PREAMBLE/PURPOSE

Section 1. Parties to Agreement. This Agreement is between the City of Barberton, Ohio, a charter municipal corporation, hereinafter known as the “Employer,” and the Ohio Patrolmen’s Benevolent Association Sergeant and Lieutenant Bargaining Unit, hereinafter referred to as the “Union.”

Section 2. Purpose. It is the purpose of this Agreement to achieve and maintain harmonious relations between the Employer and the Union; to provide for the equitable and peaceful adjustment of differences which may arise; to promote individual efficiency and service to the citizens of the City of Barberton; to avoid interruption or interference with the efficient operation of the Employer’s business; to establish the wages, hours and other terms and conditions of employment for employees of the bargaining unit as described in this Agreement; to provide a basis for the adjustment of matters of mutual interest by means of amicable discussion; and to meet the other provisions of Ohio Revised Code Section 4117. This article is not intended to provide bargaining unit employees any rights not specifically granted elsewhere in this Agreement.

ARTICLE 1 RECOGNITION

Section 1.1. Unit Definition. The Employer recognizes the Union as the sole and exclusive bargaining agent with respect to wages, hours and other terms and conditions of employment, as provided by Ohio Revised Code Section 4117, for all full-time sergeants and lieutenants of the Barberton Police Department as certified by the State Employment Relations Board (SERB) in Case Number 95-REP-9-0164 on February 22, 1996. These employees shall hereinafter be referred to as “bargaining unit.” Such bargaining unit shall exclude the Chief of Police, all police officers, and all other employees.

Section 1.2. Excluded. The bargaining unit shall exclude the Chief of Police, all police officers, all management, confidential and supervisory as defined in R.C. 4117, part-time, seasonal, temporary, and all other employees not included above.

Section 1.3. The City recognizes that the bargaining unit shall be the exclusive provider of routine police patrol services in the City of Barberton. This section does not preclude the ability of the City to:

1. Utilize volunteers.
2. Utilize other law enforcement agencies in mutual aid, in emergencies, or where additional skills or equipment are needed and not available within the bargaining unit.
3. Utilize reserve police officers for such functions as prisoner transport, traffic direction and control, crowd control, parades, parking enforcement, report writing, surveillance, foot patrol, and other similar functions. Part-time/reserve officers will not work a traditional beat alone unless emergency circumstances exist. No reserve officers will be used for the sole purpose of displacing full-time officers. The Employer will not exceed nine (9) paid, part-time/Reserve Officers.

4. Utilize private security firms for guard or security duties at various City of Barberton facilities such as Water Plant, Wastewater Plant, and Reservoir or for investigating workers' compensation cases.

ARTICLE 2 **HEADINGS**

Section 2.1. Headings. It is understood and agreed that the use of headings before articles or sections is for convenience only and that no heading shall be used in the interpretation of said article or section nor effect any interpretation of any article or section.

ARTICLE 3 **INTERPRETATION OF AGREEMENT**

Section 3.1. Entirety. This Agreement represents the entire agreement between the Employer and the Union, and unless specifically and expressly set forth in the express written provisions of this Agreement, all rules, regulations, practices or procedures, previously and presently in effect, may be modified or discontinued at the sole discretion of the Employer. Such sole discretion must be exercised within the scope of the management rights clause as contained herein and cannot serve to alter any right as negotiated and expressly defined in this Agreement.

Section 3.2. Acknowledgement. The Employer and the Union acknowledge that, during negotiations which preceded this Agreement, each had the unlimited right and opportunity to make demands and proposals with respect to any subject or matter not removed by law from the area of collective bargaining/negotiations, and that the understandings and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement.

Section 3.3. Waiver Of Obligation To Negotiate. It is agreed, for the life of this Agreement, the Employer and the Union each voluntarily and unqualifiedly waive the right and agree that the other shall not be obligated to negotiate collectively with respect to any subject or matter referred to or covered in this Agreement, or with respect to any subject or matter not specifically referred to or covered in this Agreement, even though such subjects or matters may not have been within the knowledge or contemplation of either or both of the parties at the time they negotiated and signed this Agreement, unless otherwise provided by law.

ARTICLE 4 **CONFORMITY TO LAW, APPLICATION OF CIVIL SERVICE**

Section 4.1. Separability. If a court of final and competent jurisdiction renders any portion of this Agreement invalid or unenforceable, such decision shall not affect the validity of the surviving provisions of this Agreement, which shall remain in full force and effect as if such invalid provision thereof had not been included herein.

Section 4.2. Amendments. In the event a provision of this Agreement is rendered invalid, as set forth in Section 4.1, either party may forward a written notice to the other party requesting to meet and discuss an alternative provision. Such notice shall be submitted within sixty (60) days of the date both parties become aware of the decision rendering the provision invalid via an exchange and service of the written decision. Any mutually agreeable alternate provision will be set forth in a Side Letter of Agreement.

Section 4.3. Application of Civil Service Law. The parties agree that no section of the Civil Service Laws contained in Section 9.44 or Chapter 124 of the Ohio Revised Code, nor any related provisions of the Ohio Administrative Code, nor any civil service rules adopted by the City (i.e., any statutory provisions, administrative rules, or civil service rules addressing the subject matter of any provision of this agreement, including but not limited to layoff, job abolishment, recall, discipline, sick leave, holidays, vacation, grievance procedure, etc.), nor any local City ordinances pertaining to wages, hours, terms or conditions of employment, shall apply to bargaining unit employees, where such subject matter has been addressed by this agreement.

Notwithstanding the above, ORC Sections 124.34 (A) relative to convictions of a felony and 124.57 shall continue to apply to bargaining unit employees.

Section 4.4. Notwithstanding Section 4.3 above, the parties agree that the conduct and grading of civil service examinations (as related to the City of Barberton Civil Service Commission), the establishment of eligible lists from examinations, the original appointments from the eligible lists, and promotional examinations and appointments shall continue to be governed by City Charter, local statutes, ordinances, and the Civil Service Commission Rules and Regulations of the City of Barberton, as may be applicable.

ARTICLE 5 **MANAGEMENT RIGHTS**

Section 5.1. Function Of Employer. The Union recognizes that, except as otherwise limited in this Agreement, it is the exclusive function of the Employer to maintain order, discipline, and efficiency, and to generally operate the City; to hire, direct, classify, assign, transfer, evaluate, promote, demote, and lay off employees; to suspend, discipline or discharge employees for just cause, provided that a claim by an employee that such employee has been demoted, suspended, disciplined or discharged, without just cause, may be made subject to the grievance procedure and dealt with as hereinafter provided; to promulgate and enforce rules and regulations; to determine classifications, size and the duties of the work force; to determine shifts and reasonable overtime requirements; to assign and allocate work within and between stations; to reorganize, discontinue or enlarge any departments or portions thereof; to determine or change the methods and means by which its operations are to be carried on; and to otherwise generally carry out all other ordinary and customary functions of the Employer as set forth in Ohio Revised Code 4117.08(C).

Section 5.2. Inherent Rights. The Union recognizes and accepts that all rights and authority of the Employer not specifically modified by this Agreement or ensuing agreements shall remain the function of the Employer.

ARTICLE 6 **EMPLOYEE RIGHTS**

Section 6.1. Seniority and Continuous Service.

- A. **Seniority.** Seniority shall be established as of the date of the employee's original appointment to a full-time police officer position with the Employer and shall be the total length of continuous service as a police officer with the Employer after that date.

Seniority shall be used for the purpose of: determining layoff and recall rights; the order in which vacation selections shall be made within the bargaining unit; determining who shall receive an out-of-classification assignment among qualified individuals; or for any other purpose as expressly stated in this Agreement.

- B. Continuous Service. Continuous service with the Employer shall be defined as the uninterrupted service of an employee from the employee's original date of employment with the City of Barberton, to include and taking into account any consecutive interdepartmental transfers or appointments. Continuous service with the Employer shall be used for determining longevity and vacation entitlement and any other purpose as expressly stated in this Agreement.
- C. Termination. An employee's seniority and continuous service shall be terminated when one (1) or more of the following occur: the employee resigns or retires; or the employee is discharged for just cause; or the employee is on layoff for more than thirty-six (36) months.

Section 6.2. Layoff. When the Employer determines that a layoff and/or a job abolishment(s) is fiscally necessary, the Employer shall notify the affected employee(s) at least seven (7) calendar days in advance of the effective date of the layoff or job abolishment. The Employer, upon request from the Union, agrees to discuss with the representatives of the Union the impact of the layoff on the bargaining unit, including alternatives to such proposed layoff and/or abolishment. The Employer further agrees to discontinue use of outside contractors performing bargaining unit work, and that reserve, volunteer, auxiliary, part-time and seasonal police officers shall be laid off first. When the Employer determines that a layoff/abolishment will occur, employee(s) shall be laid off in reverse order of seniority regardless of whether such employee is in the Police Officer Bargaining Unit or the Sergeant and Lieutenant Bargaining Unit, i.e. the employee with the least amount of seniority shall be the first one laid off. This process shall continue with other employees until the specific number of employees to be laid off has been achieved.

Section 6.3. Recall. Employees who are laid off shall be placed on a recall list for a period of thirty-six (36) months. If there is a recall, employees who are still on the recall list shall be recalled, in the inverse order of their layoff. Any recalled employee requiring additional training to meet the position qualifications in existence at the time of recall must satisfactorily complete the additional training requirements within twelve (12) months of the recall. Any training required during the twelve (12) month period described herein shall be at the Employer's expense.

The Employer shall be deemed to have fulfilled its obligations by mailing the recall notice by certified mail, return receipt requested, to the last mailing address provided by the employee. The recalled employee shall have five (5) working days following the date of receipt of the recall notice to return to work, unless a different date for returning to work is otherwise specified in the notice.

Lieutenants and Sergeants who have been displaced from their previous rank due to Section 6.2, Layoffs, shall be given the option to return to their previous rank if their respective positions and/or rank is restored due to recall.

Section 6.4. Ohio Revised Code. Sections 6.2 and 6.3 are intended to modify Ohio Revised Code 124.321 et seq.

ARTICLE 7
NON-DISCRIMINATION

Section 7.1. Pledge Against Discrimination. The Employer and the Union agree not to discriminate against any bargaining unit employee with respect to compensation or terms and conditions of employment in accordance with applicable state and federal laws. The Employer and the Union further agree not to discriminate against any bargaining unit employee due to membership or non-membership in the Union. Nothing in this Agreement shall provide any additional rights, privileges, recourse, or remedy other than those already provided by state or federal law.

Section 7.2. Gender Neutral. All references to employees in this Agreement designate both sexes, and wherever the male gender is used, it shall be construed to include male and female employees.

ARTICLE 8
PERSONNEL FILES

Section 8.1. Personnel Files. Adverse material received from an outside law enforcement agency shall not be inserted in any departmental file, except a criminal investigation file, unless the officer has an opportunity to review, sign, receive a copy of, and attach, if the employee so chooses, comments in writing upon the adverse material.

ARTICLE 9
UNION DUES AND FAIR SHARE FEES

Section 9.1. Dues Checkoff. The plan of voluntary Union dues deduction authorized by Ohio Revised Code Section 4117.09 (A) (2) shall remain in effect under this Agreement. The Employer agrees to deduct from the pay of each Union member, who places on file with the Finance Director an authorization card for such purpose, the current amount of monthly dues and assessments from the second biweekly pay of each such member. The amount of deduction shall be the amount of dues or assessments specified to the Employer by the Union, as such amounts may increase or decrease from time to time. Upon receipt of notice that the deduction amount has changed, the Employer shall deduct the appropriate amount in the next pay period immediately following receipt of such notice.

Section 9.2. Authorization. The Employer will deduct from each pay of each member of the bargaining unit, who has signed an authorization to do so, the required amount as designated by the Union to the Employer.

Section 9.3. Dues to Union. The Employer shall be relieved from making such deduction upon (1) termination of employment; (2) transfer to a non-bargaining unit position; (3) layoff from a bargaining unit position; (4) unpaid leave of absence; or, (5) a written request by an employee revoking deduction authorization pursuant to the terms of the checkoff card. Monies deducted pursuant to the terms of this article shall be remitted to the specific address and individual

designated by the Union within fifteen (15) days of their deduction. Each remittance, whether authorized or fair share, shall be accompanied by the following alphabetical list:

- A. the employees for which deductions were made, the name and social security number of the employee, and the amount deducted; and,
- B. the name of each employee whose name has been dropped from the prior checkoff list and the reasons for the omission.

Section 9.4. Indemnification. The Union agrees to hold the Employer harmless in any suit, claim, or administrative proceeding arising out of or connected with the imposition, determination, or collection of dues, and to indemnify the Employer for any liability imposed on it as a result of any such suit, claim, or administrative proceeding. For purposes of this section, the term “Employer” includes the City of Barberton and its various officers and officials, whether elected or appointed.

Section 9.5. Fair Share Fee. Each bargaining unit employee who is not a member of the Union shall, as a condition of employment, pay a fair share fee to the Union. The fair share fee obligation shall commence on:

- A. The effective date of this Agreement for all current employees who have been employed for more than ninety (90) calendar days;
- B. the ninety-first (91st) calendar day of employment for all current employees who have not completed ninety (90) calendar days of employment as of the effective date of this Agreement; or,
- C. the ninety-first (91st) calendar day of employment for each employee hired after the effective date of this Agreement.

Section 9.6. Payroll Deduction. Fair share fee shall be paid by automatic payroll deduction. Fair share fee deductions do not require prior authorization from the affected employee. Any employee who elects to object or challenge the fair share fee must serve concurrent, written notice to the Union and the Employer and must proceed through the grievance procedure.

Section 9.7. Union Warranty. The Union warrants and guarantees to the Employer that no provision of this article violates the constitution or laws of either the United States of America or the State of Ohio. Therefore, the Union hereby agrees that it will indemnify and hold the Employer harmless from any claims, actions or proceedings by any employee arising from deductions made by the Employer pursuant to this article. Once the funds are remitted to the Union, their disposition thereafter shall be the sole and exclusive obligation and responsibility of the Union.

Section 9.8. Dues During Probation. It is agreed that the Employer will deduct Union dues from probationary employees upon receipt of an authorization card from the employee.

ARTICLE 10
GRIEVANCE PROCEDURE

Section 10.1. Definition of Grievance. A grievance is a dispute between the Employer and the Union, or an employee or a group of employees, as to the interpretation, application or alleged violation of the specific provisions of this Agreement. The Employer and the Union both encourage the informal settlement of disputes.

Section 10.2. Filing. A grievance may be brought by any member of the bargaining unit through, or with the knowledge of, a representative of the Union. Where a group of bargaining unit members desire to file a grievance involving a situation affecting each member in the same manner, a single representative may process the grievance for the benefit of all affected members.

Section 10.3. Timeliness. For the purpose of this article the term “day” shall mean calendar days not to include Saturdays, Sundays or legal holidays. Failure by the Employer at any step of this procedure to communicate the decision on a grievance within the specified time limit shall be considered to be a response in the negative and permit the Union to proceed to the next step of this procedure, within the applicable time limitations. Any grievance not advanced from one step to the next step by the employee shall be considered dismissed with prejudice. The parties may mutually extend or waive the timeliness provided in this section by executing a “Timeliness Extension” form found at Appendix A of this Agreement.

Section 10.4. Presented In Writing. The written grievance shall state the specific article and section of this Agreement alleged to have been violated, a brief set of facts and the relief requested. A grievance, as defined in this article, must be presented in writing on the form found at Appendix B of this Agreement. Employees shall have the right to file and resolve grievances with or without Union representation; however, the Union shall have the right to be present during the grievance procedure. The resolution of a grievance must conform to this Agreement and the Union shall be informed of such grievance and resolution. At any time prior to the filing of the grievance at Step 1, the grievant, the Union representative and the grievant’s supervisor may meet to discuss the issues involved. Any resolution at this informal meeting shall not be precedential.

Section 10.5. Disciplinary and Bargaining Unit Grievances. The following grievances may be filed directly at Step 3:

- A. All disciplinary actions including written reprimands, suspensions, demotions or any other reduction in pay, rank or status, and removals; and,
- B. All grievances effecting the entire bargaining unit.

Section 10.6. Procedural Steps.

Step 1: Division Commander. A written grievance must be filed with the employee’s Division Commander within five (5) days of the date the event complained of became known to the employee or the Union. The employee, the Union representative and the Division Commander shall meet within three (3) days to discuss the matter. The Division Commander shall provide a written answer to the employee with a copy to the Union within three (3) days of the meeting. If

the employee does not invoke Step 2 of this procedure within five (5) days after receipt of the written answer of the Division Commander, such grievance shall be considered satisfactorily resolved.

Step 2: Chief of Police. If the grievance is not resolved at Step 1, the employee shall have the right to appeal in writing, within five (5) days after receipt of the Division Commander's written answer to the grievance to the Chief of Police. The Chief of Police shall issue a decision or schedule a meeting within three (3) days of the filing of the grievance at Step 2 to discuss the matter with the employee and Union representative. If a meeting is held, the Chief of Police shall provide a written answer to the employee with a copy to the Union within three (3) days of the meeting. If the employee does not invoke Step 3 of this procedure within five (5) working days after the answer of the Chief of Police, said grievance shall be considered satisfactorily resolved.

Step 3: Director of Public Safety. If the grievance is not resolved at Step 2, the employee shall have the right to appeal in writing, within five (5) days after receipt of the Chief of Police's written answer to the grievance to the Director of Public Safety. The Director of Public Safety shall review the grievance and issue a decision or schedule a meeting with the employee, the Union representative, the Chief of Police and any other parties as deemed necessary by the Director of Public Safety within fifteen (15) days from the date of receipt time stamped in the office of the Director of Public Safety. If a meeting is held, a decision from the Director of Public Safety shall be reduced to writing and submitted to the employee and the Union within five (5) days from the date of the Step 3 grievance meeting. If the Union does not invoke Section 10.7, said grievance shall be considered satisfactorily resolved and dismissed with prejudice.

Section 10.7. Arbitration. If the grievance is not satisfactorily settled in Step 3, the Union may submit the grievance to final and binding arbitration by submitting notice to the Employer within fourteen (14) calendar days of the receipt of the written answer at Step 3, and by submitting a joint request to the Federal Mediation and Conciliation Service (FMCS) for a list of nine (9) Ohio Resident, National Academy Certified arbitrators, with a copy of such request delivered to the Employer. In the event the letter of intent or referral to arbitration (i.e., list request) is not submitted within the time limits prescribed, the grievance shall be considered resolved based upon the Step 3 answer or default rejection as may be applicable. The Union has the sole right to decide whether to arbitrate, appeal, or settle any grievance.

Upon receipt of a list of arbitrators, the Employer and the Union shall have fourteen (14) calendar days from the date of mailing to strike any name to which it objects, number the remaining names in order of preference, and return the list to FMCS.

Prior to striking, each party shall once have the option to completely reject the list of names provided by FMCS and requesting another list. All procedures relative to the hearing shall be in accordance with the rules and regulations of FMCS.

Section 10.8. Authority of the Arbitrator. The arbitrator shall limit the decision strictly to the interpretation, application or enforcement of specific articles and sections of this Agreement, and shall be without power or authority to make any decision that is contrary to or inconsistent with or modifying or varying in any way the terms of this Agreement or of applicable laws; limits or interferes in any way with the powers, duties or responsibilities of the Employer under applicable

laws; limits or interferes in any way with the powers, duties or responsibilities of the City Council under its rule making power not inconsistent with this Agreement; contrary to, inconsistent with, changing, altering, limiting or modifying any practice, policy, rule or regulation of the Employer so long as such practices, policies, rules or regulations do not conflict with this Agreement; and/or, granting any right or relief for any alleged grievance occurring at any time other than the contract period in which such right originated.

Section 10.9. Arbitrability. The question of arbitrability of a grievance may be raised by either party no less than five (5) working days before the arbitration hearing of the grievance, on the grounds that the matter is non-arbitrable or beyond the arbitrator's jurisdiction. The first question to be placed before the arbitrator will be whether the alleged grievance is arbitrable. If the arbitrator determines the grievance is within the purview of arbitrability, the alleged grievance will be heard on its merits before the same arbitrator.

Section 10.10. Decision. A written decision of the case shall be provided by the arbitrator resulting from any arbitration of grievances hereunder, and such decision shall be final and binding on the Employer, the Union and the employee.

Section 10.11. Fees/Expenses. The cost of the services of the arbitrator, the cost of any proofs produced at the direction of the arbitrator and rent, if any, for the hearing rooms, shall be borne by the losing party. The expenses of any witness shall be borne, if at all, by the party calling them. The fees of the court reporter shall be paid by the party asking for one; such fees shall be split equally if both parties desire a reporter. Any employee whose attendance is requested by an arbitrator's subpoena for such hearing shall not lose pay or benefits to the extent such hearing hours are during the employee's normally scheduled working hours on the day of the hearing.

ARTICLE 11 **JOINT LABOR MANAGEMENT COMMITTEE**

Section 11.1. Joint Labor Management Committee. In the interest of sound labor relations, a joint committee of no less than four (4) nor more than six (6) members, half (1/2) of whom shall be from the Employer and half (1/2) of whom shall be from the Union, shall meet for the purpose of discussing subjects of mutual concern. Such committee shall be co-chaired by the Director of Public Safety and a representative selected by the bargaining units. It shall be the express purpose of this committee to build and maintain a climate of mutual understanding and solution of common problems.

Section 11.2. Meetings. Either party may request the other to meet upon execution of a notice. The parties shall meet within ten (10) business days following the execution of such notice, subject to the availability of the participants. Each party shall be responsible for taking its own notes. To provide for productive meetings, the parties agree that they will exchange topic agendas at least five (5) calendar days in advance of any meeting. Employee members of the committee shall not lose pay for participation while on duty.

ARTICLE 12 **NO STRIKE CLAUSE**

Section 12.1. Illegal Work Stoppages. The parties to this Agreement mutually recognize and agree that the services performed by employees covered by this Agreement are services essential

to the public health, safety, and welfare. Under no circumstances will the Union or its representatives cause or permit its members to cause any bargaining unit member to take part in any strike, sit-down, stay-in or slowdown in any department, or any curtailment of work or restriction of services or interference with the operations of the Employer.

Section 12.2. Union Responsibility. In the event of a work stoppage, picketing, patrolling or any other curtailment by the Union or its employees covered hereunder during the term of this Agreement, the Union by its officers, agents and stewards, shall immediately declare such work stoppage, picketing, patrolling or other curtailment to be illegal and unauthorized in writing, and instruct employees to stop the said conduct and resume work immediately.

Section 12.3. Union Liability. In the event that the Union in any such situation performs the obligation of this paragraph in good faith, and has not authorized such conduct, it shall not be liable in any suit in any court for money demands caused by said violations.

Section 12.4. Strike Discipline. The Employer shall have the right to discipline, up to and including discharge, any employee who participates in or gives leadership to any activity herein prohibited.

ARTICLE 13 **DISCIPLINARY PROCEDURE**

Section 13.1. Employees Covered By Procedure/Forms for Discipline. This procedure shall apply to all non-probationary bargaining unit employees. The tenure of every non-probationary employee subject to the terms of this Agreement shall be during good behavior and efficient service. No non-probationary employee shall be reduced in pay or position (including working suspensions), suspended, discharged, or removed except for grounds stated in Section 2 of this article. The Employer may take disciplinary action against any employee in the bargaining unit for just cause. Forms of disciplinary action are:

1. Letter of instruction and cautioning.
2. Written reprimand.
3. Suspension without pay, at the option of the employee, and with concurrence of the Employer, accrued vacation or other paid leave may be forfeited equal to the length of the suspension. Records of suspension will be maintained. Any employee that is suspended due to disciplinary action shall not be eligible for any type of overtime during the suspension period. When the period has concluded and the employee returns to his regular scheduled shift, he shall become eligible again.
4. Suspension of record (i.e., paper suspension).
5. Discharge.

An employee who is given a working suspension (i.e., suspension of record) shall be required to report to work to serve the suspension and shall be compensated at the regular rate of pay for hours worked. The working suspension shall be recorded in the employee's personnel file in the same manner as other disciplinary actions having the same effect as a suspension without pay for the purpose of recording disciplinary action.

Section 13.2. Just Cause. Discipline shall be imposed only for just cause.

Section 13.3. Administrative Leave Pending Investigation. An employee may be placed on administrative leave with pay at any time during the disciplinary procedure at the sole discretion of the Employer.

Section 13.4. Notice of Pre-disciplinary Meeting. The specific charges for which discipline is being considered shall be set forth in writing in the Notice of Pre-disciplinary Meeting to the employee along with a brief explanation of the facts and circumstances underlying the charges. The notice shall contain a reference to dates, times and places if possible.

Section 13.5. Pre-disciplinary Meeting. Where the Employer seeks as a penalty the imposition of a suspension without pay, demotion, reduction in rank and/or termination, the Notice of Pre-disciplinary Meeting shall be served on the employee a minimum of five (5) days and a maximum of ten (10) days prior to the Pre-disciplinary Meeting. The parties may extend this five (5) day to ten (10) day notice of Pre-disciplinary Meeting by mutual consent. The Notice of Pre-disciplinary Meeting shall be accompanied by a written statement that includes:

- A. Date and time of the Pre-disciplinary meeting;
- B. the employee has a right to object by filing a grievance within five (5) working days of receipt of the Notice of Pending Disciplinary Action;
- C. the grievance procedure provides for a hearing by an independent arbitrator as its final step; and,
- D. the employee is entitled to representation as provided in Section 13.6(A).

Section 13.6. Rights During Disciplinary Actions. Employees have the following rights when involved in discipline:

- A. **Representation.** An employee shall be entitled to representation by a Union representative or an attorney, at the employee's expense, at any time after the employee receives the Notice of Pre-disciplinary Meeting. If the employee chooses to secure representation by an attorney or declines Union representation, the employee shall execute a "Waiver of Representative" form found at Appendix C of this Agreement and forward such form to the Union.
- B. **Criminal Investigation.** If an employee is questioned as a suspect in any investigation of a known pending criminal charge, such employee shall be advised of the appropriate constitutional rights prior to questioning.
- C. **Recording Devices.** No recording device, stenographic or other record shall be used during questioning unless the employee is advised in advance. If the questioning is recorded, the employee may request a transcript at the employee's expense. The employee will be supplied a copy of the record at least fifteen (15) working days prior to the date of arbitration. The cost of the transcript will be borne by the party requesting the copy of the transcript.

D. **Polygraph/VSA.** Polygraph and/or voice stress analyzer (VSA) examination(s) will be administered only with the consent of the employee. If the employee consents, the employee will be supplied a copy of the record at least fifteen (15) working days prior to the date of arbitration. The cost of the transcript will be borne by the party requesting the copy of the transcript.

Section 13.7. Employee's Response. If an employee receives the notice provided in Section 13.4, such employee shall have five (5) working days to respond to such allegations if the employee so chooses. The employee may waive this right to respond, in writing.

Section 13.8. Notice of Disciplinary Action. Upon the conclusion of the Pre-disciplinary Meeting, if the Employer believes that just cause exists, discipline shall be imposed. The affected employee and the O.P.B.A. shall be notified in writing of the discipline to be imposed within ten (10) days of the conclusion of the Pre-disciplinary Meeting. This ten (10) day period for the Employer's response may be extended by mutual agreement of the parties. The Employer shall provide retirees of the Barberton Police Department who have retired prior to December 30, 2013, reimbursement for any health insurance deductibles paid by the retiree as the result of coverage as provided by the Police and Firemen's Pension and Disability Fund (PFPDF) or any other bona fide health insurance provider. Said reimbursement, regardless of the amount of deductible imposed by the health care provider, shall not exceed in any calendar year five hundred dollars (\$500.00) for single coverage or seven hundred fifty dollars (\$750.00) for family coverage. The retiree shall provide the Finance Director with the necessary documentation as provided by the insurance carrier indicating they are the primary insured on the policy and the amount of deductible incurred and paid.

Section 25.5. Adult Dependent (Age 26-28) Coverage/Premium Rates. The coverage costs and formula contained in the forgoing sections does not include costs associated with Adult Dependent (Age 26) Coverage. Adult dependents that will turn age twenty-six (26) for each year of this Agreement shall receive coverage as follows:

- B. Adult dependent birthdays that fall between July 1st and December 31st within the year the dependent reaches age twenty-six (26) will receive coverage until December 31st within the year the dependent reaches age twenty-six (26).

ARTICLE 26 **PROBATIONARY PERIOD**

Section 26.1. Probationary Period. An employee promoted into or within the bargaining unit shall serve a promotional probationary period of ninety (90) days. If the promoted employee fails to satisfactorily complete the promotional probationary period, the employee shall be returned to the employee's previous position. The Employer agrees, in the event a promoted employee is returned to the employee's previous position during the promotional probationary period, to meet and discuss with the employee the reason(s) that warranted such return. Upon mutual agreement between the Union, the affected employee and the Employer, the probationary period may be extended.

ARTICLE 27 **PROFESSIONAL LIABILITY**

Section 27.1. Public Release of Information. In the event an employee is involved in any incident concerning the use of firearms or where an allegation of brutality is made against the

employee, and such incident or allegation is related to the employee's law enforcement duties, the officer's identity shall not be announced to the public until the investigation is completed.

Section 27.2. Suit. No department regulation shall prohibit an employee from bringing suit arising out of the employee's duties as a law enforcement officer.

Section 27.3. Liability Insurance. The Employer will cover each employee with professional liability insurance. The coverage limits for each employee will provide a minimum of two hundred fifty thousand dollars (\$250,000.00) per incident and five hundred thousand dollars (\$500,000.00) aggregate.

ARTICLE 28 **SICK LEAVE**

Section 28.1. Sick Leave. This section is intended to modify Ohio Revised Code 124.38 and 124.39.

Section 28.2. Accrual. All bargaining unit employees shall earn sick leave at the rate of four and six tenths (4.6) hours for every eighty (80) hours worked or compensated, and shall accumulate without limit.

Section 28.3. Definition/Usage. Sick leave may be used by an employee for only the following reasons:

- A. Illness, injury or pregnancy-related condition of the employee;
- B. Exposure of the employee to a contagious disease which could be communicated to and jeopardize the health of other employees;
- C. Examination of the employee, including medical, psychological, dental or optical examination;
- D. Illness, injury, pregnancy-related condition, or post-partum condition of a member of the employee's immediate family where the employee's presence is reasonably necessary for the health and welfare of the employee or affected family member;
- E. Examination, including medical, psychological, dental, or optical examination of a member of the employee's immediate family member where the employee's presence is reasonably necessary.

Section 28.4. Reporting Procedure/Documentation. An employee who is absent on sick leave shall report such absence to the employee's supervisor. Such report shall occur as soon as possible but in no event later than one (1) hour before the start of the employee's shift each day the absence will occur. The employee shall state the employee's name, reason for absence and the expected length of absence. Before an absence may be charged against accumulated sick leave, the Chief of Police may require satisfactory proof of illness, injury, or death. In any event, an employee absent for more than three (3) consecutive scheduled workdays must supply a physician's report to be eligible for paid sick leave.

Section 28.5. Abuse and Discipline. Any abuse of sick leave or the patterned use of such leave shall be sufficient cause for discipline.

The Director of Public Safety may require the employee to be examined by a physician designated, scheduled, and paid for by the Employer, or require a report from the employee's personal physician to be eligible for paid sick leave. If, upon direction of the Director of Public Safety, the employee fails to submit written proof of illness, injury, or death, or the employee fails to submit to a medical examination at the cost of the Employer, or documentation or proof as is submitted and attained through examination is insufficient to justify the employee's absence, such leave may be considered an unauthorized leave and discipline imposed. Falsification of either a written signed statement or a physician's certificate shall be grounds for disciplinary action.

An example of abuse/patterned use is an absence due to personal illness or injury for more than five (5) consecutive days or more than five (5) days in a four (4) week period without proper notice or medical documentation.

Section 28.6. Employer Required Examination. If the Employer has a reasonable basis, based on job conduct, for believing that an employee is no longer mentally or physically capable of performing the essential functions of his position, or that he poses a threat to himself or others, the Employer may order an examination by an appropriately qualified medical professional, at the Employer's expense. This includes but is not limited to situations where an employee has been absent due to personal illness or injury for more than two (2) consecutive work days or more than five (5) days in an eight (8) week period; the Employer prior to and as a condition of the employee's return to duty may require an examination under this section.

Upon receipt of the medical professional's opinion on fitness for duty, the Employer, the Union, and the employee will meet to discuss possible alternatives and/or accommodations. If no alternative or accommodation is mutually agreeable, then the employee will be placed upon disability leave or disability separation.

Section 28.7. Immediate Family Defined. When the use of sick leave is due to illness or injury in the immediate family, "immediate family" shall be defined as the employee's spouse, children, stepchildren, grandchildren, parents, or foster children.

Section 28.8. Sick Leave Cash Out. Employees who have a minimum of nineteen (19) days of accumulated sick leave as of the first pay of October may, at the employee's option, sell back to the Employer four (4) days of accumulated sick leave and be compensated for thirty-two (32) hours of pay at the employee's regular hourly rate. A one-time pay out shall occur in the last quarter of the calendar year from hours earned prior to the date of the request for payment. The Finance Director shall deduct the amount of sick leave sold back from the account of the employee. Employees wishing to exercise this option shall provide the Finance Department with two weeks' notice. Below represents the Sick Leave Cash Out schedule:

- Beginning January 1, 2017 and through December 31, 2018, employees with more than seven (7) years of service shall not participate in Sick Leave Cash Out as described in this Section.

- Beginning January 1, 2019, employees with more than six (6) years of service shall not participate in Sick Leave Cash Out as described in this Section.
- An employee's anniversary date determines the first day of the sixth or seventh year, as applicable.

Employees meeting the requirements of Article 36 Severance and Retirement Benefits, shall receive fifty (50) days added to their Severance and Retirement payout. (See Article 36 Severance and Retirement Benefits.)

ARTICLE 29 **PERSONAL LEAVE**

Section 29.1. A bargaining unit member may use two (2) restricted days of leave and one (1) unrestricted day of leave per year for personal reasons, without deduction of any other accrued leaves. The restricted personal days shall not be scheduled under conditions that create overtime and must be approved in advance by a supervisor. Once said scheduled personal day has been approved, such approval shall not be revoked. The unrestricted personal day shall only require one (1) hour notice to the employee's supervisor. Unrestricted personal days are limited to one (1) supervisor per shift. When scheduling personal leave days, such requests shall be granted to the employee first requesting.

ARTICLE 30 **BEREAVEMENT LEAVE**

Section 30.1. An employee may be off work with pay up to a maximum of three (3) days for the death of a member of the employee's family as herein defined. The employee's family, for bereavement leave purposes, is defined as follows: mother-in-law, father-in-law, grandparents, spousal grandparents, grandchildren, brother, sister, and stepparents. For the death of a spouse, parent, child, stepchild or a foster child who lives in the home, the maximum shall be five (5) days of leave. The maximum leave to be taken for the death of a brother-in-law or sister-in-law shall be one (1) day. Funeral leave shall be used without reduction in sick leave.

In order to receive payment for bereavement leave, the employee must have been scheduled for work on the date or dates for which the employee requests payment, and if more than one (1) day is claimed (up to the maximum allowed), the time must be continuous and include the date of the funeral. The Chief of Police may authorize additional sick leave for an out-of-state funeral for the employee to attend the funeral of a close friend or relative not defined above.

ARTICLE 31 **JURY DUTY**

Section 31.1. Employees shall receive paid jury duty leave under the following conditions:

- A. The employee will notify his/her immediate supervisor within seventy-two (72) hours of receiving the notice to appear for jury duty.

- B. The employee will be assigned to first shift for the period of his/her jury duty service. The Employer retains the right to temporarily assign another bargaining unit member to cover for the temporary jury duty transfer.
- C. Any compensation for jury duty need not be remitted to the Employer.
- D. Where there is less than one (1) hour of work time remaining on an employee's scheduled work day, the employee need not report back to work when released from jury duty.

ARTICLE 32

FAMILY AND MEDICAL LEAVE

Section 32.1. The Employer agrees to comply with the Family Medical Leave Act of 1993 and any amendments thereto. Any leave taken by an eligible employee, whether paid or unpaid, shall be applied against the employee's leave entitlement.

Section 33.2 Seniority While on Leave. Employees shall not lose seniority during FMLA leave.

Section 32.3. Certification of Need for Leave/Return to Duty. An employee requesting FMLA leave must provide the Employer with a written certification by a physician on a form provided by the Employer. An employee returning to work after FMLA leave for the employee's serious health condition or pregnancy must provide the Employer with a written certification by a physician that the employee is able to return to work.

Section 32.4 Employees who exhaust all sick and personal leave *and* exhaust all but one (1) week of vacation leave during approved FMLA leave, shall have the option to reserve the last one (1) week of vacation leave. Employees choosing to reserve one (1) week of vacation leave will not be paid for the one week that has been reserved.

ARTICLE 33

MILITARY LEAVE

Section 33.2. Training. An employee who is a member of any United States Military Reserve or National Guard unit and is required to engage in annual training exercises shall be paid the difference between the employee's regular wages and the compensation from the military unit for up to one hundred seventy six (176) hours per year. Additional time may be granted subject to prior approval by the Director of Human Resources. If such leave is granted, the Employer shall only be obligated to pay the difference between the employee's military pay and the employee's regular pay.

Section 33.3. Active Duty. An employee who is a member of any United States Military Reserve or National Guard unit and is called to active duty shall receive the difference between the employee's regular wages and the compensation from the military unit for up to one hundred

seventy six (176) hours per year. The City shall continue medical benefits for any of the employee's dependents for six (6) months.

ARTICLE 34 **INJURY LEAVE**

Section 34.1. Injury Benefit. All bargaining unit members who are injured or incapacitated in the scope and performance of their duties or work and are entitled to workers' compensation insurance shall be entitled the employee's regular rate of compensation without reduction in sick leave status, if and only if said injury or incapacitation is reported to management prior to the completion of the employee's shift or at the first available opportunity. Said injury shall be readily ascertainable and of such a nature to prevent the employee from engaging in the duties of his employment. Said employee shall receive benefits as stated above for a six (6) month period computed on a calendar month basis. The Employer reserves the right to subrogate against the employee for any payment made by a third party or uninsured/underinsured coverage. Such amount shall not be reduced by attorney fees or partial settlement. Said period shall begin on the date of injury. Said employee shall provide medical certification of the disablement before entitlement. The Finance Director shall be charged with the compliance of the provisions of this regulation.

Section 34.2. Benefit Period. Upon the exhaustion of the six (6) month period above, the employee shall have the option to use accrued sick leave or of relying solely upon workers' compensation weekly benefits. Should the employee retire under the disability provisions of the PFPDF, such sick days shall be reinstated for the purposes of severance as provided in this Agreement. Should an employee rely solely upon workers' compensation weekly benefits, or upon the exhaustion of any accrued sick leave, the employee's continuous service and seniority shall continue.

Section 34.3. Workers Compensation. On-duty injuries shall be handled in accordance with the present rules and regulations set up under the Ohio workers' compensation laws and provisions of the PFPDF. All employees who are injured or who are involved in an accident during the course of their employment shall file an accident report on a form furnished by the Employer. No matter how slight the incident, all such injuries should be reported to the employee's immediate supervisor and any necessary medical attention shall be arranged by the Employer. The Employer shall provide assistance to employees in filling out all necessary forms when requested with copies of accident and physician reports attached.

Section 34.4. Workers' Compensation Representation. If an employee-claimant or the employee's designated representative is scheduled to work on a date when (1) a workers' compensation hearing or appeal is scheduled to be heard, or (2) the employee's presence is required before the Bureau of Workers' Compensation or Industrial Commission for the filing or processing of any claim needed to satisfy a time limit as prescribed by law, and the employee is unable to change either the date of such hearing or time limit, the employee or the employee's representative shall be released from duty to perform same without loss of pay, provided a reasonable effort to reschedule such action off-duty has been made. This provision shall not include any appeal filed by the employee or the employee's representative in a court of law beyond the Ohio Industrial Commission.

ARTICLE 35
WORK RULES, POLICIES, AND REGULATIONS

Section 35.1. The Union recognizes that the Employer, under this agreement, has the right to promulgate and implement new and revised reasonable work rules, regulations, and policies and procedures that regulate the conduct of employees and the conduct of the Employer's services and programs.

Section 35.2. Prior to implementation or modification of any new or existing rule, regulation, policy or procedure which affects members of the bargaining unit, the Employer will notify the Union, and if requested, meet with the Union to discuss the matter prior to the date of implementation.

Section 35.3. The Employer recognizes and agrees that no work rules, regulations, policies or procedures shall be maintained or established that are in violation of any expressed terms or provisions of this agreement.

ARTICLE 36
SEVERANCE AND RETIREMENT BENEFITS

Section 36.1. City Severance. All bargaining unit members shall be granted severance pay upon retirement. "Retirement," as used in this section, is defined as: a break in service with the Employer; the employee has met the criteria of the PFPDF for retirement; and, the employee is eligible to receive retirement benefits at the time of the break in service. The amount of allowable days of severance pay shall be computed as follows: one and eight tenths (1.8) days per completed year of service with the City of Barberton shall be granted, plus the employee's accumulated sick leave maximum at the time of retirement. Employees shall not receive credit for more than hundred (100) days of *accumulated* sick time and may be credited an *additional* fifty (50) Sick Leave days as described in Article 28 Sick Leave. The total of these three (3) figures represents the total amount of days that an employee is entitled to for the purpose of computing severance pay.

(Severance Days + Accumulated Sick Leave Days + Additional Sick Leave Days per Article 29)**

$$\begin{array}{r} x \quad \text{Eight (8) Hours} \\ \hline = \quad \text{Total Hours Payable} \\ x \quad \text{Employee's Hourly Rate At Retirement} \\ \hline = \quad \text{Total Severance Payable} \end{array}$$

** Sick Leave days Max at one hundred (100) plus fifty (50) Additional Sick Leave days per Article 28, Service Days = Total Seniority times 1.8.

Sick Leave days, for the purpose of the Severance and Retirement Benefits calculation shall not exceed one hundred and fifty (150) days.

EXAMPLE: Employee “A” is entitled to one hundred forty-five (145) days for purposes of computing his severance pay. $(145 \times 8) \times (\$ 24.86) = \$ 28,837.60$.

Section 36.2. Severance at Death. In case of the death of an employee, which death occurs during that employee's tenure, the employee's spouse, or if no spouse, the employee's estate, shall receive an amount of money equal to that amount which the employee would have received had the employee retired on the date of said employee's death, and had the employee retired under PFPDF. Said amount of money shall be computed in the same manner as severance pay is computed for an employee retiring under a recognized retirement system. All limitations that would apply to an employee eligible for severance pay will be applicable in determining the amount to be paid to the employee's surviving spouse or to the employee's estate should there be no surviving spouse.

Section 36.3. One-Time Benefit. Severance pay shall be allowed to the same employee only once. Should an employee retire and receive severance pay, and then be re-employed by the Employer, that employee shall not again be eligible for another severance pay when that employee retires. Further, the re-employed employee's spouse or estate shall not be entitled to any amount of money as provided in this article should that employee die while employed by the Employer. Severance pay shall not be granted to an employee that is fired or that voluntarily terminates employment with the Employer.

Section 36.4. Severance Payment Due Date. Severance pay shall be paid by the Finance Director on the date that the employee's retirement becomes effective, provided that the employee notifies the Finance Director at least ten (10) days prior to that date.

The parties acknowledge and agree that nothing herein shall restrict the City's ability to conduct reasonable suspicion drug testing in accordance with the City's drug testing policy.

SIDE LETTER OF AGREEMENT
UNIT ASSIGNMENTS

The City of Barberton and the OPBA have engaged in numerous discussions over Section 1.2, formerly titled Unit Assignments, of the labor agreement.

The OPBA does not want the City to use reserve sworn officers to work traditional beats in the place of full time officers. The City agrees that reserve officers when working a beat in a patrol car will only be used to supplement the beat car.

The OPBA does not want the City to use reserve officers to substitute for full-time officers where traditionally full-time officers were hired by the City at overtime rates. Examples would be parades and fireworks. The City agrees that reserve officers will not take the place of full-time officers at these events, but will use reserve officers at these events to supplement the normal compliment of full-time officers.

The City wants to use reserve officers working by themselves for a variety of functions as indicated in 1.2. The OPBA agrees that they may do so.
