be transferable, provided that re-employment takes place within ten (10) years of the date of the last termination of public service.
- E. If an employee used more than four (4) consecutive sick leave days for personal illness, the employee will be asked to have a doctor's excuse for every day after the four (4) days.
- F. For any member hired after June 1, 2012, the maximum number of sick leave accumulation will be the number of days in his/her contract.

SICK LEAVE BANK

A catastrophic sick leave donation program is established to assist employees who suffer a catastrophic accident or long-term illness or injury not job related or whose spouse or son or daughter or mother and/or father living with a single employee suffers a catastrophic accident or long-term illness or injury necessitating the employee to be absent from work, when the employee will exhaust all other available paid leave. This program neither supersedes nor replaces other disability programs.

If an employee desires to make use of the catastrophic sick leave donation program and conditions below are met, then the employee may request through the Association that sick leave days be transferred from the bargaining unit members' accumulated sick leave to the employee. The Association shall notify the Treasurer of the Board and the Superintendent in writing of the number of days to be deducted, from whom, for what dates and the person receiving the transferred days. Included in the notice shall be a signed statement by the bargaining unit member(s) involved authorizing the Board Treasurer to transfer the days.

The catastrophic sick leave donation program can be utilized by an employee only if the following conditions are met:

- a. The Superintendent and the Board of Education must agree for sick leave bank days to be awarded.

- b. The Superintendent and the Board of Education will determine if the long-term injury or illness of the employee or the employee's spouse or son or daughter or a mother and/or father living with a single employee is catastrophic. Examples of catastrophic long-term injury or illness include cancer, heart, stroke, AIDS, or a disease which is life threatening. A paralyzing accident would also be included. Examples of injuries or illnesses that would not be considered catastrophic include normal pregnancy, broken bones, and elective surgery.
- c. A physician's written statement supporting that a long-term catastrophic medical injury or illness exists.
- d. The employee must exhaust his/her own sick leave, personal leave and vacation leave first.
- e. The injury or long-term illness must require that the employee be absent at least twenty (20) workdays.
- f. The employee must have worked for the Board for at least one school year.
- g. All sick leave donations must be voluntary.
- h. Donations from a member must be in units of one (1) day.
- i. Unless otherwise approved by the Superintendent, no more than two (2) days total sick leave per catastrophe can be donated by an individual bargaining unit member, and no bargaining unit member may donate sick leave if the donation will reduce his/her accumulated sick leave balance to thirty (30) days or less.
- j. Sick leave bank donations will not be made to employees who have applied for and been granted disability retirement.
- k. Unless otherwise approved by the Superintendent and the Board of Education, no more than twenty (20) days total sick leave per catastrophe can be donated.
- l. The member who is using donated sick leave will not earn additional vacation or sick leave while receiving the donated leave days.
- m. Donated sick leave may not result in an increase in severance pay.
- n. If the number of sick days donated exceed the number of sick leave days used by the donee, the extra days will be lost and not returned to the donors.
- o. If the employee is eligible for Family Medical Leave, such donated leave will count toward their Family Medical Leave.
- p. The bargaining member who receives the donated sick leave may only do so once in their professional lifetime at Elgin.

ARTICLE 16

OAPSE LEAVE

The Board shall authorize a pool of up to six (6) days with pay per fiscal year for use by members of the bargaining unit who are elected to represent the Union or who are chosen to represent the Union in any official capacity for Union business. Such leaves will be granted upon written application from the President of the Local made not less

than five (5) work days in advance to the Superintendent. The parties recognize that jeopardy to the orderly and efficient operation of the school system due to employee absence for other reasons such as illness, personal leave and/or vacation, may result in leave under the provision being denied. Leave requested from this pool of days to attend the OAPSE annual convention and district meeting shall be granted.

Additionally, if requested by the President of the Local employees may be granted leave with pay for Union business provided the Union reimburse the Board for employees' wages and such absence does not interfere with the efficient operation of any department or working unit, Such request must be submitted in writing no less than five (5) work days in advance to the Superintendent. It is anticipated by the parties that these requests would generally be reserved for special circumstances.
