If, after thirty (30) calendar days from the first negotiation session, agreement has not been reached on all items under negotiation, either party may call for the services of the Federal Mediation and Conciliation Service to assist in negotiations. If one party calls for mediation, the other party shall join in that effort.

ARTICLE 4

In summary, contracts are awarded on the following schedule: one (1) year, one (1) year, two (2) year, continuing.

ARTICLE 5

PAYROLL PROCEDURES

A. Payroll

Payroll periods are established on the basis of two pays each month, 24 pays in a year. When a payday falls on a holiday or a day of vacation, the pay will be made on the preceding day. Except as provided in this paragraph, checks will not be available prior to payday.

The utilization of deduct days is no longer an employee option without prior approval of the Brookville Board of Education except in documented extreme emergencies.

Deductions shall be made for unauthorized absences, federal, state and local taxes required by law, and the employee's share of the retirement contribution.

Tax sheltered annuities and 457 deferred compensation plans may be deducted. Two open periods of fifteen days each, January 10-25 and September 10-25, are enrollment periods for tax shelters. The Treasurer's Office will maintain a current list of qualified companies. New qualified companies will be added when there are a minimum of five people who wish to participate in another company.

B. Direct Payroll Deposit

Employees may designate depository and direct automatic payroll deposits to banking institutions which are members of the National Automatic Clearinghouse Association (NACHA). Direct deposit changes must be made on forms available from the Treasurer.

All employees will be paid through direct payroll deposit. All employees will receive electronic payroll notifications.

The Board and its agents shall not be liable for any errors or omissions by the clearinghouse bank or the depository of said funds.

C. Payroll Deduction

The Treasurer will deduct union dues for BSEA the second pay in October, if BSEA provides the necessary signed forms by the 1st of October.

D. Overtime Compensation

Any hours worked by an employee over forty (40) hours in a given workweek (Monday through Sunday) is defined as overtime for the purposes of this contract.

Except time for which an employee is compensated for sick leave, personal leave, or vacation leave, but does not actually work, shall not be commuted as "hours worked" for purposes of determining eligibility for overtime or compensatory time off.

ARTICLE 6

ADVISORY COMMITTEES

Advisory Interview Committee

In the event a vacancy occurs or a new position is created in an Administrative/Supervisory position and a committee is formed to evaluate applicants, a classified employee in that department shall serve on said committee. This committee representative shall be appointed by the BSEA President and shall exercise input in the hiring process.

ARTICLE 7

PERSONNEL RECORDS

All employees have the right, upon reasonable notice, to view the materials in their personnel files with the superintendent or his designee present, exclusive of confidential letters of recommendation or reference. Employees shall receive a copy of all information placed in the file. If an unfavorable statement of notation is in the file, the classified employee would be given an opportunity to place a statement of rebuttal or explanation in their file. Disciplinary rules shall be reviewed and endorsed by the Board of Education.

A classified employee who receives a written reprimand under policy 4150 of the Brookville Local School District may request that this first written reprimand be removed from his/her file after a three-year period.

Prior to any complaint being placed in a file, it shall be initialed by the administrator directing its placement and the employee. Initialing the item does not mean agreement with its content, only acknowledgement that it exists.

All classified personnel will be furnished with copies of all job evaluation reports to be included in personnel folders.

ARTICLE 8

DISMISSAL

A. Termination

The appointment of a classified employee on continuing contract may be terminated by the Board for cause in accordance with the provision of state law.

B. Nonrenewal

A classified employee who is to be nonrenewed shall be advised of said recommendation by the Superintendent at least seven (7) workdays prior to the Board meeting at which the Board will consider the Superintendent's recommendation. The employee may request to address the Board in Executive Session prior to Board action. If requested by the employee, he/she may be represented by counsel of his/her choice at this meeting.

C. Reduction in Staff

The Board may terminate an appointment in case of retrenchment necessitated by financial exigency. Termination of long-term appointments because of financial exigencies, however, shall be made only as a last resort. Every effort shall be made to meet financial needs in other ways.

The Superintendent shall consider seniority in terminating positions.

Seniority will be computed from an employee's initial date of hire in a negotiating unit position. Seniority will continue to accrue during all unpaid leaves of absence, if any, and for a period of two (2) years from the effective date of a layoff. The employee laid off by the provisions of this section will be recalled by seniority should a vacancy occur in the same or similar position. The employee will not be adversely affected by the first refusal for rehire under these provisions. Any subsequent refusals during the two (2) year period will remove the employee's name from the recall list. Seniority will not be broken by unpaid leaves of absence or employment by the Board in a position outside the negotiating unit, but such time will not be counted in computing seniority.

The Superintendent will at all times have a current seniority list which will be available for inspection during regular working hours by an employee and/or the Association.

If there is a vacancy in a negotiating unit position, laid-off employees, who are qualified to perform the work in question, shall be considered in seniority order.

If seniority is tied, consideration will be given in the following order:

1. Date of hire
2. Signed contract and submitted to board designee
3. Quality of evaluation
4. Actual first day of work
5. Substitute days counted

ARTICLE 9

POSTING OF AVAILABLE POSITIONS

The assignment and reassignment of employees is the responsibility of the Superintendent of schools. The assignment and reassignment will be made in accordance with the needs of the schools. The Administration will publish a listing of all vacancies or openings for the succeeding school year as soon as they are aware (notified in writing) of said openings or vacancies. The listing will be updated as vacancies occur during the school year.

- A. As vacancies become known, they will be sent to the principal of each building. In addition, the district will email known school email addresses of BSEA members. BSEA members remain responsible for checking their email or otherwise reviewing postings.
- B. The building principal will be responsible for openly posting these notices so they are available to all classified personnel.
- C. No posting will be made after the last scheduled school day.
- E. August 15 through September 15 of each year shall be exempt from this policy; however, the BSEA President will be notified of job openings that occur during this period.

No position will be filled before one week (five working days) after posting to allow all qualified staff to apply for vacancies.

The Superintendent determines who shall fill the vacancies. No assignments will be made until all staff candidates have been screened and, in the Superintendent's judgment, the best person has been selected for the position.

Any staff candidate that is adjudged not qualified will receive a signed letter from the Superintendent stating his/her reasons for deeming the employee not qualified for the position.

If no staff candidate is adjudged qualified by the Superintendent, persons from outside the system will be considered.

ARTICLE 10

LEAVE PROVISIONS

A. Personal Leave

All personnel, except intermittent employees, are eligible for a maximum of three (3) school calendar days with pay for personal leave per contract year. Personal leave days are not cumulative. All twelve-month employees are eligible for four (4) personal days.

A ten percent (10%) limitation of the staff per department shall not be exceeded on any given day without prior administrative approval. Personal leave requests for the day immediately preceding or the day following school opening or closing or day preceding or day following a school holiday shall not be approved, EXCEPT IN THE CASE OF AN EXTREME DOCUMENTED EMERGENCY, WHERE DAY BEFORE OR DAY AFTER WILL NOT APPLY. The school year calendar shall be used to establish a twelve-month period for use purposes. Personal leave days shall be requested on Board of Education forms. The Treasurer of the Board shall make proper payroll deductions for any unauthorized use of personal leave.

Application for personal leave shall be submitted at least three (3) days prior to use, EXCEPT IN THE CASE OF DOCUMENTED, EXTREME EMERGENCY, USE OF PERSONAL LEAVE FOR EMERGENCIES REQUIRES NO PRIOR NOTIFICATION BUT THE EMPLOYEE (a) shall be required to notify his/her supervisor as soon as possible and (b) shall be required to file the proper form upon return to work. The three personal leave days will be approved without loss of pay for the following reason:

PERSONAL BUSINESS THAT CANNOT BE CONDUCTED OUTSIDE THE SCHOOL DAY.

Abuse of personal leave shall be subject to disciplinary action. One cannot use personal leave days for vacation purposes. Personal leave will be granted for a full day or a half day only.

A twelve-month contracted employee may use personal days before or after a holiday when school is not in session with approval of their supervisor.

B. Sick Leave

All full-time employees shall be entitled to one and one-fourth days of sick leave per calendar month, unless on leave of absence, or a total of fifteen (15) days per year to a maximum of 303 days for the duration of this contract (2018-2020). For absences in excess of five (5) consecutive days, the Board of Education may require a physician's verification.

Previously accumulated sick leave of an employee, who has been separated from another Ohio Public Agency as provided in the Ohio Revised Code, shall be accepted at full value to the maximum allowed by the Brookville Board of Education provided none of such accumulated sick leave has been converted to pay upon retirement. It shall be the responsibility of the employee to request the statement of transfer of accumulated sick leave from the Treasurer's office upon leaving the district.

Each employee, immediately on reporting for duty, shall be credited with five (5) days sick leave as defined in Section 3319.08, Ohio Revised Code, which may be used for personal illness, illness or death in the family, before he accumulates the amount. If any of the five days is used, it shall be deducted from the total sick leave he may accumulate during the first year of service.

Reasons acceptable for sick leave are:

1. Absences due to personal illness, pregnancy, adoption, emergency medical or dental treatment/or appointment, injury, exposure to contagious disease which could be communicated to other employees or to students, and for illness, injury or death in the employee's immediate family. Immediate family shall be defined as the employee's mother, father, husband, wife, child, stepchild, grandchild, grandparent of any degree, or other permanent resident of the employee's household.

Sick leave for pregnancy (normal delivery) is defined as six (6) weeks immediately following the birth.

Employees may use sick leave for any disabling complication of pregnancy or childbirth, provided she is on active pay status at the time the disability occurs. Certification that the pregnancy or childbirth has produced disabling complications must be provided by a physician and attached to the sick leave form. The certification must state the nature of the disabling condition along with an estimate of the length of time the employee will be disabled.

Sick leave for adoption shall not exceed ten (10) working days beginning with the date of the child's placement in the home.

2. For a death or illness of a near relative to a maximum of five (5) sick-leave days. A near relative shall be defined as mother-in-law, father-in-law, brother, sister, son-in-law, daughter-in-law, brother-in-law, sister-in-law, or spouse's grandparent. After consideration of remaining personal leave, the Superintendent's prior approval is required for emergency situations not listed.

Sick leave will be granted for a day or a half day. Deductions of sick leave will be in one-half blocks as follows: one half day; over four hours, then one full day shall be deducted.

C. Attendance Incentive

Attendance incentives will pay out as follows, with days missed defined as days of absence for sick leave personal leave, or deduct days:

Employees who miss zero days in a semester will receive \$250.00 for that semester.

Employees who miss greater than zero days but no more than 1 day will receive \$175.00 for that semester.

Employees who miss greater than 1 day and no more than 2 days will receive \$75.00 for that semester.

The incentive for first semester will be paid in February following the semester. The second semester incentive will be paid in June following the end of school. A twelve-month employee may receive \$65.00 for perfect attendance during the last time period (last student day – first student day of new school year).

D. Family and Medical Leave

The Board and employees shall have whatever rights, duties, discretion, and responsibilities as set forth in the Family and Medical Leave Act of 1993 (29 U.S.C. Section 2601, et seq.) as is or may be amended (“FMLA”), under Section 3430.01 of the Bylaws and Policies of Brookville Local Schools, and in accordance with the following provisions:

1. To be eligible for FMLA leave, employees must have been continuously employed for at least one (1) year and have either: (a) worked for at least 1250 hours during the 12-month period immediately preceding the date of the employee’s request; or (b) have been employed under a regular teaching contract during the 12-month period immediately preceding the date of the employee’s request.
2. FMLA leave may be taken for the following reasons:
 - a. For the birth and care of a newborn child;
 - b. For placement of a child for adoption or foster care with the employee;
 - c. To care for an immediate family member (spouse, child, or parent) with a serious health condition;
 - d. When the employee is unable to work because of a serious health condition; or
 - e. Any other reason expressly provided for in the FMLA.
3. No more than twelve (12) weeks of FMLA leave will be granted in any 12-month period.
4. For purposes of determining the “12-month period” in “C” above in which an eligible employee is entitled to twelve (12) weeks of leave, said 12-month period shall be a “rolling” 12-month period measured forward from the date an employee first uses FMLA leave.
5. When the need for FMLA leave is foreseeable, the employee must provide 30 days advance notice by requesting leave in writing. When 30 days’ notice is not possible, the employee must provide notice as soon as possible under the circumstances.
6. The employee must provide sufficient information to demonstrate that the request for leave qualifies for FMLA protection, including the anticipated timing and duration of the leave. Sufficient information may include the nature of the illness, the extent to which a family member is in need of care, and/or other facts supporting the need for leave. If the Board believes the employee has provided insufficient information, the employee will be notified of the additional information necessary and provided sufficient time to supply the additional information requested.

7. Once it has been determined that the employee's situation qualifies for FMLA leave, the employee may choose to concurrently use any accrued, paid sick leave under this Agreement as FMLA leave. If the employee does not meet the requirements for paid leave, the employee will still be entitled to FMLA leave, subject to the requirements in this Agreement. After FMLA leave entitlement has been exhausted or expires, the employee will be entitled to any additional paid or unpaid leave provided for in this Agreement.
8. An employee on FMLA shall, at not less than two-week intervals, report to the Superintendent the employee's status and intent to return to work.
9. An employee who takes FMLA leave shall continue participating in group insurance programs must state intention. Such an employee may continue to participate in the Board's group insurance program during the leave on the same terms and conditions that would have applied had no leave been taken. The premium portion payable by the employee is due on the first day of the month in advance. Upon expiration of FMLA leave, the employee may continue dental and/or hospital insurance by making payments in accordance with COBRA regulations; to continue to be enrolled in the life insurance plan, the employee must pay the entire premium each month.
10. If the employee is requesting intermittent leave or reduced schedule leave due to a serious medical condition, the request must be supported by a medical certification as to the necessity and expected duration of the leave. Employees must make reasonable efforts to schedule leave for planned medical treatment so as not to unduly disrupt the school district operations.

When an employee is required to provide a certificate from a health care provider, the required form will be available in the Superintendent's office.

The Board may require the employee to transfer, for the duration of any period of intermittent or reduced schedule leave, to an equivalent position that better accommodates the proposed intermittent or reduced leave schedule, if such a position exists.

11. An employee that is on FMLA leave due to his/her own serious health condition which made the employee unable to perform his/her duties may not return to work without furnishing a certification from the employee's health care provider that the employee is able to resume work.

Upon request by the administration, and at the Board's expense, an employee shall present himself/herself to a physician, who is paid by the Board, for a physical or mental examination. The employee may choose the physician to conduct such independent examination from any physician included in the "network" for the Board's group insurance plan; provided, however, that the employee may not choose a physician who has previously seen the employee as a patient. If the opinion of the employee's physician and the opinion of the Board-paid physician differ, the administration may require a third opinion, again at the Board's expense, from a third physician mutually agreed upon by the first two physicians. The third opinion shall be final and binding.

12. Upon expiration of FMLA leave, the employee shall be assigned to the same position held before taking leave, if the position is available; if not, the employee will be assigned to a similar position.

An employee who does not return to work upon the expiration of FMLA leave shall have his/her employment terminated.

E. Unpaid Leave

In addition to qualified FMLA leave and upon approval of the Superintendent and the Board, an employee may be granted an unpaid leave of absence for the following reasons:

1. Medical
2. Maternity
3. Adoptions
4. Child care
5. Military deployment
6. Others specifically set forth in this Article.

The Superintendent may also grant unpaid leave when requested under unusual circumstances.

Upon request and with twenty (20) days advance notice, the Superintendent will grant up to ninety contract days of unpaid leave beyond qualified and documented FMLA leave. The Board of Education will cover 50% of healthcare and dental benefits during the unpaid leave.

Part-time employees (4 hours or less per day) shall not be granted unpaid leaves of absence, except as may be required under FMLA.

The Board may grant a leave of absence without the request of the employee in accordance with Ohio Revised Code.

F. Military Leave

All employees of Brookville School who are members of the Ohio National Guard, and Ohio Defense Corps, or the Ohio Naval Militia, or members of other reserve components of the Armed Forces of the United States shall be granted leave of absence from their respective duties without loss of pay for such time as they are required by the respective service to do field training or active duty, for periods not to exceed thirty-one (31) days in only one (1) calendar year, provided that such compensation shall be the difference between the employee's regular compensation and the remuneration received by him/her for military service.

G. Assault Leave

The Board will grant assault leave to employees absent due to physical disability resulting from assault under the following conditions:

1. Any classified employee who must be absent from his or her duties due to physical disability resulting from physical assault while at work or during school-related activities to which he or she was assigned on or off school premises before, during, or after the regular workday, will be paid his or her full scheduled compensation for the period of such absence.
2. Before assault leave will be granted, the employee shall furnish to the Superintendent a written, signed statement describing the circumstances and events surrounding the assault, including the location and time of the assault,

names and addresses of witnesses (if known), and a description of the injuries sustained. If medical attention is required or sought, the employee shall also furnish to the Superintendent a statement of the nature of the disability and its duration that has been signed by a physician. Assault leave shall not be charged against sick leave earned or earnable by the employee.

H. Jury – Witness Leave

Absence for jury duty shall be granted for reporting to or serving on a jury. Each person on leave shall return payment received for such services to the Treasurer of the Brookville Board of Education and at the next regular pay period the employee shall receive full payment of his/her regular salary from the Board of Education for the day(s) of excused absence for this purpose.

Any employee subpoenaed as a witness shall be granted witness leave up to two (2) days for purposes of serving as a witness. Each person on witness leave shall return payment received for such services to the Treasurer of the Brookville Board of Education, and at the next regular pay period the employee shall receive full payment of his/her regular salary from the Board of Education for the day(s) of excused absence for this purpose; provided, however, that if an employee is subpoenaed by the BSEA or a representative of the BSEA to testify in any dispute between the Board and the BSEA or a member of the bargaining unit it represents, the employee shall keep his/her witness fee and shall not receive from the Board of Education any payment toward his/her regular salary for the days of excused absence for witness leave.

I. Rights While On Unpaid Leave

Employees on approved unpaid leave shall be entitled to reinstatement at the expiration of the leave to a similar position and to a similar supplemental duty assignment, if any, as held immediately prior to the leave.

Seniority does not continue to accrue while on unpaid leave of absence; however, a leave of absence does not constitute a break in service.

ARTICLE 11

SICK LEAVE BANK

In the event an employee has exhausted his/her accumulated sick leave and, upon notification by the Office of the Treasurer of the advance of five days from the District, as per Ohio Revised Code, the employee will, prior to actual use, contact BSEA for approval of borrowing days from the Sick Leave Bank. Upon written approval from the BSEA Executive Committee, the District shall advance days from the Sick Leave Bank. The individual can request annually up to twenty (20) days of additional sick leave from the days/hours of sick leave that have been deposited in the BSEA Sick Leave Bank. The Sick Leave Bank may accumulate donated days to a maximum of one hundred ten (110) days/eight hundred eighty (880) hours. No individual shall be permitted to accrue more than sixty (60) days of advanced sick leave from the Sick Leave Bank during their career with the District. These days will be paid back after all days have been paid to the District. In the event that an individual leaves the District with a negative balance of sick days, the employee shall be financially responsible to the District for the cost of those days. Loans from the Sick Leave Bank will be limited to those individuals who have contributed days/hours to the bank.

Each bargaining unit member may contribute one (1) day/eight (8) hours of his/her accumulated sick leave to the Sick Leave Bank during the enrollment period. The enrollment period will be from the first workday of the year through September 15 of each year. New employees hired after the school year has commenced shall have thirty (30) days to enroll. The donated day/hours are not returnable. A donated day guarantees a bargaining unit member Sick Leave Bank membership for the length of employment. Should the number of donated days/hours in the Sick Leave Bank drop below ten (10) days/eighty (80) hours, the Sick Leave Bank members will be required to donate an additional day/hours. A written application is required for approval of days. A doctor's excuse may be requested. The member who borrows days will pay back the days/hours at the rate of 50% of his/her annual accumulated sick leave at the end of the salary contract year, each year until the total number of days borrowed has been restored to the bank.

ARTICLE 12

SEVERANCE/RETIREMENT PAY

The employee shall receive one-quarter ($\frac{1}{4}$) accumulated days up to two hundred and ninety-four (294) days of sick leave or not more than seventy-three and one half ($73\frac{1}{2}$) days. The amount per day shall be calculated by dividing the number of contracted days into the base salary of the employee at the time of retirement.

Retirement for purposes of this section shall mean retirement from either State Teachers Retirement System or State Employees Retirement System. The Treasurer of the Board of Education shall receive a copy of notice of approval from either retirement system. The retirement funds being paid by the Brookville Local School District shall be paid within the calendar year of the last day employed in the Brookville Local School District. In the event of the death of an employee eligible for retirement by SERS standards, severance will be paid to the estate.

ARTICLE 13

INSURANCE AND HEALTH BENEFITS

A. Benefits

The Board of Education will make available health insurance benefits to the BSEA staff. Coverage is not automatic. Employees must submit paperwork to the treasurer and/or complete the open enrollment process to be enrolled.

The Board will pay a maximum of \$14,700* for the period 2017 to 2018, a maximum of \$15,000** for the period 2018 to 2019, and a maximum of \$15,300 for the period 2019 to 2020 for medical and dental coverage. The effective date will follow the insurance renewal date.

*Tier 3 prescription changes will be implemented in the 2017-2018 plan year.

**BSEA and Administration will work together to identify a 2% reduction in the plan effective with the 2018-2019 plan year.

The amount of the contribution cap shall be divided by eight (8) and multiplied by the hours worked per day to determine the Board of Education contributions to health and dental insurance benefits effective for all new hires after 10/01/85.

A copy of the medical plan will be provided to each member, and a copy will also be on file in the Treasurer's office. The Board may change carriers for this insurance as long as the service and plan coverage is the same as the plan listed herein. In the event the Board decides to change carriers, the Board shall notify the Association President of the proposed change not less than thirty (30) days prior to the implementation of said change. The Board shall provide the Association President with copies of the new plan and specifications and any other pertinent information regarding the new carrier. Employee participation in any of these insurance benefits is voluntary.

The Board will provide HMO Dental for an additional premium.

The Board of Education will pay one hundred percent (100%) of the cost of single medical and dental coverage for full-time employees.

Should the employee choose to have only family dental coverage, the Board of Education will pay ninety percent (90%) of the cost for full-time employees.

The Board of Education will provide one hundred percent (100%) of the coverage if the husband and wife are both full-time employees of the district. Employees under this provision are not eligible to receive the in-lieu of payment.

Employees and their dependents may not participate in family or single coverage if they are already participating in another health insurance plan. This provision excludes spouses and dependents of active military.

All grandfathered benefit packages will be terminated, effective October 1, 2018.

B. In-Lieu of Payment

In each plan year, full-time employees who are eligible for medical insurance, who have group healthcare elsewhere, and who do not participate shall receive a one-time “in-lieu of” payment in the amount of \$1,500.00. Payment shall be paid in October following the plan year. The payment will not be prorated for partial participation. The employee must work the full plan year to receive the payment.

In each plan year where the district has a total of 15 or more employees who qualify for the plan but who do not participate, the “in-lieu of” payment will be \$2,000.00, paid to qualified employees who did not participate in the medical insurance. The payment will not be prorated for partial participation.

In each plan year, if a full-time employee who is eligible for medical insurance opts out, but retains dental insurance, the in-lieu of payment will be reduced by \$250.00.

In order to be eligible for “in-lieu of” payment, an employee must work a minimum of six (6) hours each day.

C. Miscellaneous

These policies shall be effective and implemented at the fall “open enrollment period” as established by the insuring agency. There shall be no increase in insurance coverage after the open enrollment period unless there is a “qualifying event.”

A life insurance policy based on each employee’s base salary shall be provided to each employee by the Board.

<u>Salary</u>	<u>Life Insurance</u>

\$25,001 - \$35,000	\$35,000
\$35,001 - \$50,000	\$50,000

The Flexible Spending Accounts (FSA) as governed by Section 125 of the Internal Revenue Act of 1978 shall be made available to bargaining unit members. NOTE: Members should be advised that money placed in the FSA that is not used will not be returned.

A liability insurance policy of \$2,000,000 shall be provided to each employee by the Board.

D. Termination

Retiring employees who are enrolled in the medical and/or dental plan and who complete the contract year will be eligible for coverage through July 31st of their last contract year. Employees who resign for purposes other than retirement will be eligible for medical and dental coverage through August 31st of their last contract year provided they finish their contracted obligations.

ARTICLE 14

GRIEVANCE PROCEDURE

A. Definitions

1. A grievance is a complaint involving the alleged violation, misinterpretation, or misapplication of one or more articles of this agreement.
2. A grievant shall mean the BSEA, a person or group alleging that some violation, misinterpretation, or misapplication of the negotiated agreement has occurred. A grievance alleged to be a "group" grievance shall have arisen out of substantially similar circumstances affecting each member of said group. The BSEA as an association will be limited as a grievant to the articles comprising this agreement.
3. No grievance may be filed concerning a matter that has been made the subject of a charge with a State or Federal agency or a complaint in a State or Federal court of record.
4. Any action by the Board to terminate, renew or not renew the contract of any (employee staff) member, whether such (employee staff) member is under a limited or continuing contract shall not be deemed a grievance and may not be processed as such.

B. Informal Procedure (Step I)

The aggrieved party shall discuss the grievance or complaint with the person who is directly concerned with the grievance in a face-to-face meeting. This shall be accomplished within twenty (20) working days of the alleged grievance. A statement of the date and time of such meeting shall be signed by both parties and a copy shall be retained by each (Addendum B).

The Principal or Supervisor shall make his/her response within five (5) working days of the face-to-face meeting.

C. Formal Procedure (Step II)

If a satisfactory solution is not effected, the aggrieved party shall present his/her written grievance to the Principal or immediate Supervisor within five (5) working days after the receipt of the response from the informal meeting.

The written grievance must contain a concise statement of the grievance citing the situation giving rise to the grievance stating the alleged violation, misinterpretation, or misapplication of the negotiated agreement, Board policy, or Administrative rules and regulations. It must state the remedy sought and be signed by the grievant, or in the case of a group or BSEA grievance, by the Chairman of the BSEA.

The Principal or immediate Supervisor shall render his/her written response to the grievance within ten (10) working days of the Step II meeting. Copies of the response shall be forwarded to the grievant and the Superintendent.

D. Step III

If a satisfactory solution is not effected, the aggrieved party shall present his/her written grievance to the Superintendent within five (5) working days of the receipt of the Step II response.

The Superintendent shall within ten (10) days of the receipt of the grievance hold a Step III meeting to hear the grievance. Within ten (10) working days of the Step III meeting the Superintendent shall issue his/her response in writing and copies shall be sent to the grievant.

E. Arbitration (Step IV)

If the action taken in Step III by the Superintendent does not resolve the grievance to the satisfaction of the grievant or if no decision has been rendered by the Superintendent within ten (10) working days, the BSEA shall notify the Board in writing of its intent to submit to arbitration.

The BSEA shall submit its demand for arbitration to the American Arbitration Association to provide the parties with a list of nine arbitrators from which the parties can select an arbitrator from any list provided by the AAA; the AAA shall not have the authority to independently designate an arbitrator but shall furnish the parties additional lists until an arbitrator can be selected. Each party shall strike those names unacceptable to them and return the list to AAA. Any arbitrator appearing on the list of acceptable arbitrators from both parties shall be designated as the assigned arbitrator, provided he/she can comply with the time limit of sixty (60) days in which the arbitration hearing must commence.

In the event it is claimed by the Administration that any matter filed as a grievance is not a grievance as defined under definition, such dispute, as such, may be appealed to arbitration with the arbitrator having the authority only to rule on the arbitrability of the dispute prior to convening a hearing on the merits of the dispute.

The Board and the BSEA shall equally share the fees and expenses of the arbitrator and any expenses incidental to the arbitration proceeding. Each, however, shall be responsible for any additional expense incurred including fees and expenses of its representatives.

The arbitrator will have authority to hold hearings and to confer with any parties deemed advisable in seeking to effect a decision to the Board and the BSEA.

Neither party will be permitted to assert in any arbitration proceeding any ground or to rely on any evidence not previously fully disclosed to the other party.

The arbitrator shall not have the power to add to, subtract from, or modify the terms of this understanding and shall only have the authority to interpret the provisions of this understanding as the same relate to the specific grievance appealed to arbitration. No arbitrator may issue an award that is contrary to the Board of Education's power to adopt budgets, establish funds, or allocate resources to funds pursuant to Chapter 5705 of the Ohio Revised Code.

The decision of the arbitrator shall be advisory in nature and the Board shall act on the recommendation of the arbitrator within fifteen (15) working days of the receipt of the arbitrator's findings.

F. Additional Information

1. The aggrieved employee, the Board and/or the representative of either shall not be denied the right to advice, counsel, and/or representation of Steps II, III, and IV. Prior notice shall be rendered by either party if representatives are going to be present.
2. A grievance may be withdrawn at any level without prejudice or record.
3. All records dealing with the processing of grievances shall be filed separately from the personnel files of the participants.
4. If the grievant does not abide by the time limits set forth, the grievant forfeits the right to continue to the next step of the grievance procedure.
5. If the Principal or immediate Supervisor does not abide by the time limits set forth, the grievant filing the grievance may proceed to the next step.
6. There will be no reprisals taken against any participant in the grievance procedure by reason of such participation.
7. The number of days set forth in each step shall be considered a maximum. The time limits specified may, however, be extended by the written agreement of the parties in interest.
8. All notices to the classified employee of hearings or disposition of grievance shall be hand delivered or mailed with return receipt.
9. In the event a grievance is filed after May 15th of any year and strict adherence to the time limits results in hardship to either party, both parties shall use their best efforts to process such grievance prior to the end of the school term or as soon thereafter as possible.
10. No classified employee shall file a grievance after submitting a letter of resignation.

ARTICLE 15

This degree must be in a subject area related to the employee's position with the district. If there is a question, it is suggested that the Superintendent be contacted for approval prior to enrollment.

- 2.) The contract is for one (1) year and shall automatically expire without the district having to give notice to nonrenew.
- 3.) In the event of a reduction of force, the reemployed member shall have no seniority and shall not have the ability to accumulate seniority under other sections of this agreement.
- 4.) Benefits will be in conjunction with the negotiated agreement.
- 5.) Member is reemployed with no seniority awarded.
- 6.) Terms of the member's retirement compensation are the responsibility of the retiree.

Days not worked but for which pay is granted shall be limited to five (5) days in any school year. A public calamity does not include any school or building closing necessitated by, but not limited to, the following examples: (a) fire, (b) power supply interruption, (c) lack of fuel or reduction of fuel. Except for the days in excess of the five (5) paid calamity days cited above, any employee required by the Board to work and working at the time the school or building in which they are employed is closed by order of the Superintendent due to an epidemic or other public calamity as described above, shall be compensated. The employees required to work and working on public calamity days shall be paid at their normal hourly rate of pay plus one-half their normal hourly rate of pay only for such hours worked with a minimum two hours of earned pay at this rate. A twelve-month employee may have the option of getting paid for working a calamity day (or portion of the day) at double their normal hourly rate of pay. It is understood that the Board shall have the right to determine whether or not an employee or employees shall be required to work during such emergency in such building. In the event the employee is transferred to a different building during the period that the building to which he/she is regularly assigned is closed to students, this time and a half provision shall not be applicable.

ELIGIBILITY FOR STUDENTS OF NONRESIDENT EMPLOYEES

All nonresident employees of the Brookville Local School District shall have tuition-free status for their K-12 children (children shall be defined as natural children, stepchildren, foster children, and children where the employee is the legal guardian) so long as the child meets the criteria of tuition students as defined by the Brookville Local School District Administrative Guidelines (see below). Children of District employees may attend Brookville School tuition free, regardless of where they live.

Provided, however, if the District chooses to no longer take tuition students, this article shall become null and void. Current tuition-free students at that time would remain Brookville students under a grandfather clause.

Brookville Local School District Administrative Guidelines Eligibility of Nonresident Student

- A. Nonresident admission on a tuition basis in grades K-12.
- B. Application for nonresident tuition students will be accepted only in the months of August and September and during the first week of the second semester. Nonresident tuition students must reapply each year for admission.
- C. The admission of nonresident students will be limited so that no additional staff and other local expenditures are required.
- D. Resident students will not be denied course selection opportunities as the result of admitting nonresident tuition students.
- E. Nonresident tuition students shall not be excluded on the basis of the child's race, creed, color, national origin, or ancestry.
- F. Nonresident tuition students will be admitted to this District upon receipt of proper application by parent or guardian and approval by the Superintendent.
- G. Proper application means a letter of verification from the principal and/or guidance counselor of the resident district stating that the student has not been a discipline/attendance/or behavior problem. Nonresident students who have experienced unsatisfactory attendance/discipline patterns or need special services will be denied.
- H. Nonresident tuition students are expected to achieve at the 2.00 grade point average or above. Verification of this capacity must be provided before acceptance. This may be in the form of an original copy of the last grade report or a letter of verification from the resident school.
- I. It shall be the responsibility of the parent/guardian to obtain a release from the resident district before the student is permitted to practice or participate in OSHAA sponsored athletic programs.

CONTRARY TO LAW

If any provision of this agreement is found to be contrary to the law of the state of Ohio, the law of Ohio shall prevail and all remaining provisions of this agreement shall remain in effect for the duration of the agreement; in addition, negotiations for a successor agreement will be in keeping with procedures set forth in Ohio Revised Code 4117.

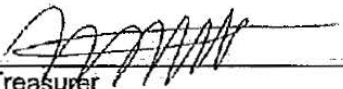

IN WITNESS WHEREOF, the parties hereto have set their hands this 15 day of May, 2017

FOR:

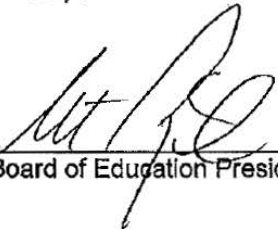

Brookville Local School District

Superintendent

Treasurer

Board of Education President

FOR:

Brookville School Employees Association

President

Negotiations Chairperson

Brookville BSEA MOU

Transition of payroll dates:

Whereas there are potential negative legal implications for the Board when it prepays for services, and;

Whereas continuing the current pay periods would cause undue risk for the Board of Education and for BSEA members working a 260 day contract; and,

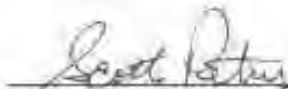

Whereas BSEA members would have a 4 week pay gap in order to transition to a regular 24 equal pay contract ; and,

Whereas the district and association are both desirous of providing a remedy that decreases the potential delay in employee pay.

The Brookville Board of Education and BSEA hereby agree to a one time 25th pay on July 7, 2017 for the 2017-2018 contract year for BSEA members working 260 days a year. The 25th pay shall include the following:

- A. Payment for the first four contract days of earned wages for the 2017-2018 contract year. (BSEA and the District further agree that the regular 24 pays for the 2017-2018 contract year will be reduced by an amount equal to the first four contract days of earned wages)
- B. The .75% lump sum payment from the 2016-2017 contract year as identified in the BSEA collective Bargaining Agreement for 2016-2017.
- C. Member will have the option to sell up to 2 days of vacation and/or personal leave accumulated and available for the 2016-2017 contract year which will pay out on the 7/7/17 date provided the employee has accrued such leave and notifies the district treasurer in writing of their intent to sell days. In the event the employee sells accrued days, the days will be paid at the new hourly/daily rate of pay as negotiated for the 2017-2018 year.
- D. Optional deductions and deductions for fringe benefits will not be deducted from the 7/7/17 pay date

BSEA and Brookville hereby agree that no part of this agreement will set precedent. The conditions and circumstances of this memorandum will not transfer, carry forward, or otherwise pertain to the compensation of employees except as specifically stated in this memorandum.
